#### MIRACULOUS HEALINGS

Our meetings in Los Angeles January 22nd and 23rd were a spectacular success! Every seat in all four balconies and on the main floor was filled and there was standing room only in the Embassy Auditorium as we watched, among other healings, 15 people come out of wheelchairs. Every single one of them had been hopelessly crippled for years. Mrs. Mary Aikens of 642 N. Poinsettia Ave., Compton 90221, was suffering from a fatal kidney disease, a nervous disorder and had been chairbound for many years. Her daughter, who was with her, had been a disbeliever, but God spoke the healing Word through Pastor Jones and Mrs. Aikens was instantly released from her wheelchair and began walking down the aisle, totally healed, walking for the first time in over 10 years. The next morning she got up and cooked breakfast. So surprised was her daughter that she phoned Pastor Jones in Redwood Valley to apologize for not believing the miraculous work Christ manifested through him, and she is now a believer in this marvelous power.

At our last campaign in Seattle every seat on the lower floor of the Moore Theater and many in the balcony were filled. Not only were the people there in numbers, but they were also there in mind and spirit. While Pastor Jones ministered in person to the needs of his congregation in Redwood Valley, many in Seattle were called out through his workers there, told intimate details of their lives and were delivered of every kind of disease and ailment -- this while Pastor Jones was a thousand miles to the south!

#### TEMPLE ACTIVITIES

We are currently in the process of purchasing a Children's Home which houses 14 guests on 39 acres of lovely Redwood Valley land. We are also purchasing three new Senior Citizens' Homes. Only this week a caucasian and just last week a black lady moved into our Senior Citizens' Homes. Where there is need we take in those who are not members. These homes are also available to our own members should the need arise. To date we have had no need to utilize these facilities.

To help defray these costs we would greatly appreciate your contribution. Do not send us money because of our spiritual healing work but because you wish to support the Christian service we render to needy humanity. Your blue and green trading stamps and any postage stamps you can send to help with our vast mailing program would also be greatly appreciated. Many blessings follow those who support this ministry.

SPECIAL OFFER

We have available two beautiful color prints of Pastor Jones, one taken on the steps of the Capitol Building as we were taking 225 of our youngsters to interview our congressman on the very floor of the House of Representatives. The other was taken in front of the Temple in Redwood Valley. Proceeds from the sale of these prints will support our Christian Service Ministry which includes 4 church-sponsored dormitories where most of our 58 college students are housed. The pictures have been a blessing to many. Scores of testimonies have stressed that they are very effective reminders of the wonderful deliverance and healing power and Christ-like attributes which characterize the ministry of this outstanding Prophet of God.
