INTERPOL

Special Agent Attacks

Jim Jones &

Peoples Temple

WE HAVE DOCUMENTED PROOF THAT "PRIVATE INVESTIGATOR" JOSEPH MAZOR IS A SPECIAL AGENT FOR INTERPOL -THE NAZI-INFESTED INTERNATIONAL CRIMINAL POLICE ORGANIZATION BEGUN IN HITLER'S GERMANY!

This is the man who, according to the Berkeley Barb, admitted that he has been employed since November of 1976 to "investigate" Peoples Temple, yet refused to say who pays him. We know that he is working closely with Elmer and Deanna Mertle, former members of the Temple and sources for the vicious media attacks. We know also that he has contacted the Guyanese embassy in the United States and has played on personal loyalties, family ties, and child custody matters to the point of obviously trying to wear Temple unity down. By his own admission to Barb columnist Art Silverman, Mazor hired one of the largest public relations firms in San Francisco—Russom, Lowry and Leeper—to "show him how to handle the media" on the Peoples Temple "project". Sources close to the Barb said that Mazor had approached Lowry, Russom, and Leeper saying "he wanted to become San Francisco's next Hal Lipset", (a famous investigator), and that the Temple controversy "presented an excellent opportunity to garner publicity."

NOW WE HAVE LEARNED OF THIS MAN'S INTERPOL CONNECTION. AND WE HAVE LEARNED FROM A HIGH GOVERNMENT OFFICIAL THAT INTERPOL IS CIRCULATING THE SAME VICIOUS LIES TOLD IN THE MEDIA ABOUT THE TEMPLE AND ITS LEADER, PLUS MORE. INTERPOL IS CIRCULATING THE FALSE REPORT THAT JIM JONES PARTICIPATED IN A RIOT IN GUYANA AND IN THROWING TEAR GAS AT A TIME WHEN HE WAS NOT EVEN THERE. This too can be proven. It is an obvious attempt to discredit Jim Jones and his progressive organization in the country where we have established our immensely successful agricultural mission.

WHO IS THIS MAN, JOSEPH MAZOR? He is a man with a lengthy criminal record. He has served time in jails in three states on a variety of charges (bogus checks, fraud) and has violated probation and parole on three occasions by committing more crimes. The California Adult Authority report (1970), evaluates Mazor as a "smooth con man with an insatiable desire to get ahead. He is cunning, well-educated, and so well-versed in the law that he had five attorneys in the Pomona area convinced that he had a law degree. It is felt that the subject is a menace to the community." This is the profile of the man who is parading himself as a respectable private investigator. **THE FACT THAT HE IS ALSO AN AGENT FOR INTERPOL RAISES SERIOUS QUESTIONS**

Joseph Mazor is now under an intense investigation. His Interpol connections are only the beginning. We will not stop until we have exposed every detail of his inhumane attempt to destroy a great humanitarian leader.

What is **INTERPOL?**

INTERPOL is a private international police organization made up of national police representatives from over 100 member nations. Supposedly organized to apprehend criminals, control drug traffic, etc., Interpol's U.S. branch is funded, staffed, and housed in the U.S. Treasury Department, across the street from the White House. It has a direct hook-up to the computerized National Crime Information Center (NCIC), run by the FBI, and direct contact with state and local police. All Interpol nations have access to US files and records denied to U.S. citizens. Any police state, or private group in any member nation, via their police, can obtain information on U.S. citizens, businesses, tourists, immigrants, suspects, etc., without regard to validity, relevance, truth, or source. Yet, for U.S. citizens, Interpol files are exempt from the Freedom of Information Act! The NCIC computerized files at the disposal of Interpol are massive. A foreign agency, operating through Interpol, could even plant information in U.S. government files.

INTERPOL is basically a Nazi organization. Its vice-president in the 1930's and 40's was Nazi General Kurt Daluege, executed later for war crimes. During Hitler's power period, Interpol was headquartered in Berlin. Its 1939 conference was held under the patronage of the Reichsfuehrer, the SS, and the Nazi chief of Police, Heinrich Himmler. In 1968, Paul Dickopf, a former henchman in Hitler's Security Police, was elected president. During his reign, the organization became affluent, due to large contributions by three member nations during his tenure: Venezuela, Brazil, and Switzerland, where, coincidentally, the Nazi SS (Odessa) brotherhood is still very much alive.

[Information on Interpol compiled from The Peoples Almanac, by David Wallechinsky and Irving Wallace, Doubleday & Co., Garden City, 1975. Article by Vaughan Young.]
