Narrative of Offense:

The purpose of this report is to furnish an eyewitness account of the assault and assassination of Congressman Leo J. Ryan at Jonestown, Guyana and Port Kaituma, Guyana, South America. (u)

This investigation was initiated on 11/18/78, upon receipt of information from [redacted] Investigator, District Attorney's Office, San Francisco, California, of reported murder of Congressman Ryan in Guyana, South America. (u)

United States Congressman Leo J. Ryan, along with Jackie Speier, Legislative Counsel to Ryan; James Schollaert, Committee Staff to Ryan; Bob Flick, NBC News; Don Harris, NBC Correspondent; Bob Brown, NBC Cameraman; Steve Sung, NBC Soundman; Tim Reiterman, Journalist, San Francisco Examiner; Greg Robinson, Photographer, San Francisco Examiner; Ron Javers, Journalist, San Francisco Chronicle; Gordon Lindsey, Freelance writer; Charles Krause, Journalist, Washington Post; and the following concerned relatives: Timothy and Grace Stoen; Steve Katsaris; Clara Bouquet; Howard and Beverly Oliver; Jim Cobb; Wayne Pietella; Bonnie Thielman; Anthony Katsaris; Sherwin Harris; Nadine Houston; Micky Touchette; and Carolyn Boyd, arrived at Georgetown, Guyana on 11/14-15/78. Purpose of Ryan's visit was a Congressional inquiry into the activities of the People's Temple (PT) and the Reverend Jim Jones at Jonestown, Guyana. While in Georgetown, Guyana, Ryan met with U.S. Embassy officials; Guyanese Government officials; Mark Lane, and Charles Garry, Temple Attorneys. Ryan subsequently traveled to Jonestown, on 11/17/78, aboard a chartered aircraft which landed at Port Kaituma. He was accompanied by Lane, Garry, Speier, Richard Dwyer, Deputy Chief of Mission, U.S. Embassy, Georgetown, (u)

Guyana; the four NBC crew members and the five journalists, listed above; and four concerned relatives: Beverly Oliver; Anthony Katsaris; Jim Cobb; and Carolyn Boyd. After some communication with Jim Jones in Jonestown, the Ryan entourage was permitted to visit Jonestown with the exception of Gordon Lindsey. (u)

On 11/17/78, Ryan spoke with Jones and conducted interviews in performance of his Congressional inquiry. On the following day in preparation to depart Jonestown, some Jonestown residents expressed desires to depart with Ryan. In the process of loading persons to return to Port Kaituma to await transportation for Georgetown, Congressman Ryan was assaulted with a knife by Donald Edward Sly. Sly was subdued by Attorneys Garry and Lane and the Ryan entourage, along with, Jonestown members desiring to leave, prepared and departed for Port Kaituma, via truck. Larry Layton demanded to accompany the entourage but was suspected by other "defectors" to be a traitor and not a true "defector". (u)

At Port Kaituma, the Ryan entourage, with the following Jonestown "defectors": Brenda, Gerald, Tracy, Dale, Edith, and Patricia Parks; Juanita, Tom, Edith, Teena, and James Bogue; Monica Bagby; Harold Cordell; Vern Gosney; and Chris O'Neal and alleged "defector" Larry Layton, prepared to board two airplanes, when a tractor trailer arrived at the airstrip carrying People's Temple (PT) members who subsequently opened fire on the Ryan entourage. (u)

Witnesses at the airstrip interviewed, and have identified: Wesley Karl Breidenbach (deceased); Eddie Joe Crenshaw (deceased); Ronnie Dennis (status unknown); Stanley Brian Gieg (deceased); Ronald De-Val James (deceased); Ernest Jones (deceased); Robert Edward Kice (deceased); Thomas David Kice (deceased); Larry John Layton (alive); Anthony Simon (deceased); Ronald Tally (deceased); Albert Ardell Touchette (deceased); Joseph Lafayette Wilson (deceased) as assailants. Killed during the assault by above persons were:

Results of examination (u)

This report supplements and confirms the preliminary report furnished your office on December 12, 1978. (u)

Specimen Q1 consists of four pieces of lead shot which have been determined to be size "F". This size of shot is not commercially loaded into shotshells in either the United States or Great Britain. However, size "F" shot is available in many countries for hand or reloading purposes. (u)

Page 4
81219043 S NM

(over)

Specimen Q2 is a .38 Special or a .357 Magnum bullet jacket which has been fired from a barrel rifled with six grooves, right twist, such as the K5 revolver. However, the barrel of specimen K5 was found to contain a large quantity of foreign material and corrosion which effected the microscopic markings used in identification. Therefore, it was not possible to determine if Q2 had been fired from K5. None of the other recovered weapons could have fired Q2. (u)

Specimen Q3 was identified as having been fired from the K15 rifle. (u)

Specimens Q4, Q6 and Q20 are lead cores from jacketed bullets which do not contain any marks of value for identification purposes. Therefore, the origin of Q4, Q6 and Q20 could not be determined. (u)

Specimens Q5 and Q18 are .30 caliber bullet jackets which were fired from a barrel(s) rifled with four grooves, right twist such as the barrels in the K17 and K20 rifles. However, due to a lack of sufficient matching microscopic marks between Q5, Q18 and test bullets fired from K17 and K20, it was not possible to determine if Q5 or Q18 had been fired from K17 or K20. (u)

Specimen Q7 is a .380 Auto caliber jacketed bullet which was fired from a barrel rifled with six grooves, right twist. Although the barrel of the K11 pistol contains six grooves, right twist, nothing was found to indicate that Q7 had been fired from K11. (u)

Specimens Q8 and Q19 are .30 caliber bullet jackets which were fired from a barrel(s) rifled with six grooves, right twist such as the barrels in the K14 and K15 rifles. However, there are not sufficient microscopic marks of value for identification purposes in either Q8 or Q19. Therefore, it was not possible to determine if they had been fired from K14 or K15. (u)

The Q9 and Q10 bullets were identified as having been fired from the K3 revolver. (u)

The Q11 through Q15 cartridge cases were identified as having been fired in the same firearm; however, they were not fired in specimen K11. (u)

Specimen Q16 was not fired in any of the recovered .308 Winchester caliber firearms. (u)

Specimen Q17 was identified as having been fired in the K15 rifle. (u)

Specimen Q21 does not contain sufficient microscopic marks of value for identification purposes. Therefore, it was not possible to determine if Q21 had been fired in K19 or K17. Specimen Q21 was not fired in K16. (u)

Specimen Q22 does not contain sufficient microscopic marks of value for identification purposes. Therefore, it was not possible to determine if Q22 was fired in K17. Specimen Q22 was not fired in K16 or K19. (u)

The Q23 through Q27 cartridge cases were identified as having been fired by the K23 rifle. (u)

Specimens Q28 and Q29 are consistent with 16-gauge shot shell wads but could not be identified further. (u)

[redacted] stated that when he arrived in Georgetown, he, RYAN and [redacted] went to the United States Embassy where they met with the ambassador. A tentative agreement was consolidated for RYAN and [redacted] to visit Jonestown the following Friday. [redacted] stated that RYAN also asked him to contact PT in Georgetown and [redacted] talked to a SHARON AMOS, a member of the PT, telephonically whereby further plans were discussed. [redacted] observed a petition listing 650 names of PT members who objected to the visit. The list was in the possession of RICHARD DWYER at the United States Embassy in Georgetown. RYAN also visited the PT in Georgetown prior to leaving for Jonestown where he talked to SHARON AMOS, PT member. [redacted] recalled that RYAN mentioned he was pleased with this meeting. Negotiations continued on until RYAN chartered an 18 seat aircraft which departed for Jonestown on November 17, 1978. On November 17, 1978, a conference was again held with the interested parties and again extensive limitations were placed on who should visit Jonestown. RYAN wanted to bring along the press and relatives and the PT were hesitating on this request. (u)

[redacted] did not travel to Jonestown but rather stayed in Georgetown where he communicated via hand radio from Georgetown to Jonestown during RYAN's visit. (u)

[redacted] had no direct knowledge as to what occurred at Jonestown, however, understood via hand radio that RYAN and his party talked to members of the congregation of the PT on November 17, 1978, and stayed over night. (u)

After the massacre in Jonestown, [redacted] assisted Guyanese authorities in identifying those who were killed. (u)

[redacted] handcarried RYAN'S briefcase back to San Francisco arriving on November 21, 1978, at which time the items were given to JOE HOLSINGER, Administrative Aid to RYAN. [redacted] stated that he did not examine the contents of the briefcase, however, recalled that DWYER mentioned to him that he thought the briefcase had been broken into sometime while in Guyana. [redacted] was not aware as to why DWYER considered that the briefcase had been entered. (u)

[redacted] remarked that MARK LANE and CHARLES GARRY, Attorneys representing PT arrived in Georgetown, Guyana, on November 16, 1978. [redacted] recalled that RYAN had sent a telegram to JIM JONES, leader of the PT, requesting that they be allowed to visit Jonestown sometime during the Fall of 1978 and LANE telephonically contacted RYAN and stated that the visit would be allowed based on the following conditions: That there be no press, that the delegation be balanced and only if LANE was present during the visit. [redacted] to Congressman LEO RYAN (D-Calif.) who was slain in Guyana, November 18, 1978, was interviewed at Maryland Institute for Emergency Medical Services (MIEMS). (u)

[redacted] date of birth [redacted] was listed in serious but stable condition at MIEMS with bullet wounds [redacted] (u)

[redacted] was unable to identify any individuals involved in the shooting incident at the airstrip near Jonestown, Guyana, on November 18, 1978. (u)

She said RYAN began formulating plans to visit Jonestown in early summer, 1978, following West Coast media coverage of defection from People's Temple of DEBBIE LEYTON BLAKEY in May, 1978. RYAN interviewed BLAKEY about conditions in Jonestown in August, 1978 and subsequently was contacted by other relatives of Temple members in Jonestown. Liaison was established by RYAN's office with RICHARD MC COY, U.S. State Department, Washington, D.C., concerning a trip to Guyana to visit Jonestown. On November 1, 1978 a telegram was sent to Jonestown by RYAN, formally announcing his intention to visit the community. (u) b6 b7c

[redacted] said prior to leaving, she and RYAN spoke with AL and JEAN MILLS of Berkeley, California, who had been to Jonestown to obtain the names of any defectors that could be interviewed. (u)

The MILLS stated that TIM CARTER, a Temple defector, was in San Francisco two to three days prior to RYAN's planned departure for Jonestown and had inquired of the MILLS as to RYAN's flight schedule. The MILLS stated that although CARTER was an alleged defector, his San Francisco apartment was virtually bare of food or other indication of permanent residence. [redacted] said it was also curious because upon arrival at Jonestown, TIM CARTER was there. (u)

In addition, [redacted] stated RYAN's office received a curious call allegedly from Pan American Airlines a few days

prior to departure. A female said she was making final arrangements for the flight, including V.I.P. treatment for RYAN, and to firm up the schedule and itinerary. (u)

[] said that a total of 16 concerned parents accompanied the Congressional party and press representatives to Guyana on November 14, 1978, arriving at Georgetown. All of the group stayed in Georgetown except BEVERLY OLIVER, STEVE KATSARIS, JIM COBB and CAROLYN BOYD, who stayed in Jonestown. (u)

She and RYAN went to Jonestown on Friday, November 17, 1978, and stayed until Saturday, November 18, 1978, taking about 20 declarations from Jonestown residents who desired to leave with the Congressman. (u)

[] said on November 18, 1978 a truck containing 28 people, including 16 defectors, left Jonestown for the airstrip 8 miles away. The driver was STANLEY GINNS of Concord, California, who also had driven them from the airstrip to Jonestown the previous day. Among the defectors on the truck was LARRY LEYTON, brother of DEBBIE BLAKEY, mentioned above. (u)

The trip to the airfield took more than an hour due to poor road conditions. Two planes were at the airstrip, a large and a small craft. [] was handling departure arrangements placing defector families in the large airplane, and single defectors in the smaller craft. It was obvious all present could not leave on the two planes, and that a return trip would be necessary. (u)

LEYTON insisted on leaving on the first plane to take off. All defectors were checked for weapons before boarding. LEYTON, wearing a poncho, entered the smaller plane prior to search and was challenged. LEYTON pulled a pistol and began firing inside the plane, before gun wrestled from him by DALE PARKS. LEYTON then fled the area. (u)

A few minutes later a tractor with flatbed on rear arrived at the airstrip with about ten men, both white and Negro. The truck began circling the planes as the men on the truck fired upon those not yet on board the two planes. SPEIER, RYAN and NBC newsman DON HARRIS attempted to hide behind the plane wheel. Both RYAN and HARRIS were hit by gunfire and killed. SPEIER played dead but was struck by bullets in the right forearm and right thigh. The attack lasted a few minutes. (u)

[redacted] and several other wounded stayed near the planes following the assault, and a few others went to a nearby disco bar to await help (u)

She said there was no indication of any violence or a conspiracy to kill RYAN prior to their leaving for Jonestown. It was her opinion the incident at the airstrip was a spur-of-the-moment plan initiated after several defectors had come forth seeking RYAN's assistance in leaving the commune (u)

determine its condition. The strip appeared in good condition and we went into Port Kaituma where the plane landed at about 1530. ~~x#x~~ Captain Spence informed me later that a fellow pilot from the GDF had gone into Port Kaituma earlier in the day and had had no reports of runway difficulties.

4. The group was met by about six PT representatives including Tim Carter upon ~~ixkix~~ ^{our} descent from the plane. The PT representatives were uncommunicative to most of the group and drew aside to talk with their two lawyers. The lawyers announced that the PT had decided that the two lawyers should go to Jonestown and confer with Jim Jones on whether the remainder of the group would be allowed to enter Jonestown. It was pointed out to the members of the PT and their lawyers that the plane had to leave Port Kaituma before darkness at about 6:00 p.m. The two counsels then departed with ~~ixkx~~ members of the PT in the large truck which was used by the PT to traverse the bad road into the Temple. This and the PT tractor were purported to be the only vehicles in the area able to make the trip. A few minutes later, however, the truck reappeared and the lawyers announced that it had been decided that the Congressman, his aide, Ms. Speiers, and myself would be permitted to accompany the group. After several delays, including one delay necessary to remove from the Jonestown road a two wheel cart loaded with heavy logs, the group entered Jonestown at about 1630 or 1700 hours: After talks with Jim Jones and other leaders of the PT,

during which Congressman Ryan expressed the opinion that free entry to and egress from Jonestown were essential to prove that Jonestown is an open and free community, Jim Jones reluctantly agreed, upon the urging of counsel, to permit the newsmen and the concerned relatives to enter Jonestown. Mr. Jones decided, however, that Mr. Lindsay of the National Enquirer would not be permitted entry into Jonestown and Mr. Lindsay therefore returned with the plane to Georgetown.

5. The truck was sent to fetch the newsmen and the concerned relatives. It was agreed that the Congressman's party would pass the night at Jonestown while the remainder of the group would have dinner at Jonestown but spend the night at Port Kaituma and return the following morning. While awaiting the press and concerned relatives to arrive, Congressman Ryan and his aide, Ms. Speiers, began interviewing the numerous residents of Jonestown about whom they had had inquiries or other reports. With the arrival of the newsmen supper was served to the visitors and a number of the leaders of Jonestown. The newsmen were able to speak with Jim Jones and others for some considerable time.

6. It was announced that following supper a musical show would be presented by the "Jonestown Express", a group preparing for its annual Christmas concert in Jonestown. Mrs. Jones announced to the assembled group that no one need be photographed if they did not wish to be, that the NBC team would be

using bright lights and television cameras and that if anyone did not wish to be photographed, they should raise their hands and the lights would be turned off and the TV cameras turned away from them. As the concert progressed, however, I observed no incidents of people refusing to be photographed. The musical show contained considerable talent and the people of Jonestown were very enthusiastic throughout the show and in apparent good humor.

7. Midway in the show Mrs. Jones got up and warmly introduced Congressman Ryan, who came to the stage to say a few words. The Congressman noted that he had already met at Jonestown some of his former students, a school classmate of his daughter's, and others with whom he had mutual friends or acquaintances. He said that he had already talked to a considerable number of residents of Jonestown and he was happy to hear that a number of these people felt that Jonestown was the greatest place on earth, upon which statement the audience rose with enthusiastic and prolonged applause. Congressman Ryan then went back to his interviewing and the show progressed. The Congressman continued interviewing persons on his list, in private, following the show.

8. At the end of the evening I was approached by Mr. Vern Gosney, who asked me if I could arrange for him to get out of Jonestown that night as he was very, very frightened and was afraid that once he had been seen talking to me he would

be in extreme danger. I replied that I could do nothing that night as I myself was staying at Jonestown but that Mr. Gosney if that was his wish, was welcome to leave Jonestown in the morning with the group. I noted that Mr. Jones and legal counsel had assured the Congressman, the newsmen and myself that anyone who wished to leave with us was free to leave Jonestown. At about the same time Mr. Gosney had slipped a note to one of the NBC crew saying that he and Miss Monica Bagby wanted to leave.

9. At the conclusion of the evening's interviewing, Congressman Ryan and I discussed the situation. Miss Bagby and Mr. Gosney were two persons who had clearly expressed the desire to depart, and the Congressman thought that there might be others on his list of names to interview who also wished to depart. He noted he was saving his best documented cases for the morning. It was therefore agreed that Miss Bagby and Mr. Gosney would be put on the Congressman's list with those about whom the most serious concerns had been expressed and that they would be called for interviews by the Congressman towards the end of the next morning, as shortly as possible before the group was scheduled to depart. The Congressman and I agreed that despite Mr. Jones' assurances that people would be free to leave, there might be concern among the People's Temple when it became apparent that some members were preparing to depart.

10. Next morning, Saturday, Nov 18, the Congressman began the remainder of his interviews. The news group returned and also began interviewing leaders and members of the PT. In the meantime the PT had given permission for one or two other concerned relatives then in Georgetown to come to Jonestown with the plane that was to pick up the Congressman's group and to spend some time in Jonestown with their relatives before returning to Georgetown by commercial means. The Congressman and I agreed that this was undesirable. I explained on the radio to Consul Ellice and to the Congressman's HIRC aide, Mr. James Scholleart, the decision that there should be no concerned relatives on the plane that went up to Port Kaituma to pick up the Congressman and his party.

11. The NBC television news crew had also decided to tape its principal interview with Jim Jones shortly before departure Saturday. The news team had been told by a local official at Port Kaituma the previous evening, I later learned, that the official alleged that he had delivered to Jones at Jonestown an automatic weapon as well as a GOG permit to have the weapon. In the interview, however, Jones denied this report, as he had denied possession of anything more than a few shotguns for hunting since he arrived in Guyana.

12. At approximately 11:00, after consulting with Congressman Ryan, I called Jim Jones and his lawyers aside and informed them that there would be several people who wanted to leave

limited official use

Jonestown and that these people would depart with the Congressman and myself. Mr. Jones was visibly upset but was calmed by Mr. Lane and Mr. Garry, who both pointed out that it appeared that only a half dozen to a dozen people wished to depart, which in its way was a credit to a community of 1100 to 1200 people. Congressman Ryan also stressed to Mr. Jones that unhindered departures would improve the image and reputation of the PT.

13. By approximately noon, in addition to Miss Bagby and Mr. Gosney, several members of the Park family had expressed a desire to leave and were holding a family council to decide whether they should all depart together or whether some might remain in Jonestown. It was about 1330 when they decided that they would all depart at the same time with the Congressman and myself and had collected their belongings. Congressman Ryan and Ms. Speiers went with members of the Park family to reassure them while they collected their belongings. The family consisted of grandmother, parents and four children and Mr. O'Neil, a close friend of daughter Brenda Park. It was apparent by this time that a second aircraft in addition to the GAC twin Otter (which could hold 19 persons) would be needed and was requested by PT radio. A small aircraft of 5 passenger capacity was therefore sent up from Georgetown, scheduled with the Otter to arrive in Port Kaituma at 2:00, according to messages received from Georgetown. As the

departure time from Jonestown came closer, there were several other persons who expressed a desire to leave to the Congressman and myself. It was agreed that the people from Jonestown would be given priority on the planes and that the press and Mr. Garry, who wished to return to Georgetown, would take subsequent aircraft. In addition to the Park family, the Bogue family, consisting of Jim Bogue, Mrs. Bogue, Tina and Tommy, and a close family friend, Harold Cordell, were to leave with the group. At the last moment, Mr. Larry Layton urgently requested that he be permitted to leave and he entered the truck.

14. Congressman Ryan stated that as there were apparently still others who might wish to leave Jonestown, he and I would remain at Jonestown to insure their departure the following day. I was to accompany the departing group to the airport at Port Kaituma to oversee the departure and to relate to the captain of the GAC aircraft the requirements for aircraft the following day. I was also to stop at the Assistant District Officer's office at Port Kaituma to relate these messages through that channel to assure prompt and accurate receipt by the Embassy.

15. The group was loaded in the back of the large truck. I got on last. The truck started to depart but slid in the mud at the side of the track. The group was told that a bulldozer would be necessary to put it back on the track.

(A previous delay had occurred which Ms. Speiers attributed to the fact that the driver of the truck ~~xxxx~~ wanted to leave with the group and refused to drive the truck out unless he could be given assurances that he could leave. He was told that he could leave with the group the next day.) As the group waited for the bulldozer to come to free the truck, shouts were heard from the central pavillion of Jonestown where Congressman Ryan was waiting, together with Mr. and Mrs. Jones, Mr. Garry, Mr. Lane and other ranking individuals of the PT. I ran from the truck to the Pavillion where I found a small group surrounding the Congressman, whose clothes were disheveled and bloody. The Congressman had been attacked by a knife bearing distraught member of the PT who had been disarmed by Mr. Lane, Mr. Garry and others of the PT. The Congressman was uninjured. I was told that the blood had come from a minor wound the assailant had suffered as the knife was taken from him. The Congressman told Jim Jones that the incident would present a problem for the PT but that it was not one which could not be overcome if legal processes were allowed to take place. Jim Jones expressed the wish that he himself had been killed directly on the spot rather than that this incident should happen to the Congressman. He said that the police had been called. He appeared deeply troubled. The Congressman and I had a private conversation in which I urged the necessity for the Congressman to leave Jonestown. The Congressman agreed

finally, to do so, with the understanding that I would return to Jonestown and organize the departure of those who wished to depart the following day after the Congressman and group had left Port Kaituma for Georgetown. The Congressman and I then joined the truck, which by this time had been freed from the mud, and proceeded to the airport at Port Kaituma approximately an hour away.

16. The truck stopped for a few moments at the entrance to Jonestown where it was joined by a guard from the gate, who made a careful survey of the passengers in the truck without speaking. Although the two aircraft had been scheduled to arrive at Port Kaituma at 1400, they were not there when the group arrived, about 1530. During the trip out, incidentally, several members of the group leaving Jonestown expressed to me and to others their concern that one Larry Layton had been permitted to join the group as they considered him a fanatic follower of Mr. Jones and did not believe that he actually wished to leave the organization.

17. Upon arrival at the airport I asked Congressman Ryan to be sure all members of the group were thoroughly searched before being allowed to board the aircraft should they arrive before my return and to pay particular attention to Larry Layton about whom we had been warned.

18. As there were no aircraft in sight upon the group's reaching Port Kaituma Airfield (except for the disabled)

were still on the ground as they ~~XXXXXX~~ wished to film the departure and as not all of them could be accommodated in the two aircraft. The Congressman ~~xx~~ was also on the runway. After a brief conversation with the Congressman regarding the number of people who might wish to depart the following day, and the necessity of getting an aircraft back to Port Kaituma promptly the next day (during which conversation the Congressman told me that the members of the group had been searched before they had been allowed on the plane), I walked over to discuss arrangements with Captain Spence, the pilot of the GAC aircraft, which was mid-way down the airstrip. The five seat Cessna was near the head of the runway, close to the disabled GDF Islander.

19. Shortly thereafter shots rang out from a tractor and two trailers belonging to the PT which had been parked at the side of the runway nearest the aircraft. Shots also began from the PT truck parked in front of the airplane on the other side of the runway. Congressman Ryan ran under the nose of the aircraft or close by the nose of the aircraft to get away from the shots coming from the tractor and two trailers, as did I. I saw the Congressman hit once and go down, apparently attempting to seek shelter behind the wheels of the aircraft. By this time I realized that shots were coming from both sides and that there was little hope of being able to cover the distance from the airplane to the

[side of the runway and into the shelter or the bush. I] also saw that at least one and possibly two others of the group had already been hit. I therefore threw myself on the ground on my back to simulate death. As I was falling I was hit by a slug from what apparently was a small calibre weapon, possibly a 22, in my left thigh. The firing continued for several minutes and then there was a short pause before the ~~ixxx~~^{firing} recommenced. It seemed to me that one or more of the assailants with shotguns was proceeding amongst the wounded, firing a blast at each of them. For unknown reasons I was not shot by those with the shotguns nor, it developed later, was Mr. Charles Krause of the "Washington Post", who later told me that he also had feigned death on the other side of the Congressman. The truck and tractor were heard to drive away and after a few moments those who had not been wounded and the ambulatory wounded began to get to their feet. The pilots of the Otter aircraft, still in the cockpit, had not been attacked and the engines of the plane were continuing to run. I went over to the Congressman, who had been badly hit. It was clear that he was dead; I then moved the body away from under the wheels of the aircraft and checked on the others. The NBC newsmen, Bob ~~Rx~~ Brown and Don Harris, were both lying dead under and to the rear of the aircraft. I ran around to the steps of the aircraft where Mr. Greg Robinson of the San Francisco Examiner lay crumpled, also apparently killed instantly.]

I cannot recall whether I first saw Ms. Jackie Speiers still on board the aircraft or at the foot of the steps. It appeared evident, however, that she was seriously wounded as was Mr. Anthony Katsorsis, who lay near the foot of the aircraft steps. I ran up the steps of the aircraft where I found that Mrs. Patricia Park had received what appeared to be the full blast of a shotgun in the back of her head. She was leaning across the aisle of the airplane. With the help of a local Amerindian who appeared on the scene I removed the body from the aircraft in the hope that the aircraft could still fly, but only then noted that the left hand tires had been shot out. I do not recall seeing any other passengers on the aircraft and presumed they had run towards the heavy bush on the near side of the runway. Those remaining unhurt and some local residents carried Mr. Katsorsis, Ms. Speiers and NBC newsman Stephen Sung, also seriously injured, into the bush at the side of the runway.

20. The major concern of the group was that the PT assailants might return to complete the assassinations. The wounded were therefore moved into the bush and those able to walk stayed near the bush. Mr. Bob Flick of the NBC news team who had taken shelter in a small corrugated steel building at the side of the runway with several Guyanese and was not injured by the gunfire directed towards him, ran down the runway to where the other light plane was. There were four members of

[the GDF at the disabled GDF Islander, three of whom had automatic weapons and the Commanding Officer, Lt. Joseph, who had an automatic pistol. Lt. Joseph later told me that none of his group had discharged their weapons because they could not tell the assailants from the victims as all were Americans and the incident was over so quickly.

21. Mr. Fernandes, the pilot of the Cessna, joined the group near the Otter, where he told me that one of his passengers had attempted to kill the other passengers with a revolver and had seriously wounded at least two. Mr. Dale Park, who had been a passenger on Mr. Fernandes' Cessna, told me that the passengers consisted of Miss Monica Bagby, Mr. Vern Gosney, Mr. Larry Layton, himself and one other. He stated that as the Cessna was preparing to depart, Mr. Layton shot Miss Bagby and Mr. Gosney once each in the back. The door of the plane then was opened and Miss Bagby and Mr. Gosney ran out of the plane and were shot again once each by Mr. Layton, who then turned the gun on Mr. Park. Mr. Park stated that there was one further discharge of the weapon but that he was not injured and was able to take the weapon away from Mr. Layton after a struggle and attempt to discharge it at Mr. Layton, without result. Layton then is said to have disappeared temporarily. (One of the GDF soldiers stationed by the GDF aircraft under repair near the Cessna later told me that he thought Mr. Layton had left the area with the PT

[group.]. Subsequently, however, Mr. Layton was identified by several members of the Park family and others mingling with the group of survivors at the side of the runway near the disabled Otter.

I
22. By that time ~~Mr. Dwyer~~ had taken possession of the revolver from Mr. Park and one round of ammunition which Mr. Park said had apparently failed to fire. Two Guyanese in civilian clothes asserting that they were associated with the Guyanese authorities had hold of Mr. Layton and said that they would escort him to jail. I heard Mr. Layton tell these individuals that he was an American citizen resident in Guyana, that he denied the crimes of which he had been accused and that he insisted upon his right to be brought to trial by the Guyanese legal process and that he demanded to see the area Public Prosecutor as soon as possible. Mr. Layton was taken away. At about this time the Cessna aircraft began to take off, apparently containing Captain Spence from the GAC Otter and his co-pilot, and pilot ~~Ernest~~ Fernandes. As the aircraft began to take off I ran toward it to flag it down so as to take out some of the wounded. Captain Spence gestured to the rear of the aircraft, which I took to mean that there had been another appearance of the group from the PT and the survivors and I therefore once again took to the bush. I was later to learn that Captain Spence apparently was gesturing to the badly wounded Monica Bagby whom they had

put on board.

23. Numerous Guyanese approached the survivors cautiously. We prevailed upon one individual with a Land Rover to request help from the Clinic in Port Kaituma, pain killers at the very least, and hopefully means of transportation for the wounded to the Clinic. The individual did return, stating that all residents of Port Kaituma had been ordered to stay indoors, that the practitioners were afraid to come to the airport, and that the local people were afraid to help the survivors x to the center at Port Kaituma, which they felt, in any event, might be unsafe. The man did, however, deliver a package of pain killers.

24. It should be noted that before Captain Spence's departure and while he was in radio contact with Guyanese authorities elsewhere, either in Matthews Ridge or Georgetown, he assured me that assistance would be immediately on the way. This was at ~~xxx~~ approximately 1630 hours which meant that there should have been time for an aircraft to reach Port Kaituma from Georgetown before night had it left immediately. With this assurance, the group assembled by the edge of the runway. Several individuals were missing - Mr. James Cobb, Mr. O'Neil, the Park children, ~~xxx~~ Tracy and Brenda, and the Bogue children, Tina and Tommy. They had run deep into the bush and could not be located. I talked with the Lieutenant in charge of the small detachment at the GDF plane at the head

of the runway, requesting the cots of the four man detachment to be used as stretchers. The lieutenant agreed that the wounded could be brought to his four man unit's tent but recommended that this be done after dark. In hopes that an aircraft might still arrive, the group remained close to the bush near the Otter with the wounded hidden in the bush until after 2000, when the wounded were carried down to the comfortable GDF tent where they were made as ~~comfortable~~ as possible. The wounded consisted of Ms. Speiers, Mr. Sung, Mr. Katsorsis, and Mr. Gosney, who had been located lying wounded in the bush by some Amerindians. Throughout it should be noted that several residents of the area immediately surrounding the airfield and particularly the clients of Jeff Sempel's tavern were of great assistance to the group. They warned us of the possibility of attack from the far end of the runway, helped carry the wounded, and helped search for those lost in the bush.

25. At this point the decision had to be made whether to attempt to keep the ambulatory members of the group together in one place to facilitate their departure should transportation arrive, or whether it would be safer to attempt to scatter them, either in the bush or amongst the houses of inhabitants living near the airport, if possible. I elected the former option and with the assurances of Mr. Sempel that his family would welcome the group, two persons were left to stay with

the wounded and the rest of the group assembled in Mr. Sempel's tavern about one block from the head of the runway. Mr. Sempel offered the use of his living quarters for the group which were above the tavern proper and where the group gratefully assembled. The normal Saturday night activities of the tavern continued below, in some measure serving as camouflage for the group.

26. About 2300 hours Assistant District Officer Thomas appeared at the tavern to state that he had just come out of the bush where he had taken cover when the shots began. He said he had been in touch with the authorities by radio from his office in Fort Kaituma and that an aircraft would be sent in shortly to be guided by lighted oil pots alongside the runway. This tactic had apparently been used in the past by the PT when they had an urgent need for medical evacuations at night. Mr. Thomas and I returned to the airport to discuss with Lt. Joseph of the four man detachment the placing of the oil lights and awaited the aircraft.

27. Mr. Thomas returned to his office. It became apparent that the aircraft would not come in that night. Mr. Bob Flick of NBC refused to leave the wounded and nursed them to the best of his ability throughout the night. I also stayed with the wounded to be on hand at the arrival of the first aircraft after instructing the group at the tavern that no one was to leave under any conditions unless Mr.

whether or
Flick, myself, or a GOG official gave permission ~~xxxxxx~~
not an aircraft was heard to land.

28. At approximately 0130 or 0200 in the morning a message came for Lt. Joseph that there was a radio telephone message for him from Matthews Ridge from his commanding officer. I accompanied him to the telephone where I was able to converse with Joseph's commanding officer, Major Ronnie Johnson, and with Second Secretary Len Barrett of the U. S. Embassy, who had accompanied Major Johnson.

29. Major Johnson informed me that a company of troops, approximately 120 men, were being sent from Matthews Ridge to Port Kaituma by rail but that they had orders to dismount five miles before Port Kaituma and walk in. I expressed the hope to Major Johnson and the authorities in Port Kaituma that every effort be made to get a group of soldiers at the airport before dawn, as quickly as possible, to offset any effort by the PT to ambush rescue aircraft which it was hoped would arrive at dawn. The first troops arrived at about 0630, just ~~xfz~~ after dawn, and were installed at the airport. By approximately one hour later the full company was on hand guarding the perimeters of the airport and six soldiers with automatic weapons at my request were assigned to the tavern to guard the Americans staying there. A paramedic arrived with the troops and assisted the wounded.

30. The first rescue aircraft, a GDF Islander, arrived at

approximately 0945 - 1000 in the morning. It arrived without any medical facilities, without stretchers, without blankets, without mattresses. The three most seriously wounded were laid on the bare floor of the cabin from which the seats had been removed, and two others, less seriously wounded and who could sit, were also put in the aircraft and sent to Georgetown. Other Guyanese aircraft were scheduled to arrive shortly thereafter.

31. At this time it became apparent that there was a serious problem with people who had fled People's Temple, namely, the Park and Bogue families and Mr. Cordell. These were the individuals who had told me of the possible treachery of Mr. Layton and who stated that they felt themselves, as the first to leave Jonestown, the number one targets of any Jonestown assassins whom might still be hunting for them. They stated that the main Jonestown security team had consisted of the basketball team currently in Georgetown. This made them very fearful of being sent to Georgetown. They claimed that they knew of plans in the event people tried to escape from Jonestown whereby teams of sharpshooters in Georgetown would attempt to pick them off as they landed at or departed from the Georgetown airport. They also maintained that the PT had other such sharpshooters at Trinidad and Caracas and they feared that there were infiltrators amongst the Jonestown group that had begun to straggle into Matthews Ridge. The

second problem was the five children lost in the jungle. The families felt they could not leave Port Kaituma without the children or without some word as to their safety. I promised to attempt to transfer the group at Timehri Airport to the American military medical aircraft which would be departing Georgetown shortly if it had room for the group. This message was conveyed by me through the aircraft commander and military officials for relay to Timehri. Secondly, I urged each family to leave one male member at Port Kaituma to take care of the children should they be found. I spoke directly with Police Superintendent Smith and ^{the} Deputy GDF Commander _____ on the subject of the children in the bush and was assured by both that the ^{Guyanese} ~~REPAKMER~~ authorities would devote as much help to the search as possible.

32. At about this time Mr. Jim Cobb emerged from the bush, stating that he had been in the bush ever since he had run there the previous afternoon. He had not seen the other missing persons in the bush. Second Secretary Len Barrett of the Embassy in Georgetown arrived by helicopter from Matthews Ridge to assist with the care of the Americans. In what was expected to be the last aircraft of the day for Georgetown, the members of the Park and Bogue families, Mr. Cordell and Mr. Cobb were flown to Georgetown. (One member of each family remained to search for the children.)

Subsequently an aircraft arrived to transport the bodies of

[Congressman Ryan and the four other dead Americans to
Georgetown. Mr. Barrett and I accompanied this aircraft to
Ogle Field in Georgetown.]

