

# LET'S REVIEW

BEFORE IDENTIFYING WHO DID SEND THE ASSASSINS TO KILL THE CONGRESSMAN, LET'S REVIEW HOW WE HAVE COME THIS FAR:

1. THE ATTACK WAS SUPPOSED TO HAVE COME FROM THE JONESTOWN TRACTOR-TRAILER.

2. I MEAN, THE "EYEWITNESSES" HAD SEEN IT RIGHT THERE!

3. WE EVEN KNOW THAT THE JONESTOWN TRACTOR-TRAILER WAS CLOSE TO THE WOULD-BE DEPARTING PLANE.

Jim Cobb ("government eyewitness"): "I had my back turned when the shooting started." Also Cobb: "I didn't hear it [i.e., the attack vehicle] pull up because the engine was on on the plane."

4. ALTHOUGH ADMITTEDLY, NO ONE (NOT ONE!!) ACTUALLY SAW THE JONESTOWN TRACTOR-TRAILER DRIVE FROM POINT A TO POINT B, THE STAGING AREA FOR THE ATTACK; NOR DID THEY HEAR IT COMING;

5. TURNS OUT THAT THE "EYEWITNESS IDENTIFICATIONS" WERE BASED UPON JONESTOWN VEHICLES SEEN BEFOREHAND AND POSSIBLY AFTER, NOT DURING THE ATTACK AT ALL; NOR DID THE FBI EVEN ASK!!!!

"Stanley Gieg, driver of...[the] tractor"; "with Gieg: ...Tom Kice, Bob Kice and Joe Wilson, identified as firing weapons in the attack"; "Eddie Crenshaw, Ronnie James, Ron Talley and Albert Touchette.....on the trailer behind the tractor...."

6. YET UPON FIRST EXAMINATION EVER OF NBC FILM FOOTAGE, THE VEHICLE USED IN THE ATTACK WAS NOT THE JONESTOWN TRACTOR-TRAILER AT ALL!!
