Current Activities at Peoples Temple

Jim Jones has recently been unanimously elected President of the federally funded Legal Services Foundation for Mendocino and Lake counties by a large number of attorneys on the board. This is just one more way in which our pastor serves the community practicing the principle of service to mankind as the highest form of worship to God and Christ.

Peoples Temple has just acquired a second bus to be used for those who wish to come to Redwood Valley. This has lowered the rates by nearly half which is consistent with our teacher's unique concern for all mankind.

The Temple is also paving the large parking lot in Redwood Valley which was advised by our insurance company. This will enable us to paint in different games for the children on the blacktop, and allow for more recreational area for all.

Dr. Carlton Goodlett gave a fine message at our last San Francisco meeting supporting the practical Christian life which Jim Jones has manifested. Our staff feels that everyone concerned for humanity should be a regular reader of the Sun Reporter.

Peoples Temple has sent \$100 to the San Francisco Policeman's Welfare Fund in appreciation for the help which this organization gave Richard Oaks, the Indian who was in the hospital injured. We received a very kindly letter from the Chief of Police (Chief Nelder) in response to our gesture. It must be the purpose of all of us who believe in social justice to achieve these ends through Christ's transforming message of non-violence and apostolic sharing.

In order to carry on such a vast humanitarian program we need your pledges of support, both financially and in service. We have had \$4,000 spent on busses. We are having to asphalt our parking and playground area which will cost several thousand dollars. The costs of the newsletter is over \$500 for each monthly mailing. We have a regular outgo of \$70 to \$80 a week for additional food for our meetings in Redwood Valley due to the large numbers of guests. The cost for radio, rent, news ads for the San Francisco meetings runs approximately \$1200 for each meeting, not including the expense of the free banquet. If one were to get a comparable meal in a restaurant for 2000 the cost would be \$5,000 for such a fine meal for so many. With this kind of bare-essential operating budget for so many free services provided, we need your financial support. You could not find a more worthy program on earth to help support. As another example of our program we have converted to a useful life over 60 young people who were involved in a life of drugs.

~~Hours of guidance have been given to these young people who now live fruitful lives. Their testimonies of conversion are indescribably inspirational. Many attend college in Santa Rosa in our two church-sponsored dormitories, one for boys and one for girls. Our indoor heated pool will become ever more recreational for the children as the colder winter months approach. We live simply in Redwood Valley. Our Pastor wears clothing given to him used by people who no longer need it. His two pairs of shoes were both given to him second-hand. He receives no special birthday gifts. Each person who comes to the Temple receives a birthday gift of the same value on the second Saturday night of the month in which their birthday falls. We provide an enhanced learning program for the children and we have recently been testing them in order to find their special needs and begin a program to meet those needs.~~

Next San Francisco Meetings

The dynamic and inspirational healing and humanitarian meetings of Jim Jones will be held in San Francisco on the following dates:

- | | |
|-------------------------------|---------------------------|
| <u>August 15 (gymnasium)</u> | <u>October 3 and 4</u> |
| <u>August 16 (auditorium)</u> | <u>November 28 and 29</u> |
| <u>September 5 and 6</u> | <u>December 26 and 27</u> |

The Saturday night meeting begins at 7:00 P.M. and the Sunday morning meeting begins at 11:00 at Benjamin Franklin Junior High School Auditorium on the corner of Scott and Geary Sts. Due to a conflict in scheduling at the auditorium at Benjamin Franklin School, our

People of all faiths welcome @ our services. We have many Catholic friends like Sister Paulette

Saturday night meeting on August 15 will be held in the gymnasium instead of the auditorium. However, our Sunday meeting will be held in the auditorium as usual. Please pass this information along. Signs will be posted to lead the way to the gymnasium. Remember this is the only meeting that will be held in the gym, all future meetings will be scheduled in the auditorium.

