3. But Mazor was just Phase One of the pre-plan, intelligence gathering. A whole line-up of players was yet to come. Many players. Many tasks. A costly, complex, high-risk hands-on "black op."

to Come: **DOCUMENTARY EVIDENCE OF THEIR ROLES.**

OPERATIVES TO DELAY RESCUE PENDING RADIO CONFIRMATION OF "ALL [SAFELY] DEAD AT JONESTOWN"

ENSURE THAT NO ONE FLIES IN --EVEN TO AID WOUNDED, POSSIBLY-DYING SURVIVORS AT THE AIRSTRIP-- PENDING CONFIRMATION OF ALL DEAD AT JONESTOWN. ALSO ENSURE THAT NO ONE (SAVE SELECT MILITARY) LET INTO JONESTOWN UNTIL THE BODIES HAD DECOMPOSED BEYOND RECOGNITION.

IF THEY HAD SLIPPED UP: If death process aborted, frame likely to come out. If bodies left still recognizable, families swarm in, questions raised, answers demanded, etc.

THE ARMY MEDEVAC TEAM

ARRIVE TWENTY HOURS PAST THE ASSASSINATION. DON'T GO A MERE FIVE MILES DOWN THE ROAD TO SEE IF ANYONE AT JONESTOWN EVEN SURVIVED.

IF THEY HAD SLIPPED UP: Would interfere with assessment/rearrangement of the scene. Would disrupt wanted/needed chaos, confusion, black-out. Could disrupt the cover-up elements installed the first two days on site. Risk of invasion of coroners and forensic experts with real autopsies, real questions, etc. If MEDEVAC plane not drastically delayed but instead landed in time to stop the deaths at Jonestown, the worst outcome for the CIA.

OPERATIVE TO PHONE ANONYMOUS DEATH THREAT TO A KEY RYAN AIDE IN THE STATES THE VERY NIGHT OF THE TRAGEDY. CREATE MYTH OF POST-MORTEM "HIT SQUAD" IN THE STATES TO FORESTALL ANY ATTEMPTS TO INVESTIGATE WHO REALLY KILLED THE CONGRESSMAN.

IF THEY HAD SLIPPED UP: Impossible to i.d. anonymous caller. But pre-tragedy already fraught with anonymous phone threats, always adverse to Temple interests. If had not targeted THE HOLSINGERS (father-and-son aides to Ryan) early on, Ryan contingent might have gone after the real culprits, the CIA who hated Ryan for the likes of the Hughes-RYAN Amendment of 1974.

MEDICAL PERSONNEL TO INJECT BODIES POST-MORTEM

INJECT HUNDREDS OF BODIES AT DUPLICATE POINTS TO GIVE MAXIMUM APPEARANCE OF FORCED COMPLIANCE; STRENGTHENING ASSUMPTION THAT PEOPLES TEMPLE HAD COMMITTED THE ASSASSINATION.

IF THEY HAD SLIPPED UP: Story of brute Temple assassins jeopardized. Given a day and a half under sole CIA control to do this; *see also* "The Immediate Aftermath."
