Last week's teachers were:

Edith Roller & Don Jackson
Debby Jensen & Clevee Sneed
Carol Allende & Cordel Neal
Naomi Johnson & Laura Johnston
Bob Rankin & Lois Pabsts
Pauline Simon & Jim Pugh
Chris Jones & Teresa King

Dick suggested classes could be cut even more in half since there are enough teachers for this. We discussed teachers who may need re-evaluated for teaching potentials, however, nothing was accomplished in this line, as yet.

C MY OPINION CONCERNING THE MORALE OF THE PEOPLE.

I THINK EVERYONE IS TRYING TO WAIT PATIENTLY. THE MAIN PROBLEM
WE FACE COUNSELING IS THAT MOST PEOPLE WANT SPECIAL AND PERSONAL
ATTENTION. MOST OF THE PROBLEMS ARE BEING SOLVED.

MOTHER HELD A COUNSELING SESSION WITH THE YOUNG PEOPLE WHICH RESULTED
IN EVERYONE OF THEM NOW HAVING WORK ASSIGNMENTS. THEY SEEM MORE
HAPPIER AND PRODUCTIVE.

THE MOST IMPORTANT THING NOW IS TO KEEP THE PEOPLE BUSY SO THAT THEY
DON'T HAVE TIME TO FIGHT WITH EACH OTHER AND SULK IN SELF PITY, OR FEEL THE
REAL PRESSURES OF THIS SICK SOCIETY.
THE CHILDREN'S SCHOOL IS WORKING OUT WELL.

INFORMATION

IN LOS ANGELES, SOME WOMAN HAD SPREAD A RUMOR THAT JJ HAD LEFTED
MARCELINE AND TOOK ALL OF THE CHURCH'S MONEY AND WENT TO GUYANA.
ALSO THAT WE DID NOT HAVE MANY HOUSES IN THE P.L. THE GOVERNMENT HAD
STOPPED US FROM BUILDING. THE COUNSELORS DID NOT HAVE THIS WOMAN'S
NAME, SHE WAS NOT PRESENT IN THE SERVICE.
MOTHER CLEARED UP THE DOUBT FOR THE CONGREGATION; MANY OF THE PEOPLE
IN THE CONGREGATION TOLD MOTHER THAT SHE DID NOT NEED TO EXPLAIN
SUCH GOSSIP, AND FOR THOSE PEOPLE THAT BELIEVE THIS SHOULD GO TO HELL.
THE CONGREGATION WAS BEHIND FATHER AND THE CAUSE.

Georgetown/Carolyn--here are some more questions and thoughts...

1. Please advise us as to whether the following names are cleared by the Ministry of Home Affairs:

Arnold Alexander
Clarence Brown
Antoinette Jackson
Timothy Mason
Frances Stanford
Willie Ann Thomas

2. I understand that Mary Black is coming to Jonestown. If so, could you please advise me if I should contact her about doing her Imm. papers and send me her address.

3. Regarding us bussing ourselves across country: It was my idea that we send 2 busses the first part of October (or end of September whichever) with 4 drivers; leave one bus in Jacksonville to be sold and have the 4 drivers bring the remaining bus back to SF--thus saving air fare and leaving us 2 busses for future trips. On the next trip East, we could also send 2 busses with the option of either repeating the earlier arrangement, or having any of the drivers come over there--still leaving one bus to be sold and bringing the other back--or have all the drivers come over leaving all the busses in Jacksonville. If we brought one bus back to SF after the second trip, it would make another trip by bus possible. Doing it this way would put 2 more busses on the market, get a bunch of us across country at the least cost, and the option of which of the drivers, which of the busses--or all of the busses--should or should not come back to SF could be left until the last minute.

As far as sending any of the drivers over on this next trip, I personally don't see it, (with the possible exception of Ray Godshalk) but of course you there and others here have the final say-so. A list of the remaining drivers is as follows:

Jean Brown	Doxsee Swaney
James Evans	Jim McElvane
Ray Godshalk	Irvin Perkins
Phyllis Houston	Jim Randolph
	Jerry Wilson

Ray has not been considered as a primary driver on an overland bus trip because of his age, but he could certainly help drive on his way to Jonestown. Jerry has at least 2 weeks vacation time coming.

