DAILY SUMMARY (u)

At 2:22 p.m. this date, San Francisco Office advised that San Francisco Mayor George Mosconi and City Supervisor Harvey Milk were shot and killed in the Mayor's Office by an individual identified as Dan White. The shooting, which occurred at approximately 2:15 p.m., Eastern Standard Time, apparently is not related to captioned matter, but rather, is the outgrowth of a political argument over whether White could withdraw his resignation as City Supervisor and be reinstated by the Mayor. White, a city fireman, apparently became enraged at the Mayor's decision to appoint another individual to take White's place and shot both individuals. White is in local custody at this time. San Francisco is endeavoring at this time to determine if Dan White has ever had any association with the Peoples Temple (u)

[redacted] former member of the Planning Commission of the Peoples Temple, has furnished information to the San Francisco Office that the Peoples Temple is made up of four types of persons. These types include ex-members, current members, members of the Planning Commission, and "the Angels" or "Staff" who are the innercircle of the Planning Commission. The Angels have been characterized as the "hit men" by ex-members who have been interviewed. Ex-members have also indicated the existence of a contingency plan which would go into effect under the following conditions to include the following results: (u)

22 DEC 5 1978

If a public official attempted to expose the Peoples Temple, Angels were to kidnap the public official's children, kill those children, kill their own children, and then commit suicide. (u)

If the Church fell, the following persons are to be assassinated: San Francisco Mayor Mosconi, the President of the United States, and the Governor of California. Also (u)

named were those in line to succeed to the Presidency. The foregoing information has been made available to local officials in California as well as the Justice Department. United States Secret Service (USSS), CIA, State Department, National Security Agency, Defense Intelligence Agency, and the White House Situation Room. (u)

Telephonic contact with Legat Robert Ogelsby has revealed that the Guyanese Police have taken appropriate steps to preserve and protect all physical evidence in Guyana which includes 32 weapons listed by Guyanese and furnished to the FBI for NCIC checks. NCIC is negative re all weapons and this information is being relayed to Guyana for the information of local authorities. (u)

It has been determined that the briefcase belonging to Congressman Ryan was given by DCM Richard Dwyer, State Department Official in Guyana, to James Schollaert, a Committee Staffer for Congressman Ryan. Schollaert has returned to his home in [redacted] Virginia, and is being interviewed by the Alexandria Office. (u)

Medical records and various unidentified tape recordings located at the Jonestown community are in the possession of the American Embassy at Georgetown, Guyana. The State Department intends to turn these documents over to the FBI unless the Government of Guyana insists upon retention of those items for prosecution in Guyana. In the latter event, all materials will be copied for the FBI before the originals are turned over to the Government of Guyana. (u)

The current status of Americans in Guyana is as follows: (u)

46 individuals are in residence at the Lamaha Gardens, Peoples Temple Headquarters in Georgetown, Guyana. This is the location where Sharon Amos and her three children were murdered at about the same time the mass suicide took place in Jonestown. It is recalled that the Lamaha Gardens is a Peoples Temple owned structure in Georgetown, Guyana. (u)

29 individuals are currently housed at the Park Hotel. This group is composed of those formerly listed as the group who elected to stay at Police Headquarters before being persuaded to go to the hotel. Included in this group are (u)

two brothers named Carter and Michael J. Prokes who were at one time held by local police but who have since been released. Local authorities appear convinced that these individuals were not involved in either the airport incident or the mass suicide. (u)

Two individuals are in a public hospital; one individual, Miguel DePina was allowed to return to the United States on a commercial flight due to advanced age and ill health. Mr. DePina is being interviewed at Los Angeles following his arrival there on this date. (u)

Two individuals have been arrested by local authorities in Guyana. Larry Layton has been charged with murder. Layton was born on [REDACTED] Layton has been charged with the murder of Congressman Ryan although it is unclear as to whether he actually shot Ryan personally. The second individual being detained by local authorities is Charles Beikman who has been charged with the murders of Sharon Amos (supra) and her children. Beikman was born 8/13/35 in Indiana. No further information is available at this time regarding these arrests other than the fact that Larry Layton is scheduled to go to trial in Guyana on 1/15/79. No trial is yet set for Charles Beikman. (u)

b6
b7C

The identities of all persons travelling in the Ryan party both to Georgetown and to Jonestown is now known. We are insuring that all of these individuals are promptly interviewed. We are attempting to identify all members of the news media who are either in Guyana or who have returned from Guyana during the period of this incident. State Department has advised that they do not have a list of media personnel and we probably will be forced to rely upon media publications in order to identify all representatives of the media for interviews. (u)

The San Francisco Office has arranged through the Office of the United States Attorney, San Francisco, for the New York Office to purchase from NBC News, New York, a copy of film footage of the events at the crime scene. The costs, which will be borne by the United States Attorney's Office, San Francisco, should only amount to the costs of reproduction of the film. We have deemed this action more expedient than seeking the issuance of a subpoena which would undoubtedly involve a lengthy court battle in which NBC would no doubt feel compelled to challenge the subpoena to protect its industry. RE: RYMUR

A teletype has been sent to all offices and Legats this date advising of the legitimate interest of USSS and instructing that these interests be accommodated. (u)

The investigation into the background of Dr. Larry Schacht has begun. Dr. Schacht is believed to be the individual who was the medical officer at the Jonestown community who prepared the suicide laced Koolaid from which many victims drank. A file review by the Houston Division indicates prior investigation of Schacht and family members regarding Students for a Democratic Society (SDS) activities and former Communist Party USA connections. This matter is being followed closely to insure that the background investigation is limited to Dr. Larry Schacht and not to other family members where not shown to be pertinent to the showing of a criminal violation. (u)

Alcohol, Tobacco, and Firearms Division of the United States Treasury Department has undertaken the task of tracing the Jonestown weapons for the FBI. (u)

Tragedy Not Surprising To Ex-Sect Member

By JIM BEAMGUARD
Tribune Staff Writer

Tom Dickson, of Tampa, says he wasn't surprised when he heard that members of the People's Temple had ambushed Rep. Leo J. Ryan in Guyana.

Dickson says he was one of the early members of the sect when it was first organizing in Indianapolis in the early 1960s, and is now chief of a security company in Tampa.

"Whether he pulled the trigger or not, Jim Jones is still responsible," Dickson says. "There was no way it could end up but that way."

Dickson, 53, says he joined the sect out of curiosity, and became a member of the "elder council" of the then-growing organization. One job of that council was to keep members from quitting the church, Dickson says.

"He would threaten people, tell them something tragic would happen if they walked away," he says. "He would fake healings," Dickson said, to make others believe in him.

Advocating conservative dress, bread lines, communal living, anti-violence, and miracles of healing, Jones built a strong following in Indianapolis in the early 1960s, Dickson says.

"He did a lot of things for the poor," Dickson recalls. "He wanted to start a commune. He said he had a revelation from God that people had to band together against totalitarianism."

"No one else was supposed to have anything, but he had three Cadillacs and plenty of money. He was making slaves out of the people. They were mostly young people, lower class people, and women. He had them painting his house, fixing his car."

"I finally told him, 'Jim, I'm not going to let you get away with this stuff. He jumped right up and shouted, 'You're speaking against the anointed prophet of God,'" Dickson says.

So Dickson quit the organization, and says he tried to talk others out of leaving Jones. Some members turned against the sect, and Jones moved to Hawaii.

Later he returned to Indianapolis, Dickson says, then moved to California.

The Rev. Harry Curran, now living in Minnesota, says he knew Dickson when the man was a member of the sect.

Tom Dickson recalls Jones from early days.

"He (Dickson) was pretty deep in it before Jimmy went off the deep end," Curran said Monday night. Curran, of the Assembly of God Church in Manakato, said he and his family attended a Jones meeting in Indianapolis, walked out before it was over, and Jones shouted to them as they left that they would have heart attacks if they left.

"He pronounced a curse on us," Curran said. "Of course, nothing happened."

When Jones left for California, many of his followers went too, Dickson says.

"Mothers were calling me up, asking me to talk their sons out of going to California with Jones," Dickson says.

Most of them didn't listen to him, he recalls.

"A lot of people believed he was actually God," Dickson says.

After seeing the devotion showed to Jones, Dickson says he understands how there could have been mass suicides after the ambush in Guyana.

"I can hear him now," Dickson says. "He would say, 'The end is coming. They are going to throw you in jail. He would talk of a better life, give them a suggestion.'"

"I told him the day I left, 'Jim, you're a devil. Something serious is going to happen.' And he said, 'It won't happen to me.'"

"He'll go somewhere else," Dickson says, "and start it all over again."

Revised Club Competition Rules

"Three cheers for three tiers!"

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 10/1/92 BY 1048 DKM/mh

As early as mid-1976 the Contest Advisory Committee was studying the problem of ARRL-affiliated club competition because the giant clubs in metropolitan areas were dominating the standings. This left the smaller clubs and those in areas with few hams out of the running.

After review in early 1978 the ARRL Board of Directors approved a three-tiered competition which will allow clubs of approximately equal size to compete against each other. The revised club competition rules will be in effect for the 1978 ARRL November Sweepstakes, and the 1979 January VHF Sweepstakes and International DX Competition.

Club Competition

Only ARRL-affiliated clubs may participate in the club competition. A member must be listed in the regular score listings before he can be counted for a club.

In order for a club to be listed, two points must be met:

a) At least three entries from members of the club must be submitted.

b) All members wishing to be included in the club scores must indicate the club name on their summary sheet and the club secretary must send a list of all club members eligible to compete for the club and which level (unlimited, medium, local) they wish to enter for each competition. Remember to meet the mailing deadline!

There are three levels of club competition:

Unlimited. Any club submitting 51 or more entries would be in this class. (One station can submit two entries, one on phone and one on cw in the November Sweepstakes and the DX Competition.) All stations and all operators must reside within 175 miles of the club's center. All members more than 50 miles from the club's center must attend at least 50 percent of the club's meetings to be eligible to submit an entry. If, however, he has not been a member for a year's time, he must have attended at least 50 percent of the meetings since he became a member. There would be no attendance requirement for those members within 50 miles. However, to be considered bona fide, a member must be active in club affairs. Members living outside of 175 miles and/or members operating stations outside of 175 miles may not compete in the club competition. The club must be an ARRL-affiliated club.

