Transmittal letter designated to [redacted]

[redacted] marked "Personal and Urgent," and postdated Albany,  
New York, December 3, 1978, enclosing an eight-page unsigned  
letter as follows: (u)

"Sir: Beware 'The Farm,' near Summertown, TN!  
Please, do not publicise this drug cult in your  
pages! It is in the same category as the 'Jones  
Cult' What is presented to the 'public' (you  
for instance) is a facade of lies (and including  
your own several pieces on its 'marvels,' that  
has misled some of your readers into disaster  
beyond your belief! No one knew the truth about  
Jones' cult outside of the few who dared to talk  
and were not believed! See what happened? Only  
the names are different! The conditions are  
much the same, except that the 'Farm' cult is  
far more degenerate! We were there! We escaped  
by a miracle but lost everything - a small price  
to pay for our freedom!

ENCLOSURE

THE FARM  
SUMMERTOWN, TENNESSEE

"Any other information you have received about the Farm must be one of 2 kinds:

- "1. The 'propaganda' - or:
2. The truth!

"We feel your magazine was not to blame for our horror, but if you don't wake up, you will be to blame if you support this insane, incredible thing any further in your pages. We are not advising or criticizing; we are simply stating facts, based upon a nightmare experience which we survived. Scientology, Moonies, Jones' Cult, The Farm, and all their off-shoots and branch communes, are as deadly to America as the atomic war that is much more honest and open a threat.

"These cults appear to be kind, gentle, unselfish, helpful, healing, and harmless. Their leaders are often 'beautiful people' with great power to hold the rapt attention and worship of many troubled people, young and old, minorities, and the like. Even 'est' and TM. are, in the main, only more sophisticated mind traps for the unwary and innocent victims of men without conscience and an insatiable urge for absolute power. We have all copies of your magazine and respect your efforts. Please believe, we have no motive; no revenge, no punishment in mind, but a fair warning from those who were heavily involved in what, we were led to believe, was a viable, sane and healthy alternative to the conditions that seemed intolerable in the rapidly growing world violence & greed, the pursuit of pleasure, privilege, property, profit and power at the price of world destruction and the end of all good. Note this please. We do not write to the 'papers' or the T.V. people, or anyone but you, sir, the creator of the Mother Earth News wherein we saw and read the interview with 'Stephen' cult leader of 'the Farm,' and which led us to go to Tennessee at great loss to us of all our possessions, property, money, goods, peace of mind, but which taught us this priceless lesson:

(w)

THE FARM  
SUMMERTOWN, TENNESSEE

"Believe in nothing (and no one) that offers to 'save' you from the rest of your world at the price of your inalienable right to be yourself, whatever you are.

"We dare not reveal our names or real locations. People 'disappear.' The P. O. from which this is mailed is not even close to where we are. We hope you will publish nothing from any cult again, that you cannot personally verify as factual and not a propaganda 'come on' to entrap your readers. The 'Farm' has power over thousands of deluded people who will do ANYTHING they are ordered to do. This is the deadliest menace in the world - power such as that! For the sake of all who died at Jonestown and all who will die by similar means elsewhere, do not be a party to it, for God's Sake, PLEASE?

"We will never write again. Good-bye!"

[redacted] wife of [redacted] was contacted at [redacted] telephone number [redacted] and advised that [redacted] has no affiliation with The Farm of Summertown, Tennessee. [redacted] advised that [redacted] published an article concerning The Farm after one of the individuals associated with [redacted] went to The Farm and interviewed individuals there. [redacted] advised that that published article is available if desired. (u)

At the time the article was done, [redacted] advised one STEPHEN GASKIN solely controlled the Farm. She stated The Farm is approximately one thousand acres in size and has "hundreds of people" living there. She stated the inhabitants of The Farm are primary vegetarians who grow their own food. She advised the inhabitants are attracted to this commune ideologically and philosophically. It is generally a "back to the earth" movement; however, they do accept unwanted children at the location and care for these children. Also, there is a natural birth clinic operating at The Farm. (u)

THE FARM  
SUMMERTOWN, TENNESSEE

[redacted] advised that the representatives of [redacted] who traveled to The Farm for the purpose of the interview, were very impressed and praised it highly. There was no indication to anyone of any restraints placed on the inhabitants as movement appeared to be uncontrolled. However, [redacted] did advise that at the time of the publication representatives' visit, The Farm was controlled by one individual. Therefore, in view of the recent situation in Guyana, the above letter, which was received by her husband, was furnished

[redacted] was interviewed upon her arrival at the John F. Kennedy International Airport from Georgetown, Guyana. After being apprized of the identity of the interviewing agent and Special Agent [redacted] of the United States Secret Service, who was present during the interview, [redacted] provided the following information: (u)

[redacted] had been in Guyana since August 19, 1977, and in Georgetown for approximately the last two months. She had gone to Georgetown to [redacted] and [redacted] at the People's Temple house. Except for the last two months, [redacted] had not been outside the Jonestown complex since her arrival in Guyana. (u)

[redacted] first came in contact with the People's Temple approximately nine years ago when she resided in the Redwood Valley near Ukiah, California. A friend of hers, [redacted] told her that the Temple was wonderful and [redacted] went to her first meeting nine months after her first contact with the People's Temple. JONES told the members of the People's Temple that the Temple should move to Guyana because poor people could not obtain land in the United States. [redacted] voluntarily gave her home to the People's Temple when the latter moved to San Francisco. [redacted] was told by the Reverend JIM JONES that if she did not give her home to the People's Temple, the Government would take it away by imposing high taxes. [redacted] was also told that the proceeds from the sale of her house would be used to help educate the children and elderly of the People's Temple. Upon her arrival at Jonestown, Guyana, [redacted] gave her money to Layton. [redacted] noted that not many Black people in Jonestown handled money. (u)

[redacted] added that when she arrived in Jonestown, life was not as she envisioned it would be. She lived in a building first called a dorm and later called a cottage. [redacted] job consisted of doing maid work, caring for children, cooking and washing. [redacted] never protested because her (u)

[ ] CARDELL NEAL, (died at Jonestown), told her to keep her mouth shut or he would die. If you did not do as JONES wished, you would be put in a guarded place. (u)

[ ] stated that she was not aware of any threats to harm public officials or current and former members of the People's Temple. [ ] stated that political leaders were never mentioned. (u)

The day of the suicides at Jonestown, [ ] was in Georgetown. About 8:30 PM, [ ] heard screaming at the house and closed the door in the room where she was staying. Someone told her that a mother, a Jewish lady, had cut her daughter's throat and that a white man had also cut one of her daughter's throat. [ ] heard that they wanted to kill STEPHIE JONES and [ ] recalled seeing a little girl with blood on her leg and throat. (u)

Present at the Georgetown house with [ ] were HENRY YATES, 50 years old and planning to marry a Guyanese soldier, MARY ANN CASSANOVA and her daughter, JIM JONES, Jr., STEVEN JONES (JIM JONES' only blood son), LEE AGNER (phonetic), DEBBIE CRUCHET, SMITH (First Name Unknown) (FNU), JEAN SMITH, CARL (Last Name Unknown) (LNU), one of the GREGS. (u)

[ ] stated that the People's Temple had two boats. There were two different names for one boat and one was a big u-boat from San Francisco. [ ] heard that the u-boat had been rented. (u)

[ ] saw only two weapons at Jonestown, but saw many bows and arrows. [ ] had no specific knowledge of acquisition or shipment of any weapons by the People's Temple. She never saw anyone training with any weapons. [ ] did not know what was kept in Cottage 14. (u)

[ ] noted that drugs were kept in a restricted area and she did not have access to them. [ ] once heard JIM JONES order that drugs be given to a girl because she wanted to fight. (u)

Guards were used at Jonestown to keep inhabitants from leaving. [ ] did not see these guards with guns, but they did carry outlasses. [ ] did not know any of the guards by name. She recalled that at meetings, JONES stated that if anyone should leave Jonestown, the church would have someone "take care of you". (u)

At one of the meetings or "gatherings", [ ] was present during a practice suicide drill. JONES' plan was that if one should come to Jonestown to take anyone away, everyone would kill each other, all would die together. During this drill, in September, 1978, everyone took the Kool-Aid because they were afraid not to. [ ] believed the drill was a result of the visit by a lawyer who wanted to take away one of JONES' children. JONES insisted that the child was his. (u)

[ ] recalled that once someone fired shots into the compound at Jonestown. Bullets were heard and everyone laid down flat on the ground. Jones stated that the CIA and the lawyer who wanted JONES' child were responsible for the shots. (u)

[ ] stated that JONES was ill. At the meetings, doctors told everyone that JONES' temperature was 105 degrees at all times. [ ] noted that JONES could not remain anywhere for long because he had to use a bathroom often. (u)

[ ] believed that the People's Temple's money was placed in a bank in Georgetown. [ ] recalled that on one occasion, the Guyanese police raided her cottage and found some money. [ ] did not know how the money had gotten in her cottage. [ ] stated that there was one woman who controlled the money who was called a "coordinator" and picked by JONES. (u)

[ ] stated that members of the People's Temple were told to tell visitors that they worked when they wanted to and not to tell them how much they ate. In reality, they worked everyday, except half day on Sunday. [ ] added that they had plenty of food to eat, although meat was usually given to the children. Discipline consisted of being worked harder than usual. (u)

B2

[ ] noted that all Jonestown survivors were required to give their names and phone numbers where they could be reached in the United States to the United States Embassy in Guyana. [ ] heard that 30 persons escaped suicide at Jonestown, but she was of the opinion that there must have been more, as Jones had told Temple members that there were 13,000 inhabitants of Jonestown. [ ] believed that there were more babies than were discovered who had no American passports because they were born in Guyana. /u/

[ ] provided the following information regarding the below noted individuals: /u/

