

THE LAST PIECE OF "THE RESUMÉ FROM HELL":

MAZOR 4: INTERPOL AGENT

THE JANUARY, 1978 ISSUE OF *THE PEOPLES FORUM*, THE TEMPLE'S NEWSPAPER, REVEALED THAT WE NOW KNEW MAZOR'S INTERPOL IDENTIFICATION NUMBER.

Where did this leave us with Joseph Mazor?: **SPEARHEADED SMEAR CAMPAIGN WITH MONEY FROM UNKNOWN PARTIES. LENGTHY CRIMINAL RECORD FOR CON ARTIST CRIMES. MYSTERIOUSLY GRANTED PRIVATE INVESTIGATOR'S LICENSE UPON DISCHARGE OF THIRD PAROLE VIOLATION. NOW DISCOVERED TO BE WORKING FOR INTERPOL.**

WHY WOULD ANYONE TRUST THIS PERSON?

Why indeed. But Jim Jones was by now failing physically, deteriorating mentally, desperate for intelligence, assaulted in the press, pursued by a Congressman, trapped in a jungle, and with no effective surrogates in the States. "Trump cards" were about to be dealt that let Mazor into Jonestown with a camera, as well as to deliver a sudden, sinister, surprise threat of "mass extermination."

How did this happen? ON SEPTEMBER 5, 1978, JUST TWO-AND-A-HALF MONTHS PRIOR TO THE TRAGEDY, a meeting was held between Mark Lane, new attorney [M.L.]; Pat Richartz, assistant for ongoing attorney Charles Garry [P.R.]; and a social researcher who had visited Jonestown, Donald Freed [D.F.]; all now befriended by a cunning Mazor [J.M.]. They only saw breakthroughs, not deceptions.

What "cons" led them to push for Mazor being sent to Jonestown?

WE HAVE DOCUMENTED PROOF THAT 'PRIVATE INVESTIGATOR' JOSEPH MAZOR IS A SPECIAL AGENT FOR THE INTERNATIONAL POLICE CONGRESS. We are investigating allegations that the IPC is affiliated with NAZI-INFESTED INTERPOL, the international organization begun in Hitler's Germany.

This is the man who, according to a source, admitted that he has been employed by the Temple since the summer of 1976 to "investigate" Peoples Temple. He refuses to say who pays him. We know he is working closely with Elmer and Deanna, two members of the Temple and sources of the Temple's media attacks. We know also that he