[redacted] An individual, who identified himself as [redacted], was contacted as he departed Delta Flight 956 at the San Francisco International Airport. This flight had been diverted to Western Airlines Gate Number 67 for disembarcation and at this time [redacted] was advised of the identities of the interviewing Agents and [redacted] an investigator for the San Francisco District Attorney's Office, who was present during the interview. It is noted that [redacted] has had extensive contact with [redacted] in the past regarding the People's Temple. (u)

[redacted] stated that he first became acquainted with the People's Temple in [redacted] while he and his family were residing in Indianapolis, Indiana. His mother, at that time, had become a member of the People's Temple, whose leader was Reverend JIM JONES. [redacted] noted that at the time that his mother became affiliated with the Church, it was not the custom for members of the Church to give offerings or turn over goods and possessions other than the traditional passing of the plate. This was in Indianapolis. When [redacted] came to California, there was no offering collection at all. [redacted] identified his mother as [redacted] [redacted] stated as far as he knows, she is still either at Jonestown, Guyana, or in the jungle outside of Jonestown. (u)

[redacted] stated that when the Church moved to California, JONES brought them out to Redwood Valley, which is in the northern part of California; this occurred in 1963. The reason, [redacted] stated, that JONES moved the Church to the West Coast was due to harassment and the fact that in Redwood Valley there existed a cave which the Church could take refuge in, in the event of a nuclear holocaust. [redacted] observed that his mother followed JONES with the rest of the family, in February, 1967. [redacted] noted that his father was reluctant to come to California in that he would have to sacrifice his many years of service on his job; however, after tremendous pressure placed upon him by [redacted] mother, he succumbed and journeyed to California with the family. three months after his family had come, and the reason that he came was due to letters he was receiving from his family saying that it was a paradise in that it was multiracial and there existed nothing but an atmosphere of love and kindness and equality. (u)

[redacted] noted that after his arrival, he was treated with such cordiality and kindness that he began to fall in love with the Church and its principles. He stated that the philosophy of the Church at that time as he could determine was one of sharing and welfare for all with equality in all things. (u)

[redacted] stated that he stayed with the Church and in 1968 JONES began a new type of preaching from the pulpit which was comprised of denunciation of other churches wherein JONES was throwing Bibles on the floor, spitting on the American flag and denouncing generally the United States. JONES compared the United States to Hitler's Germany and stated that what happened to the Jews in Germany was certainly going to happen to the blacks in the United States. (u)

[redacted] stated that at first JONES did not take offerings in the Church, but that circa 1968, 1969, JONES stated that other churches were taking money from their members and that it was time for the membership to begin donating. JONES gave a figure of 25 percent as being representative of other churches and stated that it was a voluntary contribution. In 1969, JONES again changed the policy and it became mandatory to give 25 percent of everything you had in order to stay in the Church as an active member. (u)

In the early seventies, circa 1971, [redacted] began to notice irregularities in the Church. At this time, [redacted] was engaged in the Youth Group Movement of the Church and as such he was [redacted] stated that in the late 1960's, he helped organize the youth indoctrination groups, which went on camping trips and generally taught Church doctrine. He had taken training classes in order to teach the young people, and that normally these classes would occur on Wednesday nights. The youth were also given books to read as recommended by JONES. and [] stated that JONES stated, on many occasions, that the ends justify the means to any activity. Even though he was [] in the Youth group, he made a concerted effort at staying off of committees and out of Church organizations in the general politics of the Church. [] stated it was at this time that he noted that specific members of the staff surrounding JONES seemed to be privileged, and that it was not required for them to go to meetings on occasion. This seemed unfair to [] inasmuch as everyone else was required to be at all meetings in order to be in good standing. [] also noted that when many families were suffering from severe poverty in that they could not afford to send lunches to school with their children, JONES' children would always appear with lunches comprised of excellent food and more than anybody else. [] stated at this time he began to become disenchanted with the Church. (u)

b6

[] stated that even though inequalities existed, no one ever dissented because JONES had stated from the pulpit on numerous occasions, as late as 1969, that anyone who left the Temple would be killed or if you disclosed information regarding the People's Temple you would be killed. It is noted that the the word killed was specifically used. (u)

Any activities that were conducted by any members of the People's Temple were conducted with total emphasis on the fact that anything that was done by the members was done for the betterment of the Church. In this regard, [] stated that people were instructed not to go to college unless they intended to stay with the group afterwards, because to go to college and break away from the Church was to rob the people of the money that they expended for your college. (u)

[] stated that it was his desire to go to dental school and so he proceeded to San Francisco to attend the dental school at University of California at San Francisco. [] stated that he "ran himself ragged" trying to serve the People's temple as a janitor at night and go to college in the day. (u)

[] stated that circa 1968, JONES made the members of the Church write things on paper of an incriminating nature to the member himself. These statements could range from (u)

[redacted] related that on Monday, November 13, 1978, at approximately 10:00 p.m., he left San Francisco, California, and took a flight to New York, New York, where he met Congressman RYAN. While in New York, he told Congressman RYAN that it was his intention to travel to Jonestown because he was concerned for the safety and welfare of his family members there. According to [redacted], Congressman RYAN told him that he had no objections to his accompanying their group to the compound in Jonestown. (u)

On November 14, 1978, he, along with the entourage of Congressman LEO RYAN, arrived in Georgetown, Guyana. [redacted] stated that he stayed at the Pegasus Hotel. (u)

On Friday, November 17, 1978, he, along with [redacted] BEVERLY OLIVER, [redacted] and camera crew reporters from the San Francisco "Chronicle", the Washington "Post", Congressman LEO RYAN, Congressional Aide [redacted] and Attorneys [redacted] took a flight to Jonestown. There were eighteen total members in the plane. At approximately 4:00 p.m. they arrived at Port Kaituma, which is the airport located outside of the Jonestown compound. According to [redacted] the pilot radioed to determine if they could land at the airport and were advised that it was too muddy; however, the pilot flew down and observed that the airport was safe to land and, therefore, landed at Port Kaituma. Upon disembarking, various Jonestown people were observed in the immediate vicinity and appeared to be hostile. One person was carrying a shotgun at that time. So at that time, the only individuals who disembarked were Congressman LEO RYAN, along with Attorneys GARRY and LAYNE. Also allowed to disembark was Congressional Aid JACKIE SPIER. (u)

At approximately 6:00 p.m., a yellow pickup truck came back and took everyone into the compound with the exception of a free lance reporter named GORDON LINDSAY. (u)

According to [redacted], it is approximately three and one-half miles from the airport to the entrance to Jonestown and an additional three miles to the actual compound. Upon arriving at the compound, [redacted] saw [redacted] who made no effort to associate with him. According to [redacted] it appeared to him that all the individuals at the Jonestown compound appeared to be putting on a show for the people who were visiting. The whole act appeared to be a facade to show that all the individuals in the compound were extremely happy, free, well-fed, and all had adequate housing. According to [redacted] that night none of the visitors were allowed to stay in the compound; however, Congressman RYAN and his aide SPIER did, in fact, stay at the compound. According to [redacted], he and other individuals stayed the night at Mike & Son's Disco in Port Kaituma. (u)

According to [redacted], the following day he saw his family, and they appeared to be all malnourished and were residing in a small hut which is approximately fifteen feet by fifteen feet. There were five people living in this hut, and according to [redacted] JONES had promised to build his mother a large house; however, evidently failed to do so. According to [redacted] most of the people were residing in the small cottages or huts. [redacted] related that he got the feeling as they were walking around the compound, that he and the other individuals should not be there. (u) b6 b7C

including various defectors who wanted to leave the compound. At that time, [] stated that he heard that someone had tried to stab Congressman RYAN and that Attorneys GARRY and LAYNE subdued the assailant. At that time, everyone got onto the dump truck, including one of the close followers and alleged hitman of Reverend JIM JONES, LARRY LAYTON. LAYTON evidently told the individuals that he wanted to leave the compound, stating that it was a hell hole. At that time, [] stated that DALE PARKS and JERRY PARKS, who were defectors from the compound, said that it was bad, that LAYTON was a plant and should not be trusted. [] stated that at hearing this he told BOB FLICK and TIM REITTERMAN, who are with the news media, to watch LAYTON. [] stated that he was very uneasy and things began to drag. When they got to the gate to the compound, he observed JOE WILSON standing by the gate and as the truck arrived WILSON asked everyone to spread out so he could see who was in the truck. [] related that he was in a hurry to get to the airstrip and he was afraid something was going to happen. He advised that at various times he bumped up against LAYTON to determine if LAYTON had a gun; however, he did not believe LAYTON had one at that time. PARKS stated that he had heard that LAYTON had asked JONES if there was anything he could do and JONES put him on the truck. (u)

According to [] when they got to the airstrip at Port Kaituma, LAYTON wanted to be put on the first plane to leave and was adamant about his desire to leave first. (u)

According to [] when they first got to the airstrip, there was only a small plane which could only carry five passengers. Various individuals of the entourage got on the small plane. The larger plane was now coming in for a landing and was five minutes late. It landed on the strip and parked with one engine running. At this time, [] stated that he then observed that a tractor pulling a trailer with People's Temple individuals on the trailer had pulled onto the edge of the clearing at the far end of the runway. [] stated at this point he told Congressman LEO RYAN to hurry up, as he felt fearful that something was about to happen. At this point, Congressman RYAN was searching the individuals getting onto the plane and his aid was taking a list of names for boarding. (u)

[redacted] stated that while the tractor and trailer were a distance away from the airplane, he was able to identify certain individuals as being hitmen for the People's Temple. Because of this he urged RYAN to hurry operations to depart the airfield. [redacted] stated that at this time he noticed that local Guyanese natives were being pushed back into the brush by People's Temple representatives. After seeing this, he tried to warn everyone he felt were in immediate danger. [redacted] stated he then attempted to help people get on the plane, and at this time [redacted] stated he noticed that GREG ROBERTSON was on the far side of the plane near the wheel. [redacted] stated that he came around the tail of the aircraft to assist GREG ROBERTSON. The engines of the aircraft were drowning out all other noise on the airfield. [redacted] stated that he turned around and then observed that the tractor and trailer had approached to approximately thirty feet from the aircraft and at that time he heard the first shooting. He immediately observed that Congressman RYAN fell to the ground. It seemed to [redacted] that people were just hitting the dirt all over the airfield. DON HARRIS then fell at approximately the same time as Congressman RYAN. [redacted] stated that he saw some of the guns that the individuals on the trailer were carrying and thought that someone was aiming at him. At this time, [redacted] related that he then observed another individual fall down and at this point he sprinted for the jungle which was approximately fifty yards away from the aircraft. Upon arriving at the edge of the clearing, he looked back and observed that TOM KICE shot DON HARRIS in the head at point blank range with what appeared to be a shotgun. He stated that he observed

TOM KICE, BOB KICE, JOE WILSON, and ALBERT TOUCHETTE shooting the victims in the head at point blank range. At this point, [] stated that he dove into the jungle and ran for approximately two hours into the dense jungle and swamp. He then climbed a tree where he stayed until approximately 9:30 a.m. the next day, when he went back to the airport. Upon arriving at the airport, he observed what he hoped to be Guyanese soldiers checking the bodies lying on the airstrip. At that point, he decided that he would take the chance that the individuals he observed were indeed Guyanese soldiers and not followers of the People's Temple, as he was totally exhausted and demoralized from the ordeal. These individuals were determined to be Guyanese soldiers and he was afforded protective custody at that time. (U)

Mr. HOUSTON's son, ROBERT, JR., had been a member of the Peoples Temple group from approximately 1969 until his death on October 5, 1976. ROBERT, JR.'s mangled body was found during the early morning hours of October 5, 1976, lying on the railroad track road bed in San Francisco, California. ROBERT HOUSTON, JR., his first wife, PHYLLIS HOUSTON, nee TUTTLE, and their two daughters, PATRICIA and JUDY HOUSTON, had all been involved with the Peoples Temple group. PHYLLIS and the two girls had continued their affiliation with the movement after the death of ROBERT, JR. The girls had been residing in the Jonestown settlement for the past 14 months. These girls, whose ages at this time would be 14 and 15, were the reason that the HOUSTON family was quite concerned about their welfare. The girls' mother, PHYLLIS, was allegedly in the San Francisco area during the week of November 5, 1978, because she telephonically contacted ROBERT HOUSTON, SR. inquiring if he and Mrs. HOUSTON would desire to go to Jonestown, Guyana with her in December, 1978 so that they could see the two girls. Mr. HOUSTON declined due to illness and told PHYLLIS that he would not be up to making the trip. (u)

In regards to the trip to Guyana with Congressman RYAN's group, [redacted] advised that the concerned relatives group left from California and flew to New York where they met with Congressman RYAN, JACKIE SPEIERS, his aide, and a man named JIM (LAST NAME UNKNOWN). Upon arrival at Georgetown, RON JAVERS, a reporter for the San Francisco Chronicle traveling with the group, was refused entry into the country and had to spend the night at the airport. RYAN intervened with the Guyanese authorities and JAVERS was admitted the following morning. Reservations, which they allegedly had at a local hotel, were not honored and the explanation given was that there was a convention. Congressman RYAN stayed in the U. S. Ambassador's residence and the remainder found other accommodations. Congressman RYAN and a man from the embassy, DON ELLIS, were negotiating with JAMES JONES, the leader of the Peoples Temple group in Jonestown, to obtain entry into the Jonestown compound. On Friday morning, the group was told that they would be allowed to visit the compound. JONES had approved a representative number to meet with him at the Jonestown complex. Included in this group were ANTHONY KATSARIS; Congressman RYAN; JACKIE SPEIERS; a Guyanese information minister; CAROL BOYD; TIM REITERMAN, a reporter for the San Francisco Examiner; BEVERLY OLIVER, a concerned relative; DON HARRIS, an NBC reporter; ROBERT BROWN, an NBC cameraman; GREG ROBINSON, a photographer for the San Francisco Examiner; RICHARD DWYER, Deputy Chief of Mission, U. S. Embassy; and STEVE SUNG, NBC soundman. This group traveled from Georgetown via a charter airplane (Air Guyana), arriving at Port Kaituma Airport during the late afternoon of November 17, 1978. (u)

At approximately 6:00 p.m. on November 17, 1978, a dump truck arrived and took the group approximately four miles from Port Kaituma to the entrance to the Jonestown compound where [redacted] was greeted by [redacted] PHYLLIS HOUSTON. They were then taken to a large pavilion type structure where Congressman RYAN addressed the group and thanked them for allowing the delegation to come to Jonestown. They then had dinner and were entertained by a "talent" show. Congressman RYAN made a speech after the talent show and then the group was told that they would have to leave. (u)

CHARLES KRAUSE, a reporter for the Washington Post, Congressman RYAN and JACKIE SPEIERS stayed overnight at the temple and the remainder of the party returned to Port Kaituma and stayed at "Mike's Disco", a local nightclub. (u)

The next morning, Saturday, the 18th of November, the group was picked up at approximately 9:30 a.m. in the same dump truck and driven to the Jonestown compound. They were more or less on their own to mingle with relatives and talk to others as they wished. PHYLLIS HOUSTON, the mother of PATRICIA and JUDY HOUSTON, however, made it a point to remain with the girls during [redacted] visit. (u)

b6

Mrs. HOUSTON did allow the girls to hear a tape prepared by their grandfather, ROBERT HOUSTON, SR. This tape was personal in nature and endeavored to encourage the girls to return to the United States. The girls responded to the tape by indicating how much they were enjoying their stay in Jonestown. The girls' message was tape recorded to be returned by [redacted] to her father. Mrs. HOUSTON endeavored to obtain this tape from [redacted] however, she refused to surrender it to her. (u)

After visiting at the Jonestown compound for several hours on November 18, 1978, [redacted] was informed by JACKIE SPEIERS that some of the Jonestown people wanted to leave with the RYAN delegation. They were passing notes stating their desires to members of the delegation. DON HARRIS, NBC news reporter, was one of the persons who had received a note from one of the people who wanted to escape. (u)

According to [redacted] those who made their desires known to JONES were given their passports and \$5,000 in Guyanese currency. As the delegation was preparing to depart Jonestown for Port Kaituma Airport, additional Jonestown residents tried to get on, but there was not enough room. Congressman RYAN then decided to remain with the group that was left behind until they could be transported to the airport. The truck pulled out and there was some commotion back in the group where Congressman RYAN was located. DON HARRIS left the truck and went back to see what the commotion was all about. Someone had tried to kill RYAN at the compound with a knife. The two lawyers, MARK LANE and CHARLES GARY, took the knife away from the assailant and it was decided at this time that Congressman RYAN should leave with the first group. The first group (u)

BA 89-173

included an individual identified as LARRY LAYTON. Some of the departing Jonestown residents expressed apprehension about LAYTON's presence inasmuch as he was an avowed temple member. He was reportedly very close to JONES and was considered one of his trusted inner circle. When the group arrived at the airport, everyone got off the truck and all the baggage was removed from the truck. At this time, Congressman RYAN met with the news media and explained the commotion that took place inside the compound. A short time thereafter, a small plane arrived for the group. LARRY LAYTON made a concerted effort to get on this plane. JACKIE SPEIERS advised him that he was not one of the first individuals indicating a desire to leave Jonestown and accordingly, he would have to wait for the next plane. LAYTON then went to Congressman RYAN and apparently convinced him that he (LAYTON) would be the best source of information regarding the Jonestown group and accordingly, he should be allowed to leave immediately. Congressman RYAN then instructed that LAYTON be allowed to leave on the first plane. LAYTON was thereafter observed shaking hands with a group of spectators who had arrived at the airport, prior to boarding the plane. Because of fear of LAYTON's true intentions, he had previously been searched prior to his shaking hands with spectators. At that time, no weapon was noted to be in the possession of LAYTON. (u)

b6

Prior to the first plane departing, a second and larger plane arrived. Mrs. OLIVER and [redacted] got on this plane. At this time, some of the Peoples Temple defectors said that members from the temple who were at the airport had guns and were going to kill them. LARRY LAYTON said they had to get the plane off the ground immediately. At this point, shooting started. Someone yelled "hit the dirt". Both she and Mrs. OLIVER were in the doorway of the second plane and both headed for the rear of the plane and got on the floor. Mrs. OLIVER had been hit in the legs. Those who were standing in the doorway were shot by individuals on a tractor and flatbed, which appeared to be circling the plane. After the tractor left, they got off the plane and saw ANTHONY KATSARIS, who was still alive, but who had been shot in the chest. They carried JACKIE SPEIERS, who had multiple gunshot wounds, away from the plane. They knew that

the tires were shot out and the plane received numerous hits in the engine and compartment area. The next thing she remembers is running into the jungle and thereafter, observing the five seater plane taking off with the pilots and some crew members from the larger plane. (u)

There were three or four Guyanese Army personnel located at the airport, camped out in a tent by a Guyanese Air Force plane which they were guarding. The Guyanese told them what to do relative to hiding out and the military personnel provided three stretchers. While they were rendering first aid to JACKIE SPEIERS and STEVE SUNG, LARRY LAYTON approached the group and he was told to leave by the others. LAYTON attempted to talk to the group, but they were fearful of him. Some of the group accused him of being involved in the shooting. At this point, at the direction of Guyanese people, the group decided to leave the injured members of RYAN's group in the tent with the Guyanese Army personnel and the remainder would be taken into Guyanese homes in Port Kaituma. Mr. DWYER and one of the members from RYAN's group remained with the injured. When help arrived on the morning of November 19, 1978, [redacted]

[redacted] was informed of this by Mr. DWYER or someone who had been at the airport. They thereafter went to the Port Kaituma Airport, boarded a Guyanese military aircraft and were flown to Georgetown. On the same date, she departed Georgetown, Guyana on a United States medivac aircraft, which brought her and several of the other members of the group to Andrews Air Force Base, Maryland. (u)

[redacted] advised that she did not observe the shootings that took place at Port Kaituma and could not identify from personal knowledge any of the assailants. She explained that when the shooting began, she immediately concealed herself in the rear of the plane and did not exit the plane until after the shooting had ceased. (u)

[redacted] expressed great fear about reprisals from the Peoples Temple organization, particularly in light of her [redacted] relationship with Congressman RYAN and because he was one of the original complainants relative to JONES and the Peoples Temple movement. Mrs. BEVERLY E. OLIVER, who resides at 2040 O'Farrell Street, Apartment 108, San Francisco, California, telephone number 563-7998, was interviewed at the Roosevelt Roads Naval Hospital where she was hospitalized after receiving gunshot wounds to both feet during the incident at Jonestown, Guyana. (u)

Mrs. OLIVER stated that she is a former member of the People's Temple which was headed by Reverend JIM JONES and which is located at 1859 Gery Boulevard, San Francisco, California. She has known JONES since she first entered into the People's Temple approximately five years ago. She was a member of the Temple for approximately three years and in the summer of 1976 she was informed by JONES' attorney, CHARLES GARRY, that the Church did not want her to remain a member. At that time she had been questioning some of the operational procedures on the part of JONES. Also in July, 1977, she began to make inquiries concerning her two sons who went to Guyana in 1977 for a "two week tour and never returned." She stated that her two sons, BRUCE and WILLIAM OLIVER, ages twenty and eighteen respectively, left for Guyana in July, 1977, and in August, 1977, when they did not return, she and her husband, HOWARD, being concerned, made inquiries to JONES' wife MARCELINE, whose nickname is MARCY. (u)

During their conversations with MARCY JONES, she indicated that the boys, referring to Mrs. OLIVER'S sons, if they wanted to leave and to return they could any time they wanted. However, MARCY JONES indicated to the OLIVER'S that they should leave the two boys alone. With this remark Mr. and Mrs. OLIVER talked with their attorney, [REDACTED] and indicated they needed his help as they wanted to get their two sons back. HOLMES therefore obtained a habeas corpus from the local court in San Francisco since one of her sons, WILLIAM, at that time was not of legal age when he left for Guyana. When he left, Mr. OLIVER had to give him permission to go. She pointed out at this point that a Pan American airline ticket was purchased and sent to Guyana for their return but this was to no avail. Mrs. OLIVER further advised that from the time her two sons left for Guyana, they continually sent letters to their sons. They did not receive any acknowledgements to the letters until right before they left for Jonestown, Guyana, during this recent trip. In these letters the boys stated how much they loved their mother and father and when the time was right they would return "but not yet." Mrs. OLIVER mentioned at this point that they had made a trip to Guyana in the fall of 1977, and after waiting nine days without seeing their sons, they returned to the United States. (u)

The above-mentioned habeas corpus, according to Mrs. OLIVER, was obtained in December 1977, ordering the return of her sons. During their attempt to get their sons home, they received little, if any, cooperation from the Guyanese Government. They were instructed to send airplane tickets to Guyana which they did but the boys still did not return. (u)

By this time a group of Concerned Relatives had formed and was made up of former members of the People's Temple who still had relatives within the JONES group. A few weeks ago, the group made arrangements to travel to Guyana with Congressman LEO RYAN, who was going there to investigate the conditions at the Jonestown camp. Some of the people that went to Guyana included Congressman RYAN, his secretary, JACKIE, Mr. STEVE KATSARIS, his son ANTHONY KATSARIS, JAMES COBB, a former member from San Francisco, an NBC TV news member, several newspaper reporters including TIM REITTERMAN, CHARLES GARRY and MARK LANE, both attorneys for JIM JONES. (u)

Mrs. OLIVER noted that on Monday, November 13, 1978, the group left San Francisco en route to Georgetown, Guyana. They arrived at Georgetown on Tuesday, November 14, 1978, and subsequently those chosen to go to the Jonestown camp flew from Georgetown to Jonestown on Friday, November 17, 1978. The group that went from Georgetown to Jonestown, Guyana, numbered possibly fifteen or sixteen people. They arrived by aircraft at the small airfield located near Jonestown at a place called Port Kaituma, Guyana. Their arrival was at approximately four p.m., Friday, November 17, 1978. (u)

On the way to Port Kaituma airstrip from Georgetown, the group seemed very jovial and no one had any unusual or odd feelings during the flight. Mrs. OLIVER pointed out that she was one of the four members from the Concerned Relatives Group that was chosen to fly to the camp and noted her husband, HOWARD, remained in Georgetown at the hotel. They arrived at the airstrip at Port Kaituma, however, JONES would not permit the group into the camp until his attorneys, CHARLES GARRY and MARK LANE, arrived. (u)

When the group initially arrived at the airstrip, which included Congressman RYAN and his assistant, nothing seemed to be unusual according to Mrs. OLIVER. She saw no armed individuals and everyone, including their group and some of the members from the People's Temple, seemed to be in a rather jovial mood. Later on that Friday evening at approximately between five and six p.m., a truck from the People's Temple picked them up at the airstrip and proceeded to the camp which might have been approximately three to four miles away. When they arrived at the camp, there were a lot of people singing, dancing, mostly youngsters which numbered approximately nine hundred to a thousand, including adults. She noted that everyone was glad to see her and she shook hands with almost everyone since she knew them from the days that she was involved in the San Francisco area Temple. Her two sons were there and she immediately wanted to talk with them. She asked them if they could go for a walk and talk and their older son, BRUCE, said yes, however, they could not go to far from the camp. She talked with her sons and she asked them why they had not written in such a long time. She told them that she had written several times and asked if they had received the letters. They stated they received letters from various friends but not from her and Mr. OLIVER. During the conversation, her son stated that he had been told that she was working for the Central Intelligence Agency and therefore he had to stop communicating with her since he was informed that she and the rest of the non-Temple members were out to kill all of them. (u)

SJ 89-123

4

She also advised that she saw her younger son, WILLIAM, and his wife and young child, names of which she could not recall. During the entire evening spent at the camp everything seemed alright and nothing appeared to be unusual. (u)

Later that Friday evening, approximately midnight, everyone except Congressman RYAN, CHARLES GARRY and MARK LANE, had to leave the camp. The rest of the group was transported by truck back to a guest house in Port Kaituma as they were not allowed to stay at the camp over night. In regards to the camp, Mrs. OLIVER stated that the camp was very nice considering that it was located in the middle of a jungle. (u)

The following day, Saturday, November 18, 1978, JIM JONES sent a truck back to Port Kaituma to pick up those group members that returned the night before. The truck picked Mrs. OLIVER and the rest of the group up and they arrived at the camp at approximately nine a.m. At that time she noticed that some of the children were watching a children's show on television. The group was served breakfast and they stayed at the camp for approximately two to two and a half hours. (u)

At about eleven thirty or twelve o'clock, JONES said that everyone had to leave so everyone got onto the truck except for Congressman RYAN. They waited for him prior to leaving and while they were waiting they heard that Congressman RYAN had been attacked by one of the members of the Temple, however, he was not injured. One man from the NBC TV news team stated that they would all leave together and no one would be left behind. Thereafter, everyone got on the truck, even those who wanted to defect from JONES' group and go back to the United States, who were at that time, living in the Jonestown camp. Mrs. OLIVER pointed out that she received a note from one of Temple members prior to her leaving which stated "Keep your damn mouth shut." She noted that one of the Temple members handed the note to her prior to the group leaving on the truck. (u)

She noted that approximately thirty people were on the truck, including sixteen people who wanted to return to the United States and members of the Concerned Relatives along with two or three of JONES' followers. Among the people on the truck were DALE PARKS and his family. Mrs. OLIVER described PARKS as a San Francisco associate minister of the Temple. She described him as a man in his late thirties, five feet four inches tall with black, greying hair and who had two scars on his face which looked like burn marks which she had not noticed there before. She also wanted to reiterate that accompanying the people on the truck were three of JONES' followers. (u)

Mrs. OLIVER further advised that it was approximately one p.m. on Saturday, November 18, 1978, when the entire group arrived at the Port Kaituma airstrip after having left the Jonestown camp. The airplane had not arrived at the airstrip at this point and Congressman RYAN'S secretary, JACKIE, was making a list of names of those people to board the plane. When the planes arrived, DALE PARKS, as mentioned above, insisted that everyone get on the plane right away. He was very nervous and upset and he whispered to several of the Concerned Relatives Group that LARRY LAYTON, who had said that he wanted to leave and go back to the United States was possibly high on drugs and PARKS did not believe that LAYTON truly wanted to go. PARKS insisted that LAYTON be searched. Mrs. OLIVER described LAYTON as a white male in his early twenties, about five feet tall, one hundred twenty-five pounds, blondish hair which was curly and shoulder length. LAYTON was wearing an army poncho with a white summer shirt and pants. At this point, while waiting in line to board the plane, DALE PARKS insisted for everyone to hurry up and "move it." He kept telling everyone to search LAYTON because "he will get on the plane and blow of us up." When he said this, one of the members of the Concerned Relatives Group, JIM COEB, went over and slightly patted LAYTON down but apparently did not find anything. (u)

Mrs. OLIVER stated that in the meantime some of JONES' followers numbering about four guys as best as she could recall, arrived in a tractor. Mrs. OLIVER did not know when they arrived or if, in fact, they followed the (u)

truck from the camp all the way to the airstrip. She recognized one of the followers to be RONNIE JAMES, who was sitting on the tractor. She described JAMES as being a negro male, approximately twenty-two years old, six feet tall, one hundred eighty-five pounds, slender build, black huge Afro, which was braided and wearing a shirt and short pants. She recognized JAMES as being a member of the San Francisco Church. She also noted that he lived on [redacted] in San Francisco and his mother, [redacted] still resides on [redacted] somewhere in the western section between [redacted]. She noted that [redacted] who is now remarried, works in the dietary section of [redacted] in San Francisco. (u)

b6
b7c

Mrs. OLIVER did not know exactly where his father, [redacted] lives but she believes that his residence is somewhere in the Breezeview section of San Francisco. When Mrs. OLIVER saw RONNIE JAMES, she shook his hand and stated she had not seen him at the camp. To her, he appeared to be nervous and in a hurry. She also noticed JOE WILSON, whom she recognized and who also got off of the tractor. Of the individuals she saw in the tractor most she believed have relatives in San Francisco. They had all been Church members. Mrs. OLIVER described JOE WILSON as follows: Negro, male, age as late twenties, five feet seven inches, weighing one hundred forty to one hundred fifty pounds, hair, black; eyes, brown. He was wearing jeans and a dirty shirt. (u)

After Mrs. OLIVER boarded the plane, she heard bullets hit both sides of the plane and then she lay down on the floor of the larger aircraft. She felt pain in her both feet and realized she had been shot. In front of her, the mother of DALE PARKS, was shot in the head and she saw her brains fly out and onto the floor. The shooting lasted approximately five to ten minutes. After the shooting stopped all able bodied persons from the plane got off and tried to help the wounded that were lying on the ground in and around the vicinity of the airplane. She saw Congressman RYAN and several of the newspaper men lying underneath the plane, all of them appeared to be dead. Mrs. OLIVER did not know who did the shooting. She also noted that by this

CONFIDENTIAL - SECURITY INFORMATION (u)

time the tractor and truck were gone. LARRY LAYTON, whom she does know, was on the other plane and she learned that DALE PARKS took the gun from LAYTON and was going to shoot him but discovered the weapon to be empty. When some Guyanese officials did arrive, PARKS told them that "This is one of the son-of-a bitches that did the shooting. Please hold him. Put him in jail. I took his gun." The Guyanese Government officials took LAYTON into custody. She pointed out at this point that all of the people involved, both the attackers and members of the visiting group, were Americans. (u)

Soon some Guyanese villagers in the area were visible but they offered no help to the wounded people. They did not want to become involved. Later, exact time Mrs. OLIVER did not recall, some Guyanese militiamen came and did help the wounded. She, along with the other survivors, stayed near the airport all night, many of whom hid in the bushes so as not to be ambushed again. They all felt like the attackers would come back to kill the remainder of the survivors. (u)

The next morning, which was Sunday, November 19, 1978, Guyanese army troops in uniform, came in and guarded the survivors where they were staying. Some of the Guyanese people advised that they had never witnessed anything like the incident ever. Most commented they felt like something was wrong within the Jonestown camp and stayed away from that camp and did not mix with them except for business. (u)

Mrs. OLIVER then advised that she was subsequently flown back to Georgetown and then placed on board a United States military aircraft and flown to Roosevelt Roads Naval Hospital, Puerto Rico. (u)

At this point, Mrs. OLIVER was asked if she could recall some of the people in the Jonestown camp that she talked to and she furnished the names of GEORGIA (last name unknown), TONY (last name unknown), DONNA (last name unknown), PONCHO (last name unknown), YVONNE WILSON, Mr. FERRIS, Mr. EDWARDS, JANE MUCHMAN, AVA COBB, and MARIA KATSARIS. (u)

She concluded by furnishing a bit of information concerning why JONES established the Jonestown camp. She (u)

recalled that JONES established the camp because Guyana is a black runned socialist country with no violence. JONES was quoted as saying that people can sleep with the doors open and there are no drugs. He described Guyana as a good place for he and his followers to live. Mrs. OLIVER described JONES as a very egotistical person who wanted his own little world with him on the throne. He wanted the men and boys to work and the women to have babies. He didn't want people to come in and see how people were treated nor did he want people to leave. If people did not do what he wanted them to do, he would discipline them very severely (u)

Mrs. OLIVER furnished her description and also that of her husband, HOWARD, which is as follows: (u)

Subsequent to obtaining the descriptive data, DALE PARKS met with [redacted] and in the presence of the interviewing agents advised [redacted] that he (PARKS) had discussed the nature of the interview with the attorney and that [redacted] if he desired, should offer his cooperation to the interviewing agents. [redacted] stated at this point, that he consented to be interviewed and furnished the following information: *rd*

[redacted] advised that he first became acquainted with the Peoples Temple (PT) church in late 1977 through his girlfriend, [redacted] whom he knew when he was residing in Ukiah, California. He stated that the PARKS family was involved in the PT church for several years. According to [redacted] DALE PARKS, had been in the PT church for several years prior and that he had left the church some time in the middle part of 1977. He advised that DALE PARKS was persuaded by MARCELINE JONES, wife of PT church leader JIM JONES, to rejoin the church in late 1977. It was at this point, according to [redacted] that he decided to join the church with the PARKS family and in the beginning of 1978, he made his first visit to the PT headquarters in San Francisco, California.

[redacted] related that on one such visit, which he described as a recruiting effort, a black male he named as HUGH FORSTSON made a presentation to a group of approximately 100 to 200 potential new members and described the church program. [redacted] said that after two to three more visits to the San Francisco church, he decided to join the church movement when [redacted] advised that she and her family were leaving for the PT settlement in Jonestown, Guyana. *(#)*

[redacted] advised that shortly after his arrival in Jonestown, he noticed the presence of individuals who were armed with shotguns and rifles walking around the Jonestown camp. It was initially explained to [redacted] that these individuals were the Jonestown security force who were guarding the members from outside invaders. [redacted] advised that JIM JONES continually told the Jonestown residents that the security force was needed to protect JONES and the PT followers from mercenaries employed by the Central Intelligence Agency and the FBI. (u)

[redacted] advised that two members of the security force were TIM JONES, white male and adopted son of JIM JONES, and CALVIN DOUGLAS, black male.

[redacted] stated that the members of the security force seem to have certain privileges not afforded other members of the Jonestown camp, explaining that they were not forced to do any menial labor and existed primarily to discipline other Jonestown members.

[redacted] stated that the security force administered beatings to other Jonestown members for such infractions as not working or expressing displeasure with the unfavorable living conditions at Jonestown. [redacted] stated that the term "angels" had no significant meaning to him. (u)

MIKE PROKES

TIM CARTER

STEVEN JONES

JIM JONES, JR.