[redacted] advised that she never heard of anyone  
being beaten at Jonestown. She stated, however, that she  
would not be surprised if such things occurred because she  
did not know what happened at night. [redacted] noted that  
she was usually exhausted because it was difficult to sleep  
with the constant playing of news tape recordings over the  
Public Address System. (u)

Concerning the assassination of Congressman LEO  
RYAN, [redacted] stated that she did not know anything about  
that matter because she was in Georgetown at the time.  
[redacted] heard that the reason for the assassination was that  
a black girl from Los Angeles was trying to escape from  
Jonestown. (u)

[redacted] stated that she recalled that Reverend  
JIM JONES asked the members of the People's Temple if they  
would move to Russia or Cuba. The members, however, responded  
that they did not wish to go because there were no blacks  
in Russia. They told JONES that they would rather return  
to the United States. (u)

B2

[ ] stated that she was not aware of any contingency plans that existed or any discussions of a plan by JIM JONES as a means of retaliation against anyone attempting to arrest or capture JONES. [ ] recalled, however, that JONES had once stated that if the CIA should come after him, he would surrender so that the remaining members of the People's Temple would not be hurt. (u)

Regarding the involvement of members of the People's Temple in any criminal offenses, [ ] stated that JONES had often admonished one "STANLEY" (Last Name Unknown) (LNU) that he would not return to the United States because he would be arrested. [ ] described "STANLEY" as a black male, very dark complexion, 5'9" tall, slim build, approximately thirty years old and having a receding hairline with a noticeable bald spot in the middle of the top of his head. [ ] added that "STANLEY" is still in Georgetown, Guyana. (u)

[ ] noted that MARY ANN CASSANOVA operated the radio at Jonestown. MARY ANN CASSANOVA is in Georgetown and is suppose to return to the United States with DIANE CASSANOVA who is keeping a child who is deaf, dumb, approximately eighteen years old and called "HENRY". [redacted] was met at Pan American Hangar 17, John F. Kennedy International Airport (JFKIA). She was advised of the identities of the interviewing Special Agents (SAs) [redacted] and [redacted] United States Secret Service, and of the nature of the inquiry. At this time, she advised that a member of their group, one [redacted] had made arrangements for an Attorney, JOSEPH BLATCHFORD, to be on hand at JFKIA and that she would be willing to be interviewed only after being advised to do so by the attorney (u)

[redacted] entered the area where [redacted] was located and advised her that he had met with Attorney BLATCHFORD and that BLATCHFORD advised that he and the others be fully cooperative in answering all questions asked by law enforcement officials. At this point, Supervisory SA [redacted] Federal Bureau of Investigation (FBI), advised [redacted] that if she still desired to talk with the attorney, he would take her to where the attorney was located. [redacted] declined and advised that she was now willing to be interviewed and would be fully cooperative. [redacted] thereafter provided the following information: (u)

She first became aware of the Reverend JIM JONES while living in Redwood Valley, California, in February of 1968. Her husband [redacted] had attended some of JONES' services and was impressed with his Church. (u)

Later in 1968, [redacted] joined Reverend JONES' Church. At the time they joined the Church, the [redacted] in Redwood Valley, California. Although a member of the Church, [redacted] retained ownership of this home until 1976 when it was deeded to the Church. In [redacted] went to Guyana to help in the early development at Jonestown. the United States of America (USA), she was shown on several occasions photo slides of Jonestown and was told by other members of the Peoples Temple (PT) that it was like heaven on earth. Living conditions were described as being excellent and every family was said to have their own cottage. [redacted]

[redacted] was still reluctant to go to Jonestown. At the time [redacted]

and most of them desired to go to Jonestown. They were unable to go without her agreeing to accompany them. She finally agreed to go to Jonestown in July of 1977. (u)

Upon arrival in Jonestown, she discovered that she had been misled as to the living conditions in Jonestown. Families did not live together, but were separated, as she lived in a cottage with 14 other adults. (u)

Although she was married to [redacted] she received permission from Reverend JONES to live with [redacted] (u)

[redacted] worked as [redacted] and [redacted] at Jonestown. The regular working day consisted of eleven or more hours of work and then usually a meeting in the evening. Food consisted of rice and gravy, sometimes soup and almost never any type of meat. (u)

After arriving at Jonestown, she was convinced that the only way out of there was death. Reverend JONES often told them that the roads to Jonestown were all one way leading in. The only time she spent away from Jonestown was approximately six weeks approximately six months ago. She was assigned to be a [redacted] in Georgetown for a group of visitors. During this entire six week period, she was not allowed to talk to anyone in the visiting party. Also during the entire time she was in Georgetown nobody in her family was allowed out of Jonestown. (u)

It was standard procedure in Joenstown that when a husband left Jonestown, his wife would not be allowed out. In rare cases, when a husband and wife were allowed out together, their children would be held at Jonestown. (u)

BQ 89-495

She advised that regarding any written oaths made by members of the PT that she must have signed hundreds and hundreds of blank pieces of paper while at the PT in San Francisco, and in Jonestown. Members, including herself, were also required to sign confessions admitting that they molested their own children, to having committed murders and other crimes. This was done as a test of loyalty to the Reverend JONES. (u)

Reverend JONES had body guards that were armed. They included TIM JONES, JIMMY JONES, CALVIN DOUGLAS, JOE WILSON, and JOHNNY COBB. (u)

There was a security force at Jonestown and it was used for internal policing. Reverend JONES first claimed tha the security force was for defensive reasons, to defend the camp from the Guyana Government forces. He later claimed that the security force was to guard the camp against an invasion from Venezuela. (u)

In reality, the security force was used to prevent escapes from Jonestown and to enforce Reverend JONES' rigid standard of discipline. All during the night security guards patrolled the perimeter of the camp. These guards carried weapons. They carried shotguns and they carried rifles with scopes. These weapons were in clear view and no attempt was made to conceal them from the view of camp residents. Many were equipped with straps and carried on the backs of the guards. In addition to patrolling the perimeter of the camp, the security forces also made bed checks during the night. The security forces had informers among the ranks of the PT and it was not uncommon for one's own family member or spouse to turn one in to security. (u)

The following people were considered to be members of the security force by [redacted] (u)

BQ 89-495

1. STEVEN JONES - Described as overall head of everything at Jonestown after Reverend JONES.

2. TIM JONES - White male - Head of security

3. JIMMY JONES, JR.

4. CALVIN DOUGLAS - Head of security

6. JOHNNY COBB - Head of security

BQ 89-495

Although she never heard the term "Angels" used, she speculated that this might refer to the Church hierarchy made up of the following women: (u)

TERRI BUFORD  
SANDY BRADSHAW  
JEAN BROWN  
CAROL LAYTON  
ANNIE MOORE  
MARIE KATSIRES  
SHARON AMOS

The above women were in on all decisions made by Reverend JONES at Jonestown and they were the most powerful people in the Church next to Reverend JONES. (u)

The Planning Commission consisted of possibly 100 members who helped decide PT policy regarding purchases and future plans. [redacted] was a member of the Planning Commission while in San Francisco. There was no Planning Commission at Jonestown. Reverend JONES did all the planning personally. (u)

She did not know of any information concerning bribery of influence peddling by members of the PT. (u)

Concerning Lieutenant Governor DI MALLEY of California, she advised that he visited Jonestown and was very impressed with the PT and made favorable remarks about the PT and Reverend JONES. [redacted] views DI MALLEY as a dupe who was taken in by Reverend JONES. (u)

She could provide no information regarding members of the PT who are fugitives from justice in the USA. (u)

During the latter part of September of 1978, a Soviet official visited Jonestown. She believes this official's name was TIM OPHEA (phonetic) [redacted] spelling). (u)

BQ 89-495

She has no specific knowledge as to how weapons were shipped to Jonestown. They were specifically told that the guns were there legally to protect the camp from invaders. These guns were used by security and she would estimate that there were between 50-100 guns at Jonestown. (u)

Although she never witnessed any firearms training either in San Francisco or in Jonestown, while at Jonestown, she often heard shots. STEVEN JONES was known to be an excellent marksman and considered the weapons expert at Jonestown. He personally had charge of cleaning the weapons. (u)

[redacted] heard the term "Contingency Plan" used when Reverend JONES was talking about the MYRTLES or the STONES or other defectors from the PT. Reverend JONES openly advocated the killing of anyone who he considered to harm his Church. By this, she understood he meant defectors or anyone who would even talk against the PT. (u)

Although she never knew if any specific official targeted for murder, Reverend JONES often went into a tirade when talking about former President RICHARD NIXON. Reverend JONES also frequently went into a tirade against Senator JOHN STENNIS. (u)

[redacted] participated in three suicide rehearsals while a member of the PT, specifically recalling the year or circumstances. While residing at Jonestown, she participated in two suicide drills. The first one in Jonestown was a result of the threat that the parents of JOHN STONE were coming to get him. (u)

During this drill, a big container of Kool-Aid was put out and everyone was told to drink. Some people even acted as if they were dying at the direction of Reverend JONES. During the drill, armed security guards were all around and there was clearly no choice as to drink or not to drink the Kool-Aid. There was one other time at Jonestown when she participated in a suicide drill, but she could not recall what specifically triggered this drill. (u)

BQ 89-495

She is not aware of any relocation plans in the event of a mass suicide. (u)

Regarding the radio, she was aware that they used some type of code and that HARRIET was called SARAH in this code. She is also aware that SHARON AMOS was operating the radio at Georgetown during the time the mass suicide was ensuing in Jonestown. (u)

People who operated the radio were trusted members of the PT, as well as knowledgeable of the Church's business. (u)

Reverend JONES often referred to former President NIXON in very derogatory terms and referred to him as "TRICKY DICKEY." He also frequently stated that he would get his someday. Although she has no knowledge of a hit list, she believes that any PT defector would be likely candidates for assassination, as well as former President NIXON. (u)

