Examination of the NBC film footage reveals that the tractor driver for the attack vehicle was not white, blond, fair-skinned Stan Gieg at all, but rather a dark-skinned black man! But **THE ON SITE FILM FOOTAGE WAS NEVER SHOWN TO SURVIVORS.**

**NO DEFECTOR ACCOUNT FROM THE CESSNA** was viable for the purpose of i.d.'s had there ever been a hearing. Yet despite **NO QUESTIONING**, all names given were entered indiscriminately onto the F.B.I. list of the accuseds!

**EMBARKED FROM THE TRUCK ACCORDING TO REPORTERS, AND ON FOOT AT THE SHOCKING REPORT OF "WE DID IT!" BACK TO JONESTOWN. BUT COULD THEY OR WAS THAT JUST A TRAGIC PRESUMPTION?**
