DURING SAN JUAN'S INTERVIEW OF [REDACTED] HE POINTED OUT THE FOLLOWING: POSSIBLY SOMETIME IN SEPTEMBER OR OCTOBER, 1978, HE WAS TELEPHONICALLY CONTACTED ONE AFTERNOON BY [REDACTED] [REDACTED], THE WIFE OF [REDACTED] IN UKIAH, CALIFORNIA. MRS. [REDACTED] STATED THAT A MAN BY THE NAME OF MARK LANE (WHOM [REDACTED] DID NOT RECOGNIZE AT THAT MOMENT) WAS AT HER HOUSE. LANE WANTED TO INTERVIEW [REDACTED] IN PERSON. MRS. [REDACTED] REQUESTED [REDACTED] TO COME TO HER HOME, WHICH HE DID. WHEN [REDACTED] ARRIVED, LANE IDENTIFIED HIMSELF AS AN AUTHOR AND SAID HE WAS DOING A STORY FOR ESQUIRE MAGAZINE. DURING THE HOUR AND ONE HALF INTERVIEW, LANE CONTINUOUSLY PRESSED [REDACTED] REGARDING PEOPLE TEMPLE'S (PT) INFORMATION HE POSSESSED AND WHY [REDACTED] HAD FILED A LIBEL SUIT AGAINST THE PT. LANE WAS INTERESTED IN THE SUIT AND [REDACTED] INVOLVEMENT AGAINST THE TEMPLE. MR. [REDACTED] THOUGHT THIS TO BE QUITE UNUSUAL.

THE NEXT DAY (EXACT DATE UNKNOWN) [REDACTED] LEARNED THAT LANE WENT TO SAN FRANCISCO AND DURING A PRESS CONFERENCE AT PT STATED THAT HE HAD JUST RETURNED FROM GUYANA AND HE WAS CONVINCED THAT THE FEDERAL BUREAU OF INVESTIGATION (FBI) AND THE CENTRAL

(u)

INTELLIGENCE AGENCY (CIA) WERE PLOTTING AGAINST THE JONESTOWN CAMP AND BECAUSE OF THIS HE PLANNED A SUIT AGAINST THE FEDERAL GOVERNMENT. ALSO DURING THE INTERVIEW OF VERNON GOSNEY, WHO WAS WOUNDED DURING RYMUR, GOSNEY STATED THAT MARK LANE DURING A TRIP TO JONESTOWN TOLD THE MEMBERS OF THE CAMP THAT THERE WAS A PLOT TO DESTROY JONESTOWN. LANE SAID THAT THERE WAS A PLANNED CONSPIRACY AGAINST JONESTOWN AND THAT THE GROUP COMING THERE WERE MEMBERS OF THE CIA. ALSO GOSNEY STATED THAT JOE MAZOR, A SAN FRANCISCO BASED PRIVATE DETECTIVE DOING WORK FOR JONES ALSO CAME TO JONESTOWN CAMP AND TOLD EVERYONE THAT RYAN'S GROUP THAT WAS COMING HAD BAZOOKAS AND WOULD BLOW EVETHING UP. (U)

IN THE INTERVIEW OF BEVERLY OLIVER, WHO WAS ALSO WOUNDED, SHE ADVISED THAT WHEN SHE TALKED WITH HER SONS AT JONESTOWN ONE OF THEM TOLD HER THAT THEY (MEANING THE MEMBERS OF THE PT AT JONESTOWN) HAD BEEN TOLD THAT RYAN'S GROUP WERE MEMBERS OF THE CIA. THIS WOULD CORROBORATE INFORMATION FURNISHED BY GOSNEY. (U)

SUBJ: STATEMENT ON PREPARATIONS FOR CONGRESSMAN RYAN'S VISIT
TO GUYANA AND EVENTS BEFORE DEPARTURE FOR JONESTOWN ON NOVEMBER 17

REF: GEORGETOWN 4041

REC-126

89-4286-1073

1. EMBASSY PREPARATIONS FOR THE VISIT OF CONGRESSMAN RYAN TO GUYANA INITIALLY CENTERED ON INSURING THAT THE DEPARTMENT HAD UP TO DATE AND SUFFICIENT INFORMATION FOR TRANSMISSION TO THE CONGRESSMAN ON THE PHYSICAL, POLITICAL AND LEGAL ASPECTS OF THE PROPOSED VISIT. THE DEPARTMENT'S FIRST REPORT TO GEORGETOWN REGARDING THE VISIT (STATE 241892) HAD STATED THAT CONGRESSMAN RYAN INTENDED TO BRING WITH HIM "A CLINICAL

PSYCHOLOGIST, MEDICAL DOCTOR, A MEMBER OF THE PRESS, AND

POSSIBLY SOME RELATIVES OF TEMPLE MEMBERS." (ORGETOWN 3130

AND 3600, AMONG OTHER MESSAGES OUTLINED THE EMBASSY'S MAIN

CONCERNS, THE LATTER CABLE STATING THAT "MUST POINT OUT ONCE

MORE THAT IT IS QUITE POSSIBLE FOR FRICITINS^D TO OCCUR BETWEEN

CODEL AND JONESTOWN COMMUNITY UNLESS AGREEMENT TO THE VISIT

HAS BEEN OBTAINED PRIOR TO THE ARRIVAL OF THE CODEL."

2. WITH STATE 277716 OF NOVEMBER 1 GIVING THE COMPOSITION OF
THE CODEL AND DATES OF ITS VISIT AND STATE 281974 OF NOVEMBER 4
CONTAINING THE TEXT OF CONGRESSMAN RYAN'S CABLE TO THE
PEOPLE' TEMPLE, ACTUAL PREPARATIONS COULD BEGIN. DCM DWYER

TELEPHONED THE PEOPLE' TEMPLE GEORGETOWN OFFICE TO MS. SHARON AMOS AND OFFERED TO MAKE AVAILABLE TO HER THE TEXT OF THE CONGRESSMAN'S MESSAGE IF THE PEOPLE'S TEMPLE HAD NOT ALREADY RECEIVED IT, WHICH IT HAD NOT. IN THIS AND SUBSEQUENT CONVERSATIONS BETWEEN DCM DWYER AND CONSUL ELLICE WITH MS. AMOS AND OCCASIONALLY OTHER MEMBERS OF THE PEOPLE'S TEMPLE IT WAS STRESSED THAT WHILE THE EMBASSY COULD NOT COMMIT THE CONGRESSMAN TO ANY OF THE CONDITIONS WHICH THE TEMPLE MIGHT WISH TO IMPOSE (I.E., NO PRESS, NO RELATIVES, ETC.). THE EMBASSY WOULD BE PLEASED TO TRANSMIT THE TEMPLE'S MESSAGE TO THE CONGRESSMAN AND THE CONGRESSMAN'S COMMUNICATIONS TO THE TEMPLE TO FACILITATE THE DIALOG. EVENTUALLY, THE TEMPLE INFORMED THE EMBASSY THAT IT'S REPLY TO CONGRESSMAN RYAN WOULD BE SENT THROUGH LAWYER, MARK LANE. (GEORGETOWN 3714) THE AMBASSADOR ALSO DISCUSSED WITH VISIT WITH FOREIGN MINISTER JACKSON, WHO CONFIRMED HIS WILLINGNESS TO MEET WITH CONGRESSMAN RYAN DURING HIS VISIT TO GEORGETOWN. THE EMBASSY THEREFORE RESERVED THE GUYANA SUGAR CORPORATION CESSNA 402 AIRCRAFT FOR THURSDAY, NOVEMBER 16, IN THE HOPE THAT THE TEMPLE WOULD AGREE TO THE CONGRESSMAN'S VISIT ON THAT DATE. CONGRESSMAN RYAN WAS INVITED TO STAY WITH THE AMBASSADOR, WHILE MS. SPEIRES AND MR. SCHOLLEART HAD ROOMS RESERVED FOR THEM AT THE PEGASUS HOTEL.

3

3. INFORMAL WORD OF THE POSSIBLE INCLUSION IN THE RYAN PARTY OF AN NBC TELEVISION CREW HAD BY THIS TIME BEEN RECEIVED BY THE EMBASSY FROM LOCAL HOTEL AND AIRLINE PERSONNEL AND THE EMBASSY INFORMED THE GOG OF ITS UNDERSTANDING THAT THE NBC CREW WAS TRAVELING COMPLETELY INDEPENDENTLY OF THE CONGRESSMAN. THE EMBASSY REMINDED THE DEPARTMENT THAT THE TELEVISION CREW WOULD NEED PERMISSION FROM THE PEOPLE'S TEMPLE AND THE GOG TO VISIT JONESTOWN AND GUYANA (GEORGETOWN 3619). SHORTLY BEFORE THE CONGRESSMAN WAS DUE TO ARRIVE, THE EMBASSY HEARD

UNCLASSIFIED

UNCLASSIFIED

RUMORS THAT OTHER JOURNALISTS WOULD ALSO BE TRAVELING TO GEORGETOWN ON THE SAME AIRCRAFT AS THE CONGRESSMAN, TOGETHER WITH A GROUP OF CONCERNED RELATIVES ABOUT WHOM THE EMBASSY HAD BEEN ALERTED BY THE DEPARTMENT. THE EMBASSY WAS INCREASINGLY CONCERNED THAT IN ITS RELATIONSHIPS WITH THE CONGRESSIONAL DELEGATION, THE VISITING JOURNALISTS AND TELEVISION CREW, AND THE PEOPLE'S TEMPLE AND OTHER PRIVATE AMERICAN CITIZENS VISITING IN OR RESIDING IN GUYANA, THAT IT HAD AN ABSOLUTELY CLEAR UNDERSTANDING OF ITS DUTIES AND RESPONSIBILITIES UNDER THE PRIVACY ACT. THE EMBASSY THEREFORE SUGGESTED TO THE DEPARTMENT (GEORGETOWN 3714) A STATEMENT OUTLINING THESE MATTERS WHICH WAS REVISED AND APPROVED BY THE DEPARTMENT (STATE 085798).

4. CONGRESSMAN RYAN, MS. SPEIERS, AND MR. SCHOLLEART ARRIVED AT TIMEHRI AIRPORT AT ABOUT 0015 HOURS NOVEMBER 15 (AND WERE SCHEDULED TO DEPART SUNDAY, NOVEMBER 18, AT 1300 HOURS). THEY WERE MET BY THE AMBASSADOR, DCM DWYER, AND EMBASSY GENERAL SERVICES OFFICER MASON. THE CODEL WAS GIVEN PREPARED ORIENTATION FOLDERS, THE CONGRESSMAN AND MR. SCHOLLEART WERE GIVEN ENVELOPES WITH OFFICIAL FUNDS AND MS. SPIERS (WHO WAS TRAVELING AT HER OWN EXPENSE) WAS OFFERED ACCOMMODATION FOREIGN CURRENCY EXCHANGE FACILITIES. THE CONGRESSMAN TRAVELED TO THE RESIDENCE WITH THE AMBASSADOR, DCM DWYER ACCOMPANIED MS. SPEIRES AND MR. SCHOLLEART IN A SECOND CAR, WHILE GSO MASON FOLLOWED WITH THE GROUP'S LUGGAGE. THE NBC TV TEAM, JOURNALISTS, AND CONCERNED RELATIVES HAD ARRIVED ON THE SAME FLIGHT.

5. DURING THE APPROXIMATELY ONE HOUR DRIVE FROM THE AIRPORT TO THE HOTEL, DCM DWYER EXPRESSED CONCERN TO MR. SCHOLLEART (WHOM HE HAD KNOWN PREVIOUSLY AS A FELLOW LANGUAGE STUDENT AT THE FOREIGN SERVICE INSTITUTE IN 1969-70) HIS VIEW THAT ADDITIONAL STAFF WORK WOULD HAVE FACILITATED THE CONGRESSMAN'S VISIT, AND, SPECIFICALLY, A VISIT BY A MEMBER OF THE CONGRESSMAN'S STAFF TO GEORGETOWN PRECEDING THE

UNCLASSIFIED

5

VISIT OF THE CONGRESSMAN HIMSELF MIGHT HAVE HELPED IN GETTING APPROVAL FROM THE PEOPLE'S TEMPLE TO VISIT JONESTOWN AND TO DECIDE UPON THE REQUISITE LOGISTICS. MR. DWYER FURTHER STATED THAT SUCH A PRELIMINARY VISIT WOULD HAVE CLEARED UP CONFUSION SUCH AS THAT THE PRESS AND CONCERNED RELATIVES WERE "NOT ACCOMPANYING CODEL RYAN" (STATE 289798) ALTHOUGH THEY HAD OBVIOUSLY TRAVELED WITH HIM. MR. SCHOLLEART NOTED THAT HE HAD ONLY RECENTLY BEEN ASSIGNED TO ACCOMPANY THE CONGRESSMAN, BUT WITH MS. SPEIERS EXPLAINED AT SOME LENGTH THE VERY CONSIDERABLE PREPARATIONS THE CONGRESSMAN AND HIS STAFF HAD MADE FOR THEIR VISIT TO THE PEOPLE'S TEMPLE. AT ANOTHER POINT IN THE CONVERSATION THERE WAS A DISCUSSION OF WHAT MATERIAL THE EMBASSY COULD MAKE AVAILABLE TO THE CODEL AND HOW THE EMBASSY MIGHT ASSIST IN OBTAINING THE AGREEMENT OF THE TEMPLE TO THE VISIT WITHOUT VIOLATING THE PRECEPTS OF THE PRIVACY ACT. MS. SPEIERS' INTERPRETATION AS TO THE EXTENT THE EMASSY MIGHT PROCEED WITHOUT FINDING ITSELF IN VIOLATION OF THE PRIVACY ACT APPEARED TO BE MORE LIBERAL THAN THE INSTRUCTIONS WITH WHICH THE EMBASSY HAD BEEN PROVIDED BY THE DEPARTMENT (STATE 285461). LOOKING BACK AT THE CONVERSATION, DCM DWYER CONCLUDES, SOMEWHAT REGRETFULLY, THAT HIS FIRST CONCERNS REGARDING THE VISIT WERE WITH THE IMMEDIATE, PRACTICAL PHYSICAL AND LEGAL ASPECTS OF THE VISIT, WHEREAS MS. SPEIERS AND MR. SCHOLLEART WERE QUITE NATURALLY PREOCCUPIED WITH INVESTIGATORY ASPECTS OF THE CONGRESSIONAL DELEGATIONS'S VISIT.

JONESTOWN TAKEN BY MR. DWYER DURING HIS VISIT TO JONESTOWN ON MAY 10 WITH THEN-CONSUL MCCOY. FOLLOWING THE BRIEFING, A GENERAL DISCUSSION WAS HELD OF THE OBJECTIVES OF THE CONGRESSMAN'S VISIT AND THE BEST METHODS TO ACHIEVE THEM.

IT WAS AGREED THAT MR. SCHOLLEART ON BEHALF OF THE CONGRESSMAN SHOULD DISCUSS THE PROPOSED VISIT TO JONESTOWN DIRECTLY WITH THE PEOPLE'S TEMPLE PERSONNEL IN GEORGETOWN. THE CONGRESSMAN LUNCHEDED WITH THE AMBASSADOR AND AT 1599 HOURS THE AMBASSADOR AND CONGRESSMAN RYAN PAID A COURTESY CALL ON FOREIGN MINISTER JACKSON. (GEORGETOWN).

7. CONGRESSMAN RYAN AND DCM AND MRS. DWYER DINED WITH
AMBASSADOR BURKE THAT EVENING WHILE MS. SPEIERS AND MR.
SCHOLLEART ATTENDED A DINNER GIVEN BY ANOTHER SENIOR STAFF
MEMBER. FOLLOWING DINNER, CONGRESSMAN RYAN EXPLAINED AT SOME
LENGTH HOW HE HAD BECOME INTERESTED IN THE PEOPLE'S TEMPLE
AND SIMILAR GROUPS. IT WAS APPARENT THAT HE AND HIS STAFF
HAD DEVOTED SIGNIFICANT TIME AND EFFORT TO THE SUBJECT
OVER A PERIOD OF SOME TIME, AND THAT HE HAD A FAMILIARITY WITH
THE PEOPLE' TEMPLE, PARTICULARLY THE CALIFORNIA-BASED END
OF THE ORGANIZATIONS, WHICH FAR EXCEEDED THE EMBASSY'S AND
PROBABLY EVEN THE DEPARTMENT'S. AT APPROXIMATELY 2130 HOURS
THE CONGRESSMAN LEFT TO GO TO THE PEGASUS HOTEL TO MEET WITH
HIS STAFF AND THE OTHERS WHO HAD TRAVELED WITH HIM TO GEORGETOWN.
(IT IS KNOWN THAT HE WENT TO THE GEORGETOWN HEADQUARTERS OF
THE PEOPLE'S TEMPLE BY HIMSELF LATER THAT EVENING. THERE HE

MET WITH SHARON AMOS.)

8. ON NOVEMBER 16, CONGRESSMAN RYAN BREAKFASTED ALONE AT THE RESIDENCE (THE AMBASSADOR HAD LEFT FOR THE CHANCERY WHICH OPENS AT 0730) AND THEN APPARENTLY JOINED HIS STAFF AT THE HOTEL. AT 1130 THE CONGRESSMAN GAVE AN INFORMAL PRESS CONFERENCE AT THE PEGASUS HOTEL, WHICH WAS ATTENDED BY THE MISSION PUBLIC AFFAIRS OFFICER. PRIOR TO A SCHEDULED MEETING BETWEEN THE AMBASSADOR, THE "CONCERNED RELATIVES" GROUP AND THE CODEL SET FOR 2:00 P.M., DCM DWYER MET WITH MS. SPEIER AND MR. SCHOLLEART. MS. SPEIERS SAID THAT WHILE SHE HAD ACCEPTED THE DEPARTMENT'S INTERPRETATION OF THE PRIVACY ACT AT THE TIME OF THE DEPARTMENT'S BRIEFING ARRANGED FOR HER AND MR. SCHOLLEART (STATE 285461), SHE HAD SINCE BEEN ABLE TO STUDY THE LAW ITSELF AND HAD REACHED THE CONCLUSION THAT THE DEPARTMENT'S AND EMBASSY'S INTERPRETATIONS WERE TOO NARROW. MR. DWYER NOTED THAT WHILE HE WAS NOT A LAWYER HIMSELF AND THEREFORE COULD NOT UNDERTAKE TO ARGUE THE LEGALITIES CONCERNED, HE WOULD BE PLEASED TO TRANSMIT ANY PRESENTATION MS. SPEIERS WISHED TO MAKE BACK TO THE DEPARTMENT IMMEDIATELY FOR CONSIDERATION BY THE APPROPRIATE LEGAL OFFICERS. THE CODEL, MR. DWYER AND CONSUL ELLICE ATTENDED THE 1400 HOURS MEETING OF THE AMBASSADOR WITH THE CONCERNED RELATIVES (GEORGETOWN 3761).

