

THAT IS WHY THERE ARE ADDITIONAL VISUAL PROOFS LAID OUT IN "THE VEHICLE USED IN THE ATTACK" AND "LOGISTICS: MILITARY EXECUTION." THEY ALL VERIFY THAT WAS NOT PEOPLES TEMPLE WHO KILLED THE CONGRESSMAN.

OH, DO NOT DOUBT THAT WE WILL PROVE *MISIDENTIFICATIONS OF SHOOTERS DIRECTLY FROM THE NBC FILM FOOTAGE*. IT'S THERE. HOWEVER, TO ORIENT THE READER THROUGH YET ANOTHER UNEXPECTED CURVE, LET'S BRIEFLY EXAMINE: HOW DO WE KNOW THAT THE VEHICLE WAS ALSO MISIDENTIFIED?

FOR THE RECORD: THE ATTACK VEHICLE WAS NEVER EXAMINED AT ALL. IT WAS AT A DISTANCE, THE SHOOTERS JUMPED OFF, CHARGED FORWARDS, THEY KILLED, THEY FLED. THE ONLY EYEWITNESS OF THE VEHICLE WAS NBC BOB BROWN'S CAMERA.

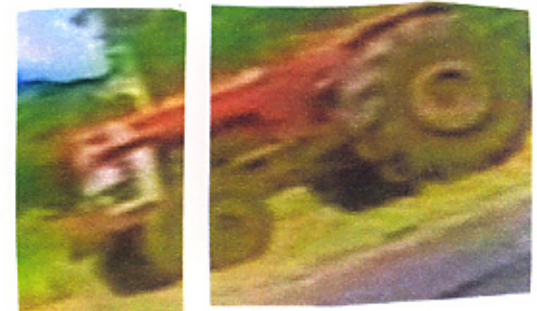

Below is the real Jonestown tractor and the vehicle used in the attack side-by-side. (Just one glaring difference is shown here. For a complete comparison, see "The Vehicle Used in the Attack.")

This is the Jonestown Massey Ferguson 178 tractor as filmed for the Congressman's visit:

Note *the wide driver's inset*, his head and upper body sticking out into the air, feet visible down to the open, flat floorboard.

This is both standard tractor manufacture and was standard Massey Ferguson manufacture.

This is the vehicle misidentified as "the Jonestown tractor." It is depicted both whole and sliced-in-two, to show this was not the same vehicle at all.

Note front same as the real Massey Ferguson 178. It is a "duplicate" designed for *deception*: "Oh, here's comes the tractor from Jonestown."

The remainder was re-designed for *camouflage* -- so the occupants could be "hid," as Mrs. Parks put it. What should be the wide open driver's inset is instead *sealed off*.

*Repeat: Front end: deception to fool the onlooker into misidentification of "the Jonestown tractor."*

*Back end: camouflage to remain hidden until the moment of attack.*

DIFFERENT VEHICLE, DIFFERENT OCCUPANTS. BUT STILL, HOW COULD SO MANY PEOPLE BE WRONG?

WHAT FOLLOWS IS A RECONSTRUCTION OF THE CRIME SCENE -- WHICH WAS NEVER DONE. WHERE WERE THE VEHICLES? THE VICTIMS? IN WHAT DIRECTION DID EACH PARTY MOVE? WHAT IDENTIFICATIONS WOULD YOU HAVE MADE FROM A PLANE SEAT, OR SHOT ON THE GROUND, OR FLEEING THE OPPOSITE WAY?? (see 7)
