be interested in us, he said said
that he would not at all be surprised
if Ti Spasad contacted ~~alive~~ on that
Karen's mom would tell us because

the most positive thing that happened
was irving stone, the author,
introduced sterling, it happened
that irving stone sat at the same

and there were no other people
at that table, hartford talked

esply with no outside financing,
he is 73 years old, hartford

P.H. prior to the hearing. Vince H. came in to the court room, and to bl. Charles to go easy on his son. They laugh and he left. To S was in the room next to P.H. and the room was full with his supporters. Jim C. was there. Steve K., Mickey T., and several other black men and women. Oh yes, Billy and Bruce's parents too. To S was dressed in an Oxford grey suit, his hair low, dry and medium length - glasses with black rims. Cpi. so far. ~~At~~ At the hearing began, and Chas, opened the hearing with the affidavits saying that To S was guilty of the gravest of violations, that of Amorney client.

to cross examination. Since all of the people were deep in the jungle - the judge said no oral testimony would be taken today regardless. He also argued that To S had the right to represent these clients since he had never been ~~been~~ counsel to Pt. Timmy, he said, had joined the church out of a deep religious commitment he'd ~~down~~ his ob, and out

of his deep commitment and religious fervor had volunteered on some occasions to advise individuals who begged him for advice. he never consulted any one in leadership in the church. something like that but the target had not been jim.c. but some one else. d. esey p.h. pointed out that the word name written on top had been written nby some one else. my affidavit said there was in her nd writing, p.h. altho

argued that he had not had an le time to answer our affidavit, he needed two days, the judge pointed out to him he had four days and that was certainly ample. e drc had not reached his client, and the judge just ignored that. Cpi's

mind remembered writing something like that but forget the audience cheered rather quietly when p.h. was arguing, and was very negative to mchas. p.h. also alluded to brain washing of individuals and the fact that many of the leaders tyrannical positions lead to tos becoming disillusioned. p.h. pointed out that people were kept prisoners their passports taken from them. he argued that J.J. himself had shown contempt for the court by not returning

John, victor to fos when he shud been

At 2:00 night, the friend they visited

quite a few people over the
years a kind of thing
Robert has done for Miguel
and Norman. She was interested
in the project. She expressed
desire to visit. She is
a woman of considerable means.

Brian Kilbas quite miraculous

equipment repair and will

X-ray repair, dialysis, every type
of medical equipment, and will
learn enough by summer

to get a job as a repair man. C-9-a-6n

Josephine and Stallings are worried
that Martha mentioned her friends
illness to Gordon, he has a lot
of emotional problems and doesn't
know how to keep things to him-
self. You know, he thinks a great
deal of Mr. Parks and thought
cautioned him, he may just think
Mr. Parks is a god confidant
problem. Josephine re-iterated
her intense dislike and distrust
of Sally said she will
she will help against is no longer
get to her advantage there
turn. Ailda is neutral,
has not worked with Sally
personally and reserved judgment.

I talked to angel's physician

he steeone herbert introduced
me to ~~specil~~ st in dr. Campbell's
field. he was reading out
of ~~an enormous~~ enormous file,
and telling me that angel has
to be careful of his health
must follow doctor's Campbell's
orders to the letter because
the first little set back

^{C-9-a-7ii}
he had was an early warning
kind of symptom, the first
in a chain of ailments that
at 1d a very quick ly cost
him his job at the warehouse
it's the kind of thing where
isn't he is regular abt his medicine
etc. he may not suffer
in agn, but ~~you~~ but you
dont develop any ~~resistant~~
resistance, ~~then~~ once u get
it, you are sure to get it
if everytime you fail to
follow ur prescription. ~~if~~
~~if~~ if angel was thinking of
going to where orlando studied,
must by currently employed

~~Handwritten scribble~~

c-9-a-7jd

If he is currently employed with Mr. Brennean, ^{angel} ~~so~~ ~~he~~ ^{needs} to guard his health very carefully. ~~It~~ do to take his job at ~~the~~ ~~whore~~ ~~house~~.

What was last week refer that was last week refer that was last week refer but would definitely be off of work probably permanent disability.

Sry QRM in the rm? Mr. Bse - well, he has amebrome he has a chronic history but the first warning symptom is a safe sign that the condition is progress or it depends

attentively on how careful ^{c-9-a-7kk} ~~refully~~ angel watches his prescription he won't suffer any serious effects from his past + past illnesses as it is just a case ~~as~~ it is just a case of how conscientious he is from now on. He can count on natural resistance to germs, that's for sure.