Medium. Any club submitting more than 10 but not more than 50 entries would be in this class. There would be the same mileage and attendance requirements as the unlimited class club. The club must be an ARRL-affiliated club.

Local. Any club submitting 10 entries or less would be in this classification. All members must reside within 20 miles of the club's center. There would be no attendance requirement. Again, the club must be an ARRL-affiliate.

Single- and multioperator station scores may be counted. At a guest-operated

single-operator station, both the guest-operator and the station licensee must be members of the same club in order to count the score for that club. At multi-operator stations at least 66 percent of the operators must be members of the same club in order for the score to count for that club.

In conjunction with the 50-percent attendance rule, the club must hold at least four in-person meetings per year. A club's entry classification may be changed if, in the opinion of the ARRL Awards Committee, the club has manipulated its number of entries to fall into a lower classification (i.e., if a club with 100 members submits only the 50 highest scores, even if more than 50 of its members wish to compete).

It is not within the intent of these rules that a club should vote out a member or a member resign and then be voted back into the club later in order that he can meet the 50-percent attendance rule.

The highest affiliated-club entry will be awarded a gavel in each category (unlimited, medium, local.)

The highest single-operator cw score and the highest single-operator phone score in any club entry will be rewarded with a club certificate when at least three single-operator cw and/or three single-operator phone scores are submitted.

LONG-DISTANCE DELIVERIES

From all across the United States, amateurs and doctors teamed up in February to help a missionary doctor deliver twins in a remote Guyanan village. After the mother-to-be had become two weeks overdue, then gone into prolonged labor, Dr. Larry Schacht asked Al Touchette, WB6MID/8R3, to call for

assistance. His first transmission, on the 20-meter Maritime Mobile Net, was answered by N2EI/4, K4ZP, KP4DGT, WB5QAV and W7BIG. Changing band conditions, however, prevented completion of the exchange.

Amidst the patient's complications, Al established contact later that night with more U.S. hams. They were able to phone patch various specialists or relay the messages to and from Dr. Schacht. Among them were K3DML, Potomac, MD, who patched in Dr. Albert A. Green-

field, an obstetrician; W3BJB, Williamsport, PA, an orthodontist, who patched in Dr. Kenneth L. Cooper, an obstetrician; and WA1YAX, Wallingford, CT, who relayed for Dr. Sturla Stefason, an anesthesiologist at Yale-New Haven Hospital, in Connecticut. Despite the lack of modern facilities, Dr. Schacht was talked through a Caesarean section and delivered healthy, identical twin girls. The next day, Valentine's Day, the mission doctor reported over the air that all were doing well.

Dear [redacted]

We are terribly sorry for the delay in getting a QSL card to you in response to our contact. We are located deep in the interior of the tropical forest and there have been delays in getting our QSL cards from the Print. We are trying to remedy this now. We promise to get a QSL card to you just as soon as we possibly can. Our Project has been very successful, and we feel a great debt to amateur radio which has been a true life-line for us out here. Lives have been saved because of the help of operators who have put us in touch with critical medical information. We now have over a thousand residents here in the community and we have been able to help many people in the surrounding communities as well as our own. With a variety of needs our medical facilities have expanded, and we are planning to even do more in the near future to help as many as possible.

Agriculture livestock construction and all kind of Project that have been developed are proving that even in the jungle, people who work together can accomplish much.

We are inspired by what has been accomplished through combined effort and a spirit of good-will and service to our fellow man. We thank you as an amateur radio operator, for your contact and expression of encouragement. We hope you will be receiving your QSL card from us soon and will QSO with us again.

Although there is no federal criminal violation apparently related to the Jonestown suicide/murders, questions being raised in public and official circles, and the need to preserve evidence for purposes of the investigation by Guyanese authorities, indicate the desirability of conducting autopsies on at least a sampling of four Peoples Temple victims as well as on Jones and his confidante, Maria Katsaris (or Katzaris) both of whom, according to the media, died from gunshot wounds. It is also requested that an autopsy be conducted on the medical aid at Jonestown, Dr. Larry Schacht. It should be noted that the Guyanese government has requested an autopsy on Jones. *res*

Before these autopsies may be conducted, it will be necessary to secure the permission of the next of kin of the individuals upon whom the autopsies are to be conducted. Therefore, it is requested that the FBI immediately seek to contact such next of kin.

Should the next of kin of Jones, Katsaris or Schacht refuse to accede to our request for an autopsy, it is requested that the body of any such person whose next of kin does not consent to an autopsy, be turned over to Delaware state authorities so that they may conduct an autopsy.

When you examine the Jones town
murders please remember that 150 children
were murdered, most with the consent of
their parents. Surely a country whose President
has taken upon himself the goal of advancing
human rights in the entire world can spare
a little inquiry into what happened to the
human rights of the children in Jones town.

Perhaps we may never see such slaughter
on a grand scale again - but if we can
save a few children from losing their human
rights under similar circumstances, the effort
should be made. DE-2 REC-102 89-4286-1136

Ryan went to Jones town.

We suggest the government provide legal
service to determine the disposition of the
funds of the Peoples' Temple and not allow
Mr. O'Leary or Mrs. Lane or any private
lawyer to charge huge fees to do it.

There is no doubt the Peoples' Temple
has, through its members, perpetrated
heinous crimes - and for that reason it
should be terminated.

We have religious freedom in our country
but this confers no right on any one to
confuse liberty with license.

There is much truth in the two
articles I enclose - I am not alone in
feeling as I do about the dangers of
tolerating too much - when cults do harm
people & it's reported to the government it
should not only be "investigated," as Jones town
was - grand juries should be allowed to
gather testimony & charges should be filed
where warranted - so that the courts, through
the medium of citizen juries, can adjudicate
these matters.

Religious Crimes

WASHINGTON — When you get over your shock and revulsion over more than 900 murders and suicides in the Rev. Jim Jones' People's Temple community in Guyana, you have some serious thinking to do.

How and when are we going to face up to the fact that "religion" is America's greatest sanctuary for people who engage in systematic theft, tax evasion, rape, torture and even murder?

The federal government can make a banker specify in detail what interest he is charging on a loan; it can jail a corporation executive for using "insider's knowledge" to make a profit on a stock; it can force an automobile company to spend millions of dollars to recall cars that just "might" have a defective part. But government has been, with rare recent exceptions, powerless to deal with so-called "religions," even though there was abundant evidence of kidnappings, brainwashings, physical abuse — and most of all of con games to strip new "converts" of their money.

This gruesome tragedy in Guyana is an appalling example of governmental failure to act, primarily because government officials are timid about breaching sanctuaries of "religion." The State Department not only failed to act early against Jim Jones' "temple," but it fought to prevent FBI involvement.

But why was government handcuffed months ago when it knew that Jones and his cronies were forcing "converts" to sign over all their belongings, present and future, to "the temple"? Can it possibly surprise U.S. officials that one cult member was seized, after the killings, carrying \$60,000 in cash and a \$1 million bank draft on a bank in Panama? Or that more than \$1 million of gold, jewelry and cash was found in Jones' commune in Guyana?

Our laws are written, or interpreted, in such a way that if a person enters a cult "willingly" and then is kept in, allegedly against his or her will, the FBI cannot act on grounds that this is kidnapping.

Thus our government has dealt gingerly with the Unification Church, headed by a Korean, the Rev. Sun Myung Moon. This cult has been accused again and again of brainwashing new members, holding them by force, wearing them down physically and mentally, and then "programming" them to a total commitment to the church.

Last August the federal government did move against one "unusual" religious group, the Church of Scientology. A federal grand jury returned a 28-count indictment accusing 11 high officials and agents of the church of stealing Justice Department documents, bug-ging an office of the Internal Revenue Service, encouraging perjury and hiding witnesses.

Documents acquired by the government in court-ordered FBI raids show that the Church of Scientology's policy has been to use "lies and derogatory data" to destroy the reputation of anyone investigating or criticizing the church, and to punish critics by filing lawsuits that force them to spend huge sums for legal fees.

There are dozens of "religious" groups in America which are just as venal and vicious as the People's Temple, but how bold or cautious must government be in investigating and/or prosecuting them? Other groups merely arouse suspicion. CBS' "Sixty Minutes" recently featured two evangelists who have won many thousands of followers by using radio and television. One of these ministers boasted that the cash donated in one day's mail might total \$200,000.

Does the IRS dare intervene to see how that cash is counted, and whether it all goes into tax-deductible religious pursuits?

How does government deal with the reality that many of these evangelists are dispensing more politics than religion? How, especially, when the shrewdest merchandizers of religion are also clever at embracing politicians — as witness the fact that Jim Jones bran-dished "recommendations" from Rosalynn Carter, Vice President Mondale, Sen. Henry "Scoop" Jackson (D.Wash.) and the late Minnesota Sen. Hubert H. Humphrey?

The constitutional dilemma is very troublesome. But I say that, however much we cherish our separation of church and state, we have got to find a safe way for the state to rein in those who steal and kill in the name of God.

What Did Lawyers Know?

CHARLES GARRY belongs to what is practically a subculture in San Francisco. This is a group of loud-mouthed publicity hounds who happen to be members of the State Bar. You know most of their names: They like to try cases in the newspapers and on the tube, where they usually manage to get portrayed in the favorable light they choose.

Garry belongs to the radical brand of ink-eater. He explains his radicalism, and especially his identity with black causes like the Panthers, because of the discrimination he suffered as a poor Mexican youth in Fresno.

Mark Lane is another of the same stripe. For years he has been peddling, at considerable profit and notoriety to himself, the view that there was a right-wing conspiracy to kill President Kennedy.

The role of these two seamy characters in the terrible carnage of Jonestown is worthy of the closest examination. Hard questions have to be answered, especially by Garry, who as Jim Jones' lawyer since 1977 knew a great deal more about the Peoples Temple and its workings than Lane, who was retained just a month before the tragedy.

LANE SEEMED TO KNOW everything bad that was going on at Jonestown, and in numerous interviews he had said or implied that what he didn't know Garry did. Although Garry has denied it, Lane said Garry knew in advance that the Rev. Jones planned a mass suicide of temple members in Guyana.