(u)

DEBBIE TOUCHETTE

SHARON AMOS

(u)

[redacted] stated that he had heard from other individuals at Jonestown that a few of the female members of JONES' advisory staff who included SHARON AMOS, PAULA ADAMS, and DEBBIE TOUCHETTE had compromised local Guyanese government officials. He said that he had heard that the above individuals had granted sexual favors to these government officials and that they in turn were indebted to JONES. [redacted] stated that it was also alleged that various members of the US Embassy in Guyana were also under JONES' control and the allegation was that they too had been compromised by the use of sexual favors or financial gain. [redacted] stated that JIM JONES at one of his frequent talks to the entire Jonestown community once advised them that if any member of the Jonestown camp attempted to escape and leave the country, that an official from the US Embassy in Guyana would immediately notify JONES. [redacted] related that JIM JONES would often brag about the influence that he had and that one of the officials whom JONES was in good standing with, was Lieutenant Governor DI MALLEY (phonetic) of California. With respect to the weapons seen at Jonestown by [] he advised he saw only shotguns, rifles, and cross bows. He said that it was his belief that the weapons were stored in the cottage where JIM JONES, JR. resided. (u)

Concerning any contingency plans made by JIM JONES in the event that the PT church was attacked, [] related that meetings held by JONES known as "white night" consisting of the entire Jonestown community were held. JONES would advise his followers that should a government invasion of the PT church take place, mass suicide would be the response of the community. (u)

[] advised that such a "white night" was called by JIM JONES during the period that Congressman LEO RYAN's party was in Guyana in November of 1978. At this "white night", RYAN advised the Jonestown assembly that Jonestown was in imminent danger of being invaded and at the meeting had a number of Jonestown individuals and the security force on constant alert for these outside invaders. [] advised that the only other (u)

BQ 89-495

"white night" that he attended during the duration of his Jonestown stay occurred in May of 1978, when a former Jonestown member, DEBBIE BLAKELY, defected from the church. At this "white night", JONES denounced BLAKELY and accused the FBI and the US Government as being responsible for her defection and transportation out of Guyana. [redacted] furnished the following information concerning the events of November 18, 1978 and the shooting at the Port Kaituma airstrip where Congressman RYAN and others were killed or wounded: (u)

b6

[redacted] advised that he and the PARKS family had told a female aide of Congressman RYAN, JACKIE SPIER (phonetic), that they wanted to leave Jonestown. SPIER made arrangements for the PARKS family and himself to leave and they departed Jonestown for the Port Kaituma airstrip in a dump truck driven by ED CRENCRAW. [redacted] advised that one LARRY LAYTON had accompanied them as defectors and that almost all of the Jonestown party warned SPIER and the other individuals traveling to Port Kaituma that LAYTON was a close associate of JIM JONES and should not be trusted. [redacted] advised that some of the individuals traveling to Port Kaituma were all of the PARKS family, the BOGUE family, VERNON GODSBY, HAROLD CORDELL, and JIM COBB. According to [redacted] COBB had come down with the RYAN contingent in an unsuccessful attempt to persuade members of his family at Jonestown to leave the PT church movement. (u)

When the defectors and the RYAN party arrived at the Port Kaituma airstrip, they began to board one of two aircraft. One of the aircraft was a small plane that carried six passengers, the other a larger aircraft which was owned by the Guyanese Government. During this period, LARRY LAYTON kept insisting that he wanted to board one of the aircraft first. [redacted] advised (u)

BQ 89-495

that he and the PARKS started to board the larger aircraft and when he got seated, he observed that the Jonestown dump truck and the trailer pulled by a tractor which had brought them to Port Kaituma had re-appeared and were heading towards the aircraft. (u)

He stated that the other passengers in the plane lied down on the floor and when the opportunity presented itself, they departed the plane and ran into the jungle where they stayed for approximately three days. (u)

[redacted] advised that it was his opinion that the following surviving members of the PT church are capable of carrying out any contingency plan of JONES if in fact one does exist to include the assassination of public officials or church defectors. (u)

At Jonestown, they were taken to the Pavilion, where they were met by Reverend (Rev.) JONES, who welcomed them. BAGBY stated JONES told them they would not go back to the United States (US) and would be dealt with if they wanted to go back. BAGBY advised Rev. JONES seemed strange to her and afraid of people getting too close to him. (u)

BAGBY stated she lived in Dorm 4, which was composed mainly of seniors, older women, with the exception of her and another girl. (u)

BAGBY stated when she first arrived, the people in Jonestown seemed to be happy. However, BAGBY later felt this was done to give the newcomers a good impression. (u)

BAGBY advised in Jonestown, she worked in the fields harvesting bananas. She worked seven days a week from 7 AM to 6 PM. After work, she would eat supper, shower and be at the rally which started at 7:30 PM. These rallies or meetings lasted until midnight or later every night. (u)

BAGBY stated at these meetings, people would inform on each other. For example, she advised, someone would state that another member wanted to leave Jonestown. Then, everyone would yell at the individual who wanted to leave. (u)

BAGBY stated she never saw anyone hit at these meetings, but some individuals had told her that they had been beaten during these meetings. (u)

BAGBY advised that PETER WATHERSPOON (phonetic), believed dead, told her he had sex with a child and was beaten by a group at a meeting. (u)

BQ 89-495

BAGBY advised if you did not work hard enough, you could also be brought up on the floor at the rally. A penalty for not working hard enough was being placed on Public Service (PS). This, according to BAGBY, consisted of working for very long periods of time with little sleep. This duty on PS could last one day or several days. (u)

BAGBY advised she saw rifles and shotguns in cases in the cottages at Jonestown occupied by the COBB family and JOE WILSON. BAGBY stated Rev. JONES said he had enough weapons to arm every security guard. BAGBY said she never heard gunshots nor knew of a practice range located in or around Jonestown. BAGBY further related that Rev. JONES said he always carried a gun on him. (u)

BAGBY further advised at the rallies, the Rev. JONES said everyone should prepare for revolutionary suicide and prepare for death. BAGBY advised JONES talked about revolutionary suicide the day before Congressman RYAN arrived at Jonestown. BAGBY stated JONES said RYAN should be dead before the Congressman arrived. (u)

BQ 89-495

BAGBY stated she had been told that approximately seven-eight months before Congressman RYAN arrived at Jonestown, a mass suicide had been practiced and kool-aid was used in this practice. (u)

BAGBY stated she decided to leave Jonestown because she was afraid. BAGBY advised Rev. JONES' statements about suicide before Congressman RYAN arrived caused her to fear a great suicide would take place. (u)

As a result, BAGBY advised she and VERN GOSNEY wrote a note saying they wanted to leave Jonestown and GOSNEY gave the note to a reporter the night RYAN arrived. BAGBY advised the reporter gave the note to Mr. DWYER, the American Ambassador. GOSNEY spoke to the Ambassador and told him they wanted to leave. BAGBY advised the next day, Congressman RYAN asked them to speak into a tape recorder saying they wanted to leave Jonestown. BAGBY stated RYAN told them to stay in his sight and not leave the Pavilion. BAGBY advised they were joined by the PARKS and BOGUES, who said they wanted to leave. (u)

b6
b7c

BAGBY stated Rev. JONES asked them in the Pavilion why they wanted to leave Jonestown. She advised JONES told them America is not what you think it is. (u)

BAGBY advised 13 people who were leaving, the reporters and Congressman RYAN, were taken to the air field on a dump truck driven by EDDY CRENSHAW. (u)

BAGBY advised she entered a six passenger plane along with [redacted] VERN GOSNEY and the pilot. BAGBY advised LARRY LAYTON was already on the plane and had a handgun. (u)

BQ 89-495

BAGBY advised LAYTON shot her twice in the back, shot GOSNEY and tried to shoot DALE PARKS, but the gun did not fire. DALE PARKS struggled with LAYTON and took the gun away from him. BAGBY advised after the shooting started, she and the pilot got out of the plane and hid in the bush. BAGBY stated GOSNEY was later flown to Washington, D.C. (u)

BAGBY advised the shooting by LAYTON started at the same time Congressman RYAN was shot. BAGBY stated RYAN had been standing on the air field with three reporters and PATRICIA PARKS when he was shot. BAGBY advised a trailer had moved close to RYAN's plane before the shooting started. BAGBY advised on this trailer, she saw RONNIE DENNIS, who she believed is dead and did not shoot, and TOM KICE. BAGBY stated she later heard JOE WILSON, BOB KICE, TOM KICE, and ALBERT TOUCHETTE were shooters. BAGBY advised she was later told with the exception of JOE WILSON, the others had been hidden on the trailer. (u)

shot. (u) BAGBY advised she did not see Congressman RYAN

BAGBY further advised that before the shooting began, CRENSHAW pulled the dump truck to the end of the air field and pretended to be fixing the engine while he kept looking back toward the planes. (u)

BAGBY advised all the people leaving Jonestown with RYAN felt uneasy about LARRY LAYTON and did not trust him because he was very close to Rev. JONES. BAGBY advised Congressman RYAN's secretary said LAYTON had signed an affidavit to leave Jonestown. (u)

BQ 89-495

BAGBY advised she would be afraid of any member of the PT who survived. BAGBY advised TINA BOGUE told her STEPHEN JONES had said all defectors of the PT should be killed. BAGBY stated she would consider STEPHEN JONES as a possible new leader of the PT. BAGBY stated TIM CARTER told her the PT members in San Francisco are dangerous people. (u)

BAGBY stated she does not believe everyone in Jonestown willingly drank poison in the mass suicide. BAGBY said she believed they must have been forced to do it by the armed guards. (u)

BAGBY advised "White Nights" were alerts which required everyone to go to the Pavilion. BAGBY said these alerts were called day or night. (u)

BAGBY stated the following individuals were Rev. JONES' personal bodyguards: (u)

CALVIN DOUGLAS
TIM DAY JONES
JIMMY JONES
JOHNNY COBB JONES (u)

BAGBY stated she had heard the terms Inner Core and Planning Commission, but did not know who was on them or what they were. She advised the term "Angels" was unknown to her. (u)

BAGBY further advised that JONES had said if anyone went to the American Embassy in Georgetown, they would be brought back to Jonestown. (u)

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 12/29/78

[redacted] was met at Pan American Airlines, Hangar 17, John F. Kennedy International Airport (JFKIA) by SA [redacted] Federal Bureau of Investigation (FBI), and SA [redacted] United States (US) Secret Service. [redacted] was advised of the identities of the interviewers and the nature of the inquiry. [redacted] then furnished the following information: (u)

[redacted] first heard of Reverend JIM JONES in 1955, when [redacted] years old and was graduating from High School in Indianapolis, Indiana. [redacted] EDITH CORDELL, who died at Jonestown, Guyana, and a grandmother, who died of natural causes in Indianapolis several years ago, had joined JONES' Church and encouraged [redacted] to visit the Church. [redacted] began attending services and shortly thereafter he joined the Church, which [redacted] recalls being known as the People's Temple Full Gospel Church-Interdenominational. [redacted] was attracted to the Church and its pastor, JONES, because it espoused strong bible teachings and practical Christianity such as helping the poor, visiting the sick and following the actions of the Apostles (u)

b6
b7c

[redacted] was an active member of the Peoples Temple (PT) during this period from the middle 1950's into the early 1960's, while the Church was still in Indianapolis and one of his principal duties for the Church was in the position of [redacted]. At this time, the Youth Group was not engaged in any physical training, but merely participated in bible classes, special services and held occasional parties. (u)

In approximately 1962, at a time when [redacted] interest in the PT was waning, JONES announced that he received a prophecy of nuclear war and destruction of the Northern Hemisphere and was therefore moving the Church to Brazil. According to [redacted] JONES had read an article in Esquire Magazine, which listed Brazil as one of a number of areas where people had the best chance of survival in the event of nuclear warfare. ~~Accompanying JONES to Brazil was JACK~~ (u)

Investigation on 12/21-22/78 at Jamaica, New York File # BQ-89-495
by SA [redacted] am Date dictated 12/28/78

BEAM, his wife, RHEAVIANA BEAM and their daughter, JOYCE. The elder BEAMS died at Jonestown, while JOYCE, who was in Venezuela during the mass deaths, is currently in the United States (US). (u)

Approximately one year elapsed before JONES and the BEAMS returned to Indianapolis from Brazil. At this time, [redacted] resumed active membership in the Church. Shortly thereafter in 1963, JONES moved the Church to Ukiah, California, a town which was also mentioned in the Esquire article as safe from nuclear warfare. Within two or three weeks, [redacted] was among the 50 to 60 persons who followed JONES to Ukiah. Other members arrived later. [redacted] reason for moving to California was because [redacted]

[redacted] was a devout follower of JONES and desired to go. [redacted] RICHARD CORDELL, who was also a Church member, had preceded him to California by about three weeks, and assisted [redacted] in resettling. RICHARD CORDELL was a Church member for approximately 18 to 20 years, but had left the Church in mid 1977, after having become disillusioned with JONES. (u)

b6
b7c

After the PT had resettled in Ukiah, [redacted] began to notice that JONES and the Church were gradually changing. JONES' teachings became more political. JONES placed the blame for the ills of the world on the rich, the ruling class, the President of the US and especially in later years, on President NIXON to the extent that JONES encouraged support be given to any of NIXON's political opponents. (u)

At Church meetings, JONES became increasingly intolerant of opposing viewpoints. Eventually those who dissented or attempted to argue a point were subjected to public humiliation by JONES or his assistants; in particular, RICHARD TRAPP and EDITH ROLLER, both former college professors who were capable debaters. Both of these individuals died at Jonestown. (u)

The complexion of the Youth Group also changed. In California, the position of Youth Leader was held by MIKE CARTMELL, who was married to JONES' adopted daughter, SUZANNE. The Youth Group now engaged in physical training, (u)

including athletic activities, hikes, night hikes, and military type training. [redacted] suspected that the training was leading to self defense and weapons instruction, but was unaware of this actually occurring. CARTMELL and his wife, SUZANNE both quit the Church prior to its move to Jonestown, over a conflict with JONES, who attributed their leaving the Church to their desire to live "high on the hog."

[redacted] personal life also underwent strain during the years that the PT was situated in Ukiah. He and his wife were growing increasingly incompatible. During 1974 to 1975, in addition to his full time employment, [redacted] worked [redacted]

[redacted] The strain caused by the amount of time spent away from his wife and [redacted] children, in addition to the economic hardship of tithing 25% of his gross salary as required by the Church, finally resulted in a 1975 divorce for [redacted] (u)

b6
b7c

In 1976, the Church moved from Ukiah to San Francisco. JONES' reason for the move was to escape the racist attacks of the local citizens of Ukiah. [redacted] advised that there was, in fact, a growing animosity in Ukiah toward the large influx of blacks brought into the community by the PT. (u)

After the move to San Francisco, JONES grew even more dictatorial in his running of the Church. [redacted] was a member of the Planning Commission of the Church. This group which consisted of long time Church members, acted as a Board of Directors and dealt in Church decisions and policy. The Planning Commission was increased by JONES to approximately 100 members, but were in effect a rubber stamp, since JONES held veto power over their decisions. (u)

JONES' increasingly authoritarian role in the Church was reflected in his more stringent pronouncements. Physical abuse in the form of spankings with paddles or belts and boxing matches in which an experienced athlete would fight the person to be punished. This physical abuse took place at membership meetings which were compulsory and open only to card carrying Church members. (u)

BQ 89-495

JONES began to threaten members not to leave the Church. At first he cautioned those who wished to leave, to make sure they settled more than 500 miles from the Church, but he amended this rule, threatening members not to leave the Church at all. Those who left the Church were rumored to be under surveillance by members who were specially trained. This select group which was not known to [redacted] by any name, was composed principally of women and included PATTY CARTMELL, mother of MIKE CARTMELL and believed deceased at Jonestown; CAROLYN LAYTON, divorced wife of LARRY LAYTON and believed dead at Jonestown; JACK BEAM and possibly PAULA ADAMS, who is still in Georgetown, Guyana. The membership of the PT did not discuss the activities of this group. (u)

b6
b7c

When JONES announced his desire to move the Church to Jonestown in Guyana, [redacted] had grave reservations. JONES gave many reasons for the move, including the chance to lead a simple agrarian life, freedom from harassment, especially for black members, and the opportunity to escape the fear of nuclear warfare. [redacted] was among those who voted against the move, but JONES prevailed and two teams were sent to Guyana, one to Georgetown and the other to the interior, where they would set up the grounds for Jonestown. Church members began moving to Jonestown in 1977 and [redacted] former wife and children moved there in the Fall of that year. (u)

Because he wished to be near his children, [redacted] overcame his reluctance to leave the US and in January, 1978, he arrived in Jonestown. He was extremely disappointed in the settlement, but was told within his first week there that the road to Jonestown led in but did not lead out and that he could only leave when dead. Shortly afterward he saw a member beaten for attempting to leave or planning to leave, both proscribed activities. [redacted] observed similar beatings frequently. He described the atmosphere as that of a concentration camp with armed guards or security men, as they were known, preventing escape, although their stated purpose was to protect the camp from outside aggressors. In addition to beatings, those attempting to escape or other offenders were sometimes for several days being placed in "the box", a four foot by eight foot by seven foot cubicle placed partially underground. This punishment of "total sensory deprivation" was followed by counselling. (u)

BQ 89-495

At the settlement JONES was like a king and was always surrounded by two to three security men with others on the periphery. The security men were armed with either rifles, shotguns, or handguns. JONES himself carried a handgun which was either a .38 caliber or a .357 magnum. (u)

JONES talked frequently about dying and seemed to be obsessed with this topic. On one occasion, JONES held a long meeting in which he stated that things were hopeless and the members of the PT had no choice but to take their own lives. At this point, a flavored water drink was brought out and everyone drank it. Many thought the drink was poison until after they had drunk it. [redacted] advised that this activity was best described as a suicide drill. (u)

b6
b7c

On other occasions, JONES announced alerts on the camp public address system. All the members would then hasten to the pavillion where JONES would announce that the settlement was faced with some specific emergency situation of a threatening nature. Attendance was taken at these meetings, which were called "White night" or "Alphas" and security men with weapons were positioned throughout the crowd. JONES would then elaborate on the nature of the threat or emergency and the remedies to be taken. (u)

On occasion, visitors or government officials would arrive at Jonestown. These visitors were handled by a special group, who were supposedly trained for it. The group consisted of MIKE PROKES, TIM CARTER, LEE INGRAM, DICK TROPP, HARRIET TROPP, CAROLYN LAYTON, MARIE KATSARIS and JOHNNY JONES. (u)

Regarding the visit of US Congressman LEO RYAN, the settlement members were aware of his coming approximately five days in advance when they were told of it at a nightly meeting. JONES described RYAN as a racist, a troublemaker and one who was known to be on the side of oppression of poor people. (u)

BQ 89-495

Specific instructions were given regarding RYAN's group. Members were to stay away unless specifically instructed to speak. Members were permitted to answer if questioned, but were warned to be positive in their remarks about Jonestown, since their lives and the lives of their children were hanging on the results. (u)

Once, in an agitated state, JONES made the comment "Somebody ought to shoot RYAN." Again one or two days before RYAN's arrival, JONES said that his efforts to thwart RYAN's visit failed and that he was coming, but perhaps his plane would fall from the sky. (u)

When RYAN arrived, he was shown around the camp and on the first day was actually given a programmed tour and presentation. That night, RYAN, his assistant and the two attorneys, MARK LANE and CHARLES GARY slept in Jonestown. (u)

On the morning of November 18, 1978, [redacted] met with his friends, [redacted]. They had previously talked to each other of attempting to leave Jonestown, but at this point they seriously decided to leave. They all felt that something bad would happen because of JONES' frequent references to RYAN. They weighed and then dismissed the possibility of travelling through the jungle to get help. Finally, two of the BOGUE children approached them and said that the PARKS family had told RYAN they wished to leave Jonestown. [redacted] then went to the pavillion and told RYAN that they also wished to leave. RYAN and RICHARD DWYER advised them that they would be afforded protection and that they would leave with the RYAN party. [redacted] was very skeptical when he heard that LARRY LAYTON was among those who wanted to leave. (u)

b6
b7c

RYAN was originally to remain in Jonestown until all those wishing to leave were boarded on the planes and leavnig, but a knife attack by DON SLY on RYAN caused the congressman to depart earlier. [redacted] believed that JONES ordered the knife attack to get RYAN out of camp so he could be killed at the airport in Port Kaituma. (u)

BQ 89-495

[redacted] and the other "defectors", as those wishing to leave were called by JONES and the other members, were taken in a dump truck driven by EDDY CRENSHAW to the Port Kaituma Airport. After dropping the people off at the planes, the dump truck went to the end of the runway, where it turned around facing the planes and stopped. As he was boarding the larger plane, the De Havilland, [redacted] noticed a tractor trailer pulling up next to the dump truck at the end of the airport. (u)

After boarding the plane, [redacted] was sitting in his seat when he heard the tractor trailer approaching quickly. Looking out the window, [redacted] observed the tractor trailer pull abreast of the plane on the left side, approximately 60 feet away. He then saw three armed men taking aim from the tractor trailer. [redacted] knew the three men as TOM KICE, who was carrying an automatic pistol, possibly a .45 caliber; ALBERT TOUCHETTE, who was armed with a rifle; and JOSEPH WILSON, who had a shotgun. He called for everyone on board to duck down. After the shooting commenced [redacted] glanced out the window and saw these three individuals firing. [redacted] estimated that the shooting lasted about two minutes, after which the tractor trailer drove around to the right side of the plane. The shooting resumed on the right side for approximately two additional minutes. When the shooting stopped, [redacted] heard the tractor trailer pulling away and when he looked out the pilot's window, he saw it heading back into the jungle towards Jonestown. (u)

b6
b7c

[redacted] then helped the others to disembark from the plane. He told the survivors to go into the bush, since he was sure that the attackers would return. He went into the bush with the children and they spent the night near the airport in Port Kaituma. The next day they were discovered by Guyanese officials. (u)

[redacted] had no knowledge of any written or oral oaths made by members of the PT (u)

The only indication which [redacted] has of influence peddling is that PAULA ADAMS was living in Georgetown with a Guyanese official in order to secure favorable treatment in things relating to the PT. While in California, JONES had befriended many politicians, including Mayor MOSCONE of San Francisco; HARVEY MILK, another San Francisco elected official, Governor GERRY BROWN of California, the District Attorney of San Francisco, and Mayor BRADLEY of Los Angeles. Some of these officials visited the PT Church in San Francisco or Los Angeles. (u)

BQ 89-495

Another public official who was a close friend of JONES was Lieutenant Governor DIMALLEY of California who visited Jonestown twice and praised it. (u)

[] knew of no fugitives or persons who have committed crimes for which they are not charged, as being members of the PT. (u)

[] advised that an individual named TIMOFAYEV who was an official of the Russian Embassy in Guyana, visited the settlement at Jonestown. JONES later said that he invited the Russian official in order to ask him if the Soviet government would provide an alternate place to relocate in case the PT required this assistance. (u) b6 b7C

[] had no specific knowledge of the method whereby weapons were shipped to Jonestown, nor did he know of any cache of weapons, although JONES boasted of having a large store of weapons. (u)

[] stated that some of those at Jonestown engaged in firearms training in the jungle, but he did not know how extensive this training was. He never heard of weapons training while the Church was located in California. (u)

[] advised that if the PT or JONES were attacked verbally, that the plan called for maintaining a defensive posture. In the event of physical attack, the ultimate defense was mass suicide rather than being overrun. (u)

[] possessed no knowledge of any officials in any government or international body being the targets for murder by anyone from the PT. (u)

[] had no knowledge of any relocation plans in the event of mass suicide, but he stated that in the event that the Church was attacked, JONES had said there would always be someone to avenge the Church against defectors, traitors and the like. (u)

TERRY BUFORD
CAROLYN LAYTON
HARRIET TROPP

[redacted] had no specific knowledge of a hit list, but he alluded to a vague listing of enemies who would pay for wronging the PT. (u)

In addition to living with a Guyanese official to obtain favorable treatment for the Church, PAULA ADAMS was also a sexual partner of JONES, according to boasting by JONES which was overheard by [redacted] (u)

[redacted] had no knowledge of a primitive nuclear device or bomb at Jonestown, but he did hear rumors that DON FITCH aka "Doc" was building some sort of cannon or mortar to be used in the defense of the settlement. (u)

[redacted] advised that Hut C-14 was the cottage where security men and their families lived. There was a cabinet in this cottage where the weapons were kept. (u)

[redacted] advised that Doctor LAWRENCE SCHACT was in charge of medical care at Jonestown. SCHACT had attended medical school in Mexico and finished in California. He was in the process of serving his internship when he went to Jonestown and therefore did not receive his license to practice medicine from the State of California. SCHACT was not acknowledged as a Medical Doctor by Guyanese authorities. The following individual were named by [redacted] as associates of Doctor SCHACT: (u)

Date of transcription 12/8/78

[redacted], who resides at [redacted] [redacted] California, telephone number [redacted] was interviewed at the United States Naval Hospital, Roosevelt Roads, where he was recuperating after having received gunshot wounds to [redacted] during the shooting incident which took place on November 18, 1978, at Jonestown, Guyana. (u)

He advised that he is [redacted] and his father is [redacted]. He also advised that [redacted] MARIA KATSARIS, is a member of the People's Temple and resided in Jonestown, Guyana. He noted that [redacted] some months ago, began telling him of the possible problems that MARIA might be faced with as a member of the People's Temple. [redacted] also said that a group of relatives of various members of the People's Temple had formed a group called the Concerned Relatives and were planning a trip to Guyana with Congressman RYAN. (u)

He stated that [redacted] MARIA, telephonically contacted him in early 1978. He had not heard from her for about one year and it was during this contact that she suggested for [redacted] to come to the Jonestown camp in Guyana as she thought he would be interested in seeing the school system that had been established there. He wasn't sure he could go to Guyana in early October due to his work and also his father pointed out to him that he did not think [redacted] should go there by himself, but his father wanted him to remain on a friendly basis with MARIA. MARIA made several other calls to him in October and during these calls she utilized a short-wave patch through the People's Temple in San Francisco. During these conversations, MARIA consistently put pressure on [redacted] to go to Guyana. She made approximately five calls to him and he possibly tape recorded approximately four of them. (u)

At this point, [redacted] advised, that by mid-October the Concerned Relatives trip was getting organized to go. He went to a meeting of the Concerned Relatives Group on Saturday, November 4 and also on that date, he telephonically contacted [redacted] who is the People's Temple radio operator

Interviewed on 11/25/78 and 11/27/78 at Roosevelt Roads Naval Station, Puerto Rico File # SJ 89-123 SF 89-250 (u)

in San Francisco. By this time [redacted] had made up his mind to go and during his conversation with [redacted] he requested [redacted] to radio MARIA and tell her when he would arrive. [redacted] made the comment "Oh, you have changed your mind." (u)

On Sunday, November 5, 1978, MARIA called collect via a commercial telephone line. It was not through the radio patch normally utilized by her via the People's Temple short-wave radio. [redacted] also stated that he taped this conversation also. (u)

During the conversation, MARIA told him that she had just returned from the Island of Trinidad and had also been in Brazil and Venezuela. She said to him "You can check my passport." He thought that this comment was highly unusual but MARIA said she had gone there to do work for the People's Temple. Also, during this conversation, she said that she had learned that RYAN and a party of relatives were coming to Jonestown. She described RYAN as a right-wing fascist Congressman who supported the military junta in Chile. [redacted] mentioned to [redacted] at this point that she sounded scared and she said she "was shaking in her boots." She commented to him that it was a strange time for him to come to Guyana. MARIA told [redacted] that the Temple was afraid that RYAN was coming down there to destroy the Temple. He tried to reason with her and stated that he was coming there and would be very objective and wanted to see what was going on and make his own opinions, and that his father would not influence him at all. (u)

[redacted] stated that during this conversation with MARIA, she constantly tried to persuade him not to go to Guyana with the Concerned Relatives Group. She stated that it would not be a good time to come and [redacted] at this point, wanted to emphasize that MARIA went on and on and on in her attempt to persuade him not to go to Guyana. After the conversation was over, he never talked to her again until his arrival in Guyana. He also stated at this point that he will make available the tape of this conversation. (u)

[redacted] advised that the details of the trip by the Concerned Relatives Group were finalized and the Group left San Francisco for Guyana on November 13, 1978. Prior to (u)

their departure and while at the San Francisco International Airport, two members of the Concerned Relatives Group, GRACE STOEN or JIM COBB, both former members of the People's Temple, told him that they had spotted a People's Temple member at the airport watching the group as it departed. The group left San Francisco at ten p.m. on November 13, 1978, by United Airlines. They arrived in New York City between five and six a.m. on November 14, 1978, and left New York at approximately three p.m. the same date on board a Pan American flight to Guyana. They arrived in Georgetown, Guyana, on November 14, 1978, at approximately eleven-thirty p.m. (u)

Upon arrival at Georgetown, Guyana, they went to the Pegasus Hotel, however, upon arrival they were told that no rooms had been reserved for them, but eventually the room reservation problem was resolved and everyone went to sleep. At this point [redacted] furnished the following list of names of those people that made up the Concerned Relatives Group: (u)

They arrived there at approximately four p.m. and met with a woman who was identified as MARY ANN CASANOVA. [redacted] talked with [redacted] and [redacted] overheard her tell [redacted] that the people were not welcome at the Temple, therefore, don't get out of the car. At this time he noticed that Mrs. OLIVER possibly recognized two girls also at the Temple and engaged them in a conversation. No one was allowed into

After the group returned to the hotel, later on during the evening of November 15, 1978, everyone met with United States Ambassador BURKE. They met with him again on the morning of November 16, 1978, and he advised that his hands were tied in regards to permission for the group to travel to the Jonestown camp. Then, after leaving the Embassy, went back to the hotel arriving in the early afternoon. Everyone was sitting around in the hotel lobby and his father, [redacted] requested him to come outside and listen to this old Guyanese man make speeches. His father speculated that the man, at one time, might have been a member of parliament and liked to hear himself speak. They described him as the "orator." (u)

b6
b7C

So [redacted] along with GRACE STOEN and [redacted] went outside to listen to the old man. While they were out there, a Guyanese individual drove by in a car and talked to GRACE STOEN. [redacted] saw the individual drive up to a seawall located near the hotel and then the man in the car returned and told GRACE that some members of the People's Temple from Jonestown and their van were located near the seawall. At this, [redacted] along with SHERWIN HARRIS and [redacted], went to talk to the group. They walked up to the seawall and engaged in a conversation between themselves and a group of People's Temple members. The People's Temple members were comprised of six blacks and two whites. During the conversation they all exchanged hellos and everyone claimed to be from California. FHe noticed that the two white men stood back to back and was looking "wild-eyed" in every direction as if they might fear for their safety. He thought this to be very unusual. (u)

The group of six black and two whites admitted that they were from the Jonestown camp and they wanted to know why the Concerned Relatives were in Guyana. (u)

[redacted] could not remember much of the details of the conversation but did recall their conversation with one of the men whose name was LEE INGRAM. His father talked mostly to INGRAM about the trouble he had had with MARIA KATSARIS; [redacted] INGRAM kept silent most of the time and just listened. He described INGRAM as follows: (u)

Race:	Negro
Sex:	Male
Age:	Late twenties
Height:	6'
Weight:	175 pounds
Hair:	Short Afro with corn rows

He stated that they talked to INGRAM for a long time. (u)

While they were talking to INGRAM, GRACE STOEN arrived and indicated that she recognized another member of the group to be STEVE JONES. She apparently knew STEVE JONES very well as she hugged him and they (STOEN and JONES) separated from the group and talked for a long time. (u)

Later while they were still talking with the group of boys, [redacted] and MICKEY TOUCHETTE arrived and recognized her brother, MICHAEL TOUCHETTE, whom she had not seen for between five and six years. The meeting between MICKEY and MICHAEL was very emotional. [redacted] pointed out at this point that also [redacted] from the Concerned Relatives Group arrived and talked with some of the individuals. (u)

[redacted] noted that at no time did he feel there might be trouble and noted that the group of Temple members indicated that they were there to play basketball and had been there for a couple of days and would be there for about a month. He did recall STEVE JONES making a comment that there might be some difficulty in having some of the relatives from the Jonestown camp come into Georgetown to see their visiting relatives. The groups eventually split (u)

up and those members of the Concerned Relatives Group went back to the Hotel Pegasus somewhat excited about the meeting. (u)

Later that evening, they had a meeting with Congressman RYAN and told him that they were excited about their meeting with the basketball players but a little confused and people began to wonder if, in fact, the basketball team had been planted there to spy on the group. (u)

After dinner that Thursday evening, November 16, RYAN explained to members of the Concerned Relatives Group his plans for the trip to the Jonestown camp the next day, which was Friday, November 17. He indicated to them that he had chartered a plane and the group would have to decide which members would represent the Concerned Relatives Group as the plane did not have enough seats available to take the entire group. (u)

On Friday morning, November 17, 1978, several members of the Concerned Relatives Group, including [redacted] and [redacted] went to the United States Embassy and talked with Embassy representative DICK ELLIS. Also, several members of the group went to the office of the Guyanese Prime Minister. After those meetings respectively, Congressman RYAN indicated to them that they had the plane and had approximately eight seats available but only four people from the Concerned Relatives Group could go. With this information, [redacted] attempted to contact as many members of the Concerned Relatives Group as possible and in a fair way, determine who would go. (u)

b6
b7C

(At this time [redacted] indicated that he would like to rest and therefore, the interview would continue on Monday, November 27, 1978.) (u)

The following is a continuation of the interview which commenced on Saturday, November 25, 1978: (u)

At the hotel a list of people was being made up regarding who was to go to Jonestown camp and who was to stay behind at the hotel in Georgetown. Several people volunteered, including [redacted] Mr. OLIVER and [redacted] to remain at the hotel. As best as [redacted] could recall (u)

SJ 89-123

the following individuals boarded the plane to go to
Jonestown: (u)

Congressman LEO J. RYAN;
JACKIE SPEIR, his assistant;
JIM COBB;
Mrs. BEVERLY OLIVER;
CAROL BOYD;
DON HARRIS;
BOB FLICK;
TIM REITTERMAN;
GREG ROBINSON;
STEVE (last name unknown).

The latter five individuals were newsmen accompany-
ing the group. (u)

They departed in the aircraft from Georgetown,
Guyana at approximately two p.m. Friday, November 17, 1978.
They arrived at the airstrip at Port Kaituma, Guyana,
approximately one hour later. When they arrived at the
airstrip, the pilot told them that they could not land
because the airstrip was not in good condition. At this
time, the pilot circled the airstrip for a short while
taking them once over the Jonestown camp so that the
photographers in the group could take some pictures. After
circling for a while, the pilot told the passengers he was
going to land because he felt the airstrip was in good
enough condition, so they landed. At the airstrip the group
was met by some Guyanese officials and some members from
the People's Temple at the Jonestown camp. [redacted]
stated he remembered seeing JIM MC ALVANE in the group of
People's Temple members. He also recalled that Mrs. OLIVER
knew some of the individuals there from the People's Temple
as she engaged in conversation and shook their hands. There
were approximately six members of the People's Temple there
to greet them, however, JIM MC ALVANE is the only name that
he could recall. (u)

b6
b7c

The members of the Concerned Relatives Group remained
at the Port Kaituma airstrip waiting for permission to enter
the camp. First, some People's Temple members took
Congressman RYAN, JACKIE SPEIR and the two attorneys,
MARK LANE and CHARLES GARRY, in a dump truck to the camp. (u)

They told the remainder of the group to wait at the airstrip. They waited for approximately one hour or so for them to return and then a truck was sent from the Jonestown camp back to the airstrip to pick them up and take them back to the camp. However, the People's Temple members that were on the returning truck informed GORDON LINDSAY that he had to go back to Georgetown, Guyana on the plane, as he did not have permission to enter the camp. By this time it was approximately six p.m. and LINDSAY got on the plane and went back to Georgetown, Guyana. The remainder of the group climbed on board the dump truck and went to Jonestown. He described the location of Jonestown camp as being approximately six miles from the airstrip. They arrived at the camp at approximately seven p.m. that Friday evening, November 17, 1978. He said they stayed for approximately three hours there. (u)

On the way to the camp in the truck [redacted] engaged in conversation with JIM MC ALVANE and a woman by the name of JUDY whose last name he could not recall. (u)

When they arrived at the camp, a number of people from the People's Temple were standing around and JUDY pointed out [redacted] MARIA. MARIA saw him but did not approach, so [redacted] went over to her and hugged her. She was very cold toward [redacted] according to [redacted] MARIA and [redacted] thereafter walked up to the pavilion or meeting hall and after he put his bags down he immediately started talking with MARIA. MARIA immediately said to him that she did not like the photographers there ([redacted] informed the interviewing Agent that MARIA never did like having her picture taken). At that point MARCELINE JONES (JIM JONES' wife) went upon the stage at the pavilion and announced that the photographers were taking pictures and if someone did not want their picture taken just speak up and it wouldn't be.