Just wanted to mention that Mr. B is out for sure, and the doctor has promised to forward the medical records + Seattle file tonight.

Mr. B should be expected to be back tomorrow morning. It is a favorable prognosis + medical history. JAL

THAT DR. SIMON OR DR. YORKE MAY NOT
EVEN KNOW ABOUT.

MIGHT BE HAPPENING NEXT WEEK?

WHAT DID THEY TALK ABOUT ALL AFTERNOON?

CAN'T YOU GET MORE DETAIL? DID THEY

NEGOTIATE? WHAT WAS THEIR TONE?

I TAKE IT THE OLD THING IS NOT KILLED OR IS IT?

+ THE THING ABOUT ADAM WAS TO NOTIFY THEM

THAT HIS SILENCE WAS UNFAIR AND SEE

IF KES UP TO ANYTHING.

A. HOW IS SALLY'S ATTITUDE THESE DAYS?

W-2-P-3

C-9-a-9666

COULD Y REPEAT THE MESSAGE ON DICK REYNOLDS?
HOW'S TUM DOING?

EMILIO SHOULD BE WRITTEN REGARDING
MR. STERLING. VERY SUPPORTIVE + TELL HOW
STERLING HAS STOOD BY MRS. CLARKE WHEN
THEODORE WAS BEING CRUEL, JUST AS HE
WAS CRUEL TO ONE OF YOUR CLOSE
FRIENDS. GIVE ~~THE~~ ROBERTS BEST TO
HIS WIFE. ENJOYED HIS EVENING WITH
HER. ^{ROBERT} SORRY, HE CANT BE THERE
PERSON TO HELP MR. STERLING

THE FOLLOWING THINGS SHOULD BE

DONE POST HASTE:

1. CALL SALVY, TELL HER ABOUT
SUBJECTS GOAL + HOW THE PERSON SHE
TALKED TO ~~WAS~~ WAS BEING TO
TAKE ANY INFO. TELL SALVY SUSSES
APPROACH + EXPLAIN HOW THAT HAS
OFTEN BEEN A USEFUL WAY TO
FIND THINGS OUT. (BUT EXPLAIN
THAT THE PERSON NEVER SAYS
ANYTHING THAT COULD BE USED.

W-2-P-3

C-9-a-9666

AGAINST MRS. CLARKE. OBVIOUS THAT
THE SECRET ALLY OF WINSTON IS AN FRIEND
SINCE HE'S SOLICITING INFORMATION.
TELL HIM RON ALSO CAUSED + SAID WE
HEAR YOUR GOING TO HOLD UP. BASED
ON A PROMISED EXCHANGE. + THEY SAID
NO, ITS BEEN PLANNED SINCE MAY -
SO ITS OBVIOUS THEY ARE LIARS. ^{WINSTON} ~~THEY~~ SAID
THEODORE WAS A DANGEROUS SUBVERSIVE
ETC.

ANOTHER PERSON WAS TOLD SHE DIDNT KNOW
ABOUT AN EXCHANGE ALTHO THERE MAY BE
SOMETHING PLANNED THAT WOULD EXERCISE
THIS ONE FOR A WHILE.

2. SALVY SHOULD TELL WINSTON AGAIN THAT
MRS. CLARKE HAS ALWAYS BEEN ^{RECUANT} ~~RECUANT~~
TO ^{TAKE} ~~TAKE~~ THEODORE TO DR. CUTLER BECAUSE
THEY BEEN CONCERNED ABOUT HIS ~~RIGHTS~~
RIGHTS. (MENTION THE TIMES MRS. CLARKE
SPOKE UP FOR THEODORE.) BUT, SINCE
YOU ARE SOLICITING + PREPARING MATERIAL
THAT WILL RESULT IN RECURRENT APPROACHES
FOR THE PATIENT, MRS. CLARKE HAS GIVEN

THE PERMISSION TO TAKE THEODORE TO
 DR. CUTLER AND I WILL INSIST THAT
 IT BE DONE + THAT IT WILL BE FOR
 A VERY LONG LONG STAY - 200 DAYS
 AT LEAST (50 MORE THAN WHAT MENEZES
 HAS) VERY VERY STRONG

③ FRANK SHOULD LET WINSTON KNOW
 EMPHATICALLY THAT PEOPLE WILL COME
 FROM EVERY CITY TO DEMONSTRATE

~~IN REGARD TO HIS ELECTION CAMPAIGN~~ IN REGARD
 TO HIS ELECTION CAMPAIGN. CERTAINLY
 WILL BE THAT IT IS AN ISSUE SINCE
 THERE IS ^{SOME} ~~IS~~ ^{OPENING} ~~OF~~

