

7. NOR DID ANYONE GET TO LOOK: ANYONE LEFT STANDING FLED INTO THE BUSH TOWARDS POINT E: IN THE OPPOSITE DIRECTION FROM THE ATTACK AND AT RIGHT ANGLES TO WHERE THE ASSASSINS FLED!!

No.

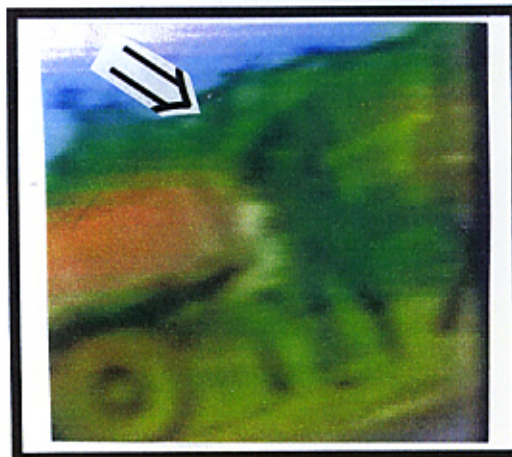

8. NOR DO ANY ALLEGED "EYEWITNESS IDENTIFICATIONS" OF ASSASSINS WHILE SHOOTING MATCH UP. TO THE CONTRARY:

No. No. No.

ALL NO.

9-10. BLACK MAN ISN'T A WHITE MAN; NOR IS HE ANY OF THE ACCUSED BLACK MEN EITHER

11. THE LEAD ASSASSIN WAS A SEVEN FOOT TALL GIANT COVERED HEAD-TO-TOE IN GREEN CAMOUFLAGE MILITARY GEAR THAT NO ONE EVEN NOTICED, MUCH LESS "EYEWITNESS-IDENTIFIED"????!!!

12-14. THE FILM FOOTAGE EXONERATES THE PEOPLES TEMPLE ACCUSED, BUT NO WONDER!: A) THE ONLY CLAIM OF POINT BLANK I.D. FINGERED "AN UNKNOWN INDIVIDUAL"; B) WHILE THE "GOVERNMENT EYEWITNESS" CLAIMED "POINT BLANK" I.D. FROM FIFTY YARDS AWAY!! MEANWHILE, C) EYEWITNESS WHO SAW A CONCEALED VEHICLE DRIVEN BY STRANGERS WAS IGNORED.

B) "...he sprinted for the jungle .... approximately fifty yards away .... Upon arriving at the edge of the clearing, he looked back and observed... TOM KICE shot DON HARRIS in the head at point blank range.... He stated that he observed TOM KICE, BOB KICE, JOE WILSON and ALBERT TOUCHETTE shooting the victims in the head at point blank range." p. 61.

A) "An unknown individual then.... placed his rifle by the head of DON HARRIS and fired.... what he called the "coup de grace." p. 381.

C) "Shortly after arriving at the airstrip.... A tractor pulling a flatbed truck with canvas over the top. Three men.... asked which airplane the Peoples Temple members were leaving on. .. a short time later, these individuals pulled weapons from the flatbed and opened fire..." p. 387.

Now can we "call it" **"MASS BLANKET MISIDENTIFICATION"**?  
SO WHO DID DO IT?
