Dad -

I would go back and get Ly Tammie
and Lester Kingolving. M^cShane agreed
with me one time that I would be capable
of assassination and maybe get by with it.
After it was done I would commit
self-immolation at an appropriate location.

Dear Dad N/A/10

I am again
willing to go & get
our enemies. I will
make sure that each
time I get one. ~~They~~
will be ready to
blow myself up. They
also would look
like accidents.
Starting with Tim.

Strategy

I feel it would be most effective and demoralizing to our enemies if one of the key traitors would disappear totally and without a trace. This could be accomplished with a few people a rented van and some rugs like the "Tupamaros" did in the film we saw. Just come up behind black jack him, wrap him in a rug and drive off.

Another approach along the same line would be to get an ambulance some white uniforms and either blackjack him or manhandle him into a straight jacket and give him a quick sedative. People who witness the pick up are less likely to question or interfere if they think we're just picking up another "loony".

I am willing to volunteer to assassinate as many traitors as possible by rifle or poison or any other means and to commit revolutionary suicide before apprehension. I feel with a little training I would stand a good chance to get one or two before removing myself

NIA 19

If I could get to a conference of
traitors I could detonate myself in
their midst And get rid of more.

Thank you Da

April 13,

Dad,

Here is my plan to get Grace or the myste
Let about 4 people see as if they were lost
out on the temple and here is the
way one of the people could call from
the port of Spain say we need help
to get to Minia and tell them to send
about four or 4 people tell them we
are willing to talk about or here.

but it will have be in the work
for about 3 months here and in Georgetown
and you and the people say we had
stolen some money and our passport.

Dear Dad there is much more I have
in my head I would to pass on to
the office and not to the whole family
because some of the things that happen
here see to get back there

Ruby Carroll

To DAD:

① Tim Stone is the #1 cause of this, I believe if a number of our Security (4 or 6) but first, delay the conference since the meeting is tomorrow and get another date for this conference. Get our security to pin point Tim Stone at the conference or before the conference and used him for Bakagin power or hold him as a ace card to determine our manovers to protect our cause of what we stand for. I know this is kidnap but, right now we are at a Do or Die matter. We have to stop this madness of all these lies and holding up our shipments to protect our name of Peoples Temple. ② There has been to many leak out of information going back to the States. 2 wks before I came over I over heard people talking about tape writers where going to taken from the people. What ever we work out to

NIAJ

To determine our strategy we HAVE
to secure our information with Security
and the people. There has been to many
Right on the Head Statements that gets back
to the states. Example, other people besides
you knowing you ready to go and the day
you might be leaving. So I hope we'll be
able to keep this under control.

I also Dad would like to join
the Security (~~Security~~) Team.

THANK YOU
DAD

Dad, NIS 35

I am a Rouser now.
I am willing to go
and fight for the cause,
and also at my bank
now. My life has
no purpose but line
for socialism, and I
am willing to give up
my life as socialism
will live on.

DEAR DAD:

RE (WHAT option I would choose IF THE FASCISTS took over)

THE JUNGLE BECAUSE IN THE JUNGLE, FIRST OF ALL WE WOULD HAVE SOME PROTECTION IN THE JUNGLE. IN THE JUNGLE WE SHOULD MAKE OUR "STAND" AND FIGHT, PERSONALLY. I WOULD CHOOSE TO COMMIT REVOLUTIONARY SUICIDE, AFTER WHICH I WOULD FIRST DO WHAT I COULD TO HELP THE SENIORS, I WOULD FIRE ON AS MANY FASCISTS AS I COULD, EVEN, IF I ONLY GOT ONE! MORESO I ONLY KNOW THAT ONE WILL DIE, BEFORE I WOULD COMMIT REVOLUTIONARY SUICIDE!

