ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED DATE 10/19/92 BY [illegible]

On this 22nd day of June in the year of 1968 while in sound mind in every sense of the word, I do speak by intuition that my wife Marceline Mae Jones is to be my successor as pastor, President of the Peoples Temple non-profit inc, and spiritual leader of Peoples Temple in all matters. It is made clear to me that she as is in the case of Mrs Martin Luther King with her late husband will ably succeed me in all matters. Even the Messenger of God will give her guidance on occasion as was so frequently the case with me. When this messenger makes contact with her, she will accept that Divine Guidance. Marceline Jones is to be consulted about all Church decisions for in her their is absolute integrity. You as a congregation conveyed to both of us the absolute right to relegate all funds and the Divinely bequeath to her. LOVE