In the meantime [redacted] and MARIA were sitting there, however, MARIA would not voluntarily engage in conversation with [redacted]. He talked to [redacted] for approximately ten minutes and then dinner was served. After dinner a show was given by members of the Temple. (u)

At this point during the interview, [redacted] (u)

indicated that he never, up until this time, feared for his safety. He never saw any weapons but did notice JIM JONES had a man standing by him always who appeared to be a body guard. [redacted] described this individual as a black male in his mid-twenties, approximately five feet eleven inches tall, one hundred sixty-five to one hundred seventy pounds with black hair and brown, "beady" eyes. (u)

[redacted] stated that up until this time he had not been able to talk to [redacted] alone, therefore, he decided that the only way he could get to be alone with her was to ask her to show him to the bathroom so [redacted] took him outside to an outhouse. Later he started talking with MARIA, who kept edging her way back inside the hall. [redacted] tried to engage her in a conversation but she did not want to talk to him at all. She talked very little and continuously tried to make her way back inside the pavilion. (u)

When the two finally were back inside the meeting hall, JIM JONES was going around introducing himself to all of the Concerned Relatives and had the photographers taking pictures of him and the Concerned Relatives shaking hands. At one point, [redacted] noticed CAROL BOYD was shaking hands with him and the photographers were taking pictures. When JONES came over to [redacted] blocked his face so that no picture could be taken. [redacted] just shook hands with JONES and said "hello". (u)

b6
b7c

[redacted] recalled, at this point, that someone told him that JONES was very ill. [redacted] stated that JONES did not look in good physical health and looked "spaced out" and was not very sharp in answering questions as he usually was remembered to be. (u)

Everyone was watching the entertainment which the People's Temple was providing. While this was going on, [redacted] MARIA left and came back with GRACE STOEN'S child who, according to [redacted] JONES claimed was his child. MARIA made a comment to [redacted] to the effect that the boy looked just like JIM JONES. [redacted] noticed that the child (u)

called MARIA "mother" at one point. He described the child as being approximately six years old. (u)

[redacted] advised that up to this point nothing unusual appeared to be happening except that MARIA kept making weird comments such as the stew that they were eating was poisoned and that it was made from human flesh. She called it "human stew". MARIA kept saying that [redacted] believed what [redacted] was saying about the People's Temple. A short time later, JIM MC ALVANE came over and engaged them in conversation. [redacted] tried to reassure MARIA that what he was saying was that the members of the People's Temple do a good job of harassing the reporters who write the bad stories in the newspapers. (u)

[redacted] stopped talking to MARIA for a while as he did not want to talk with her while other people from the People's Temple were with them. The two, thereafter, after the show, walked outside behind the meeting hall and [redacted] tried to talk to his sister about the situation at home. MARIA told [redacted] that things between her and her father were terrible and she described her home life as horrible for her. MARIA then asked [redacted] if he knew about the law suit [redacted] had filed against the People's Temple. MARIA told [redacted] that the church only has about \$700,000 and if [redacted] filed the suit it would take all the money away from the people. MARIA made a comment that he [redacted] could have come down at a better time when things weren't so bad. [redacted] would try to explain something to [redacted] and she was talking to him at the same time. She continued to talk without giving [redacted] a chance to explain and at one point he held her by the arm. She got very tense and yelled for help. He stated that MARIA yelled for the guards. At this point [redacted] became frightened. It was a shock to him that MARIA would react in such a manner. He was so startled by the fact that she yelled for the guards that he jumped back and walked away from her. [redacted] got upset with MARIA and began crying and she got upset with him and told him to stop crying. He thought this to be unusual because normally MARIA was a very emotional person. He asked MARIA to go home to the States with them so they could be together [redacted] MARIA stated she did not want to go home at this time. She stated

b6
b7c

she really enjoyed what she was doing and did not want to change her lifestyle at this point. She told [redacted] that he could not put any conditions on her whatsoever. She kept insisting that no one put conditions on her. (u)

By this time it was around ten or eleven p.m. on November 17 and the group was called together and told it was time for them to depart the camp. [redacted] asked if he could stay at the camp but was informed he could not as there was no room for him to stay. At this point MARCY JONES, the wife of JIM JONES, said to [redacted] that he could see MARIA the following day at the camp. The group of Concerned Relatives then departed in the dump truck and went back to Port Kaituma. He noted at this point that Congressman RYAN, JACKIE SPEIR and the Guyanese official stayed at the camp that evening. The remainder of the group stayed in Port Kaituma after arriving there at approximately eleven p.m. [redacted] described everything as seemingly to be okay with no problems and no one was suspicious that anything might happen. (u)

The next morning, Saturday, November 18, 1978, the group was to be picked up early in the morning and returned to the camp. The truck was late and they did not get to leave Port Kaituma for Jonestown until approximately ten-thirty a.m. The Concerned Relatives Group arrived back at the camp sometime between eleven and eleven-thirty a.m. that Saturday morning. When they arrived at the entrance to the camp, there was a chain across the road near the guard house. The driver of the truck talked to the guard for a while and then he removed the chain and the group was on their way toward the camp. When they arrived at the camp, [redacted] did not see MARIA anywhere. MARCY JONES saw [redacted] looking for MARIA and told him she would get someone to find MARIA. They were asked if they wanted breakfast but [redacted] stated that he would rather go on a tour of the camp rather than have breakfast. (u)

b6
b7c

At this point, [redacted] stated that he would like to bring up a point about something that happened that evening before. He stated the Congressman stated that Friday evening that history was going to be made because he was going to take a family back to the States with the Concerned Relatives Group. [redacted] volunteered to stay at the (u)

SJ 89-123

12

camp if room was needed on the airplane back to Georgetown. "Now", he said, "Back to Saturday morning..." (u)

[redacted] went to the meeting hall where he was instructed to go to wait for MARIA to show up. When she did arrive, she told him that she was up late the previous evening and slept late that morning. He noted at this time everything seemed to be alright and he did not suspect any trouble. He noted that MARIA seemed to be very cold and hard. The two of them then had breakfast and took a tour of the camp. (u)

He noted that during the conversation that morning there were a couple of times when [redacted] wanted to break away from [redacted] and not talk with him any more. At one point she did walk away from him and went and sat with the two Attorneys, LANE and GARRY. When MARIA left to talk to the two attorneys, a People's Temple member by the name of WESLEY walked over and talked to [redacted] for a while. He did not know WESLEY'S last name; also, at this point [redacted] did not know if he would get to say goodbye to MARIA so he told WESLEY to tell MARIA that he was not out to destroy anything, he just wanted to see how she was doing. WESLEY agreed to tell her this. (u)

b6
b7C

Later on that morning [redacted] asked [redacted] [redacted] asked MARIA if it was alright and she said she would not mind. (u)

[redacted] at one point [redacted] started to cry so when [redacted] MARIA got extremely angry with him and left. [redacted] did not know where she went but later she came back and the two of them engaged in conversation again. At the end of the conversation it was time to leave and they started walking toward the truck. They spent about a total of three hours at the camp that Saturday morning before going back to the airstrip. They headed back at approximately two p.m. (u)

When everyone was at the truck getting ready to go back to the airstrip, [redacted] noted two or three members of the People's Temple getting on the truck. He (u)

recognized two of them. The two were WESLEY (last name unknown) and LARRY LAYTON. LAYTON was the very last one to get on the truck. While they were all on the truck, it did not start moving for quite some time and VERNON GOSNEY, who was also a member of the People's Temple who was going to return with the group to the United States, kept insisting that everyone should get going and get out of the camp. All the so called defectors kept saying "Let's get going, let's get going." But as soon as the truck began to leave, it stalled and then it got stuck in a ditch. The defecting People's Temple members told him that this thing about the truck stalling and getting in a ditch was a setup. As they reached the top of the hill near the camp, [redacted] looked back and saw people running around and heard people yelling. [redacted] did not know what was happening. The truck stopped and DON HARRIS, the NBC News Reporter, went to see what had happened. (u)

Soon afterwards, a bulldozer came and pulled the truck out of the ditch. At this point [redacted] felt as if they were deliberately being delayed. (u)

[redacted] backed up for just a minute and stated that when DON HARRIS came back to the truck, HARRIS told them that someone had tried to assassinate the Congressman but the People's Temple members saved him. He stated that the person who tried to assassinate the Congressman was a young white man but [redacted] did not know his name. Congressman RYAN walked down the road to the truck and when he arrived at the truck he seemed to be in a state of shock. He then climbed in the cabin of the truck and the truck began moving down the road. (u)

When the truck reached the entrance to the camp, the chain was again across the road and there was a black male individual at the guard station. He instructed everyone to move around in the back of the truck as he wanted to see if his children were on the truck. This black guard then got on the truck and stayed on the truck and drove to the airstrip with them. At this point, [redacted] stated that he started to worry that something might be going to happen. (u)

Finally they reached the airstrip and were let off of the truck and the truck left. The airplanes were not (u)

SJ 89-123

14

there yet and it now seemed that everything was going wrong. They placed all of their personal belongings in the aluminum shed at the airstrip. (u)

A few minutes later, a small airplane came and then they began loading luggage on it. It was at this time that [] noticed the truck which they road to the airstrip on and a tractor pulling a wagon arrive in the area. He only remembered seeing a blonde haired man on the tractor whom he had seen in Jonestown. He also recalled seeing this young man as a member of the People's Temple group which had met the Congressman and the party when it initially arrived at the airstrip on Friday afternoon, November 17, 1978. (u)

b6
b7c

The smaller plane was being loaded and some of the so called defectors said that everyone should be searched, therefore [] helped search the people and luggage but did not find any weapons. After they were searched, LARRY LAYTON got into the small plane at which time JIM COBB stated that LAYTON was not searched. At this point JACKIE SPEIR became very nervous. LAYTON was never searched as it was very hectic and confusing at that time. [] stated at this point that he could probably identify LARRY LAYTON if he saw him again. (u)

By this time, the larger plane had arrived and was loaded. [] helped Congressman RYAN take a big chest over to the larger plane and put it in the nose of the aircraft. Some people were standing by the door and one of the Guyanese officials got on the plane and was just sitting there. JACKIE SPEIR sat down beside him in the aircraft and told him he had to get off and with this the Guyanese official, who was probably from Port Kaituma, exited the aircraft. (u)

[] does not remember seeing the tractor come closer to the aircraft. It probably did but he did not notice it. Then all of a sudden he noticed that the tractor and truck were parked parallel to the larger airplane. He heard a gunshot and then another and didn't know exactly what was happening. He looked around and thought there was shooting so therefore he ran to the far side of the larger plane and laid down behind it. While lying there alongside of [] he felt [] sting and saw that JACKIE SPEIR had received gunshot wounds to her legs. He (u)

knew the shooting was coming from the direction of the tractor but did not see anyone in particular doing the shooting. He did not know or see who the individual was that shot him. While the shooting was still going on, DON HARRIS, one of the newsmen, came over and told them to lie still and to keep very quiet, then HARRIS ran away from them. [redacted] noted that it sounded like the gunshots were being made by rifles. After all the shooting had stopped [redacted] laid there for a while and then he heard three or four more shots. He realized that the shooters were going around checking to see who was dead or alive and he figured he was going to be killed next. Eventually the shooting stopped and there was no more noise whatsoever. (u)

b6
b7c

He further advised that [redacted] stood up first and then [redacted] got up figuring the people that did the shooting were gone. He looked around and did not see the tractor any where in sight. He noticed that JACKIE SPEIR climbed into the cargo compartment of the larger airplane. He realized he could not walk so he laid down and waved for someone to come over and help him. At this time the plane engines shut down. He looked around and saw dead people lying all around him. (u)

Some of those that were not hurt or who were wounded and able to walk opened the door of the airplane and brought JACKIE SPEIR off. Also, CAROL BOYD got off the airplane. [redacted] said at this point he kept waving his arms hoping that someone would help him and later on an employee of the American Embassy came over and asked him if he was alright. The embassy employee stated that everyone would be taken care of. With that, some of the other people came over and carried him into the bushes and away from the airplanes. [redacted] along with the others, thought the killers would come back to finish everyone off. While he was lying in the bushes, [redacted] came over to him and tried comforting him for a while. Then they heard fire engines and CAROL ran off. They heard the engines and [redacted] rolled deeper into the bushes. After a while, someone else came over to see him and he realized that it was DALE PARKS. (u)

[redacted] lay on the ground for a while in the bushes and as it was becoming dark, a few Guyanese people (u)

came over to him. They took him to where a tent had been set up and when he arrived, he saw VERNON GOSNEY, who had been wounded, JACKIE SPEIR, who had been wounded, STEVE SUNG, who had been wounded and also BOB FLICK and two Guyanese officials. They stayed at the tent the remainder of the evening while the rest of the non-wounded people went into town and stayed with someone there. (u)

During the entire evening, there were rumors that planes were coming to pick them up that night but they never arrived. The next morning, a Guyanese army medic came and gave each of them two aspirins and checked their wounds. He did not do anything else. Later, all the wounded, along with the rest of the survivors were flown to Georgetown, Guyana and he was then placed on a United States military medivac plane and flown to Roosevelt Roads Naval Station. (u)

Also during the interview, KATSARIS was shown a copy of the NBC video tape of the shooting and their stay in the Jonestown camp. He pointed out that the young blonde haired male that was seen greeting the party upon its arrival at Port Kaituma on Friday, November 17, he also saw this same individual on the tractor during the shooting incident and assumed this individual was engaged in the shooting. He also pointed out that in the interview of JIM JONES, standing behind JONES was a tall, young-looking white male with curly and bushy brown hair and he identified this individual as WESLEY (last name unknown) whom he had talked to while at the camp. FEDERAL BUREAU OF INVESTIGATION

Date of transcription 12/7/78

VERNON DEAN GOSNEY was interviewed at the United States Naval Hospital, Roosevelt Roads Navy Base, where he was recuperating from severe gunshot wounds he received during the assassination of Congressman LEO RYAN and others near Jonestown, Guyana. He was interviewed in the Intensive Care Unit of the Naval Hospital. (u)

GOSNEY advised that prior to his leaving Guyana, he was there for approximately eight months. He went to Jonestown, Guyana, in March of 1978. He has been affiliated off and on with the People's Temple (PT) since 1972. GOSNEY became interested in the PT through a friend in Seattle, Washington, who told him about the healings and good deeds that the PT did. GOSNEY became a full-time member of the PT in the latter part of 1973 and he has been active in the church since that time. GOSNEY indicated that during this period he held no official capacity within the church. At this point he indicated that he would like to mention a little bit about the structure of the church. (u)

He advised that JIM JONES was the head of the church and his immediate subordinate was his wife, MARCELINE. Immediately under JONES and his wife were several committees, for example the Board of Trustees and the Planning Commission, which made the overall decisions and policies of the entire church. JONES also had several assistant ministers which were within another category. (u)

b6
b7c

GOSNEY was not sure of the exact number of members that were within the Planning Commission because some of the members would "defect" or in other words leave the church or the members would swap places with other members, and therefore, changes took place frequently and the number of members of the Planning Commission would vary from time to time. Two members of the Planning Commission whose names he did recall were DEBORAH BLAKEY and CAROL LAYTON. (u)

GOSNEY at this point clarified two terms. He stated that in fact the word "traitor" was used instead of the term "defector." A traitor was a PT member that left the temple. This was the term that JONES labeled those persons that did in fact leave. GOSNEY said that so many people were afraid to leave the temple for fear of their lives. JONES said that if anyone were to leave the organization, the "traitors" would be killed. (u)

GOSNEY did not have a large amount of information regarding the San Francisco based PT. He advised this because he really did not know much about the workings of the San Francisco Church. He never was involved much in San Francisco to the extent of his involvement in the Jonestown, Guyana camp. GOSNEY did provide the following names of people that he knew to be currently in charge of the San Francisco PT: TOM ADAMS, JEAN BROWN, PHILLIS HOUS'ON and JIM RANDOLPH. (u)

To his knowledge, GOSNEY advised that there are a few hundred people still remaining in the San Francisco PT. (u)

GOSNEY advised that he was accompanied to Guyana by his five-year old son MARK and MARK's so-called grandmother, EDITH CORDEL. Mrs. CORDEL is referred to by GOSNEY and MARK as the grandmother because she raised MARK since he was a baby. (u)

GOSNEY stated that the Jonestown Camp of the PT was established in approximately December of 1973. JIM JONES was not permanently living in Jonestown at this time, but he would frequently visit to see how it was being maintained and structured. The purpose for the establishment of the PT in Jonestown was because all PT members were to eventually go and live there. The reason behind the establishment was with the idea that JONES wanted to build the "perfect society." That was JONES' main goal according to GOSNEY. JONES' interpretation of a perfect society was that there would be no hunger, no poor people, no rich people, no one would be looked down upon, there would be little work, and a lot of play, and everyone would be treated equally. In terms of punishment if someone did something wrong, they would be punished by beatings which were inflicted by other members of the PT who volunteered. Anyone JONES chose to inflict the beatings would either use their hands, fist, or rubber hoses. (u)

SJ 89-123

GOSNEY said that JONES moved to Guyana permanently in July of 1977, which would be approximately one and one-half years ago. Before that time he made frequent trips. At that time GOSNEY did not know the exact number of members living in Guyana, but when GOSNEY arrived there in March the number was supposedly around one thousand, although he does not believe this to be true. GOSNEY believes this figure to be exaggerated. (u)

GOSNEY indicated that the first time he knew anything about Congressman RYAN's visit to Jonestown, Guyana was the day before the Congressman arrived. At that time JONES told everyone that RYAN and a group of people were to visit the camp and JONES described this group of visitors as fascists. JONES told everyone they were coming down to investigate the Jonestown camp and he ordered everyone not to say anything to any member of RYAN's group unless they were instructed to. JONES made a list of those people who were to do all the talking. JONES, prior to the arrival of the Congressman and the others, briefed those people on the list on what to say and what not to say. This briefing took place prior to the Congressman's arrival. GOSNEY noted at this point that after the Congressman arrived, he (GOSNEY) slipped a note to one of the reporters stating that he wanted to get out of Jonestown. GOSNEY indicated that the note said, "Help us get out of Jonestown." On the bottom of the note was his name and the names of other persons interested in leaving Jonestown. RYAN arrived at Jonestown during the afternoon or early evening of November 17, 1978. (u)

GOSNEY further advised that he wanted to leave Jonestown because it was a dictatorship. There was no freedom, no freedom of choice, your life was planned, and also your death was planned. At 6 AM every morning JONES would get on the public address system and wake everyone up. Over the public address system would be the worldwide news and JONES would tell everyone the news was to show them how bad the rest of the world was, and what a mess the world had found itself. After the news everyone would be tested on what they heard over the public address system regarding the news. Everyone worked each day from 7 AM until 6 PM for six days a week. GOSNEY himself stated that he worked in the fields raising agricultural products. He reiterated at this point that there was absolutely no freedom. JONES even took each members individual passports and would not return the (u)

SJ 89-123

SJ 89-250

4.

passports to them, therefore, they could not leave Guyana. To reflect what a distatorship JONES had set up, GOSNEY stated that if someone wanted to have a "relationship" with another person, it would have to be taken to the "Relationship Committee" who would decide if the relationship should be carried out. This would usually take approximately three months. (u)

When GOSNEY was getting ready to leave on Saturday, November 18, 1978, with the others, he was briefed by JONES who told him not to speak with any Federal Bureau of Investigation (FBI) personnel or any members of the news media. Before they all left the camp, JONES apparently had talked to the remaining members of the "traitors" who were leaving that they were all welcome to come back at any time. JONES said that he was not mad at anyone for leaving. (u)

GOSNEY indicated that he had been planning to leave Jonestown two to three weeks prior to Congressman RYAN's visit, but in fact he was afraid to leave. GOSNEY indicated he wanted to leave Jonestown since the first day he arrived there, but knew if he did try to leave he would be stopped by members of the PT. He noted that one day officials from the United States Embassy came to Jonestown and he and his friend MONICA (last name unknown) (LNU) wanted to tell them they wanted to leave, but he and MONICA just did not have the nerves to do it. GOSNEY stated he felt like it was not hard to do, but he knew that if they did something would happen to him and MONICA. He noted that there were literally hundreds of people who wanted to leave, but many knew what would or could happen to them if they did leave. No one ever talked about leaving because if they were overheard they would be punished. Punishment many times was by beatings, however, JONES eventually stopped the beatings because of public criticism. However, one to be punished would be put in a center surrounded by other members of the PT and everyone would ridicule, criticize, and humiliate that person being punished. JONES always stated that he would kill all of the traitors who left even if he had to hire the mafia to do this. (u)

At this point GOSNEY remembered those PT members who rode on the truck from Jonestown to the air strip with Congressman RYAN and the others. Those members were: JOE WILSON, the Head Security man for JONES, BOB and TOM KIZE, and LARRY LAYTON was (u)

put in the group at the last minute. GOSNEY's opinion was that LAYTON was a plant in the group, as LAYTON wanted to do something significant for the PT. He noted at this point to his knowledge LAYTON has no mental problems. LAYTON is extremely loyal to JIM JONES. (u)

GOSNEY stated that there were many guns in the camp. The guns were kept in STEVE JONES' room. STEVE JONES is the son of JIM JONES. There were rifles and handguns of some sort. He was not sure how many guns the PT had, but heard other people in the camp talking about the guns and he figured there were no more than two cases of rifles with about fifty in each case. GOSNEY believed that the guns which were in Jonestown were brought in piece by piece in luggage and then assembled at the camp. Different people brought in the weapons and some of the weapons may have been brought in by boat; however, he does not have any direct knowledge of this. (u)

The Security Staff of PT had training with the guns. There had also been training in California. JONES' sons were part of the Security Staff. They were the top security men. The following are names furnished by GOSNEY on some of the Security Staff: STEVE JONES, TIM JONES, (white male), TIM JONES (black male), LOU JONES, JIMMY JONES, JR., CALVIN DOUGLAS, JOHNNY COBB JONES, JOHNNY JONES, JR., and DOUG SANDERS. There were approximately thirty to thirty-five members of the Security Staff. (u)

At this point GOSNEY stated that the Security guards did receive training in Guyana and also in California, but he had no direct knowledge of it. GOSNEY described himself as not one of JONES' trusted people. (u)

At this point GOSNEY was asked if he had information regarding TIM CARTER and he indicated that CARTER was JONES' top aid and advisor. CARTER was at the camp at the time Congressman RYAN and his party were there, but GOSNEY did not know why CARTER went to San Francisco prior to the Congressman's arrival in Jonestown. (u)

He advised that the Congressman and members of the party arrived at the camp on Friday, November 17, 1978. The general feeling at the camp during RYAN's visit was that of excitement because of RYAN's notoriety, but the atmosphere was very tense because if one person approached the Congressman or his party and told them how they truly felt against JONES, everything would be "messed up". GOSNEY recalled that when JONES talked with RYAN he told RYAN anyone could leave at any time. However, GOSNEY reiterated that in fact they could not because JONES had seized everyone's passport. GOSNEY had no direct knowledge of any plan by JONES or his followers to cause any trouble if anyone wanted to leave. However, GOSNEY noted at this point that many people of the temple were very suspicious, specially when JONES appeared to be letting those people who wanted to leave go. What aroused GOSNEY's suspicions was the fact that on the group's way to the air strip on the day that they were all leaving, the truck appeared to be deliberately stalled and then it appeared to be deliberately stuck in the mud. Following that, Congressman RYAN was attacked by someone back at the camp. His suspicions were also aroused by the fact that STANLEY GIEG, the driver of the truck that was transporting everyone from the camp to the air strip, was driving very slowly and when the truck arrived at the front entrance of the camp the security guards made everyone in the back of the truck shift around so as to count everyone and note who was on the truck. One of the security guards used the story that he was looking for his sons. GOSNEY stated that this always happened when visitors came to the camp. The visitors would always have to wait until JONES wanted them to come to the camp and they would be also delayed after they came and wanted to leave the camp. It was very easy to delay visitors because there was only one way in and one way out. (u)

GOSNEY, who was on the truck and planning to leave with RYAN, knew that the group was definitely being stalled. Also, when the group left for the air strip the day of the shooting an assembly was called by JONES at the temple. This assembly, as in the past, was called so a decision could be made as to what could be done about the traitors and RYAN's group. GOSNEY stated it always happened this way. If someone was to leave, there was always an assembly called and a decision would

(u)

be made what to do with that person. Usually, if the person left, a group of JCNES' security men would search for that particular person until he was found and bring him back to the camp. When they were returned to the camp, they would be severely punished. (u)

GOSNEY as he was leaving knew that an assembly was being called because everyone was gathering at the pavillion. (u)

As they were leaving the Jonestown camp that Saturday afternoon, November 18, GOSNEY recalled the following persons being on the truck en route to the air strip: VERNON DEAN GOSNEY, MONICA BAGBI, TOMMY BOGUE, JIMMY BOGUE, EDITH BOGUE, JUANITA BOGUE, TIMMY BOGUE, HAROLD BOGUE, CHRIS O'NEIL, and LARRY LAYTON. Everyone knew LARRY LAYTON was a plant as LAYTON was stuck on the truck at the very last minute. GOSNEY said, "There was no possible way Layton would be defecting as he was extremely loyal to Jones." Also on the truck were: EDITH PARKS, PATTY PARKS, DAYLE PARKS, TERRY PARKS, BRENDA PARKS. (u)

At this point GOSNEY was asked why his son was not accompanying him out of the camp, and GOSNEY stated his son MARK was staying with EDITH CORDEL back at the camp. He was afraid to bring MARK out with him as EDITH CORDEL was a top person in the PT and would have had VERNON GOSNEY killed immediately. GOSNEY stated he planned on getting his son out later. He noted that EDITH CORDEL was the oldest member of the PT. If his son MARK was to leave with him, it would have broken EDITH' heart and no one wanted to see her hurt. She is the so-called grandmother of MARK GOSNEY because she raised the child since he was a baby. EDITH CORDEL is 76 years old according to GOSNEY. (u)

That Saturday, November 18, 1978, they left the Jonestown camp at approximately 5:30 PM according to GOSNEY. However, GOSNEY stated that he is not sure and believes he could be way off on the time. (u)

Before everyone got on the truck at the camp for the trip to the air strip, JONES talked to all of them. JONES told them that America was what they thought it was and that they (u)

should not speak to anyone from the FBI or news media. During the talk with JONES, GOSNEY felt that JONES was planning to do something to stop them. His feelings were tensed when he recalled JOE WILSON getting on the truck. JOE WILSON, according to GOSNEY, is JONES' top security guard. GOSNEY knew something was wrong and that something was going to happen since WILSON was the Acting Head of Security at that time and he got on the truck to accompany everyone to the air strip. GOSNEY described WILSON as a negro male, dark complexion, 25 years old, six feet, 170 pounds, short black afro, and very muscular. GOSNEY did not notice any weapon on WILSON at that time. He also suspected along with WILSON that LARRY LAYTON was up to something (u)

As they departed the Jonestown camp, the truck driver was STANLEY GIEG. GIEG is described as a white male, about 18 years old, 5'8" tall, 160 pounds, blond hair, very muscular and very hairy. (u)

When GOSNEY and the rest of the group along with RYAN and the others arrived at the air strip, it was approximately 5:30 PM, as best as he could recall. They unloaded their belongings from the truck and put them in the aluminum shed located near the air strip. The airplanes were not there at the time of their arrival on the truck. After everyone got off of the truck, WILSON and GIEG departed for a short while. (u)

By this time the aircraft had arrived and Congressman RYAN's assistant, JACKIE SPEIR, was making a list of people who were to go on either the large or small airplane. She obtained the list but LAYTON insisted that he wanted to go on the small airplane. GOSNEY thought that LAYTON wanted to go on the plane because he felt like WILSON's job was to shoot up the big one. At this point GOSNEY recalled that on the trip to the air strip JOE WILSON asked the departing members of the PT why they wanted to leave. GOSNEY told WILSON that the people did not have any freedom or free will to decide if they wanted to stay or go. WILSON told GOSNEY that the people could have left at a better time or done it in another way. He said the group of PT members that were leaving would make the PT look bad. (u)

Several people were put on the small plane, including GOSNEY and his friend MONICA, who were the first to get on. The engines started, at which time GOSNEY noticed the tractor and truck return to the area of the two airplanes. GOSNEY at this point believed that JOE WILSON initially left to go back to get the guns. He stated that WILSON and the others were gone approximately thirty minutes. At this time during the interview VERNON GOSNEY advised that he was extremely tired and that he would like to rest and continue the interview on Tuesday, November 28, 1978. (u)

b6
b7c

The interview resumed on Tuesday, November 28, 1978, and reflected the following information: (u)

GOSNEY indicated that initially there were three people besides himself that were to get on the small plane for its return to Georgetown, Guyana. The people who initially got on the small plane besides himself were his friend MONICA, [REDACTED]. There was a conflict at this time as to whether or not LARRY LAYTON should be getting into the small plane, but since he insisted he did board the aircraft. Once he (GOSNEY) and the others were on the small plane, then he noticed the larger plane arrive. By this time the tractor and truck came back to the air strip and passed by the small plane and went directly to the vicinity of the large plane, circling it once. On the tractor GOSNEY noticed JOE WILSON, who was holding a rifle. WILSON began shooting and "kept shooting at the people, the airplane, the tires of the airplane, and everything." At that point LARRY LAYTON shot GOSNEY twice. LAYTON was sitting in the smaller aircraft directly beside GOSNEY and to GOSNEY's left. GOSNEY stated that he was shot with some type of small handgun and immediately following his being shot he (GOSNEY) and DALE PARKS struggled with LAYTON and took the gun away from LAYTON. The pilot told everyone to immediately get out of the airplane, but they could not get the doors of the plane open so they crawled out the front of the aircraft. (u)

At this point GOSNEY stated that he recalled that there were approximately ten individuals on the tractor. Some of those on the tractor are as follows: (u)

1. STANLEY GIEG, who was doing some of the shooting and who has been previously identified.

SJ 89-123
SJ 89-250

2. WESLEY BRYDENBACK (phonetic), who GOSNEY described as a white male, 20 years of age, 6'1" tall, 150 to 160 pounds, dirty blonde hair which was long and curly and was not wearing a shirt. GOSNEY could not recall seeing BRYDENBACK with a weapon.
3. TOM KICE, who GOSNEY described as a white male, approximately 45 years old, 6'2" tall, 170 pounds, brown hair with gray, and very slender. Both TOM KICE and his brother BOB KICE were also seen by GOSNEY as being some of the shooters.

At this point GOSNEY advised that only certain people within the camp were authorized to have guns. Those authorized were JOE WILSON, BOB KICE and his brother TOM KICE, STANLEY GIEG, and WESLEY BRYDENBACK (phonetic). He noted that the above individuals who were doing the shooting stayed on the tractor while the shooting was going on. At least he saw them stay on the tractor and there might have been others who got off of it. (u)

After GOSNEY got out of the small plane he ran into the bushes and stayed there until a Guyanese person found him and took him into a tent, where he saw [redacted] and [redacted] both of whom had been wounded. (u)

At this point in the interview, began a series of questions and answers which are as follows: (u)

Question: Were you aware of an assassination list?

Answer: "I am sure there was one, but I never saw it."

Question: Who was on the list and where is the list?

Answer: "I don't know"

Question: Are you familiar with the "angels"?

Answer: "Well, sort of. There are approximately eighty angels. The angels are there because if anything messes up, meaning harm to Jones or the temple, the angels are to kill all people who have hindered the working of the temple or who have caused any problem or written anything such as newspaper stories."

SJ 89-123

Question: Were there "angels" in the camp?

Answer: "I'm sure there were."

Question: In San Francisco?

Answer: "Yes."

Question: Were you ever beaten up?

Answer: "Yes, before I left to come back to the States"

Question: Why?

Answer: "I did not obey the rules."

Question: Who beat you up?

Answer: "About twenty people at once."

Question: Where were you beaten up?

Answer: "At times in the temple in San Francisco in the middle of the night."

Question: Who enforces order in San Francisco?

Answer: "There are no heavies there."

Question: Can you speculate who the "angels" are?

Answer: "No."

Question: In the camp

Answer: "Joe Wilson and some of the other guys previously mentioned, I'm sure they are angels. They are going to the United States and they are going to do more. They have a plan when they get there. They will eliminate a lot of people who are traitors. This was always big talk all of the time. If someone wants to be a hero they request to go back to the United States and kill someone."

Question: Are TIM CARTER, MICHAEL PROKES, and MICHAEL CARTER, "angels"?

Answer: "Yes."

Question: Do you know anything regarding any bank accounts?

Answer: "JONES said that he had four million dollars in the Guyana banks, that he had a surplus of gold stacked away in some place, a very large surplus. He had money in the United States over one million dollars. He could have money in other places too."

SJ 89-123
SF 89-250

Question: Who handled the money?

Answer: "MARIA KATSARIS handled the money. Also TISH LAROY (phonetic).

Question: Do you know anything regarding the storage of weapons?

Answer: "The only place where I know they kept the weapons was in STEVE JONES' room. Oh, the other members of the angels are DON BECK and KLINGMAN. I do not know KLINGMAN's first name. DON BECK is described as a white male, thirty to thirty-five years of age, 5'10" to 5'11", short and stocky, 180 to 190 pounds, short blonde hair and from Ukiah, California, where he is a school teacher. KLINGMAN is described as a white male, thirty-five years of age, 5'11" tall, heavy set, 200 pounds, blonde hair, curly and of medium length, and he is from the San Francisco area. These are the two people I am concerned with most because when in Jonestown there were always attacks going on. When the concerned relatives group came, JONES told everyone that the concerned relatives would kill them (PT members) and drink their blood."

Question: While in Guyana, the Congressman's party met a group of boys who stated they were playing basketball. They were MICHAEL TOUCHETTE, COBB INGRAM, and others. Were they actually playing basketball?

Answer: "Yes, but after they went back to Jonestown and found the Congressman was in Guyana, they were sent back to the hotel to scare them away. Also, any guns that came into the camp had to pass through 41 Lamaha. (GOSNEY put this information in about the guns at this point because he happened to think of it and it should be noted that 41 Lamaha was the address of the PT in Georgetown, Guyana). (u)

Question: Was there an assembly before the group came to Jonestown?

Answer: "Yes, the night the reporters came in. Everyone was against Jones. The People's Temple members would have practice alerts where everyone would pick up machetes and wouldn't let anyone up to the temple. This time the alert was held around noon on Friday. They had alerts quite often. There were 85 alerts since the time I came in March. Well, 85 since September and when people tried coming in before. They would guard the entranceway to the temple."

At this point GOSNEY reflected the following information about JOE MAZOR: (u)

JOE MAZOR, according to GOSNEY, was a private investigator from the San Francisco area. He actually was a double agent in the sense that he was hired by JONES to spy on the concerned relatives group. In contacts with the concerned relatives, MAZOR would tell them that he was actually there to help the concerned relatives get their family members out of Jonestown, when in fact he was actually working for JONES in an attempt to get information about the concerned relatives group. He was being paid by PT to tell everything he knew about the concerned relatives group. At one time in Jonestown, he talked to the assembly and told everyone that he did not know if they were guilty or what they were doing, but said that the concerned relatives group had bazookas to blow everything up. This was a fictitious story according to GOSNEY. Also, at one time when MARK LANE came to Jonestown he told everyone during an assembly that there was a plot to destroy the Jonestown camp. MARK LANE told everyone that there was a planned conspiracy against Jonestown and that the group coming from the United States were members of the Central Intelligence Agency (CIA). (u) X

Also at this point GOSNEY mentioned that JONES despised Senator JOHN STENNIS, as he had told this many times to the assembly and GOSNEY stated that "I would not be surprised if they killed Senator Stennis." (u)

At this point the interview reverted back to the question and answer-type interview (u)

Question: Did MARIA KATSARIS know there was going to be a shooting?

Answer: "I think so."

Question: When was the decision made (referring to the shooting)?

Answer: "Obviously, everything was set up. Layton had a gun." (u)

Question: Was there any talk in the assembly at the camp regarding the killings:

Answer: "No."

Question: Was there talk among the people of what was to happen?
Answer: "No, more or less considered, it was one of those things."

Question: Was JIM JONES crazy?
Answer: "Yes"

Question: Who was keeping him in line (referring to JONES)
Answer: "Actually, he was so very ill for a long time. He would hardly ever come out of his house. He had a public address system set up from his house telling the people what to do. He would talk all day long. He sounded drugged. He was not responsive to anyone. CAROLYNE and MARIA would use as much influence on JONES as possible."

Question: Who would conduct rallies?
Answer: "He would from his house, or Johnny Jones or Marceline Jones."

Question: How late would you stay up?
Answer: "Until two or five in the morning, but then we got two hours or more of sleep." (u)

Question: Who was responsible for the guns?
Answer: "Steve Jones is responsible for the guns. He is crazy. He is a maniac. Very, very violent. He would beat people up in the camp. He would make an ass out of people. He was an enforcer. Lee Ingram is the head guard and an angel. Claire Janaro she was high up. She was one of the heads. Janaro's husband was also high up. His name is Richard. Helen Swinney and Cleve Swinney are angels. Debbie Touchette spent most of her time in Georgetown, but when Deborah Blakey left, she moved back to Jonestown. She knows of some of the money. Paula Adams spent most of her time in Jonestown. She had a thing going on with an Ambassador."

Tim Clancy was an angel and is described as a white male, six feet tall, 25 years of age, 155 to 160 pounds, brown scraggly hair, from the San Francisco temple."

