Hi Bonnie & Don,

I am dang fine in school Peter is teaching us how to macrame. We plan on selling it toget money to help the people to getouer here. I really liked the cards you sent. Kim Breuster is going to put them in frames for me, It's tim to be here in a trae cou country. The air is clean & not pollutted. We have good citrus Etood to eat not poisoned food. I planted some elephant ear plants that came from the bush in front of our house, Kin Browster is my Supervisor. E Everybody Says Hi! Keith Guy & me had some fish in a jar. We got them out of the windrow. Keith Guy and me tound

a possun in a Iknow how to read now. I know how to do Math & x- rai tables & divisions, The animals are fun to play with

Dad Love us