9

9. THE CONGRESSMAN WAS HOPEFUL THAT IT MIGHT BE POSSIBLE TO VISIT JONESTOWN THE FOLLOWING DAY, NOVEMBER 17, PARTICULARLY AS PEOPLE'S TEMPLE LAWYERS CHARLES GARRY AND MARK LANE WERE SCHEDULED TO ARRIVE IN GEORGETOWN FROM THE UNITED STATES LATE NOVEMBER 16. DCM DWYER SPENT MOST OF REMAINDER OF THE AFTER-NOON WITH THE ASSISTANCE OF THE ADMINISTRATIVE SECTION IN FINDING AN AIRCRAFT SUITABLE FOR THE CONGRESSMAN'S VISIT. MAJOR MCPHERSON OF THE GUYANA DEFENSE FORCE REGRETTED THAT

UNCLASSIFIED

UNCLASSIFIED

HE COULD NOT MAKE A GDF TWIN ISLANDER AVAILABLE AS IMPORTANT TROOP MOVEMENTS WERE SCHEDULED AND AS THE GDF WAS ALREADY SHORT OF AIRCRAFT DUE TO FACT THAT A GDF ISLANDER HAD BROKEN A NOSE WHEEL SOME DAYS PREVIOUSLY AND WAS STRANDED AT PORT KIATUMA. THE GUYANA SUGAR CORPORATION CESSNA WHICH HAD BEEN RESERVED FOR NOVEMBER 16 WAS NOT AVAILABLE FOR NOVEMBER 17 AS IT HAD LONG BEFORE BEEN SCHEDULED TO TAKE IMPORTANT FOREIGN SUGAR BUYERS ON A TOUR OF THE SUGAR ESTATES. THE SECOND TWIN ENGINE AIRCRAFT IN GEORGETOWN AVAILABLE FOR COMMERCIAL CHARTER UNFORTUNATELY WAS LEAVING THAT DAY ON A WEEK'S CHARTER ABROAD. FINALLY, AFTER CONSIDERABLE PERSUASION, THE GUYANA COMMERCIAL AIRLINE AGREED TO INTERRUPT ITS DOMESTIC SCHEDULE FOR NOVEMBER 17 AND MAKE A TWIN OTTER AVAILABLE TO THE CONGRESSMAN. THE OTTER COULD SEAT NINETEEN PERSONS. GUYANA AIRWAYS CORPORATION HAD TO HAVE A FIRM COMMITMENT THAT DAY, HOWEVER, AND, AFTER CONSULTING WITH MS. SPEIERS, MR. SCHOLLEART AND THE CONGRESSMAN, MR. DUYER MADE THAT COMMITMENT.

10. AT 2000 NOVEMBER 16 CONGRESSMAN RYAN RETURNED TO THE RESIDENT FOR A NIGHTCAP WITH THE AMBASSADOR, SAYING THAT HE HAD GIVEN A DINNER FOR THE JOURNALISTS AND CONCERNED RELATIVES AT THE HOTEL PEGASUS. LATER HE MET SEPARATELY WITH THE PRESS REPRESENTATIVES WHO WERE ANXIOUS TO DISCUSS THE DETAILS OF THE PROPOSED TRIP TO JONESTOWN. 11

1. THE CONGRESSMAN BREAKFASTED WITH THE AMBASSADOR AT ABOUT 0730 AND THEN PROCEEDED TO THE PEGASUS HOTEL FOR DISCUSSIONS WITH HIS STAFF, THE MEDIA AND CONCERNED RELATIVES, AND WITH REPRESENTATIVES OF THE PEOPLE'S TEMPLE, INCLUDING LAWYERS LANE AND GARRY. AT ABOUT 1115 HOURS AMBASSADOR BURKE TELEPHONED CONGRESSMAN RYAN AT THE HOTEL TO SAY THAT AIRCRAFT WAS READY FOR HIM AND HIS PARTY AT THE AIRPORT. THE CONGRESSMAN STATED THAT THE NEGOTIATIONS WITH THE REPRESENTATIVES OF THE GEORGETOWN OFFICE OF THE PEOPLE'S TEMPLE AND LAWYERS GARRY AND LANE WERE STILL IN PROGRESS REGARDING THE ARRANGEMENTS

UNCLASSIFIED

12
FOR THE VISIT TO JONESTOWN. HE NONETHELESS EXPECTED TO LEAVE FOR THE AIRPORT AT ABOUT NOON. THE AMBASSADOR REPLIED THAT DCM DWYER WOULD BE AT THE HOTEL SHORTLY BEFORE NOON TO ACCOMPANY HIM TO THE AIRPORT AND TO PORT KAITUMA.

12. UPON ARRIVAL AT THE HOTEL AT NOON, DCM DWYER FOUND THAT THE PEOPLE'S TEMPLE GROUP AND THEIR LAWYERS WERE DEPARTING FOR THE GEORGETOWN PEOPLE'S TEMPLE HEADQUARTERS FOR DISCUSSIONS BY SHORT-WAVE RADIO WITH THE GROUP AT JONESTOWN AND HAD AGREED TO RETURN AT 1400 HOURS TO THE HOTEL. MR. DWYER OBSERVED TO THE CODEL THAT A 1400 HOUR DEPARTURE FROM THE HOTEL WOULD GET THEM TO THE AIRPORT AT ABOUT 1500 HOURS, DEPARTURE ARRANGEMENTS WOULD TAKE FIFTEEN MINUTES TO A HALF HOUR, AND THE AIRCRAFT COULD NOT BE EXPECTED TO ARRIVE IN PORT KAITUMA BEFORE 1630 OR 1700 HOURS. IF THE PEOPLE'S TEMPLE WERE TO APPROVE THE VISIT TO JONESTOWN AND PROVIDE THE NECESSARY TRANSPORT FROM PORT KAITUMA, THERE WOULD BE NO WAY IN WHICH THE GROUP COULD RETURN TO PORT KAITUMA IN TIME FOR THE AIRCRAFT'S MANDATORY (BECAUSE OF DARKNESS) DEPARTURE AT 1800 HOURS. THE CONGRESSMAN THEN DECIDED TO LEAVE FOR THE AIRPORT AFTER INFORMING THE GEORGETOWN HEAD-QUARTERS OF THE PEOPLE'S TEMPLE OF HIS INTENDED DEPARTURE AND SUGGESTING THAT THE TEMPLE REPRESENTATIVES MIGHT MEET THE CODEL AT THE AIRPORT. MS. AMOS, OTHER MEMBERS OF THE TEMPLE, AND TEMPLE LAWYERS LANE AND GARRY DID MEET THE CODEL AT THE AIRPORT. IMMEDIATELY PRIOR TO THE DEPARTURE CONGRESSMAN RYAN EXPLAINED TO THE ASSEMBLED GROUP THAT WHILE HE WAS PLEASED THAT THEY COULD ACCOMPANY HIM TO PORT KAITUMA, HE COULD NOT PROMISE ACCESS TO JONESTOWN TO ALL NOR COULD HE ASSURE THE RETURN TRANSPORTATION OF PRIVATE MEMBERS OF THE GROUP.

, Federal Aviation Administration (FAA), advised Deputy Assistant Director Ingram at 11:55 a.m., on 12/5/78 that based upon a request from Pan American Airlines, the U. S. Department of State and the U. S. Department of Justice, eight FAA Sky Marshals are being dispatched via Pan American Flight #227 from JFK at 3:00 p.m., 12/5/78, en route to Georgetown, Guyana. Two of the Sky Marshals will depart the plane at Port of Spain. The other six will continue onto Georgetown, Guyana.

rebo
The six Sky Marshals will then accompany passengers, including the Georgetown survivors, on Pan American Flight #228 departing Georgetown at 1:00 p.m., arriving New York at 6:15 p.m., 12/6/78. This flight stops at Port of Spain and the other two Sky Marshals will then board with passengers the Pan American flight at Port of Spain for the continuation trip into JFK at New York. The two Sky Marshals at Port of Spain will have had the opportunity to observe all passengers in their attempt to detect any problem areas. The continuation flight from Port of Spain to New York then will have eight armed FAA Sky Marshals.

Mr. stated the Department of Justice and State Department have just been advised. I advised that the FBI Office in New York would be alerted, and if any information was received by this Bureau of potential problem areas, he would be immediately informed so that he could pass this on to his Sky Marshals.

On 12/4/78 Mike Abbell, Departmental Attorney, was contacted to determine what arrangements had been made between State and FAA regarding security in the transportation of the Jonestown survivors to ports in the United States. It is noted Abbell had been previously contacted and was told the FBI was never consulted nor requested to provide armed escorts for any flights. Abbell said he is working this out with State.

[redacted] and [redacted], FAA, contacted Ingram advising they had been in touch with Vice President of Security [redacted] of Pan American and no request had been made of Pan American for FBI Agents. [redacted] and [redacted] both stated that if a request came from Pan American or State or Department of Justice they would provide FAA security guards through sky marshals.

[Handwritten initials] b6

Abbell recontacted Deputy Assistant Director Ingram afternoon of December 4 advising that FAA will provide sky marshals and Pan American agrees. Arrangements being made by FAA, State, and Pan American.

89-4286-1075

Abbell also advised that ^{DEC-113} Joe Holsinger, Administrative Aide to Ryan, had information regarding threats, possibly received by members of Ryan's staff including Jackie Speier, presently hospitalized in Baltimore. He requested Holsinger be contacted regarding possible Obstruction of Justice, Section 1510. [redacted] was instructed in handling this matter.

Dear Sirs

I am an Amateur Radio Operator. On Sept. 17 1978 I made contact with a station, who gave his location as Jonestown, Guyana. His call sign was WB6MID/8R3. The name given to me was Mike. The station is listed in The Callbook as belonging to Albert A. Touchette 3747 Rd-B-Redwood Valley, California. The /8R3 in the call sign designates that it is being operated at a temporary location in Guyana. According to FCC regulations, no one but the person, to whom the license was issued, could operate the station by himself. e.g. The person named in the license would need to be present and identified. The confirmation I received, for this contact, was mailed from Georgetown, Guyana, P.O. Box 893. AT that time I toyed with the idea of sending a donation to this organization to help the people of Guyana. Due to recent developments, I am glad I did not. If this is of any investigation of The Jonestown

GOSNEY NOTED THAT SOME MEMBERS OF THE SECURITY FORCE WERE ALSO "ANGELS" BUT THERE WERE "ANGELS" WHO WERE NOT NECESSARILY MEMBERS OF THE SECURITY FORCE. THOSE NAMES HAVE BEEN PREVIOUSLY FURNISHED (u)

ALSO GOSNEY STATED THAT WHILE HE WAS IN GUYANA THERE WERE APPROXIMATELY 85 PRACTICE "ALERTS". THE PRACTICE ALERTS CONSISTED OF ALL OF THE PEOPLE'S TEMPLE (PT) MEMBERS WITH THEIR MACHETES LINING UP ALONG THE ROAD THAT RUNS FROM THE TEMPLE TO THE AIR STRIP. THE MEMBERS WOULD HIDE IN THE BUSHES AND THEN PRETEND TO BE ATTACKING ANYONE THAT MIGHT BE COMING TO JONESTOWN TO DESTROY THE CAMP. (u)

REVIEW OF NOTES TAKEN DURING INTERVIEW OF [REDACTED] WHO WAS INTERVIEWED AT ROOSEVELT ROADS NAVAL HOSPITAL, REVEALS THAT IN EARLY OCTOBER [REDACTED] (A CLOSE CONFIDANTE OF JIM JONES), WHO AT THAT TIME WAS IN JONESTOWN, GUYANA, TELEPHONICALLY CONTACTED HIM ON SEVERAL OCCASIONS. DURING THESE CONVERSATIONS, WHICH [REDACTED] TAPED, [REDACTED] INSISTED THAT [REDACTED] VISIT HER IN THE JONESTOWN CAMP SINCE HE IS A SCHOOL TEACHER AND [REDACTED] THOUGHT THAT HE WOULD BE INTERESTED IN SEEING THE SCHOOL SYSTEM THERE. (u)

PAGE THREE (89-123) UNCLAS EFTO

[REDACTED] FURTHER NOTED THAT WHEN HE DECIDED TO GO WITH THE RYAN PARTY TO GUYANA, HE REQUESTED TOM ADAMS, THE PT RADIO OPERATOR IN SAN FRANCISCO, TO NOTIFY [REDACTED] IN GUYANA OF THE DATE AND TIME OF HIS ARRIVAL. (u)

SUBSEQUENTLY, [REDACTED] TELEPHONICALLY CONTACTED HIM THROUGH A COMMERCIAL TELEPHONE LINE AND ADVISED SHE HEARD THAT RYAN, WHOM SHE DESCRIBED AS A RIGHT-WING FASCIST, AND HIS PARTY WOULD BE COMING TO GUYANA. BECAUSE OF THIS, [REDACTED] INSISTED THAT [REDACTED]

[REDACTED] SHOULD NOT GO TO GUYANA WITH THE RYAN PARTY. SHE STATED THAT IT WOULD BE A BAD TIME FOR HIM TO GO AS SHE WAS SCARED AND "SHAKING IN HER BOOTS." [REDACTED] THOUGHT THIS TO BE HIGHLY UNUSUAL SINCE, FIRST, SHE HAD PREVIOUSLY USED THE SHORT-WAVE RADIO PATCH THROUGH THE PT IN SAN FRANCISCO TO CONTACT HIM, SECONDLY, SHE PREVIOUSLY WANTED HIM TO COME DOWN THERE VERY BADLY, AND THIRDLY, SHE THEN USED A COMMERCIAL TELEPHONE LINE TO CONTACT HIM AND INSISTED, AFTER LEARNING OF RYAN'S INTENTIONS, THAT [REDACTED] NOT COME AT THAT TIME AS SHE WAS SCARED. (u)

BUREAU AND SAN FRANCISCO SHOULD NOTE THAT [REDACTED], WHO CAN BE REACHED THROUGH HIS FATHER [REDACTED], UKIAH, (u)

DAILY SUMMARY (u)

Autopsies of Deceased at Dover, Delaware. (u)

It is recalled that the Department of Justice has requested that autopsies be performed on the remains of the Reverend Jim Jones, Dr. Larry Schacht, Maria Katsaris, and four other identified victims of Jonestown chosen at random by the FBI. The FBI has been tasked to obtain written permission from the next of kin of the above deceased.

To date written waivers authorizing autopsies have been obtained from Steven K. Katsaris, father of Maria Katsaris, and from Ezra Schacht, father of Dr. Larry Schacht. Negotiations with families of Reverend Jones and others selected continue but to date no consent for autopsies have been obtained. Investigation in this area continues. (u)

Interview of Galan W. (Joe) Holsinger

Mr. Holsinger was interviewed on the evening of 12/4 and during the day of 12/5/78. Holsinger advised that he believed a total of 18 people including Congressman Ryan traveled to Guyana on 11/14/78. Holsinger will provide a complete list of individuals to the FBI as soon as one can be compiled. Regarding Congressman Ryan's briefcase, Holsinger stated that he would make the briefcase available to interviewing Agents of the Washington Field Office, however, did not have it in his possession at the time of the interview. Holsinger received the briefcase from James Schollaert in San Francisco on 11/21/78. The clasps on the briefcase were open and after going through its contents, Holsinger noted that a tape recorder, carried by Congressman Ryan to Guyana was missing. (u)

Ingram to Moore Memorandum
RE: RYMUR

At approximately 8:00 p.m., PST, 11/18/78, [redacted] was home alone and received a call at her residence. A male voice asked for her husband. When told he was not there the unidentified male told her to tell him "his meal ticket just had his head blown off and we will kill him next." A second and third call followed immediately with the same message by the same person. A fourth and fifth call were terminated by [redacted] when the same male voice was determined to be on the line. These calls were reported to the Foster City, California, Police Department, by [redacted]. In connection with these calls, however, on 11/24/78, [redacted] San Francisco, telephoned [redacted] and said that he had obtained information that a Peoples Temple (PT) hit squad was in existence with two members being in the United States and one in Guyana. [redacted] advised that he had a tape recording of a news conference that the PT held in San Francisco, the spokesman being [redacted]. [redacted] listened to this tape and identified the voice of [redacted] as the caller to her residence. San Francisco has been instructed to contact [redacted] and conduct necessary investigation regarding this incident. San Francisco has also been instructed to contact reporter [redacted] (supra) regarding this incident. (u)

Interview of Persons Returning from Guyana (u)

On 12/5/78 three individuals returned from Guyana. Richard Clark advised that he observed weapons at the PT in Guyana in a duffle bag that apparently had just arrived from the United States approximately two to three months ago. Jones allegedly knew Congressman Ryan was to arrive at least two weeks before his actual arrival. Clark escaped Jonestown the morning of Ryan's assassination and was not present at the time of the assassination or suicides. Clark observed the arrival of two bags of cyanide brought to Jonestown from the ship "Cudule" but knows nothing further about its source. He noted that Jim Jones was a heavy drug user but could furnish no further information. Clark stated that he heard that one Annie McGile (phonetic) shot Reverend Jones and that Thomas Kice shot Ryan but was unable to pinpoint the source of his information. (u)

Robert Paul stated that he escaped Jonestown prior to what he described as "mass murder." Paul stated that his wife and three children perished at Jonestown. Paul stated (u)

Ingram to Moore Memorandum
RE: RYMUR

that conditions at Jonestown were brutal and prison-like and further described Reverend Jimmy Jones as a dictator. Paul stated he saw Congressman Ryan on Friday evening, 11/17/78 when Ryan addressed the Jonestown community. In Paul's opinion he feels Ryan sensed problems and did not really mean what he told the community that everything looked well. Paul heard that the tractor trailer from which Congressman Ryan was shot was driven by one Ed Crenshaw and that Thomas Kice was the man that shot Ryan (u)

[redacted] survived the Jonestown massacre and described Jones as being a person who did a lot of good in the San Francisco area but when he arrived in Guyana Jones ran Jonestown like a slave labor concentration camp. (u)

b6
b7c

No additional pertinent information was developed from these interviews. (u)

Seventeen individuals are scheduled to arrive via Pan American Airlines, Flight 228 from Guyana at 6:15 p.m., 12/6/78 at JFK International Airport, New York City. Provisions have been made to interview all individuals. Additionally, subpoenas have been issued calling for the appearance of [redacted] before the Federal Grand Jury [redacted]

[redacted]. Discussions were held regarding service of these subpoenas between representatives of FBIHQ and the Criminal Division of the Department on this date and it was determined with the concurrence of the United States Attorney, San Francisco, that the [redacted] on the subpoenas would be filled in by [redacted] under the following guidelines: [redacted]

[redacted] traveling [redacted] to [redacted] from [redacted] would be directed [redacted]

By telephone call to the Brooklyn Queens Metropolitan Resident Agency on the evening of 12/5/78, Attorney William Kunstler placed the Bureau on notice that he was acting on behalf of Attorney Charles Garry in representing all persons returning aboard the Pan American flight this date. Kunstler advised that the FBI was to conduct no interviews of these individuals. With the concurrence of the Criminal Division of the Department and of the United States Attorney for the Eastern District of New York, interviews

Ingram to Moore Memorandum
RE: RYMUR

will proceed as scheduled. On 12/6/78 a conference was held with Assistant Attorney General Philip Heyman, Robert Keuch, Deputy Assistant Attorney General, and Al Hantman, Section Chief, all of the Criminal Division of the Department. All present at the conference agreed with the above procedure to be followed regarding interviews in the Eastern District of New York inasmuch as all were to be interviewed merely as witnesses. A representative of the Office of the United States Attorney for the Eastern District of New York will be present at JFK International Airport to handle all inquiries relative to the presence of lawyers for individuals returning from Guyana.

Identification of the Dead at Dover, Delaware. (u)

To date 563 persons have been positively identified; 547 by fingerprint comparisons; and 16 by dental charts. (u)

Investigation Concerning Mark Lane. (u)

During interview of Vernon Gosney at San Juan (Gosney was a defecting PT member wounded in Guyana with Ryan) Gosney stated that Mark Lane during his trip to Jonestown told members of the camp that there was a plot to destroy Jonestown. Lane said that there was a planned conspiracy against Jonestown and that the group coming there were members of the CIA. (u)

Investigation into the Assets of the PT Church. (u)

By letter received 12/5/78 the Civil Division of the Department requested that the FBI investigate the assets of the PT Church in expectation of a possible request that the Department bring a civil action to recover certain funds expended to return bodies to the United States in connection with the recent incident in Guyana.

The Civil Division is being informed by return memorandum with the concurrence of the Criminal Division of the Department that we do not believe that the FBI at this time has proper authority to conduct an investigation into the assets of the PT. The FBI will, however, conduct a limited inquiry to locate assets of the PT and conduct sufficient investigation for the Department to determine if the PT Church in California

Ingram to Moore Memorandum
RE: RYMUR

and/or Guyana may be liable for the debts of individual members of the organization. In the event that a civil action is brought in United States District Court and a judgment is obtained rendering the PT Church liable to the United States, the FBI will, at the request of the Civil Division, conduct an in depth investigation to ascertain the financial ability of the PT Church to meet its obligation.