[redacted] expressed a great concern over TERRY BUFORD. [redacted] advised that BUFORD was JONES' "right arm" and that she was an identical replica of his mind. [redacted] repeatedly stated that she is the most dangerous individual alive. [redacted] stated that the reason BUFORD is cooperating now is to get us off her back and that she is the one actually responsible for keeping the movement going. [redacted] stated that BUFORD was not a defector, that she was assigned by JONES to leave the church. [redacted] explained that BUFORD always followed every command JONES gave to her and that she

[] provided the following information regarding the shooting at the Port Kaituma airstrip, and the assassination of Congressman RYAN (u)

RYAN arrived at Jonestown around 5:00 PM on Friday, November 17, 1978. At this time, everything was going well, as RYAN mingled among the congregation. There was loud applause when RYAN was introduced. The Security Force were not armed, but the "secret" security force was mixed among the congregation. That night, RYAN and some of his aides stayed in Jonestown. Members of the Press stayed at Port Kaituma. Saturday morning, November 18, 1978, a breakfast was held for RYAN and members of the Press. At 11:30 AM, things started to go bad. [] indicated that he and []

were talking about escape. RICHARD CLARK and DONNA LOUIE had already left, pretending to be going on a picnic. [redacted] observed someone digging in the bush near the location where the [redacted] family had buried some clothes. [redacted] advised that they had previously hidden some clothes for a future escape. At this point, [redacted] thought their plan to leave had been discovered. EDITH PARKS began talking to newsmen and RYAN about leaving the Jonestown settlement. PANCHE JOHNSON and MARCELINE JONES came to [redacted] and told him what EDITH PARKS was doing. JOHNSON and JONES attempted to bribe them to stay and stop talking about wanting to leave. [redacted] told [redacted] that they should not believe the bribe being offered by MARCELINE JONES. [redacted] explained that they confronted JIM JONES with their real problems, the poor living conditions, his mother was ill-nourished, and the inequality. [redacted] stated to JONES, "If this is your idea of Socialism, I want no part of it". These events took place at approximately 1:30 PM. The PARKS family then went with MARK LANE to their cottage to gather their possessions. JIM JONES reacted by giving them "fake" hugs and telling them that they were always welcome back and that they would be given \$5,000.00 for expenses. At 2:30 PM, [redacted] indicated that there was a total of fifteen defectors. Those individuals were: BRENDA PARKS, CHRIS O'NEAL, GERALD PARKS, JUANITA BOGUE, TRACEY PARKS, TOM BOGUE, EDITH BOGUE, MONICA BAGBY, HAROLD CORDELL, JAMES BOGUE, TEENA BOGUE, DALE PARKS, EDITH PARKS, PATRICIA PARKS and VERN GOSNEY. In addition to the defectors leaving, there was Congressman RYAN, his aides, Press members and concerned relatives, who had come to Jonestown. At this last minute before the dump truck departed, LARRY LAYTON jumped on the truck indicating that he wanted to leave. LAYTON did not have any luggage or additional clothing. Everyone was very suspicious of LARRY LAYTON. [redacted] advised that he had previously observed LARRY LAYTON talking with JIM JONES before he jumped onto the dump truck. According to [redacted] the attempted stabbing of RYAN occurred while the defectors were

waiting on the dump truck. RYAN was still in the settlement with CHARLES GARRY and MARK LANE. Apparently RYAN was discussing with LANE and GARRY about making arrangements for the other families, who wanted to leave Jonestown. DON SLY was reported to have been the individual attempting to stab RYAN. After RYAN finally arrived at the truck, they were ready to leave. [] explained that the truck started to pull away but got stuck in the mud. [] felt this was done on purpose as a delay tactic. A caterpillar truck was summoned to pull them out. When the dump truck arrived at the entrance gate of the Jonestown settlement, JOE WILSON jumped onto the side of the truck. WILSON looked at everyone in the truck very hatefully, according to []. WILSON may have been looking for his wife and child, who actually had left earlier in the day on a picnic. When they got to the Port Kaituma airport, according to [], one individual observed JOE WILSON shake hands with LARRY LAYTON and hand him a gun. [] stated that the following people got into the small plane: MONICA BAGBY, LARRY LAYTON, VERN GOSNEY, TRACEY PARKS, DALE PARKS and the pilot. According to [] LARRY LAYTON insisted on getting into this plane and sitting behind the pilot. As this plane began to taxi down the runway, [] could see another trailer approaching the airstrip. [] begged the pilot not to take off. At this time, RYAN was on the ground boarding the larger plane. [] indicated that the shooting started with shots being fired from those individuals in the trailer. [] identified the following people as being in the trailer: (u)

STANLEY GEIG was the driver of the vehicle. [] stated that [] get shot in the leg and then was shot at point blank range in the back of the head. When the shooting started at the larger plane, the pilot of the small plane began to slow down. [] observed LARRY LAYTON beginning to reach into his pants. [] began shouting to the pilot to stop the plane and get out. At this point, LAYTON pulled out a gun and began shooting at individuals in the small plane. LAYTON's first shot hit MONICA BAGBY. The second shot hit VERN GOSNEY. [] then stated that LAYTON pointed the gun at [] pulled the trigger but the gun misfired. LAYTON then fired his fourth shot at MONICA BAGBY, wounding her for the second time. LAYTON fired a fifth shot again wounding VERN GOSNEY. [] realizing that he had not been shot, started fighting LAYTON. [] was able to wrestle the gun from LAYTON and [] hit LAYTON with the gun. [] advised that he got out of the plane and ran into the bush. During this time, shooting was still going on at the larger plane. [] stated that after the shooting, the tractor trailer sped away from the scene. [] went back to the shooting scene and observed some of the defectors getting off of the larger planes. [] observed his mother, who had been shot to death. [] then took five of the children and ran into the bush. [redacted] advised that he did not have any knowledge of a "hit list" or of individuals to be assassinated. (u)

When questioned about the possible existence of a primitive nuclear device or bomb at Jonestown, [redacted] recalled an incident in a Planning Commission session in San Francisco, California, when JIM JONES spoke about an explosion on a train that had been carrying military ammunition. [redacted] vaguely remembered something JONES said about a large bomb, but could not provide any additional information. (u)

[redacted] advised that when JIM JONES held "white nights" that he often stated that public officials and People's Temple defectors should be assassinated. According to [redacted] JONES had always indicated that he had people to take care of that. JONES would lash out against defectors with such statements as: "If I have to crawl after them myself or if I have to get the Mafia, I will get the defectors". JONES spoke to the congregation that Congressman RYAN was bad, that the Central Intelligence Agency (CIA) was behind him and that the CIA wanted to overthrow the People's Temple. [redacted] explained that JIM JONES had no intention of letting Congressman RYAN visit Jonestown. [redacted] felt that JONES' real plan was to have LARRY LAYTON make arrangements to cause the crash of RYAN's plane before it got to Jonestown. [redacted] also indicated that everyone in the congregation was forced to sign a petition against having RYAN come to Jonestown. Apparently, individuals were made to sign the petition but did not know what it stated. The petition was presented to Congressman RYAN by SHARON AMOS. (u)

[redacted] provided the following information about D. LAWRENCE SCHACHT: (u)

SCHACHT had attended medical school in Guadalajara, Mexico. SCHACHT came to the People's Temple with emotional problems and addicted to drugs. JIM JONES took SCHACHT in and got him off of drug dependency. JONES apparently sent SCHACHT

(u)

BQ 89-495

to school to finish his medical training. According to [redacted] SCHACHT was very poor at putting what he learned to practical use. JONES made SCHACHT publicly admit that they had sexual relations together. [redacted] indicated that SCHACHT had even told him that this was true. SCHACHT was not a licensed Medical Doctor and he had not satisfied any residency requirements. SCHACHT used the following drugs as control substances: thorosine, valium and librium. The Extended Care Unit was used to discipline individuals in the Jonestown settlement. Drug therapy and brainwashing techniques were extensive. Thorosine was often put in milkshakes, not always necessarily done by the medical department. [redacted] indicated that ANNIE MOORE (sister of CAROLY LAYTON) was the individual who had access to all drugs. SCHACHT had to make requests through ANNIE MOORE. [redacted] had no knowledge regarding the presence of cyanide at the Jonestown settlement. (u)

b6

[redacted] indicated that TOM GRUBBS was the individual that had developed the boxes used to discipline children by placing them in solitary confinement. These boxes were destroyed after DEBBIE BLAKELY returned to the US and exposed their use. (u)

[redacted] advised that he had no personal knowledge of the mass suicides on November 18, 1978, but that [redacted] and [redacted] had been witnesses. (u)

[redacted] was interviewed at John F. Kennedy International Airport (JFKIA) after her departure from Pan American flight 228 arriving from Georgetown, Guyana. [redacted] was advised of the identity of Special Agent (SA) [redacted] Federal Bureau of Investigation (FBI), and SA [redacted], United States Secret Service. (u)

[redacted] advised [redacted] her family moved from River Valley to Ukiah, California, at which time she remembered attending meetings of the People's Temple Church. She advised she went to these meetings with her parents, although she didn't like attending. She stated the People's Temple (PT) was good to the family when her father was sick by helping pay his medical bills. Her mother and father believed and trusted Reverend (Rev.) JONES, but she found the meetings boring. (u)

In April, 1977, [redacted] advised her family had an opportunity to leave California and go to Jonestown, Guyana. While in California, they saw movies of Jonestown and although it looked like a beautiful place to live, she still didn't want to go. [redacted] advised in Jonestown, everyone was supposed to be treated equal and be able to get good jobs. Between viewing the movies and hearing how good it was, [redacted] advised her father decided they would all go. She advised on April 4, 1977, they left California for New York (NY), where they boarded a flight for Georgetown, Guyana. (u)

[redacted] stated upon arrival in Georgetown, they stayed at the PT Headquarters for approximately eight days; however, after that, they were transported to Jonestown on a boat called the "Cudjoe". She advised this ship was used to transport people and supplies from Jonestown to Georgetown. She advised there was another boat owned by the PT named the "Albatross", which also transported supplies. (u)

Investigation on 12/21/78 at JFKIA, Queens, NY File # BQ 89-495
by SA [redacted]/mlh Date dictated 12/26/78

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

[redacted] stated from the first day in Jonestown, she disliked the place and it was nothing like the films she had seen in California. She stated the living conditions were terrible. You had to share a very small cottage with 12 or 14 other people, and you had no privacy. She advised the first day there, JOYCE TOUCHETTE advised her she was assigned to working in the fields. It was so hot and they made you stay in the sun all day with only a break for lunch and 10 minutes off in the afternoon. She stated her first week there, Rev. JIM asked her how she liked Jonestown. She replied it was nice, but very hot. He smiled and told her to enjoy herself. That night at the meeting, Rev. JIM called her to the front of the group and yelled at her for not liking Jonestown. She stated that the whole group, including her family, all yelled at her for telling the Reverend that it was too hot in Jonestown. She stated this was the only time she was ever called in front of the group. (u)

b6
b7c

She advised that while she was working outside in the fields, [redacted] was assigned [redacted] her [redacted] in the [redacted] and [redacted] (u)

[redacted] stated a routine day in Jonestown began at 6 AM with breakfast and work began at 7 AM till 12:30 PM, when they would eat lunch. She stated lunch consisted of rice and gravy. After lunch, she would work till dinner time at 6 PM, when they would eat more rice. At 7:30 PM, everyone was required to attend the meeting at the Pavilion, where Rev. JIM would speak. These meetings generally lasted to midnight with the day's activities being discussed (u)

[redacted] advised everyone was not treated equally as they had been told before leaving California. She stated that the people on JONES' staff and the people on the security patrol had better treatment than the other people in the group. She stated that these people only had to work eight hours a day, while we worked twelve, and they didn't have to wait on lines to eat, while we did. [redacted] stated the following individuals handled the administrative matters of Jonestown and were close to Rev. JONES and on his commission: (u)

BQ 89-495

LEE INGRAM
SHARON AMOS
PAULA ADAMS
DEBBY TOUCHETTE
TERRY BUFORD
MIKE PROKES
TIM CARTER

Of the above individuals, she further advised that LEE INGRAM was the coach of the basketball team and PAULA ADAMS did public relations work for the PT in Georgetown. She stated she believed PAULA was very close with the Georgetown officials. (u)

[redacted] advised the following people were members of the Jonestown Security Patrol: (u)

b6
b7C

STEVE JONES
TIM JONES
JOHNNY COBB JONES
CALVIN DOUGLAS
CHARLES MARSHALL
JOE WILSON
BOB KIZE
BONNIE SIMON

Of the above, she stated STEVE and TIM JONES, along with JOHNNY COBB JONES and CALVIN DOUGLAS, were the elite members of the group as they were the closest members to the Reverend and were usually with him wherever he went. She advised they also carried weapons at the White Night meetings, but she never saw them practice with them. She stated these weapons were either rifles or shotguns; however, she didn't know how the weapons got to Jonestown. She explained that a White Night was when an announcement was shouted over the PA system that everyone should immediately get to the Pavilion. You had to stop what you were doing and get there as fast as possible. At these meetings, the Reverend

(u)

BQ 89-495

would talk to us sometimes lasting all night. He would warn us that the United States (US) Government might try to come to Jonestown and arrest some of us. He told us if anyone tried to take someone out of Jonestown, they would have to deal with all of us. He would also ask us if we were afraid to die and how would we like to die and that we should always be prepared to die. She stated when asked if she was afraid to die, she would say no because she was afraid to go against the Reverend again. If you said yes, he would call you up to the front of the group and ask you why. She stated at one of these meetings, the group practiced a suicide drill, although she was not there for this. At these White Nights, the security force walked around with weapons. She stated these weapons were kept in Cottage 14, where JOHNNY COBB, TIM JONES and CALVIN DOUGLAS resided. Besides the shotguns, [redacted] advised they also used bows and arrows for weapons. (u)

She advised that although they had weapons in Jonestown, she was not aware of any threats made by Rev. JONES to murder any officials of another government. The only people she thought Rev. JONES would have killed were people who defected from the PT. Rev. JONES felt that you should remain loyal to him and the PT, and he didn't want any defectors. (u)

[redacted] advised the only visitors to Jonestown besides Congressman RYAN that she saw were two Soviet males. She stated this was about three months ago. The Soviets spoke to the group and advised us they were proud of the work we were doing and were proud to be friends of the PT. The reason she remembers the Soviets is because after they came to visit, Rev. JONES wanted everyone to learn to speak Russian. Rev. JONES told us if we ever left Jonestown, we would relocate in Russia and that is why we should be familiar with the language. DON JACKSON was the individual that taught us Russian. (u)

b6
b7c

BQ 89-495

[redacted] continued to state that Jonestown was a terrible place to live and she wanted to leave, but there was no way to get out. If you tried to escape and got caught, you were placed in the Extended Care Unit (ECU). This unit was headed by Doctor LARRY SCHACHT. In this unit, they would administer drugs to you continually and you would be in a daze for some period of time. The fear of the ECU would keep people from trying to escape. (u)

[redacted] advised she knew of no plan to assassinate Congressman RYAN by Rev. JONES. She stated that when Rev. JONES learned RYAN was coming to Jonestown, he advised all of us to be happy and friendly, but not to speak with RYAN. Rev. JONES didn't even want RYAN to come to Jonestown; however, after speaking with MARK LANE, Rev. JONES consented to let him visit. On the Friday night that RYAN was coming, Rev. JONES gave us a half day of work and gave us all day Saturday off, which was very unusual. My family by this time, who were not pleased with life in Jonestown, thought Saturday would be a good time to plan an escape as security also had the day off. (u)

b6
b7c

On Friday evening, when RYAN arrived, the PT committee put on a mini production show for him. After the show, we went to bed so that we couldn't have any conversation with RYAN. RYAN stayed at Jonestown that night, but [redacted] believed his staff slept someplace else; however, Saturday morning, they were all back in Jonestown. As we were considering a possible escape from Jonestown, we did not know that my [redacted] (EDITH PARKS) had approached one of the men in RYAN'S party and told him that we all wanted to leave with them. This man then took [redacted] to see RYAN and JACKIE SPIER and relate her story to them. RYAN advised her to gather her family and meet him at the Pavilion. While EDITH found some members of the family, [redacted] advised JACKIE found her and [redacted] and advised us to immediately go to the Pavilion. Upon arriving at the Pavilion, we met Congressman RYAN and Rev. JONES. RYAN

(u)

advised Rev. JONES that we expressed interest in leaving and that he was going to take us. Rev. JONES said that would be fine, but before we left, he would like to speak with us. Rev. JONES told us he would like us to stay, but that we could go home next week. He was afraid if we left with RYAN, it would make him and the PT look bad and he didn't want that. [redacted] stated that [redacted] advised Rev. JONES that they wanted to leave today and now. Rev. JONES agreed with this and told us we were free to leave. He hugged us and advised we could come back any time we wanted. [redacted] advised now that it was decided we were leaving, we all went back to our cottages to get our belongings and then returned to the Pavilion. At the Pavilion, besides [redacted] were the BOGUES, MONICA BAGBY, VERN GOSLEY, HAROLD CORDELL and LARRY LAYTON. They were also leaving with us. As we were getting on the truck and saying goodbye, suddenly DON SLY approached RYAN and tried to stab him; however, this effort was stopped by MARK LANE and CHARLES GARY, who jumped on SLY. RYAN then stated farewell to Rev. JONES, advised he enjoyed his visit to Jonestown, and was pleased to have met him. RYAN got on the truck and we began our trip to Port Kaituma. As we were driving along, we heard cheering and clapping of hands coming from the Pavilion. As we arrived at the airstrip, the plane that was taking us to Georgetown had not as yet arrived. We all got off the truck and ED CRENSHAW drove away with the truck. Approximately 15 minutes went by before the plane landed; however, it was not large enough for all of us, so we had to wait for a second plane, which came in another 15 minutes. As the second plane was landing, [redacted] stated she noticed a tractor and a truck off a distance approaching the landing field. We were now starting to get on the plane. LARRY LAYTON, who was on the ride from Jonestown to Port Kaituma, kept saying how he was glad to get away from the Reverend and Jonestown; however, we all knew he was a close friend of Rev. JONES and couldn't understand why he was saying this. At the airstrip, we all kept telling RYAN that LAYTON

(u)

should not be trusted because he is loyal to Rev. JONES. and [redacted] She stated RYAN and his party were still on the ground outside the plane when she heard shots that came from the smaller plane. [redacted] advised they went across the river in the canoe where the Guyana Defense Force (GDF) was waiting for them. The soldiers asked me who I was and I told them. We stayed where we were for a night before going to Georgetown. In Georgetown, ORDELL RHOADES, who escaped the Jonestown suicide, told us that when the tractor and truck returned from the airport, they reported to Rev. JONES that everyone was dead. Rev. JONES explained to the group that RYAN and his friends weren't going anywhere. (u)

[redacted], member of the Peoples' Temple (PT), Jonestown, Guyana, was interviewed at John F. Kennedy International Airport (JFKIA), Hangar 17, Queens, New York (NY). [redacted] was advised of the identity of the interviewing Agent and of the nature of the interview. United States Secret Service (USSS) Agent [redacted] was also present during the interview. [redacted] provided the following information regarding the PT and the Jonestown facility: (u)

[redacted] first became associated with the PT in Willets, California, when she was approximately [redacted] years old. She joined the church at that time with her parents. At the beginning the church congregated at the Golden Rule Hall, in Willets, California, and then at various locations until the temple was built in Redwood Valley, California. In 1976, she went to the PT in San Francisco while her mother stayed at Redwood Valley and her father went to Jonestown. She then joined her family at Jonestown in August of 1977. (u)

While at Jonestown her jobs consisted mostly of [redacted] but occasionally she worked in [redacted]. She stated that both she and her parents were not happy with the situation at Jonestown and decided they would attempt to escape at the first given opportunity. They felt that they were prisoners and were actually afraid for their lives if Reverend JONES knew they were planning to leave. (u)

Approximately seven months ago [redacted] TOMMY BOGUE, and [redacted] tried to escape by running into the bush. They were subsequently caught and brought back to Jonestown where they were placed in leg irons. They were kept under armed guard and made to work extra hours. This was allegedly the beginning of the punishment known as Public Service. Public Service was extended work hours that individuals were made to perform for the infraction of any of the rules at Jonestown. People on Public Service in addition to working extra hours were also made to exercise and to run to their meals and various chores. Reverend JONES determined the length of time one was to serve on Public Service. (u)

[redacted] said that her family had turned over to the PT all their money and property prior to going to Jonestown. After (u)

arriving there they realized that they had made a mistake. She said that the living conditions were terrible, the food was not ample, and all the mail was censored. The entire [redacted] family have no intentions of remaining affiliated with the PT. (u)

b6
b7C

[redacted] was then asked specific questions regarding the following underlined topics. Her responses are as follows (u)

Signed and Oral Oaths (u)

Approximately six years ago while at the PT in Redwood, California, she recalled Reverend JONES asking the church members to think of the worst possible thing that they could do that was against the law. He then asked them to write this down on paper in the form of a confession and that he would hold these documents to insure their loyalty to both him and the PT. She said she was very young at the time and does not recall whether she wrote a confession or not. She also recalled that while in San Francisco at every meeting of the PT (which was four or five times a week) everyone was made to sign a blank sheet of white paper. These were referred to as "meditation papers" and she believed these were used in the same fashion. She did not recall signing any papers since her arrival at Jonestown. (u)

Personal Bodyguards for JONES (u)

JONES had no specific bodyguards, however, there was certain trusted members of the Security Force that were constantly with him. JOHNNY JONES appeared to be his personal guard when in San Francisco, however, at Jonestown it seemed that different individuals took turns. There were always two armed guards outside JONES' house during the evening hours (u)

BQ 89-495

Drugs (u)

Did not have any knowledge of either the use or production of drugs at Jonestown. All drugs, both medicinal and agricultural, were maintained in one storage hut. Upon anyone's arrival at Jonestown they had to turn in all drugs, even aspirin, at this particular building. (u)

[redacted] worked in [redacted] almost the entire time she was at Jonestown and felt that she would know if narcotics were being grown in any quantity. (u)

Regarding the manufacturing of dolls, they were made by the senior citizens at the camp and were sold in Georgetown and an area called "up the river". (u)

The PT operated two boats, the smaller being called the "Cudgel" and the larger being the "Albatross". She did not have any knowledge as to the use of these boats other than routine transporting of supplies and people to Jonestown. She recalled JONES saying at a meeting once, never to admit that we owned the "Albatross". He did not want the officials of the Guyana government to know. (u)

b6
b7c

Soviet or Cuban Association (u)

Two or three Soviet officials visited Jonestown approximately two months ago. No names were recalled, however, one was believed to be a doctor who came to give JONES a physical. She did not recall them addressing the members of the PT but related that at that time she was working late in the [redacted] and did not make all the meetings. (u)

JONES often mentioned that if all went well at Jonestown they would eventually move the community to the Soviet Union. No one took these statements seriously. (u)

BQ 89-495

Weapons (u)

Weapons were carried by certain members of the Security Force at Jonestown. She does not recall seeing any handguns, but said they had quite a few rifles. She could not give an exact number, but estimated 20 or 30. The PT was also in possession of approximately 20 long and cross bows. TOM GRUBBS instructed the people as to their use. When called on alert to guard the camp many of the people were issued knives along with the above mentioned weapons (u)

She often saw STEVEN JONES and MIKE TOUCHETTE by the piggery carrying long rifles with scopes. She recalled Reverend JONES saying that STEVEN kept weapons at his house. She related that STEVEN JONES made a statement to the press in Guyana that no weapons were kept at Jonestown. (u)

Hut 14 was where the heads of the Security Force resided. She often saw weapons going in and out of the building, but did not know if they were stored there. She had no knowledge of how the weapons were shipped to Jonestown. She also had no knowledge of any nuclear device, however, she believed that PAULINE GROOT could possibly make a bomb. She heard that GROOT worked with Dr. SCHACHT on such a bomb that would be used against the soldiers of Guyana if they should ever attack Jonestown. She was not aware of any weapons training at Jonestown except occasionally with the bow and arrow (u)

In the temple at San Francisco people were told that certain security guards carried guns in their attache cases, however, she never observed these weapons. There was a 24-hour Security Force at the temple in San Francisco. (u)

Dr. LAWRENCE SCHACHT (u)

Reverend JONES paid for the education of LAWRENCE SCHACHT. She did not know SCHACHT very well, but she did note (u)

BQ 89-495

an extreme change in his manner after being at Jonestown. He often walked around talking to himself. He was constantly shaking and appeared to be a sick individual. He was not very well liked by the people of Jonestown. She understood that Reverend JONES told both Dr. SCHACHT and GEORGE TOUCHETTE to prepare the poison the Saturday of the mass suicide. Approximately one month prior to the suicides DALE PARKS, while unloading supplies from the boats, observed several cases of cyanide. He called the agronomists to find out if they ordered it as some form of insecticide, however, no one had knowledge as to who requisitioned it. The cyanide was then placed in a storage hut with other chemical supplies and was not seen again. (u)

Contingency Plans, Assassination Plans, Hit List (u)

Not aware of any of the above. She said only the individuals that were very close to JONES would be knowledgeable of any such plans. She emphasized that although she has been associated with the PT for a long period of time, her jobs were menial in nature and she would not be privy to such information. She felt there may be a chosen few within the organization that would have possibly been assigned to kill certain defectors of the church such as the STOENS, MURTLIS, DEBBIE BLAKELY and others, but does not know who they would be. She did not have any knowledge regarding any plans for murdering public officials. (u)

Criminal Offenses (u)

No specific knowledge of any individual member of the PT that is a fugitive from justice. She recalls though at different meetings Reverend JONES would single out an individual and tell the congregation that that person was wanted by the police and that he was saving him by keeping him within the PT. (u)

Radio Operation (u)

Had no knowledge of codes or operating procedures of radio at Jonestown. She provided the following names as known (u)

BQ 89-495

radio operators: (u)

- 1) TERRY CARTER
- 2) SANDY JONES
- 3) HARRIET TROOP
- 4) CAROLINE LAYTON
- 5) KAREN LAYTON
- 6) The CARTERS
- 7) MIKE PROKES
- 8) MARYANNE CASSANOVA
- 9) SHARON AMOS
- 10) MARIA KATSARIS
- 11) PAULA ADAMS

MARYANNE CASSANOVA is believed to be the only one still alive that would have knowledge of codes. (u)

MARK LANE, CHARLES GEARY (u)

No knowledge of above individuals except that they are both attorneys for the PT. LANE was observed at Jonestown on two occasions while GEARY was there more often. (u)

White Nights, Alphas (u)

These were meetings called by JONES when he had a special message he wished to convey to the members. He usually called these when something was bothering him or when someone tried to escape. They often discussed at these meetings how if anything went wrong at Jonestown, they would take their lives. Everyone was required to attend. (u)

[redacted] recalls that the first White Night or alert was called September 9, 1977. She recalls the date because the incident had such impact in her and she thought for the first time that she may actually die. (u)

b6
b7c

BQ 89-495 .

At this alert everyone was called into Jonestown. They were told people were coming to invade the camp. Everyone was armed either with weapons, knives, sticks or bows and arrows. They were then taken to surround the perimeter of the camp. It was then that she actually realized that she was to give up her life. They were also instructed that if anyone saw another member trying to leave his or her position they were to kill them. (u)

At another alert approximately six months ago an actual suicide ritual was practiced. DEBBIE BLAKELY had defected from the PT, this upset JONES quite a bit. He called an alert and asked everyone to drink flavor aide that allegedly contained poison. After drinking the potion they were told to go outside to sit down and die. Several people refused to drink the flavor aide, however, JONES engaged them in a long debate and eventually everyone yielded. (u)

A White Night was called at approximately 3:00 PM the afternoon before Congressman RYAN was killed. Everyone was called to the Pavillion. [redacted] did not arrive until the meeting was just ending. She was instructed to go home and get dressed and return at 5:00 PM. Everyone was drilled as to the proper responses they were to give if questioned by RYAN or his party. She did not go back to the Pavillion at 5:00 PM; she went to the senior citizens building and visited friends. (u) b6 b7C

Bribery or Influence of Officials (u)

Would not have access to such information. Recalled that while in San Francisco she would do door-to-door canvassing at election time for certain officials. This was directed by JONES who gave the names of the officials they were to back. She does not recall specific candidates other than President CARTER and MARSCONI. (u)

BQ 89-495

Security Force, Angels (u)

Not familiar with the term "Angels". There are two or three Security Forces within the PT. Two were responsible for guarding the settlement and the other responsible for internal security of the organization. With reference to internal security, JONES would plant certain individuals among the workers, trying to gain their confidence, and ask such questions testing their loyalty or to see if they were planning an escape. As a member of the PT you were responsible to write up anyone who you thought might be disloyal or knew anything about escape. Therefore, no one could trust each other, for the identities of the internal force were not known. JONES constantly stressed the importance of this write up for he said the Central Intelligence Agency (CIA) and the Federal Bureau of Investigation (FBI) had infiltrated the membership. These write ups were submitted to RITA TUPPER, EVA JONES, ROCHELLE HOCHMAN and MARIA KATSARES. (u) X

The other two security factions consisted of the trusted heads of Security and the Regular Security force. (u)

The security heads were responsible for issuing weapons and scheduling the security watch. The security heads are listed as follows: JIMMY JONES, TIM JONES (DAY), JOHNNY COBB JONES, CALVIN DOUGLAS, JOE WILSON and BOB KICE. (u)

The regular security force consisted of TIM JONES (NIGHT), CLEVELAND NEWELL, PANCHO (GARY) JOHNSON, CARDELL NEAL, DANNY MARSHALL, TEDDY MC MURRAY, TOM KICE, RONNIE JAMES, JIM MC ELVANE. There are other security members who she can not recall at this time as well as people who were field workers or mechanics that were called upon to perform security duty on a regular basis. (u)

BQ 89-495

Planning Commission (PC) (u)

The PC consisted of the most trusted members of the PT. These were the people who shaped the policies and programs that ran the PT. The final word for policy was always JONES', however, these people had a lot of influence in the initial forming of these policies. She believes the following are members of the PC who are still alive: CHARLIE TOUCHETTE, DEBBIE TOUCHETTE, PAULA ADAMS, LEE INGRAM, STEVEN JONES, SANDY BRADSHAW, TERRY BUFORD, CHRIS KICE, KATHY TROOP, TIM CLANCY, DEBBIE EVANS, VERA YOUNG. (u)

Extensive Care Unit (ECU) (u)

This was a part of the hospital at Jonestown where those who attempted to run away from the settlement were brought. There also was a period when several people tried to commit suicide rather than stay at Jonestown, these people also went to ECU. (u)

At ECU the people were kept under constant guard and were heavily sedated. They were not allowed out of ECU except to take an occasional shower. (u)

Individuals that she knew that had been committed to ECU are: (u)

PATSY JOHNSON
RICKY JOHNSON
(First Name Unknown) (FNU) COSTELLO
AQUENTTA ROBERTS
GARY NORWOOD
KEITH GUY

PAULA ADAMS (u)

ADAMS was a close and trusted worker of Reverend JONES who remained in Georgetown the majority of the time. Her (u)

BQ 89-495

main function was that of public relations. She often hosted parties for officials of the Guyana government. She was dating a particular Guyanese official for about five years, however, [] does not recall his name or position. She related that ADAMS had to be extremely trusted by JONES because it was forbidden for any member of the PT to associate or date an outsider. She has no specific knowledge of sexual blackmail on the part of ADAMS or JONES (u)

b6
b7c

Assassination of Congressman RYAN (u)

The BOGUE family had planned to escape several months prior to the arrival of Congressman RYAN. They had hidden some of their belongings in the bush in anticipation of such an escape. They had heard a rumor the night before the mass suicides that RYAN would not be leaving Guyana alive. The source of this rumor was DONNA PARKS, a laundry worker who died at Jonestown. The BOGUES were planning their escape with the SIMONS and the PARKS. They met the Friday before and the morning of RYAN's death and decided this would be the day to go. (u)

The BOGUES and the SIMONS met at the sawmill at Jonestown to plan their escape, however, someone had discovered their luggage hidden in the bush and they were made to go back into the town proper. It was then that they decided to tell Congressman RYAN that they wanted to leave with him. RYAN made them sign statements to the effect that they wished to leave and also took an oral statement, on tape, as to the same. (u)

The BOGUES were then told to get on a truck along with the PARKS family, MONICA BAGBY, VERN GOSNEY, LARRY LAYTON, WESLEY BRIDENBACK, JIM COBB, a group of concerned relatives, the press and RYAN's aide. ED CRENSHAW was the driver. (u)

At one point while they were waiting to leave STANLEY GIEG got into the truck and drove it into a pocket of mud. A short time later the truck was pulled out and they started to leave. As they were leaving they heard screams from the Pavillion (u)

BQ 89-495

area. They stopped the truck and returned and picked up Congressman RYAN. They had determined that DON SLY had tried to stab the Congressman at that time. The defectors (BOGUES and PARKS) tried to warn RYAN's entourage that there would be further trouble and that it was wrong for LARRY LAYTON to be with them. They were then told that they were alarmists and that everything would be all right. As the truck approached the front entrance of Jonestown it was stopped. JOE WILSON got aboard, checked out the truck and remained for the rest of the ride to the airport. (u)

At the airport as RYAN was conducting a brief press conference [redacted] spoke to LAYTON and asked him why he was leaving. He responded that his mother had recently died and he wanted to leave. She did not believe him. As LAYTON walked across the field to a smaller airplane she saw JOE WILSON pass LAYTON a handgun. [redacted] told RYAN what she saw and RYAN assured her he would have everyone searched. (u)

She then saw STANLEY GIEG driving a tractor toward the airstrip. They knew trouble was coming so they started boarding the large airplane. RYAN and the press remained on the airstrip. She stated to hear popping noises and saw the windows on the airplane shatter, she immediately ducked to the floor. She looked toward the rear of the airplane and saw PATTY PARKS shot in the head. She briefly looked out the window from a crouched position and saw the heads of BOB KICE, TOM KICE and she thinks JOE WILSON on a tractor adjacent to the airplane. The shooting continued for about five minutes. TEENA and TOMMY BOGUE managed to shut the door of the airplane. (u)

b6
b7c

After the shooting stopped the survivors on the airplane decided they would make a run for the bush. They were fearful that others would return and kill them all. When the door was opened several of them ran straight into the jungle. [redacted] saw a wounded newsman lying by the airplane. She attempted to help him and convince him to hide in the bush. At this time the (u)

BQ 89-495

the situation appeared to have calmed down and she saw the other bodies lying on the airfield. She saw Congressman RYAN's body on the ground and observed he had been shot in the face. She helped collect the bodies and put them in a shack at the airfield. She remained at Port Kaituma at the Rum Shop overnight and Sunday she was taken to Georgetown in the custody of the Guyana police. (u)

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 12/28/78

[redacted] member of the Peoples Temple (PT), Jonestown, Guyana, was interviewed at John F. Kennedy International Airport (JFKIA), Hangar 17, Queens, New York (NY). [redacted] was advised of the official identities of the interviewing agents and the nature of the interview. United States Secret Service Agent [redacted] was also present during the interview. [redacted] provided the following information regarding the PT and the Jonestown facility: (u)

[redacted] advised that he first heard about Rev. JONES in about February of 1968, while he [redacted] was attending [redacted] in Ukiah, California. b6 b7C

JONES at the time was preaching about humanitarian work and how they were helping vast amounts of people in California. He stated that he and his family had just broken away from the Mormon church and the humanitarian work appealed to both he and his wife, [redacted]. They then started to attend some of the meetings the Rev. JONES held and they joined the PT. He advised that he was doing well financially at the time, operating [redacted]

He was also doing some [redacted] work on the side. (u)

He advised that there was no initiation rites involved in joining the PT, but soon after joining the PT, they were asked, by JONES, to take into their home other members of the PT, which they complied with. The PT also asked for 15 percent of their wages, which soon graduated to 25 percent. After approximately two or three months in the PT, he became disenchanted with them and discussed leaving the PT with his wife. During his brief involvement with the PT, his wife, [redacted] became very involved with their work and admired JONES. When he told his wife about his plans on leaving the PT, his wife became enraged and asked for a divorce. Rev. JONES immediately became involved and took the side of his wife and JONES became (u)

unavailable for him to consult. Because of Rev. JONES' position he (JONES) was able to come into contact with many influential people, which could cause him [redacted] to lose the divorce proceedings and eventual possession of the kids. Faced with the realization of living without his kids, he decided to rejoin the PT. (u)

In the later part of 1968, Rev. JONES started to build a church in Redwood Valley, which was to be the eventual site of the PT. The building of the church was finally completed in 1970. One of his duties with the PT was [redacted]. The buses were used to transport members of the PT from their homes to the Valley. He stated that he had volunteered for the job, because he would then have a legitimate excuse to miss the daily meetings of the PT. Because of his involvement with the PT, he had a falling out with his father, with the split up of their business being the final outcome. (u)

b6
b7c

It was in about 1970 that his wife, [redacted] was put in charge of [redacted] by Rev. JONES. JONES explained that he did not trust [redacted] and wanted someone to watch over him. This made him [redacted] even more disgusted with JONES, because [redacted] oftentimes would have to spend the whole night watching [redacted] was [redacted] for the Masonite Company. (u)

Some time in 1971, he went to work for the Masonite Company, but had to have the approval of the PT before making such a change. He stated that JONES most probably got him the job with Masonite, just as he had gotten the other 50 or so members of the PT jobs there. He stated he does not know who owned the company, but whoever did, must have been connected with the PT. JONES was always preaching about the new (u)

frontier (Guyana) and in about February, 1974, JONES announced that the first settlers would be leaving for Guyana. He stated that the announcement was made at one of the meetings and JONES asked for a volunteer to supervise the move. CHARLES TOUCHETTE volunteered for the job and was immediately approved by JONES and the other PT members. JONES approached him [redacted] and asked whether he would like to go to Guyana as part of the initial settlers. The idea of starting a new town appealed to him and since his wife, [redacted] was now involved with [redacted] it seemed a logical choice. He got the impression from JONES that his family would most likely be down to Guyana within a year or so. He then drove one of the PT's buses from California to Miami, where he took a shrimp boat from Miami to Guyana. He stated the name of the boat was the "Cudjo" and a total of 16 people went. Included in the group was CHARLES and JOYCE TOUCHETTE and their children MICHAEL, ALBERT, and MICHELLE, JERRY LIVINGSTON, CHUCK BEIKMAN, ARCHIE IJAMES and his wife, TIM SWEENY, and JACK BARON. He stated that he does not recall the rest of the people that made the trip. Upon arriving in Guyana, they were greeted by GENE CHAYKIN, who was a counselor for the PT and PAULA ADAMS, who was the financial manager. (u)

b6
b7C

JOYCE TOUCHETTE took charge of the assigning of jobs, along with overseeing all of the PT members in Guyana. CHARLES TOUCHETTE was busy with procuring supplies and equipment, which took up most of his time. He stated he was put in charge of [redacted] and with the help of Guyana natives attempted to set up a suitable crop. There were many rules in Guyana, one of which was never to criticize the settlement when writing back to the States and all letters being sent back to the States were to be read and mailed by JOYCE TOUCHETTE. He stated he wrote daily to his children, (u)

BQ 89-495

but none of the letters were ever sent and in over the two or so years he was in Guyana before his children arrived, he only received about six or so letters from them. He stated that his kids wrote daily, but he never received their letters. Upon arriving in Guyana, JOYCE TOUCHETTE took all of their passports for so called safekeeping. (u)

The amount of the settlement increased daily and by late 1974, there was about 50 or so members who moved into the Jonestown settlement. TIM SWEENEY, who was the brother of JOYCE TOUCHETTE and CHARLES TOUCHETTE made sure that everyone did their work. They accomplished this by instilling fear in everyone's mind and if that did not work, by the use of force. In late 1976, Rev. JONES arrived at Jonestown and by January, 1977, there were approximately 500 people in the development. His wife arrived in 1977 with [redacted] and JONES called him aside and said that he (JONES) was going to give him another wife. He stated that JONES performed the ceremony and [redacted] became his wife and he had nothing to say about it. He stated that this was done to appease him on his former wife's relationship with [redacted]. During his stay in Jonestown, his duties changed from [redacted] [redacted] and lastly to [redacted]. About six months ago, it looked like the crop was not going to make it and the rules became more rigid and the meetings became more frequent. (u)

When questioned about whether having made any oral or written statements while in the PT, he stated that JONES oftentimes would request that at the end of meetings that everyone draft up a written confession admitting (u)

b6
b7C

BQ 89-495

guilt in some sort of criminal offense. He stated that JONES would request that the members fabricate some sort of story concerning a murder or rape or something to that degree and sign their name to it. He stated that these statements were collected at the end of each meeting by JONES and most probably held for use if and when someone decided to leave the PT. Most of this was done during their stay in California. (u)

When questioned about political ties that JONES might have had, he stated that JONES demanded that PT members send postcards and make telephone calls to various politicians in order to influence them in legislation favorable to the PT. As regards to DI MALLEY, he stated that DI MALLEY came to Jonestown once and was greeted by Rev. JONES in a very friendly manner. He stated that he believed that DI MALLEY and JONES were friendly for a long period of time. (u)

When asked to comment about other specific areas, his replies to them are broken down according to captioned topics: (u)

Security (u)