In each service many, many are called out by name by the divine force which works through Jim Jones and gives intimate details of their lives. We have seen tumerous growths spit up and passed at every meeting. In each service we have seen individuals who were cippedled for years get up and walk after his revelations about them and medication for them. Just this week Mrs. Edna Watson (2249 E. 99 Place, Los Angeles, Calif. 90002) wrote in concern for her son who was in jail. Jim Jones said he would be set free. She later wrote and confirmed that her son had indeed been set free miraculously. She said, "Oh how I thank you, I thank you, I thank you and God for setting my son free." We have seen the miraculous gift of prophecy work through Pastor Jones thousands of times. We saw Mrs. Rachael Lewis of San Francisco healed by Mr. Jones. She was unable to walk with an incurable crippling disease until called out by Jim Jones. A woman's two year old son was called out by name last week and instantly healed of lung absesses. The mother said with great joy that before he was healed he couldn't go for five minutes without coughing. Greater miracles have never been witnessed.

Special Thanks to Peoples Temple Colleagues

A special thanks should be given for the extensive work done in trying to find a project for neighborhood rehabilitation in San Francisco. We would like to thank the following Peoples Temple colleagues: Mrs. E. Roller, Mrs. V. Duncan, Mr. K. Brown, Mr. D. Garrison, Mr. C. Jackson, Jr., Mr. B. Thomas, Mr. J. A. Phillips, and Mrs. B. C. Coleman. We like to make it a practice to patronize businesses of those working in Peoples Temple such as: The Leon Trucking Co., 831 Ocean Ave., 333-6682; Robinson's TV, 4614 3rd St., 824-1506; Charlie Mudd's Radio & TV Repair, 932 Central Ave., Wal-3622; B. C. Coleman's Furniture Co., 560 Valencia St. and 2059 Mission, 621-8385; Mac's Cleaners, 3077 14th St., 648-3773; Brown's Moving Service, 2827 Pine St., Jo7-0662; Regina Beauty School, 1415 Divisidero, Fi6-9869 or 346-9879 and Duncan's Beauty Salon, 517 Laguna, Mal-1415; call Edward Coston evenings and week-ends for light hauling and odd jobs, 133 Jules St., 587-2045; for freight shipments to Los Angeles, Burbank or Sacramento Arebesco Airlines, Inc., Cargo Bldg. 3, Door 21, San Francisco Airport, 635-2261.

Many of our people own nursing and rest homes in San Francisco, Santa Rosa and Ukiah. We especially have a large number of rest homes in Ukiah. We know we have missed many businesses and we would like you to let us know of others in Peoples Temple that we might mention in a later issue in order to patronize them. We like to help one another as the scripture says, "Take care of the household of faith" as well as reach out to help friends outside. We should reach out and support one another toward our journey in this God-ordained crusade as well as serve people who are harmoneous outside our work.

Notes on Fellowship with Macedonia Baptist Church

We have still not received a response from our last letter to Macedonia Baptist Church which asked for a meeting of the two boards. We did receive a telephone call from Dr. Bedford welcoming us to San Francisco, but we have not received any contact giving details as to any future joint meetings.

We appreciate the many ministers of all faiths who regularly attend our meetings and accept these latter day truths. Last week we had two Baptist ministers who came all the way from New York City to visit Peoples Temple. One of the minister's parishoners was healed by Jim Jones of a tumerous growth which was diagnosed incurable. She was spared by this divine gift. Both ministers returned to New York with a totally different concept of Christianity.

Peoples Temple in San Francisco

Those who are truly interested in a Peoples Temple in San Francisco should attend the Friday night meetings at 7:00 PM at 1250 Divisidero or 1415 Divisidero which are teaching sessions. Jim Jones has attended the last four meetings and will attend many of these sessions. It is important to be in attendance because special revelations about diets, healthful foods, and preventative measures to avoid many problems are given at these meetings. Also this is an opportunity to learn of the beautiful concepts of apostolic social justice. As in the days of Jesus people came together

with their questions to learn the deeper truths to which Jim Jones guides us.