Legat Robert Oglesby telephonically advised that records of the PT Church reviewed in Guyana reveal the following bank accounts. These are the accounts found to date and do not necessarily represent all accounts of the PT: (1) Bank of Nova Scotia, Nassau, Bahamas no account number, name Jim W. Jones, balance \$206,396.07 (US); (2) Guyana National Cooperative Bank, Georgetown, Guyana, External Savings Account - PT number COR29489/10, balance \$13,256.65 (Guyana); (3) Guyana National Cooperative Bank, Georgetown, Guyana, Fixed Time Deposit Savings Account number CO-90-319, balance \$13,222.61 (Guyana); (4) Guyana National Cooperative Bank, Georgetown, Guyana, Savings Account number 28549, balance \$12,935.93 (Guyana); (5) Barclay's Bank, Georgetown, Guyana, External Savings Account number 9857/2, balance \$1,806,051.03 (Guyana); (6) Barclay's Bank, Georgetown, Guyana Checking Attout (no account number) - PT, balance \$30,890 (Guyana); (7) Banco Union, Caracas, Venezuela, account number 01-58115-5 in name Maria Katsaris, balance \$85,745 (Guyana)(This account is believed to be a Checking account); and (8) Bank of America, Fillmore Post Office Branch, San Francisco, California, account number 2-1465 in the name James Warren Jones, balance \$7,334.96 (US). (By letter dated 5/26/78, Bank of America made inquiry of Jones as to reason that the account was dormant.) (u)

The rate of exchange on 12/6/78 is \$1 United States equals \$2.54 Guyana. (u)

TOLD HER THAT HE BELIEVED HE WAS ON A PT "HIT LIST" BECAUSE
OF HIS CONTINUED OPPOSITION TO JIM JONES. SHE ALSO INDICATED
THAT RUSSELL WINBERG (PHONETIC), AN INDIANAPOLIS EVANGELIST,
WOULD BE KNOWLEDGEABLE REGARDING THE PT FINANCES DURING THE
TIME THEY WERE IN INDIANAPOLIS. (u)

[REDACTED] STATED SHE HAD APPEARED ON A RADIO TALK SHOW,
9 P. M. TO 12 MIDNIGHT, NOVEMBER 30, 1978, "TALK OF TAMPA BAY,"
ON STATION WDAE, TAMPA, FLA., AND HAD ARRANGED FOR CASE TO BE
TELEPHONICALLY INTERVIEWED, WHICH HE WAS. (u)

CASE COVERED JONES' ACTIVITIES FULLY, BUT DID NOT
MENTION THE "HIT LIST." (u)

CONTACT HAS BEEN MADE WITH WDAE TO OBTAIN A COPY OF THE
TAPE OF THE AFOREMENTIONED TALK SHOW, BUT THE STATION LEGAL
STAFF STILL DEBATING ADVISABILITY OF DELIVERY WITHOUT
SUBPOENA. THEIR DECISION IS EXPECTED DECEMBER 7, 1978, AND
SAN FRANCISCO WILL BE ADVISED IF SUBPOENA REQUIRED; OTHERWISE,
A COPY OF TAPE WILL BE FORWARDED. ROSS CASE NOTED DURING THAT
RADIO SHOW THAT HE HAD BEEN INTERVIEWED BY THE FBI, AND IT IS (u)

SUGGESTED THAT RADIO TAPE BE REVIEWED TO ASCERTAIN IF FACTS GIVEN IN RADIO INTERVIEW AND BUREAU INTERVIEW ARE ESSENTIALLY THE SAME. (u)

ON DECEMBER 5, 1978, ELVIN E. FARIS, 5903 NORTH OLA, TAMPA, TELEPHONE 813 - 238-8366, A WHITE MALE, BORN MARCH 25, 1905, ADVISED HE IS THE BROTHER OF HELEN SWINNEY. HE HAD A VERY CLOSE RELATIONSHIP WITH HER AND HER HUSBAND, CLEAVE, UNTIL 1965 WHEN THEY (HELEN AND CLEAVE SWINNEY) DISPOSED OF ALL POSSESSIONS AND WENT TO UKIAH, CALIF., WITH JIM JONES AND OTHER OF HIS FOLLOWERS. THAT MOVE BROKE ALL FAMILY TIES BETWEEN HELEN SWINNEY AND HER BROTHERS AND SISTERS. DURING THE ENSUING PERIOD, UNTIL 1975, FARIS RECEIVED ONLY TWO TELEPHONE CALLS, ONE LETTER AND ONE CHRISTMAS CARD FROM HIS SISTER, HELEN SWINNEY. IN LATE SPRING, 1975, HE WROTE HELEN THAT HE AND HIS WIFE WOULD BE IN UKIAH THAT SUMMER. HELEN RESPONDED THAT THEY WOULD BE LEAVING FOR GUYANA IN AUGUST, 1975. HELEN AND CLEAVE SWINNEY WERE VISITED IN JULY, 1975, BY FARIS, HIS WIFE, VADA, WHITE FEMALE, BORN NOVEMBER 10, 1912, AND ANOTHER SISTER, MATTIE NORRIS, 5190 SEALE ROAD, BEAUMONT, TEXAS, TELEPHONE 713 - 842-1988. HELEN AND CLEAVE SWINNEY WERE (u)

FOUND TO BE RESIDING IN THE LIVING QUARTERS OF A PT NURSING HOME WHICH THEY OPERATED FOR THE TEMPLE. THE HOME HAD 14 MALE PATIENTS, WAS CLEAN, AND SEEMINGLY WELL-MAINTAINED. AT THAT TIME, HELEN APPEARED HAPPY, BUT DEFINITELY WAS A "CHANGED PERSON" IN THAT SHE HAD DEVELOPED A "VULGAR MOUTH" AND NO LONGER BELIEVED IN GOD OR THE BIBLE. SHE BELIEVED ONLY IN JIM JONES AND HAD A PICTURE OF HIM IN EVERY ROOM OF THE HOUSE. FARIS NOTED CLEAVE SWINNEY HAD "LOOKED BAD" AT THAT TIME AND HAD INDICATED THAT HE WAS RECOVERING FROM AN OPERATION, TYPE OF WHICH WAS NEVER DISCUSSED. (u)

WHILE IN UKIAH, CALIF., HELEN SWINNEY TOOK THEM ON A TOUR OF THE PT SETTLEMENT AND SURROUNDING AREA, MOST OF WHICH SHE INDICATED WAS OWNED BY THE PT. THE "TEMPLE" ITSELF WAS A VERY PLAIN WOOD FRAME BUILDING WHICH SAT BACK FROM THE ROAD. AROUND IT WAS A CHAIN LINK FENCE WHICH HAD A GATE AT THE FRONT WITH A "GUARD SHACK" BY IT. THERE WERE SEVERAL GUARDS IN THE VICINITY, AND WHEN THEIR CAR STOPPED, THE GUARDS STARTED TOWARDS IT UNTIL HELEN IDENTIFIED HERSELF AND TOLD THE GUARDS IT WAS "O. K." SHE GAVE THE DEFINITE IMPRESSION THAT SHE WAS HIGH IN THE ORGANIZATIONAL STRUCTURE OF THE PT. (u)

4

FARIS ADVISED THAT THE GUARDS, PREVIOUSLY MENTIONED, WORE A DEFINITE UNIFORM-TYPE GARB, BUT HE CAN NO LONGER RECALL THE DESCRIPTION. HE IS ALSO UNDER THE IMPRESSION THAT HELEN'S SON, HIS NEPHEW, TIM SWINNEY, WAS ONE OF THE PT SECURITY FORCE, ALTHOUGH HE DOES NOT EVER RECALL SEEING HIM IN UNIFORM. HE ALSO HAD THE IMPRESSION THAT AL TOUCHETTE, HELEN'S GRANDSON, WAS ONE OF THE GUNMEN WHO WAS ON THE WAGON WHICH WENT TO THE AIRPORT AND KILLED THE PEOPLE IN CONGRESSMAN RYAN'S GROUP. HE ADVISED HE DOES NOT NOW KNOW HOW OR WHERE THIS IMPRESSION CAME FROM (u)

FARIS NOTED HELEN AND CLEAVE SWINNEY HAD BEEN OF AN "AVERAGE" RELIGIOUS PERSUASION BEFORE JONES, BUT HAD ABANDONED THEIR EARLIER BELIEFS AFTER GOING WITH THE JONES ORGANIZATION. (u)

HE FURTHER NOTED CHARLES TOUCHETTE HAD ORIGINALLY BEEN STRONGLY OPPOSED TO JONES AS WELL AS THE SWINNEYS' INVOLVEMENT WITH HIM. (TOUCHETTE IS THE HUSBAND OF JOYCE, NEE SWINNEY.) JOYCE TOUCHETTE VISITED HER PARENTS ABOUT 1966 OR 1967 IN SPITE OF HER HUSBAND'S OPPOSITION. SHE THEN STAYED IN UKIAH, CALIF., AND TOLD TOUCHETTE THAT HE COULD EITHER JOIN HER OR (u)

PAGE SIX TP 89-79 UNCLAS

SHE WOULD GET A DIVORCE. TOUCHETTE JOINED HER AT THE PT SETTLEMENT IN UKIAH. (U)

FARIS MADE AVAILABLE PHOTOGRAPHS TAKEN IN JULY, 1975, OF HELEN AND CLEAVE SWINNEY AS WELL AS THEIR SON, MARVIN, AND HIS WIFE, JACKIE, WHO HAD ALSO GONE TO CALIFORNIA, BUT WHO HAD SINCE LEFT THE PT AND NOW RESIDE SOMEWHERE IN NORTH OR SOUTH CAROLINA. (U)

Memo to Mr. Moore
RE: RYMUR

He stated that the FBI is under no obligation to advise the returning persons of their right to counsel inasmuch as these individuals are not the targets of the investigation based on the information known to date, and there are no outstanding arrest warrants for these persons. Further, he advised that we have no basis to know whether, in fact, Kunstler or any other counsel represents specific individuals who are returning to John F. Kennedy Airport. If during the course of the interview a person requests counsel, then that request would be honored at that particular time. (u)

Mr. Brewster further advised that future contacts by William Kunstler, Charles Garry, or any of their representatives be referred to the U. S. Attorney's Office, specifically to AUSA Richard Brewster, telephone 212-330-7071, Brooklyn, New York. (u)

On this 22nd day of June
in the year of 1968 while
in sound mind in every sense
of the word, I do speak by
intuition that my wife Marceline
Mae Jones is to be my successor
as pastor, President of the Peoples
Temple non-profit inc, and spiritual
leader of Peoples Temple in all
matters. It is made clear to
me that she as is in the case
of Mrs Martin Luther King with
her late husband will ably
succeed me in all matters.

Even the Messenger of God will
give her guidance on occasion
as was so frequently the case
with me. When this messenger makes
contact with her she will accept
that Divine Guidance. Marceline Jones
is to be consulted about all church decisions
for in her there is absolute integrity. You as
the congregation conveyed to both of us the absolute
right to relegate all funds and this I Divinely bequeath to her
ALWAYS LOVE Jim W. Jones

Last will and testament written on the Morning of the 17th of Sept. 1975. P.S. I
Called last
night but you
were asleep.
I'll be in contact
by person or phone
with you soon!
My prayers & love,
Go all out for you!

Bro Jackson,

My beloved brother in Christ,
Concern for you kept me up
praying the entire night!
I going to speak sincerely and
frankly! God sent you to
People's Temple and you must
not release yourself. I know
there are things about the Message
that you may not see but it
is God. As long as we love
Christ we have unity and under-
standing to compensate for all
the little things you & I might
disagree on. Carl you will

"over"

be making a serious mistake
if you leave our Temple that
God has ordained and declared
you to be part of. Don't go out
to see the proof of what I just
said. Hear me as a voice
crying to you from the depths of
love & fondness for you "Stand
Still and See the Salvation of the
Lord." Don't go back on the "light";
I know you wouldn't intentionally
but if you leave the place that
Christ has set you in much sorrow
and heartache will be the result.
God impressed my mind strongly
in every prayer in the early hours
before dawn that you would be
making a terrible mistake to leave.
Please hear my counsel which I
give with a heart full of love for you!

Yours in Him
Pastor James Jones

On 12/5/78 Colonel B. L. Ramsey, U. S. Army representative to State Department, who has been working with the Guyana Working Group at State advised FBIHQ that he had received information from the National Personnel Records Center (NPRC), St. Louis, Missouri, that a person identifying himself as Captain [redacted] U. S. Marine Corps (USMC), had telephoned NPRC that day asking the location of an individual who reportedly could identify some of the victims of the Jonestown "incident" in Guyana. [redacted] left a phone number and address, but when NPRC telephoned him he was not known to anyone at that number, which turned out to be a Pentagon phone number.

89-4286-1102

On 12/6/78 [redacted] NPRC, advised FBIHQ that on 12/5/78 someone calling himself Captain [redacted] USMC, who said he was working on the "Guyana incident" at the State Department, telephoned NPRC to ask for the last known location of [redacted] who reportedly had worked for Department of Defense (DOD) at Cameron Station in 1977, and could identify victims from Jonestown, [redacted] gave his Washington, D. C., phone number as 693-0692 and asked to be called back as soon as possible. Further, he gave his address as "1220 12th Street, 1001, Washington, D. C. 20005." [redacted] related that NPRC determined that one [redacted] was born [redacted], possessed Social Security number [redacted] and his personnel file had been sent by NPRC in 1973 to the National Foundation on the Arts and Humanities, 806 15th Street N. W., Washington, D. C.

Re: Rymur

When NPREC attempted to reach [redacted] at 693-0692, which is a Pentagon number, it was ascertained that no one there knew [redacted]. NPREC also checked with the information officer, USMC, Pentagon, and there was no listing for [redacted] in USMC records.

WFO should attempt to locate [redacted] at the above address for additional information in this matter, and also attempt to locate [redacted] through contact at the National Foundation on the Arts and Humanities, in an effort to determine whether he in fact is able to identify victims.

RE BUTEL TO ALL OFFICES, DECEMBER 5, 1978. (u)

ON DECEMBER 1, 1978, [redacted], [redacted]

[redacted], TELEPHONE [redacted] ADVISED THE FBI THAT HE HAD ONE (u)

RADIO CONTACT ON FEBRUARY 16, 1978 WITH CALL SIGN WB6MID/8R3,
WHOM HE LATER LEARNED WAS ALBERT TOUCHETTE. THIS WAS A DX

CONTACT THAT IS LONG DISTANCE CONTACT. AS A RESULT OF IT BEING

A DX [redacted] SENT A CARD TO TOUCHETTE TO VALIDATE THE CONTACT

AND HE RECEIVED TWO CARDS BACK. ONE WAS SENT BY MISTAKE
IDENTIFYING TOUCHETTE. THE CONTACT WAS FOR ONE AND ONE MINUTES

AND THE TWO PARTIES SIMPLY EXCHANGED SIGNAL REPORTS. PRIOR TO

[redacted]'S CONTACT, HE HEARD HIM MAKING NUMEROUS CONTACTS AND

MENTIONING HE WAS A MISSIONARY IN GUYANA HELPING THE NATIVES THERE. (u)

THE CARD CONFIRMING THE CONTACT URGED [] TO CONTACT HIS CONGRESSMAN TO ASK THEM TO ASSIST GUYANA AS THEY ARE PRO UNITED STATES. HE STATED THIS WAS THE ONLY CONTACT HE HAD MADE AND THE ONLY ONES THAT HE OVERHEARD WERE ESSENTIALLY THE SAME AS HIS CONTACT. (u)

HE ADVISED [] OF APACHE JUNCTION, ARIZONA, HOME TELEPHONE [], OFFICE TELEPHONE [] HAD ALSO MADE CONTACT WITH THE SAME SIGNAL BUT AS FAR AS [] KNOWS HAD HEARD NOTHING UNUSUAL. (u)

ON DECEMBER 4, 1978, [] WAS CONTACTED AT HIS PLACE OF EMPLOYMENT, [] IN MESA, ARIZONA AND HE ADVISED FOUR OR FIVE MONTHS AGO HE HAD MADE ONE FIVE MINUTE CONTACT WITH RADIO SIGNAL WB6MID/8R3, WHOM HE LEARNED WAS ALBERT TOUCHETTE. THE CONTACT WAS FIVE MINUTES BUT NOT MUCH WAS SAID. TOUCHETTE EXTOLLED THE VIRTURES OF GUYANA AND THIS WAS PRETTY MUCH WHAT HE OVERHEARD WHILE HE WAS WAITING TO MAKE CONTACT WITH HIM AND TOUCHETTE WAS TALKING TO OTHER HAM OPERATORS. HE OVERHEARD NO BUSINESS TRANSACTIONS, PLOTS OR (u)

ANYTHING ELSE ALONG THESE LINES. HE HEARD NOTHING THAT WOULD QUALIFY AS A FEDERAL COMMUNICATION COMMISSION VIOLATION. HE LATER GOT A CARD CONFIRMING HIS CONTACT. [] RECALLED HE ALSO HEARD A FEMALE, AS WELL AS TOUCHETTE TALKING UNDER THAT SIGNAL, BUT HE COULD NOT RECALL THE NAME OF THE FEMALE. HE ADVISED THIS WAS A DX CONTACT THAT IS LONG DISTANCE AND THAT IS WHY HE GOT A CONFIRMING CARD. (u)

TOUCHETTE DID INQUIRE AS TO WHETHER [] COULD POSSIBLY MAKE A CONTACT WITH ARIZONA STATE UNIVERSITY REGARDING THE GROWING OF TUBERS, A VEGETABLE THAT THE PEOPLE'S TEMPLE (PT) APPARENTLY PLANNED ON GROWING IN GUYANA. THIS CONTACT AS FAR AS [] KNOWS WAS NEVER MADE. (u)

[] ADVISED HE HAD ON OCCASION OVERHEARD PT CONTACTS BETWEEN THEIR STATION IN SAN FRANCISCO AND GUYANA BUT THE CONVERSATIONS WERE NOT UNUSUAL AND AS FAR AS HE RECALLED NOTHING ILLEGAL WAS EVER SAID. (u)

PHOENIX DIVISION WILL NOT CONTACT ARIZONA STATE UNIVERSITY REGARDING A CONTACT BY THE PT RE THE GROWING OF TUBERS UNLESS SO ADVISED BY SAN FRANCISCO. (u)

22 DEC 11 1978

1. EMBASSY WAS VERY PLEASED THAT DEPARTMENT WAS ABLE TO DETAIL
 A MEMBER OF THE STAFF OF THE LEGAL ADVISER TO GEORGETOWN ON
 TEMPORARY ASSIGNMENT. HE HAS ALREADY BEEN OF INESTIMABLE HELP
 IN ADDRESSING THE MANY LEGAL PROBLEMS CREATED BY THE ASSASSINA-
 TION OF CONGRESSMAN RYAN AND THE RELATED INCIDENT OF MASS
 MURDERS/SUICIDES AT JONESTOWN, MANY OF WHICH ARE UNIQUE IN
 AMERICAN CONSULAR EXPERIENCE.

58 JAN 2 1979

2. AS DEPARTMENT IS AWARE WE HAVE JUST NOW BEEN ABLE TO IDENTIFY AND ENGAGE LOCAL LEGAL COUNSEL TO ASSIST IN THE DISCHARGE OF OUR CONSULAR RESPONSIBILITIES VIS-A-VIS PEOPLES TEMPLE AND INDIVIDUALS' ESTATES. THE FBI TECHNICAL TEAM IS STILL PROCEEDING IN ITS EXAMINATION OF EVIDENCE, INCLUDING THAT WHICH HAS BEEN GATHERED BY THE GOG POLICE, AS WELL AS THE MATERIAL REMOVED FROM GEORGETOWN BY OUR CONSULS. SO FAR THIS COOPERATION BETWEEN THE TWO GOVERNMENTS IS PROCEEDING WELL. HOWEVER, WE HAVE YET TO REACH EVEN A PRELIMINARY UNDERSTANDING WITH THE GOG REGARDING THE DISPOSITION OF PEOPLES TEMPLE PROPERTY IN GUYANA.

(FYI: AMBASSADOR IS TAKING MR. FORTUNE TO PAY

UNCLASSIFIED

UNCLASSIFIED

COURTESY CALL ON MINISTER JUSTICE MORNING DEC. 7.)