NIA 360

ANYWAY - I THINK THAT THE JUNGLE IS THE PLACE TO MAKE OUR STAND, BECAUSE IF WE MADE OUR STAND SAY HERE IN JONESTOWN, SURE WE WOULD ^{DO} GOOD THE FIRST BATTLE, BUT IT WOULD BE A WASTE TO STAY HERE = BECAUSE MANY AND ALL ~~THE~~ CHILDREN WOULD HAVE TO COMMIT REVOLUTIONARY SUICIDE. MORESO = IN THE JUNGLE WE COULD GO VENEZUELA - AND HAVE OUR PEOPLE'S GO TO RUSSIA, BECAUSE IN RUSSIA WE WOULD BE ABLE TO SEND PEOPLE TO FIGHT IN RHODESIA OR GO TO ETHIOPIA AND HELP ~~#~~ FIGHT IN SOMALIA.

I APOLOGIZE DAD FOR LAST NIGHT, BECAUSE I DID NOT SPEAK ON THE "OPTION" = ~~IF I HAD~~ OF MAKING A STAND TO FIGHT = I WILL FROM NOW ON LISTEN LIKE HELL, WHATEVER NEWS YOU GIVE! I DO APOLOGIZE FOR LAST NIGHT = BECAUSE TO ME THAT IS A GUILT-SPEAKING ON MISCELLANEOUS HERESY!

REDD OVER ->

SUGGESTION=

THAT I COULD GO TO LOS ANGELES AND
"SNUFF" OUT TINA STOEN TO SNUFF
STOEN. BEING A HANDICAP, I DON'T THINK
NO-ONE WOULD EVEN SAY ANYTHING = MORESO
I COULD DO LIKE "THE DAY OF THE JUDGE"
ONLY TO KILL STOEN AND TAKE REVOLUTIONARY
SUICIDE,

NIAJ66

Archie ~~Dennis~~ Dennis

Put me with somebody who
knows these people and
we could get them. We could
blow them up, we could kill
them. I have died too many
~~times~~ times and I don't mind
dying. Gabriel was dying in
my arms when I came into
the church, and you healed
him. You can burn them,
blow them up. After you kill
them they can be buried
and nobody will ever know
what happen to them. You
can choke and strangle them,
make them look like they had
heart attacks. It has to be people
you can trust. We might not
get all of them, but one or two.

NIA5J6

Make it ~~stuck~~ just like
we're having a party,
and then when the news
people and them come up,
have somebody there at
the "party" to whip
their asses good.

FROM ~~ANN DAVIS~~

Dad, I would like to be in
the group that goes back to
take care of our enemies.
Whether it is in the near
or distant future.

Carolyn Thomas

* already said I would go back
and do away with Tim Stoen, Myrtles
and as many others as I could get.
I will do so now if need be at
any time.

Now it is necessary to do something to protect the people up there from the enemy's there and we can't continue to wait for our people to come here.

I thought of volunteering to go back and take some of them with me, but thought that you might ~~not~~ think that I was up to something.

Anyhow, I could easily get in with them, as my patterns of negativity etc are well known

and Tim Stoen was here, I could act disgruntled

etc. this is a very difficult job though, you would have to get involved, but not too involved

you would have to say negative things, but

nothing the press could use, assuming always

that they carry tape recorders. I would have to contact them and play hard to get and let them recruit me themselves,

This would take time, but if ~~you~~ I played

it right they might hold off other operations and concentrate on me, if they thought they

could get ~~me~~ me to do something for them

Perhaps if I was back there halfway in and halfway out, like if demanded to go back

but didn't fully want to leave and had somebody in the church beat me up with

bruises etc that those outside could see.

Mickey T. used to always try to get me to fuck her in Santa Rosa (over)

NIB-126

I could let her think that she had a hold on me, I'm good at playing stupid and calculating people. Most of the college student traitors would underestimate me and Tim would think I crazy and unstable. If I could get them together in strategic session, having been here since Tim left etc., I would prefer Potassium Cyanide and Hydrochloric acid to a bomb, it could be made to look like a frantic act of concurrence or guilt and suicide and if there were no contacts & proxy with the church they could pin it on you, especially if I went to see a shrink up there and showed some paranoid tendencies but not enough to get committed. Even if I was accused string them along for awhile I could set them up individually or even get shot to death in bed with Tim Staen, and ~~set~~ ~~get~~ ~~make~~ ~~name~~ ~~frame~~ Grace as the killer. Many things are possible I wouldn't get caught up in thar' shit I hate the states, and Chris was a personal friend.