Important: If you want to remain on our mailing list, please let us know in writing as we are screening down our mailing list to those who are really interested in this work. Write us a card or short note to P. O. Box 214, Redwood Valley, California if you wish to remain on the mailing list.

Special Sermon and Message by Pastor Jones

The doctrine of being born again, counterfeisance, or metempsychosis is a beautiful principle indeed. It is the only way one can explain God as Love which He is. One of the early apostles of the church writing in our scriptures declared that God hated Esau before he was born or from birth, and loved or preferred Jacob. This statement in our Bible is inconsistent with any other doctrine except reincarnation. Life would prove God to be a respecter of persons, which the Bible and reason clearly point out is not so, unless we accept the beautiful truth of reincarnation. For men and women are not born equal and free. They are created free and equal, but they are not born so. The American Declaration of Independence does not say that men are born free and equal. It says merely that they are created so which is certainly a different thing.

Men and women are not born free and equal. They started life like ourselves in a handicapped capacity. God could not be love nor could He be just if He were to create people as most theologians state and send them directly to earth, some being born blind or like vegetables due to retardation or other crippling diseases, while others are both gifted with every talent and all the riches of this world's resources. Then at the end of earth's life all believers go to the same heaven no matter what handicap they have had and all unbelievers go directly to a hot burning eternal hell. The truth of rebirth is, in spite of the mistranslation in the King James version of the Bible, still to be found in every modern version of our Bibles. In Malachi 4:5 God said He would send again, or reincarnate Elijah the prophet before the coming of the great and dreadful day of the Lord, and God clearly did reincarnate Elias (which means Elijah) as John the Baptist as in Matthew 11:13-15 Matthew 17:11-13, Mark 9:13, Luke 1:17. If He would require a good man to come to earth at least twice according to our scriptures, then surely He would require men who had not lived uprightly to comply with the same scripture which unequivocally states "whatsoever a man sows to the flesh (in a body) he will reap to the flesh (or in a body)."

Many other scriptures support this doctrine such as where Jesus asked his disciples "Who do you say that I am?" His disciples clearly proved their belief and their affirmation of reincarnation by suggesting that Jesus might be Jeremiah, or Elias (*which is the same word for Elijah). Jesus did not deny that He might have been or could have been someone else in a former lifetime which He would have done had the disciples been holding to a heathen doctrine that was untrue. But as a matter of fact he affirmed the doctrine by his silence on the subject and by simply asking "But who do you say that I am?", and Peter gave him the answer that was relevant for that time that he was the Christ which means the annointed one for that hour. Reincarnation is suggested in our scripture when Jesus was asked who sinned, "this man or his parents that he was born blind." Jesus did not ask them why they would ask such a question or hold them to a doctrinal heresy. He gently responded, "Neither in this case" as it is written in the original scripture, "... but that the glory of God might be revealed." Thus meaning that it could have been because of his reincarnation, but his blindness had a different purpose in this case. Certainly if it were possible for him to have been born blind because of sin he would have had to have committed the sin in a former life.

We could go on with scripture after scripture and the proof provided by modern scientific studies in age regression through hypnotherapy which have proven that people were taken back before the time of their birth and provided documented descriptions of former lives. These findings have been accepted by governments such as India and England. (See Stranger than Fiction by nationally known commentator Frank Edwards, Edgar Cayce's The Sleeping Prophet, and Many Lifetimes, etc.) Also there are many other scriptures to give credence to this doctrine in addition to my own gift of prophecy which spoke of specific things that came to pass in clear detail which confirmed this philosophy on countless occasions.

