

# "LOST IN THE (PORT) KAITUMA TRIANGLE"

This lays out the assassination scene based upon NBC film footage. It is based in part upon panel 3, showing a diagonal path between the Temple tractor-trailer (**A**) and the boarding plane (**C**). The attack vehicle (**B**) parked opposite the boarding plane is self-evident: the cameraman was standing in the boarding area.

"THE PORT KAITUMA TRIANGLE" is **A**, **B** and **C**. Assassins' vehicle departed in the direction it was facing: to **D**.

The assassins were already "lost" off-screen when the real Jonestown tractor-trailer was still at **A**!!

Meanwhile, victims were fleeing to **E**: 180 degrees from assassins (**B**), 90 degrees from real tractor-trailer on one side (**A**), and 90 degrees from where the assassins fled on the other (**D**). And with backs turned!!

Note: The logistics of this crime scene were never noted, assembled, analyzed, even looked at.

**B** VEHICLE CARRYING THE ASSASSINS

**B**: Attack vehicle waits for plane's engine to mask sound of their approach. Vehicle then passes by point a to point b. Vehicle parked broadside opposite plane. Military hit at lightning speed. Assassins attack point c, return to point b, speed away in opposite direction (to point d).

**A** REAL JONESTOWN TRACTOR-TRAILER

**A**: Attack vehicle passes by. Sound masked by sound of plane engines. Military hit at lightning speed. Attack vehicle departs in opposite direction. These men rush from point a to point c. They are not seen shooting, yet "identified" since "Who else could it be?"

**C**: Boarding already under way. Only defectors can identify Peoples Temple. Bulk of defectors already on plane. Military hit at lightning speed. Those left on ground are killed, wounded or flee. Temple men come from point a to point c. Eyewitnesses "identify" them.

BY NOW, ALL EYEWITNESS ACCOUNTS HAVE BEEN CAST INTO DOUBT. BUT WHAT ABOUT "THE ULTIMATE EYEWITNESS," THE FILM FOOTAGE ITSELF? MIGHT THAT STILL SHOW IT POSSIBLE THAT THE SHOOTERS CAME FROM JONESTOWN?

NO, AS WE WILL SEE, THE FOOTAGE SHOWS THAT IT WAS IMPOSSIBLE THAT THE SHOOTERS CAME FROM JONESTOWN. THE REASONS ARE STARTLING BUT WE ARE ABOUT TO CONFIRM IT FOR OURSELVES....."ON SIGHT." (see 8)