I have one week vacation time with 2 weeks more after the first of the year.

4. Could you please check and see if you could provide us with Bessie Proby's VA number? I have not been able to get it here.

Kado Love,
Phyllis Houston

Georgetown/Carolyn

The following list is of those names who, according to our records, have had their Immigration Papers sent, but who, according to the copies of correspondence from the Ministry of Home Affairs which was recently-sent to Jean, have not yet been cleared by the government to Immigrate. My questions about this list are as follows:

1. For those who are on this list and who are still interested in coming over there, should their forms be re-submitted, or should we wait for further action either by you or by the Ministry?
I raise this question because of situations like that of Esperanza Villalobos whose papers were sent to Guyana the end of September 1977 and cleared July 18, 1978. There are also situation like that of Chinita Hankins and her sister Chilita Hankins who had their papers with several other sets sent March 29, 1978. Others of this group have been cleared, but these have not.
2. For those who are on this list--which indicates the name listed on their passports--who have had their papers cleared under another name, do their papers need to be re-done? We received word as to how to handle situations which involve name changes by marriage, but as noted on the list, there are other situations where the name is the problem.
3. Over all, considering the length of this list, is there any way that we can help speed things up and make this process more accurate? For myself, it would be helpful if I knew who I should address correspondence regarding things like this to, so that maybe stuff would not get side-tracked.

It is a fact that there are several on this list who either appear on the last remainder list, or who have expressed a desire to come to Guyana since this list was put together. I would, therefore, consider this an urgent matter.

CHILDREN IN GUYANA WITHOUT PARENTS: see attached sheets..

Do Not

any
more
forms

We are sending Rosanna Dickerson as soon as possible- because 1- she has a child over there- and 2- she is still threatening to send the other 3 kids back somewhere- to their natural father or something- and we think this is her way of letting us know that she wants to go over. Apparently Lee told her several months ago to get her things ready- and to sell her furniture etc. and she is ready to come.

We are also planning on sending GLORIA WALKER as she wants to go and has a child there. Tony also wants his mother to go too. And this is the woman whose sister- PHYLLIS TALLEY- is the one ROSEMARY WILLIAMS called in L.A. and told all kinds of shit too

We are also trying to get WILLIE MALONES grandmother- BEUBAH PENDOLTON from L.A. over- so atleast we will have his grandmother even if his mom is not a member.. and will never come.. atleast granny will be there.

We are also sending LEOMY WRIGHT over since she cries to be able to go- and has 3 kids there.

We are making arrangements with RULETTA BROWN to get her over as soon as Robert Paul gets his passport. So they will be on their way.

Marthea will come the first part of the year. Teddy thinks his sister BARBARA BAKER will never want the kids back- but says you never know. She is having a good time now without them he says.

We can send BOB DAVIS the end of Dec. or 1st of Jan. when the L.A. crew is done- and maybe we should send him ~~xxxx~~ whether they are done or not at that point in time. Liz is probably not idle these days either.

BETTEX CARROLL never comes around- does her own thing as usual. Debbie Evans went over to Don and Betty's house Sat. and they were having a party there- I doubt if we ever get those people there- she has asked about having the children come back for this court thing- but hasn't pushed it and June says it is not necessary and so does Eric. But Betty is about good for nothing as far as helping us is concerned- they don't even come to services.

MARVIN SELLERS- Richard is his guardian.. and ALTA SELLERS is still doing her own thing pretty much- she says she wants to wait til LeShay gets out of school before coming over.

MONIQUE's mom- got in touch with Hue a couple of weeks ago- won't say where she is staying- apparently is couple mos. pregnant.

MARY & PERCY DARDEN- are pretty much doing their own thing as always. They still have the 1 child- Percy was working pretty well in the garage out back- helping Al- but he slopped off at that- and now they are driving one of our cars around some place in LA.- he is on probation- they are both loose geoses.