PAULA ADAMS was used by Reverend JONES to seduce officials in the Guyana government. The identity of these officials is not known to her. ADAMS also lived with some Guyana official in Georgetown. It was widely believed at Jonestown that in addition to PAULA ADAMS, CAROLYN LAYTON, and SANDY BRADSHAW were also used in this manner. Reverend JONES was also reported to be sexually involved with PAULA and SANDY. (u)

The only reference she has ever heard to a nuclear device was made by Reverend JONES in San Francisco in 1976. During one of his tirades, he alleged that he had the bomb. He gestured with his hands to indicate the mushroom cloud and then made an A with his hands to indicate an A-bomb, although he did not verbally say A-bomb. (u)

There were numerous "White Nights" during the one and one half years she spent at Jonestown. An alarm would sound and they would all respond to the pavillion where Reverend JONES would ramble for hours about various topics. (u)

Hut C-14 was the hut in which Reverend JONES resided. There were also movements of weapons in and out of Hut C-14. (u)

She was aware that drugs were administered to people who were discipline problems at Jonestown. (u)

The following is an account of the events leading up to Congressman RYAN's visit to Jonestown, through and including his murder: (u)

During the last few weeks previous to Congressman RYAN's visit to Jonestown, there was a general consensus among many members of the PT that the end was near for all of them. Approximately one and one half weeks prior to the visit, HAROLD CORDELL was made aware of the fact that a large quantity of deadly poison had arrived in Jonestown. This poison was discovered by the man who ran the piggery. (u)

During the last few weeks at Jonestown, Reverend JONES talked often about moving Jonestown to Russia or Cuba. Reverend JONES showed a preference for moving to Russia. The Russian language was being taught and the Russian Ambassador visited Jonestown. (u)

A few days prior to RYAN's visit, Reverend JONES announced that he was going to make a last stand in Jonestown. (u)

When RYAN arrived in Georgetown, Reverend JONES called everybody to the Pavillion and announced that RYAN had arrived in Georgetown and intended to visit Jonestown. Reverend JONES raged that he did not want RYAN or anyone else to visit Jonestown. He stated that he would stop RYAN and his party at the gates and take their cameras from them. He also stated that he might make "stew" out of RYAN. [redacted] explained that Reverend JONES claimed to have made stew out of the remains of an individual who attempted to invade Jonestown at an earlier date and fed it to the residents of Jonestown.) Reverend JONES also commented that maybe the Contressman's plane would fall out of the sky before reaching Jonestown. After being dismissed from the Pavillion, another announcement was made advising the people that RYAN was going to make his visit and that all were to report to the Pavillion again at 8:00 PM. The people were warned not to talk to any of RYAN's people if they valued their children's lives. They were warned that security would be around and that they were to be cleaned up and dressed up properly. When the Congressman arrived, an announcement was made that there was to be entertainment for "everyone" at the Pavillion. The everyone meant that everybody was being ordered to the Pavillion to meet the Congressman. After the entertainment was over, everybody went back to their respective hut. (u)

BQ 89-495

On Saturday morning, JOHNNY JONES made an announcement that this would be a day off. During the AM on Saturday, [redacted] and [redacted] went to the saw mill. [redacted] and [redacted] had been planning to escape for some time. [redacted] was very familiar with the jungle because he was one of the first PT people to go to Jonestown. He had made a contact with some Guyana Government officials to provide him with railroad passes. [redacted] had not yet told her children of the planned escape because she was afraid that her children might turn her in to security. At the saw mill on Saturday morning, she started to explain to her oldest child [redacted] about the escape. [redacted] accused her mother of trying to trick her and then revealed that she and [redacted] had been planning an escape, but were afraid to tell her because they thought that she may turn them in to security. (u)

For a variety of reasons, this plan to escape by train went awry and in the interim, the first defectors had already contacted Congressman RYAN. They had avoided using RYAN because they felt Reverend JONES would not allow anyone to leave with him. They then found out that Reverend JONES agreed to allow people to leave and was giving them their passports. It was at this point, that [redacted] approached RYAN. [redacted] and [redacted] defected with her. [redacted] and [redacted] would not defect and eventually died in the "mass suicide." (u)

Prior to leaving Jonestown, all the defectors lined up and Reverend JONES said goodbye to them. Reverend JONES asked [redacted] why she was leaving him after all these years. She replied that she had to go with her family. After he said goodbye, both MARCIA and HARRIET passed through the defectors and said goodbye. (u)

Congressman RYAN requested that each defector state on his tape recorder that they desired to leave Jonestown and were leaving of their own free will. All the defectors got on the truck and then LARRY LAYTON got on. The defectors felt that LAYTON had a bomb and was going to blow them up. (u)

BQ 89-495

They told JIM COBB (a defector who came with Congressman RYAN) that LAYTON was not a defector, in that he was one of Reverend JONES' most trusted people. They wanted him thrown off the truck. (u)

There was great anxiety on the truck, in that the general feeling of the defectors was that Reverend JONES would not let them leave alive. (u)

As they were waiting on the truck to leave Jonestown, they were told by one of Congressman RYAN's aids that RYAN was attacked, but that he was not harmed and the blood on his shirt was that of the attacker. JOE WILSON then got into the truck and they drove off. When they arrived there, there were no planes and only four Guyana soldiers at the air field. (u)

The smaller plane came in first, followed by the larger plane. It appeared that everybody could not leave in these two planes. Congressman RYAN's secretary was making arrangements to load all the defectors on the two planes. There was talk that Congressman RYAN intended to return to Jonestown to determine if there were more people who wanted out. (u)

Because of the presence of LAYTON in the ranks of the defectors, Congressman RYAN was persuaded by other defectors to search people before they got on the plane. The smaller plane was being loaded first and LARRY LAYTON demanded that he be allowed on the first plane, stating he had been promised that he could be on the first plane. After LAYTON was patted down, [ ] observed him shaking hands with JOE WILSON. She observed WILSON pass something to LAYTON which LAYTON concealed under his sweatshirt. Although [ ] could not physically see a gun, she thought at the time that WILSON had passed LAYTON a gun. (u)

[ ] along with [ ] and [ ] boarded the larger plane. [ ] she noticed the trailer pull to the air field. She observed RONNIE JAMES and WESLEY BRIDENBACH outside the aircraft (u)

BQ 89-495

looking around. She then noticed the trailer pull up next to their plane. The next thing she recalls is that TOM KICE, JOE WILSON, ALBERT TOUCHETTE were shooting at them into the plane. She observed STANLEY GIEG driving the trailer. She also observed BOB KICE, RONNIE JAMES and EARNEST Last Name Unknown (LNU) doing the shooting. She was told by other defectors that ANTHONY SIMONES also participated in the attack. (u)

Although she was not harmed in this attack, [redacted] [redacted] were wounded. They were in the rear of the aircraft when the attack started and managed to pull the door shut, keeping the attackers outside. [redacted] [redacted] was killed (u)

During the shooting, someone shot a tire of the plane out. After the shooting stopped, another defector stated that the attackers were driving off. The door to the aircraft was put down and the survivors ran into the jungle. (u)

After being sure the attackers were out of the area, she came out of the jungle to aid the wounded. [redacted] specifically aided one Miss SPEAR (phonetic), Congressman RYAN's secretary. (u)

The four Guyana guards did not come to their aid during the shooting and were not around at this time. (u)

The wounded were taken to a tent and the remaining survivors, who were not hiding in the jungle, spent the night in a rum house. (u)

All during the night, there was a lot of concern that the attackers would return to finish them off. (u)

The Guyana army arrived at their location approximately 6:00 AM on Sunday morning. The first plane to get them out arrived at 10:00 AM. (u)

BQ 89-495

[redacted] speculated that should the PT continue,  
the most likely person to take over as head of the PT would  
be ARCHIE HYAMS. She does not think that STEVEN JONES will  
ever be allowed out of Guyana, but that if he is released,  
he would attempt to become the head of the PT. She does  
not think HYAMS and JONES could work together or share power. (u)

In addition to the above, [redacted] recalled that  
during the numerous "White Nights" held at Jonestown, old  
people would frequently beg Reverend JONES to allow them  
to strap bombs to their bodies and allow them to walk into  
government buildings, such as the State Department or Pentagon  
and blow themselves up, as well as the building. (u)

An individual, who identified himself as EUGENE ERSKINE SMITH, was contacted as he departed Pan Am Flight 228 at John F. Kennedy International Airport (JFKIA), Queens, New York (NY). At this time, SMITH was advised of the identities of Special Agent (SA) [redacted] Federal Bureau of Investigation (FBI) and SA [redacted] United States Secret Service (USSS). SMITH was advised that the nature of the interview concerned the assassination of Congressman LEO RYAN and the activities of the People's Temple (u)

SMITH indicated that his first affiliation with Reverend JIM JONES was in the early months of 1975, when his legal guardian, a [redacted] began attending meetings in Fresno, California. SMITH explained that he attended for a few times but then stopped for approximately six months. He moved to San Francisco, California in late 1975 on Buchannon Street. SMITH would help with construction work at the People's Temple in San Francisco. He advised that he built a darkroom and a printing press. SMITH advised that during his initial indoctrination with the People's Temple, he often had doubts about JIM JONES' healings. SMITH advised that he went to the Jonestown settlement in March of 1978. He indicated that his wife, OLLIE MARIE WIDEMAN, had gone to Jonestown a week ahead of him. His mother had been there for six months. (u)

SMITH's only acknowledgement regarding written or oral oaths was that members would sign in at meetings. He said this was done because of the attempt on the life of JIM JONES. SMITH stated that he never signed anything. (u)

When questioned about whether JONES had personal bodyguards, SMITH only stated that JIMMY JONES, Jr., TIM GLEN JONES and JOHN COBB were always around him. (u)

