- 16. Statement of Significance: Built in 1912, the P.T.C. Church was designed by architect Elmer Grey to suit the particular needs of the congregation of the First Church of Christ, Scientist, the original builder of the church. The church was owned and operated by that organization until it was purchased in 1972 by the Peoples' Temple Christian Church who operate it at present. The church is a fine example of Christian Science Church architecture in America before 1920.