UNRELIABLE MATERIAL - REMIND THEM
 OF MRS. CLARK'S WILLINGNESS TO

EXCEPT OUT IN CAMPAIGN'S ^{THOUSANDS HELPED OUT} ~~THIS~~
 THE PART REMIND THAT MR. CLAYTON

IS A VERY FORCEFUL SPEAKER AND WILL
 DOUBLE HIS FREE SPEAKING ENGAGEMENTS
 TO VISIT WINSTONS CITY ESPECIALLY.

④ Someone like Huzi should call Mr.
 Sharpe and tell him she knows just
 what he will say (and list the things
 Susie found out) Say its all very
 very STRANGE (ask yvette) and
 DR. CUTLER WILL BE CHANGING A
 BIG BUDGET AT LEAST 200 ~~000~~
 MR. SHARPE WILL CERTAINLY END UP
 WITH A RED FACE AND MRS. CLARKE
 WILL END UP RICH.

⑤ ~~THE~~ CYNTHIA SHOULD BOMBARD THE SINGERS
 STATEMENT SHOULD GO EVERYTHING ELSE.

⑥ SOMEONE SHOULD TELL OF THE THINGS
 THAT ARE GOING ON FOR EXAMPLE THE
 PURCHASE OF A DEFIBRILLATOR THAT
 COST THOUSANDS, X-RAY EQUIP. SERVING
 PEOPLE ~~AND~~ SPECIALIZED CARE, ETC.
 WHAT KIND OF FOLKS Y THINK THEY
 ARE IF THEY DO ALL THIS?

⑦ ALSO REMIND THAT EVERYTIME MRS. GETZ

HAS GOTTEN
~~WASTY~~ WASTY, FOLKS HAVE
 VOLUNTEERED FOR THE YOUTH ACTIVITIES
 CENTER. FOUR CAME AS A RESULT
 OF SOME COMMENT SHE MADE UP
 WHERE MR. FLETCHER IS (DON'T
 MENTION HIS NAME). GIVE THE
 EXAMPLES OF MARTY ^{WHO VOLUNTEERED} ~~AND OTHERS~~
 DIRECTLY AS A RESULT OF SOME
 WASTY REMARKS SHE MADE SOME
 YEARS BACK. MARTY ~~HAT~~ LIKE ANDREW
~~VERY WASTY~~ A PROFESSIONAL
 AREN'T AS WASTY. FOLKS DON'T TRUST
 MRS. GETZ IF THEY LOOK INTO THE
 THING + FIND OUT HOW WRONG
 SHE IS. HE MR. SHARPE WERE HONEST. SHE
 SHE MIGHT GET A CHANCE TO SEE THINGS
 FOR HIMSELF. IT WOULD BE
 FANTASTIC.
 FOR
 DARRYL PLEASE THINK OF ANYTHING
 YOU CAN - ROBERT PARTICULARLY ASKED
 HIM TO DO IT.

+ Again: We need 2 sets of Hela Coats.
~~2~~ New PO # -- 5805

+ O.K. FOR JENNY CHECK TO TAKE CLAIRE'S
 PLACE. TELL BONNIE + HER HUSBY TO THINK
 OF A PROJECT ^{OR SOME REASON} ~~WHY~~ THEY CAN
~~GET AWAY~~ GET AWAY FOR XMAS HOLIDAYS TO
 COME FOR A WHILE BUT DON'T SPREAD IT
 AROUND. ~~ALSO~~

+ SEND LIST OF THOSE ENDORSING TO
 DR. KYLES + ^{HE} ~~IT~~ I KNOW THAT
 LESION ONLY PARTIAL + THAT THESE ARE
 THE KIND OF MEDICS THAT SUPPORT ETC.

+ I THANK SALLY FOR HER PERSISTENCE ANOTHER
 THING SHE MIGHT SAY IS ABOUT THE ^{SENIOR} ~~SENIOR~~
 HERE, GERRY WHO HAD A HEART ATTACK
 WHEN THE ^{SIDNEY WINSTON} ~~SIDNEY~~ CAME OVER.
 SHE WAS ON OXYGEN + STILL HAS A NERVOUS
 REACTION WHENEVER PEOPLE LIKE SYDNEY
 COME OVER; AND ~~SHE~~ SALLY WILL CALL WINSTON

From June to Julia

→ Gimble's office: friend Jimmy got a call from Dr. Dodds asking if a call from Dr. Dodds asking if Mr. Traubson was with Amelia and if Jimmy knew anyone with Dr. Farris. He said he did not know to the first, and maybe to the second and asked in grid about it. And ans for Jimmy.