Irma LEE GILL- June says she has to stay another 1-2 mos. to get her separation legal- so she can get some kind of Social Security of her husbands- not sure- but she will have to stay here a bit longer.

Hi World-Traveler,

X-7-d-16

You could have knocked me over with a feather when I talked to mama and she told me about your taking off. I really think it's super about your being so high in scholastic endeavors; that was the good news, as for going into the jungle I'm still lying down with an ice-pack on my head thinking about it. But it's such a neat opportunity to see something different in this world and not have to pay for the flight (which is super expensive to South America) that I would have said, "Go ahead and enjoy yourself, pal!!"

You know the weird thing is that as you were flying out that Sunday I was flying in to San Francisco from between Puerto Vallarta and Manzanillo on the West Coast of Mexico down in the jungle on Chetumal Bay and this is the reason I was unable to see you that weekend. I took a week off and went down there and stayed with the "Club Mediteranee" who are a bunch of coo-coo's who eat, drink and run around in the sun practicing sweating heavily. Hot! It was only about 95° but the humidity must have been 300%. I sweat for seven days and only went to the bathroom twice as the water never got to my kidneys. Got off the plane in Phoenix, Arizona for Customs and it was 102° but dry so I thought I had died and gone to pig heaven as my sweat glands finally sealed up and I quit dripping. I think you must be in one of those steamy places so you know what I'm talking about.

I looked you up on a map and being next to Brazil and Venezuela is really a long way away, further than I've ever been. How was the plane ride, they're usually fun in the beginning but can be draggy after a few hours, or did they give you a rubber inner-tube, two ears and point you in the general direction. Mama told me they outfitted you in safari suit, jungle boots, bug repellent and elephant gun. What no trumpet to call in the monkeys at twilight? Where is the horn, hot lips? You could form a rock band in Georgetown and send for me to be your manager instead of me sitting here scribbling and missing the flora and fauna plus bugs you're enjoying.

The weather is nice here, foggy in the morning but up to 80°-90° inland as the day goes on.

I must have brought sun-shine in my suitcase from Mexico as it was cold while I was gone. I expect you to have a crazy tan and white blond hair when I see you again also a monkey on your shoulder.

The Volks is still running like a wounded mouse has 7000 miles over 100,000 and the mechanics say it should be put in the Old Volks Home at about 30,000, but everything I look at is expensive and really ugly so I'm still in a state of confusion, maybe some sort of two-seater skateboard for us. I don't know. By the way how are the sidewalks for skateboarding there? Hee! Hee!

Wack Taylor took your pal, Marc (his kid) up to Eureka to his mother's (Norie) ranch in the middle of nowhere with two friends, tents, skateboards, 13 bicycles and half of Berkeley for the summer so they could drive the rattlesnakes crazy and make the leaves fall off the trees.

II I have been attending different hair-styling classes, business has been good but with this nice weather I've become lazy and work seems to be a drag especially after a short vacation and seeing how the other half lives. But I trudge to work and suddenly the week-end is there so it's something to live for.

Remember the two black alley cats that hung around our house, well for years. even a butterfly could beat them up, suddenly they are going all over the neighborhood punching out the other dogs and cats. They are tough and mean, I've seen them stop a small foreign car in the street and demand Pass 'N Boots food from the driver. When I go out with the B-B gun it's so weak that I shoot and the B-B drops on my toe. The cat roll on the ground and giggle behind their paws while I blush and go back in the house. The gun's the next thing to be retired.

Bill, Kathy and Nancy Parrish from Concord are O.K. but we went somewhere in the Mustang again and the radiator went. Blah, all over the street, so we stood around and I guess used bubble-gum to seal it up again so as to get home. Bad luck car. The Parrish's signed up to usher the Concord Jazz Festival this year and there really is some great bands you're going to miss. Benny Goodman and his band ~~are~~ playing there later this month just for openers. I can send you the list, if you really want it.

