

The Families of Jonestown

The following is a listing of Peoples Temple families who were in Jonestown and Georgetown at the time of the mass deaths on 18 November 1978. The first section of the listing consists of two parent families alphabetized by the male partner. The second section alphabetizes single parents, then lists their children. Information on children includes their ages on 18 November 1978 (*italics* indicate the children of majority age). The super-scripted numbers refer to notes which follow the listings.

The House Foreign Affairs Committee report was released in May 1979. Its full title is *The Assassination of Representative Leo J. Ryan and the Jonestown, Guyana Tragedy*.

The Randolph list is a list prepared by surviving Temple member Jim Randolph (December 12, 1978) as a means to identify bodies, establish family groups, and notify next-of-kin of the Jonestown dead.

FBI document 89-4286-1302 (prepared 12/78) is an uncatalogued stack of documents which the FBI released to Fielding M. McGehee III and Rebecca Moore pursuant to a lawsuit against the Department of Justice (2002).

PT occupation record consists principally of a record created by an unknown author in Jonestown in September 1977, after the mass migration was complete. The record comes from the FBI from an earlier release under FOIA to Rebecca Moore, and is now part of the Moore Family Papers at the California Historical Society (MS 3802, Baker Research Library).

The **LJ memo** is a memorandum written by Laura Johnston in summer 1977. The record comes from the FBI from an earlier release under FOIA to Rebecca Moore, and is now part of the Moore Family Papers.

Maaga refers to the research notes of Mary McCormick Maaga whose doctoral dissertation was the foundation for her book, *Hearing the Voices of Jonestown* (Syracuse, NY: Syracuse University Press 1998).