→ Odestas Marie got a letter from Mrs. Abbott abt over due bills. I give u a neg a couple of days ago. June is asking u for [unclear] also her questn abt Brotherhood records.

ANSWERS FOR JUNE

- 1) Ignore the letter from Mrs. Abbott for Odette's mom.
- 2) ~~Forget~~ No on Brotherhood records
- 3) Tell Jimmy that yes the kid is at Gebricks but as far as Mr. Farris goes, he should make it clear that Horace Farris is a completely different person than Curtis Farris.

There is no connection whatsoever + he doesn't know Curtis Farris + Curtis Farris has no obligation to recognize or listen to Dr. Dodds.

Answer to Cynthia:
1) Yes she can send those articles to Triscilla + Leroy. Might be good for them to hear the news.

 and said the trade mentioned
 was as vague as we made
 Epstein that it might be
 a good idea to suggest to
 Meredith that he should just
 stay home and we would
 do the same Epstein

thinks it is not a bad
 idea and wants to give it a
 try. What else did we ask about?
 the way that came
 about - Meredith is already a
 patient of Dr. Cutler's, so that
 it says "I don't, etc." so that
 was interpreted here as an
 offer of a trade, and
 Epstein said that
 he does not believe that is
 the person he talks with
 knows and more than that
 he claims to know which is
 nothing so Epstein has said
 talking to another guy who
 is wanting what he has
 and who he thinks may know
 or have access to know what
 is going on. Epstein said
 that the whole situation

how everything is further complicated because he cause Chester's friend is not willing to release info to Winston, and that is a lot of what Epstein was going on. Epstein has already suggested with holding his if they ceased with anything with Mrs. Clarke. But where it is going to be touchy is that Epstein cannot supersede Chester's friend and at the same time she is still being in a big way that Mrs. Clarke's operation is going on down to visit Winston on Thursday and then there will be some kind of a change in things. I don't know if it's a result of the operation or if it's a result of the operation. I don't know if it's a result of the operation or if it's a result of the operation.

→ Chester's friend Danny from Kenneth - results from Kenneth's recent tests show nothing abnormal. Dr. Firecarrot explains Ken's health problems. Ken feels that Ken should go ahead with his plans. Ken agrees with her to make new arrangements unless Harry can think of anything else that needs to be done. Will not proceed until heard. Ken says he is not helping much but will be as soon as possible. There is a matter of Ken's here with the doctor. I don't know if it's a result of the operation or if it's a result of the operation.

→ From Frances - re: theme for dinner - ~~the~~ previous names submitted with out meaning, background or reasons, of titles proposed. Price of Peace as initial thought for a dinner of the subject matter. * On this is a verbatim
 of the interview. It boils down he
 doesn't know anything.
 basically he doesn't know
 anything. I'd like for verbatim transcript
 on Sally. Well there is nothing
 that's happened. I have been talking
 with the kid and they are
 desperately anxious to get
 the mother material, but but
 I don't think we can do that
 for other reasons. We would
 try to find some other thing
 that we can give them. They
 are interviewing that other
 fellow tomorrow. It's some
 thing that's related to some
 exchange for that
 Darren - so they didn't say
 if anything was going

to break next week
 Sally - well they don't know.
 If they said that it was possible
 Darren - what about Olive?
 one that mean that has been
 thrown out?
 Sally - well I don't know.
 I can't say for sure with
 that level. They may
 happen, happens, other things
 may come up with it.
 They have been very much
 involved in it. Sally
 Darren - Another thing. Did you check
 with Adam and a ship
 who completely ignored us.
 Sally - I did discuss it with that
 fellow who wanted to go down.
 There he asked if he could
 and what they not if water
 only going to dwell on the
 negative.

from April: Tell April's friend - 3 of Dr. Owens' best friends who work w/ Mrs. Getz, told Mrs. Clark that Elwood wants Mrs. Clark to leave Gabriell's house. Several of Mrs. Getz's friends were there when the Piersons had all these guests yet so hardly anyone mentioned the party.