3. OBVIOUSLY, IT IS IMPORTANT THAT THE DEPARTMENT'S LAWYER WHO HAS BEEN DETAILED HERE IS ABLE TO BRIEF AND DIRECT THE WORK, AT LEAST IN ITS PRELIMINARY STAGES, OF THE LOCAL LAWYER WHO HAS BEEN RETAINED. IT IS ALSO VERY USEFUL TO HAVE HIS ADVICE ON THE EMBASSY'S LEGAL RELATIONSHIP WITH THE FEDERAL BUREAU OF INVESTIGATION AND OTHER U.S. LAW ENFORCEMENT AGENCIES AS IT PERTAINS TO EXAMINATION OF EVIDENCE WHICH MAY AT THE SAME TIME BE PART OF THE COLLECTIVE ESTATE OR INDIVIDUAL ESTATES CREATED BY THE JONESTOWN DISASTER.

4. I BELIEVE IT IS IMPORTANT THEREFORE THAT MR. BE AVAILABLE TO US FOR AT LEAST ANOTHER TEN DAYS, SUCH TIME TO INCLUDE A BRIEF TRIP TO THE DEPARTMENT FOR THE PURPOSE OF CONSULTING WITH THE REST OF THE LEGAL STAFF AS WELL AS ARA AND SCA.

b6 Per FBI
b7C

5. IT SEEMS ESSENTIAL THAT AS MUCH CARE AS POSSIBLE BE TAKEN AT THIS EARLY CRITICAL STAGE IN ORDER TO PROTECT THE DEPARTMENT AND THE EMBASSY FROM POSSIBLE CRITICISM IN THE FUTURE OF THE WAY IN WHICH OUR CONSULAR AND RELATED OBLIGATIONS HAVE BEEN DISCHARGED.

A.O. 12065: RDS-4 (12/7/84) (BURKE, JOHN R.) OR-M
SUBJ: "CHRONICLE" REFUTES AP ARTICLE ON PEOPLE'S TEMPLE
RELATIONSHIP WITH GOVERNMENT OF GUYANA (GOG)

REC-126

89-4286-11255

1. (UNCLAS THE DEC 6, 1978 EDITION OF THE GOVERNMENT-OWNED
"GUYANA CHRONICLE" CARRIES A FRONT-PAGE ARTICLE HEADED
"A.P. STORY LINKING GOVT, PEOPLE'S TEMPLE FALSE."
ARTICLE SUMMARIZES AND REFUTES ALLEGATIONS MADE IN AN AP
ARTICLE WRITTEN BY PETER ARNETT, ALLEGEDLY BASED ON A
DOCUMENT FROM "JIM JONES' PAPERS." (COMMENT: THE EMBASSY
HAS TO DATE NOT SEEN TEXT OF AP ARTICLE IN QUESTION. THE
ARTICLE WILL OBVIOUSLY NOT APPEAR IN THE GOVERNMENT-OWNED
PRESS HERE. END COMMENT.)

22 DEC 11 1978

SF

6637-20 1978

2. (UNCLAS) ACCORDING TO THE "CHRONICLE," THE ARNETT ARTICLE ALLEGES THAT MINISTER OF HOME AFFAIRS VIBERT MINGO (1) STOPPED AN INVESTIGATION OF JONESTOWN BY THE COMMISSIONER OF POLICE, (2) PROMISED TO INTERVENE IN THE CHILD CUSTODY CASE OF JOHN VICTOR STOEN AND PROTECT JIM JONES FROM ARREST; AND (3) INVITED PEOPLE'S TEMPLE (PT) MEMBERS TO VOTE ILLEGALLY ON BEHALF OF THE RULING PEOPLE'S NATIONAL CONGRESS (PNC) PARTY DURING THE CONSTITUTIONAL REFERENDUM HELD LAST JULY. THE "CHRONICLE" ALSO STATES THAT THE ARNETT ARTICLE ALLEGES THAT JIM JONES CONSIDERED FORMER GOG MINISTER OF FOREIGN AFFAIRS

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

7

4. (UNCLAS) THE "CHRONICLE" GOES ON TO CONTEND THAT THE GOG ONLY SOUGHT TO REMOVE THESE DOCUMENTS FROM JONESTOWN RELATING TO A CRIMINAL INVESTIGATION. JOURNALISTS WHO VISITED JONESTOWN EXAMINED DOCUMENTS AT THE PROJECT. IF THE GOG HAD ANYTHING TO HIDE, ALL OF THE DOCUMENTS WOULD HAVE BEEN REMOVED BEFORE THE JOURNALISTS ARRIVED. (COMMENT: THE "CHRONICLE" DOES NOT SPECIFICALLY COMMENT ON THE ALLEGATION THAT JONES TRIED TO CONTACT BURNHAM CONCERNING FRED WILLS. END COMMENT.)

5. (UNCLAS) ACCORDING TO THE "CHRONICLE," THE GOG HAS SCHEDULED NUMEROUS INTERVIEWS WITH SENIOR LEVEL GOG OFFICIALS

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~ 4

FED WILLS AS AN "ADVISER" ON POLITICAL, LOCAL AND SOCIAL MATTERS, AND THAT JONES APPROACHED PRIMIN BURNHAM, THROUGH THE "CUBANS," TO REQUEST THAT WILLS BE REINSTATED IN OFFICE.

3. (UNCLAS) THE "CHRONICLE" STATES THAT "NONE OF THESE ALLEGATIONS HAS ANY TRUTH WHATSOEVER." THE PT WAS ALLOWED TO SETTLE IN GUYANA ONLY AFTER THE CREDENTIALS OF THE ORGANIZATION AND JIM JONES WERE ESTABLISHED BY THE SUBMISSION OF "HUNDREDS OF TESTIMONIALS." THE JONESTOWN AREA WAS VISITED "FREQUENTLY BY OFFICERS OF THE GOVERNMENT AND BY SENIOR OFFICIALS." BUT, RELATIONS BETWEEN THE GOG AND PT WERE CONDUCTED ON A NORMAL, BUSINESSLIKE BASIS. PT MEMBERS WERE GRANTED INTERVIEWS WITH GOG MINISTERS, INCLUDING MINGO, CONCERNING MATTERS WITHIN THE RESPONSIBILITY OF THE PARTICULAR MINISTER. MINGO COULD NOT HAVE ATTEMPTED TO INTERVENE IN A COURT CASE BECAUSE SUCH AN ACTION WOULD BE AGAINST THE POLICY OF THE GOVERNMENT, AND WOULD SUBJECT THE MINISTER TO LEGAL ACTION FOR ACTING OUTSIDE HIS SPHERE OF COMPETENCE. MINGO COULD NOT HAVE ASKED PT MEMBERS TO VOTE FOR THE PNC, BECAUSE AMERICAN CITIZENS CANNOT VOTE IN GUYANA

FOR THIS WEEK. IF ARNETT HAD NOT ALREADY LEFT GUYANA, HE WOULD HAVE BEEN ABLE TO INTERVIEW GOG OFFICIALS AND THEREFORE HAVE "THE OPPORTUNITY FOR COMMENT FROM THE HIGHEST POSSIBLE SOURCE WITHIN THE GOVERNMENT OF GUYANA."

6. ~~(CONFIDENTIAL)~~ FOR AT LEAST THE PAST THREE YEARS, THE GOVERNMENT-OWNED PRESS HAS REFRAINED FROM DIRECTLY REFUTING ALLEGATIONS CONTAINED IN A PRINT MEDIA ARTICLE PUBLISHED ABROAD. THE UNPRECEDENTED APPEARANCE OF THE "CHRONICLE" ARTICLE UNDOUBTEDLY DEMONSTRATES THE EXTREME SENSITIVITY OF THE GOG ON THE SUBJECT OF THE JONESTOWN TRAGEDY, AND THE ANGER OF THE GOG WITH THOSE FOREIGN JOURNALISTS, WHO THE GOVERNMENT FEELS HAVE TAKEN UNFAIR ADVANTAGE OF GOG HOSPITALITY. THE EFFECT THE PUBLICATION OF THESE ALLEGATIONS WILL HAVE ON US-GOG RELATIONS IS YET TO BE DETERMINED BUT IT IS UNLIKELY TO BE POSITIVE. A RELIABLE LOCAL MEDIA SOURCE HAS INFORMED ENBOFF THAT THROUGH HIS OWN INVESTIGATION HE HAS DETERMINED THAT ARNETT BOUGHT THE DOCUMENT ON WHICH HE BASED HIS ARTICLE FROM A US SERGEANT FOR \$300.

Dear Dr. [Redacted]:

You can imagine with what pride we received the news of your helping our son, Dr. Larry Schacht of Guyana, S.A., deliver twins by Caesarean section, with your detailed help on the ham radio. Thanks to the combination of the opportune call from your friend, Mr. [Redacted] and your knowledge, all went well for our son, who is dedicated to live as a missionary doctor where medical care is so desperately needed. He writes us how very happy he is with his work.

We would like to thank you both by inviting you to visit us in New York. We live here now, enjoying the cultural scene, having moved up from Houston, Texas. We would like to entertain you by getting tickets to some Broadway theater and showing you around the city. You would be a welcome guest in our apartment, which is centrally located and it would be a great privilege to meet you.

I just noticed that The Washington Star article is dated February 16, 1978, but news travels slowly from our son, whose only excuse is that he is very busy and writes seldom.

Again, our deepest appreciation for your humanism.

Sincerely yours,

Mrs. Mona Schacht

DEAR MR.

I WAS PRESENT IN THE SAN FRANCISCO BASED PEOPLES TEMPLE CHURCH WHEN WE RECIEVED RADIO TRANSMISSION FROM DR. LARRY SCHACHT ABOUT THE CESAREAN OPERATION HE HAD JUST PERFORMED, AND THE MOTHER & TWINS WHO ARE ALIVE TODAY BECAUSE YOU ANSWERED A CRY FOR HELP. LARRY WAS EXHAUSTED FROM THE TENSION OF THE SITUATION BUT SO EXHILARATED... HE SPOKE RAPIDLY... HIS GRATITUDE TO YOU AND DR. WAS SO GREAT, WE FELT IT BEING TRANSMITTED TO US MORE THAN WE COULD HEAR IT OVER THE RADIO. AND I AM WRITING TO YOU IN THE DEEPEST APPRECIATION FOR YOUR COMMITMENT TO HUMANITY & HELPING TO MAKE THIS POSSIBLE, I AM A REGISTERED NURSE WORKING IN A LARGE HOSPITAL IN THE BAY AREA, I UNDERSTAND WHAT IT TOOK FOR DR. TO TRANSMIT SUCH INTRICATE DETAILS OVER THE RADIO. I SHUDDER TO THINK WHAT MIGHT HAVE HAPPENED TO THE MOTHER & HER UNBORN BABIES IF YOU HAD NOT BEEN ALERTED TO THE SITUATION & DID EVERYTHING YOU COULD TO HELP OUT.

ENCLOSED IS AN ARTICLE DESCRIBING JUST ONE FACET OF THE WORK PEOPLES TEMPLE DOES. THE MEDICAL PROGRAMS TOOK PLACE IN SAN FRANCISCO, LOS ANGELES, & SEVERAL OTHER CITIES IN CALIFORNIA AND INCLUDED VISITATION, TRANSPORTATION & FREE MEALS TO THE SICK & ELDERLY, SICKLE CELL ANEMIA SCREENING CLINICS, HEALTH COUNSELING & EDUCATION. THE SERVICES WERE PROVIDED FREE TO THE LARGE MEMBERSHIP OF PEOPLES TEMPLE & ALSO TO THE NEIGHBORING COMMUNITY & WERE FINANCED SOLELY BY BAKE SALES, RUMMAGE SALES & PRIVATE DONATIONS. I HAD NEVER IN MY LIFE KNOWN OF A FAR REACHING PROGRAM LIKE THIS OR OF A MAN LIKE THE PASTOR OF PEOPLES TEMPLE, REV. JIM JONES, WHOSE ENERGY & EXAMPLE SET

THE PACE FOR SOME OF THE MOST CONSISTENT & ACTIVE COMMUNITY & HUMAN SERVICE PROGRAMS EVER TO BE REALIZED.

WHILE WORKING WITH PASTOR JONES & PEOPLES TEMPLE MEMBERS, I WITNESSED & BECAME INVOLVED WITH MANY AMAZING INCIDENTS WHEN A PERSON WITH CHRONIC AND EVEN TERMINAL ILLNESS FOUND LOVE AND CONCERN IN THE CHURCH AND THIS SEEMED TO PROVIDE THE IMPETUS OF HOPE WHICH BROUGHT ABOUT HEALTH RESTORATION. THIS CHURCH HAS BEEN ALERT TO THE NEEDS OF PEOPLE FOR OVER 20 YEARS, COUNTLESS NUMBERS OF PEOPLE HAVE FOUND IT AN OASIS OF CARING IN A SOMETIMES INDIFFERENT WORLD.

THE WORK ACCOMPLISHED IN THE UNITED STATES HAS GIVEN US THE BASIS TO EMBARK ON THE VAST ENDEAVOR OF DEVELOPING AN AGRICULTURAL MISSION IN THE UNDERDEVELOPED JUNGLE OF THE NORTH WEST DISTRICT OF GUYANA, SOUTH AMERICA. THIS PROJECT HAS BEEN IN OPERATION FOR SEVERAL YEARS NOW AND HAS BECOME AN IDEAL COMMUNITY WHICH PROVIDES FOR ALL THE NEEDS OF THE 1,500 MEMBERSHIP OF PEOPLES TEMPLE NOW LIVING IN THE MISSION VILLAGE, ALSO EMPLOYMENT, FOOD, & HOMES AND MEDICAL CARE FOR THE OUTLYING AREA. AGRICULTURAL RESEARCH IS BEING DONE TO DETERMINE THE MOST PRODUCTIVE METHODS OF CROP PLANTING. IN THE MEDICAL FIELD, LARRY SCHACHT MD. IS OUR MEDICAL DIRECTOR HE IS ASSISTED BY A FAMILY AND PEDIATRIC NURSE PRACTITIONERS, RN'S, LVN'S, & AIDS SPECIALLY TRAINED IN VARIOUS AREAS OF NURSING, A RESPIRATORY THERAPIST, PHARMACIST, TECHNICIANS IN XRAY, LAB, DENTISTRY, ALSO AN EDUCATIONAL PROGRAM IS BEING STARTED TO TRAIN THE GUYANESE PEOPLE IN HEALTH CARE AND ALREADY A VAST OUT REACH PROGRAM IS UNDER WAY.

I HOPE YOU WILL FEEL FREE TO KEEP IN TOUCH WITH US. AND ONCE AGAIN MR. , THANK YOU.

Dear

[Redacted]

I just received a letter from my sister who is a nurse in the mission village clinic in Guyana. In all her nursing career she never experienced anything like assisting with the cesarean section operation she says that they were extremely concerned about the mother & wanted to fly her to the capital but poor weather condition never changed. Finally they determined the operation would have to be done by them. They lacked experience & equipment. Frankly Mr [Redacted] they were scared. Charles Garry Visits Jonestown: 'I Have Been To Paradise'

By 6 Peoples Temple we-
d Charles Garry, who re-
nts Peoples Temple as
rney Garry has recently
ed from a visit to the
e's agricultural project
uyana, Jonestown (so
d by the Guyanese
nment) He had much in-
on to share
Monday night I was on a
ow," he began, "and
the opportunity to tell
had seen and I had been
adise I saw it it's there
ybody to see," and I'm
al that in the next few

day or weeks we'll be able
have a documentary, which
everyone will be able to see.
I saw community where
there is no such thing as
racism. No one feels the color
of his skin, whether he's
Black, brown, yellow, red, or
white. I also noticed that no
one thinks in terms of sex. No
one feels superior to anyone
else I don't know of any com-
munity in the world today that
has been able to solve the
problem of male sex supre-
macy completely. That does
not exist in Jonestown.

"I also saw something else:
There is no such thing as
age-ism. The community is
comprised of the little children,
the teen-agers, the young ad-
ults, the old adults, the senior
citizens, all together.
"I have never seen so many
happy faces in my life as I did
in Jonestown the three days I
was there. I want that captu-
red (on film) so that skeptical
America will know what it is
when you live without fear of
the rent being due, and all the
other problems we're sur-
rounded by.

"There are some 800 persons
or more there now. They've
got cottages set up that you
just could not believe. I saw
sanitation there that I had
never seen in any part of the
world, except Switzerland.
You can eat off the ground."
He went on to speak of the con-
sistently high level of medical
care, organized under a doc-
tor who is "thorough, con-
scientious and dedicated." The
medical team has "the latest in
medical equipment and
books," and "every person
who goes to Jonestown is
medically thoroughly exami-
ned, and charts are prepared."
He recalls that he urged Dr.
Schacht to start keeping daily,
hourly diaries, to put the oper-
ation of the medical compound
in writing, so that some of our
medical schools, and the
American Medical Association,
can learn from what is being
done at Jonestown
A high point of his talk related
to the care of senior citizens,
which he said moved him deep-
ly. "All of the senior citizens'
cottages are built around the
immediate vicinity of the medi-
cal compound. Every single
morning a member of the
medical team knocks on the
cottage of the senior citizen
and inquires, 'Did anybody
have any problem during the
night? Do you have any pro-
blems here this morning?' Can
you imagine the security that
the senior citizens feel with
this kind of care? I'd like to
have a representative from a
body here that's trying to im-
prove the lot of senior citizens
who are left to be beggars and
paupers to see what is going
on in Jonestown."
He spoke of the many agricul-
tural projects, including an im-
proved method of developing
feed from protein food grown
in Jonestown. The area of
Jonestown devoted to raising
animals also drew praise.
"Those piggens, as we call
them, looked like palaces.
Many of the homes that I've

seen in America could not mea-
sure up to the sanitation, the
cleanliness, the spaciousness
of the place we call a piggpen."
The chickens raised and
butchered at the project he
called "luscious," and the food
generally is "delicate, nour-
ishing, and it's type of food
that will make your blood
pressure go down; your diabe-
tes will disappear. It's sub-
stantial, nourishing food--the
kind that will take away the
fat you accumulate by the type
of food we eat here."
The project as a whole is de-
scribed as quite developed, a
thriving sawmill, genera-
tors to meet electrical needs,
wells, streets, refrigeration.
The school is open-air, in a
large covered area with 15 to
20 youngsters in a class.
Teachers are drawn in part,
from "at least 50 people there
who have advanced degrees."
He spoke of the enthusiastic
participation and discussion on
the part of all the students,
which is something he had not
seen here, with the exception
of the Oakland Community
School
Does Jonestown lack for en-
tertainment and fun? Not at
all, Garry says. "There's this
beautiful auditorium, and for
three-and-a-half hours I saw
the most beautiful entertain-
ment in the world. I've never
seen such talent in my life.
I saw children from toddlers
through about the age of
seven putting on a demonst-
ration, with voice, and clapping,
and marching, and children six
and seven years old getting up
and reciting poetry with mean-
ing and gusto. It was just re-
markable.
"Why are those people so
happy?" he mused again.
"They are learning a new so-
cial order. They are learning an
answer to a better life. When
I returned to the States, I told
my partners in the office that
I had seen paradise. From
what I saw there, I would say
that the society that is being
built in Jonestown is a credit to
humanity."
And then, as if to reinforce
the amazing description, he
added, "This is not propa-
ganda. I'm not a propagandist.
I'm a hard-hitting, factual-
analysis lawyer, I saw this with
my own eyes. I felt it."

A POTOMAC DOCTOR HELPS DELIVER TWINS 2,000 MILES AWAY

RICHARD HAYMAN

By Mary Ann Kuhn
Washington Star Staff Writer

Dr. Albert A. Greenfield, an obstetrician, was about to retire for the night. He sat in his pajamas in a small room off his bedroom in Potomac, flipping through a medical journal on pediatric and adolescent gynecology.

Two blocks away, his friend, Richard W. Hayman, was turning the dials of his ham radio. He had just been talking to someone in Japan because he is planning a trip there in May.