Lane said that more than a year ago, on Oct. 6, 1977, Garry, Angela Davis, Huey Newton and American Indian leader Dennis Banks joined in a shortwave radio conversation from San Francisco "begging Jones not to kill the 500 Americans in Jonestown" at that time. Garry had insisted, until he no longer could do so, that Jones had no guns or other weapons and "30 years of dedication to non-violence."

Lane said he knew, before the Ryan party left for Guyana, that, "Maybe 10 percent of the people at Jonestown want to leave." Lane said this as he was traveling on an airplane to Guyana with Congressman Leo Ryan. He was also warned that the congressional party at their last meal in Jonestown might be served grilled-cheese sandwiches treated with tranquilizers or other drugs, but apparently said nothing.

Just how much did these lawyers know? Especially, just how much did they know about the alleged plot to exterminate the congressional party? Did they know Ryan and the others had been set up? How come they did not go with the congressional party to the airstrip massacre? These are hard questions. Garry has not been very good at answering them, nor has the press been very good at pressing them.

When asked at a press conference why he and Lane did not join the Ryan party at the airstrip, Garry told a story so thin that he would have been wise not to have told it, even if it is true.

He and Lane got off the truck carrying the congressional party, Garry said, because, "We were told that a father who wanted to leave the settlement was trying to take his children with him."

They walked back to the center of the settlement, and insisted that the father could leave if he wished, but should let the courts decide the custody of the three children, according to the Garry version of events.

THE PRESS APPARENTLY did not press him on this improbable tale. That, in the midst of the general paranoia of the final hours of the visit, after having witnessed an attempted stabbing of Ryan, the lawyers would decline a ride back to the United States in order to settle a petty legal matter strains belief. Certainly it strains mine.

If the lawyers knew that the American party was going to be ambushed and did not tell Ryan, they are guilty of the most incredible immorality.

These questions and others should be asked by some public body of Lane and Garry. Jones is no longer their client, and their claim of confidentiality is considerably lessened, if existent at all. These lawyers' conduct during and after the tragedy has a high odor to me at least.

Winds of Free Speech Blow

THE CHINESE Communist party leadership has let a most un-Communist genie out of the bottle in allowing the winds of free speech to blow in Peking. It's freezing these nights in the Chinese capital, but thousands of people turn out in Tien An Men Square to cheer on speakers, mostly of college age, as they clamor for democratic rights. Some of the themes of protest and challenge that had lately been boldly, but only silently, expressed on wall posters are now being shouted in public, an unheard of thing. Vice Premier Teng Hsiao-ping is the daring and apparently 'unafraid' leader who has opened up Peking's mass dialogue. He mentioned to a Japanese Democratic Socialist party delegation a few days ago that the wall poster campaign was "a normal thing and shows the stable situation in our country." The Chinese news agency picked up this news and made it official and so it has spread all over the country. That will mean that people in other cities will begin to demand their share of the new freedom, too.

WE CAN ONLY ADMIRE Vice Premier Teng for his courage in opening up free speech, which we would like to see everybody enjoy, but we do wonder if he will get away with it. Once loosed, free speech is not easily controlled and suppressed.

But the Chinese leaders must know that; certainly they know that the Communists in Moscow have never shown any willingness to let Russians criticize and freely discuss their government and its faults. How much of this can Chinese Communism take?

Correspondent Linda Mathews reports a Western diplomat in Peking as commenting: "Any Chinese with an ounce of savvy should be able to read between the lines. Teng is saying, 'Put up your posters, I'll protect you as much as I can, but watch your step.'"

\$1 Billion Ripoff Of the Elderly

EVIDENCE OF ABUSES in the sale of health insurance policies to the elderly has prompted Representative Claude Pepper (Dem.-Fla.) to characterize the situation as a \$1 billion "ripoff" that constitutes "a full-scale national scandal." His House Select Committee on Aging has turned up numerous horror stories of high-pressure tactics and false promises. Particularly reprehensible were salesmen who tried to scare senior citizens into buying unnecessary policies.

There was the 94-year-old Kansas man who bought 26 accident and health insurance policies in three years. An 80-year-old woman in Pennsylvania had to take out a \$3000 bank loan to help keep up her payments. And an 84-year-old woman in Texas was informed she was getting complete health insurance that turned out to be practically worthless.

One of the salesmen, wearing a ski mask to hide his identity, said he had been instructed to pressure old people into buying unnecessary insurance by using a "hearts and flowers" approach and then frightening them with talk of grim diseases and lonely death.

THE COMMITTEE EMPHASIZED, it is true, that the majority of insurance firms are reputable, and ques-

Contract Bridge

East's plan was to take the ace of hearts as soon as declarer led a trump and then play a low spade to West's (presumed) jack of spades. He hoped to get a club ruff and so defeat the contract. But his intentions were unmistakably clear to declarer, who realized what would happen if he made no attempt to spike East's plan.

Accordingly, South took East's club return in dummy, played a diamond to the ace, another diamond to the king, and next led dummy's ten of diamonds. When East played the jack, South took the precaution of discarding a spade in order to stop East from putting his partner on lead for the club ruff.

Perhaps declarer should have been rewarded for finding this fine countermeasure to East's play at trick two. But East, his original plan having foundered, now shifted his attack by leading a fourth round of diamonds. This forced South to ruff with the ten in order to stop West from scoring the nine of trumps.

spades. When South then played the king of hearts to force out the ace, East won and

ON NOVEMBER 30, 1978, LATE PM, [REDACTED] ALSO KNOWN

AS [REDACTED] (PROTECT IDENTITY) WAS INTERVIEWED BY BUAGENTS.

[REDACTED] AGAIN DISPLAYED EXTREME RELUCTANCE IN SPEAKING OF ACTIVITIES CONCERNING PEOPLE'S TEMPLE (PT). [REDACTED] WAS CONSIDERABLY MORE RESPONSIVE TO SOME QUESTIONS THAN WAS DISPLAYED AT PREVIOUS MEETING, BUT SHE EXHIBITS CONTINUING FEAR OF RETALIATION FROM CURRENT PT MEMBERS AND WILL NOT RESPOND TO SOME QUESTIONS BECAUSE OF THIS, EVEN THOUGH SHE ACKNOWLEDGES HAVING DIRECT AND INDIRECT KNOWLEDGE OF INFORMATION SOUGHT. INFORMATION: [] JOINED THE PT AT AGE [] AND REMAINED
A PT MEMBER UNTIL [] AT WHICH TIME []

[] MARRIED A PT MEMBER NAMED

[] AND LATER DIVORCED HIM AFTER HER DEFECTION FROM PT.

[] HAS RESIDED IN DALLAS, TEXAS, SINCE [] (u)

[] STATED SHE WAS EMPLOYED AS A []

[] WHILE IN THE PT AND WAS A CLOSE CONFIDANTE OF THE PT'S
LEADER, REVEREND JIM JONES, DURING HER LATTER YEARS WITH THE
CHURCH. [] ADVISED SHE WAS, FOR A PERIOD OF TIME, []

b6
b7C
b7D

[] FURNISHED A STRUCTURAL DESCRIPTION OF THE
ORGANIZATION OF THE PT WHICH CORRESPONDS TO THAT ALREADY KNOWN
TO THE BUREAU [] ADVISED PT HIGHLY "COMPARTMENTALIZED" AND
ILLEGAL AND ILLICIT ACTIVITIES OF PT KNOWN ONLY TO VARIOUS MEMBERS
WHO HAD NEED TO KNOW. REVEREND JONES OVERSAW ENTIRE
OPERATION OF PT AND WAS ONLY PERSON WHO HAD COMPLETE KNOWLEDGE
OF ENTIRE ACTIVITIES OF PT. [] STATED INNER CIRCLE OF THIRTEEN
TO FIFTEEN ELITE PT MEMBERS WERE KNOWLEDGEABLE OF SPECIFIC
ILLEGAL ACTIVITIES OF CHURCH, BUT NO ONE INNER CIRCLE MEMBER
FAMILIAR WITH ALL OF THESE ACTIVITIES. (u)

PAGE THREE DE DL #0002 UNCLAS E F T O (DL 89-205)

[] ADVISED REVEREND JONES WAS KNOWN TO ALL INNER CIRCLE ELITE AS AN AVOWED MARKXIST WHOSE ULTIMATE GOAL WAS OBTAINING SOCIALISTIC STATE IN UNITED STATES. JONES DIRECTED ALL CHURCH EFFORTS TO THIS GOAL AND PREDOMINANT PHILOSOPHY OF CULT WAS "THE END JUSTIFIES THE MEANS". ACCORDING TO

[] ANY CRIME WAS JUSTIFIED IF IT EFFECTED THE GOAL OF SOCIALISM. (u)

b6
b7C
b7D

[] STATED SHE HAD PERSONAL KNOWLEDGE OF HIT LISTS WHICH WAS COMPILED AT JONES DIRECTION BY PT MEMBER AND INNER CIRCLE ELITE, JACK BEAM. AT TIME OF [] DEFECTION, FIFTY TO SEVENTY-FIVE NAMES APPEARED ON HIT LIST AND INCLUDED SELECT U. S. SENATORS, CONGRESSMEN, STATE GOVERNMENT LEADERS, HEADS OF MAJOR CORPORATIONS, REPORTERS, AND OTHER AVOWED ENEMIES OF THE PT. JONES WAS COMPLETELY RESPONSIBLE FOR PICKING INDIVIDUALS WHO WERE INCLUDED ON HIT LIST. PERSONS TARGETED WERE PERSONAL ENEMIES OF CHURCH IE DEFECTED MEMBERS, PUBLIC CRITICS OF JONES OR PROMINENT "CAPITALISTIC" INDUSTRIAL LEADERS. ALSO INCLUDED ON LIST WERE KEY ELECTED OFFICIALS AND INDUSTRIAL CORPORATION EXECUTIVES WHO WERE CONSIDERED TO BE "CAPITALISTIC" LEADERS WHOSE ELIMINATION WOULD FURTHER (u)

PAGE FOUR DE DL #3002 UNCLAS E F T O (DL 89-205)