This belief of reincarnation has been adhered to by men such as Henry Ford, Thomas Edison, U. S. General Patton, Thomas Jefferson, several other former presidents as well as a host of

leaders in every field of life throughout the Christian world (not to mention the other great religions of the world which accept the doctrine in one form or another). Of late many Christian ministers (which includes a high ranking Baptist official, an Episcopalian Bishop and a Pentecostal superintendent) have attested to their faith in this truth. This belief can cause all Christians to have a greater awareness of their responsibility to their fellow man because it brings home the impact of the concept of, "what we sow we shall also reap" more clearly than any other doctrine. Many such refined individuals as Helen Keller who reportedly subscribed to this belief give proof that it can be a great motivating force to overcome self-centeredness, racial prejudice, insensitivity to the masses of colonial people who are suffering exploitation from imperialism and war.

Many in American life have attained the noblest goal of human service because of being inspired by this doctrine which is as Christian as Jesus Christ himself. Revelations 3:12 indicates "to him that overcometh I will make a pillar in the Temple of the house of the Lord and he will go no more out (ancient original scriptures show that there are three other words added to this verse; namely, "into the earth"). With or without the last three words, what could this scripture possibly be meaning except reincarnation. Thus, we should work with all diligence to overcome self as Jesus required when he said, "if any man follow me, he must deny himself and take up his own cross." This, dear friend, is not a test of fellowship in Peoples Temple of the Disciples of Christ Denomination's mother church or any of its branches. It is, however, dearly revered by the hundreds of people who hold membership in the Temple because it gives greater purpose to life and shows that before we can reach to the heavens - (Paul spoke of being carried to the third heaven, so graduation must continue even after we have finished the earth life) - nonetheless, as I said, before we can reach to heaven, paradise, or the extra-terrestrial dimensions we must overcome the earth plane by spending as many cycles in the school grades of life necessary to conquer the seven deadly sins, etc. which we will enumerate more about on another occasion. This teaching does not preclude an acceptance of Christ. In fact all who adhere to it in our fellowship endeavor to keep the teachings and commandments of Jesus Christ more closely than any religious group that we have ever known! Therefore, although it might not be acceptable to you, it has caused many of us to lead a more Christ-like life because of the beauty and merit of the truth of reincarnation.

THE LIES HANDED DOWN BY KING JAMES OF ENGLAND WHO MISTRANSLATED THE LAST MAJOR EDITION OF THE BIBLE

We have been given many contradictions in our services which can be found in the Bible. We shall now print here for you some of the numerous contradictions found in the Bible. (King James version) Remember King James was a man who endorsed slavery and many other criminal acts. One of the most outstanding contradictions found is in the lineages of Jesus traced through Joseph found in Matthew and in Luke. You will see in the following paragraphs that there are fifteen more generations in Luke from Jesus to Abraham than in Matthew. One must read Matthew from verse 16 backwards in order to begin with Jesus and compare the lineages. Luke begins with Jesus and traces his ancestry back, but Matthew begins with Abraham and traces the lineage up to Jesus.

Matthew 1:1-16

- 1 The book of the generation of Jesus Christ the son of David, the son of Abraham.
- 2 Abraham begat Isaac; and Isaac begat Jacob; and Jacob begat Judas and his brethren;
- 3 And Judas begat Phares and Zara of Thamar; and Phares begat Esrom; and Esrom begat Aram;
- 4 And Aram begat Aminadab; and Aminadab begat Naasson; and Naasson begat Salmon;

Luke 3:23-38

- 23 And Jesus himself began to be about thirty years of age, being (as was supposed) the son of Joseph, which was the son of Heli. (Notice in Matthew the father of Joseph is Jacob rather than Heli. Thus the grandfather of Jesus is different in Luke and Matthew. Remember both lineages are traced through Joseph.)
- 24 Which was the son of Matthat, (Notice the grandfather of Joseph is Matthan rather than Matthat in Matthew) which was the son of Levi (Instead of Levi, one finds Eleazar in Matthew

5 And Salmon begat Booz of Rachab; and Booz begat Obed of Ruth; and Obed begat Jesse;
 6 And Jesse begat David the king; and David the king begat Solomon of her that had been the wife of Urias;