SMITH advised that his duties in the Jonestown settlement included doing shoe repair work and being on the wood chopping crew. He stated that he lived in cottage number thirteen with his wife. SMITH could not recall the names of any other individuals who lived in cottage thirteen. SMITH (u)

indicated that on November 18, 1978, he was in Georgetown, Guyana, where he had been working for the past two months. His duties in Georgetown included working on the Bedford truck - unloading supplies. SMITH stated that he worked with CHUCK KIRKENDOLL and [redacted] He stated that both KIRKENDOLL and [redacted] were in San Francisco. During this time, he lived at the Lamaha Gardens in Georgetown. (u)

When asked about the Security Force, SMITH became increasingly vague with his answers. He provided the following names as being members of the Security Force. (u)

TOM KICE  
JIMMY JONES, Jr.  
TIM GLEN JONES  
JOHN COBB  
TIM JONES (both white and black) (u)  
LOU JONES

He advised that the Security Force "walked" with JIM JONES. SMITH stated that he never heard of the term "angels". (u)

SMITH indicated that he had only observed one weapon, a shotgun, and that they had a hunting license for it. SMITH did not supply any information about who and/or what was kept in hut number fourteen. It should be noted at this time that the interviewing Agent felt that SMITH was being evasive and deceptive. Continued inquiries regarding weapons and the Security Force met with negative results. (u)

BQ 89-495

SMITH stated that he was never a member of the Planning Commission and only provided the names of TERRI BUFORD and TIM STOEN as being members. (u)

SMITH would not acknowledge any information regarding assassination plans or the forming of a "hit list". SMITH denied the fact that STEVEN JONES had given him assassination assignments. (u)

In regards to the death of SHARON AMOS and her three children, MARTIN, CRISTA and LE ANN, SMITH stated that he was not there. He was living at Lamaha Gardens. He advised that they were killed on November 18, 1978, their throats slit. SMITH stated that CHUCK BELKMAN and STEVEN JONES were being held for the deaths. SMITH indicated that STEPHANIE JONES was with the AMOS' at their deaths and that CALVIN DOUGLAS had pulled STEPHANIE JONES out. He stated that she also had a knife cut across her throat. SMITH denied that he had bragged about killing SHARON AMOS or that he had anything to do with their deaths. (u)

SMITH stated that he first heard of the deaths at the JONESTOWN settlement on November 19, 1978, when he was in Georgetown. SMITH said he later saw ODELL RHODES in Georgetown at the Park Hotel. According to SMITH, RHODES may have been responsible for holding children during the "forced suicides". (u)

Due to the fact that SMITH was being evasive and deceptive, the interview was terminated by the interviewing Agents. (u)

On 1/5/79 a conference was held at the U. S. Department of Justice on the RYMUR investigation. Associate Attorney General Michael Egan chaired the meeting. Those in attendance were Assistant Attorney General Philip Heymann, Criminal Division; Deputy to Associate Attorney General Robert Ford; U. S. Attorney (USA) William Hunter; Assistant U. S. Attorney (AUSA) Robert Dondero, San Francisco; ASAC Larry Lawler, San Francisco; Stuart Schiffer, Jim Hergen, and Dave Epstein, Civil Division; and Mike Abbell, Criminal Division. Representing the Bureau from FBI Headquarters were Deputy Assistant Director Ingram; Adrian Steel, Special Assistant to the Director; Section Chief Douglas Gow and Case Coordinator [redacted]

DE-9 REC-125

89-4288-1582

Egan advised he has been given the responsibility by the Attorney General to follow this case and his Deputy Robert Ford has been assigned by him to handle liaison with the Hill as well as with The White House. USA Hunter gave an overview of the case; the fact the Grand Jury is presently in session with the primary purpose to seek out all possible Federal violations and looking for the conspiracy. Hunter advised that there are approximately 25 individuals now living at the Peoples Temple in San Francisco and all have declined interviews by the FBI through their attorney Charles Garry. He said all Peoples Temple members desire immunity. A discussion was held by Hunter and Larry Lawler regarding those in charge of the Temple in San Francisco and they indicated that the key figures are Sandy Bradshaw, Leona Collier and Jean Brown. Bradshaw had been living in Rev. Jim Jones' apartment in San Francisco.

22 JAN 11 1979

The majority of discussion at the conference was held regarding funds. Jim Hergen of the Civil Division set out that based upon information to date it appears that the Peoples Temple could possibly have control of about \$20,000,000. Funds are scattered in such places as Panama, Switzerland, Nassau, Bahamas; Granada, West Indies, Antilles, Tobago, Trinidad, and Caracas, Venezuela, as well as in California.

Memorandum to Mr. Moore  
Re: RYMUR

Assets in California being reviewed and IRS has indicated in California they are extremely interested in Peoples Temple funds. Hunter and Dondero indicated they are questioning all individuals going before the Grand Jury regarding funds.

Hunter advised that Joe Frietas, San Francisco District Attorney, has a local Grand Jury underway but is not furnishing data to Hunter or to anyone else regarding Grand Jury proceedings. Hunter is upset with the local Grand Jury; however, allegedly it is investigating possible state and local crimes by the Peoples Temple.

Discussion was had regarding names of prominent individuals mentioned thus far through the years as possible targets. Hunter set forth the names Goldwater, Stennis, Hunter, Younger, Reagan, Nixon, Cecil Andrus, Willie Brown and Mayor Moscone (now deceased), as those who could be potential targets. He explained that through the years Jones and others have thrown these names out and to date no hit list has been uncovered. Lawler said the San Francisco Office is reviewing all FD 302's to insure where there could be allegations of possible targets; this information is immediately disseminated to the San Francisco Police Department or to appropriate law enforcement agencies as well as those persons named being immediately contacted and alerted.

Those named above have been so advised, according to Hunter. Twelve Agents have also been assigned by the San Francisco Office to review all documents obtained from Guyana. (u)

Lawler also mentioned that he has met with the members of the Task Force of the House International Relations Committee and the committee staffers were pleased with the arrangements worked out to assist them by the Justice Department and the FBI. (u)

Lawler indicated that out of the eight shooters named by [ ] who are deceased, information was gathered that possibly three others involved in shootings, Ernest Jones, Anthony Simon (both deceased), and Ronnie Dennis.

Memorandum to Mr. Moore  
Re: RYMUR

Heymann indicated after a request by [redacted] that the Department would review the Federal Kidnaping Statute, specifically regarding cult groups and would so advise. He also indicated that the domestic security is possibly still down the road perhaps two or three months away, meaning that we have sufficient other statutes to pursue in this case: the assassinations, conspiracy, illegal acquisition, transportation and exporting of firearms, extortionate threats, obstruction of justice, civil rights, involuntary servitude, as well as the financial violations. He indicated he is very pleased at this point that we are still pursuing to the Grand Jury possible violations.

Heymann then indicated he wanted to meet separately with USA Hunter and Mike Abbell meet separately with AUSA Dondera to discuss the case in general.

On January 8, 1979, Director Webster and Associate Director Adams were furnished an oral briefing by Deputy Assistant Director Ingram regarding the meeting at the Justice Department on 1/5/79 (u).

AURORA RODRIGUEZ was appraised of the nature of the interview and the identities of the Agents. (u)

RODRIGUEZ did not request the presence of an Attorney during the interview. (u)

Standard procedure during past interviews was that the individuals returning from Jonestown were searched by officers of United States (US) Customs prior to interviewing by the FBI. In view of the fact that this procedure was not followed on December 29, 1978 and due to the overall complication of this case, it was deemed necessary to conduct a pat down of RODRIGUEZ. RODRIGUEZ gave her consent and was patted down by SA [redacted] in the presence of Secret Service Agent [redacted] (u)

RODRIGUEZ advised that in November, 1969, she first heard of Reverend JONES through her sister-in-law, [redacted]. RODRIGUEZ was impressed with Reverend JONES' attitude towards senior citizens and children (u)

According to RODRIGUEZ, JONES did have personal bodyguards but they did not carry guns. RODRIGUEZ stated that she could not remember the names of these bodyguards. RODRIGUEZ advised that there was a security force guarding the entrance to the compound. (u)

RODRIGUEZ stated that she worked all day in the sewing room making dresses for the little girls. Then, for two months, she was the head cook for the basketball team in Georgetown. (u)

RE [REDACTED] CONTACT WITH PT MEMBERS: (u)

SAN FRANCISCO IS NOT IN POSSESSION OF INFORMATION WHICH INDICATES WHEN VARIOUS MEMBERS LEFT THE U.S. FOR GUYANA. SINCE [REDACTED] CLAIMS CONTACT IN 1974 IN GUYANA WITH PAULA ADAMS (A FEMALE, WHITE, DOB JANUARY 3, 1949) AND DEBBIE-TOUCHETTE (A FEMALE, WHITE, DOB [REDACTED]), THE USDS PASSPORT OFFICE SHOULD BE CHECKED TO DETERMINE WHEN THEIR PASSPORTS WERE ISSUED. ADAMS WOULD HAVE BEEN 25 YEARS OLD AND TOUCHETTE 19 YEARS OLD AT TIME OF CONTACT. (u)

RE PT CONTACT WITH GOVERNMENT OF GUYANA (GOG): (u)

FROM INFORMATION AVAILABLE, IT APPEARS ADAMS WAS CLOSE TO GOG OFFICIALS AND COULD HAVE PASSED ALONG [REDACTED] CRITICAL REMARKS TO FURTHER INGRATiate HERSELF AND THE PT WITH THE GOG. FURTHER, IT APPEARS JIM JONES AND THE PT DID COURT THE GOG TO FURTHER JONES' POSITION. SEEMINGLY, THE ONLY HELP THE PT COULD HAVE BEEN TO THE GOG WOULD BE OF A FINANCIAL NATURE THROUGH PAYOFFS. (u)

RE NARCOTICS: (u)

