

I am 24 years of age right now and don't expect to live through the end of this book. I thought I should at least make some attempt to let the world know, what Jim Jones and Peoples Temple is - or was all about, it seems that some people - and perhaps the majority of people would like to destroy the best thing that ever happened to the 1200 or so of us who have followed Jim. I am at a point right now so embittered against the world that I don't know why I am writing this. Some one who finds it will believe I am crazy or believe in the broken wise that does not exist in Jonestown. It seems that everything good that happens to the world is under constant attack. When I write this, I can expect some mentally fascist person, to find it and decide it should be thrown in the trash before anyone gets a chance to hear the truth - which is ~~the~~ ~~or~~ what.

I am now writing alone.

Where can I begin - Jonestown - the most peaceful, loving community that ever existed. Jim Jones - the one who made this paradise possible. Much to the

Contrary of the lies spread about Tim
- was being a power hungry, sadistic
mean person who thought he was God -
(of all things!) I want you who reads
this to know Tim was the most honest
loving - caring , concerned person whom I
ever met and knew. His love for animals
- each creature - poisonous snakes, tarantulas
knew of them ever but him because he
was a gentle person. He knew how mean
the world was - took any and every stray
animal and took care of each one.
His love for humans was unsurmountable
and it was many when he put his love
and trust in and they left him and
spit in his face Teresa Bickford Debbie
Bleakley - they both wanted sex from
him which he was too ill to give.
Why should he have to give them sex - and
Gee and Tim Stoen also - include them
too. I should know I have spent
these past few months taking care of
Tim's health - however it was difficult
to take care of anything for him - she

Always would do for himself. His hatred of racism, sexism, elitism and mainly classism is what prompted him to make a new world for people - a paradise in the jungle! The children loved it. So did everyone else. There were no ~~ugly~~ ugly, mean police waiting to beat our heads in. No more racist stores from whites and others who thought they were better. No one was made fun of for their appearance - ~~but~~ something with one had no control over. Meanness and making fun was not allowed. Maybe this is why all the lies were started - besides the fact that no one was allowed to live higher than ~~any~~ ^{any} one else. The United States ~~allowed~~ allows division the problem being this and not all the side tracks of ~~the~~ black power, women power, Indian power, gay power. Jim Jones showed us all this - that we could live together with our differences - that we were all the same - human beings. Luckily we were more fortunate than the...

Starving babies & in Ethiopia and the starving
babies in the United States. What a
beautiful place this was. The children
had the jungle - learned about animals
and plants. There were no cars to run over
them - no child molesters to molest them,
nobody to hurt them. They were the
forever, most intelligent children I had
ever known. Seniors had dignity. They
had whatever they wanted - a plot of
land for a garden. Seniors were treated
with respect, something they never
had in the United States. A rare few
were sick and when they were - they
were given the best medical care.

We died because you would not let
us live in peace!
