Application Re: Temporary Restraining
Order Denied

Date: 05/12/2011

Time: 11:00 AM

Dept: 31

IT IS ORDERED that the Plaintiffs Ex Parte Application for Temporary Restraining Order and Order to Show Cause re: Preliminary Injunction, is denied.

The Court is mindful of the subject matter involved in the Temporary Restraining Order request here; its effect on the lives and families involved; its place in local and national history and its sensitive nature.

The temporary restraining order is DENIED pending the hearing scheduled hereinafter based upon the Court's review of the evidence presented, including but not limited to the virtually completed nature of the memorial construction project in question.

The Court does find good cause to set the Preliminary Injunction hearing requested on the time shortened date of 5/25/11 at 9:00a.m. in Dept. 22. The Court requests any further declarations to be filed no later than 5/20/11 and include any further information "filling in" the timeline of the communications between the parties and any actions (or failure to act) either took in response to the same.