JONES was very afraid that people were trying to kill him and consequently surrounded himself with the most trustworthy members of the PT. His sons, STEVE and JIMMY, along with LEE INGRAM, MIKE TOUCHETTE, and JOHN BROWN JONES comprised his personal bodyguards. Due to JONES' belief about possible assassination, these men from time to time had to wear weapons. (u)

Besides the bodyguards, there was also the security force, whose duty it was to make sure no assassins came into the PT and to administer punishment to violators of the rules. There were approximately 50 or so people on the force. The basketball team was the top security force led by their coach, LEE INGRAM. Other members of the team were STEVE JONES, MIKE TOUCHETTE, CALVIN DOUGLAS, JOHNNY COBB, PRESTON WADE, JIM JONES, JR., First Name Unknown (FNU) SMITH, HAROLD CORDELL's nephew, (FNU) CORDELL, TIM JONES, TIM TUPPER JONES, and CLEVELAND NEWELL. The security force stayed in Hut C-14, which also served as the weapon storage hut. The term "Angels" was unfamiliar to him. (u)

Planning Commission (u)

There was a planning commission for each area of the Jonestown settlement, which took care of planning strategy concerning all operations. They were comprised of the most trustworthy of the members of the church and operated in total secrecy. (u)

Inside the commission were the leaders of the planning commission called the Triumpherate, comprised of five people: CHARLES TOUCHETTE, JOHNNY JONES, HARRIET RANDOLPH, LEE INGRAM, and TERRY BUFORD. (u)

Weapons (u)

He stated that he heard that the PT had 100 or so weapons consisting of shotguns, rifles, and automatics. JONES referred to the weapon as the bible and would oftentimes tell the members to bring their bibles to the meeting. JIM JONES, JR. and TIM JONES were responsible for the handling of all weapons. (u)

Oftentimes members were brought out into the fields to practice target shooting, with STEVE JONES doing the instructing. There was never any kind of maneuvers or training in that area done to his knowledge in Guyana. (u)

About two years ago, Rev. JONES boasted about how the PT stole a bomb, but did not have a activating device to it. JONES gave the impression that the bomb was in the United States somewhere, but he [redacted] doubts whether there is any bomb at all. He stated that it was a story dreamed up by JONES to give the members the impression of how powerful he (JONES) was. (u)

Ryan's Visit (u)

JONES was afraid of RYAN and what RYAN might do to the PT. He had heard some talk about Jonestown that RYAN would never make Jonestown and that SHARON AMOS was going to Georgetown to make sure that RYAN never made it. He stated that SHARON AMOS was a trusted follower of JONES and would do just about anything that JONES requested. AMOS went to Georgetown with the instructions to accompany RYAN on his flight from Georgetown to Jonestown. She was reportedly to shoot the pilot of the plane while in flight which would cause the plane to crash, killing both herself and RYAN. The plan failed when the Georgetown authorities refused to allow AMOS to board the plane with RYAN. On Friday afternoon, the afternoon before RYAN 's arrival, a "white night" was called. A "white night" or "alpha" as it was sometimes called, meant crisis, and everyone was required to come running to the pavilion. MARCY JONES, Rev. JONES' wife instructed everyone to go home and clean up because RYAN was coming. That night, a big show was put on for RYAN at the pavilion with all members present. (u)

Prior to RYAN's visit, he stated that he along with his children, TINA, JUANITA, and TOM and the SIMON family were planning an escape for two months. He stated that there were approximately 21 people in the group who were planning on escaping through the bush. It was decided that on the morning of RYAN's departure, they would all meet by the saw mill and make their escape. He stated that SIMON was an Indian and that he (SIMON) was able to lead them through the bush to Venezuela. On the morning of their planned escape, EDITH and HAROLD CORDELL came forward and asked to accompany them. He stated that due to the confusion surrounding RYAN's visit, they hoped they could make their escape without being noticed. He stated that he did not believe that JONES was going to allow anyone to leave with RYAN, so they made their own plans. (u)

Come Saturday morning, they all met by the saw mill except for one of SIMON's sons. Mr. SIMON stated he wanted to return to the settlement and look for his son. They agreed that if SIMON did not return in 20 minutes, that they should leave without him. Time passed and SIMON did not return, they all agreed that they could not make it through the bush without SIMON, so they all returned to the pavilion to accept the punishment for trying to escape. By the time they returned to the pavilion, a disturbance had just ended. It seemed that DON SLY tried to kill RYAN by slitting his throat. By this time, RYAN had made his announcement that anyone wishing to accompany him would be free to go. Rev. JONES stated that anyone wishing to go could leave and he (JONES) thanked them for helping in Jonestown. He stated that besides his family, the PARKS family came forward and asked to accompany RYAN. MONICA BAGBY (phonetic) and VERN GASBY (phonetic) also asked to leave. (u)

A truck was brought around and Ryan asked that everyone wishing to go to get on the truck. Just as they were about to leave the pavilion, LARRY LAYTON came forward and asked to go also. Everyone advised RAYN to watch LAYTON because he was known as one of JONES' undercover guys and would do just about anything JONES said. EDDY CRENSHAW, also known as "Big Ed", was the driver of the truck. While en route to the airfield, one of the newsmen asked to stop the truck, so he could take pictures. He stated that they all urged the newsmen to keep going as time was important because they did not know what JONES was planning. LAYTON was instructed to get on the small plane, while everyone else was busy getting on the large plane. He stated that RYAN and a few of his team were planning on staying in Guyana because of the limited space on the planes. He stated he was about to be seated on the plane, when he saw the tractor coming up to the airstrip. On the truck was TOM KICE and his brother, JOE WILSON, ALBERT TOUCHETTE, RONNIE JONES, EARNEST JONES, and STANLEY GIEGE (phonetic), who was driving the tractor. He stated he recalls TOM KICE being one of the first off the truck and he was carrying a weapon. He stated he does not recall if the rest of the guys coming off the truck had weapons or not. From where he was seated on the plane, his view was obstructed by one of the plane's wings, but he does recall TOM KICE firing his gun because he saw KICE kill PATTY PARKS, who was getting on the plane. At the time the shooting started, RYAN was by the back door of the plane as was PATTY PARKS, so it could have been TOM KICE who shot RYAN. As soon as the shooting started, he stated that he dove to the floor of the plane, but he could hear several guns being fired. TINA and TOM somehow managed to get to the door and lock it from the inside, which in all probability saved their lives because no one could open the door from the outside. The shooting ended in about two minutes and the

(21)

tractor left. He stated when all was quiet, they opened the door and left the plane. They found one of RYAN's aides (a female) all shot up underneath the plane and carried her to the bush, where they all hid till nightfall. When nightfall came, they carried the survivors to the Guyanese tent at the end of the runway where they spent the night. (u)

Soviet Relationship (u)

A few months ago, JONES told everyone at one of the night meetings that he (JONES) was thinking of moving Jonestown to Russia and that they were going to have visitors from Russia. He stated he recalled this because JONES tried to learn to speak Russian a few days prior to the Russians arrival. He stated that two men came and spoke with accents, possibly from Russia and JONES introduced the two men as his visitors from Russia. The two men stayed a few days and departed, but not before addressing everyone and praising JONES and Jonestown (u)

Enemies, Relocation Plans, Hit List (u)

JONES often stated that there were people trying to destroy the PT and that these people must be taken care of. On several occasions, JONES mentioned TIM STONE and how TIM STONE was hiring mercenaries back in the States in order to kidnap his (STONE's) son. JONES stated that he had fathered STONE's son and that the son was a member of the PT. JONES went so far as to say that both STONE and his wife must be killed before STONE can send down the mercenaries. Besides STONE there was no other mention of anyone targeted to be killed, but anyone that tried to destroy the PT would be taken care of. JONES went so far as to say that anyone

(u)

BQ 89-495

who was critical of the PT would be dealt with, implying that there were people back in the States who would kill someone if need be. (u)

As far as any of the surviving members carrying out any assassinations, he commented that it could be possible, but that it would be done by working underground and not as the PT. (u)

He stated that he heard that there was a guy back in the States who would take care of any of JONES' enemies, possibly a hit man. He heard that the hit man had come down to Guyana and that the hit man could have possibly been JIM MAC ELVANE. As far as any hit list was concerned, there was none to his knowledge. (u)

Suicides, Dr. SCHACHT, PAULA ADAMS (u)

JONES seemed to constantly talk about suicide at their meetings over the last couple of months. JONES even went as far as having mock suicides with certain people even pretending to actually die at the rehearsals. AT these rehearsals, everyone would have to take the poison, which was prepared by Dr. SCHACT and his team. (u)

Dr. SCHACHT could be described as an inept doctor and a personal friend of JONES. As far as he knew, SCHACHT never was a licensed doctor, but had completed the necessary schooling. SCHACHT spent most of his time training assistants in Jonestown. (u)

PAULA ADAMS was described as the public relations expert for the PT. He stated that she was young and beautiful and stayed in Georgetown. Her duty was to compromise the Guyana officials by any means she saw fit. (u)

BQ 89-495

Radio Operations, United States Fugitives,
LANE's Activities (u)

To the best of his knowledge, the radio was used principally to communicate with the rest of the PT members in San Francisco. There were no special codes used, with MIKE and TIM CARTER being in charge of the radio. No other businesses were conducted by the PT to the best of his knowledge, but he does not rule out the fact that there could be some run without his knowledge. (u)

There was never any mention of fugitives living in Jonestown to escape the law in the United States. However he had heard that JIM MAC ELVANE might have been in some kind of trouble relating to drugs. Further, that might have been the reason why MAC ELVANE eventually came to Jonestown. There was never any mention of drugs or the taking of drugs in Jonestown, but after the incident he heard that JONES had been taking drugs for some time. (u)

Mr. LANE and Mr. GEARY were both close friends of JONES besides being the PT's attorneys. He stated that he thought that LANE arrived with the RYAN party, but could not be certain. He also heard that when the suicides started, that JONES instructed one of his security men, PANCHO, to take LANE and GEARY to the bush and kill them both. Instead PANCHO took them to the bush and let them go. Both LANE and GEARY were at the pavilion when he left for the plane with RYAN. (u)

[redacted] was met at Pan American Hangar 17, John F. Kennedy International Airport (JFKIA). She was advised of the identities of the interviewing Special Agents (SAs) [redacted] and [redacted] United States Secret Service, and of the nature of the inquiry. At this time, she advised that a member of their group, one [redacted] had made arrangements for an Attorney, JOSEPH BLATCHFORD, to be on hand at JFKIA and that she would be willing to be interviewed only after being advised to do so by the attorney. (u)

[redacted] entered the area where [redacted] was located and advised her that he had met with Attorney BLATCHFORD and that BLATCHFORD advised that he and the others be fully cooperative in answering all questions asked by law enforcement officials. At this point, Supervisory SA [redacted], Federal Bureau of Investigation (FBI), advised [redacted] that if she still desired to talk with the attorney, he would take her to where the attorney was located. [redacted] declined and advised that she was now willing to be interviewed and would be fully cooperative. [redacted] hereafter provided the following information: (u)

She first became aware of the Reverend JIM JONES while living in Redwood Valley, California, in February of 1968. Her husband [redacted] had attended some of JONES' services and was impressed with his Church. (u)

Later in 1968, [redacted] joined Reverend JONES' Church. At the time they joined the Church, the [redacted] in Redwood Valley, California. Although a member of the Church, [redacted] retained ownership of this home until 1976, when it was deeded to the Church. In 1976, [redacted] went to Guyana to help in the early development at Jonestown. Also in 1976, [redacted] went to Guyana with Reverend JONES. (u)

It was not until July of 1977, that [redacted] decided to go to Jonestown. Prior to her departure from [redacted] (u)

the United States of America (USA), she was shown on several occasions photo slides of Jonestown and was told by other members of the Peoples Temple (PT) that it was like heaven on earth. Living conditions were described as being excellent and every family was said to have their own cottage. [redacted] was still reluctant to go to Jonestown. At the time she was [redacted] and most of them desired to go to Jonestown. They were unable to go without her agreeing to accompany them. She finally agreed to go to Jonestown in July of 1977. (u)

Upon arrival in Jonestown, she discovered that she had been misled as to the living conditions in Jonestown. Families did not live together, but were separated, as she lived in a cottage with 14 other adults. (u)

Although she was married to [redacted] she received permission from Reverend JONES to live with [redacted] (u)

[redacted] worked as a [redacted] at Jonestown. The regular working day consisted of eleven or more hours of work and then usually a meeting in the evening. Food consisted of rice and gravy, sometimes soup and almost never any type of meat. (u)

After arriving at Jonestown, she was convinced that the only way out of there was death. Reverend JONES often told them that the roads to Jonestown were all one way leading in. The only time she spent away from Jonestown was approximately six weeks approximately six months ago. She was assigned to be a driver in Georgetown for a group of visitors. During this entire six week period, she was not allowed to talk to anyone in the visiting party. Also during the entire time she was in Georgetown nobody in her family was allowed out of Jonestown. (u)

It was standard procedure in Jonestown that when a husband left Jonestown, his wife would not be allowed out. In rare cases, when a husband and wife were allowed out together, their children would be held at Jonestown. (u)

BQ 89-495

She advised that regarding any written oaths made by members of the PT that she must have signed hundreds and hundreds of blank pieces of paper while at the PT in San Francisco, and in Jonestown. Members, including herself, were also required to sign confessions admitting that they molested their own children, to having committed murders and other crimes. This was done as a test of loyalty to the Reverend JONES. (u)

Reverend JONES had body guards that were armed. They included TIM JONES, JIMMY JONES, CALVIN DOUGLAS, JOE WILSON, and JOHNNY COBB. (u)

There was a security force at Jonestown and it was used for internal policing. Reverend JONES first claimed that the security force was for defensive reasons, to defend the camp from the Guyana Government forces. He later claimed that the security force was to guard the camp against an invasion from Venezuela. (u)

In reality, the security force was used to prevent escapes from Jonestown and to enforce Reverend JONES' rigid standard of discipline. All during the night security guards patrolled the perimeter of the camp. These guards carried weapons. They carried shotguns and they carried rifles with scopes. These weapons were in clear view and no attempt was made to conceal them from the view of camp residents. Many were equipped with straps and carried on the backs of the guards. In addition to patrolling the perimeter of the camp, the security forces also made bed checks during the night. The security forces had informers among the ranks of the PT and it was not uncommon for one's own family member or spouse to turn one in to security. (u)

The following people were considered to be members of the security force by (u)

She could provide no information regarding members of the PT who are fugitives from justice in the USA. (u)

During the latter part of September of 1978, a Soviet official visited Jonestown. She believes this official's name was TIM OPHEA (phonetic) [redacted] spelling). (u)

BQ 89-495

She has no specific knowledge as to how weapons were shipped to Jonestown. They were specifically told that the guns were there legally to protect the camp from invaders. These guns were used by security and she would estimate that there were between 50-100 guns at Jonestown. (u)

Although she never witnessed any firearms training either in San Francisco or in Jonestown, while at Jonestown, she often heard shots. STEVEN JONES was known to be an excellent marksman and considered the weapons expert at Jonestown. He personally had charge of cleaning the weapons. (u)

[redacted] heard the term "Contingency Plan" used when Reverend JONES was talking about the MYRTLES or the STONES or other defectors from the PT. Reverend JONES openly advocated the killing of anyone who he considered to harm his Church. By this, she understood he meant defectors or anyone who would even talk against the PT. (u)

Although she never knew if any specific official targeted for murder, Reverend JONES often went into a tirade when talking about former President RICHARD NIXON. Reverend JONES also frequently went into a tirade against Senator JOHN STENNIS. (u)

[redacted] participated in three suicide rehearsals while a member of the PT, specifically recalling the year or circumstances. While residing at Jonestown, she participated in two suicide drills. The first one in Jonestown was a result of the threat that the parents of JOHN STONE were coming to get him. (u)

During this drill, a big container of Kool-Aid was put out and everyone was told to drink. Some people even acted as if they were dying at the direction of Reverend JONES. During the drill, armed security guards were all around and there was clearly no choice as to drink or not to drink the Kool-Aid. There was one other time at Jonestown when she participated in a suicide drill, but she could not recall what specifically triggered this drill. (u)

BQ 89-495

She is not aware of any relocation plans in the event of a mass suicide. (u)

Regarding the radio, she was aware that they used some type of code and that HARRIET was called SARAH in this code. She is also aware that SHARON AMOS was operating the radio at Georgetown during the time the mass suicide was ensuing in Jonestown. (u)

People who operated the radio were trusted members of the PT, as well as knowledgeable of the Church's business. (u)

Reverend JONES often referred to former President NIXON in very derogatory terms and referred to him as "TRICKY DICKEY." He also frequently stated that he would get his someday. Although she has no knowledge of a hit list, she believes that any PT defector would be likely candidates for assassination, as well as former President NIXON. (u)

PAULA ADAMS was used by Reverend JONES to seduce officials in the Guyana government. The identity of these officials is not known to her. ADAMS also lived with some Guyana official in Georgetown. It was widely believed at Jonestown that in addition to PAULA ADAMS, CAROLYN LAYTON, and SANDY BRADSHAW were also used in this manner. Reverend JONES was also reported to be sexually involved with PAULA and SANDY. (u)

The only reference she has ever heard to a nuclear device was made by Reverend JONES in San Francisco in 1976. During one of his tirades, he alleged that he had the bomb. He gestured with his hands to indicate the mushroom cloud and then made an A with his hands to indicate an A-bomb, although he did not verbally say A-bomb. (u)

There were numerous "White Nights" during the one and one half years she spent at Jonestown. An alarm would sound and they would all respond to the pavillion where Reverend JONES would ramble for hours about various topics. (u)

Hut C-14 was the hut in which Reverend JONES resided. There were also movements of weapons in and out of Hut C-14. (u)

She was aware that drugs were administered to people who were discipline problems at Jonestown. (u)

The following is an account of the events leading up to Congressman RYAN's visit to Jonestown, through and including his murder: (u)

During the last few weeks previous to Congressman RYAN's visit to Jonestown, there was a general consensus among many members of the PT that the end was near for all of them. Approximately one and one half weeks prior to the visit, HAROLD CORDELL was made aware of the fact that a large quantity of deadly poison had arrived in Jonestown. This poison was discovered by the man who ran the piggery. (u)

During the last few weeks at Jonestown, Reverend JONES talked often about moving Jonestown to Russia or Cuba. Reverend JONES showed a preference for moving to Russia. The Russian language was being taught and the Russian Ambassador visited Jonestown. (u)

A few days prior to RYAN's visit, Reverend JONES announced that he was going to make a last stand in Jonestown. (u)

When RYAN arrived in Georgetown, Reverend JONES called everybody to the Pavillion and announced that RYAN had arrived in Georgetown and intended to visit Jonestown. Reverend JONES raged that he did not want RYAN or anyone else to visit Jonestown. He stated that he would stop RYAN and his party at the gates and take their cameras from them. He also stated that he might make "stew" out of RYAN. [redacted] explained that Reverend JONES claimed to have made stew out of the remains of an individual who attempted to invade Jonestown at an earlier date and fed it to the residents of Jonestown.) Reverend JONES also commented that maybe the Contressman's plane would fall out of the sky before reaching Jonestown. After being dismissed from the Pavillion, another announcement was made advising the people that RYAN was going to make his visit and that all were to report to the Pavillion again at 8:00 PM. The people were warned not to talk to any of RYAN's people if they valued their children's lives. They were warned that security would be around and that they were to be cleaned up and dressed up properly. When the Congressman arrived, an announcement was made that there was to be entertainment for "everyone" at the Pavillion. The everyone meant that everybody was being ordered to the Pavillion to meet the Congressman. After the entertainment was over, everybody went back to their respective hut. (u)

On Saturday morning, JOHNNY JONES made an announcement that this would be a day off. During the AM on Saturday, [redacted] went to the saw mill. [redacted] had been planning to escape for some time. [redacted] was very familiar with the jungle because he was one of the first PT people to go to Jonestown. He had made a contact with some Guyana Government officials to provide him with railroad passes. [redacted] had not yet told her children of the planned escape because she was afraid that her children might turn her in to security. At the saw mill on Saturday morning, she started to explain to her oldest child, [redacted] about the escape. [redacted] accused her mother of trying to trick her and then revealed that she and her sister, [redacted] had been planning an escape, but were afraid to tell her because they thought that she may turn them in to security. (u)

b6
b7C

For a variety of reasons, this plan to escape by train went awry and in the interim, the first defectors had already contacted Congressman RYAN. They had avoided using RYAN because they felt Reverend JONES would not allow anyone to leave with him. They then found out that Reverend JONES agreed to allow people to leave and was giving them their passports. It was at this point that [redacted] approached RYAN. [redacted] defected with her. [redacted] MARILEE BOGUE and [redacted] VICKI MARSHAL would not defect and eventually died in the "mass suicide." (u)

Prior to leaving Jonestown, all the defectors lined up and Reverend JONES said goodbye to them. Reverend JONES asked [redacted] why she was leaving him after all these years. She replied that she had to go with her family. After he said goodbye, both MARCIA and HARRIET passed through the defectors and said goodbye. (u)

Congressman RYAN requested that each defector state on his tape recorder that they desired to leave Jonestown and were leaving of their own free will. All the defectors got on the truck and then LARRY LAYTON got on. The defectors felt that LAYTON had a bomb and was going to blow them up. (u)

BQ 89-495

They told JIM COBB (a defector who came with Congressman RYAN) that LAYTON was not a defector, in that he was one of Reverend JONES' most trusted people. They wanted him thrown off the truck. (u)

There was great anxiety on the truck, in that the general feeling of the defectors was that Reverend JONES would not let them leave alive. (u)

As they were waiting on the truck to leave Jonestown, they were told by one of Congressman RYAN's aids that RYAN was attacked, but that he was not harmed and the blood on his shirt was that of the attacker. JOE WILSON then got into the truck and they drove off. When they arrived there, there were no planes and only four Guyana soldiers at the air field. (u)

The smaller plane came in first, followed by the larger plane. It appeared that everybody could not leave in these two planes. Congressman RYAN's secretary was making arrangements to load all the defectors on the two planes. There was talk that Congressman RYAN intended to return to Jonestown to determine if there were more people who wanted out. (u)

Because of the presence of LAYTON in the ranks of the defectors, Congressman RYAN was persuaded by other defectors to search people before they got on the plane. The smaller plane was being loaded first and LARRY LAYTON demanded that he be allowed on the first plane, stating he had been promised that he could be on the first plane. After LAYTON was patted down, [redacted] observed him shaking hands with JOE WILSON. She observed WILSON pass something to LAYTON which LAYTON concealed under his sweatshirt. Although [redacted] could not physically see a gun, she thought at the time that WILSON had passed LAYTON a gun. (u)

[redacted] along with her daughters and son, boarded the larger plane. As she boarded the plane, she noticed the trailer pull to the air field. She observed RONNIE JAMES and WESLEY BRIDENBACH outside the aircraft (u)

looking around. She then noticed the trailer pull up next to their plane. The next thing she recalls is that TOM KICE, JOE WILSON, ALBERT TOUCHETTE were shooting at them into the plane. She observed STANLEY GIEG driving the trailer. She also observed BOB KICE, RONNIE JAMES and EARNEST Last Name Unknown (LNU) doing the shooting. She was told by other defectors that ANTHONY SIMONES also participated in the attack. (u)

Although she was not harmed in this attack, two of her children were wounded. They were in the rear of the aircraft when the attack started and managed to pull the door shut, keeping the attackers outside. The woman seated next to [redacted] was killed (u)

b6
b7C

During the shooting, someone shot a tire of the plane out. After the shooting stopped, another defector stated that the attackers were driving off. The door to the aircraft was put down and the survivors ran into the jungle. (u)

After being sure the attackers were out of the area, she came out of the jungle to aid the wounded. She specifically aided one Miss SPEAR (phonetic), Congressman RYAN's secretary. (u)

The four Guyana guards did not come to their aid during the shooting and were not around at this time. (u)

The wounded were taken to a tent and the remaining survivors, who were not hiding in the jungle, spent the night in a rum house. (u)

All during the night, there was a lot of concern that the attackers would return to finish them off. (u)

The Guyana army arrived at their location approximately 6:00 AM on Sunday morning. The first plane to get them out arrived at 10:00 AM. (u)

In addition to the above, [redacted] recalled that
during the numerous "White Nights" held at Jonestown, old

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 12/21/78

THOMAS JAMES BOGUE, upon his return from Guyana to John F. Kennedy Airport on 12/21/78, was questioned concerning his knowledge of the events which occurred in Jonestown, Guyana on or about 11/18/78.

BOGUE provided the following information: (u)

For some time he and his parents, two sisters and another individual named [redacted] and his family were planning an escape from Jonestown through the bush. For various reasons their plans never materialized. However, on 11/18/78, at about 1:00 pm, [redacted] went to see Congressman LEO RYAN, who was visiting Jonestown, and told him that he and his family wanted to leave Jonestown. RYAN told him that he would get them out on the next flight. They then got on a truck with other members of the Peoples Temple who wanted to defect, including LARRY LAYTON, and drove to the front gate. No one believed that LARRY LAYTON was defecting because he had been such a fanatical follower of JONES. At the gate another close follower of JONES, JOE WILSON, got on the truck and the truck then was driven to Port Kaituma Airstrip. JOE WILSON and LARRY LAYTON got off the truck and started talking together. After about fifteen or twenty minutes a small plane arrived at the airstrip and shortly thereafter a Guyana cruiser arrived. LAYTON boarded the small plane, along with some others. He (BOGUE), along with others, boarded the larger plane. At this point the truck that took them to the airstrip left. Shortly thereafter the Peoples Temple tractor and trailer pulled up next to the larger plane and five men started shooting at the larger plane, using shotguns, rifles and a magnum. The individuals doing the shooting were JOE WILSON, RONNIE JAMES, TOM KICE, Sr., BOB KICE, Sr., ERNEST JONES and ANTHONY SIMON. The driver of the truck was either WESLEY BRIEDENBACH or ALBERT TOUCHETTE. A passenger in this larger plane, PATTY PARKS, was killed. He (BOGUE) managed to get the door of the larger plane shut, but was shot in the leg during the process. After the door was shut, the truck went around the other side of the plane and these individuals began shooting at everyone on the ground outside the plane. After they shot up everyone outside the plane, the truck left. (u)

b6

BOGUE observed the shooting from the plane window but was unable to see who actually shot anyone in particular. He did not see who shot Congressman RYAN. (u)

Shortly thereafter he opened the plane door and ran into a bush with his sister [redacted]. They did not come out of the bush until the next morning when they said it was safe. (u)

BOGUE provided the following information concerning the Peoples Temple (PT) and JIM JONES: (u)

b6
b7C

When he was seven years old his parents belonged to the Golden Rule Temple in Willits, California. JIM JONES was in charge of this temple. In June, 1976, JIM JONES took him to Jonestown. On 11/1/77, he tried to run away from Jonestown with one [redacted]. They were caught and were chained and shackled together for three weeks and made to work at hard labor for 18 hours a day as a punishment. (u)

On three or four occasions in the United States and three or four times in Jonestown he was made to sign blank pieces of paper. On two or three times in Jonestown a whole group was made to sign a paper, saying they had stolen money. JIM JONES told them if they ever attacked the Peoples Temple these confessions would be used against them. (u)

JONES had body guards (number unknown) who sometimes carried hand guns. He did not know everyone on JONES' Security Force, however he did know they sometimes used the slogan "Defense of the Revolution". He never heard of the term "Angels". People in charge of various projects on the farm were on the Planning Commission. They met at the A.O.L. Office. He did not know about an inner core on the Planning Commission. He had no information concerning bribery or influence peddling by members of the Peoples Temple. He had no information concerning JONES' contact or influence over officials of the State of California, including Lieutenant Governor DIMALLEY. He had no information regarding members of the Peoples Temple who are fugitives from justice in the United States or have committed crimes that they are charged with. (u)

In Jonestown he worked 10 1/2 hours a day as a physical therapist. He worked seven days a week with 1/2 day off on Sundays. The meals consisted mainly of rice and gravy. Each evening there would be a meeting between 7:45 pm and 11 pm. There would be a class in Russian language (records), news was given and JONES would usually speak. The security at Jonestown consisted of guards in the tower and one or two guards at JONES' house. Sometimes these guards were armed. (u)

Three or four months ago two Soviet officials from the Russian Embassy in Georgetown visited Jonestown. He did not know the purpose of the visit. (u)

In Jonestown weapons were stored in a warehouse made out of metal sheets. He did not know how many weapons. Crossbows, longbows and combination bows were stored in a crate next to the metal warehouse. (u)

He had no knowledge of any firearms training by the Peoples Temple at Jonestown or in California (u)

JIM JONES indicated on several occasions that he had a team and that any Peoples Temple member that attacked the church would be taken care of by the team. The team would "knock off defectors". He was not aware of any officials who have been targeted for murder. (u)

Once about 2 or 3 months ago JIM JONES had a suicide rehearsal. He had no knowledge of any relocation plans that JONES had in the event of a mass suicide. (u)

He did not know if the assassinations of Congressman RYAN and his party was prepared for in advance. He felt that the following surviving members of the Peoples Temple Church would carry out an assassination plan if it existed: (u)

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 1/3/79

On December 21, 1978, at approximately 8:00 PM, [redacted] was interviewed at John F. Kennedy International Airport (JFKIA), concerning the assassination of Congressman LEO J. RYAN by [redacted] Special Agent (SA) of the Federal Bureau of Investigation (FBI). Also present during the interview was Secret Service Agent [redacted] (u)

[redacted] was appraised of the nature of the interview and the identities of the Agents. (u)

[redacted] stated that she was willing to be interviewed without the presence of an Attorney (u)

[redacted] advised that she first became aware of the People's Temple in 1969. She stated that [redacted] met Reverend JONES while [redacted] was taking a civics course in night school. [redacted] indicated that she became involved in the People's Temple through [redacted] influence. [redacted] stated that when she was about 18 years of age, she signed approximately 25 - 30 blank pieces of paper. Other papers, which she signed, had compromising statements printed on them, such as that she would be willing to help conspire to blow up government monuments. [redacted] further explained forms of torture that were executed by Reverend JONES to discipline his followers. One of the most used forms of torture was "spankings" with a board. Individuals were "spanked" with a board approximately 75 to 100 times. [redacted] herself was disciplined in this manner two times, once for being drunk and once for refusing to do something. The older people of the compound were known as seniors. The seniors disciplined other seniors by hitting those to be disciplined with their canes. Other forms of torture were boxing and putting those to be disciplined in a box with a tape playing which constantly repeated the same message, "I'll be a changed person when I get out". (u)

[redacted] indicated that only the staff would have knowledge of the Planning Commission or bribery. [redacted] stated that, to her knowledge, two officials from the Russian Embassy came to the compound and said they would all be moving to Russia. (u)

CHARLES GARRY, Attorney, home address [redacted] California, telephone [redacted] WORK address: Law Offices, 1235 Market Street, San Francisco, California, telephone 864-3131 was interviewed at his law offices concerning the Peoples Temple and his recent trip to the Peoples Temple Mission compound in Guyana, South America. (u)

Prior to any questioning, the interviewing Agents identified themselves to GARRY by display of their credentials. Also present during the interview was Secret Service Agent [redacted] and occasionally during the interview GARRY's assistant, [redacted] (u)

Prior to the start of the interview GARRY advised interviewing Agents that he was most amenable to having the FBI interview him. He would attempt to be as frank and candid as possible. (u)

GARRY advised that MARK LANE wrote him a letter which instigated this trip to Guyana. GARRY advised he would make available a copy of this letter to interviewing Agents, which he did at the end of the interview. (u)

GARRY advised that he became the attorney for the Peoples Temple in June, 1977, succeeding TIMOTHY STOEN, who had been the attorney for this organization for many years. It was during this time, the summer of 1977, that the Peoples Temple was receiving bad publicity from the news media and various defectors from the Peoples Temple were filing litigation against the Temple. (u)

GARRY advised he made his first trip to Guyana in September or October of 1977. At that time he spent four days at the compound and returned to San Francisco with a tremendously high opinion of the Jonestown complex. GARRY stated he "fell in love with the place;" he stated upon his return that "I have seen paradise, where there is no sexism, racism, agism, elitism, no one is hungry." GARRY advised JIM JONES during this trip: "Jim, you have got to let the world see this place." GARRY advised interviewing Agents that his goal ever since has been to open up the compound to the public. (u)

GARRY stated his second trip to Jonestown was in September or October of 1978 when he needed to obtain affidavits regarding pending law suits against the Peoples Temple. At this time he worked with a Temple member named GENE CHAIKIN, a former attorney for the Temple, who was at the time of this visit the head of the Agriculture Center for the compound. GARRY advised CHAIKIN had stated he had no further desire to practice law. (u)

GARRY added that all these affidavits had to be notarized by the U.S. Embassy in Guyana in order to be valid in the United States. (u)

A writer named DON FREED was also at the compound during GARRY's visit in October, 1978. GARRY advised FREED is an old friend who wrote the book on Bobby Seale, entitled "Agony in New Haven." FREED currently resides in Los Angeles, California. [redacted] advised his home telephone number is [redacted]. GARRY stated that FREED was in Jonestown to write an autobiography on JIM JONES, however, JONES evidently was not willing to pay FREED so FREED cut his visit short and returned to the United States prior to GARRY's return. (u)

b6
b7c

GARRY stated that he was returning from this trip and was at the airport in Georgetown when he met MARK LANE. GARRY further advised that he had no knowledge of LANE's trip to the mission. GARRY said that LANE had been introduced to the Temple through DON FREED. GARRY stated he is the chief counsel to the Peoples Temple and LANE had been hired without GARRY's knowledge. GARRY supposed that LANE would attempt to show government conspiracy against the Peoples Temple and JIM JONES. In this way LANE would attempt to divert attention from the Peoples Temple's other problems which were currently getting news coverage. (u)

GARRY stated he resented LANE being hired and was quite angry with LANE. MARCIE JONES, wife of JIM JONES, told GARRY that LANE was not being paid for his services; however, GARRY advised that MARK LANE had told him he was receiving payment from the Peoples Temple, that he couldn't travel all around without receiving payments. (u)

GARRY stated that when he became chief counsel in June, 1977, he advised the members of the Peoples Temple that they were not to hold news conferences unless he was present. On three occasions they held such conferences and GARRY stated he ended up with lawsuits on each occasion. (u)

3
SF 89-250
MWM/dp

While LANE was in Guyana in September or October, 1978, he held a press conference in Georgetown and JONES was very pleased by what LANE stated to the press at this time. LANE then came to San Francisco and held a press conference at the Temple here. GARRY advised he did not like this at all because he, GARRY, is the chief counsel for the Peoples Temple and he had no prior knowledge of the statements LANE was to make to the press. At this conference LANE stated that there was a conspiracy by the government to destroy the Peoples Temple and JIM JONES; that JIM JONES would be returning to the United States; and that within 90 days he was going to file a law suit against the United States government. (u)

GARRY stated he once again contacted the local members of the Peoples Temple (he recalls talking to JEAN BROWN) and again advised them to stop holding press conferences. GARRY stated he had no knowledge of JIM JONES returning to the United States at this time or anything else LANE said during this press conference. (u)

On November 8 or 9, 1978, GARRY read in the San Francisco Chronicle that Congressman LEO RYAN demanded to go to Jonestown and that MARK LANE had advised RYAN that RYAN could not go to Jonestown as planned because it was not convenient for the Peoples Temple in Guyana to receive such a visitor at this time. GARRY advised this was the first knowledge he had that RYAN was going to Guyana. (u)

GARRY advised he was very upset with this article, and when he talked with JEAN BROWN (San Francisco Temple member) she advised him that LANE was an attorney for the Peoples Temple. He told BROWN that this was a slap in the face for the Guyanese government who has given all types of courtesies to the Peoples Temple. GARRY told the Peoples Temple members that this should be straightened out by Monday, November 13, 1978, or he was going to withdraw as their counsel. (u)

GARRY advised there was then a radio transmission, evidently with MARCIE JONES, stating that JIM JONES was very ill, semi-comatose, running a high fever, and was packed in ice. GARRY was advised this was not a good time to withdraw as counsel. GARRY responded that there was no way he was not going to withdraw if this situation did not get straightened out. GARRY stated he felt he was being used by the Peoples Temple members who were not being candid with him and that LANE was using the Peoples Temple to further his own aims. (u)

SF 89-250

On November 10, 1978, GARRY advised that [redacted] who works in RYAN's office, came to see him and brought letters written between LEO RYAN and MARK LANE. GARRY advised [redacted] that RYAN was by-passing the Peoples Temple lawyer in this matter. GARRY made copies of these communications available to the interviewing Agents (u)

b6
b7c

At noon on Wednesday, November 15, 1978, GARRY stated he was advised by his assistant, [redacted] that JONES wanted him to come immediately to Guyana. GARRY stated RYAN was already down in South America. GARRY flew to South America aboard Pan Am Airlines at 9:00 PM that night. (u)

GARRY stated he ran into MARK LANE and GARRY stated he got angry at him and said, "why am I here if you are"; LANE then tried to placate GARRY, but GARRY stated he was so angry he would not speak to LANE and though they were on the same plane he would not sit with him. (u)

On Friday, November 17, at 10:00 AM they arrived at Georgetown and members of the Peoples Temple picked them up at the airport and took them to the Georgetown headquarters of the Peoples Temple. GARRY stated he and MARK LANE had another fight when they reached the headquarters. (u)