More than 2,000 thousand miles away in the jungles of Guyana, a country in the northeast corner of South America, a woman two weeks overdue in her seventh pregnancy had been in labor more than 14 hours and was experiencing serious complications.

She couldn't be flown to the nearest hospital, one hour away, because a storm and ground fog prevented planes from taking off at the small airstrip seven miles away. The field is illuminated only by kerosene lamps.

IN THE NEXT few moments, the lives of the Maryland men and the Guyana woman became involved in an unusual medical drama. By the time it was over, the Potomac men had played a major role in the woman's delivery of identical twin girls, one weighing 6 pounds 4 ounces, the other 6 pounds 2 ounces.

At 10 o'clock Monday night, as Hayman was fiddling with the dials on his ham radio in his home at 9908 Colebrook Ave., he picked up an emergency call.

"I heard a doctor on one of the stations with an urgent plea to be connected with an obstetrician," said Hayman, who is vice president of

Hayman Cash Register Co. "He had a woman in South America who was expecting twins. I responded because I felt I could contact an obstetrician"

"I called Dr. Greenfield and I told him I had a medical mission in South America and a pregnant woman who needed medical advice," he said in an interview yesterday. "I asked him if he would help out."

For the next 45 minutes, Greenfield, 40, talked from the phone in his home at 2 Colebrook Court to the doctor in Guyana, giving him instructions on how to perform a Caesarean section on the woman. By using a special apparatus, Hayman was able to "patch" Greenfield's telephone into his ham radio so that the two doctors could carry on a two-way conversation.

WHILE GREENFIELD talked, thousands of ham radio operators here and in other parts of the country tuned in and listened.

One man said that after listening to the instructions he personally thought he could perform the surgery, said Hayman, who has been a ham operator for 20 years. His call letters are K3DML.

"The doctor in the jungle had made a diagnosis of twins by placing his hands on the woman's abdomen," said Greenfield.

"One of the twins was in a head down or vertex position and the other was in a breach or bottom down position."

"I talked him through the entire operation," said Greenfield, an obstetrician for the past 12 years. "I sure was nervous. I wanted to be sure I gave him every detail. I was oversimplifying things."

"After each detail, I'd say, 'Do you follow me?' and he'd say either 'Yes, go on to the next step,' or he'd say, 'Could you repeat that.'"

BY 11 P.M. MONDAY, Greenfield had finished giving instructions for the delivery as well as post-operative orders.

"That was a first for me," said the doctor. "That was the longest-distance consultation I ever had. It was a very novel and thrilling experience."

"We were waiting on pins and needles to hear from the doctor in Guyana."

"Al (Dr. Greenfield) expressed doubt to me personally whether any of them — the mother and twins —

would survive," said Hayman.

On Tuesday night, almost 24 hours later, Hayman and Greenfield called the doctor to find out the results of the operation. Because he was out on another medical emergency, the two Potomac men talked to a woman ham operator there who told them the operation had been successful. She also told them that the facility where the operation took place was called Mission Village in northwest Guyana. It has a medical clinic, an orphanage and an agricultural project, where most of the people are U.S. volunteers. She identified the man who performed the Caesarean, as Dr. Larry Schacht.

"THE OPERATION was very successful, thanks to your help," the woman operator said in a taped recording of the radio conversation which Hayman made.

"This is Dr. Greenfield," said the doctor. "How is the mother?"

"The mother is doing fine," said the woman. "She lost about two pints of blood and she is a little weak, but doing very well. And the babies are extremely healthy."

"Have the babies' lungs been listened to and if so are they clean?" asked Greenfield.

"Roger."

"Were there any mechanical problems doing the actual procedure?" asked Greenfield.

"The procedure went very well thanks to your clear explanation and outlining of the procedures. It went very well. Everybody just followed your blueprint and everything went just fine."

"This is Doctor Greenfield again. I forgot what I was going to say...."

TEMPLE RADIO MAKES FRIENDS WORLD-WIDE

THE SUN REPORTER, Thursday, February 23, 1978-

Peoples Temple Takes To The Air

Rev. Jim Jones, at the Peoples Temple Agricultural Project in Guyana, South America, has initiated a remarkable new project using the temple's ham radio. In just the last few weeks Rev. Jones and a crew of experienced radio operators have made more than 2,000 contacts of friendship and goodwill, to ham radio operators throughout the United States and in other countries.

The purpose of the contacts is to strengthen friendly ties between the United States and Guyana and support Carter's Administration in furnishing needed economic assistance to this newly emerged nation, which is a leader in the Caribbean area of the hemisphere.

Jones has spearheaded this new effort with great energy and persistence. "Radio operators can make wonderful ambassadors," he notes, and "the response has been amazing." The temple has been deeply gratified to find a widespread understanding of the need for nonintervention, mutual coexistence, and aid to America's neighbors to the south.

The agricultural project was begun four years ago, for the joint purpose of providing a

wholesome alternative lifestyle for troubled young persons and to produce food and agricultural technology that can help solve world food problems. The radio is being used extensively as an extension of these humanitarian efforts. Many times the temple has been able to relay requests for medical assistance and other needed help.

One situation involved a child in a neighboring country who was critically ill and needed a

medication that could not be obtained there. Rev. Jones had hundreds of contacts made over the radio, over an area ranging thousands of miles, until the rare medication could be located.

Another remarkable set of contacts involved the delivery of a baby in Jonestown by the doctor there. The baby was a breech birth, and the mother was hemorrhaging. Eleven doctors were called in for consultation over the radio.

The medical complications were handled in an expert manner, and both mother and child are doing very well.

Copies of radio identification numbers the temple has contacted from its Guyanese station are being forwarded to President Carter and many U.S. congressional representatives. The temple is proud to do its part in furthering goodwill for the United States in this part of the world. It has made known its support for the Guyanese policy of nonalignment.

Long-Distance Caesarean

Washington

Dr. Albert Greenfield helped deliver twins by Caesarean section this week, although the patient was more than 2000 miles away in a village in the jungles of Guyana.

Greenfield, an obstetrician, was at home in suburban Bethesda, Md., on Monday night when a neighbor, who is a ham radio operator, said a doctor at the Mission Village clinic in Guyana needed help because a storm prevented the woman from being flown to a hospital. The two doctors began the long-distance consultation. Greenfield said the next day he was told the mother and babies were doing well.

Temple's medical staff begin physical exams

The Peoples Temple team of medical personnel, whose members are in various stages of training and who work in hospitals and care facilities in the community, are giving routine physical examinations at a new office in Redwood Valley.

The service is provided free of charge to the many hundreds of members in Peoples Temple, who are then referred to local doctors if health problems are discovered.

"We do not make any sort of diagnosis if we find that someone has health troubles," said Larry Schacht, a four-year

them which local doctor they prefer, and we encourage them to make an appointment and to tell the doctor to call us if he so desires."

The Temple medical staff is interested in finding particular health patterns so that the members can take steps through their personal doctors to head-off serious health afflictions by preventative therapy. Members are advised to see their doctor at least once a year and preferably semi-annually for seniors.

"Our pastor, Jim Jones, insists that all of our members get regular exams, with the church

highest regard for the outstanding medical community in this area, and we want all of our people to benefit from it."

The crude birth rate in all of Latin America declined by slightly more than 12% during that decade, with declines from 20% to 40% for about half the countries.

Substantial declines were also experienced in Egypt, Mauritius, and Tunisia, although the crude birth rate for Africa as a whole remained basically unchanged, he said.

Most significant is that the 13 developing countries with the largest populations (35 million or more) had percentage declines twice those of the smaller countries, Mr. Mauldin said.

Three of the 13, South Korea, Thailand, and China, had fertility declines

press conference to announce that it will not diminish its support of the programs.

Just 4 weeks before the press conference, however, the Foundation also said it will "reorder budget priorities" in genetic services as the grants expire.

The original cutback announcement was made last December by the organization's vice president for medical services, Dr. Arthur J. Salisbury, at a public meeting sponsored by the Public Health Service Genetics Coordinating Committee at the National Institutes of Health, Bethesda, Md.

Several Foundation grantees told this newspaper they felt that the decision was the result of pressure from antiabortion groups.

Since then, the Foundation's na-

tional office has received hundreds of letters and countless phone calls from the public expressing great disappointment with the cutback announcement, and some people have threatened to withdraw their financial support of the Foundation, Dick Leavitt, a Foundation spokesman, told this newspaper.

All of the patients in this series who developed adenocarcinoma of the endometrium (11 of 301) received estrogen alone. The data are highly suggestive that the regular addition of progesterone might protect the patient against this cancer, he said.

The current study, which is in press and not yet published, was based on a review of 7,000 medical records of

Ham Operator Helps Ob.Gyn. Consult With Physician in Jungle on Emergency C-Section

BY MIKE BYRNE
Associate Editor

Dr. Albert A. Greenfield, ob.gyn. in private practice, at his home where he had a late night consult via ham radio with an American physician in Guyana.

POTOMAC, Md. — If you saw it in a movie you probably wouldn't believe it. . . .

An ob.gyn., around 40, in a comfortable suburb of Washington is catching up on his reading before bed. The phone rings. It's a neighbor, a ham radio operator, who says there is a physician in a stormy South American jungle calling for help.

A woman has been in labor more than 14 hours and has made no progress. She's 2 weeks overdue and she's having twins, one breech and the other vertex. There is only ether for anesthesia; there are no X-ray, no blood bank facilities, and no operating room, just a suturing table in an emergency room area off a 20-bed dispensary. It's in a remote area of northwestern Guyana, not far from the Venezuelan border.

The physician in the jungle sounds young, sounds American. He has very limited general surgical experience and is asking such questions as "Which baby is removed first?"

His facility was not designed for any major surgical procedure. Ground fog means there is no chance for an air evacuation.

The ob.gyn. is incredulous. Is this a dream? Is it a gag? But he

begins painstakingly to describe how to do a cesarean section, from step one: how to put the woman on the table. In South America, the physician takes notes. Ham operators around the world listen in. Some, not knowing of the drama, try to break in.

"Could you repeat that?" implores the young physician. Then the atmosphere crackles with the transmission. "Could you repeat that?" he asks again. It continues like this for maybe 45 minutes. Finally, the physician in the jungle signs off. He performs the surgery and mother and twins recover uneventfully.

Hollywood isn't buying stuff like that anymore. Who would believe it?

Dr. Albert A. Greenfield would. It happened to him at his home in Potomac, Md.

Even Dr. Greenfield, a physician in solo ob.gyn. practice in Gaithersburg, Md., admitted in an interview with Ob.GYN. NEWS that it all has the quality of "one of those old Humphrey Bogart-World War II movies."

"The real hero of this story is Dr. Larry Schacht," who performed the operation. He had virtually nothing to work with. Dr. Greenfield said.

Apparently Dr. Schacht, whom Dr. Greenfield believes is a family physician, is working with a group of American volunteers in a place called Jonestown in the northwest district of Guyana (formerly British Guiana).

Under normal weather conditions the woman would have been flown to a hospital an hour away, but the small airstrip 7 miles from the dispensary was fogged in, and it was 1 A.M. (11 P.M. Washington time). The only landing lights are from barrels of kerosene alongside the runway.

After talking with Dr. Schacht, Dr. Greenfield said he could not sleep for several hours worrying about what was happening to "my patients" 2,500 miles away. The next day he and his neighbor, Richard Hayman, radioed Guyana and learned that both mother and twins were doing well.

The babies were identical twins girls, weighing 3.2 and 3.0 kg. There were no complications after the operation, despite maternal blood loss of around 1,000 cc. Dr. Schacht intended to keep the mother and babies in the dispensary for 10 days, not because of any problems but because he thought the mother might not return from her village for postoperative care.

Dr. Greenfield said he was able to talk with Dr. Schacht from his home because Mr. Hayman, a ham operator

for 20 years, had a device that could patch the telephone call into the radio.

Dr. Greenfield, a clinical instructor of ob.gyn. at George Washington University Medical Center, said he described the cesarean section tech-

nique step-by-step, "like a textbook or like talking to a medical student."

"Nothing like this ever happened to me before," he said. "The longest telephone call I've ever had was from here to Chicago."

The woman, in her seventh pregnancy, was at 42 weeks' gestation and in potential danger of uterine rupture, which could have been fatal because there were no blood bank facilities. Any attempt at vaginal delivery would have compromised the twin fetuses, which Dr. Schacht had diagnosed on clinical grounds alone because the X-ray machine was broken, Dr. Greenfield said.

If a genetic defect is present, it may be one of the approximately 50 kinds that are treatable. Parents in this situation would have a greater reason to continue the pregnancy than to end it.

The only situation left in which parents may opt for abortion is that in which the fetus has a genetic defect that is not treatable. However, the actual incidence of either a gross chromosomal abnormality or a single gene defect in newborns is only 1.5%. Dr. Thomas said.

RICHARD CLARK was interviewed in the presence of Special Agent (SA) [redacted], United States Secret Service (USSS) at the United States Customs Office area, Miami International Airport (MIA). CLARK was advised of the identities of the interviewing Agents and that they are Special Agents of the Federal Bureau of Investigation (FBI), and that SA [redacted] is an SA of the USSS. CLARK was further advised the nature of the interview would concern the murder of United States Congressman RYAN at Jonestown, Guyana, and any conspiracy in the United States or elsewhere to do the same. CLARK agreed to be interviewed. Upon being interviewed, CLARK furnished the following information: (u)

He became involved with the People's Temple (PT) Church in Los Angeles, California, in 1972. He initiated this involvement with the church based upon the fact that he considers himself a religious man. His brother, [redacted], told him during 1972 that he had heard of a prophet who could heal people. CLARK went to see JIM JONES at his church based upon his brother's information. He was attracted to JONES and his movement inasmuch as JONES seemed to show a deep concern for children, senior citizens and animals. He thereafter became heavily influenced by JONES' preaching and decided to join the PT. While a member, he donated an unrecalled sum of money over a period of time to the church. He noted that JONES received many awards from various organizations for being a humanitarian. Eventually JONES bought land in Guyana. The purpose of buying the land, according to CLARK, was to raise agricultural crops. (u)

In 1977, JONES began to tell his congregation that he and they had to get out of the country. He claimed the PT was being discriminated against. In approximately 1977, JONES left for Guyana. Thereafter, JONES called for different people to travel to Guyana. Letters from those already in Guyana stated that the area at Jonestown was beautiful. They also sent photographs to PT members in the United States. (u)

In approximately March of 1978, JONES called CLARK and told him he was to go to Guyana. Upon arriving in Guyana, (u)

ENCLOSURE

MM 89-179

2.

CLARK discovered that the impression of Jonestown was entirely different than the reality of Jonestown. He noted little food was being raised, although it had been claimed that that was the primary reason for the existence of Jonestown. Shortly after his arrival, JONES told him that he was going to have to die there. JONES asked CLARK whether he would rather die fighting or rather die by taking poison or committing suicide. CLARK replied that he would rather die fighting. (u)

Prior to his traveling to Guyana, CLARK was moved from Los Angeles to San Francisco in approximately 1976. He was eventually appointed a member of the security force of the PT in San Francisco. He stated he was never issued a weapon and received no firearms training. He described his duties as insuring the PT buildings were locked at night and making sure no one broke or stole anything. CLARK did not live in the temple building at that time, and had a regular job, carrying out his duties at the church on his free time. (u)

He did note that one JIM Mc ELVANEY (phonetic) and JOHNNY JONES did possess firearms in San Francisco during that period. (u)

He noted he was never trained in the use of weapons or explosives by the PT or prior to his becoming a member of the PT. He also stated he has never used narcotics to any great degree. (u)

He noted approximately two or three months ago, he did notice a duffel bag loaded with weapons at the "rice tent". The rice tent was used as an area to unpack baggage of incoming PT members. He noticed several gun barrels protruding from the end of one of the duffel bags. The weapons appeared to be rifles and he believes at least two were .22 caliber. He does not believe that any of the weapons were shotguns. He did not see the weapons after that. (u)

In regard to the weapons arriving at Jonestown, he noted that not only weapons, but other supplies were shipped (u)

MM 89-179

3.

to Jonestown from the PT in San Francisco. He explained the method used by the PT was that a member being ordered or volunteering to go to Guyana was told to report to the temple in San Francisco. The members were then told to pack the duffel bags with the belongings they wished to take to Guyana. Thereafter, unknown persons at the temple would unpack the duffel bags and repack them, often concealing items destined for Jonestown within. This repacking was done without the knowledge or permission of the travelers. The travelers often would also be given several other duffel bags with their names on them to carry to Jonestown, but they were not advised of the contents. In addition to weapons, he knows that medical supplies were also transported in this manner. (u)

Upon their arrival in Guyana, the PT members were given what appeared to be preferential treatment by the officials of Guyana who were supposed to check the incoming baggage for contraband, et cetera. The officials were well aware that the incoming baggage was that of PT members and therefore, at best, gave it only a cursory examination. (u)

CLARK also heard that a bazooka had been brought to Jonestown by JIM JONES' wife, "MARCIE". He never saw the bazooka nor did he see any ammunition for it. The bazooka was supposed to have arrived in Jonestown approximately two to three weeks before Congressman RYAN's arrival there. (u)

He was in Jonestown from April, 1978 through his departure from there on the date of the instant interview. He was not absent from the country anytime during that period. (u)

CLARK noted he occasionally could hear shooting in the jungle and is positive that the shooting was target practice for those of the Jonestown PT who were authorized to carry firearms. He never noted any automatic weapon fire and stated the shooting sounded to him to be rifle fire. He stated he did hear that hut number 14 was a storage area for weapons at Jonestown. (u)

He noted that guards at Jonestown openly carried pistols. He estimates approximately 15 guards were openly armed each day. He also stated it was well-known that part of JONES' secret security force carries concealed weapons all of the time. (u)

He stated JIM JONES said on many occasions that anyone who came into Jonestown without his permission would be killed. CLARK also recalled that on several occasions, JONES specifically stated he would kill Congressman RYAN if he came there. (u)

An attorney, GENE SHAKIN (Phonetic) was aware of the statements made by JONES in regard to his threats. SHAKIN lived in Jonestown full-time. CLARK stated he heard SHAKIN was killed in Guyana. CLARK is unaware whether Attorney MARK LANE or another attorney of the PT, name unrecalled, from San Francisco, were aware of the statements and threats made by JONES in regard to visitors. (u)

JONES often threatened the members of the church in Jonestown and told them if they escaped, he has people all over the United States, including the Mafia to "get them". (u)

One TED LEWIS, a PT member in San Francisco, was killed approximately one year ago, according to CLARK. He stated that PT members were told that LEWIS was killed by some sort of gang. (u)

JIM JONES knew that Congressman RYAN was coming to Jonestown at least two weeks in advance. The "word" spread around Jonestown that RYAN was coming shortly after JONES' wife's arrival from the United States. Following that information, JONES told the congregation that RYAN and members of the press were coming to Jonestown and if they in fact did arrive in Jonestown, he would have them killed. RYAN and his party arrived in Jonestown on a Friday evening, exact date unrecalled. The previous evening, Thursday, JONES told the people at Jonestown that RYAN was arriving the next day. (u)

When JONES learned of Congressman RYAN's trip, he immediately sent for Attorney MARK LANE. CLARK also (u)

MM 89-179

5.

noticed a PT member JIM Mc ELVANEY (Phonetic) arrived in Jonestown shortly before Congressman RYAN's party arrived. (u)

The day before RYAN arrived, JONES told the congregation that RYAN and his party were going to come to JONESTOWN and that everything was going to be alright. JONES told the congregation not to get close to the visitors and stated that "he could handle it". (u)

Following his arrival at Jonestown, Congressman RYAN spoke to PT members that night (Friday). He spoke very favorably of JIM JONES and the PT. He stated he had been sent to Guyana to investigate the situation there and that his investigation would be concluded the following evening (Saturday). The congregation cheered at these remarks. (u)

CLARK stated that he did not know that the congressman and his party were going to be attacked and killed. He said that he was also unaware of anyone else who had that knowledge in advance. (u)

That Saturday morning, he saw Congressman RYAN with his briefcase and spoke to him very briefly inasmuch as he would have been chastised by the guards if they had seen him speak to the congressman. (u)

He noticed the security guards appeared to be very nervous that morning and that they were wearing their guns beneath their clothing, apparently attempting to conceal the fact that there were armed guards at Jonestown. (u)

The following morning (Saturday) he and his "companion", [redacted] told the guards they were going on a picnic. He stated it was preplanned that the next time important guests came to Jonestown, the two of them would leave. He noted when important visitors were there, the security guards seem to turn their attention toward the visitors and not so much toward the members. (u)

They went to the jungle's edge and located a trail after some difficulty and traveled the trail through the (u)

jungle for quite a distance. They eventually came upon a railroad track and followed the tracks back toward Georgetown. He believes there were additional persons with him when he made this escape, exact names unrecalled. (u)

Prior to his escape, CLARK heard on many occasions JONES making statements such as "I'm going to take some of these sons of bitches down with me" and "We'll all go down together". (u)

JONES also frequently spoke of how "rotten" President CARTER is and what a big liar he is. JONES often said if he could get his hands on CARTER as well as other prominent politicians, he would kill them. (u)

JONES often reminded the members that if any of them should leave the Temple, or the "cause", something would happen to them and they would never be heard from again. (u)

CLARK believes that JONES kept a "hit" list of persons to be assassinated, but he never actually saw such a list and has no idea where it was located. He also has no idea as to the persons on the list. He believes the troops in Guyana found the list when they came into Jonestown. (u)

He heard JOHNNY JONES, JIM JONES' adopted son, and his group were "hit" men for JIM JONES in San Francisco. (u)

JIM JONES encouraged everyone from time to time to sign statements discouraging Congressman RYAN and others from visiting Jonestown. He stated he never saw nor signed any sort of statement in regard to the killing of a prisoner. He stated on several occasions he signed blank pieces of paper. He also stated occasionally, JIM JONES would pass a long piece of paper around and all the members would sign the paper without any notation. (u)

CLARK stated he does not know any members of the PT planning commission by name and has no idea as to the function of the planning commission. (u)

When asked which surviving members of the PT could be considered dangerous if they returned to the United States, CLARK stated that STEPHEN JONES and all of JIM JONES' sons should be considered dangerous. He recalled one ODELL ROSE (possibly RHODES) worked with children in the nursery at Jonestown. He stated that ROSE backed JIM JONES' policies 100 percent. To his knowledge, ROSE is presently in Guyana. (u)

He furnished the following names of persons believed by him to be members of the PT security force at Jonestown: (u)

1. BRUCE (LAST NAME UNKNOWN) (LNU) - Black male, large muscular build, early 20's.
2. The brother of BRUCE (LNU) (Number One above) - A black male.
3. PANCHO (LNU) - A black male. No further description recalled. (u)
4. JOE JOHNSON - Black male. No further description recalled.