(over)

Well, buddy, to get to the real nutty-gritty
of this letter. Brush those green teeth as
they'll fall out from jungle-rot and we'll have to
make false ones from a nutty monkey. Bathe at
least once a month so people will let you in
their houses. Don't eat mud and worms as
they'll spoil your dinner. Thank Larry for watching
you when I'm not there. Also have him hold the
cayon while you move the paper and please
write if it's only for money or Core packages.
Tell me the best way and type of currency
to send you in dribbles so you can take Larry
to town and both enjoy a couple of cigars
a few beers and a floor show. (Lie about your
age like I do!).

I'll enclose ten bucks so you can start
to buy your own plantation so let me know
if it gets to you,

Love,
Your Dad

Happy Birthday

~~X-7-d-2b~~
X-7-d-2b

Tuesday Aug 23rd 77
Now Aug 27th

Dear Karen and belated Happy Birthday:

Honey I hope you are safely in S. America by now. When you told me you had to sell a car before you left, and so little time, I really worried about you. I talked to Judi today and she said you had called her at 4:30 in the morning your time, and I thought how tired you must be. I hope you are all right, and you have arrived safely and all is well.

Severina is on the bed here waiting for me to write to you. We are adoring her. She is just so precious and no trouble at all. Daddy is an absolute fool about her, and she goes everywhere with us.

He has gone over to Red Bluff today to help Dave trim some trees. We went over yesterday and had dinner with them. Lois is the same and Dave is getting progressively worse all the time. He is really almost helpless now.

It is One thirty in the afternoon and I am still in my robe. I have to get a shower and get dressed, or I will still be like this when daddy comes home

Have you seen Jim yet? He must be going through such hell as I know all of the group is. There is just no way to answer all these charges. I know when I read the article in the Chronicle, I almost threw up, and I mean that literally. If you didn't know better, you would believe every word of it, as they have been extremely clever.

X-7-d-2c

I am enclosing a little for your birthday. It isn't much, but it is hard for me to get much money of my own together now. We are having a lot of bills and Daddy has only worked three weeks this year. There may be a job soon in Willows and we are hoping for this to break pretty quick.

Honey will you give Jim my love, and let him know that I have not lost faith. I do believe that he is the master, and I am so sorry he has to be crucified like this. It is a terrible strain, but it just has to turn out all right. I just hope he won't be destroyed by all this. I didn't realize how bad it was until I read the article in the paper, as I didn't see the magazine. Judi is also still holding faith. Daddy has not said anything about all this, so I really don't know what he thinks, but he loves you, and I think he loves Sevy so much because she is yours.

Please write as soon as you can to let me know how you are and how Jim is, and what his plans are. Will he be coming back to the states, or is that too dangerous for him. I know that whatever he decides will be for the best.

Well baby girl, I must get dressed and out to mail this and some bills in, and make myself at least halfway useful this day. I am feeling all right, and just a little tired, nothing else. I think I am going to be around for awhile, at least I hope so. I love you, and I miss you, and my heart goes out to you and the group and to Jim.

All my love

**STATE OF CALIFORNIA
COUNTY OF MENDOCINO**

Irene Lange, Treasurer of the County of Mendocino, California being first duly sworn, deposes and says that the foregoing is full, true and correct, according to the records of her office.

IRENE LANGE, Treasurer of Mendocino County and Retirement Administrator

Dear Fellow Members:

Regular Retirement Board meetings are held on the second Friday of each month at 8:30 a.m. in the Courthouse, unless a special meeting is called by the Board of Directors.

Changes in the law make all information regarding the Retirement System confidential. Members wishing information must call in person, at the Treasurer's Office, or make their request in writing. Please make certain you have the proper beneficiary designated on your retirement enrollment card.

The County Treasurer's Office should be notified at least one month prior to a member's anticipated retirement date. This time is needed in order to obtain actuarial figures regarding various Retirement Options.

If you have moved, did you notify the Retirement Administrator of your new address?

Any questions you may have regarding your retirement, please feel free to contact the Retirement Division in the County Treasurer's Office, Room 107, at the Courthouse. They will be glad to help you with your questions.

Sincerely, IRENE HICKEY, Chairman
Mendocino County Employees' Retirement Association
