"INSTRUCTIONS FROM JIM JONES 16 OCTOBER 16, 1978 [ONE MONTH TO GO]

"It's more serious than some people want to see. We have several enemies. We had enemies that sent that little man who was here --the detective--[MAZOR]-- and he told us all. It's all... in AFFIDAVITS under penalty of perjury WHAT HE WAS GOING TO DO IF he had not seen that our faces looked HAPPY and he saw no guards and he saw no barbed wire. Fortunately he saw no... cameras. And he saw determined people that looked... like they were VOLUNTARILY encircling our community to be free. That caused him... from the mouth of the detective himself, that caused him to WITHDRAW... And then later through our contacts WE BROKE HIM, he... broke and talked and spilled all the beans and there were lots.

"Stoen had been stealing money at A SECRET BANK ACCOUNT IN ENGLAND. Stoen was... funded by high level members of the conspiracy. So now he's a class enemy... A MEMBER OF THE CIA for eight years according to this man's sworn testimony.

"This man [MAZOR] ONCE BITTERLY DESPISED US for socialism and communism...but nonetheless he ADMIRES our care for one another and he has given us SERVICES FREE. That shows how much BELIEF he has in what's happening here."

AND WHAT WAS IT REALLY ALL ABOUT?:

MAZOR 9: JUST A GOVERNMENT AGENT DOING HIS JOB