THE CAUSE OF SOCIALISM IN THE UNITED STATES. PURPOSE OF HIT LIST WAS TO ELIMINATE PT ENEMIES AND TO ACCOMPLISH CONVERSION OF UNITED STATES TO SOCIALISM. ACCORDING TO [REDACTED] CORPORATION HEADS PRIMARY TARGETS AS THEY WERE BELIEVED TO CONTROL THIS COUNTRIES' ECONOMY AND HENCE EXISTING POLITICAL SYSTEM. [REDACTED] INTIMATED SHE HAD KNOWLEDGE OF IDENTITY OF PERSONS ON HIT LIST BUT DECLINED TO NAME SAME (PROBABLY BECAUSE OF PERSONAL INVOLVEMENT). [REDACTED] WOULD NOT STATE IF PRESIDENT OR VICE PRESIDENT OF UNITED STATES INCLUDED ON LIST. (u)

[REDACTED] DID STATE THAT PRESIDENT OF UNITED STATES NOT CONSIDERED AN IMPORTANT TARGET SINCE PRESIDENT HAS VERY LITTLE CONTROL OVER ECONOMIC AND POLITICAL DIRECTION OF UNITED STATES IN PT'S OPINION. (u)

b6
b7c

[REDACTED] INDICATED THAT IT WAS "A MATTER OF FACT" THAT WITHIN THE NEXT SIX TO TWELVE MONTHS AFTER MASS SUICIDES IN GUYANA, THAT ELIMINATIONS OF PERSONS ON HIT LIST WOULD BE IMPLEMENTED BY SURVIVING PT MEMBERS. [REDACTED] WOULD NOT ELABORATE BUT STATED RECENT EVENTS WERE PART OF A "LARGER PLAN" INITIATED LONG AGO BY JONES AND INNER CIRCLE ELITE AND THIS PLAN WOULD BE CARRIED OUT REGARDLESS OF JONES DEMISE. [REDACTED] INTIMATED SHE

(u)

PAGE FIVE DE DL #0002 UNCLAS E F T O (DL 89-205)

HAS HAD RECENT CONTACTS WITH "HER SOURCES" AND ALLEGES THESE INDIVIDUALS HAVE KNOWLEDGE OF CURRENT PT CHURCH PLANS AND THAT HER ABOVE OBSERVATION BASED ON THIS INFORMATION.

[] CLAIMS NO KNOWLEDGE OF EXTENT OF THE ADDITIONS MADE TO HIT LIST SINCE HER DEFECTION, BUT BELIEVES IT NOW TO BE "ENLARGED". [] INTIMATES HER "SOURCES" ARE CURRENT PT MEMBERS. (u)

[] ADVISED REGULAR FIREARMS TRAINING CONDUCTED BY PT PRIOR TO HER DEFECTION FOR "SELECT" MEMBERS. [] STATED PT SYSTEMATICALLY ACCRUED WEAPONS FROM "STREET SOURCES" AND INTIMATED AUTOMATIC WEAPONS INCLUDED. [] ADVISED WEAPONS CACHES WERE MAINTAINED AT VARIOUS LOCATIONS AND INDICATED PAST KNOWLEDGE OF THESE LOCATIONS BUT DECLINED TO STATE FURTHER DETAILS. [] ADVISED PT MEMBERS IN INNER CIRCLE, PT SECURITY GUARDS, ANGELS, AND SELECT MEMBERS OF PLANNING COMMISSION WERE ROUTINELY TRAINED BY OTHER PT MEMBERS WHO WERE U.S. MILITARY VETERANS IN THE USE OF FIREARMS. ONLY PERSON IDENTIFIED BY [] IS CONDUCTING THIS TYPE TRAINING WAS ONE [] (PHONETIC), NOT FURTHER IDENTIFIED BY [] STATED PT ATTORNEY CHARLES GEARY SUBSTANTIALLY ASSISTED PT IN ACQUIRING FIREARMS. [] ADVISED SHE WOULD NOT GO INTO DETAILS OF GEARY'S

ASSISTANCE TO PT IN THIS REGARD, BUT STATED PT "HAD SOMETHING ON" GEARY WHICH GUARANTEED GEARY'S COOPERATION IN THIS MATTER.

[] ADVISED GEARY IS WELL AWARE OF PT CHURCH ILLEGAL ACTIVITIES AND PLANS NOT FROM HIS RELATIONSHIP AS ATTORNEY FOR CULT, BUT RATHER THROUGH SOME TYPE OF PARTICIPATION. [] ADDITIONALLY ADVISED PT ATTORNEY MARK LANE ALSO HAS BEEN COMPROMISED BY PT CULT AND HAS DISTINCT KNOWLEDGE THROUGH HIS ASSOCIATION WITH CHURCH MEMBERS OF CULT'S ILLEGAL ACTIVITIES. [] ADVISED SHE DOES NOT KNOW OF ANY ILLEGAL ACTIVITIES IN WHICH LANE IS INVOLVED. (u)

[] ADVISED SHE DOES HAVE KNOWLEDGE OF SUBSTANTIAL CACHES OF MONEY MAINTAINED BY THE PT. AT THE TIME [] DEFECTED, SHE HAD KNOWLEDGE OF EIGHT TO TEN MILLION UNITED STATES DOLLARS WHICH WERE PT FUNDS AND WERE BEING MAINTAINED IN VARIOUS BANKS IN AUSTRALIA, SWITZERLAND AND CANADA UNDER THE FOLLOWING NAMES: (u)

b6
b7C
b7D

PATTY CARMEL, JACK BEAM, CAROLYN LAYTON, KAREN LAYTON, LINDA AMOS. (u)

[] ADVISED EACH OF THESE INDIVIDUALS WAS AN INNER CIRCLE MEMBER. [] DECLINED TO IDENTIFY SPECIFIC BANKS INVOLVED AND IT IS NOT KNOWN FROM HER RESPONSES TO QUESTIONS IF SHE POSSESSES SUCH (u)

IN VARIOUS US BANKS, PRINCIPALLY IN THE STATE OF CALIFORNIA, AS
OPERATING CAPITAL FOR PT. (u)

[] REFUSED TO DISCUSS ANY QUESTIONS DEALING WITH CONTINGENCY
PLANS IN PT CHURCH WHICH WOULD BE UTILIZED AS A MEANS OF RETALIATION
AGAINST PERSONS ATTEMPTING TO ARREST REVEREND JONES. LIKEWISE,

[] WOULD NOT DISCUSS HER KNOWLEDGE OF ANY THREATS TO PUBLIC
OFFICIALS, FORMER MEMBERS, OR PRESS REPRESENTATIVES BY THE PT IN
THE PAST, WITH THE EXCEPTION OF ADMITTING THAT SHE HAD THIS
KNOWLEDGE AND THIS HAD, IN FACT, HAPPENED. [] ADVISED THAT

MEETING WITH [] AS NOTED IN REFERENCED TELETYPE, [] DID STATE SHE KNEW OF A PLAN TO COMPROMISE [] IN UKIAH, CALIFORNIA, IN THE EARLY 1970'S THROUGH THE HOMOSEXUAL APPROACH BY THE PT. [] DID NOT STATE DETAILS OF THIS PLAN NOR WOULD SHE STATE THIS PLAN ACTUALLY WAS IMPLEMENTED. [] HAS STATED THOUGH, THAT PT EXPERIENCED "NO PROBLEMS" IN UKIAH, CALIFORNIA, INTIMATING PT HAD SOME LEVERAGE ON [] THERE AND PERHAPS OTHER ELECTED OFFICIALS. (u)

[] ADVISED PT UTILIZED VOTING BLOC STRENGTH IN OBTAINING COOPERATION AND NON-INTERFERENCE BY LOCAL AND STATE OFFICIALS IN STATE OF CALIFORNIA. [] STATED PT MEMBERS VOTED IN UNISON FOR CANDIDATES WHOM REVEREND JONES DESIGNATED AND THROUGH THIS, JONES WAS ABLE TO SECURE CERTAIN FAVORS IN RETURN FROM THESE OFFICIALS. [] AGAIN CITED PUBLIC OFFICIALS, UKIAH, CALIFORNIA, NO NAMES GIVEN, AS EXAMPLES OF THIS. (u)

[] ADVISED THAT WITHIN PT, THERE EXISTED A GROUP KNOWN AS "THE ANGELS" OR "THE MESSENGERS". [] STATED THESE PERSONS WERE ASSIGNED TO ACCOMPLISH "HITS" WHICH WOULD INCLUDE EVERY TYPE OF CRIME, INCLUDING MURDER. [] NAMED THE FOLLOWING PT MEMBERS WHO WERE "ANGELS": TERRY BUFORD, BOB KICE [] (u)

PAGE THREE DE DL #0003 UNCLAS E F T O (DL 89-205)

LARRY LATON, JACK BEAM. WITH THE EXCEPTION OF BEAM, ANGELS WERE STRONG-ARM TYPES WHO WERE NOT NOTED FOR MENTAL ABILITIES BUT WERE EXTREMELY LOYAL AND DEDICATED FOLLOWERS OF JONES AND FOLLOWED ORDERS METICULOUSLY. THE "ANGELS" LOYALTY WAS TESTED FREQUENTLY BY JONES. LESS TESTED AND TRUSTED PT STRONG-ARM TYPES WERE ASSIGNED "SECURITY GUARD" DUTY AND IT WAS THEIR FUNCTION TO KEEP PT MEMBERS IN LINE WITH WISHES OF REVEREND JONES. [] WOULD NOT NAME ALL ANGELS SHE KNEW BUT INDICATED ABOVE NAMES ARE NOT, BY ANY MEANS, ALL INCLUSIVE. [] STATED SHE WOULD BE MORE WILLING TO TALK REGARDING THIS AFTER SHE KNEW THE IDENTITIES OF PT MEMBERS WHO DIED IN GUYANA. [] DID ADVISE SHE KNEW FOR A FACT BOB KICE WAS INVOLVED IN JONESTOWN AIRPORT SHOOTING OF CONGRESSMAN RYAN AND NEWSMEN BUT WOULD NOT STATE SOURCE OF THIS INFORMATION. (u)

[] ADVISED PT HAD "CAPABILITIES" TO MANUFACTURE CERTAIN STREET DRUGS PRIOR TO PT ESTABLISHING AGRICULTURAL COMMUNITY IN GUYANA, BUT HAS NO KNOWLEDGE THIS EVER OCCURRED WHILE CULT WAS LOCATED IN US. [] HAS NO KNOWLEDGE OF CULT'S DRUG ACTIVITIES IN GUYANA. [] ADVISED THAT PT DID RECRUIT ONE "CHRIS LEWIS" (PHONETIC), A NEGRO MALE, NOT FURTHER DESCRIBED, AS A PT MEMBER