PAGE THREE SF 89-250 UNCLAS E F T O

FROM INFORMATION AVAILABLE, THE PRIME MINISTER OF GUYANA IS FORBES BURNHAN, NOT BIERNAN AS REPORTED IN RETEL. THERE HAVE BEEN RUMORS THAT BOATS OWNED BY THE PT WERE USED TO TRANSPORT NARCOTICS. HOWEVER, NONE OF THESE RUMORS HAVE BEEN SUBSTANTIATED. SAN FRANCISCO RECALLS, BUT CANNOT LOCATE THE SPECIFIC SERIAL AT THIS POINT, THAT A HAM OPERATOR INTERCEPTED A CALL FROM ONE OF THE PT RADIOS TO ONE OF THE BOATS OWNED BY THE PT WHICH WAS EXPERIENCING MECHANICAL PROBLEMS TO NOT ALLOW ANYONE TO BOARD THE BOAT AND TO SINK THE BOAT IF ANYONE ATTEMPTED BOARDING IT. THIS OBVIOUSLY TENDS TO INDICATE THAT THE BOAT WAS CARRYING SOME SORT OF ILLEGAL CARGO AT THE TIME. (u)

GOG TROOPS. SHE GAVE NO INDICATION THAT PREVIOUS TROOPS ENTERED JONESTOWN AND KILLED ANY OF THE MEMBERS. (u)

SAN FRANCISCO IS NOT AWARE OF WHEN THE FIRST U.S. OFFICIALS ENTERED JONESTOWN AFTER THE "WHITE NIGHT", BUT BELIEVES A VICE CONSUL FROM CARACAS NAMED MARTIN WAS IN JONESTOWN AT AN EARLY POINT. (u)

SAN FRANCISCO CANNOT COMMENT ON ANY OTHER ASPECTS OF RETEL AS IT CONCERNS INFORMATION WHICH HAS NOT COME TO OUR ATTENTION BEFORE DURING INVESTIGATION. SAN FRANCISCO STRONGLY SUGGESTS THE USE OF A POLYGRAPH ON [REDACTED] AT AN EARLY STAGE. (u)

MR. SWERINGEN IS A NEWLY RETIRED AGENT OF THE FBI. HE WORKED ON BOTH AIM AND PANTHER CASES AND HAD ACCESS TO A LOT OF MATERIALS. HE CLAIMS TO HAVE BECOME DISILLUSIONED WITH THE FBI WHEN HE BECAME THE CENSORER WHO GOES THROUGH THE FILES AND MARKS OUT THE BAD STUFF WITH THAT SPECIAL PEN THAT YOU CAN'T SEE THROUGH. HE CLAIMS THAT IT WAS THEN THAT HE SAW JUST HOW LOW DOWN THE FBI REALLY WAS. IT COULD WELL BE THAT AFTER WATERGATE AND AFTER MORE INVESTIGATIONS OF DIFFERENT AGENCIES HAVE BEGUN THAT HE KNOWS THAT HE IS GOING TO BE IN TROUBLE ANYWAY SO HE HAS DECIDED TO TURN TO THE LEFT IN HOPES OF BUILDING ALLIANCES BEFORE HE GOES DOWN THE DRAIN. THIS GUY RETAINS GARRY AS A LAWYER BECAUSE HE FELT THAT INFORMATION COULD BE BEST DISSEMINATED WORKING THROUGH THE ATTORNEY CLIENT PRIVILEGE. THE GUY IS A WHITE MAN. 30ISH ACCORDING TO PAT. HE HAS NOT YET SURFACED AND DOESN'T KNOW IF AND WHEN HE WOULD DO SO. HE HAS WRITTEN THE BOOK OF WHICH YOU HAVE A COPY. PAT HAS SHOWN ME A VERY LIMITED AMOUNT OF THE TOTAL STUFF THINKING THAT WHAT SHE SHOWED ME COULD BE CONVEYED TO DENNIS BANKS. WE DO DO THAT.

HOWEVER, I FOUND PATS "SECRET HIDING PLACE" TWO WEEKS AGO SO EVERY FEW DAYS WE CHECK IT AND PHOTOCOPY ANY NEW MATERIALS THAT HAVE COME IN FROM THIS GUY. NONE OF IT TO DATE HAS BEEN EARTHSHAKING TO US INFACIT THERE IS SOME THAT I DIDN'T BOTHER TO COPY. BUT WE DO KEEP CHECKING BECUASE THE ONLY WAY TO KNOW IF IT IS WORKWHILE OR NOT IS TO KEEP READING IT SO WE ARE DOING THAT MUCH. I DO THINK THAT BOTH PAT AND GARRY WOULD BE VERY UPSET IF THEY HAD ANY IDEA THAT THIS WAS WHAT WE WERE DOING.

PAT HAS SHOWN ME ALL THE STUFF THAT DEALS WITH AIM AND SOME OF THE PANTHER STUFF--BUT NOT THE BOOK AND SUPPORTING DOCUMENTS. IN THAT THIS GUY WORKED ON AIM IN LA WHERE THIS WHOLE MOWHAWK SKYHOURSE CASE IS GOING ON THE MAN HAS AGREED TO TALK TO DENNIS IN EARLY JANUARY". (u)

At 3:50 a.m. on November 20, 1978, Special Agent (SA) [redacted] was called to the operating room at the Malcolm Grow Medical Center, Andrews Air Force Base by Doctor [redacted] who had just completed surgery on victim JACKIE SPEIERS. Doctor [redacted] gave SA [redacted] small fragments of an unknown caliber bullet on a gauze pad. Also, Doctor [redacted] provided a 2½ to 3 inch long strip of grayish material, also on a gauze pad, which he said he removed from Miss SPEIERS' forearm. Doctor [redacted] stated that the material appeared to be of a plastic composition, possibly from luggage. Doctor [redacted] stated that the victim was in very critical condition and was being returned to the intensive care unit. (u)

The victim sustained at least two wounds to the upper right arm, at least two to the upper right thigh

[redacted] (u)

Doctor [redacted] and Doctor [redacted] both stated that the wounds sustained by Miss SPEIERS were from a high velocity weapon, possibly an M16 or similar type weapon. Miss SPEIERS' condition was complicated [redacted]

[redacted]

She had a "massive injury which will require her removal to the Brooks Army Medical Center in San Antonio, Texas where she will be placed in a hyperbolic oxygen chamber to combat the rapidly spreading infection." (u)

ADDITIONAL INFORMATION (u)

SWINNEY STATED SHE WAS MEMBER OF PLANNING COMMISSION OF  
PEOPLES TEMPLE (PT) WHEN SHE AND HUSBAND OPERATED A NURSING

SHE WAS EXCLUDED FROM PLANNING COMMISSION AND NO LONGER A  
MEMBER OF SAME. UPON ARRIVAL IN GUYANA, THERE WERE INITIALLY  
100 PT MEMBERS AND SHE WORKED IN KITCHEN PREPARING FOOD. SHE

COMPOUND AS REVEREND JONES CONSIDERED HER PAST EXPERIENCE IN THE OPERATION OF NURSING HOME IN CALIFORNIA. MANY MONTHS LATER, JONES ANNOUNCED AT MEETING OF ALL PT MEMBERS THAT A LARGE BOAT WAS GOING TO BE PURCHASED BY THE PT AND THAT SHE WOULD BE PLACED ON VESSEL AS SHE WAS AN EXCELLENT ORGANIZER. SHE WAS NOT CONSULTED BY JONES PRIOR TO THIS ANNOUNCEMENT AND WAS SHOCKED AT SAME. UPON PURCHASE OF VESSEL "ALBATROSS" OF WHICH PURCHASE WAS HANDLED PRIMARILY BY RICHARD JANARO, SHE WAS ORDERED TO WORK ON SAME. SWINNEY ADVISED MANY PT MEMBERS MAY HAVE THOUGHT SHE WAS STILL MEMBER OF PLANNING COMMISSION DUE TO HER BEING PLACED ON VESSEL BY JONES. (u)

SWINNEY STATED ALBATROSS WAS PURCHASED WITH INTENTION OF MAKING MONEY FOR PT AS A SHIPPING VESSEL. THE VESSEL MADE ONLY ONE TRIP TO PORT KAITUMA, THIS BEING WHEN VESSEL INITIALLY PURCHASED AND CARRIED SUPPLIES FOR JONESTOWN. SWINNEY NOT PRESENT ON THIS TRIP. ALBATROSS INOPERATIVE UNTIL LATE OCTOBER, 1978. ON APPROXIMATELY NOVEMBER 2, 1978, SWINNEY DEPARTED ABOARD ALBATROSS TO OBTAIN EQUIPMENT AND PARTS AT TRINIDAD. NO DISCUSSION WAS MADE OF CONGRESSMAN RYAN'S VISIT TO GUYANA PRIOR TO HER DEPARTURE AND SHE WAS UNAWARE OF SAME. SHE STATED (u)

CO 89-68 PAGE THREE UNCLAS

THIS WAS ONLY TRIP ALBATROSS EVER MADE FROM JONESTOWN DISTRICT. PRIOR TO VESSEL'S DEPARTURE SHE WAS ADVISED BY MARY WATERSPOON, THAT SAVINGS ACCOUNT HAD BEEN ESTABLISHED AT TRINIDAD WITH \$60,000 FOR PURCHASE OF EQUIPMENT. UPON ARRIVAL AT TRINIDAD, RICHARD JANARO, CHARLIE TOUCHETTE, PHILLIP BLAKEY, AND SHE BEGAN PURCHASE OF SUPPLIES. AFTER LEARNING OF MASS SUICIDE, IN JONESTOWN, SWINNEY STATED SHE CLOSED BANK ACCOUNT AND GAVE REMAINING FUNDS OF APPROXIMATELY \$11,000 TO SON-IN-LAW, CHARLES TOUCHETTE, FOR OPERATION OF VESSEL. SWINNEY AT THIS TIME WAS EVASIVE AND VAGUE AS TO EQUIPMENT PURCHASED AND DISTRIBUTION OF FUNDS IN TRINIDAD THAT OCCURRED DURING TRIP. (u)