GARRY stated that Congressman RYAN was "making a circus about this thing"; he had media there and GARRY wanted to talk to RYAN alone. RYAN stated he would not talk to GARRY without the press being present because he was a Congressman. The media was very decent, according to GARRY, and made one of the aide's rooms in the hotel available for GARRY to speak to RYAN in privacy. (u)

GARRY was very angry with RYAN and stated he had no right to do this investigation, that he had preconceived ideas and would not give a fair assessment of the compound. RYAN said he did have a prejudgement about the compound but had an open mind. (u)

RYAN then stated to GARRY, "Whether you like it or not we are going to leave at 2:00 PM on a chartered plane with media, relatives, etc., and you may come, we have two seats." (u)

GARRY advised that he had not yet talked to JIM JONES. (u)

5

SF 89-250

MWM/dp

He and LANE then returned to the Peoples Temple headquarters and talked to JIM JONES on the radio. MARK LANE and GARRY had agreed on one thing, according to GARRY -- that JIM JONES has got to let the Congressman, media, and some relatives into the compound. MARK LANE spoke on the radio first and JONES went into a long speech about the enemies of the church. LANE got nowhere with JONES, according to GARRY. So GARRY stated he talked to JONES on the radio and gave JONES two alternatives... one, to tell the Congressman, etc., to go to hell. GARRY advised JONES that if he did that there would be no way GARRY would be able to handle California. The second alternative was to let everybody in. (u)

GARRY advised he did not believe JIM JONES was rational during this radio transmission. (u)

JONES finally advised the group could come on down to the compound. They drew lots, four of the relatives were included in the group, as well as the news media, including RON JAVERS (PH) of the San Francisco Chronicle. (u)

GARRY advised they arrived at a very small airport at Port Kaituma, which is located six miles from the Peoples Temple compound. (u)

A truck with several Peoples Temple members was there to meet the arriving group. These members included a woman called "Sarah" (who GARRY identified later in the interview as HARRIET TROPP, a Hastings Law School graduate in 1977 and who now is one of the suicide victims) and a man possibly named JOHNNY JONES. GARRY was unable to identify any other members and stated he has a very hard time remembering names. (u)

These members announced that only two of the party could go to Jonestown -- MARK LANE and CHARLES GARRY. LANE and GARRY got on the truck and a quarter of a mile down the road they met a Temple tractor. The members on the tractor advised that RYAN, his aide, U.S. State Department representative DWYER, and the Guyanese representative from the Minister of Information were now requested to come also to Jonestown compound. (u)

LANE and GARRY returned to the airport. RYAN announced that all the media must also come. GARRY stated he told RYAN to just come and do his job; then GARRY told everybody he would try to get them all into the compound. (u)

6

SF 89-250

MWM/dp

GARRY stated they traveled six miles to the entrance of the compound and four miles further to the main area of the compound. When they got there they talked to JIM JONES over an intercom and convinced him to let all the other members of the party come to the compound. JONES made one exception and did not allow the reporter from the "Enquirer" to come. (u)

GARRY advised that Congressman RYAN and his assistant, JACKIE SPEIER, interviewed forty people before dinner. After dinner, with 1,000 people or more present in the pavillion, they were entertained by a talent show put on by the Peoples Temple members. (u)

JIM JONES was present and was, according to GARRY, "rambling on and on." GARRY believes TIM REITERMAN took notes of JONES' conversation at this time. (u)

MARCIE JONES introduced Congressman RYAN, who then stated he was very glad to be there, had seen things he didn't expect to see. At this pronouncement, GARRY stated all the Peoples Temple members started wildly applauding. (u)

JONES ended the evening by speaking with the media. (u)

There was room in the complex to house just a part of the group for the night. The following visitors remained at the compound Friday night: RYAN, SPEIER, DWYER, LANE, GARRY, and the representative from the Ministry of Information. All of the party stayed in the guest house except for LANE and GARRY, who had a room next to the radio shack. The rest of the party departed to find rooms outside the compound. (u)

On Saturday morning between 10:30 AM and 11:00 AM the media returned to the compound on the Peoples Temple trucks. (u)

The media spent the morning taking pictures, etc. (u)

At 1:30 PM, Congressman RYAN told JIM JONES that there was a family of six that wanted to leave. JONES "freaked" out at this, according to GARRY, and called the family traitors, liars, etc. GARRY stated he told JONES not to express these emotions, that after all it was just six people that wanted to leave. JONES stated to GARRY that he had told everyone the night before that if anyone wanted to leave they could. At that time no one wanted to leave. JONES now felt that these six people were out to embarrass him. GARRY stated he tried to convince JONES to let these people leave. GARRY advised the six then increased to (u)

fourteen people. GARRY recalled the PARKS family and LARRY LAYTON being among the fourteen; however, he advised he could not remember any other names or faces of the fourteen. (u)

At this point GARRY decided to leave with these people if there was room, stating it was raining and the whole affair was very sad. (u)

GARRY said he was getting ready to get on the truck when JACKIE SPEIER came to him and said he had to return to the pavillion because a man named SIMMONS (PH) wanted to leave and take his three children with him. GARRY stated SIMMONS could not do this because he did not have custody of the children. MARK LANE was also supposed to leave, but they both then returned to the pavillion. (u)

GARRY told SIMMONS that he could leave, but he could not take the children with him. SIMMONS stated he would not leave without the children and that he would stay and be harrassed. GARRY asked SIMMONS what he meant by this and then went and spoke to JONES, who told GARRY that SIMMONS would not be harrassed. (u)

LEO RYAN was rounding up the last of the group to leave. LARRY LAYTON then came up and talked to RYAN, stating that he also wanted to be expatriated or to defect. (u)

It was agreed that RYAN would spend another night at the compound since there was no longer room on the plane for him to leave. Another chartered plan would come Sunday for RYAN. (u)

GARRY advised that at this point in time he and MARK LANE were again taking steps to leave and were shaking hands with RYAN. RYAN stated he was very impressed by what he had seen and that he would not make a Congressional recommendation to investigate the complex. RYAN further stated that he was convinced that the charges against the Temple were not founded, but that peer pressure and isolation made it difficult to leave. This last point would be mentioned in his report. (u)

GARRY told JIM JONES that he could "live with this; this is a good report." (u)

WHILE they were talking to RYAN (MARK and GARRY) a man came up and put a strangle hold on RYAN and stated "Congressman RYAN, you mother fucker." He put this left arm around RYAN's neck and (u)

SF 89-250

had a knife in his right hand. GARRY identified this man as DON. SLY. MARK LANE and GARRY attempted to get SLY off RYAN. TIM CARTER and other Temple members came up and wrestled the knife from SLY. SLY cut his hand. RYAN was very upset and had SLY's blood all over his shirt and pants. (u)

A fresh shirt and pair of pants were brought from the stockroom for RYAN. GARRY did not know if RYAN put on these clothes. DWYER was also present during this incident, and suggested that RYAN leave now rather than wait for Sunday. (u)

GARRY and LANE then were forced to remain at the compound because there was now no more room on the airplane. DWYER stated he would take RYAN to Port Kaituma airport and then come back Saturday night and another plane would take GARRY and LANE out Sunday. (u)

GARRY advised that he talked to JONES after this incident and told JONES that he thought this attack on RYAN was the work of an agent provocateur. JONES reply was that it was not such an act, rather that the people were so angry. GARRY asked JONES what they were angry about and got no answer. (u)

Some time passed and GARRY then spoke for the first time with friendship to MARK LANE, suggesting that they take a walk. They walked past the cottages and evaluated the weekend. Both believed it looked good and GARRY stated he felt he could "live with it." (u)

LANE then said to GARRY, "I want you to keep this to yourself. This afternoon when JERRY PARKS asked to leave with his family he asked me to go with him to get his gear. He was afraid. He said this place is not what it appears to be. We work 12-18 hours a day. We got no meat unless there are visitors. There are 150-300 people who would like to leave here." (u)

At 4:30 PM or 5:00 PM JACK BEAN (who has been with JONES for 25 years) and JIM MC ELVANE (PH) (a real estate man from Los Angeles, who had only been at the compound two days, and had a sister, KAY, at the compound) came up to MARK LANE and GARRY and asked them what they thought about the complex. GARRY told them that he felt there should be more freedom to air opinions and that this would make it a stronger place to live. (u)

The two members stated there was a special event meeting at the pavillion so LANE and GARRY returned to that area. (u)

People were coming in droves to the pavillion. MARK LANE and GARRY were asked to meet with JONES. Present at this meeting were: SARAH (HARRIET TROPP), JIM BEAM, JIM MC ELVANE, TIM CARTER (who did not stay). This meeting was held at 5:00 PM which time GARRY stressed to interviewing Agents. GARRY stated that he later learned that RYAN was shot at 4:20 PM, therefore, the people present at this 5:00 PM meeting were important. GARRY stated later in the interview that it was a 25 minute trip to the airport in Port Kaituma. (u)

JONES said to GARRY, "Charles I am worried. When LARRY LAYTON left, he hugged me and said 'this shit's got to stop.' JOE WILSON and JERRY PARKS have also left. They have taken every gun in this place, there is not a gun left." (u)

MARIE KATSARIS came in and talked to JONES for about 30 seconds. JONES came back and said that LANE and GARRY had to leave and go to the East Guest house because "feelings are so high your lives are in danger. People are angry." (u)

GARRY advised he still did not understand why the members were angry. They did not appear angry and were smiling and giving greetings to LANE and GARRY as they passed by them. (u)

LANE took his luggage and GARRY took his briefcase and they proceeded to the East Guest house, which GARRY described as being quite a distance from the pavillion. (u)

JIM MC ELVANE followed them until LANE and GARRY turned into the guest house...GARRY told MC ELVANE to let him know what transpired at the meeting and MC ELVANE then continued straight ahead on the path. Once inside the cottage LANE stated to GARRY that he did not like this situation. (u)

Next to the guest house, GARRY advised, there is a small cottage about 20-30 feet away where he observed some black men standing in front of the cottage. They took 8-9 guns out of the cottage and boxes of ammunition. Then DON SLY came and sat behind the guest house. SLY kept asking people passing "when do you want me up there?" SLY finally left. (u)

The two young black men came to the guest house, who GARRY identified as "Johnson" and "Pauncho." They had guns in their hands at the ready position and were happy and smiling. They stated to LANE, "To die for the people is revolutionary suicide. We are dying to expose fascism and racism." LANE responded by asking if there wasn't an alternative, and if there was not, he and GARRY would stay behind and write of their cause. They smiled and agreed with LANE. LANE or GARRY then asked these black men how to get out of the compound. They first stated "take a plane," and, after it was pointed out there was no plane, they advised LANE and GARRY to go back through the bush. (u)

The Temple members then left, GARRY and LANE, headed for the bush. GARRY stated he was still hanging on to his briefcase. (u)

As LANE and GARRY headed into the jungle bush, GARRY stated he could hear occasional statements being made such as "TIM STOEN is not the only enemy"; "No other alternative than to die"; "Let's not be devious." (u)

After going about 100 yards into the bush, GARRY heard JIM JONES state, "Mother, Mother, Mother, Mother" and then GARRY heard three shots. GARRY advised that although he had now read articles in which MARK LANE states he heard 80-90 shots, he, GARRY, only heard three shots. (u)

They slept about two hundred yards into the jungle. It was cold and raining. GARRY stated they laid in the jungle for about fourteen hours. (u)

LANE and GARRY then got up and walked through the jungle until they reached the road that leads from the compound. GARRY stated they did not cut through the compound, but went straight through the bush to the road. GARRY recollected it was about 4:30 PM Sunday afternoon when they reached the road. They started walking toward Port Kaituma. A truck came by and gave them a ride to the Army post police department at the Port. (u)

At the Army post they saw MIKE PROKES, TIM CARTER, plus one other white male, who had worked in the radio room at the compound, being held by the soldiers. (u)

GARRY stated he remembered that TIM CARTER had been at the final meeting with JONES, but had left the meeting early. GARRY could not recall whether MIKE PROKES and the other white male had been present at that meeting. (u)

GARRY stated that while he and LANE were in the jungle, LANE told him many things about the Peoples Temple which he, LANE, stated he had learned from TERRI BUFORD, who, according to LANE, had been elected to take JIM JONES' place should something happen to JONES. LANE told GARRY he had learned about the drugs, beatings, and people being drugged at the compound. GARRY was not sure whether LANE mentioned knowledge of weapons or not. (u)

GARRY stated that BUFORD had left the Temple several weeks earlier and went at that time to stay with LANE. (u)

LANE also advised him at this time that he was receiving payment from the Peoples Temple. (u)

GARRY advised that he was being paid on a monthly basis by the Temple in the amount of \$5,000 (although he had requested \$20,000). GARRY was originally given a retainer. (u)

GARRY stated he had no knowledge of the Peoples Temple financial affairs; did not know what bank their check was drawn upon. (u)

GARRY stated at no time had he been offered land in payment. (u)

Interviewing Agents asked GARRY the following questions, and GARRY answered negative to each question: (u)

Do you have any specific knowledge of acquisition, licensing or shipment of any weapons by Peoples Temple members? (u)

Do you have any specific knowledge of firearms training received by Peoples Temple members, including specific dates, places and by whom? (u)

Do you have any direct knowledge of threats to harm any public officials or current or former Peoples Temple members as a result of persons attempting to expose the Peoples Temple; infiltrate the Peoples Temple or inducing a member to leave the Peoples Temple? (u)

Do you have any knowledge of cacheing of weapons or monies? (u)

Do you have any knowledge of discussions or copies of a "contingency plan" reportedly espoused by Reverend JONES as a means of retaliation against any persons attempting to arrest or capture Reverend JONES? (u)

Do you have any knowledge of a conspiracy or discussion by members of a specific federal official as a target? (u)

Do you have any knowledge of "hit men" or "angels?" (u)

Do you have any specific knowledge of Peoples Temple members being utilized to compromise public officials for the furtherance of Temple objectives? (u)

After GARRY responded "no" to the above questions, he discussed a private investigator from San Francisco named JOE MAZOR. GARRY stated MAZOR came to Guyana while GARRY was there in September, 1978. GARRY described MAZOR as working with the defectors from the Peoples Temple. MAZOR took voice prints of Temple members in Guyana and after he analyzed these prints he told GARRY he was satisfied the people were not being held there against their will. (u)

MAZOR told JIM JONES he should have more security and MAZOR was willing to set up a security system for JONES, including bringing a bullet proof vest for JONES. (u)

GARRY advised there are currently 15-20 Peoples Temple members at the Temple in San Francisco and he has no knowledge of any guns being in the temple. (u)

GARRY stated he has never heard of any records being kept by the Temple to use for black mail (u)

GARRY stated MARK LANE could be reached by telephone at [redacted] in Memphis, Tennessee. (u)

GARRY stated he had eaten cheese sandwiches at the Guyana compound and had never been drugged, contrary to what he stated the newspapers are now printing about the cheese sandwiches served there. (u)

GARRY stated he heard no shots the night he spent in the jungle, but the next morning he heard several voices and shots, the location of which was difficult to tell. (u)

GARRY stated he had absolutely no advance information that anything like the occurrences were going to happen. (u)

The interview was discontinued at this time because GARRY had members of the Peoples Temple waiting to confer with him. (u)

He explained that the [redacted] had just learned at that time of a trip planned by Congressman LEO J. RYAN from California to travel with a party to Guyana. (u)

He was to cover RYAN's visit to Guyana and to see Jonestown if possible. He flew from San Francisco to New York, where he met Congressman RYAN and his party, and they departed New York about 3:30 p.m. on Monday, November 13, 1978. Congressman RYAN was representing the House International Relations Committee to check on conditions in Jonestown. He recalled that also present on this airplane flight from New York to Guyana were eight other media people in addition to himself, as well as Congressman RYAN and his Administrative Assistant K. JACQUELINE SPEIERS. In addition, JIM SCHOLLART of the House Committee Staff was also present. They flew to Trinidad and subsequently to Georgetown, Guyana arriving there Tuesday night, November 14, 1978, about midnight. (u)

at the Timheri Airport in Georgetown until the matter of his permit could be resolved. Subsequently, his permit was received and he was permitted to enter Guyana for five days. (u)

[redacted] stated that Congressman RYAN had been negotiating for an invitation to Jonestown, but that he was given a list of conditions which would have to be met in order to visit there. These conditions included that Attorney MARK LANE be present, that members of the Black Caucus be present and that the Reverend JIM JONES would choose the members of the press to go there. Congressman RYAN, however, did not agree to these conditions. Subsequently, Congressman RYAN reached an agreement with Attorneys MARK LANE and CHARLES GARRY, who is the attorney for the Peoples Temple, permitting them to travel to Jonestown. [redacted] stated there was a logistics problem involved due to the planes and the landing strip available. (u)

A group of people calling themselves Concerned Relatives, totaling 13, were interested in accompanying Congressman RYAN to Jonestown. This group of people consisted of individuals who had been in the Peoples Temple, were temple dropouts or were people with relatives in Jonestown. (u)

[redacted] understood that the press media paid a part of the cost of the plane trip, the Concerned Relatives paid a portion and Congressman RYAN also paid a portion of the expenses for the plane to fly to Jonestown. The plane was an 18 seater and present on the flight were Attorneys LANE and GARRY, four members of the Concerned Relatives group only as the entire group was too large to take and it was decided these four would represent their group, and a number of the media, including himself, [redacted]

[redacted] as well as Congressman RYAN and his Administrative Aide, K. JACQUELINE SPIERS. (u)

[redacted] stated that Congressman RYAN had said that he was not pre-judging anything and had an open mind concerning his visit to Jonestown and was representing constituents. (u)

from his district in California in view of the interest of people there in the Peoples Temple and their concern for friends and/or relatives. (u)

Their plane left the Georgetown Airport and arrived at Port Kaituma in the late evening of Friday, November 17, 1978. They then proceeded via truck or a land rover into Jonestown, which is about six miles away, which six miles consisted of deep, red mud. (u)

A sergeant RUDDER, a local Guyanese constable, and his deputy met them at Port Kaituma. RUDDER said that he had instructions that only SHARON AMOS could proceed to Jonestown, however, AMOS was back at Georgetown and not a member of the party. [redacted] described SHARON AMOS as being a current member and leader of 50 to 60 people living in a house in Georgetown where supplies were received by the Peoples Temple and subsequently forwarded to the Peoples Temple in Jonestown. Attorneys LANE and GARRY could not understand RUDDER's orders and some members of the Peoples Temple, about five or six, arrived on a red tractor. They entered into negotiations and subsequently, agreed that LANE and GARRY could go on in first to Jonestown and negotiate for the Congressman. They walked to a nearby telephone or transmitter and after an apparent conversation, came back and said that the entire party could travel to Jonestown. LANE, GARRY and Congressman RYAN were among the occupants of the first truck to travel into Jonestown, along with the other people [redacted] believed to be temple people. The truck then returned for the press and the four people representing the Concerned Relatives group. (u)

Congressman RYAN had been there approximately 20 to 30 minutes when [redacted] group arrived there. They went to a central location, which place was an open air meeting place with a corrugated tin roof, a stage and seats. They were welcomed and served iced tea. The people were very hospitable, although [redacted] later stated he had heard that this had been staged for their benefit. They were told that the people there wanted to entertain them and they had dinner and entertainment, which consisted of singers and a rock band. [redacted] said that the NBC personnel filmed this. The entertainment ended about 11:00 p.m. that night. [redacted] said the room was charged with emotion. Congressman (u)

RYAN gave a speech explaining that he was an impartial observer there and elaborated along this line, that it appeared that some people were happier there than ever before. There was great cheering, however, [] said he again later heard that the people had been instructed to do this. When the time came to leave, there were no accommodations there, but a cottage was obtained for Congressman RYAN, Attorneys LANE and GARRY and possibly SPEIERS, with the remainder of the people renting the home of a person where they spent the night. (u)

The following day, Saturday, [] stated that things were doubly tense. Congressman RYAN was interviewing people in Jonestown privately, some of whose names had been given to him by members of the Concerned Relatives group. The previous evening, DON HARRIS of NBC had received a note from a young man with three names on it, which note asked for help in getting these people out of Jonestown. (u)

[] separated from Congressman RYAN as he wanted to see parts of Jonestown for himself. After a conference with Attorneys LANE and GARRY, an agreement was reached that the media could roam around the grounds. He was subsequently refused entry into the "Jane Pittman House" on the basis they wanted to protect the privacy of the people inside who were elderly. He said he believed the actual reason was because the women occupants of the home were packed in "like sardines" and that there were 65 people stacked in beds there. He noted there was an allegation of funding of the Peoples Temple through Social Security checks of the elderly, such as the people there. One of the leaders of the Peoples Temple went into the Pittman House and requested permission for them to enter, which was granted. As they went inside, however, many of the women inside left. [] did talk to several women and all of them said they liked it there. (u)

[] continued his tour of the grounds and the people preparing to leave started reporting to the central assembly area. When he returned there, he saw some women with Congressman RYAN who wanted to leave. He noted in particular that the PARKS family was present with Congressman RYAN and wanted to leave. Other people then joined Congressman

RYAN and this group. [] stated the time to leave had arrived as the airplane in which they were to depart was arriving at a certain time. The press got into the first truck which was leaving. He said that some of the media were going to film Congressman RYAN as they were leaving. Congressman RYAN was remaining behind to stay with and give protection to members of the Peoples Temple who had expressed an interest in leaving with RYAN, but who could not get onto the first truck due to it being crowded. Attorneys LANE and GARRY were remaining at Jonestown and not traveling to the airport. (u)

[] stated that he had interviewed the Reverend JIM JONES and JONES said he had always permitted people to leave who wanted to, but that if people did try to leave, he would say "Father has failed his people". He tried to talk women out of leaving when they expressed an interest to leave. One of the women involved in this was EDITH PARKS of the PARKS family. [] said at this time, everyone was embracing one another and everything was on friendly terms. (u)

The truck on which [] and the other media and other individuals were riding proceeded about 100 yards before it became stuck in the mud. He then heard a loud cheer, saw a commotion and people running. About five to ten minutes later, Attorney LANE came up the path to the truck hustling Congressman RYAN with him. Congressman RYAN's shirt was pulled up to his waist and there was blood on the left side of the shirt, however, it was later learned it was not the blood of Congressman RYAN. (u)

Congressman RYAN got into the truck and said someone had thrust a knife at him. The truck then traveled to the airport, but the plane on which they were to depart had not yet arrived. Congressman RYAN and the others sat down in a little shed and Congressman RYAN told them what happened to him back at Jonestown. He said a young white male had lunged at him with a knife, that he had fallen back and that MARK LANE, who had been his opponent in this matter, had saved his life, as he had wrestled the knife wielder to the ground. The knife wielder was cut during this attack and it was apparently his blood that was on Congressman RYAN's shirt. (u)

[] recalled also that before the truck in which

BA 89-173

he was riding pulled away from Jonestown to drive to the airport, a Negro male got onto the truck and clung to the side of it staring at him. A female temple member inside the truck identified this individual as being JOE WILSON. [] related that WILSON's wife and child had left Jonestown earlier that date trying to make their way to Port Kaituma. WILSON rode all the way out to the airstrip on this truck with them. (u)

[] estimated there were possibly 32 people milling around in the area by the airport waiting for the planes to take them away from there. He said the truck on which he and other members of the press and others had traveled to the airport must have returned and brought back a second group of people. BOB BROWN of NBC was filming the activities there. [] said they were receiving many hostile looks and that the members of the press gathered together. The two airplanes had landed during this period of time. One plane was a small, single engine plane with a capacity of about four to five people. (u)

[] was standing by the larger airplane, an Otter. He later learned that a LARRY LAYTON, who was one of the last people to get on the first truck including [] and the media as it pulled away, had gotten onto the small single engine plane. He explained that when LAYTON got onto their truck that the Temple People who were riding on the truck and leaving Jonestown, crowded together and away from LAYTON and said not to let him on, that he was a traitor and would hurt them. As a result, while on the truck, he, [] started interviewing LARRY LAYTON, who was very nervous. [] said the temple people were adamant that LAYTON should not be permitted to go with them and that they were afraid of him. (u)

At the airport, Congressman RYAN, DICK DWYER, Deputy Chief of Missions of the U. S. Embassy at Guyana and others were frisking people to make certain they did not have firearms before boarding the airplanes. LARRY LAYTON, whom he described as pale and "hyper" said he had to get on the first plane, referring to the small plane. RYAN was on one side of the small plane and LAYTON apparently went to the other side and climbed into the plane. (u)

BA 89-173

[] observed what he described as a truck and a tractor with the truck partially concealing the tractor, drive over to the area where they were congregated. This was during the period of time that they were still milling around and frisking people. (u)

subsequently, approximately three to five males came walking over swiftly from the direction of the truck and tractor and JOE WILSON was one of them. [] was then standing beside the larger airplane preparing to board it. [] then saw several people coming at him armed with rifles. He was then standing by the steps leading to the center door of the airplane. BOB BROWN, the NBC cameraman, was nearby filming this sequence of events. Firing commenced and [] felt a bullet strike him [] He fell to the ground and moved behind the airplane for protection as did BOB BROWN. He was trying to take cover behind the airplane tire and he heard additional shots. He said the shooting possibly lasted five minutes or less.

[] who was then flat on the ground looked behind him. He saw DON HARRIS of NBC trying to get behind the tire of the plane, as was Congressman RYAN. He heard later another individual was also trying to get behind the plane tire for protection. He saw an individual come around the side of the airplane. He saw BOB BROWN lying on the ground and believed he was hit, but not dead as his body was moving some. He also saw DON HARRIS on the ground with his body moving and believed him to still be alive. An unknown individual then came up and placed his rifle by the head of DON HARRIS and fired, administering what he called the "coup de grace". Either this same individual or another individual did the same thing to BOB BROWN, both of whom were on the ground. (u)

[] who was then possibly 10 to 15 yards away and who had been trying to make up his mind as to whether to play dead or run for it, then decided to run. He got up and ran across the airplane field into a tropical rain forest area. He ran into this dense undergrowth as far as he could. He had a camera bag, which he dropped on the runway and he dropped his Nikon camera in the swampy area as he went into it. (u)

He observed that the larger twin engine Otter plane was disabled as the tires had been shot out. The small plane managed to take off and he was told that it had one passenger, a female temple dropout member. He was not certain as to when the small plane took off, but understood it summoned help. (u)

He observed Congressman RYAN's body as well as the bodies of HARRIS, BROWN, GREG ROBINSON, San Francisco Examiner photographer, and the body of a woman beside the plane. He said he could not see who shot Congressman RYAN or even himself. (u)

[redacted] stated that he believed that the individual who shot DON HARRIS was a young black male, possibly a teenager or in his 20's and perhaps a little taller than [redacted] and about the same build. [redacted] said he is [redacted] tall and weighs [redacted] pounds. He said it all happened so fast that he cannot be positive that the individual who shot him was a black male, however, he believed him to be. (u)

[redacted] subsequently heard from several people there, including one of the dropouts, possibly DALE PARKS, that LARRY LAYTON got into the small airplane while Congressman RYAN was standing beside it, at which time the truck and tractor containing the men who did the shooting were proceeding toward them. LAYTON had, or was handed, a revolver and started shooting. He said he might have been handed the revolver through the window, but he also had a satchel with him which had not been checked, to his knowledge, for weapons due to their inexperience in such things. The revolver was a six cylinder and [redacted] understood that LAYTON apparently shot five times as there were five empty chambers when the revolver was recovered following the shooting. He said (u)

BA 89-173
GTC/DLS:cal

that he suggested to DWYER that since he was a government official that DWYER should take custody of this revolver and he did. LAYTON was detained by other Guyanese civilian males. He was also told by he believed DALE PARKS that PARKS, after LAYTON started shooting at the people in the small plane, had wrestled LAYTON for the revolver and they fell out of the plane, that PARKS pointed the revolver at LAYTON and it either misfired or was empty when he tried to shoot LAYTON. (u)

[redacted] described LAYTON as a white male, age 25 to 30, 5'6" to 5'7", 140 to 150 pounds, with short curly hair and "spacy" looking. (u)

[redacted] stated that he had heard nothing to indicate any type of conspiracy to assassinate Congressman RYAN or any other government official. He noted that he had no knowledge of the Peoples Temple and its activities prior to receiving this assignment as previously stated. Later, while in Jonestown, he heard from dropouts there that JONES was preaching that the media or Congressman RYAN had guns and were coming there to get them. He said he did not then understand what this actually meant. He knew that conditions were tense following their arrival and at the time of their departure, but knew nothing as far as any plans to commit violence on the part of the Reverend JONES or members of his temple. (u)

b6
b7c

[redacted] noted that he had made notes concerning his trip to Guyana and Jonestown and he recorded later in his notes following the shooting of Congressman RYAN and the other members of his party, the names of the individuals responsible for the shooting as furnished to him by different dropout members from the temple that he interviewed. All of this information is recorded in his notes and he gave his notebook to [redacted] for the [redacted] who came to the hospital. He said he had called in a portion of his story to his newspaper Prior to being removed to the Emergency Room for examination and that [redacted] retained his notes in order to continue the story he was dictating as to what transpired at the airport. On November 20, 1978, [redacted] was re-contacted in his room at the Malcolm Grow Medical Center by SA [redacted] and SA [redacted]. He advised at that time he had already told SA [redacted] the names of the individuals responsible for the shooting. He said these individuals were as follows: (u)

1. TOM KICE
2. ALBERT TOUCHETTE
3. JOE WILSON
4. LARRY LAYTON

He also advised that a STANLEY GIEG was the driver of the tractor or truck which brought the individuals to the airport who did the shooting, although GIEG himself was not identified to [redacted] as being one of the individuals doing the shooting. (u)

[redacted] advised that KICE may be a middle aged white male with a crewcut and a rough, hatchet type face, whom he saw at Jonestown, but he is not certain concerning this as the individuals who gave him the information that KICE was involved in the shooting did not furnish his race to him. He understood that KICE was seen shooting a handgun, possibly a .45 automatic, and was one of those on the truck or tractor. (u)

Concerning ALBERT TOUCHETTE, he did not know this individual's race, but heard that he had some kind of a rifle and was firing at people. (u)

GTC/DLS:cal

Concerning JOE WILSON, [] noted that this individual he had previously discussed with SA [] and WILSON is a Negro male, age 21 to 23 with short corn rows and people said he did participate in the shooting, further details unknown. (u)

Concerning LARRY LAYTON, previously described, [] stated that DALE PARKS said LAYTON shot one of PARKS' daughters on the plane. (u)

[] said he compiled this information identifying the above individuals as being involved in the shooting from the DALE and EDITH PARKS family, JIM BOGUE and family, except for one daughter, who chose to remain in Guyana and from HAROLD CORDELL, who has been a member of the Peoples Temple for 25 years and was former head of the temple security in California. CORDELL went to Guyana about eight to twelve months previous when the JONES group did, however, he fell into disfavor with JONES and had decided to leave and was attempting to leave and was at the airport at the time of the shooting. (u)

[] said the shooting actually commenced about 4:15 p.m. on Saturday, November 18, 1978 and that the shooting sounded like pops or small arms fire primarily to him. He did not know where JACKIE SPEIERS was during the shooting. He recalled that when their plane evacuating the wounded departed Guyana that some of the more seriously wounded got off the plane at San Juan. Included among those people was ANTHONY KATSARIS, Concerned Relative member who was shot up, as was his father, STEVE KATSARIS. BEVERLY OLIVER, a Negro female, age about 47, and a member of the Concerned Relatives group had her ankle taped. Her husband, HOWARD, age 57, who was in the Concerned Group there, had remained behind at Georgetown while the others went to Jonestown and they were evacuated as he apparently had a stroke and according to medical personnel, needed help immediately. The two attorneys who represented the Peoples Temple were also present at the time of the presentation. (u)

[redacted] advised that he flew from California to New York on Monday, November 13, 1978, and then from New York to Georgetown, Guyana on November 14, 1978. The two attorneys for the Peoples Temple met with Congressman RYAN and the rest of the contingent from the United States on Wednesday evening or Thursday in Georgetown and, on Friday evening, November 17, 1978, they got the "okay" from Attorney LANE to proceed to Jonestown. [redacted] stated that they all then flew from Georgetown to Jonestown where they were delayed at the airstrip for one to two hours before receiving permission to proceed to the Jonestown proper. The whole contingent was transported to Jonestown via truck and the trip took between 45 minutes to an hour, placing them in Jonestown at approximately 7:00 p.m. The temple people put on a big ceremony and "God Bless America" was sung. Many of the people appeared to be happy, however, that evening, a slip of paper was passed to NBC Correspondent DON HARRIS by someone who wanted to leave the settlement and return to the United States. None of the visitors were permitted to stay overnight there, so they all left and returned the following day, Saturday, at approximately 10:00 a.m. On Saturday at Jonestown, an older woman grabbed DON HARRIS and indicated she and her family wanted to leave the compound and return to the United States. HARRIS brought this woman to Congressman RYAN and she and her relatives stated on voice recorded tape that they wished to leave. (u)

Congressman RYAN then interviewed the Reverend JONES on tape about alleged tortures, disciplinary measures, etc., used against members of the Peoples Temple at Jonestown. Reverend JONES denied all allegations and additionally stated that the only guns in the compound were used strictly by the hunters to obtain food for the members of the church. (u)

When the whole contingent was getting ready to depart the compound for the airstrip, approximately 15 other church members suddenly wanted to "defect". The visiting contingent and the "defectors" were driven to the airstrip where there were two airplanes waiting. Shortly after the arrival at the airstrip, [redacted] observed a tractor pulling a flatbed truck with canvas over the top. Three men got off the tractor and flatbed, walked toward the reporters and asked which airplane the Peoples Temple members were leaving on. No one responded to this question and a short time later, these individuals pulled weapons from the flatbed and opened fire on the people standing on the airstrip. [redacted] stated that, as he remembers it, the people from the temple who were on or near the tractor when the unprovoked shooting began were one black man named "STANLEY" (driver of the tractor), one white male who was approximately 45 years old and appeared to be the leader of this group, and three other Negro males. One woman "defector" was killed as she was about to board one of the airplanes. The engine and tires of one of these airplanes were shot out and, although there were embassy people in the area, the people doing the shooting seemed to convince their shooting to the contingent from the United States. [redacted] was struck in [redacted] with a bullet and his cameraman was shot in the leg. The cameraman was moaning when one of the temple people walked up to him and shot him in the head, killing him. [redacted] stated that he remained motionless near his cameraman, feigning death, when he was shot again; an apparent attempt to make sure he was dead. [redacted] stayed, laying face down on the airstrip, for approximately one-half hour, and he heard an airplane engine start amongst the noise of people crying. He then ran into the thick brush surrounding

the airstrip and banded together with others, including a State Department official who had fled. [redacted] stayed overnight in a tent with three other injured individuals and the next morning, Sunday, November 19, 1978, approximately 40 Guyanese soldiers arrived and secured the area so the group could eventually be evacuated. flight from San Francisco, California on November 13, 1978, to New York, New York. Also on this flight was Congressman LEO RYAN and two aides. These aides were JACKY SPIERS, who handled logistic matters for the Congressman. Another aide, JIM (last name unknown). (u)

Also on the same flight and a member of the news media contingent for this story was TIM REITTERMAN. Mr. REITTERMAN is a writer for the San Francisco Examiner. Mr. REITTERMAN had written stories concerning the Peoples Temple previous to this story. GREG ROBINSON was taken as a photographer for TIM REITTERMAN. (u)

Other news media members were RON JAVERS, who is a writer for the San Francisco Chronicle. RON JAVERS was chosen to represent the San Francisco Chronicle because the Chronicle had written several detrimental stories concerning the Peoples Temple and the Chronicle believed it would be best to send a different writer. (u)

Also on this flight were approximately twenty-two family members of people who were at the Peoples Temple community settlement, Jonestown, Guyana. These family members were representatives of the group called "Concerned Relatives of Peoples Temple" (CRPT). (u)

After arriving in New York on November 13, 1978, [redacted] went to his corporate offices. He had meetings with [redacted] Network News, NBC, Incorporated. During these meetings he finalized his decision to conduct this story and made final preparations for the story and departure to Georgetown, Guyana. (u)

On November 14, 1978, [redacted] departed from New York, New York on Pan American flight at three p.m. bound for Georgetown, Guyana. The flight proceeded to Trinidad where it refueled. While in Trinidad a foreign correspondent assigned to Latin America for the Washington Post joined the media. Also on this flight were the above-mentioned individuals who departed San Francisco, California en route to Georgetown. (u)

The flight arrived at approximately midnight on November 14, 1978, at Georgetown. [redacted] was the first member of the media to pass through customs. All of the appropriate visas for journalists had been obtained by NBC for he and his crew. There was very little trouble for he and his crew to enter Guyana. The entry for other members of the media and Concerned Relatives of Peoples Temple was not as easy. When RON JAVERS attempted to pass through customs, the authorities seized his passport and wallet. They refused to admit him to Guyana. He was detained as the Guyanese authorities found \$230 in Guyanese currency in his suitcase. This currency has a value of about \$100 U.S. It was explained that there is a law that no one may remove more than \$15 Guyanese currency from the country and no one may bring in Guyanese currency. The authorities held Mr. JAVERS for approximately fourteen hours. [redacted] remained with [redacted] during this time and both were released the following day. (u)

b6
b7c

On November 15, 1978 [redacted] joined the other news media and Concerned Parents at the Pegasus Hotel, Georgetown, Guyana. (u)

The following three or four days were necessitated to obtain the proper permits from local authorities to make the trip to Jonestown, Guyana. (u)