(u)

PAGE FOUR DE DL #0003 UNCLAS E F T O (DL 89-205)

IN SAN FRANCISCO. LEWIS WAS A KNOWN POLICE CHARACTER AND ENGAGED IN DRUG TRAFFICKING AND PIMPING ACTIVITIES IN SAN FRANCISCO AREA AT THE TIME OF HIS CONVERSION TO THE PT CHURCH. JONES ALLOWED LEWIS TO CONTINUE WITH HIS ILLEGAL ACTIVITIES SUBSEQUENT TO HIS JOINING PT CHURCH AND MONETARY PROCEEDS OF LEWIS' ACTIVITIES WERE FUNNELED DIRECTLY TO JONES AND THE PT CHURCH. (u)

[] ADVISED LEWIS WENT TO GUYANA WITH JONES BUT SUBSEQUENTLY RETURNED TO THE UNITED STATES. [] ADVISED JONES WAS SHOT AND KILLED IN THE SAN FRANCISCO, CALIFORNIA AREA IN THE PAST. [] WOULD NOT OR COULD NOT ELABORATE DETAILS OF LEWIS' DEATH AND DID NOT STATE WHETHER PT INVOLVED IN THIS. [] ADVISED THAT SANDY BRADSHAW, A [] IN SAN FRANCISCO, CALIFORNIA, IS A MEMBER OF THE INNER CIRCLE OF THE PT CHURCH CURRENTLY AND INTIMATED BRADSHAW IS ALSO "AN ANGEL". [] ADVISED BRADSHAW, MORE THAN ANY OTHER PERSON, KNOWS THE CURRENT PLANS OF THE PT CHURCH REGARDING IMPLEMENTATION OF CONTINGENCY PLANS AND/OR CARRYING OUT MURDERS OF THOSE NAMED IN HIT LIST. [] ADDITIONALLY ADVISED TERRY BUFORD IS KNOWN BY HER TO BE IN CHARGE OF PT FILES AND IS THE CURRENT PT MEMBER ASSIGNED TO MAINTAIN THE PT HIT LIST. (u)

WHILE ANSWERING SPECIFIC QUESTIONS DURING THIS INTERVIEW, []

b6

b7D

(u)

PAGE FIVE DE DL 50023 UNCLAS E F T O (DL 89-205)

INDICATED THAT THE FOLLOWING INDIVIDUALS ARE CURRENT MEMBERS OF THE INNER CIRCLE OF THE PT CHURCH: (u)

[] JACK BEAM, [] WAS VERY RELUCTANT TO DISCUSS HER KNOWLEDGE OF ANY OF THESE INDIVIDUALS' ACTIVITIES. (u)

[] ADVISED THAT PT DEFECTORS MIKE CARTMELL AEF DEBBIE BLAXELY WOULD READILY FURNISH INFORMATION REGARDING THEIR KNOWLEDGE OF THE PT. [] ADVISED MIKE CARTMELL WAS KNOWN TO HER TO BE A PLANNING COMMISSION MEMBER BUT SHE DOES NOT KNOW THE EXTENT OF CARTMELL'S KNOWLEDGE OF EXPLICIT ILLEGAL ACTIVITIES ON THE PART OF THE PT. [] ADVISED THAT ANY INFORMATION FURNISHED BY THESE TWO INDIVIDUALS REGARDING CONTINGENCY PLANS OR HIT LISTS WOULD PROBABLY BE SECOND HAND INFORMATION. (u)

REGARDING [] CURRENTLY KNOWN AS []

b6
b7C
b7D

[] FURNISHED THE FOLLOWING INFORMATION AND STATED SHE DOES NOT WISH THAT THIS INFORMATION BE IMPARTED TO [] (u)

[] ADVISED THAT WHEN [] LEFT WITH HER AND [] [] FROM THE PT IN 1973, [] TOOK THE ENTIRE PT FILES REGARDING THE LOS ANGELES CHURCH. [] ADVISED, CONTAINED IN THESE FILES WAS INCRIMINATING INFORMATION REGARDING JONES AND (u)

PAGE SIX DE DL #0003 UNCLAS E F T O (DL 89-205)

OTHER PT MEMBERS' ACTIVITIES. [] ADVISED THAT SHE HAS PERSONAL DIRECT KNOWLEDGE THAT [] IS STILL IN POSSESSION OF SOME OF THESE FILES BUT THAT [] DID "SELL BACK TO JONES" CERTAIN OF THESE FILES SUBSEQUENT TO HER [] DEFECTION. [] WAS NOT ADVISED OF ANY OF [] STATEMENTS WHICH [] MADE TO BUREAU AGENTS AT THE TIME OF HER INTERVIEW AND IS NOT AWARE THAT [] CLAIMS TO HAVE GIVEN ALL OF THE PT FILES BACK TO JONES. [] ADVISED [] HAS DIRECT KNOWLEDGE OF CRIMINAL ACTIVITIES ON THE PART OF THE PT AND [] STATED DURING THE FIRST MEETING WITH BUREAU AGENTS THAT [] HAD PARTICIPATED IN THE PLANNING AND SUBSEQUENT MURDERS OF SEVERAL PT ENEMIES (POTENTIAL PT DEFECTORS). THIS INFORMATION IS BELIEVED TO BE RELIABLE BECAUSE [] ALSO IMPLICATED HIMSELF IN THE PLANNING OF THESE MURDERS. (u)

[] ADVISED [] AND [] CURRENTLY RESIDE IN THE DALLAS, TEXAS AREA BUT STATED THESE INDIVIDUALS WOULD NOT COOPERATE WITH ANY LAW ENFORCEMENT AUTHORITIES IN INVESTIGATION

[] STATED SHE WAS EXTREMELY NERVOUS AND FEARFUL OF AGAIN

[] WILL MAINTAIN CONTACT WITH [] AND WILL VIGOROUSLY ATTEMPT TO SECURE ADDITIONAL COOPERATION ON HER PART RE PAST AND CURRENT PT ACTIVITIES. IT IS THE OPINIONS OF THE INTERVIEWING AGENTS THAT CONTINUED CONTACTS WITH [] OF THE SAME NATURE AS THE PREVIOUS TWO MEETINGS WILL ENABLE THE BUREAU TO OBTAIN ADDITIONAL INFORMATION REGARDING THE IDENTITIES AND SPECIFIC ILLEGAL ACTIVITIES OF THE PT. HOWEVER, WHILE THE SUBPOENA IS BEING PREPARED IN THE EVENT IT IS NECESSARY, SAN FRANCISCO FBI AND USA NDC ARE REVIEWING INFORMATION TO DETERMINE IF A SEARCH WARRANT FOR LANE'S OFFICE AND RESIDENCE AND BUFORD'S RESIDENCE (WHEN IDENTIFIED) CAN BE OBTAINED UNDER THE THOUGHT THAT SERVICE OF THE SUBPOENA COULD RESULT IN THE DESTRUCTION OF PERTINENT RECORDS WHEREAS SERVICE OF THE WARRANT COULD PRECLUDE SUCH DESTRUCTION. FURTHER, THE SERVICE OF A SUBPOENA ON LANE FOR BUFORD COULD PUT SUFFICIENT PRESSURE ON BUFORD TO GO UNDERGROUND. AT THIS POINT, LANE APPEARS TO BE IN CONTINUAL CONTACT WITH BUFORD AND IT IS FELT THAT LACK OF STRONG GOVERNMENT PRESSURE TO LOCATE BUFORD OR PLACE HER IN WHAT SHE MAY CONSIDER AN UNTENABLE POSITION IS KEEPING HER AVAILABLE TO LANE. Dear [redacted] Pastor Jim Jones has undertaken a great work for humanity. This one-thousand (1000)-member community of Jonestown, Guyana, South America, is showing the world a model of cooperation and love. Here, every good desire is being realized, the hand of hope is reaching out in love to care for the needy, to bring relief to the oppressed. Everyone who comes to the miracle community of Jonestown has witnessed at what Pastor Jim Jones has accomplished in such a short time. Yes, a miracle of faith, work and determination - an inspiration and help to all in need.

Though literally hundreds have been reached by the miracle of this healing ministry, much more needs to be done. Our free medical clinic is now serving many in the immediate area of our district, and we would like to reach even more of the outlying areas and add to the appreciable number of orphans that we already have.

Pastor Jones asks you to help sow the seeds of love with practical assistance. The jungle blooms with hundreds of plants and acres of vital, organic foods. Can you catch the lovely fragrance of this beautiful land? A reminder of how wonderful our lives are here, as we follow the higher path of service to mankind with Pastor Jones.

Won't you help in this great effort, assist us to build the foundation for a new world, extend the great chain of compassion across the seas to unite mankind in bonds of universal cooperation? The special number of faith this month for Jonestown is \$50.33. Your generous gift, as always, will be a blessing to others and by the higher laws of life, your giving will return to bless you. The scriptures of every great faith proclaim this to be so.

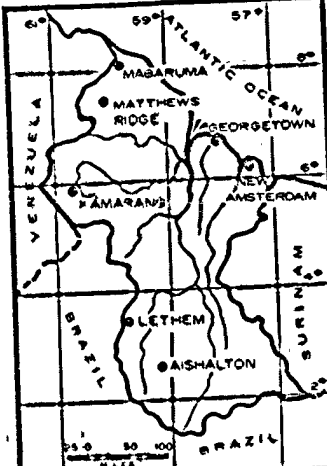

From this beautiful community of love, Pastor Jim Jones sends to you in advance, his personal thanks and meditations for health, well-being and prosperity.