SWINNEY ADVISED TRAWLER "CUDJOE" WAS MAIN VESSEL USED FOR TRANSPORTING FOOD AND SUPPLIES AND PT MEMBERS. SWINNEY NOT ASSOCIATED WITH OPERATION OF THIS VESSEL ALTHOUGH SHE WAS PASSENGER ON SAME MANY TIMES WHEN TRAVELING TO JONESTOWN. ON ONE RETURN TRIP, RUSSIAN AMBASSADOR AND WIFE WERE ON VESSEL EN ROUTE TO MEET WITH REVEREND JONES AT JONESTOWN. SWINNEY POSSESSED NO KNOWLEDGE REGARDING THE SHIPMENT OF WEAPONS AND NEVER OBSERVED ANY WEAPONS ABOARD VESSELS ALBATROSS OR CUDJOE. (u)

CO 89-68 PAGE FOUR UNCLAS

SWINNEY STATED SHE <sup>6</sup>NEVER OBSERVED FIREARMS TRAINING AT JONESTOWN BUT THAT NUMEROUS INDIVIDUALS PRACTICED WITH BOWS AND ARROWS. SHE FIRST BECAME AWARE THAT THERE WERE A LARGE NUMBER OF GUNS IN JONESTOWN DURING ONE OF THE "WHITE NIGHTS". ON THIS OCCASION, ALL MEMBERS OF THE PT WERE ORDERED TO THE PAVILLION AND TOLD THAT MERCENARIES WERE IN THE JUNGLE AND THAT THEY WERE GOING TO BE ATTACKED. SHE OBSERVED MANY GUNS BEING CARRIED BY YOUNGER MEMBERS OF THE PT AND HEARD NUMEROUS SHOTS BEING SHOT IN THE JUNGLE. AFTER A FEW HOURS, JONES ADVISED THAT THEY HAD BEEN SAVED. SHE STATED ON ONE "WHITE NIGHT", PT MEMBERS WERE NOT PERMITTED TO LEAVE THE PAVILLION AND GUARDED BY ARMED INDIVIDUALS. MOST OF THE GUARDS WERE YOUNG PT MEMBERS AND SHE RECALLS THAT SOME OF THEM WERE MEMBERS OF THE BASKETBALL TEAM. THE GUARDS ALSO WORE UNIFORMS CONSISTING OF KHAKI PANTS AND SHIRTS. SHE RECALLS THE FOLLOWING AS BEING GUARDS AT JONESTOWN: JOE WILSON, TIM DAY, JIMMY JONES, STEVEN JONES, BOB KICE, JOHN COBB, WESLEY BRIEDENBACH, RON TALLY. (u)

SWINNEY STATED TO THE BEST OF HER KNOWLEDGE, THE BASKETBALL TEAM HAD PLAYED NO GAMES PRIOR TO THEIR LEAVING JONESTOWN ON THEIR LAST TRIP. SHE COULD NOT RECALL SPECIFIC NAMES OF TEAM PLAYERS

(u)

CO 89-68 PAGE FIVE UNCLAS

OTHER THAN STEVEN AND JIM JONES BEING MEMBERS. (u)

SWINNEY COULD FURNISH NO ADDITIONAL INFORMATION AS TO ANY CONTINGENCY PLAN, THREATS TO HARM PUBLIC OFFICIALS, CACHING OF WEAPONS, MONEY, OR EXISTENCE OF AN ASSASSINATION SQUAD. (u)

SWINNEY STATED SHE WAS NEVER ADVISED OF NAMES OF MEMBERS OF PLANNING COMMISSION AT JONESTOWN, BUT THROUGH OBSERVATION, SURMISED THE FOLLOWING TO BE COMMISSIONED MEMBERS: TISH LEROY (PHONETIC), MIKE PROKES, CAROLYN LAYTON, JACK BEAM, DAUGHTER-IN-LAW OF REVEREND JONES, (FNU) COBB, JOHNNY JONES. SWINNEY ADVISED THAT IF ANY TYPE OF CONTINGENCY PLAN EXISTED, THE FOLLOWING INDIVIDUALS WHO THROUGH OBSERVATION WERE CONSIDERED TO BE THE "INNER CORE" OF THE PT, WOULD BE THE INDIVIDUALS TO CARRY OUT SAME: JOHNNY JONES, CAROLYN LAYTON, DEBBIE LAYTON, TERRY BUFORD, JACK BEAM. (u)

SWINNEY STATED THAT WHEN SHE WAS IN JONESTOWN, IT WAS RUMORED THAT PAULA ADAMS, A SECRETARY OF REVEREND JONES, HAD ON OCCASIONS DATED A BUNNY MANN, WHO SHE BELIEVES MAY HAVE BEEN AN AMBASSADOR OR REPRESENTATIVE OF THE UNITED STATES. SHE ADVISED ADAMS HAD THE REPUTATION OF PROVIDING SEXUAL FAVORS FOR INDIVIDUALS PROVIDED BY JONES, ALTHOUGH SHE POSSESSED NO FIRST HAND

SWINNEY STATED THAT IN HER OPINION, STEVEN JONES WOULD BE INDIVIDUAL TO SUCCEED HIS FATHER IF PT WERE TO CONTINUE EXISTENCE. SWINNEY COULD FURNISH NO INFORMATION REGARDING CURRENCY OR FIRE ARMS THAT WERE TRANSPORTED TO OR FROM THE UNITED STATES BY THE PT. (u)

IT WOULD APPEAR [REDACTED] IS IDENTICAL TO [REDACTED]

[REDACTED] IS KNOWN TO FRIENDS AS

IT IS FELT THAT SWINNEY, WHO NOW CLAIMS EMBARRASSMENT DUE TO HER IGNORANCE AND INTERPRETATION OF WHAT WAS ACTUALLY TAKING PLACE IN HER PRESENCE AT JONESTOWN, MAY POSSESS ADDITIONAL INFORMATION REGARDING PT, WHICH SHE WILL NOT DIVULGE. IT IS SUGGESTED INTERVIEW OF SWINNEY BE DISCUSSED WITH USA, SAN FRANCISCO FOR CONSIDERATION OF SWINNEY APPEARING BEFORE FEDERAL GRAND JURY THIS MATTER. (u)

WHO HAS DONE AN EXTENSIVE STUDY ON CULTS, AND TRAVELED TO GUYANA

[ ] BELIEVES INDIVIDUALS AT JONESTOWN HAVE BEEN PROGRAMED TO DESTROY THEMSELVES. THIS PROGRAMING ACCOMPLISHED THE WAY CHINESE PRISON CAMPS OPERATED. PEOPLE TEMPLE (PT) MEMBERS WERE KEPT PHYSICALLY AND MENTALLY TIRED. PT MEMBERS WERE ALSO UNDER-NOURISHED PURPOSELY. PT MEMBERS ALSO FORCED TO WRITE CONFESSIONS TO INSTIL FEELINGS OF GUILT. THEY WERE THEN CONVINCED AUTHORITIES LIKE FBI AND CIA WERE GOING TO KILL THEM, SO IT WOULD BE BETTER TO KILL THEMSELVES. (U)

[ ] FEARS RETURNING PT MEMBERS MAY IN FUTURE ON SOME PREARRANGED CUE COMMIT ACTUAL SUICIDE, OR SUICIDAL BEHAVIOR. IE; ROBBING A BANK, DRUG ADDICTION, PROSTITUTION AND AN ATTACK ON POLITICAL FIGURES ALL OF WHICH MAY BE CONSIDERED SUICIDAL BEHAVIOR. [ ] BELIEVES IT IS ESSENTIAL THAT THESE PEOPLE BE DE-PROGRAMED. HE STATED THAT HE HAS NO IDEA OF WHAT CUE WOULD SET THESE PEOPLE OFF. (U)

[ ] IS SURE PT HAD PLANNED TO KILL RYAN, AND FEARS THE 16 PEOPLE LEAVING WITH RYAN ARE IN GREAT DANGER FROM PEOPLE IN SAN FRANCISCO AND HIT SQUAD. (U)

[ ] SUGGESTED, AS AID IN INTERVIEWING PT SURVIVORS, USE OF RECORDING "HOW DEEP IS YOUR LOVE" PRIOR TO AND DURING (U)

PAGE THREE UNCLAS

INTERVIEW. THIS SONG PLAYED FRIDAY, NOVEMBER 17, 1978 AT JONES-TOWN. [ ] SUGGESTS TALKING ABOUT JONES AND GOOD THINGS HE DID. IT IS IMPORTANT TO GET THESE PEOPLE BACK INTO PAST TO OBTAIN TRUTH AND NOT CANNED ANSWERS. [ ] SUGGEST IF "GOOD - GUY - BAD GUY" METHOD USED, THE BAD GUY ACCUSED THEM OF NOT BEING GOOD ENOUGH SOCIALIST OR COMMUNISTS. THIS IS REASON THEY ARE GOING BACK TO U.S.. THESE PEOPLE ARE GOING TO REACT TO GUILT. SETTING THEM UP AND BREAKING THEM DOWN WITH GUILT TRICK WILL RESULT IN INTERVIEWEES NOT GIVING SAME ANSWERS. (u)

BQMRA OPINION [ ] APPRAISAL OF PT MEMBERS EXTREMELY ACCURATE, AND SUGGESTS THAT ON RECEIPT OF TRANSCRIPT OF INTERVIEW IMMEDIATE ATTENTION BE GIVEN TO IT FOR UTILIZATION IN FUTURE INTERVIEWS. (u)

A TEXT IS BEING FORWARDED UNDER SEPARATE COVER (u)

AN ARTICLE ENTITLED "PEOPLES TEMPLE TAKES TO THE AIR" IN THE FEBRUARY 23, 1978 ISSUE OF THE SUN REPOTER, SAN FRANCISCO, CALIFORNIA, PUBLISHED BY CARLTON B. The House International Relations Committee has written the Attorney General requesting the Department's aid and assistance in their inquiry into these matters. In responding for the Attorney General, I have informed the Committee that we will provide them as much information and assistance as we can consistent with our responsibilities for the conduct of an ongoing criminal investigation.