During these meetings, discussions, and so forth, CHARLES GARRY and MARK LANE interceded on behalf of the Peoples Temple. Both these men are known to [redacted] as Attorneys from the United States who represent the Peoples Temple. [redacted] described these two Attorneys as "radical attorneys". These Attorneys have defered radical defendants in the past, including JAMES EARL REY. (u)

After these meetings were held, it was decided that four members of the Concerned Relatives of Peoples Temple would be permitted to have access to the Peoples Temple. These people were JIM COBB. [redacted] described JIM COBB as a young negro male who is a dental student. Mr. COBB was a former member of the Peoples Temple. STEVEN KARSARIS was also admitted. An unnamed black lady was the third member of the committee to be admitted. The fourth member of the committee was a thirty year old woman who is a sister of one of the residents of Peoples Temple. (u)

Also included in this party were the members of the media, the Congressman RYAN and aide JACKY SPIERS. A member of the United States Embassy at Georgetown, Guyana, also was included in this group. The man's name was RICHARD DWYER. The last member of this group was a local representative of the Guyanan Government who accompanied the media and family members. (u)

The decision as to who would be permitted to the settlement was made by the authorities at the Peoples Temple. CHARLES GARRY relayed a message that GORDON LINDSEY would not be welcome and it was agreed that LINDSEY would not accompany the media to the Peoples Temple. An agreement was made among the news people to provide GORDON LINDSEY with the information and photographs he may need. (u)

At approximately three p.m. on November 17, 1978, the group boarded a Guyanese airline and flew from Georgetown, Guyana to Jonestown, Guyana. The plane arrived in Jonestown at approximately four-thirty p.m. The plane was met by two Port Kituma police. The group was provided transportation in a truck owned and operated by the Peoples Temple. (u)

b6
b7c

[redacted] advised they were transported by this truck approximately ten to fifteen miles through narrow roads in jungle terrain. The road had clearings of no more than twenty yards on either side of the highway and traveled through very rough roads with much bush on either side of the roads. (u)

Upon arriving at the Peoples Temple, they were taken to a large "pavilion" style building. This was a building with roof and open on four sides. [redacted] spoke with Reverend JONES and was advised what parameters were to be set up for interviews with the people and officials of Peoples Temple. Interviews of these people were conducted with spotlights and cameras. This was necessary as it was darkening and becoming night. The people that were all interviewed appeared to be happy. There were many reunions of loved ones. [redacted] advised he questioned each person as to whether or not they wanted their pictures taken and if the response was negative, no photographs were taken. After these interviews and initial meetings were held, the (u)

Peoples Temple provided a band and quasi party (u)

When this show terminated, [redacted] requested permission to spend the evening at the Temple. Reverend JONES refused to allow any sleeping accommodations and advised they must leave the compound. [redacted] advised that the journalists would be glad to sleep on the floor and that no sleeping facilities would be necessary. Reverend JONES denied this and advised the people must leave (u)

Congressman RYAN and his aide stayed at the compound during the night. Also at the compound were the Attorneys CHARLES GARRY and MARK LANE. (u)

b6
b7c

During the show which was put on for the visitors, a man named VERN GOSLEY passed a note in block print to DON HARRIS, NBC News. The note stated that VERN GOSLEY was in fear of his life and that he needed help in leaving Guyana. No mention of this note was made to Congressman RYAN. Upon return to Puerto Rico, this note was passed from [redacted] of News, NBC, New York, New York. (u)

At approximately eleven p.m., Reverend JONES requested the people return to their truck and return to Jones' own. Arrangements were made for the news people and relatives to return the following morning at daybreak. (u)

Although the truck was to return at daybreak for the media, it did not arrive until approximately eleven a.m. Saturday morning. The journalists took this to mean that Reverend JONES was attempting to shorten their work time as the departure from the Georgetown area had been set for approximately two-thirty p.m. that date. The news media was transported back to the Peoples Temple with the Concerned Relatives. (u)

Further interviews were conducted with taping sessions. Several people were interviewed and family members spoke with the visiting Concerned Parents. Interviews were filmed with Reverend JONES and Attorneys CHARLES GARRY and MARK LANE. Reverend JONES appeared hostile during these interviews and included much rhetoric concerning the abuse of the news media concerning his Peoples Temple. At

approximately two p.m. Reverend JONES announced "Why not leave", "Get out of here". DON HARRIS explained to Reverend JONES that they had obtained information and interviews during their time at the Peoples Temple. He advised Reverend JONES that he could assure him that the reporting of these interviews would be fair. JONES replied "I hope I live to see you be fair". (u)

During the stay at the compound, [redacted] observed no weapons were observed and it was advised that there were only hunting weapons. As preparations were made for return to Jonestown, there were approximately ten to twelve defectors who accompanied the news media and Congressman. Just prior to departure after the majority of the people had boarded the truck, Congressman RYAN returned to the Pavilion. The Pavilion was approximately five hundred yards from the truck. [redacted] advised that a scuffle ensued at the Pavilion which he could not see. He could hear noises coming from this area but could not see what was happening. Moments later Congressman RYAN returned to the truck and had blood stains on his shirt. (u)

b6
b7c

Congressman RYAN got on the truck and everyone departed. There were approximately thirty people on the truck of which ten to twelve were defectors. (u)

The last person to board the truck was a young American male described as five feet six inches tall, one hundred thirty-five pounds, late twenties, slight build, dirty blonde, curly hair, deep-set piercing blue eyes, wearing a white shirt, white pants and rain parka. Later this man was identified as LARRY LAYTON. (u)

While on the ride back to Georgetown, Congressman RYAN explained that when he returned to the Pavilion and was talking to Reverend JIM JONES, an unidentified white American male grabbed him from behind. This man put a knife point to his throat. Congressman RYAN explained that he was able to grab the man's arm and slide slightly away. Someone at the gathering then grabbed the assailant and forced him to the ground. Congressman RYAN advised when he turned he saw the man laying on the ground stabbed with the knife that had been placed against his throat. (u)

Congressman RYAN advised him that both Attorneys, MARK LANE and CHARLES GARRY, were present during this assault. He noted that they had assisted in saving his life. (u)

While en route to Jonestown, LARRY LAYTON did not speak to anyone. Upon arriving at the airport which was at approximately three p.m., everyone disembarked from the truck and took all of the equipment from the truck. The planes were not at the airstrip as had been previously arranged. (u)

Congressman RYAN provided approximately ten minute interview to [redacted] in the adjacent metal shed. This shed was next to the airstrip. (u)

At approximately three-thirty, two airplanes landed. One was a twin-engine Otter. The second was a single-engine plane. As there were approximately thirty people to depart and only twenty-five seats, it was necessary to decide who would stay and who would leave. [redacted] advised that he had decided that he and his crew would stay and allow the others to depart. During this whole wait, LARRY LAYTON had been leaning against the shed with the parka over his clothes. When it came time to load the passengers on the first plane, namely, single-engine plane, LARRY LAYTON announced that he was to be one of the five people. He stated that Congressman RYAN had promised that he would be included in this group. Congressman RYAN'S aide questioned the Congressman concerning this and advised that this, in fact, was his wish. The plane was loaded with four people, TONY KARSARIS, VERN GOSLEY, a lady who was a member of the Concerned Relatives and LARRY LAYTON. The single-engine plane began to taxi to the end of the airstrip. (u)

JIM COBB then noted to [redacted] that a tractor pulling a metal-sided trailer and the truck in which they had been brought, came on the scene across the runway. Then, just as quickly, this tractor-trailer appeared within one hundred yards of the twin-engine Otter. [redacted] advised he recognized the driver of the truck as the same man that had driven the party from the Peoples Temple to Jonestown. Also, he identified one of the men standing in the truck as a blonde man. He advised there were approximately one-half dozen men (u)

b6
b7c

standing in the truck and trailer. He could not see these people with the exception of shoulders and heads (u)

Another truck then drove right to the airplane. This truck had the Guyana police. One of the officers got out of the truck and stood near the airplane with a shotgun. The man stood to the side with this shotgun. [redacted] observed that the people began to applaud when the police appeared. There was degree of anticipation that something bad was going to happen. He believed this was the reason for the peoples reaction. (u)

[redacted] was standing on the ground in front of the twin-engine Otter talking to the pilot. The pilot was advising him that it would be impossible to return that day for he and his film crew. The return flight would have to be delayed until the next day because of darkness. While they were discussing this return, he heard two shots from behind him. He turned around and saw that the left front tire of the twin-engine Otter had been shot out. At that moment the little single-engine plane was at a ninety-degree angle to the runway, approximately one hundred fifty yards towards the end of the runway. Seconds after the first two shots, there was a barrage of gunfire. [redacted] ran approximately fifteen yards to an adjacent metal building and lay on the ground for safety. He witnessed the people coming from the Peoples Temple truck walking across the airfield firing handguns and rifles at the news media members. (u) He witnessed these people walking close to the wounded and at point blank range firing into the bodies of the wounded. He remained in that location for a moment and then got to his feet. He remembered the Guyanese aircraft that had been parked at the end of the runway when they arrived the day before. The aircraft had a damaged nose wheel and had been guarded by Guyanese soldiers. He ran along the runway towards this airplane. He asked the Guyanese soldier to offer protection to the news people who were being fired upon by these assailants. The Guyanese soldier refused to give him any assistance. He then asked the Guyanese soldier to give him a gun so that he may protect himself. The soldier denied this request also. (u)

During the shooting he witnessed the gunman waving the Guyanese citizens out of the way in an effort to (u)

protect them. (u)

When he was near the wrecked airplane, he was approximately fifteen to twenty yards from the single-engine plane. He heard shots from inside of the plane. The captain jumped out of the airplane and said "Everybody out". No one else exited the airplane. (u)

He then crossed the runway and ran back through the brush for protection to the twin-engine Otter. When he reached the Otter, he found several members of his crew and Congressman RYAN dead. The assailants had departed in the above-described truck and were gone. Congressman RYAN was laying beside the right front landing gear. He had apparently been wounded and was shot in the head. BOB BROWN was laying under the tail of the plane. He had been shot in the head and his head blown partially away. DON HARRIS was laying centership and had powder burns on his clothing, meaning that he had been shot at very close range. The still photographer, GREG ROBINSON, was laying behind the wheel of the tire that had been shot out. (u)

He looked for JIM COBB, as he felt COBB was one of the other people capable of self-protection due to his physical stature. He could not find COBB and to his knowledge COBB is still somewhere in the jungle. (u)

The people that were critically wounded, were taken to a place approximately fifty yards into the jungle. He and [redacted] made a litter and carried the wounded to this location. He spoke with the three pilots. The pilots advised that he had been broadcasting during the attack. The pilot stated that he had advised by radio that the people were dead and that the Congressman had been killed. The pilot advised that there should be help at the airstrip within one hour and fifteen to one hour and forty-five minutes. The pilot reiterated that the news had been sent out and that helicopters would be coming soon. The three pilots then boarded the single-engine airplane and left. (u)

[redacted] advised at that point they had three options. Option number one was to hide where they were in the jungle, option number two was to go to the Guyanese Army tent at the end of the runway, and option number three was to go to town. [redacted] decided that it would be best for the

SJ. 89-123

wounded to remain at the airstrip. (u)

The following morning, after approximately fourteen hours, it was daylight. Thereafter, approximately one hundred and thirty Guyanese troops arrived. [redacted] spoke with the Commanding Officer and suggested that he deploy these men on the airfield so that a plane could land safely. The officer did this. [redacted] concern was that the assailants may still be in the jungle and the possibility existed that if a plane landed it would also be assaulted. (u)

Soon after deploying the troops a twin-engine Otter appeared and again the problem of not enough room was encountered. The seats were removed from the airplane and the wounded were loaded first. Eventually, all of the people were removed by the plane to Georgetown. At Georgetown [redacted] advised he was met by the United States Air Force paratroopers. Their luggage was searched and the people searched. (u)

b6
b7c

[redacted] had told the United States officials of the arrest of LARRY LAYTON at Port Kaituma. While at the airport in Port Kaituma, a fellow-member of the media said "Christ". "There he is". This was in reference to LARRY LAYTON being at Port Kaituma. (u)

[redacted] told the local police there that he was given the automatic revolver that LAYTON had used to shoot the fellow passengers in the single-engine plane. The gun was then given to RICHARD DWYER. Based upon this information, the local police arrested LAYTON. (u)

LARRY LAYTON was taken into custody and to the police station. During that evening the police returned to advise him that they needed help in guarding the prisoner. He advised them that he could not provide anyone to guard the prisoner. (u)

He then made arrangements for a flight on a Lear jet which was chartered by NBC and returned to Puerto Rico.

"Upon arriving the news party was given a limited opportunity to meet and interview family members who resided there and to conduct limited discussions with Reverend Jones. Reverend Jones explained to me the parameters of my interviews and filming. A band and show were provided for us. During this show a man who was residing at the compound, Vern Gosley, gave a note to my correspondent Don Harris. Don immediately gave to me this note which was in block print saying that Vern Gosley needed help and wanted to leave. The note was brought with me to Puerto Rico and I turned it over to [redacted] in charge of [redacted] for NBC.

"I was told by Reverend Jones that there was no accommodations for sleeping and we must leave the compound. At approximately 11:00 p.m., on November 17, 1978, I left the compound in the company of the media and family members. Mark Lane, Charles Garry, Congressman Ryan and his aide remained at the compound that evening.

"Arrangements were made upon their returning to Port Kaituma on transportation back to the compound at daybreak on Saturday, November 18, 1978. The transportation arrived at approximately

11:00 a.m., on that date and I returned in the company of the fellow media members and family representatives to "Peoples Temple". I continued the interviews and filming. I was provided a limited tour of the compound. At approximately 2:00 p.m. Reverend Jones asked, "Why don't you leave?" "Get out of here." The members of the media and family as well as approximately 10 to 12 "defectors" were placed on a flatbed truck for departure. Also Congressman Ryan and his aide prepared to leave.

"Just prior to leaving Congressman Ryan returned to the pavillion which was approximately 500 yards from the truck where I was sitting. I could hear a scuffle but did not witness any of the happenings. Congressman Ryan came from the compound with blood on his shirt in a shaken condition. He climbed into the truck and at this same time a white male described as approximately 5'6" tall, weighing 135 pounds, in his late twenties with slight build and dirty blond curly hair, got into the truck. He was wearing a white shirt and white pants which were partially covered by a rain poncho. Later this man was identified to me as Larry Layton. He stood in the back of the truck and did not speak to anyone.

"Congressman Ryan told me personally that when he returned to the "Temple" and was talking to Reverend Jones in an effort to get the release of approximately eight other people residing in the compound, an unidentified man grabbed him from behind and put the point of a knife to his throat. The Congressman advised he grabbed the assailant's arm and managed to slide partially to the side of the assailant, at which time someone in the group came to his assistance and wrestled the assailant to the ground. Congressman Ryan stated when he turned around, the assailant was lying on the floor and had been stabbed by the same knife. Congressman Ryan advised that present during this assault and witnesses to this assault were Attorneys

Charles Garry and Mark Lane. The truck departed the compound and returned to the airfield at Port Kaituma. I arrived at Port Kaituma between 3:00 and 3:30 p.m.

"Previous arrangements had been made for air transportation at 2:30 p.m., but there were no airplanes at the airport when I arrived.

"My film crew conducted an interview with Congressman Ryan at a metal shed adjacent to the airfield. At approximately 3:45 p.m. a twinengine Otter and a single engine airplane arrived. As there were only approximately 25 seats available and some 30 people to depart, I decided to remain with my crew until one of the planes returned. (u)

"During this preparation for flight Larry Layton had remained off to the side leaning against a building. When the choosing of passengers was made he demanded to be a member of the passengers for the single engine plane. He advised the Congressman's aide that he had been promised by Congressman Ryan a seat on this plane. The aide checked with Congressman Ryan and confirmed this. Four other passengers and Larry Layton were put on the plane and the plane taxied to a takeoff position.

"Jim Cobb called to my attention a tractor pulling a metal trailer and the truck in which we had been brought to the airport. I saw the same driver who drove us from the compound driving this truck and a blondhaired male standing on the trailer. There were other men standing on the trailer whom I cannot identify. These vehicles stopped approximately 50 yards from my location, i.e., the Otter aircraft. A police vehicle drove to my location and a police officer with a shotgun stood near the twinengine Otter as though he were guarding the plane. I was talking with the pilot of the twinengine Otter when I heard two shots. At that point I was standing on the ground in

front of the aircraft talking to the captain, who was sitting in the captain's seat. I turned around and saw the left tire had been shot out. The single engine plane was at a 90 degree angle to the runway making preparations for departure.

"After the two shots there was a pause and then there was a barrage of fire which originated from the area of the truck and spread out around the immediate area of the twinengine Otter and into the "bush". It seemed to me as though the shots were coming from the whole surrounding area of the aircraft. I ran from under the plane approximately 15 yards to a metal shed and laid on the ground for protection. From this location I could see the assailants shooting at the news party and shooting point blank at the wounded as they lay on the ground. (u)

"I got up and ran to the other end of the airfield remembering I had previously seen a damaged aircraft being guarded by a Guianese soldier who was carrying what I thought to be an automatic weapon. I tried to persuade him to assist us by firing at the assailants; however, when he refused I tried to persuade him to give me the weapon, to no avail.

"At this location I was approximately 10 to 15 yards from the single engine plane which had come to rest. I heard gun shots from within the plane. The pilot leaped from the plane and shouted for everyone to get out, but no one else exited the plane.

"I crossed the runway into the "bush" and ran back towards the twinengine Otter. The assailants climbed onto the trailer and truck and departed.

"When I got to the twinengine Otter I found Congressman Ryan lying beside the right front landing gear. It appeared he had been wounded and shot in the head. I found Bob Brown shot in the head lying under the tail of the plane. I found Don Harris lying center ship under the plane. I found Greg Robinson lying behind the wheel which had been flattened by gunfire.

[redacted] and I helped the wounded to a location approximately 50 yards from the runway into the "bush" for safety.

"In speaking with the pilot of the Otter I was informed he had radioed that Congressman Ryan and other people were dead and the severity of the assault.

"After dark I assisted in taking the wounded to the Guyana army tent, adjacent to the wrecked airplane. The remainder of the victims went to a shelter in the nearby town.

"Approximately 14 hours passed when approximately 130 Guianese troops arrived by railroad. Protection was setup at the airport for incoming airplanes and preparations made for evacuation.

"I returned to Georgetown in a Guianese Government airplane. After approximately one hour in Georgetown I was transported to Puerto Rico on a chartered jet.

"I have read the above statement, consisting of this and additional pages. I have initialed each page and now sign it because it is true and correct to the best of my knowledge.

[redacted]
[redacted], telephone number [redacted] who
is employed as [redacted]
work telephone number [redacted] was located and
interviewed at the Malcolm Grow Medical Center located on
Andrews Air Force Base, Camp Springs, Maryland. [redacted]
advised the following: (u)

[redacted] advised that he has been reporting on
the activities of the Peoples Temple, a religious cult
headed by the Reverend JIM JONES, [redacted]
[redacted] This cult, which was founded in Indiana, moved
to California, specifically in the Redwood Valley area,
approximately sometime in 1965. It later moved to San
Francisco, California and still maintains their main temple
in San Francisco. Approximately two years ago, Reverend
JONES founded a settlement in Guyana, South America, which
he named Jonestown, and a number of his followers have
been residing there for quite some time. During the last
year and a half, there have been numerous allegations
concerning mistreatment of some of the followers within the
Jonestown settlement. (u)

b6
b7c

Sometime in early November of this year, he learned
of a pending trip to the Jonestown settlement by Congressman
LEO RYAN of California and he made the appropriate arrangements
through RYAN's office and [redacted]
[redacted] to accompany Congressman RYAN on this trip. The
group, which was to visit the Jonestown settlement, consisted
of Congressman RYAN and his congressional aide JACKIE SPEIERS,
approximately nine news people representing various newspapers
and television networks and an unknown number representing
the concerned relatives group. The concerned relatives group
consisted of members of the immediate families of some of the
followers of Reverend JONES who were living at Jonestown
and who were believed to be mistreated and, in some cases,
held there against their will. (u)

The group left San Francisco on the night of
November 13, 1978 and traveled to New York City via United
Airlines. On the 14th of November, the group left New York (u)

via Pan American Airlines and arrived around midnight on November 14, 1978 in Georgetown, Guyana, making one stop en route at Port of Spain, Trinidad. (u)

In Georgetown, the group stayed at the Pegasus Hotel for the next three nights; that night as well as Wednesday and Thursday nights. During this time, Congressman RYAN had several meetings with attorneys MARK LANE and CHARLES GARY, who were representing Reverend JONES and the Peoples Temple. These attorneys had arrived in Guyana on separate airlines and negotiated with Congressman RYAN concerning his visit to the Jonestown settlement. On Friday morning, November 17, 1978, these attorneys finally gave the okay for Congressman RYAN and his aide, the news people and four members of the concerned relatives group, CAROL BOYD, JIM CORB, BEVERLY OLIVER and ANTHONY KASSARIS, to meet with JONES at the Jonestown settlement. This group, along with LANE and GARY, flew into Port Kaituma on a charter flight of the Guyanese airlines, which left Georgetown approximately 2:00 p.m. and arrived at Port Kaituma roughly between 3:00 and 3:30 p.m. on the 17th. (u)

[redacted] was told by the unnamed pilot of that plane that the Peoples Temple had called the Georgetown tower to advise them that they should land at Matthews Ridge rather than Port Kaituma due to the fact that the runway at Port Kaituma was supposedly too wet to land on. The pilot, however, after flying over the Port Kaituma airstrip, felt that it was not too wet and he put them down at Port Kaituma instead of continuing on to Matthews Ridge. (u)

After landing, GARY and LANE would not allow anyone except Congressman RYAN to go into Jonestown and everyone else had to remain at the airport. After Congressman RYAN was gone for approximately two or three hours, an individual from the settlement by the name of JIM MC DIVANE came out to the airport and advised that everyone else could now come into the settlement. At the settlement, the group was given a tour of the mission and they had dinner there. Members of the settlement also put on a disco dancing show on the stage for them. They were allowed to speak to some members of the group and were also allowed to talk to Reverend JONES. The entire group desired to spend the night

at the settlement, however, JONES refused to give them permission and only allowed Congressman RYAN and his aide to stay overnight in the settlement. The rest of the group was transported back to Port Kaituma where they were to spend the night at Mike and Sons Disco. They were supposed to be picked up and returned to the settlement around 6:30 a.m. the next morning, however, they were not picked up and taken back to Jonestown until approximately 10:30 a.m. During the second day at the settlement, they were allowed to see even more of the settlement, including some places that they had not seen the previous day. At first it seemed like all the people in the settlement were quite happy there, however, Congressman RYAN and members of the news media then began receiving notes from some of the Peoples Temple members stating that they would like to leave the settlement and accompany the RYAN party back to the United States. Reverend JONES was confronted with this information and he became rather disturbed and agitated over the number of people who wanted to leave. (u)

b6
b7c

At approximately 3:00 p.m., the group, along with 16 defectors from the settlement, were to return to the airport for the flight back to Georgetown and then on to the United States. There were a number of other residents of the settlement who wished to leave Georgetown, however, there was no room for them on the truck that was to go out and hence, they would have to remain. Many of them expressed fear for their lives while Congressman RYAN and the news people were going to the airport and for this reason, Congressman RYAN agreed to stay with them and go on the second truckload out to the airport. As the first group was getting ready to leave, there was a big commotion over at the outdoor pavilion inside the settlement and DON HARRIS of NBC went over to find out what the problem was. HARRIS then waved to them and he [redacted] and several others ran over and found out that an unknown member of the settlement tried to kill Congressman RYAN by slitting his throat. Congressman RYAN told them that it was GARY and LENE who prevented the attacker from killing him. Congressman RYAN did have some blood on his shirt, however, he was not injured and it was determined that the blood was that of his attacker. At this time, JOHNNY JONES, Reverend JONES' adopted son, came over to the group and suggested that they get on their way to the airport before any further disturbances occur. The group then returned to the truck, along with Congressman RYAN, and started out to the airport. (u)

BA 89-173
GTC/GTS:cal

When the truck left the gate at the entrance to Jonestown the chain blocking the entrance was up and JOE WILSON, a Negro male, approximately 5'9" tall with plaited hair, and a Mr. EDWARDS, not further described, came to the back of the truck and demanded to see all the people in the truck who were leaving, ostensibly to search for WILSON's wife and child whom he suspected were trying to defect. Neither WILSON's child or wife were found on the truck and the truck was then allowed to continue on to the airport. Also included on the truck was an escort man from the settlement by the name of BIRDWELL (Phonetic), who is a white male, approximately 22 years old. (u)

En route to the airport, they did observe a tractor with a flatbed trailer on it and some wood on the trailer. (u)

Also while they were en route, JIM COBB, who was an ex-member of the Peoples Temple, as well as some of the other unidentified defectors, advised him that they feared LARRY LAYTON, who was also on the truck and presented himself as being a defector. They told him that LAYTON was just too close to Reverend JONES and they did not believe that he was truly defecting. They believed he was armed and probably was sent by JONES to cause some kind of problem. The group was very apprehensive about LAYTON and the possibility of trouble either along the way or at the airstrip. (u)

b6
b7c

While at the airport, because of the people's fear of LAYTON and perhaps some of the other defectors not being true defectors, they decided to frisk all of the people getting on the two planes. LARRY LAYTON was observed by him going to the back side of the smaller airplane to avoid being frisked and then slipping back in line after some of the other people were frisked. LAYTON also insisted that he be allowed to go on the smaller plane and he accomplished this by somehow convincing Congressman RYAN to allow him to go on the smaller plane, which was going to be the first plane to leave. [redacted] could only assume that LAYTON probably convinced Congressman RYAN that because of his closeness to JONES, he would be in a better position to give him more information on what JONES was really up to (u)

BA 89-173
GTC/GTS:cal

During this time, he observed the truck that took him to the airport parked over by the far side of the airstrip and parked next to it was the tractor which they had seen earlier. The tractor then came over towards the metal shed which was used as a shelter for passengers, and he observed someone on the tractor wave to some Guyanese children to get out of the way. At this time, he turned to [REDACTED] GREG ROBINSON, and said "I think all hell's gonna break loose here". He then moved over towards the small plane and helped frisk people to help expedite getting the plane loaded to get out of there. At this time, he had his back to the tractor when he heard the first shot go off and he immediately ran around the plane and hit the ground. At this time, he felt a bullet enter [REDACTED] [REDACTED] and he, after getting to the back side of the airplane, then decided to get up and make a run for it to the woods. While doing this, he observed a number of other people doing the same thing. He ran approximately 100 yards into the woods and then stayed there until the shooting stopped and he saw other people leaving the woods and going back out to the airstrip. (u)

b6
b7c

When he returned to the airstrip, he found out that Congressman RYAN, DON HARRIS of NBC, BOB BROWN, a cameraman, GREG ROBINSON, [REDACTED] and one of the defectors, a female, (FIRST NAME UNKNOWN) PARKS, had been killed and a number of the other people had been wounded. He did not see any of the people who actually did the shooting and feels that the shooting was done by approximately three or four people. (u)

Neither of the planes got off the ground before the shooting started and he was told later by DALE PARKS that LARRY LAYTON, who was aboard the smaller plane did pull out a weapon and attempt to shoot someone before he was subsequently subdued. LAYTON was turned over to the Guyanese people and his weapon was turned over to DICK DWYER, an aide at the U. S. Embassy in Guyana. After the shooting, it was determined that a tire on the larger plane had been shot out and it could not be moved. Both pilots and one of the injured persons, name unknown, left in the smaller plane and were to obtain assistance from the Guyanese government. (u)

BA 89-173
GTC/GTS:cal

The remainder of the group brought the wounded to one end of the airstrip where there was a tent. This tent was being used by four Guyanese soldiers who were guarding a disabled government plane. The group then took turns watching over the wounded and being alert to the fact that the people from Jonestown may return to start some more shooting. The Jonestown people never returned and Guyanese troops finally arrived the next morning, Sunday, and assisted them in the evacuation of the wounded and the rest of the group from Port Kaituma to Georgetown and subsequently back to the United States. He did not know the exact number of people that actually left Port Kaituma because some of the people who ran into the jungle when the shooting began were still missing and some of their immediate families refused to leave Guyana without them. (u)

[redacted] advised that LARRY LAYTON is a white male, approximately 25 to 30 years old, slight build. He stated that the only weapon he observed was a .38 caliber revolver which supposedly was taken off of LARRY LAYTON (u)

[redacted] was interviewed in the San Francisco Office of the FBI in the presence of [redacted]. He was advised of the official identity of the interviewing agents and stated that he wished to be interviewed regarding the incidents surrounding the missing film from the camera of San Francisco Examiner photographer, GREG ROBINSON. He advised as follows: (u)

On Saturday, November 18, 1978, after the attack on Congressman LEO J. RYAN, [redacted] ran into the jungle adjoining the airstrip. [redacted] had been wounded during the attack and hid in the jungle for approximately five minutes. After the tractor on which the gunmen were riding had departed the airstrip, he came out of the jungle. He first observed the body of Congressman LEO J. RYAN and was informed that RYAN was dead. He then observed the body of DON HARRIS and was informed that HARRIS was dead. He inquired about GREG ROBINSON, saw GREG's body on the ground and verified that ROBINSON was dead. [redacted] then noticed that the camera strap on ROBINSON's camera had been cut, but he was uncertain if the straph had been cut by bullets or by a knife. However, both of ROBINSON's cameras were still with him on the ground. (u)

b6
b7c

[redacted] then assisted others in carrying the injured off of the field into tall grass adjoining the airstrip. He noticed that Guyanese men, women and children were gathered at the end of the airstrip. All of a sudden, the Guyanese people began to run off the airstrip and [redacted] heard someone shout that the attackers were returning. (u)

[redacted] then ran into the jungle and remained there for thirty to forty-five minutes. As they were making their way back to the airstrip, they heard an engine and saw an airplane taking off. Afraid that they were being left behind, they made their way quickly to the airstrip. They observed that several members of their party were on the airstrip, along with many Guyanese citizens. The Guyanese were walking around the site of the attack and looking at bodies. It is unknown whether any items were taken from the bodies. (u)

Personal belongings from the dead, injured and survivors were moved close to a metal shack on the airstrip. [redacted] recalled seeing ROBINSON's camera case among the belongings which were placed outside the shack, but it is unknown which and how many cameras were inside the case. It is noted that the case can hold the three cameras that ROBINSON had with him on the Guyana trip. At time of attack ROBINSON was wearing his two Cannon cameras, the Nikon had been put into the case earlier. (u)

b6
b7c

The Guyanese citizens then offered their assistance to the survivors and found shelter for the survivors in a disco in nearby Port Kituma. [redacted] carried ROBINSON's camera case to the disco and placed the case directly under his seat on the bench. Some time later in the evening, [redacted] and [redacted] left the disco and returned to the airstrip to attend to the injured members of their party. These injured members had been placed inside a tent on the airstrip, normally used by Guyanese soldiers. Before leaving the disco, [redacted] asked [redacted] to watch ROBINSON's bag, as it was located under the bench she was sitting on. When [redacted] returned from attending the wounded approximately one hour later, he noted that [redacted] had changed seats and that the bag had been left unattended. He also noted that Guyanese citizens had remained in the disco, acting as security guards. (u)

Upon his return to the disco, [redacted] removed ROBINSON's bag from under the bench and took the bag with him to the rear of the disco. He did not sleep that evening and the bag was under his control for the remainder of the evening. (u)

On Sunday morning, November 19, 1978, three or four Guyanese soldiers were sent to the disco to inform survivors that aircraft would be arriving at the airstrip to transport them out of the area. The survivors were then transported to the airstrip and [redacted] recalled taking ROBINSON's bag with him. He was to be transported on the medical evacuation plane but, because [redacted] did not wish to be left behind to wait on the arrival of the second aircraft, [redacted] gave his seat to [redacted]. When the second aircraft arrived at the airstrip, he loaded ROBINSON's case inside the airplane. (u)

SF 89-250

CBA:jmr

Before the airplane was to take off, he decided to take photographs of the airstrip and the airplane that had been disabled during the attack on Congressman RYAN and others. At that point, he opened ROBINSON's bag to secure a camera and observed that the two Cannon cameras on top were both muddy and one of them was wet. However, the Nikon camera was not muddy and he used it to photograph the disabled plane. He noted that [redacted] remained inside the aircraft while [redacted] took photographs. [redacted] is uncertain whether or not he took ROBINSON's bag with him while he was photographing the disabled aircraft. (u)

He advised that ROBINSON's bag remained within his sight on the flight to Georgetown, Guyana and in the subsequent search of luggage and belongings at the airport. (u)

On the flight to Washington, D.C., ROBINSON's bag was out of his sight on three brief occasions: (u)

When [redacted] left the bag to have his arm bandaged.

When [redacted] left his seat for approximately one minute to receive some type of injection. (u)

When the plane stopped in Puerto Rico, he deplaned and telephoned his office. (u)

When he returned to the plane, he tried unsuccessfully to open one of ROBINSON's cameras. He was assisted by an air force man who was assigned to the flight as a photographer. This air force individual emptied the Nikon camera for him. (u)

[redacted] discovered that one of ROBINSON's Cannon cameras had no film in it whatsoever. Film from the Nikon and one of the Cannon cameras was removed from the cameras and placed in a compartment in ROBINSON's bag, along with other rolls of film. It is unknown whether these other rolls were exposed or new film. (u)

SF 89-250
CBA:jmr

Upon arrival in Washington, D.C., [redacted] was met by [redacted] (ph). [redacted] gave [redacted] seven rolls of film from a compartment in ROBINSON's bag, which included the two rolls of exposed film that he had removed from ROBINSON's cameras earlier. At the time, he assumed that he had given [redacted] all of the film in ROBINSON's bag. (u)

Upon arrival at the hospital, he placed ROBINSON's bag inside a room with other survivors and left the room to call his office. [redacted] was placed in a hospital room and learned that the Air Force had inventoried ROBINSON's bag. The inventory sheet was signed by Staff Sergeant SCOBLE and witnessed by Master Sergeant WILLIAM GARDNER, III, or WILLIAM GORDON, III (signature illegible). The inventory sheet makes reference to "five rolls of film" and does not specify whether the film was exposed or not. In addition, the inventory sheet lists ROBINSON's passport as being in^{b6} the bag and the passport number is F230759H (or I). At this point,^{b7c} [redacted] learned that ROBINSON's bag contained the additional five rolls of film reflected on the inventory sheet. [redacted] signed the inventory sheet in order to gain custody of ROBINSON's belongings. At that point, ROBINSON's belongings were brought into his hospital room and remained in his sight until [redacted] arrived in San Francisco on Wednesday, November 23, 1978. (u)

Upon arrival in San Francisco on November 23, 1978, [redacted] asked [redacted] to examine the contents of ROBINSON's bag. [redacted] found the five rolls of film and it was determined that two rolls had been exposed and contained shots of Georgetown. (u)

[redacted] advised that he personally shot one roll of film in Guyana, which he gave to ROBINSON for safekeeping. This roll of film has not been found and he suspects that several rolls of film taken by ROBINSON are missing. He advised that ROBINSON used Ilford film, HP-5, ASA400. [redacted] examined photographs developed from film found on the body of a deceased person in Jonestown, Guyana, and he advised that none of these photographs appeared to have been taken by ROBINSON. Upon examination of the negatives from the photographs, it was determined that the film used was not the brand carried by ROBINSON. (u)

SF 89-250
CBA:jmr

In [] opinion, the greatest opportunity for theft of ROBINSON's film would have existed on the airstrip after the attack on RYAN and others and when [] was hospitalized at Andrews Air Force Base. (u)

[] also believed that the film could have been taken from ROBINSON's body by United States Air Force or by Guyanese having custody of the body. [] stated that ROBINSON's relatives had reported that ROBINSON's money was missing when they received his personal affects and [] for this reason, felt it possible that any film in his pockets might also have disappeared. (u)

[] believed that the missing film would have contained shots of the Jonestown, Guyana camp residence. He believed that ROBINSON's photographs taken prior to the assault on RYAN at the airstrip had been all recovered and developed; however, he is not certain what shots were on the missing film. (u)

On December 13, 1978, SA [redacted] [redacted] Washington Field Office, Federal Bureau of Investigation (FBI), telephonically contacted [redacted] [redacted] Legal Department, Washington Post Newspaper, concerning the interview of CHARLES KRAUSE, who had been a witness to the killing of RYAN at Jonestown, Guyana.

[redacted] stated KRAUSE was in Georgetown, Guyana, and that he [redacted] did not know when KRAUSE would return to the United States. [redacted] was advised that the FBI wished to interview KRAUSE about his knowledge of the facts that he (KRAUSE) could relate concerning the death of RYAN. [redacted] intimated that KRAUSE, because of his status as a "reporter" would not be obliged to discuss this matter with the FBI. At this point, it was explained to [redacted] by SA [redacted] that KRAUSE was a witness to a murder of a U.S. Congressman and that this crime falls under the Congressional Assassination Statute, in which case the FBI has the primary responsibility and right to interview any and all witnesses to the crime. (u)

It is noted that several other prior attempts to contact KRAUSE telephonically by SA [redacted] had resulted in no response from KRAUSE. [redacted] concluded the conversation by saying he would inform KRAUSE of the FBI's desire to interview him. It is noted that KRAUSE, two weeks after the Jonestown massacre, had written a book in paperback form, concerning the massacre which was already on the newstand at the time SA [redacted] had his conversation with [redacted].
