**0329 CIA NOIWON reports mass suicides at Jonestown.**

**The C.I.A. was the first into Jonestown. But does that alone confirm that the C.I.A. hired the assassins?**

**We've just uncoupled the Siamese twins called "bizarre murder / suicide ritual." The murders (at Port Kaituma) and the suicides (at Jonestown) were yes, sequential, but not committed by the same parties.**

**If we are now going to make Siamese twins of the early, unexplained C.I.A. presence at Jonestown with the assassination hours earlier at Port Kaituma, on what evidentiary bases will that be done?**

**(See "LOGISTICS: Prelude to a Frame;" LOGISTICS: Military Execution;" and "LOGISTICS: Post-Ops Scenario.")**
