

G - THE TEMPLE DEFECTORS TRACTOR-TRAILER USED IN T

The FBI took "eyewitness accounts" from all survivors of the attack. But who among them could SEE, much less IDENTIFY the attackers?

Note all groups on the airfield:
E-3 - THE REPORTERS in front of larger Guyana Airways plane; **G - THE TEMPLE DEFECTORS** already boarded on Cessna; **H - THE TEMPLE MEN** on foot by then; and **F - DEFECTOR AT LARGER PLANE** claiming positive i.d.'s.

Now the LINES OF VISION for **G - THE TEMPLE DEFECTORS**:

G to A:

BLOCKED LINE OF VISION

Yes, they might well have seen the REAL Jonestown tractor-trailer parked under left wing of Cessna, their own plane. But there is no mention of a tractor-trailer ACROSS RUNWAY except for REPORTER accounts. THE DEFECTORS already boarded, not looking across the airfield.

Thus we are marking **BLOCKED LINE OF VISION** from THE DEFECTORS to the duplicate tractor-trailer across the runway that launched the attack, with **BLACK X's**.

G to I:

BLOCKED LINE OF VISION

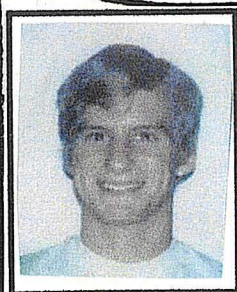

Note that even had THE DEFECTORS been on open ground at the time of the attack, the attackers would have been catty-corner to their backs!

Thus we are marking **BLOCKED LINE OF VISION** from THE DEFECTORS to the STAGING AREA FOR THE ATTACK with **BLACK X's**.

* INCLUDING LARRY LAYTON,
LONE SHOOTER ARRESTED/CHARGED

A - The (NON-Temple) tractor-trailer used

H - THE TEMPLE MEN from THE TRUCK, on foot at the time of the attack, who reported back to Jonestown "We did it!"

**BLOND WHITE MAN
DRIVING REAL TEMPLE
TRACTOR WRONGFULLY ACCUSED
OF BEING A SHOOTER**

C - The REAL tractor-trailer

NO QUESTIONS were posed to the eyewitnesses. Like did you see that person? Did you even see them with A GUN? DURING the shootings, or just BEFORE the attack did you SEE? What did you simply PRESUME?

These defectors were the only source of "white, blond, fair-skinned Stanley G. Driver" -- but for the real Jonestown tractor-trailer -- not for THE ATTACK VEHICLE WHICH THEY DID NOT SEE!

NEXT COME THE TEMPLE MEN -- DURING THE TIME OF THE ATTACK. THEY BROUGHT THEM TO SEE THE ATTACKERS, SEE THE ATTACK,
