In connection with a shipment of documents from Georgetown, Guyana, received at San Francisco, California on December 29, 1978, the attached items, which pertain to the activities and records of the People's Temple Agricultural Mission, Jonestown, Guyana, were reviewed, organized by category, and identified.

Items contained in these personnel envelopes have been observed and completely itemized on the following list. In view of the fact that each envelope contained substantially the same documents, they are not being Xeroxed and this total itemized list of each document contained in all envelopes is being submitted in its place. Itemized list consists of 85 pages and is designated Portfolio Y.