He stated he recalls TERRY BUFORD being in Jonestown, but was unable to furnish any descriptive information about her. (u)

CLARK stated that he never participated in a suicide drill the entire time he was there. He noted, however, that he was told that such drills were conducted prior to his arrival in Jonestown. JIM JONES also talked of mass suicide and on at least one occasion, he recalls JONES saying that he would kill all of the babies and take poison. (u)

CLARK stated that he never heard the term "angels" used during his membership in the PT. (u)

In regard to the PT basketball team, JIM JONES often said that the basketball team was organized in order to impress people outside the temple. CLARK furnished the following names as being members of the basketball team: (u)

MM 89-179

8.

1. STEPHEN JONES, white male, approximately 20 years of age, six feet and two inches tall, approximately 155 pounds, dark hair and dark complexion.

2. JIMMY JONES, Jr., black male approximately 18 years of age, six feet tall, approximately 165 pounds, adopted son of JIM JONES, Sr.

3. TIM JONES, white male, approximately 20 years of age, approximately six feet tall, approximately 135 pounds, adopted son of JIM JONES, Sr.

4. JOHNNY COBB, black male, approximately 20 years of age, approximately six feet tall, approximately 180 pounds.

5. CALVIN DOUGLAS, black male, early to mid 20's, approximately six feet tall, approximately 165 pounds.

6. LEE INGRAM, manager of basketball team, black male, mid 30's, considered potentially dangerous by CLARK.

He stated there are also additional members of the basketball team, names unrecalled. He described all of the above members of the team as being part of JIM JONES "inner circle" and that most of them were members of the "security" force. (u)

Prior to the mass suicides and murders, the entire basketball team had gone to Georgetown, expecting to stay there approximately four to eight weeks. The team was supposedly playing other teams in Georgetown. When JIM JONES heard that Congressman RYAN was going to visit Jonestown, he told JOHNNY JONES to call Georgetown on the radio and tell the basketball team to return to Jonestown. JOHNNY JONES did so and told JIM JONES that it was "too late". The basketball team had been in Georgetown approximately three weeks prior to JIM JONES learning of Congressman RYAN's visit. (u)

CLARK stated JIM JONES spoke favorably of communism often and said that Russia believed in him. On at least one (u)

MM 89-179

9.

occasion, a man who supposedly was a Russian doctor visited JONES and thereafter made a speech to the congregation at Jonestown. The speech was very short in duration, according to CLARK, and he does not recall the content. He noted JONES often spoke of taking the PT to Russia. (u)

CLARK was unable to provide any information in regard to the PT bribing public officials with the exception that he heard the Governor of Guyana had been bribed by JONES. (u)

After Congressman RYAN's arrival at Jonestown, one JERRY PARKS talked to RYAN and told him he wanted to leave. When JIM JONES heard this, he begged PARKS not to leave and said that there would be a lot of trouble if he attempted to leave. JONES offered \$5,000 to PARKS and also offered to return his passport to him if he would only stay for a short while longer. (u)

CLARK stated he heard that one ANNIE MC GILE (Phonetic) is the person who shot JIM JONES following the mass suicides. He was unable to say exactly where he received that information and was unable to provide any further information in regard to the shooting of JONES. He emphasized that he was not present at Jonestown when JONES was shot and that this was merely something that he had heard. (u)

He stated that all of the mail, both incoming and outgoing at Jonestown was heavily censored. He also noted that JONES very often told the members at Jonestown to write home and tell their friends and families to send them specific items needed by the PT. (u)

CLARK stated he is not aware of any assassination squad of PT. (u)

He noted JONES appeared to be extremely paranoid and thought that the Central Intelligence Agency (CIA) was spying on him. (u)

CLARK stated that JONES did utilize torture at Jonestown for people who displeased him. One type of torture utilized was a small box in which JONES would have people placed for punishment for up to two weeks. They were given minimal food and forced to sleep in their own waste. Such punishment was often imposed for such minor offenses as complaining about the food at Jonestown. JONES often told the congregation that he could kill them at anytime and just say that they had been lost in the jungle. (u)

CLARK stated he has no knowledge about the funding of the PT or where money and other securities may have been kept at Jonestown. (u)

He noted that PT members were often drugged to keep them under control. He recalled one female, name unknown to him, was drugged so badly that it appeared to have affected her brain and she never seemed to fully recover from the drugs. (u)

CLARK recalled that STEVE JONES, the true son of JIM JONES, and his father, often had conflicts, but generally agreed on the policy of the PT. JIM JONES always said that his son, STEVE, would take over in the event of his demise. CLARK never saw STEVE harm anyone while he was at Jonestown, but heard that prior to his arrival there, STEVE JONES had murdered someone by slashing his throat. (u)

In regard to the radio operators of the PT, he recalled that MIKE CARTER operated the radio at Jonestown and he also recalled that some females also operated the radio at times, exact names unrecalled. He stated that LARRY LAYTON's wife, CAROL LAYTON, often operated the radio either at San Francisco or at Jonestown. He also recalls that one LEONA (LNU) operated the radio from the PT in San Francisco. He could only describe LEONA as being a black female, short, and heavy set. (u)

CLARK recalled the arrival of two bags of cyanide at Jonestown, approximately one week before the arrival of Congressman RYAN. The cyanide, along with other supplies, arrived in Guyana aboard the ship "Cudule". The supplies were moved to a store house area just outside of Jonestown, (u)

where CLARK was working at the time. He stated the cyanide was packaged in two bags weighing approximately ten pounds each and marked "cyanide". At that time, JERRY PARKS was managing the storehouse and placed a third empty bag over the two bags of cyanide in order to keep the domestic animals from accidentally eating it. The next day RUSSELL MOTEN (Phonetic), came to the storehouse and asked CLARK if he had seen the bags. CLARK showed MOTEN the location of the bags and MOTEN took both bags and took them to Jonestown. (u)

CLARK never heard of marijuana being used at Jonestown, but did hear that JIM JONES was a drug addict. He stated JONES often appeared to be on drugs and at one time heard JONES say he spent \$50,000 the week before on drugs. He never had any indication that drugs of any type were being manufactured at Jonestown. (u)

He stated he knew both TOM KICE and BOB KICE. He described both of them as being on a "secret" team and has heard that both of them are dead. He also stated he heard that TOM KICE is the person who killed Congressman RYAN. (u)

He stated both MIKE CARTER and TIM CARTER were very close to JONES and should be considered dangerous. (u)

CLARK stated he does not recall any member of the PT planning commission and a United States agency member visiting the Temple at the same time. (u)

CLARK stated that one SANDY BRADSHAW was a member of the PT. He could describe her only as a white female and believes she worked in the PT office in San Francisco. (u)

CLARK stated that there was a Silent Weapons Squad at Jonestown. He stated they were trained in the use of bows and arrows, as well as crossbows. He recalled the following persons to be members of the Silent Weapons Squad: (u)

1. TOM KICE
 2. JOHNNY JONES
 3. TIM JONES
- (u)

MM 89-179
12.

4. GUY (LNU)
5. LARRY LAYTON

There were also believed to be other members of the Silent Weapon Squad in addition to the above. He stated DOUG SANDERS, an explosives expert, was believed to have been a member of the squad and MIKE TOUCHETTE may have been a member. (u)

CLARK noticed it was a practice of JIM JONES to give weapons to 16 year olds and recalled one TONY (LNU) and GARRETT (LNU) being given guns by JONES. (u)

CLARK recalled STANLEY GEIG being a member of the Temple, and is believed to be dead. He stated that GEIG has a brother, CLIFFORD GEIG, presently in Georgetown. CLARK stated he has also heard of ELAHUE DENNIS, believed to be dead. He stated also that he has heard of PAULA ADAMS and DON SLY, but was unable to furnish any specific information about those individuals. (u)

He is unaware of anyone using fictitious names to return to the United States or using another person's passport for the same purpose. He again emphasized that the people who worked very closely with JIM JONES should be considered the most dangerous. He stated there is no doubt at all that the "inner circle" will attempt to carry on the work of JIM JONES in the United States. (u)

CLARK advised he never took an oath to kill anyone and never heard of anyone else taking such an oath. He stated he heard that code words were used in radio messages, but never actually heard such words used and is unaware of how to decipher any such code. (u)

He stated, to his recollection, no Cubans ever visited Jonestown. (u)

In regard to JIM JONES' bodyguards, he stated that in his mind JIM JONES' bodyguards were the same as the Jonestown Security Force. (u)

MM 89-179
13.

CLARK stated on one occasion he heard that the Lieutenant Governor of California (FIRST NAME UNKNOWN) (FNU) DI MALLY (Phonetic), was coming to Georgetown. CLARK stated, however, he is unaware whether DI MALLY ever actually came to Jonestown or not. (u)

CLARK never heard any information pertaining to a primitive nuclear device at Jonestown or any other location and stated that JONES often talked of a nuclear bomb falling on the United States. He stated also that JONES said that he wished that it would hurry and fall. CLARK also noted that JONES often said that Russia was going to help him. (u)

In addition to the above mentioned individuals in this interview, CLARK furnished the following information on the below named persons (u)

LOU JONES, a Korean, short and slender build, approximately 20 years old, believed to be dead. 7

CHRIS NEWEL (Phonetic), believed to be dead.

HERBERT NEWEL, black male, early 20's, approximately five feet and six inches tall, in custody in Guyana. (u)

JIM MC EVANE (Phonetic), believed dead.

CLEVELAND NEWEL, member of Security Force, black male, early 20's, approximately five feet and six inches tall, medium build.

MIKE PROUCH (Phonetic), could only recall that he is a white male.

STANLEY GIEG, white male, blond hair, believed dead.

JOE WILSON, black male, early 20's, believed dead.

DON SLY, white male, tall, older, believed to be dead.

RENA KICE, BOB KICE's wife, no description.

MM 89-179
14.

LARRY SCHACT, white male, slender build, early 30's, believed to be dead.

PHYLISS SHAKIN (Phonetic), worked closely with SCHACT and believed to be dead.

In addition to the above, CLARK was unable to furnish much detailed information about SCHACT other than he was the camp doctor, seemed to be very close to JONES and was aware of RYAN's visit well before RYAN arrived.

CLARK also recalled one GREG WATKINS at Jonestown. WATKINS was suppose to have snatched a purse at sometime or another and was punished by JONES for doing so.

The following description of CLARK was obtained through interview and observation:

[redacted] advised that he resides at [redacted]
[redacted] San Francisco, California 94115.
He is employed at the [redacted] in San Francisco
as a supervisor where he has been employed since approxi-
mately 1967. He originally went to San Francisco, California,
to see his aunt, [redacted], and to better himself
financially. His aunt presently resides at [redacted]
[redacted] California. She does not have a
telephone and is retired and her husband's name is [redacted].

When he arrived in San Francisco, he obtained employ-
ment at the [redacted] in the Housekeeping Depart-
ment. He first became aware of the Peoples Temple (PT)
Church through a friend of his that worked at the [redacted]
[redacted] who told about Reverend JIM JONES. This
was approximately two or more years ago. He went to hear
Reverend JONES and although he did not believe in the
healing of the sick or the raising of the dead as being
legitimate, he did notice that JONES appeared to make a real
effort to help the elderly people and feed the hungry. He
also adopted a lot of children. JONES appeared to be
doing a lot of good in the San Francisco area at that time.
Normally the services were from 7:00 PM to 1:00 AM on
Saturday and Sunday nights. He attended somewhat regularly.
Normally JONES during the services, would be doing
a lot of talking, healing, and taking a lot of collections
for money. JONES took a lot of collections during the
services and put a strong emphasis on money. The PT Church
in San Francisco is located on the corner of Gary Street
and Filmore.

A girlfriend of his by the name of [redacted]
[redacted] was a member of the PT and they lived together in
San Francisco. She lived on [redacted], but he did not

The child was born three years ago in San Francisco.

[redacted] was married to [redacted] in July of [redacted] at [redacted], Florida, at the AME Baptist Church in [redacted] Florida. He was never divorced and is still presently married to her although they are separated. He has a daughter, [redacted] and two sons. [redacted] and [redacted]. Both children are by [redacted]. They all live with their mother. She is employed at the [redacted] in San Francisco.

[redacted] and [redacted] both died at Jonestown, Guyana. [redacted] was 28 years old and [redacted] was three years old. His adopted children, [redacted], age 11 years (a male), and [redacted], age six years, also died at Jonestown in the alleged mass suicide. [redacted] and [redacted] were TOMMIE's children by some other man although she was never married.

He lived with [redacted] for approximately five years which would be five years ago. He met her in San Francisco for the first time. He does janitorial work at the [redacted] and she worked as a unit assistant. He works as a supervisor in the [redacted] in the Housekeeping Department at the [redacted].

He went to Guyana on September 24, 1978, leaving from San Francisco. He took a leave of absence from the [redacted] and was to return to work on January 2, 1979.

[redacted] displayed to the interviewing Agents a slip of paper indicating that he had a leave of absence from the [redacted] until January 2, 1979. His supervisor's name is [redacted].

He went to Guyana to attempt to get his "companion", [redacted], to return to San Francisco with him. When he arrived in Guyana, he realized that it would be impossible almost to return because of the slave labor type

concentration camp atmosphere in Guyana. He fully intended to return to the United States, but Reverend JONES would not allow it. He let it be known that he wished to return to the United States and even on several occasions, told JONES that he had to return to get money. He stated that this was not true, but he thought it would entice JONES into letting him leave. He told JONES that he had to get his retirement check and his grandfather had died, leaving him some money and he would return with the money. JONES told him that they had a legal department that could handle the whole thing by mail. JONES told him that if he left, he would be dead. He told him if he tried to leave out the front door of the camp, they would "drop me dead". He also told him "don't play with my power". One of the "counselors" told him that the only way he would go home was "in a box".

He stated that he is very disenchanted with the PT and feels in his opinion that Reverend JONES was "an ass". JONES was "evil". He feels very bad about the whole thing and feels that the persons responsible for the mass suicide and/or murders should be bound and punished. He stated that "I don't believe in violence". He stated that Reverend JONES and the "basketball team - security squad" were "really mean".

He stated that while he was in Guyana, the Temple would have meetings and would have security guards standing behind people attending the meetings. The security guards would beat people that complained or did not agree with Reverend JONES completely. Reverend JONES was either speaking most of the time or he was talking on a recorded tape, which was prerecorded and played through loudspeakers.

He stated, "I'm a loner". He stated that he did not know anything regarding the inner workings of the camp hierarchy and does not know who made decisions or what decisions were made. He was not familiar with any code words or code phrases. He knew nothing of any type of attempts to brainwash, hypnotize or furnish people with posthypnotic type suggestions.

He stated he does not know of any other churches in the PT other than one church in Los Angeles, California, and does not know the street address. JIM MC CABIN was the leader of that particular temple. He died in Jonestown. He does not know of any relocation points.

After staying in Jonestown, they were "killing me working me seven days a week". He decided that he would "die or escape".

If people in the camp were sick, they could lay down for two hours but they had to return to work. They were being starved and fed only rice and gravy everyday. Everyone that worked in the camp ate the same thing. There were thousands of hogs and chickens in the camp, but no one ever ate any of them except the security guards and JONES. The people close to JONES ate very good. The people in the camp were broke down into people in charge of security, money and the radio. The important people in the camp were: (1) Reverend JIM JONES (2) JOHNNY JONES, who died, (3) AVA "AVERY" JONES (dead), (4) LEE INGRAM, presently alive in Guyana (JONES' right hand man). INGRAM was in charge of money and security. (5) JOE WILSON (dead), (6) STEPHEN JONES (JONES' son), age 19 years (looks 22 years old), who was close to Reverend JONES and in charge of security.

The security guards around JONES consisted of about a dozen men. They were STEPHEN JONES, JOHNNY COBB JONES, CALVIN DOUGLAS, PANCHO, and TIM JONES (Reverend JONES' son). TIM JONES and JOHNNY COBB JONES are alive. CALVIN DOUGLAS and STEPHEN JONES are also alive. PANCHO died at Jonestown.

Reverend JONES lived in the "east house".

and [redacted] worked all day long [redacted] b6
[redacted] b7C

Reverend JONES complained all the time about someone putting poison in his food and had a paranoia about

MM 89-179

5

his food. If anyone complained about food, they were beaten by security guards and the people in the camp were followed around by security guards constantly. If he even went to "the bathroom", the security guards followed him. Reverend JONES had his own cook that prepared his meals. This woman had been his cook for a number of years.

[redacted]'s religious affiliation was that of being a member of the Church of Christ in [redacted], Florida, where he joined the church at about the age of nine years and was baptized. He attended a Church of Christ in San Francisco, but does not consider himself a "religious person". He is "not more religious than average".

The "basketball team" was the security force in the camp. They were "the main guards". They were "security". They went around playing basketball and when they left the camp, there was a second squad of security guards to operate security in the camp. There were about 12 security men on each security squad and there were two security squads. When they were not playing basketball, they were operating security.

JOHNNY COBB JONES was next to the leader of security and he was over the security heads. CALVIN DOUGLAS was behind JOHNNY COBB JONES in leadership. LEE INGRAM was the leader of the security.

There were approximately 900 people in Guyana. They were 127 miles approximately from the nearest settlement. They were located in the jungle.

The security guards went around generally in groups of two or more and were armed with high powered rifles and pistols.

The security guards are supposed to come to the United States. To his knowledge, none of the guards died in the camp.

MM 89-179

6

There are still about 12 that are alive. The people in the camp were generally weak from overwork and lack of food and it was almost impossible for them to resist the guards.