 8 And Asa begat Josaphat; and Josaphat begat Joram; and Joram begat Ozias;
 9 And Ozias begat Joatham; and Joatham begat Achaz; and Achaz begat Ezedias;
 10 And Ezekias begat Manasses; and Manasses begat Amon; and Amon begat Josias;
 11 And Josias begat Jechonias and his brethren, about the time they were carried away to Babylon;
 12 And after they were brought to Babylon, Jechonias begat Salathiel; and Salathiel begat Zorobabel
 13 And Zorobabel begat Abiud; and Abiud begat Eliakim; and Eliakim begat Azor;
 14 And Azor begat Sadoc; and Sadoc begat Achim; and Achim begat Eliud;

We can provide many more scriptures which reveal contradictions in the Bible.

We at Peoples Temple are so fortunate to see the living word every Sunday. As the scripture says, "How can you hear without a preacher and how can he preach lest he be sent?" "The word is neigh thee even in thy mouth and in thy heart. This is the word of faith which was preached from the beginning." With the many Biblical errors one might ask "How do you know who to follow?" Follow the kindest man who leads the most consistent life. Show us a man other than Jim Jones who has adopted children of all races, who serves the needy and who provides animals a place of refuge. Compare the materialistic inclinations of ministers about you with the life of self-sacrifice exemplified by Jim Jones. His home is modest, his clothing second-hand. Who else can heal the sick of infirmities consistently week after week? Who else has prophesied with such astounding accuracy events to come such as the earthquakes in Peru and the fall of the government of Ecuador? What other man knows the thoughts of your mind? Not only can Jim Jones heal your body, but your soul as well. He gives more than just prayers; he gives a

Who fulfills the true scriptures which have not lost their essence by the bungling of King James, as James 1:27 which says, "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world." (from things), and Matthew 25:34-46 which states, "That we must feed the hungry, clothe the naked and visit those sick and in prison." Another excellent reference book of truth is Thomas Paine's Age of Reason which all should read.

Possible Future Radio Broadcasts

Peoples Temple is interested in obtaining radio broadcasting time. Anyone who is interested in helping with this project in San Francisco can contact Mrs. Leona Collier at 626-3365.

Regular Peoples Temple Services

You are cordially invited to attend the regular services of Peoples Temple on Sunday mornings at 11:00 AM at the center on East Road in Redwood Valley. Children of every race are invited to ride the ponies and swim in the indoor heated pool. There is a free banquet meal served to everyone after every Sunday morning service. Pastor Jones is allowing children to have a diversion during the Sunday morning service by swimming, playing outdoors and horseback riding. We have a new trend in our evening service which is developing the soul, moral and ethical growth of all of us. Please don't miss these challenging services.

We also have a birthday party on the second Saturday of every month. An equal birthday gift is given to every person born in that month. Let us know when your birthday is so that we can share this event at our monthly party.

Need for Canned Food, Stamps and Used Clothing

We need the following items for our two church sponsored college dormitories: canned food, linen, pots and pans, bunk beds or contributions toward purchase of bunk beds, dishes, blankets, and spreads, lamps, chairs, pillows, refrigerator, curtains, chest of drawers or any other item which you might be able to contribute. If you have any of these items, please call Leona Collier at 626-3365 and give her your list.

We need any green or blue chip stamps in order to get more chairs for the church. Please do not purchase chairs as we need chairs of uniform color and style. Stamps are also used to acquire other items for the church. For years there has been no request for an offering by letter or in public meetings, but our vast ministry needs your support. Any canned goods, and good used clothing which you would like to donate for use by many needy families including Indian families and others can be donated by calling Mrs. Leona Collier 626-3365.

Temple Expansion in Redwood Valley

The Temple is negotiating for more acreage in order to expand our work with children. We are looking into possibilities for licensed nursery care. All Temple children are given the opportunity to have free music lessons on the instrument of their choice through the church.