Staff members of the Committee are traveling to the West Coast next week to interview certain members of the Peoples Temple and other possible witnesses in these matters. Consistent with the assurances the Department has given the Committee, this is to request that the FBI provide, where available, the names, addresses, and phone numbers of the witnesses which the Committee staff has an interest in and, if possible, the location of the witnesses at the time of the killing of Congressman Ryan.

We specifically told the Committee staff that if the witnesses were concerned about their security, we would not provide their location but that in such instances we would attempt to contact the witnesses and have the witnesses in turn call the Committee staff if the witnesses agree.

We have also told the Committee staff that at this stage of the investigation they are, of course, not authorized to receive or review FBI files, including 302's, or grand jury information.

Dear Mr. Bell:

The Members of the Committee on International Relations are deeply distressed and concerned over the tragedy which befell the mission to Guyana headed by the late Honorable Leo J. Ryan.

In determining what steps might be taken in the wake of this matter, the Committee is examining all of the circumstances which might have a bearing on this tragic incident. It is therefore essential that the Department of Justice and the Federal Bureau of Investigation cooperate fully with the fact-finding efforts of the Committee in its investigation of the incident.

In this respect, your cooperation in making available to the Committee any and all information and documents pertinent to this matter would be appreciated. If you need additional details, please have your staff contact George Berdes, Staff Consultant, who is conducting the Committee inquiry.

Thanking you in advance for your cooperation and assistance, I am

**DETAILS:** On 12/22/78 Departmental Attorney Mike Abbell advised the House International Relations Committee, chaired by Congressman Clement J. Zablocki, has initiated an inquiry concerning the assassination of Congressman Ryan specifically to determine whether or not the Department of State had adequately fulfilled their responsibilities prior to the Congressman's visit to the Peoples Temple, Jonestown, Guyana, and subsequent to Ryan's assassination. He said the Committee was especially interested in obtaining a list of all Peoples Temple members and defectors from the Temple and their current addresses and telephone numbers. Abbell stated that the Bureau should definitely not provide the Committee any information obtained as a result of Grand Jury proceedings or make available to them any FD-302's. Abbell requested that contact be made with Ivo Spalatin one of the staff members involved in the Committee's inquiry.

 On 12/22/78, Ivo Spalatin contacted Section Chief W. Douglas Gow at which time he reiterated the Committee's purpose and inquired whether or not information such as the names and addresses of members and defectors of the Peoples Temple could

be provided to the Committee. In this regard, it was decided that prior to the release of any information to Zablocki's Committee, it would be of benefit for Mr. Spalatin to meet with FBI representatives and further discuss this matter. A meeting was scheduled for 12/26/78 at FBIHQ.

On 12/26/78, Messrs. Richard T. Taylor and John T. McCarthy, Legal Counsel Division, and Vernon D. Kohl and W. Douglas Gow, Criminal Investigative Division, met with Mr. Spalatin. During this meeting, Mr. Spalatin advised that Congressman Zablocki had previously directed a letter to Attorney General Griffin Bell requesting whatever information the Department could share concerning the assassination of Congressman Ryan. Again, Mr. Spalatin specifically requested the information set forth above be made available to the Committee. In addition, he requested a summation of all interviews conducted to date including our observations concerning the individuals interviewed, whether the FBI felt it would be of value for the Committee to interview specific individuals, and whether specific individuals posed a security risk to Committee members conducting the inquiries. He further requested our recommendations as to the best areas to conduct these interviews; for example, should they utilize a hotel room or should they attempt to obtain space in a Federal Building.

Mr. Spalatin further pointed out that the Committee intended to focus its investigation in the San Francisco area and in this regard had previously contacted ASAC Larry Lawler, San Francisco Division. (San Francisco advised FBIHQ of this contact by teletype dated 12/22/78.) It was pointed out to Mr. Spalatin that in our opinion any travel by Committee members to San Francisco in order to pursue their inquiry was perhaps premature at this time, if in fact the information he had requested from the Bureau was necessary to the conduct of his inquiry, until such time as the Bureau received authorization from the Department to release information pertaining to this matter. Mr. Spalatin was advised that inasmuch as this matter is an ongoing criminal investigation, the specific authority of the Department in writing would be required prior to the release of any information. He was further advised that to the knowledge of the Agents present, the Bureau had not received any request, either orally or in writing, from the Department to provide information to the Committee other than the telephone call received from Mr. Abbell on 12/22/78.

Ingram to Moore Memorandum  
RE: RYMUR

Mr. Spalatin agreed that in order to proceed further with the Committee's request he would attempt to determine the status of Chairman Zablocki's letter to the Attorney General and would thereafter further coordinate this request through the Bureau's Legal Counsel Division.

On 12/27/78, a memorandum was received from Assistant Attorney General Philip B. Heymann, Criminal Division, to the Director of the FBI (attached) regarding the assassination of Congressman Ryan. Mr. Heymann in his memorandum to the Director requests that the Bureau provide the House International Relations Committee with "as much information and assistance as we can consistent with our responsibilities for the conduct of an ongoing criminal investigation." In addition to Mr. Heymann's memorandum, Mr. Spalatin directed a memorandum to Mr. Taylor, Legal Counsel Division (attached) which details specific individuals under consideration for interview by the Zablocki Committee.

~~ASSASSINATION CONGRESSMAN~~

~~PURPOSE: Ryan by~~

~~Peoples Temple members Leo Ryan~~

The purpose of this memorandum is to advise you of our policy regarding Congressional Committee requests when the information sought is relative to an ongoing investigation. (u)

## DETAILS (u)

The FBI, in consultation with the Department of Justice, has generally refused to respond to Congressional inquiries where those inquiries involve ongoing FBI investigations. It has been our policy to furnish no documentation to a Committee in these situations. (u) (rbs)

In very few instances we have agreed to conduct oral briefings where those briefings would not interfere with or jeopardize ongoing investigative matters. We have used this technique for the intelligence oversight committees and it has been satisfactory to all parties. We have had a long-time investigation involving the "NUMEC" matter and have been instructed by the Department to furnish no documentation in response to Committee requests. In view of the strong Congressional interest in that matter, numerous oral briefings were conducted for Congressional Committees and representatives of the General Accounting Office. (u)

to the Criminal Investigative Division for review to determine whether we have interviewed any of these individuals. In addition, they requested the San Francisco Office to comment on these individuals with regard to their propensity for violence if interviewed by Committee staffers. That office has been advised not to comply with that request. (u)

Where we have a specific Congressional Committee Memorandum of Understanding, provisions are made to excise information regarding ongoing investigative matters. (u)

It should be noted that we have no such memorandum with the full Committee for this purpose. We have had a memorandum of understanding with the Subcommittee on International Organizations concerning the KCIA investigation. (u)

ASSASSINATION OF CONGRESSMAN LEO RYAN;  
PEOPLES TEMPLE

FEDERAL GOVERNMENT

Reference is made to your letter dated  
December 27, 1978, of which a copy is attached. (u)

Your letter advised of a request by the House  
International Relations Committee concerning an inquiry  
being conducted by that Committee into an ongoing FBI  
criminal investigation. (u)

It is our policy to furnish no documentation to  
a Committee of Congress pursuant to its request where the  
inquiry involves an ongoing FBI investigation. Each  
Congressional request is received, the Department of Justice  
consulted, and a determination made as to the propriety of  
furnishing specific information and/or documentation. In  
view of the sensitive nature of our investigation and the  
involvement of the Federal Grand Jury, it would not be  
proper to furnish documentation or specific information to  
the Committee at this time. Our position is necessary to  
protect our investigative responsibilities. As you know,  
representatives of the FBI provided a general briefing to  
the staff of this Committee on December 26, 1978. (u)

This letter confirms the conversation of  
Associate Director Adams and yourself on December 28, 1978,  
reiterating our position to decline to furnish specific  
information concerning a pending investigation. (u)

The focus of the working group is now centered on three primary problems. They are:

1. Funding - This problem concerns which Agency (DOD, State Department) will be responsible for the variety of costs incurred, as well as establishing statutory basis for the expenditures. *WJG*
2. The identification of the deceased and subsequent disposition of unclaimed bodies. *WJG*
3. Establishing the legal posture and framework for the U. S. Government's civil action against the People's Temple to claim reimbursement in the U. S. Government's expenditures. *WJG*

*WJG* The above areas do not require direct participation in this group by the FBI. It is, therefore, recommended that our representative, SA [redacted] discontinue attendance at the meetings. *WJG*

*Leo Ryan*

The following information is set forth in response to a request from the Civil Division, Office of Foreign Litigation, indicating that a representative of the Department of Justice will travel to Panama City, Panama, for the period December 26-29, 1978, to protect the interests of the United States Government regarding the assets of the PT.

On December 17, 1978, five letters were introduced as evidence by the Government of Guyana at a Coroner's Inquest into the Jonestown murders/suicides. The first document introduced was a cover letter to an officer of the Soviet Embassy in Georgetown explaining the bequest; the next three letters were addressed to officers of the branches of two Swiss banks in Panama directing the disposition of assets; the last document is what purports to be the holographic will of PT member Maria Katsaris signing for an account in Venezuela which she apparently had wished to deliver to the Communist Party of the Soviet Union. The first four letters are signed by one Annie J. McGowan, a PT member who perished at Jonestown. McGowan was apparently signing for the accounts of the PT in Panama. Maria Katsaris has also been identified as being among the dead.