JOE WILSON, who died in Jonestown, generally took over when JOHNNY COBB JONES left the camp. WILSON carried a pistol on his side with a high powered army type rifle. He saw him on one occasion carrying two rifles, wrapped up in plastic, in addition to a rifle slung over his shoulder.

Generally the security guards would stand behind JONES when he talked with their hands behind their back at attention.

"PANCHO" JOHNSON was in charge of the second security team. PANCHO died at Jonestown. The second security squad all died in Jonestown to the best of his knowledge.

He stated that on one occasion, he saw PANCHO hitting someone with his fist and cussing them. At night, the security force walked around the camp, armed. None of the people in the camp were allowed to roam around at night.

JOHNNY BROWN JONES, JR., (deceased) was mean. He was part of security and he put on heavy punishment.

b6
b7c

The people in the camp were not allowed to eat grapefruit or bananas and were punished if they did.

The people were sometimes given a pill which had some type of narcotic effect. These were people that were "a problem". He knew of one man that had committed some homosexual type act and he complained that the pill that they had been giving him made his "head float".

The camp people were not divided up, but generally the young and senior citizens of the camp were in the same

general area.

On one occasion, two or three Russians visited the camp. He did not know their names and they appeared to be checking sanitary conditions in the camp. They inspected the latrine and kitchen facilities. He did note that when the Russians ate, they fed the Russians chicken and a good meal. They tried to lead the Russians to believe that everyone in the camp was fed this same dish. This visit by the Russians occurred about two months ago and they stayed about one week. He does not know any other details concerning their visit, but does know that they spoke to the people in a meeting.

He does not know of any government official visiting the camp other than RYAN, who arrived on a Friday night. RYAN spoke to the people in a meeting and said something to the effect that he really enjoyed visiting the camp and was leaving the next morning. He and some other people in the camp made their plans to escape the next morning since they felt like it was a good time to escape. When RYAN spoke to the people, he was seated on a bandstand and he spoke on Friday night about 8:00 or 9:00 PM. Someone filmed the whole meeting and there were several photographers filming this.

[redacted] made his escape Saturday morning at 9:00 AM along with ROBERT PAUL and RICHARD CLARK and his wife. There were some other people in the group. They had planned for about two months to leave if any United States official arrived at the camp. CLARK told PAUL and PAUL told [redacted] that they were going to escape.

[redacted] said that his baby was in the nursery and his stepchild was in school and his 11 year old's whereabouts were unknown in the camp. [redacted] said something to the effect "I know I'll die if you leave". He told her that this was nonsense. He tried to talk her into escaping with him, but she declined. She said something to the effect that she should report him since he planned to escape. He tried to bluff her. He told her that if she did, he would beat her "behind". She used the

b6
b7c

words "write me up", this meaning that she would report him to Reverend JONES. He was of the opinion that his "companion" had been brainwashed to a certain degree because she felt that things would be better once they got to Russia. Most of the people in the camp did exactly what JONES wanted them to do since if they did not or they complained, they were quickly beaten by the guards. JONES was referred to as father and other people were called mother.

On a Wednesday, he recalled that Reverend JONES had said something to the effect that some of the people's parents were coming and that if any of the people's parents gave them notes, they were to give the notes to the "counselors" to read. He recalled hearing BILLY (SOLOMON) (now deceased) say something that particular day while [redacted] was coming out of the shower to the effect "I'm going to shoot someone in the head". He told SOLOMON that was foolish. He did not hear anyone say anything about harming RYAN or about killing anyone.

b6
b7c

He stated that he never heard the term "Angels" although he considered AVA JONES to be an Angel. He stated that normally he would interpret the term "Angel" as being women that were on "easy street". These were women that clean everyday, but did not get dirty and worked in the office running the radio and doing paper work.

On several occasions, people in the camp were given blank pieces of paper to sign. They did not know what would be typed in above their signature. They were also on occasion asked to copy form letters to send people back home. This occurred on several occasions and many times, they did not even know what they were signing since any written or typed information above their signature was hid from their view. This happened at least on three occasions.

Reverend JONES told the people in the camp that the Prime Minister of Guyana and the police in Guyana were his associates and that if they tried to escape, they would be returned to the camp.

Reverend JONES had made the comment that if anything happened to him, "all would go too".

His companion mentioned to him about on occasion drinking koolaid as practice for drinking poison. He thought this was crazy. He believes that Reverend JONES was "a devil".

The homosexual that was punished by taking some type of narcotic pill was PETER WATERSPOON. He died in Jonestown.

He does not know when the mass suicide or the murder of RYAN took place since he left evidently the Saturday morning before RYAN was killed and the mass suicide took place.

BILLY SOLOMON's last name may have been OLIVER and he also had a brother by the name of BRUCE. BILLY, he recalled, stuttered. Both of the OLIVER brothers are dead. They were both in security. The purpose of the security force was to keep people in and keep people out.

The morning that he escaped from the camp, BRUCE and BILLY OLIVER had just walked by him.

Reverend JONES on occasion, told the people in the camp that if anybody came around his house at night, he would "blow them up". Reverend JONES was not seen much in public, but always had tapes playing around the camp.

One of the documents that he was forced to sign in return for food, according to someone in the camp, read something to the effect "keep people out". All of the people in the camp were to sign this piece of paper, but the writing or typing on the letter was covered up. Reverend JONES had made a speech on the intercom for the people to sign this paper.

Every night in the camp they had Russian classes and they studied how to speak Russian. Reverend JONES

would have them speak and write Russian and then he would quiz them. Also they had news broadcast from the United States, which was played on tape and then they were quizzed on the news. He stated that the Russian classes were during about the last month and everyday to the end (the time he escaped), Reverend JONES kept saying that everyone was going to Russia.

Reverend JONES was always saying that someone was trying to poison him or had "witchcraft on him".

All of the incoming and the outgoing mail was screened by the counselors. They opened, read, and destroyed the mail contents if it was not appropriate. The counselors made a lot of decisions. He did not recall their names.

He does not have any specific knowledge of acquisition, licensing or shipment of any weapons by PT members to Guyana or anywhere else. He does not have any specific knowledge of firearms training received by PT members. He is not aware of any threats to harm public officials or current and former members of the PT as a result of leaving the church or attempts to expose the church and subsequently, JIM JONES. He was not aware of any caching of weapons or money by JONES either in Guyana or at other locations. He is not aware of any contingency plans that existed or any discussions of a plan, reportedly espoused by JONES as means of retaliation against any persons attempting to arrest or capture JIM JONES or who would interfere with church policies. He is not aware of any officials, federal, international or other, who were set up as targets for murder. He does not know of any discussions of such a plan. He is not aware of individuals who were inner-core of the planning commission.

He stated that the persons that were trusted associates of the PT who acted without question for JONES who are considered extremely dangerous that are alive are all in Guyana. The persons that he

considers the most dangerous members of the PT were the "basketball team - security squad". They are now all alive and in Guyana. They are LEE INGRAM, JOHNNY JONES, TIM JONES, CALVIN DOUGLAS, JOHNNY COBB JONES, STEPHEN JONES and JIMMY JONES, JR.

The persons that comprised the PT security force were the above individuals. STEVE JONES was the son of Reverend JONES; he was a security head. He (STEVE) is a white male, age 19 years, black hair, heavy black mustache, 6', 185 pounds, with brown eyes and medium complexion. He "has a bad temper". He is alive in Guyana.

TIM JONES is alive in Guyana and he is about 17 to 18 years old, white male, 5'11", 165 pounds, with blond hair. He was part of security and was on the basketball team. He is "ignorant and has a bad temper".

LOU JONES is a male Chinese, 21 years, 5'8" to 5'9", 145 to 150 pounds, and the adopted son of JONES. He worked in the bakery and "had it easy". He is now deceased.

TIM CARTER is now living in Guyana and was a business associate of Reverend JONES. He is in his 20s or 30s. He could not describe him further. MIKE CARTER was also a business associate of JIM JONES and he could not describe him further. TIM and MIKE CARTER were caught by the Guyana Police in the jungle with a lot of money.

Most of the security force were in the Park Hotel in Georgetown, Guyana. This is a large hotel which is a place where all of the people from Jonestown were housed by the Guyana officials.

BOB KICE, a white male, was one of the security people and is "rough and dangerous".

CALVIN DOUGLAS, a black male, age 18 to 19 years, 6', 185 pounds, stubby build, was part of security and he

MM 89-179

12

is "ignorant, thinks bad and has a quick temper".

JIMMY JONES, JR., is a black male, 19 to 20 years, 6', 160 pounds, in security and he stutters. He was in a very jovial mood when [] last saw him and laughing on the bus last Monday near the airport.

b6
b7c

MIKE TOUCHETE is a white male and had something to do with the money in the camp. All of the TOUCHETE brothers had something to do with money in the camp. He is of medium build.

BUD SANDERS is a white male, light complexion and stout. He cannot describe him further.

LEE INGRAM is living in Guyana. He is a black male, 33 years, 175 pounds, 6'. He was in charge of the basketball team security. He travelled with the basketball team and was very close to Reverend JONES.

PAULA ADAMS died in Jonestown. MARIA KASSARAS is deceased. JIM MC CLBAIN or MC ELVAN died at Jonestown. He was very close to Reverend JONES. He was a white male. They were very few females that were able to escape from the camp, but there were about 11 total that escaped.

He is not familiar with what the word white knight means. He is not familiar with MARK LANE, but the name sounds familiar.

When he escaped from the camp, he went seven miles up the road into the jungle and ran 20 miles to the railroad. He was caught by some police from the Guyanan Government, near the railroad.

Reverend JONES had told him that if he tried to escape, he would "die".

He stated he does not know if the term "Angels" was identical to the security force or not.

He stated that he believes that he could identify some of the members of the Jonestown basketball team on sight.

He does not have any information regarding bribery or influence peddling by members of the PT.

He is not aware of any discussions regarding the assassinations of Congressman RYAN or his party. He does not know if Reverend JONES ordered the party ambushed. He does not know if there were any practice drills for ambush of anyone who disturbed the Jonestown compound. He does not know who participated in the assassination. He does not know from first hand knowledge of any practice suicide drills where people pretended to drink poison. He does not know if narcotics were used to facilitate this. He does not know if the mass suicide took place voluntarily or whether the people were forced to take the poison and shot. He did not witness the people doing the shooting.

He does not know of the existence of any assassination squad or the identity of its members. He did state that the basketball team - security force would be capable of just about anything.

He does not know of any remaining individuals who are at liberty that will carry out assassination plans of survivors or defectors.

He does not know of any information regarding involvement of members of the PT in any criminal offenses such as assault or homicide.

The only persons that he knows of that operated the radio in the camp were LEE INGRAM and one person whose name he does not recall that had curly hair. The curly haired person was a white male about 21 years, black hair, 5'7", 150 pounds.

MM 89-179

14

He believes that TIM JONES and MIKE CARTER may have also operated a radio. The curly headed boy was married to a black girl.

He recalled the Friday night when RYAN arrived in the camp, LEE INGRAM had taken the basketball team to Georgetown to play basketball. It was called in on the radio by LEE INGRAM from Georgetown that the team had won by ten points.

He does not have any knowledge of any written or oral oaths signed by members of the church. He does not know of any oaths signed for the purpose of killing a congressman, former President of the United States, or other government official should the United States bring disgrace upon the PT. He does not have any knowledge of any relocation plans in the event of mass suicide. He does not have any knowledge of any Soviet or Cuban association other than stated above. He is not aware of any meetings or contact between officials of the State of California, in particular a lieutenant governor, who may visited with PT officials and the Guyana Government. He does not have any information regarding PAULA ADAMS other than a PAULETTE ADAMS, who is believed to be dead. He does not know of anyone that might be JONES' sexual secretary. He does not have any information regarding a primitive nuclear device.

He advised that Doctor LAWRENCE EUGENE SCHACHT was known to him. He was the camp doctor. He was a white male in his mid 30s, 5'11", 165 pounds. He is now deceased. The thing that he remembered about SCHACHT was that he always had a weird smile. He had heard people in the camp comment that SCHACHT seemed to have a funny enjoyment of checking a person's prostate. Everytime anyone went to SCHACHT for anything, he was always checked for the condition of his prostate.

He stated that highly professional people in Jonestown of the PT made toy dolls. These dolls were sold in Georgetown. He had no information regarding narcotics.

MM 89-179
15

Some of the other Peoples Temple officials in the Jonestown camp were STANLEY CLAYTON, a supervisor in the kitchen. He is a black male, 25 (bald headed), 155 pounds, 5'11". He "talks a lot." ODELL ROSE was a public service supervisor. He is a black male, 36, 5'9", 160 pounds, with a bad right leg.

[redacted] stated that he plans to return to his residence and employment in San Francisco but is presently on his way to Orlando, Florida, to see his mother, who lives in [redacted], Florida. His mother will meet him at the airport in Orlando. He plans to return to work January 2, 1979.

ROBERT BOB PAUL was interviewed by Special Agents (SAs) [redacted] and [redacted], Federal Bureau of Investigation (FBI), at Miami International Airport (MIA), Miami, Florida. Present during this interview was Special Agent (SA) [redacted], United States Secret Service, Miami, Florida. Prior to the interview, the nature of this inquiry was explained to Mr. PAUL and that the FBI and Secret Service were desirous of any information he might have concerning events which had occurred in Jonestown, Guyana. (u)

b6
b7c

PAUL advised that he has just returned to the United States from Georgetown, Guyana, and that he had been at Jonestown, Guyana, until November 18, 1978, when he escaped. He stated that he was married by the Reverend JIMMIE JONES to RULETTA, his wife, while he was in Jonestown this year. He said he was married by simple decree by the Reverend JONES. He stated that he had left the United States in the early part of the year to go back to Jonestown because he wanted to see what was going on. He stated that he had heard that conditions at Jonestown, where his wife and three children had been staying, were not good. He advised that shortly after his arrival, he became fearful for his personal safety. (u)

He advised that he departed the United States around March or April 2, 1978, and arrived at Jonestown at that time and remained there until the day of his escape and the mass murders. (u)

PAUL also advised that there were a lot of secret police, many whose identities were not known to the general populace. He advised that you could have a good friend, and he might be with the secret police, and you would not know it. He advised that you would never know who might be informing on you, and you never knew who to trust in Jonestown. (u)

PAUL stated that on several occasions, alerts were held at Jonestown. He advised that these were drills held for security purposes. PAUL advised that at first, Reverend JONES was completely against Congressman RYAN's visit to Jonestown but afterwards announced that he would be addressing the community. He further stated that he knew an ELIU DENICE, who was a mechanic at the compound, and that he wanted to go home. He advised that he does not have any information or know anything about a "silent weaponry squad" but that he had heard of an "explosives unit" and that this was a squad that had bombs, demolition expertise, and may have had a bazooka. Dick Blay, ASAC, Memphis, telephonically on 12/8/78, advised the Memphis Office had received a telephone call from an individual who indicated he had been contacted by a friend who wanted to talk to the FBI. This so-called friend had recently installed

[redacted], either at Mark Lane's home or office. This individual saw some documents containing names of Peoples Temple and this individual in his own mind believed they were names of "dangerous" people. This individual may have also taken some papers (u)

Blay questioned whether Lane may be using someone to set up the FBI in accepting information from anyone along this line. I told Blay the FBI was obligated to talk to this man if he came to the FBI to volunteer information. Michael Abbell, Departmental Attorney, U. S. Department of Justice (DOJ), was on "hold" when Blay called in and I told Blay to hold and I would explain the scenario to Abbell. Abbell said the FBI should contact this individual, make arrangements to get facts, and if the individual took something from Lane's house, we should determine what, obtain facts, because it was his opinion this individual could have seen a danger type list indicating those people who could eventually attack other people. I told Abbell that we should contact the individual, find out details of what actually occurred, then have Memphis advise FBIHQ (u)

Blay was apprised of Abbell's thoughts in this matter and they will contact this individual and advise by phone and sutel complete details.

ACTION:

This matter should be followed closely and immediate action taken upon receipt of facts from Memphis.

VISIT WITH CONSUL MCCOY TO JONESTOWN ON MAY 10. BEGIN TEXT:

CONSUL MCCOY HAD RESERVED THE GUYANA SUGAR CORPORATION'S
CESSNA 402 AIRCRAFT FOR THE TRIP, AND WE LEFT OGLE AIRPORT

DEC 12 1978

IN THE EARLY MORNING HOURS TOGETHER WITH A YOUNG INDIVIDUAL
FROM THE PEOPLE'S TEMPLE WHOM I DO NOT RECALL BUT WHO MIGHT

HAVE BEEN [REDACTED] WE ARRIVED AT PORT KAITUMA AT ABOUT
0930 OR 1000 AND WERE MET AT THE AIRSTRIP BY THE DRIVER AND

LANDROVER ASSIGNED TO THE ASSISTANT DISTRICT OFFICER FOR
PORT KAITUMA, MR. [REDACTED]. ON OUR WAY OUT TO JONESTOWN,

b6 Per FBI
b7C

WE STOPPED AT PORT KAITUMA TO MAKE A BRIEF COURTESY CALL ON
MR. [REDACTED] WHO WAS NEWLY ASSIGNED TO THE AREA. CONSUL MCCOY,

I RECALL, PARTICULARLY REQUESTED MR. [REDACTED] ASSISTANCE IN
ASSURING THAT THE APPROPRIATE PROPER GUYANESE OFFICIALS

CERTIFIED AND REGISTERED PROMPTLY CERTIFICATES OF BIRTH AND
DEATH OF AMERICANS, WITHOUT WHICH THE AMERICAN CONSULATE COULD

NOT PROCESS PROPER AMERICAN DOCUMENTATION.

28 DEC 26 1978

2. AT THE ENTRANCE TO THE JONESTOWN PROPERTY THERE WAS A CHAIN OR ROPE STRETCHED ACROSS THE ROAD, WITH A SMALL SHACK AT ONE SIDE MANNED BY A YOUNG WOMAN AND A MAN. UPON RECOGNIZING OUR JONESTOWN ESCORT, THE MAN DETACHED THE CHAIN AND THE LANDROVER PROCEEDED THROUGH.

3. THE REVEREND AND MRS. JIM JONES, TOGETHER WITH SEVERAL MEMBERS OF THE PEOPLE'S TEMPLE, MET US UPON OUR DESCENT FROM THE LANDROVER AT THE SETTLEMENT PROPER, ABOUT 3 1/2 MILES FROM THE GATEWAY, ACCORDING TO ONE TEMPLE MEMBER. AS I HAD NO OCCASION TO MEET MEMBERS OF THE TEMPLE PREVIOUSLY, I DID NOT KNOW ANY OF THOSE WHO ACCOMPANIED US. I BELIEVE [REDACTED] [REDACTED], MIKE PROKES WERE AMONG THESE INDIVIDUALS.

b6 Per FBI
b7C

WE TOURED THE NURSERY, CHILDREN'S DAY CARE CENTER, AND SCHOOL, AFTER WHICH MR. MCCOY ASKED TO BE EXCUSED TO CONDUCT HIS CONSULAR BUSINESS IN THE OPEN-WALLED MAIN PAVILLION OF JONESTOWN. IT SHOULD BE NOTED THAT THIS BUILDING WAS LOCATED AT THE HIGHEST POINT OF JONESTOWN AND FORMED THE CENTER OF THE COMMUNITY. I COULD THEREFORE OBSERVE MR. MCCOY AS HE CONDUCTED HIS AFFAIRS WHILE I CONTINUED THE TOUR WITH THE JONESES. WE VISITED THE MEDICAL CARE FACILITIES, SAWMILL, WOOD SHOP, MACHINE SHOP, GARDEN AREAS, ETC. AND LOOKED IN AT SOME ELDERLY MEMBERS (CALLED "SENIORS") IN THEIR SMALL HOUSES. WE THEN PROCEEDED TO THE CENTRAL PAVILLION TO EXAMINE AN EXHIBITION OF HANDICRAFTS WHICH HAD PRESUMABLY BEEN SET UP FOR OUR VISIT. (A SIMILAR EXHIBIT WAS SET UP IN MY PRESENCE AND THAT OF CODEL RYAN ON NOVEMBER 17 IN ANTICIPATION OF THE ARRIVAL OF MEMBERS OF THE PRESS.)