Sincerely in His Service,
Marion Campbell

UNITED STATES AND WAS TO REMAIN ABOARD THE "ALBATROSS III", INVOLVED IN COMMERCIAL SHIPPING IN CARIBBEAN WATERS, PENDING OUTCOME AND RESOLUTION OF MATTERS REGARDING THE PEOPLE'S TEMPLE (PT) AND FATE OF MEMBERS REMAINING IN GUYANA. (u)

ON DECEMBER 5, 1978, UNITED STATES COUNSUL RICHARD LA ROCHE, BRIDGETOWN, BARBADOS, ADVISED THAT "ALBATROSS III" STILL IN PORT OF BRIDGETOWN AND EXPECTED TO DEPART FOR PORT OF SPAIN, TRINIDAD, ON FRIDAY, DECEMBER 8, 1978. (u)

ALSO THIS DATE, LA ROCHE ADVISED THAT TOUCHETTE DOES NOT OBJECT TO FURTHER INTERVIEWING BY FEDERAL BUREAU OF INVESTIGATION (FBI), HOWEVER, TOUCHETTE ADVISED LA ROCHE THAT HE DOES NOT WISH TO SUBMIT TO POLYGRAPH EXAMINATION. (u)

UNITED STATES ADDRESS PROVIDED NOVEMBER 26, 1978 AT PORT OF SPAIN, TRINIDAD BY RICHARD MARIO JANARO AND CLAIRE ELAINE JANARO AS 2451 ROAD K, REDWOOD VALLEY, CALIFORNIA. MR. AND MRS. JANARO ALSO ADVISED THEY HAD NO IMMEDIATE PLANS TO RETURN TO THE UNITED STATES AND WILL REMAIN ABOARD "ALBATROSS III" F.

PSMOR THE TIME BEING HAVING EXPRESSED INTENTIONS SIMILAR TO THOSE OF TOUCHETTE. (u)

PAGE THREE (89-123) UNCLAS EFTO

RICHARD JANARO ADVISED ON NOVEMBER 26, 1978 THAT "SOME" MONEY FOR PURCHASES OF SUPPLIES WAS MADE AVAILABLE BY GEORGETOWN COORDINATORS DEVORAH TOUCHETTE AND PAULA ADAMS. OTHER MONIES WERE MADE AVAILABLE THROUGH EXTERNAL ACCOUNTS AT BARCLAYS BANKS IN GEORGETOWN, GUYANA, AND PORT OF SPAIN, TRINIDAD, ALLOWING GUYANESE DOLLARS TO CONVERT INTO TRINIDAD DOLLARS. JANARO ADVISED THAT HIS KNOWLEDGE CONCERNING FINANCIAL MATTERS OF THE PT WAS LIMITED TO THE ABOVE. (u)

DURING INTERVIEW OF CLAIRE JANARO ON NOVEMBER 26, 1978, SHE ADVISED THAT THE "CONFESSIONS" REGARDING ILLEGAL AND IMMORAL ACTS; STATEMENTS REGARDING WILLINGNESS TO ASSASSINATE UNRECALLED PUBLIC OFFICIALS, INCLUDING THE PRESIDENT OF THE UNITED STATES, AND BLANK PIECES OF PAPERS SIGNED BY MRS. JANARO AND OTHER PT MEMBERS, WERE GIVEN TO "STAFF" MEMBERS IN PT, SAN FRANCISCO. SHE BELIEVES THESE AND OTHER DOCUMENTS WHICH MAY HAVE CAUSED PROBLEMS FOR PT WERE DESTROYED AT PT SAN FRANCISCO BY "STAFF" PER JIM JONES' INSTRUCTIONS DURING SPRING, 1977, WHEN PT WAS UNDER "ATTACK" AND SCRUTINY BY NEWS MEDIA, GOVERNMENT, AND GENERAL PUBLIC. (u)

PAGE FOUR (89-123) UNCLAS EFTO

CONCERNING CLAIRE JANARO'S REFERENCE REGARDING HAVING SIGNED STATEMENTS ALLEGING WILLINGNESS TO ASSASSINATE PUBLIC OFFICIALS, SAN JUAN WISHES TO STRESS THAT JANARO ADVISED THIS OCCURRED SOME YEARS AGO WHEN SHE WAS A MEMBER OF THE PLANNING COMMISSION, AND SHE AND HER HUSBAND WERE MANAGING THE REDWOOD VALLEY RANCH, BELONGING TO PT, NEAR UKAIH, CALIFORNIA. SHE PLACED THIS ACT IN THE OVERALL CONTEXT OF PT MEMBERS SIGNING BLANK PAGES OF PAPER ON WHICH INCRIMINATING OR COMPROMISING INFORMATION WAS LATER PLACED. SHE INDICATED SHE REGARDED THESE SIGNED STATEMENTS, I.E., REGARDING ASSASSINATIONS AS WELL AS ADMITTING IMMORAL ACTS, TO BE "A FARSE", AND THAT SHE NEVER TOOK THIS SERIOUSLY. IT WAS AN INTIMIDATION METHOD TO GAIN CONTROL OVER PT MEMBERS, AND WAS A "TEST OF FAITH." (u)

CLAIRE JANARO WAS THE MOST COOPERATIVE OF ALL THE INDIVIDUALS INTERVIEWED IN TRINIDAD AND BARBADOS AND APPEARED THE MOST CREDIBLE. SAN JUAN'S JUDGEMENT IS THAT SHE IS NOT A WELL EDUCATED PERSON, AND NOT OVERLY INTELLIGENT. NEITHER SHE NOR ANYONE INTERVIEWED IN TRINIDAD/BARBADOS CONFIRMED OR WOULD ADMIT TO THE EXISTENCE OF THE "ANGELS" OR "HIT TEAMS". (u)

4

PAGE FIVE (89-123) UNCLAS EFTO

MRS. JANARO WAS SPECIFICALLY QUERIED REGARDING ADDRESSES OF TERRY BUFORD, SANDRA BRADSHAW, JEAN BROWN, AND LEONA COLLIER ON NOVEMBER 26, 1978. SHE ADVISED ALL WERE RESIDING AT TEMPLE IN SAN FRANCISCO WHEN MRS. JANARO LEFT SAN FRANCISCO TO TRAVEL TO GUYANA ON APPROXIMATELY NOVEMBER 17, 1978. ADDRESSES FOR ABOVE INDIVIDUALS PRIOR TO THEIR RESIDENCE IN TEMPLE UNKNOWN TO MRS. JANARO. RICHARD JANARO ADVISED ON NOVEMBER 26, 1978 PAULA ADAMS AND DEBBIE TOUCHETTE RESIDED IN "LAMAHA HOUSE", A PT FACILITY, GEORGETOWN, GUYANA. PRIOR TO THEIR RESIDENCE IN GUYANA, THEY RESIDED IN TEMPLE, SAN FRANCISCO. (u)

AS NOTED IN REFERENCED SAN JUAN TELETYPE, HELEN BEATRICE SWINNEY'S INTERVIEW WAS PREMATURELY TERMINATED FOR REASONS OUTLINED THEREIN; THEREFORE, NO ADDRESS IN U.S. OBTAINED FROM HER. ONLY ADDRESS FURNISHED BY SWINNEY WAS JONESTOWN, GUYANA. NO ITINERARY WAS OBTAINED FROM SWINNEY, HOWEVER, SHE TOLD U.S. CONSUL, JOHN ADAMS, PORT OF SPAIN, THAT SHE HAD NO IMMEDIATE PLANS TO RETURN TO U.S. (u)

CONTACT IS BEING MAINTAINED WITH ADAMS AND SHOULD SWINNEY RETURN TO U.S., APPROPRIATE LEADS WILL BE SET OUT. (u)

This will confirm our request that allegations against U.S. officials in Guyana having been compromised by Peoples Temple members be covered routinely in FBI debriefing of Peoples Temple returnees. We are specifically interested, of course, in the debriefing of Paula Adams whom we have been unable to reach in Georgetown.

1. FOLLOWING REPRESENT EMBASSY'S INITIAL COMMENTS ON THE
INTERVIEW GIVEN BY JACQUELINE SPEIER, LEGAL COUNSEL TO
CONGRESSMAN LEO J. RYAN, IN THE NEW YORK TIMES:

A. BOTH THE DEPARTMENT AND THE EMBASSY WERE SERIOUSLY
INVOLVED IN THE PREPARATION OF CODEL RYAN FROM THE MOMENT
THE CONGRESSMAN FIRST SUGGESTED THE TRIP TO DEPARTMENT
OFFICERS. THE NUMEROUS BRIEFINGS PROVIDED THE CODEL STAFF
BY DEPARTMENT OFFICERS AS WELL AS THE SEVERAL CABLES ON THE
CODEL ORIGINATED BY EMBASSY GEORGETOWN AS PLANS FOR THE
VISIT PROGRESSED CLEARLY SUPPORT THIS STATEMENT. A REVIEW
OF THE CONTENT OF THOSE CABLES AND THE SUBSTANCE OF THE
BRIEFINGS WOULD NOT BEAR OUT MISS SPEIER'S CHARGE THAT "THE
STATE DEPARTMENT AND THE U.S. EMBASSY IN GEORGETOWN (WERE)
INDIFFERENT AND HOSTILE TO CONGRESSMAN RYAN'S PROJECTED
TRIP."

B. IMPLICIT IN ALL OF THE EMBASSY'S CABLES IN PREPARATION
FOR CODEL RYAN WAS THE CLEAR MESSAGE THAT THE CODEL MUST

UNCLASSIFIED

2

UNCLASSIFIED

PAGE 02

GEORGE 04116 061120Z

OBTAIN THE APPROVAL OF THE PEOPLES TEMPLE IN ADVANCE OF ANY ATTEMPT TO VISIT PEOPLES TEMPLE AGRICULTURAL MISSION AT JONESTOWN. FAILING THIS THE CODEL MIGHT BE FACED WITH A CONFRONTATION WITH THE PEOPLES TEMPLE ORGANIZATION ITSELF AND/OR THE GOVERNMENT OF GUYANA IF A FORCED ENTRY WERE ATTEMPTED. THE EMBASSY DID NOT, HOWEVER, FEEL THAT THE CODEL WOULD ENCOUNTER A VIOLENT RECEPTION IF PRIOR AGREEMENT TO THE VISIT WERE OBTAINED AND PARTICULARLY IF PEOPLES TEMPLE REPRESENTATIVES SUCH AS LAWYERS CHARLES GARRY AND MARK LANE, ACCOMPANIED THE CODEL TO JONESTOWN.