Copies of the above letters are attached hereto. JAN 18 1979

On December 6, 1978, a review of records in the possession of the American Embassy at Georgetown, Guyana, revealed the following bank accounts. These are the accounts found to date and do not necessarily represent all accounts of the PT:

- (1) Bank of Nova Scotia, Nassau, Bahamas no account number, name Jim W. Jones, balance \$206,396.07 (US);
- (2) Guyana National Cooperative Bank, Georgetown, Guyana, External Savings Account - PT number COR29489/10, balance \$13,256.65 (Guyana);
- (3) Guyana National Cooperative Bank, Georgetown, Guyana, Fixed Time Deposit Savings Account number

(By letter dated May 26, 1978, Bank of America made inquiry of Jones as to reason that the account was dormant.)

The rate of exchange on December 6, 1978, was \$1 United States equals \$2.54 Guyana.

b3

On December 8, 1978, investigation conducted at Georgetown, Guyana, revealed that Paula Adams had attempted to cash a \$20,000 check on the PT account in Guyana, but the bank refused to honor this check. The Guyanese Government has apparently frozen all bank accounts of the PT in that country. (u)

Our Legal Attache, Caracas, Robert J. Oglesby stated that additional bank accounts on the PT had been discovered. Records show that the Temple had three bank accounts at the Bank of Montreal, 333 California Street, San Francisco. Total amount in these accounts amounted to approximately \$21,000. In addition, records were found showing a \$76,000 bank account at the Grenada National Bank, One Bruce Street, Grenada, West Indies. (u)

On December 4, 1978, a Petition for Court Decree Upon Winding Up and Dissolution of the Peoples Temple of the Disciples of Christ was filed in the Superior Court of the State of California and for the city and county of San Francisco. The petition was filed by Charles R. Garry, ET AL, Attorneys for Petitioner. A copy of the above mentioned petition is attached. (u)

The FBI has no further information at this time regarding assets of the PT. (u)

Assistant Attorney General  
Civil Division

NOTE: Attached is a memorandum to Inspector - Deputy Assistant  
Director James O. Ingram from James G. Hergen, Office of

Attached is a copy of a Los Angeles Times article dated 12/14/78 in which it is reported that attorneys for subpoenaed PT members alleged their clients were willing or eager to cooperate with captioned investigation, however, the FBI had acted improperly in the interrogation of the survivors when they returned to the United States from Guyana. Specifically, Tim Jones was allegedly interrogated for more than ten hours by teams of FBI Agents working in shifts who were attempting to break down his story. (u)

The fact situation is that on 12/6/78 17 PT survivors including Tim Jones arrived at JFK International Airport at approximately 7:20 p.m. They were initially cleared by Immigration and Naturalization Service and then by United States Customs. This process took approximately one and a half hours. All individuals were then examined by a Bureau secured and Bureau paid physician who examined each individual for approximately 20 minutes. Each individual was then interviewed by an investigative team which included a representative from the FBI and a representative from the United States Secret Service. No team interviewed more than one individual. The interviews were conducted in private in recreational vehicles and during the interview the interviewees were furnished with McDonalds hamburgers, french fries, and cokes which were paid for by the FBI. (u)

Following interview the group of 17 was taken by either the FBI personally or by a bus secured by the Department of Health, Education, and Welfare to a motel where they were provided free lodging for the night, food, and transportation to their desired points of destination the following day. (u)

Present during the entire procedure was the Chief of the Criminal Division of the United States Attorney's Office for the Eastern District of New York (Richard Brewster). (u)

With regard to the interview of Timothy Glenn Jones, he was interviewed by SA [ ] and SA [ ] of the FBI along with United States Secret Service Agent [ ]. Jones immediately requested the services of an attorney and the interview was interrupted. Jones then stated that his sister would acquire an attorney for him and Jones' sister was brought to the recreational vehicle where he met with her in private for one hour. Thereafter Jones stated that he would continue with the interview without the services of an attorney, however, wanted to meet with both his brother and sister in private. This request was granted and this meeting in private lasted for two hours. All interviews were concluded by approximately 2:30 a.m. During this time the individuals were interviewed, cleared through Customs, checked by a physician, fed, and given opportunities to meet with relatives in private, and take care of immediate personal necessities. (u)

ASAC Terry Knowles, BQMRA advised that he supervised the interview process at JFK International Airport and that at no time were any "lies" told to any returning survivors, nor was anyone told that Charles Garry had been arrested. (u)

# 16 Cult Survivors Refuse to Testify

## Won't Tell of Guyana Slayings Until Lawyers Get FBI Reports

BY EVAN MAXWELL

Times Staff Writer

SAN FRANCISCO—Sixteen survivors of the Peoples Temple Guyana colony refused to testify Wednesday before a grand jury probing the murder of Rep. Leo Ryan, thus stalling the federal probe into the assassination and other activities of the cult.

All 16 survivors of the tragedy—most of them young men who were in Guyana but not at the Jonestown colony when 813 persons died—were represented by attorneys who demanded copies of FBI reports about the case before allowing their clients to testify.

The attorneys all said their clients were willing or eager to cooperate with the investigation, but several claimed the FBI had acted improperly in the interrogation of the survivors when they returned to the United States from Guyana.

One of the attorneys, Peter Keane, said his client, Tim Jones, was interrogated from more than 10 hours by teams of FBI agents working in shifts who were attempting to break down his story.

Keane said the agents told Jones, adopted son of cult leader Jim Jones, that Peoples Temple attorney Charles Garry had been arrested, and "other lies in order to intimidate him."

Other attorneys characterized the treatment of survivors as "outrageous" and "unconscionable," particularly since many of them had lost relatives—in some cases whole families—in the mass suicides and murders that followed the deaths of Ryan and four others at an airstrip near the colony.

One survivor, Cleveland Newell, 23, of Los Angeles, told the court through his attorney that he had lost his mother, his wife, three brothers and a nephew in Jonestown. Another survivor, Michael Simon, also of Los Angeles, lost his mother, his wife, two children and two siblings, according to his attorney.

All the attorneys told the court that the mental states of their clients had prevented proper consultation in the five or six days since the survivors arrived back in the Bay Area.

U.S. Atty. G. William Hunter, who represented the government in the courtroom of Dist. Court Judge Robert F. Peckham Wednesday, denied that FBI agents had acted improperly in the interrogations.

In addition, Hunter took the unusual step of offering each of the survivors copies of the FBI reports. Those reports are seldom turned over to defendants or prospective defendants in criminal cases.

Hunter told Peckham that in addition to the investigation of the death of Ryan, who had flown to Jonestown to investigate reports of mistreatment of church members there, the government also is investigating possible firearms and currency smuggling charges stemming from the move of the Peoples Temple congregation to the jungles of Guyana.

About \$1 million in cash and 34 firearms, along with 100,000 rounds of ammunition, were found in the colony. Temple defectors and survivors have told investigators that currency was moved from San Francisco to Guyana in amounts less than the \$5,000 legal maximum, but no explanation has been offered for the movement of weapons, all of which are believed to have been purchased over the counter of Bay Area gun stores.

After listening to attorneys for the survivors for more than an hour Wednesday morning, Peckham agreed to put off further grand jury hearings until Dec. 27, at which time the panel is to begin hearing from witnesses.

Hunter initially sought to avoid the delay, announcing the "government's intention to proceed as soon as we can" on the probe. But Hunter acknowledged that he was giving his "implicit consent" to the continuance by agreeing to supply the FBI reports which will not be ready until next week.

Specimens received December 24, 1978

Q40-Q41 Two metal fragments

## Result of examination:

Specimen Q40 is a metal fragment which bears no observable bullet characteristics or microscopic marks of value for comparison with a suspect weapon.

Specimen Q41 is a bullet jacket fragment which is too minute to determine caliber or manufacturer. The partial rifling impressions remaining in Q41 would tend to indicate that Q41 was fired from the barrel of a weapon with right twist rifling. The microscopic marks remaining in Q41 are not sufficient for identification purposes.

Specimens Q40 and Q41 are being returned to the San Juan Division under separate cover by registered mail.

Date of transcription 12/19/78

[redacted] Fort Worth, Texas,  
home telephone [redacted] was contacted at his place of business,  
[redacted] telephone number [redacted]

[redacted] and after being advised of the identity of SA [redacted]  
was advised that he was being contacted in response to the  
telephone call which he [redacted] had made to the Fort Worth  
Resident Agency of the FBI on December 15, 1978, offering a  
tape recording of radio transmissions between Jonestown, Guyana  
and San Francisco. (u)

At this time [redacted] made available a Capitol C60 cassette  
tape with recorded information of radio transmissions on one  
side. (u)

[redacted] advised that from reviewing his logs, he believes  
this recording was made during the first couple of weeks of  
August, 1978, however, he advised he cannot at this time be  
more specific about the date. He advised that it was approxi-  
mately 11:00 p.m. or 12:00 midnight when he heard the trans-  
missions coming over the air and thought it was conversations  
between medical missionaries and used a Lloyd's cassette recorder  
and microphone to record the conversation between two women  
operators. (u)

[redacted] advised he has a Tentec Triton Four receiver  
with a Cushgraph ATB34 antenna and operates under ham radio  
license [redacted] and the station is located at his residence.  
[redacted] advised that prior to starting the recorder, one of the  
operators mentioned that they were transmitting from Jonestown  
and were going to Georgetown and would return to Jonestown  
the following day. (u)

He advised that in listening to the radio transmissions,  
he felt the radio procedures were correct, however, the conver-  
sations did not make sense, and after recording the conversations  
he had played it for a friend who had indicated that he thought  
the messages were possibly coded. He advised that he looked  
up the call letters being used by the two operators and  
determined that they were assigned to male operators, however  
the stations were in fact, being used by female operators. (u)

[ ] advised that when he keyed his microphone in an attempt to talk to the operators, he distorted the tape to some degree, however, did in fact establish contact with the other operators and was advised by them that the conversations were of a medical missionary type. (u)
