STATEMENT ~~OF~~ IN RE CUSTODY OF JOHN VICTOR STOEN

To whom it May Concern:

I, Timothy O. Stoen, declare and certify as follows:

I am the legal father of John Victor Stoen, a minor of the age of 5 years, born 25 January 1971. The legal mother of said minor is Grace ~~Lacy~~ Stoen. The purpose of this statement is to show ~~that~~ why Grace Stoen is unfit to be awarded the custody of said minor. Should she ~~have~~ file a ~~divorce~~ custody or divorce action in a Guyanese court, and (2) to show to the government of Guyana that she is a dangerous reactionary who has indicated the world would work with the Central Intelligence Agency to destabilize "make the world safe" for any capitalist country.

In July 1976 Grace Stoen abandoned said minor and ran off with another man, ~~of fair skin~~ blond hair and light skin. She indicated to me and others before she left that she wanted said minor to live ~~in~~ under the pastoral care of Rev. James W. Jones, ~~She left the~~ in Jonestown, Northwest District, Guyana, South America.

The man Grace Stoen ran off with ~~Grace Stoen went to live with~~ is a reactionary / racist who by word and deed is totally opposed to Socialism. Grace Stoen has herself become a reactionary racist who by word and deed is totally opposed to Socialism. After leaving, she ~~Prior to~~ ~~She has~~ indicated ~~that she would work for the C.I.A. to be sure that they knew that she would work as a capitalist who~~ ~~didn't want to share, and would work with the U.S. Central Intelligence Agency "to make the world safe" for~~

In September 1976 Grace Stoen reaffirmed to me and others her desire that said minor live in Guyana under the care of Pastor Jones. Said minor ~~was brought to~~ came to live in Guyana in September 1976, where he has remained ever since. Grace Stoen was given a round trip air ticket to visit ~~her~~ said minor in Guyana.