C. AT NO TIME WAS THERE A RELUCTANCE BY STATE OR BY THE EMBASSY TO HAVE THE TRIP "COME OFF." IN FACT, THE POINT WAS MADE ON SEVERAL OCCASIONS IN CONTACTS BETWEEN THE EMBASSY AND PEOPLES TEMPLE THAT THE VISIT OF THE CODEL SHOULD BE VIEWED BY THEM AS AN OPPORTUNITY TO REFUTE VARIOUS ALLEGATIONS AGAINST THE ORGANIZATION THAT HAD APPEARED IN THE PRESS IN THE U.S. CONVERSELY, IT WAS POINTED OUT TO THE PEOPLES TEMPLE THAT A FAILURE TO RECEIVE THE CODEL MIGHT RESULT IN CONFIR-

MATION OF SUCH ALLEGATIONS IN THE MINDS OF MANY. AS FAR AS
US/GUYANESE RELATIONS WERE CONCERNED, THE EMBASSY DID NOT
AT ANY TIME FEEL THE CODEL VISIT WOULD SUBMIT THEM TO
UNDUE STRAIN. ACCORDINGLY, ARRANGEMENTS WERE MADE FOR CONGRES-
SMAN RYAN TO MEET WITH THE GUYANESE FOREIGN MINISTER AND
ALSO THE DEPUTY PRIME MINISTER DURING HIS VISIT TO GUYANA.

D. FROM THE FIRST MOMENT THAT THE POSSIBILITY OF A VISIT BY
CODEL RYAN TO GUYANA BECAME KNOWN, THE EMBASSY DID ITS BEST
TO PROVIDE BACKGROUND INFORMATION TO THE DEPARTMENT FOR USE
IN BRIEFING THE CODEL AND TO GIVE ACTIVE THOUGHT TO THE LEGAL
QUESTIONS POSED FOR THE DEPARTMENT AND THE EMBASSY IN VIEW
OF THE POSSIBLY CONFLICTING OBLIGATIONS THE MISSION WOULD
HAVE IN DISCHARGING ITS CONSULAR AND REPRESENTATIONAL OB-
LIGATIONS TO TWO GROUPS OF AMERICAN CITIZENS OF POTENTIALLY
OPPOSING AIMS AND DESIRES. GIVEN THE OBVIOUS THOUGHT AND

UNCLASSIFIED

GEORGE 04116 061120Z

WORK THAT WENT INTO PREPARATIONS FOR THE VISIT OF CODEL RYAN BY EMBASSY GEORGETOWN, THE WORD "BLASE" CERTAINLY DOES NOT CHARACTERIZE THE EMBASSY'S ATTITUDE TOWARD THE VISIT.

E. THE EMBASSY WAS NEVER FULLY INFORMED EITHER BY THE DEPARTMENT OR CODEL RYAN OF THE PRECISE RELATIONSHIP BETWEEN THE CONGRESSMAN AND STAFF, THE MEDIA PEOPLE TRAVELING WITH THE CONGRESSMAN, AND THE CONCERNED RELATIVES GROUP WHICH ALSO ARRIVED ON THE SAME AIRCRAFT WHICH BROUGHT THE CODEL TO GEORGETOWN. IN FACT, THE EMBASSY'S FAILURE TO RECEIVE PRECISE INFORMATION AS TO THESE RELATIONSHIPS INHIBITED ITS ABILITY TO HELP THE CODEL IN OBTAINING A FIRM COMMITMENT FROM THE PEOPLES TEMPLE TO RECEIVE THE GROUP AT JONESTOWN. FOR EXAMPLE, THE EMBASSY HEARD ABOUT THE POSSIBILITY OF THE PRESS GROUP TRAVELING WITH RYAN ONLY AFTER THAT INFORMATION WAS ALREADY AVAILABLE TO THE PEOPLES TEMPLE OFFICE IN GEORGETOWN.

F. MR. DUYER'S "SLIGHT WOUND" IS STILL DRAINING AND BECAUSE OF THE LOCATION OF THE BULLET THE LOCAL AMERICAN SURGEON HAS BEEN UNWILLING TO UNDERTAKE ITS EXTRACTION FOR FEAR OF POSSIBLE DAMAGE TO ADJACENT BONES AND VERTEBRAE.

G. MR. DUYER DID EXPRESS TO MISS SPEIER AND MR. SCHOLLAERT

IN THE RIDE IN FROM THE AIRPORT THE VIEW THAT HAD AN ADVANCE
STAFFER COME TO GEORGETOWN PRIOR TO THE ARRIVAL OF CONGRESS
MAN RYAN, PRECISE TIMING OF THE VISIT TO JONESTOWN MIGHT HAVE
BEEN WORKED OUT WELL IN ADVANCE. FURTHERMORE THE EMBASSY
WOULD HAVE BEEN IN A POSITION TO SUGGEST THE BEST POSSIBLE
USE OF HIS TIME IN GUYANA. HOWEVER, BEING IGNORANT OF THE
DIRECT NEGOTIATIONS WHICH HAD BEEN CARRIED OUT BETWEEN PEOPLES
TEMPLE LAWYER MARK LANE AND THE CONGRESSMAN'S OFFICE, THE
EMBASSY HAD BEEN UNABLE TO PREPARE FOR THE VISIT WITH THE
PRECISION WHICH NORMALLY SHOULD BE THE CASE IN PREPARING A
CODEL'S SCHEDULE.

H. THE AMBASSADOR'S ATTITUDE TOWARD CODEL RYAN OR ANY OTHER
CODEL WITH WHICH HE HAS BEEN INVOLVED DURING HIS 20-ODD
YEARS OF FOREIGN SERVICE HAS NEVER BEEN BLASE. HE WAS OB-
VIOUSLY CONCERNED THAT CONGRESSMAN RYAN BE ABLE TO ACHIEVE
THE OBJECTIVES HE HAD SET FOR HIMSELF DURING HIS VISIT TO

UNCLASSIFIED

UNCLASSIFIED

PAGE 04

GEORGE 04116 061120Z

GUYANA. FURTHERMORE, HE HAD INVITED CONGRESSMAN RYAN TO BE HIS HOUSE GUEST DURING HIS STAY IN GEORGETOWN HOPING THEREBY TO MAKE THE CONGRESSMAN AS COMFORTABLE AS POSSIBLE, AND AT THE SAME TIME MAKE HIMSELF AVAILABLE TO THE CONGRESSMAN FOR INFORMAL DISCUSSIONS.

I. THE AMBASSADOR'S MEETING WITH THE CONCERNED RELATIVES HAS BEEN REPORTED IN GEORGETOWN 3761. DURING THAT MEETING THE AMBASSADOR MADE CLEAR TO THE GROUP THE LIMITATIONS UNDER WHICH THE EMBASSY IS OBLIGED TO OPERATE IN DEALING WITH SEPARATE, AND SOMETIMES CONFLICTING, GROUPS OF U.S. CITIZENS. (STATE 289798) MISS SPEIER IS CORRECT IN REPORTING THAT THE AMBASSADOR INDICATED TO THE GROUP THAT HE HAD NOT SEEN A NOTARIZED AFFIDAVIT FROM SAN FRANCISCO INQUIRING INTO ALLEGATIONS ABOUT THE ABUSES IN JONESTOWN. AS THE DEPARTMENT IS AWARE A COPY OF THIS AFFIDAVIT WAS RECEIVED BY THE CONSULATE AS AN ENCLOSURE TO A LETTER FROM ONE OF THE CONCERNED RELATIVES. IT WAS NEVER BROUGHT TO THE EMBASSY'S ATTENTION AS AN INSTRUCTION DIRECTLY BY THE DEPARTMENT OR BY THE INDIVIDUAL WHO HAD EXECUTED THE AFFIDAVIT.

7

MISS SPEIER'S REPORT THAT THE AMBASSADOR MADE A CALL TO THE

PEOPLES TEMPLE DURING THE COURSE OF HIS MEETING WITH THE
CONCERNED RELATIVES ACCURATE. THE PURPOSE OF THAT CALL,
HOWEVER, IS INACCURATELY PORTRAYED IN HER ACCOUNT. (GEORGE-
TOWN 3761 GIVES THE PRECISE PURPOSE OF THAT CALL.)

J. THE EMBASSY SUGGESTS THAT MISS SPEIER'S EVALUATION OF THE
CONSULAR OFFICERS' VISITS TO JONESTOWN AS "INADEQUATE" MAY
NOT REPRESENT A BEST JUDGMENT. FULL DETAILS OF THESE VISITS
ARE AVAILABLE TO THE DEPARTMENT AND WILL SHORTLY BE AVAILABLE
TO THE HOUSE INTERNATIONAL RELATIONS COMMITTEE.

K. MISS SPEIER IS QUITE INACCURATE AS TO THE VENUE FOR THE
PRIVATE INTERVIEWS HELD BETWEEN JONESTOWN RESIDENTS AND THE
CONSULAR OFFICERS DURING THE PERIODIC VISITS. THE JONESTOWN
RADIO ROOM WAS, AS FAR AS THE EMBASSY KNOWS, NEVER THE

VENUE FOR SUCH MEETINGS.

L. INVESTIGATION CARRIED ON BY THE GUYANA LAW ENFORCEMENT
AUTHORITIES HAS SO FAR REVEALED A TOTAL OF 32 SHOTGUNS,
PISTOLS, AND RIFLES AT THE JONESTOWN SITE. THE PEOPLES
TEMPLE HAD OFFICIALLY APPLIED FOR LICENSES FOR SOME OF THESE
ARMS THOUGH PROBABLY AS MANY AS 28 WERE UNLICENSED. SO FAR
THE INVESTIGATION HAS NOT REVEALED ANY SHIPMENT OF GUNS AND
AMMUNITION IN "FALSELY MARKED CRATES" FROM THE U.S. TO GUYANA.

ON DEC 5, 1978, SOURCES AT CII ADVISED THAT CHARGE AGAINST JONES OF LUDE CONDUCT IN HIS DEC 13, 1973 ARREST AT LOS ANGELES WAS DISMISSED ON FEB. 1, 1974. SOURCES ALSO ADVISED THAT ON JAN. 31, 1974, THE LAW FIRM OF BALABAN, BERMAN, SELAN, AND STEWART, 8920 WILSHIRE BOULEVARD, BEVERLY HILLS, FILED A MOTION IN LOS ANGELES MUNICIPAL COURT REQUESTING AN ORDER FOR THE SEALING OR DESTRUCTION OF ALL RECORDS PERTAINING TO JONES AND HIS 1973 ARREST. SOURCES AT CII INDICATE THAT THE RECORD HAS NOT BEEN SEALED AT THIS TIME. THIS IS POSSIBLY DUE TO THE LACK OF THE ISSUANCE OF A FINAL COURT ORDER.(u)

CII INDICATES NO OTHER ARRESTS FOR JONES REFLECTED IN THEIR FILE. (u)

✓ AMONG THE EFFECTS COLLECTED BY CONSULAR OFFICERS AT JONESTOWN IS
THE GUEST BOOK COVERING A PERIOD FROM MID-AUGUST UNTIL MID-NOVEMBER.
THE BOOK CONTAINS THE NAMES OF 98 VISITORS TO JONESTOWN WHO SIGNED
THE GUEST BOOK. THE COMPOSITION OF THE GROUP OF VISITORS IS MIXED:
SOME AMERICANS, SOME GUYANESE, AND SOME THIRD COUNTRY DIPLOMATS.