The Piersons are really building something down south. ~~Every~~ All the guests that visit want to come + retire on the ranch - but Mrs. Getz doesn't say anything about that. Mrs. Clarke just wants all the gossip + cat calls to stop. That's why she's calling some folks up, it stopped ~~for~~ some folks ~~from~~ before from gossiping, a lot of people stepped up w/ their nurses notes. She doesn't know if they got money for their stories or what she only came to see her dad + try to keep him happy - so she could see April's, so she doesn't know what they are up to. ~~That~~ Pretty much anything that Mrs. Getz talks about lends credence to it. Theodore who once detested Mrs. Clarke + was downright nasty is now trying to court her, and saying how she's been victimized by some crazy unionists. This is the first time that Penay who travels all over Calif. wants go on the

 go to sleep. The founder of
 humanism had the same

thing - of course he's not saying
 he's like that person.
 There are no cancer cells now even
 though the lab reported that they were
 they were under his Christian
 name to avoid any gossip. I
 don't know if you want Mrs. Clarke
 to act as though I have them in
 Elwood's house. I don't have them.
~~because~~ I've got emphases due
 to the fact that my mom began smoking
 when she was 12 & my dad 15. I
 was born 15 yrs. ago. The only thing
 about sleeping pills is they don't
 give me any sleep just lower my
 B.P. Unless they've got some new
 wonder drug don't even bother we've
 tried everything under the sun.
 "This will work magnificently
 for some brother Antonio said
 the ambassador and nobody
 worries about people like you do."

Said if they did they'd have the same problem they don't live long lives he said somebody has to worry about people like you. But I did promise him I was of rest - but it annoys me so much & our Dr. thinks I shd. get up because when I lay down I don't do anything I get so annoyed.

Remember the gift that Mary gave recently to Simon if I should be nice if she gave the card to Mrs. Hurley.

for Cynthia write Gabriel's esteemed friends Dr. Matoma, Rev. Keane, Ed. Cardinal, Mrs. Stabert, Dr. Spina, Mrs. Libby, Ed. Mont, Mr. Zabel, Mrs. Sager. Also write Bertie complaining about how here with is boasting about how Mrs. Hurley has been ragging on

and Mrs. Harion's now has exacerbated things. How could Mr. Hurley get into such a silly thing at this point.

Use maiden names, not names of people over at Gabriels. Say: Rosie has told us all about Mr. Cathleen & Dr. Owens fine medical staff. We are becoming increasingly familiar w/ the youth center & the center & praise Cathleen for being so hospitable & it's a shame to come from Edward & folks that have heard broadcasts & read articles in papers.

Shd. go right away & some say I'm a Dr, some I'm a lawyer or some profession. For your regular address - don't have to return to sender - quality first.

We have all kinds of people staying here all the time so they can see how ~~they~~ we live. You know me better than to think I would stay in a place where people are abused. It's uniquely beautiful - as close a you can come to a paradise on earth.

A lot of people are going to come to my back. We need to be ready for them.

We asked for investigation - we had people stay with us for weeks. We are on the offensive. We will sue anyone who ^(stress this) tells malicious lies. We are getting ready to sue someone over a letter. Your dad and I don't cut you off - and in your hour of need you'll see who your true friends are. So watch. They don't have your interest at heart.

STATESIDE TRAFFIC: Has the spectrophotometer been ordered?
How long ~~will it~~ will it prob take to get here?

Georgetown Traffic: Please give message to Joyce that
our suction bottle broke. We don't have a replacement.
AIRCO (Ohio) Suction Bottle, 1300 cubic centimeters
The # on the bottom of the jar was 2157.
Larry has asked us to see about grape juice and apricot
pits. We are still in desperate need of paper. (over)

I have asked Stateside people to check further on our
order for the spectrophotometer--how long it will take to
get it. If it will be a long time the lab wants to order
a colometer. Since the spectrophotometer does the same
thing I hesitate to ok it, but if you have a chance please
check its availability in Venezuela.

FINANCE BOARD: Please let the radio room know if this is cleared?
October 9, 1978
from Karen Layton, radio rm.

- Donna Stanfield has ten boxes to come by surface in SF
- 1) the \$3,000 worth of tools are needed here (according to Bro. Farr)
 - 2) the Hobby and Crafts equipment and supplies are needed in order to make things for sale here to bring in money for the mission. (according to Bro. Farr)

My question is: will the equipment be worth the cost of sending it over here??
Farr said expedite crating of those 10 boxes. If we don't, he and Donna S. will be extremely hostile. I guess that should also be considered. Let me know please.

Already in customs were
air freighted by Farr — will
cost us near \$1000 to get out