4. MR. MCCOY AT THIS TIME WAS ADDRESSING A GROUP OF NEW AND EXPECTANT PARENTS REGARDING THE PROCEDURES TO BE COMPLETED FOR THE REGISTRATION OF BIRTH AND THE ISSUANCE OF PASSPORTS. AS I RECALL, MR. MCCOY PERFORMED OTHER CONSULAR

DUTIES SUCH AS THOSE CONNECTED WITH SOCIAL SECURITY BENEFITS, PERHAPS PASSPORTS, ETC. I RECALL DISCUSSING WITH HIM ONE INSTANCE OF AN ENQUIRY INTO THE HEALTH AND WELL BEING OF A JONESTOWN RESIDENT ON BEHALF OF A RELATIVE OR FRIEND IN THE UNITED STATES, BUT I DO NOT RECALL HOW MANY SERVICES OF THIS TYPE THAT MR. MCCOY PERFORMED THAT DAY.

5. LUNCH, A REASONABLY ATTRACTIVE MEAL FEATURING PORK, WAS SERVED TO MR. MCCOY, MYSELF, THE JONESES, AND FIFTEEN OR SO OTHER PERSONS IN THE MAIN PAVILLION. MR. MCCOY RETURNED TO HIS CONSULAR DUTIES AND I CONTINUED TO CONVERSE WITH THE JONESES AND A FEW OTHERS. JIM JONES WAS CONCERNED ABOUT THE FUTURE OF THE TEMPLE AFTER HE SHOULD PASS FROM THE SCENE; WE SPOKE AT SOME LENGTH ABOUT THE PROBLEM OF MOTIVATION AND REWARD IN A COMMUNAL NON-MONETARY SOCIETY; ABOUT PROBLEMS WITH THE BEEF CATTLE WHICH WERE NOT GAINING WEIGHT; ABOUT FORESTRY PROBLEMS (E.G., SOFT WOODS FOR LUMBER); ETC. JIM JONES WAS THEN CALLED AWAY BY ANOTHER PERSON, AND MRS. JONES IN WHAT MAY WELL HAVE BEEN A PRE-ARRANGED MOVE SAID SHE WISHED TO TAKE THE OPPORTUNITY OF JIM'S ABSENCE TO TELL ME OF WHAT A FINE MAN HE WAS, AND TO INSURE THAT I UNDERSTOOD THAT SHE FULLY SUPPORTED JIM JONES THROUGHOUT ALL ASPECTS OF BIRTH, REARING, AND CUSTODY OF THE CHILD JOHN STOEN, A MATTER THEN BEFORE THE GUYANESE COURTS. JIM JONES RETURNED, DWELT ON THE STOEN CASE FOR A FEW MOMENTS, VOWING NEVER TO VOLUNTARILY GIVE UP CUSTODY OF THE CHILD AND THEN TURNED TO OTHER SUBJECTS, AMONGST WHICH WERE EXAMPLES OF ALLEGED CALUMNIES CIRCULATED ABOUT THE PEOPLE'S TEMPLE BY "TROTSKYITES" (WHO APPEARED TO BE DEFINED AS THOSE PERSONS BELIEVING IN VIOLENT ACTION AND OPPOSED TO JIM JONES AND THE PEOPLE'S

6. WHEN MR. MCCOY COMPLETED HIS CONSULAR WORK LEFT

JONESTOWN TOGETHER WITH [REDACTED] AND HIS INFANT BOY WHO

ACCOMPANIED US BACK TO GEORGETOWN, ARRIVING ABOUT 1700 HOURS.

7. WHILE AT JONESTOWN I SPOKE BRIEFLY AND CASUALLY TO BETWEEN 15 AND 25 RESIDENTS IN ADDITION TO THOSE WHO PARTICIPATED IN THE TOUR OR JOINED US FOR LUNCH. AS IT WAS A WORKING DAY IN JONESTOWN, MANY RESIDENTS OF WORKING AGE WERE WORKING AWAY FROM THE CENTRAL PART OF THE SETTLEMENT, AND THERE REMAINED A PROPORTIONATELY HIGH NUMBER OF OLD AND YOUNG PEOPLE. ON THE TOUR, JIM JONES MADE A PARTICULAR POINT OF TELLING ME IN THE PRESENCE OF THE PERSONS CONCERNED THAT THE INDIVIDUAL PREVIOUSLY HAD BEEN INVOLVED WITH DRUGS, HAD BEEN A PROSTITUTE, HAD HAD MENTAL PROBLEMS, HAD BEEN AN ALCOHOLIC, ETC. EACH OF THESE PERSONS AGREED WITH JONES-DESCRIPTION OF HIS PREVIOUS LIKE AND NOTED IMPORVEMENT BROUGHT ABOUT BY JIM JONES AND JONESTOWN. IT APPEARED TO BE AN EXHIBITION WHICH JONES HAD STAGED FOR VISITORS BEFORE, PERHAPS TO REINFORCE HIS FREQUENT ARGUMENT THAT THE UNITED STATES GOVERNMENT SHOULD BE PLEASED WITH JONES AND JONESTOWN AS THE TAXPAYERS WERE ALLEGEDLY SAVING MILLIONS THAT WOULD HAVE HAD TO BE SPENT ON SUBSISTENCE, CARE, OR RESTRAINT OF THESE INDIVIDUALS HAD THEY CONTINUED THEIR PREVIOUS LIFESTYLES IN THE UNITED STATES. IN SUMMARY, ALTHOUGH THERE WERE CERTAIN ASPECTS OF THIS INTRODUCTORY VISIT TO JONESTOWN WHICH WERE PLAINLY STAGED FOR THE VISTORS (CRAFT DISPLAYS, CERTAIN INDIVIDUALS, BAND MUSIC WITH LUNCH, CAREFULLY SELECTED TOUR GUIDES WITH CAREFULLY PREPARED SPIELS), JONESTOWN APPEARED TO BE MUCH MORE THAN A POTEMKIN VILLAGE.

On 12/9/78, Mike Abbell, Departmental Attorney, advised he was contacted by a representative of the U. S. Department of State (USDS) who requested they be provided today a copy of the transcript of the tape recording of Jim Jones and followers recorded just prior to their mass suicide. Abbell stated the Department had previously agreed USDS would be provided a copy of the recording when duplicated. Abbell was advised that the only transcript presently available is a rough draft of a preliminary transcription, and a final, accurate transcription is not yet completed. Abbell then requested a rough draft transcription be provided to USDS, noting the request was presumably made in response to a 12/9/78, "Washington Post" article allegedly describing the contents of the tape recording.

Handwritten initials

REC-126 89-4286-1136

SA [Redacted], case coordinator, was contacted and instructed the transcript not be provided to USDS at this time as it is being held as possible evidence, it contains nothing of present interest to USDS and the transcript is in an incomplete form (u)

22 DEC 12 1978

[Redacted], USDS, advised he was calling per the USDS request of Mr. Abbell and requested a copy of the above transcript. This request was respectfully declined for the reasons stated by SA [Redacted]. Mr. [Redacted] was informed Mr. Abbell was being advised of the reason for denial and USDS would be immediately advised of any change.

Mike Abbell was recontacted and advised of the above stated reasons for not disseminating the transcript at this time. Mr. Abbell stated a copy of the transcript should be provided when reduced to final form, but need not be provided at this time. Mr. Abbell stated he will so advise Mr. [Redacted].

SUBJ: POST, HANDLING OF U.S. AND INTERNATIONAL
MEDIA JONESTOWN COVERAGE

1. THE SLAYING OF CONGRESSMAN RYAN AND OTHERS AT PORT KAITUMA AND THE SUBSEQUENT JONESTOWN TRAGEDY ON SATURDAY, NOVEMBER 18, 1978 TRIGGERED AN IMMEDIATE AND MASSIVE MEDIA INTEREST. THE INFLUX OF MEDIA REPRESENTATIVES FROM THE U.S. AND OTHER COUNTRIES CREATED AN INSTANTANEOUS AND MONUMENTAL TASK FOR POST AND THE GOGG MINISTRY OF INFORMATION (MOI) WITH POST BEARING THE BRUNT OF THE REPORTERS' IRE AND IMPATIENCE, AS MOST OF THE VISITING MEDIA WERE AMERICANS. IN THE TWO WEEKS FOLLOWING THE TRAGIC INCIDENTS, POST FACILITATED THE WORK OF MORE THAN ONE HUNDRED MEDIA REPRESENTATIVES, HOSTED TWO FORMAL PRESS BRIEFINGS AT USICA PREMISES, ARRANGED ANOTHER BRIEFING AT TIMEHRI AIRPORT WHERE THE U.S. JOINT TASK FORCE (USJTF) MADE

ITS TEMPORARY COMMAND POST, HANDLED HUNDREDS OF MEDIA TELEPHONE CALLS AND RECORDED INTERVIEWS, PROVIDED BACKGROUND AND LOCAL INFORMATION FOR SCORES OF REPORTERS, COORDINATED WITH MISSION STAFF AND MILITARY PUBLIC INFORMATION OFFICERS (MPIO) ON PRESS RELEASES AND OTHER PUBLISHABLE INFORMATION, ASSISTED MEDIA REPRESENTATIVES IN THEIR EFFORTS TO COLLECT NEWS MATERIALS FROM LOCAL SOURCES, ARRANGED SEVERAL BUS TRIPS FOR THE MEDIA TO COVER USJTF ACTIVITIES AT TIMEHRI AIRPORT, SUPPORTED AND FACILITATED THE WORK OF THE MOI IN ARRANGING A CHARTER FLIGHT TAKING 46 MEDIA PERSONS TO JONESTOWN, ARRANGED APPOINTMENTS WITH AMBASSADOR BURKE FOR ABOUT A DOZEN REPORTERS, AND LAST BUT NOT LEAST, PROVIDED REPORTERS WITH TELEPHONES, TYPEWRITERS, STATIONERY, AND OTHER FACILITIES WHICH ENABLED THEM TO FUNCTION IN GEORGETOWN WHERE THINGS ARE ALREADY DIFFICULT UNDER NORMAL CIRCUMSTANCES.

2. PAO KIBBLE WAS CALLED TO THE EMBASSY AT 19:45
SATURDAY NOVEMBER 18, WHEN INITIAL REPORTS FROM
PORT KAITUMA REACHED U.S. OFFICIALS, THIS WAS THE
BEGINNING OF A MARATHON WATCH, JOINED BY A PAO
SVENGSOUK AT 4:30 SUNDAY, NOVEMBER 19, WHICH CON-
TINUED ROUND THE CLOCK THROUGH DAWN TUESDAY NOV-
EMBER 21 AS THE MASSIVE PROPORTION OF THE JONESTOWN
TRAGEDY WAS CONFIRMED BY U.S. OFFICIALS WHO WENT TO
THE SCENE. DURING THIS FIRST PHASE, OUR MEDIA CONTACT
WAS MOSTLY BY TELEPHONE WITH QUERIES COMING CONTINUOUSLY
AT ALL HOURS FROM PLACES AS FAR DISTANT AS LONDON AND
SYDNEY. DIFFICULTIES IN COMMUNICATION AND TRANSPORTA-
TION WITH THE NORTHWESTERN REGION WHERE THE INCIDENTS
TOOK PLACE PRESENTED A SENSITIVE AND DELICATE TASK FOR
POST PERSONNEL IN TRYING TO COPE WITH MEDIA INSISTENCE

FOR IMMEDIATE CONFIRMATION OF EVERYTHING THEY HEARD AND RECEIVED FROM OTHER SOURCES.

3. ACAO [REDACTED] ARRIVED FROM CARACAS IN THE EARLY HOURS OF TUESDAY, NOVEMBER 21, IN TIME TO ASSIST IN THE OPENING AND OPERATION OF A TEMPORARY "PRESS CENTER" AT THE GROUND FLOOR OF POST BUILDING. THE MAKESHIFT CENTER WAS IMMEDIATELY INNUNDATED WITH MEDIA PERSONS, WHO UNTIL THEN HAD NO PLACE TO USE AS A BASE FOR THEIR ACTIVITIES. FOR MANY OF THEM, THE PRESS CENTER WAS TO BECOME A HOME AWAY FROM HOME FOR A FEW DAYS. AT THE SAME TIME, ELEMENTS OF THE USJTF BEGAN TO ARRIVE AT TIMEHRI AIRPORT. ITS MPIO CAPTAIN [REDACTED] [REDACTED] VISITED THE PRESS CENTER WITHOUT DELAY, CONFERRED WITH PAO [REDACTED] AND STAFF, AND WORKED OUT A STRUCTURED FORMAT TO INSURE THAT THE MOST TIMELY INFORMATION WILL BE MADE AVAILABLE TO THE MEDIA ON THE OPERATION OF THE USJTF IN DEALING WITH THE AFTER-MATH OF THE JONESTOWN TRAGEDY. 5

4. AR MEDIA COORDINATOR [REDACTED] ARRIVED FROM WASHINGTON LATE TUESDAY EVENING, A FEW HOURS AFTER THE DECISION TO REMOVE ALL THE BODIES FROM JONESTOWN AND EVACUATE THEM TO THE U.S. WAS OFFICIALLY ANNOUNCED WITH THE ACTUAL OPERATION COMMENCING WEDNESDAY, NOV. 22. ON WEDNESDAY, AS MEDIA PRESSED FOR TRIPS TO JONESTOWN, WHICH WERE NOT POSSIBLE DUE TO AREA HAVING BEEN DECLARED A HEALTH HAZARD BY GOG AND UNABILABILITY OF AIR TRANSPORTATION, THE POST DETERMINED THAT A PRESS BRIEFING WAS IN ORDER. [REDACTED] COORDINATED WITH MISSION OFFICERS AND MPIO IN ORGANIZING THE PRESS BRIEFING HELD AT THE PRESS CENTER AT 21:00 SAME DAY. THE BRIEFING WAS WELL ATTENDED WITH REPRESENTATIVES OF ALL MAJOR U.S. TELEVISION NETWORKS, NEWSPAPERS, AND WIRE SERVICES PRESENT. REPORTERS FROM ALL LOCAL RADIO STATIONS AND NEWSPAPERS WERE AMONG

THE EIGHT ODD PERSONS AT THE PRESS BRIEFING. THE MORE THAN ONE HOUR SESSION WAS DESCRIBED BY MANY REPORTERS AS "STORMY," BUT IT SERVED TO DEFUSE MEDIA'S CHARGES THAT MISSION HAD BEEN "STONEWALLING." AS THE JONESTOWN OPERATION WENT INTO FULL SWING THURSDAY, NOVEMBER 23, POST WORKED WITH MOI IN PROVIDING THE OPPORTUNITIES AND TRANSPORTATION FOR SOCRE'S OF MEDIA PERSONS TO GO TO TIMEHRI AIRPORT, 25 MILES AWAY, ON FOUR DIFFERENT OCCASIONS.

5. ON FRIDAY, NOVEMBER 24, AS REPORTS FROM THE USJTF INDICATED THAT THE ORIGINAL COUNT OF 400 BODIES WAS MUCH TOO LOW, THE MEDIA PRESSED FOR EXPLANATION. ANOTHER PRESS BRIEFING WAS CALLED TO INFORM THE MEDIA OF THE NEW SITUATION. THE SESSION WAS ALSO AS TURBULENT AS THE FIRST ONE. BUT IT PUT TO REST SPECULATIONS THAT HUNDREDS OF PEOPLE'S TEMPLE MEMBERS WERE HIDING IN THE DENSE

JUNGLE SURROUNDING THE JONESTOWN SITE. SEVERAL REPORTERS ACCEPTED THE ERROR IN THE BODY COUNT AS AN HONEST MISTAKE. BY SATURDAY, NOVEMBER 25, AFTERNOON, AS A JOLLY GREEN GIANT HELICOPTER CAME TINTO TIMEHRI WITH THE LAST BATCH OF JONESTOWN VICTIMS' REMAINS, MEDIA COORDINATOR SHAVER AND APAO SVENGSOUK WERE THERE WITH A BUSLOAD OF REPORTERS AND PHOTOGRAPHERS. ON SUNDAY, NOVEMBER 26, COVERAGE OF THE WINDING DOWN OF THE USJTF AND ITS IMMINENT WITHDRAWAL FROM GUYANA WAS ARRANGED BY POST FOR ABOUT 40 MEDIA PERSONS INCLUDING A REPORTER FROM THE NEW CHINA NEWS AGENCY. DETAILED REPORTS APPEARED IN ALL LOCAL NEWSPAPERS AND THERE WERE BROADCASTS WITH ACTUALITIES BY BOTH LOCAL RADIO STATIONS SAYING THAT U.S. MILITARY PERSONNEL AND THEIR EQUIPMENT WERE INDEED LEAVING GUYANA FOLLOWING COMPLETION OF THEIR LIMITED MISSION. TDY OFFICERS SHAVER AND MOSER RETURNED TO THEIR RESPECTIVE POSTS ON THE SAME DAY AFTER HAVING GIVEN THIS TWO-OFFICER POST THEIR MUCH NEEDED AND MUCH APPRECIATED EXPERTISE, ENERGY, RESOURCEFULNESS AND PROFESSIONALISM, AT THE HEIGHT OF THE MEDIA INVASION OF GEORGETOWN.

6. MEDIA DEMAND TO VISIT JONESTOWN WAS FINALLY MET MONDAY, NOVEMBER 27, WHEN MIO SUCCEEDED IN RENTING A CHARTERED PLANE AND A HELICOPTER TO TAKE 46 MEDIA PERSONS TO THE DESERTED AGRICULTURAL SETTLEMENT. POST WAS INSTRUMENTAL IN THE FINAL ARRANGEMENTS FOR THE TRIP INCLUDING BUS TRANSPORTATION FOR THE GROUP TO AND FROM TIMEHRI AIRPORT. THE EXODUS OF THE VISITING MEDIA BEGAN OVER THE NEXT TWO DAYS. ALTHOUGH THE PRESS CENTER CEASED OPERATION OFFICIALLY ON THURSDAY, NOVEMBER 30, THE SEVERAL REMAINING REPORTERS WERE STILL

UNCLASSIFIED

GEORGE 04201 02 OF 02 111902Z

ALLOWED TO USE THE SAME LOCATION AND FACILITIES FOR THEIR WORK.

7. MEDIA ATTENTION SINCE FRIDAY, DECEMBER 1, HAS BEEN FOCUSED ON SO CALLED "JONESTOWN SURVIVORS," AND THE GUYANESE AUTHORITIES LOCAL PROCEEDINGS AGAINST TWO MEMBERS OF THE CULT. POST HAS WORKED CLOSELY WITH U.S. CONSULATE TO KEEP MEDIA INFORMED OF PROGRESS OF THE REPATRIATION OF SURVIVORS WHO DESIRE TO RETURN TO THE U.S.

8. ALTHOUGH MEDIA INTEREST FOR THE BIZARRE AND SENSATIONAL ASPECTS OF JONESTOWN HAS TAPERED OFF, THIS HUMAN TRAGEDY OF UNPRECEDENTED PROPORTATIONS AND IMPACT WILL NOT FADE AWAY SOON. THEREFORE, POST ANTICIPATES THAT IN IN THE FORESEEABLE FUTURE, JONESTOWN AND ITS WIDE-RANGING HUMAN, LEGAL AND POLITICAL IMPLICATIONS WILL CONTINUE TO ATTRACT THE INTEREST AND ATTENTION OF THE U.S. AND INTERNATIONAL MEDIA OVERSHADOWING MUCH OF THE U.S. MISSION'S REGULAR ACTIVITIES IN GUYANA. POST IS MAKING EVERY EFFORT TO RETURN TO NORMAL, AND WILL KEEP AGENCY INFORMED OF THE EFFECT THAT THE AFTERMATH OF JONESTOWN MIGHT HAVE ON POST'S PROGRAMS. POST WOULD APPRECIATE ^{NY}ARS IDEAS AND SUGGESTIONS ON THIS MATTER FROM WASHINGTON'S VANTAGE POINT AND PERSPECTIVES.
