

THE REAL JONESTOWN TRACTOR-TRAILER WAS PARKED THE PROVERBIAL "STONE'S THROW" FROM THE DEPARTING PARTY:

Watch man in blue shirt with insignia over left pocket, suitcase on one side, duffel bag on the other. Walking away from small blue plane with the real Jonestown tractor under its white wing flap. Headed towards the large white Guyana Airways plane with yellow and green stripes.

Same man in blue shirt with insignia over left pocket, suitcase on one side, duffel bag on the other. This freeze-frame selected because he had momentarily faced back, at which time the camera confirms the same man walking from the smaller plane to the larger one.

THIS PLACES THE REAL JONESTOWN TRACTOR-TRAILER CLOSE TO THE STAGING POINT OF THE ATTACK. AND THE EYEWITNESSES SAID PEOPLE TEMPLE DID IT. SO DID THEY NOT SEE THIS VEHICLE WHEN THE SHOOTING BROKE OUT?.....(see 4)
