

O.K. LET'S BEGIN WITH WHAT EYEWITNESSES WERE SO "SURE" OF: THAT THE TRACTOR-TRAILER BROUGHT IN THE ASSASSINS AND THAT THE DRIVER WAS STANLEY GIEG.

THEY RECOGNIZED STANLEY BECAUSE THEY SAW HIM MINUTES EARLIER STICKING STRAIGHT UP INTO THE AIR FROM THE WIDE, OPEN DRIVER'S INSET ON THE JONESTOWN MASSEY FERGUSON 178 TRACTOR! HE WASN'T "HID." NBC FOOTAGE SHOWS HIM HIGHLY VISIBLE AND DOING NOTHING.

A VERY NICE YOUNG MAN. ALSO WHITE, FAIR-SKINNED AND BLOND.

GIEG, Stanley Brian

WAS THIS DARK-SKINNED BLACK MAN.....

THIS WHITE, FAIR-SKINNED, BLOND MAN?

UNIDENTIFIED BLACK GUNMAN.
Unknown black man. Not on
eyewitness identification list.

Where is the driver? Where is the
driver's inset? Why can't we see
where the driver sits? What kind of
a "tractor" was this, anyway?

FAST FORWARD TO THE "TRACTOR-TRAILER" OPPOSITE THE PLANE. THE FIRST GUNMEN MOVES OUT FRONT AND DOES A MILITARY DANCE UNIQUE IN ITS FUNCTION AS WELL AS ITS TIMING (see "Logistics")

THAT MUST HAVE BEEN WHITE, FAIR-SKINNED, BLOND STANLEY BECAUSE EVERYONE "KNEW" HE DROVE THE ASSASSINS ONTO THE AIRSTRIP. BUT WAIT. NO. NOT A STANLEY SIGHTING. A DARK-SKINNED BLACK MAN!!!

BUT WAIT. STANLEY WAS SEEN STICKING RIGHT UP INTO THE AIR JUST MINUTES EARLIER! WHERE IS HE?

HE'S NOT THE GUNMAN OUT FRONT. HE'S NOT DRIVING EITHER. (IN FACT, WHERE IS THE DRIVER'S SEAT IN THIS "TRACTOR"?) HOW DID BLOND STANLEY DISAPPEAR AND THIS BLACK GUY SHOWS UP IN HIS PLACE?

WELL, WASN'T THIS AT LEAST ONE OF THE ACCUSED BLACK MEN ON THE LIST THEN? (see 10)