58 DEC 7 1978

MOST OF THE GUESTS GAVE SOME BRIEF REMARKS IN A COLUMN DEDICATED
TO THE PUPOSE ON EACH PAGE.

SOME OF THE MORE SIGNIFICANT ENTRIES THAT APPEARED ARE:

8/21/78 - SOMEONE FROM RADIO DEMERARA, SOMEONE FROM THE OFFICE OF
THE PRESIDENT OF GUYANA, THE GENERAL MANAGER OF THE GUYANA CHRONICLE,
AND THE CHIEF PHOTOGRAPHER OF THE GUYANA CHRONICLE.

9/13/78 - CHARLES GARRY, PEOPLE'S TEMPLE LAWYER FROM SAN FRANCISCO
AND JOSEPH MAZOR, A PRIVATE INVESTIGATOR FROM CALIFORNIA.

9/17/78 - MARK LANE, AN ATTORNEY FROM THE THE UNITED STATES

9/21/78 - SOMEONE FROM THE MINISTRY OF HEALTH, GOG

IN FACT, CONSIDERING THAT ALMOST 100 PEOPLE VISITED IN 3 MONTHS, IT WOULD APPEAR THAT THE COMMUNITY

WAS KEPT QUITE BUSY RECEIVING VISITORS.

Suicide Memorial Held At SF Bridge

SAN FRANCISCO (AP) — The apparent mass suicide at the People's Temple colony in Guyana came a year and a half after temple founder Jim Jones called for the erection of a suicide barrier on the Golden Gate Bridge.

On Memorial Day, 1977, Jones stepped to a microphone beside the bridge and eulogized the more than 600 persons who had leaped to their death from the Golden Gate since the famed bridge opened 40 years earlier.

He said the suicide victims "were not casualties of war, but casualties of society."

Hundreds of those in the audience were members of the Peoples Temple and had arrived for the speech in buses. After the speeches, they joined a parade onto the bridge, each wearing a black armband and bearing the name of one of the suicide victims.

Many of the temple members who were on the bridge could have been among the nearly 400 persons found dead in the temple's Jonestown farming settlement in Guyana on Sunday, victims of apparent mass suicide.

Jones was a potent political force in San Francisco. He often turned out large crowds for political rallies and generated letter-writing campaigns for causes he favored.

Mayor George Moscone, a Democrat, appointed Jones to head the San Francisco Housing Authority in 1976, in appreciation for the minister's help in his successful campaign.

"If Jones was harboring some deep-seated evil intention at that time, I didn't know about it," Moscone said in the wake of the slayings in Guyana.

Jones resigned the housing post last year and departed suddenly for Guya-

na in the wake of reports quoting former temple members as saying he fostered beatings of members and used questionable tactics in accumulating money.

In 1977, Democratic Gov. Edmund Brown Jr. attended a memorial service for the late Rev. Martin Luther King at Jones' temple.

Cyanide Fed To Babies; Cultists Sip 'Death Toast'

georgetown, Guyana (AP) — Soldiers searched through a steaming jungle Monday for hundreds of American religious zealots who fled their smoky compound after the suicide-r murder deaths of at least 409 fellow cultists.

Some were shot, but most apparently lined up and took doses of cyanide poison mixed in a tub with flavored water. A witness said poison was soon fed to babies.

Several hundred bodies were rawled around a communal meeting hall, packed so closely together that many had fallen across others who had died minutes earlier. Some embraced as they died.

By dark, police and soldiers had and only 12 survivors from among an estimated 500-900 who had fled to the bush.

All of the settlers were believed to be Americans, most from California.

Those who were killed or took their lives perished at about the same time Saturday that enraged members of the sect attacked an investigative unit led by Rep. Leo J. Ryan, D-Calif., at a dirt airstrip. They killed an American, three U.S. newsmen and a man from the settlement.

By midafternoon, soldiers reported finding the bodies of 183 women, 138 men and 82 children. A police spokesman said later the toll was 409 as the grim task continued at the settlement in this small South American country tucked beside Venezuela. He said bodies still were being found. Some were found in the fields, huts and other structures. There were 17 shotguns, 14 pistols, seven pistols, a flare gun and large amounts of ammunition, government officials said.

Among the dead were the Rev. Jim Jones, founder of the People's Temple settlement called Jonestown; his wife and one of their sons.

was reference letters submitted by Jones. He said the People's Temple supplied some 60 letters, including ones purportedly signed by Rosalynn Carter, Vice President Walter F. Mondale, and several congressmen that complimented Jones and his followers for their activities in California.

Odell Rhodes, a 36-year-old teacher and one of the camp survivors, told the pool reporters elaborate preparations were made for the mass suicides and killings triggered by Ryan's visit.

Rhodes said he remained through the first part of the suicide ceremony, but when a Dr. Lawrence Schacht said he wanted a stethoscope, Rhodes volunteered to get it and hid in the jungle.

He told the reporters Schacht prepared the cyanide potion and the doctor and two nurses ladled it out, starting with the infants by spooning or squirting it into their mouths.

Adults lined up and received the poison drink in paper cups, sipping it there or taking it back to their places

to join friends and relatives in a death toast, Rhodes said.

Armed guards were stationed around the group, he said, and one woman who first refused to take the poison drank it after others shouted, "No, no, if father says to do it you should do it!"

Jones was called father by his followers.

Rhodes said the original plan was for all the people in Ryan's main aircraft to be killed by a gunman who would pose as a defector and get on the plane, then kill the pilot, causing the plane to crash.

He said the man got on the second aircraft by mistake at the tiny airstrip in the village of Port Kaituma, eight miles south of Jonestown, then started shooting and other armed men on a truck-trailer also opened fire.

When the killers returned to Jonestown, it was known some members of Ryan's group had escaped. The suicide ritual was ordered, Rhodes said.

He said People's Temple members

in Guyana and the United States had been planning a simultaneous suicide ceremony for months, to be carried out if the code "white knight" was broadcast.

Rhodes said the code apparently was not broadcast, and Jones summoned his followers to the death meeting by telling them over the loudspeaker, "The time has come for us to meet in another place."

According to Rhodes, Jones used the loudspeaker after Ryan's party had left, to announce he had ordered the deaths of the congressmen and all other members of his party.

Another survivor, Grover Davis, 79, told the pool reporters he realized what was going to happen as the settlers were being directed to the meeting hall and he ran into the bush and hid.

A woman who gave her name as Hyacinth Prash and said she was in her 70s was ill and remained in her cabin where she apparently was overlooked.

American attorney Mark Lane said the Jonestown meeting began at about 5 p.m.

Lane, being guarded with fellow attorney Charles Garry in a building some distance from the meeting, said he had heard medical personnel were preparing poison in a large vat somewhere in the camp.

He said that from their vantage point they also saw a dozen men take "many" automatic rifles from a shed.

One of their two guards told them, "We are all going to die now," Lane said.

"They were smiling. They looked genuinely happy," he said.

He and Garry persuaded the guards to release them, Lane said, by telling them he would "write the story" of Jonestown for the outside world. Before letting them go, the two guards hugged both lawyers.

Countians Await Word Of Relatives In Sect

In a letter to her father last Tuesday, Erin Eichler said everything was fine. She and her sister, Evelyn, seemed to be having a good time visiting members of the People's Temple religious sect in Guyana.

Today, Chuck Eichler of Westminster is pondering the fate of his two daughters who, he fears, may be among an estimated 400 victims of a mass suicide at the church camp, run by the Rev. Jim Jones.

At least two additional OC residents anxiously are awaiting word about possible survivors. They are Mrs. Carolyn Eslinger of Garden Grove and a Buena Park woman who says they have relatives at the camp.

Officials in Washington D.C. say they may be able to release the names of the victims today. An additional 500 to 700 sect members reportedly escaped from the camp when the suicides occurred.

Eichler said his daughters Evelyn, 23, and Erin, 19, lived in Burbank until their move to Guyana in April 1978.

The women expressed interest in joining the church, but Eichler isn't sure if they have become members.

He said he has received letters regularly from Erin in the past 18 months. The latest correspondence — a letter and picture showing Erin in front of some palm trees — arrived last Tuesday.

The letter, dated Oct. 17, had P.O. Box 893, Georgetown, Guyana, as the return address. Eichler said he does not know if that is the camp's address.

3 More Venus Atmosphere Probes Sent

MOUNTAIN VIEW (AP) — Three more atmospheric probes were on the way to Venus on Monday after a successful in-space launch from a Pioneer spacecraft.

The three launchings from the Transporter Bus represent the second phase of the first project devoted primarily to the atmosphere and weather of another planet. The three probes, which had to go off simultaneously, were released Monday morning, after an 11-hour delay. Adjustments were made over that period to offset an increase in velocity, the National Aeronautics and Space Administration said.

Heart Failure Cited In Envoy's Death

NEW YORK (AP) — The Medical Examiner's office said Monday that it appeared that heart failure from high blood pressure caused the death here of a 38-year-old Soviet diplomat.

Dr. Michael Baden, chief medical examiner, said an autopsy showed the diplomat, Valery Vityakin, had an enlarged heart, which he called a typical consequence of hypertension or high blood pressure.

Vityakin, second secretary to the Soviet Mission to the United Nations, was found dead Sunday in his apartment in the Soviet residential complex in the Riverdale section of the Bronx. He had been in the United States just over a year.

Hotel Blaze Kills 2, Injures Several

EAU CLAIRE, Wis. (AP) — Fire swept through a three-story, wood frame hotel Monday, killing two men and injuring several persons authorities said. Witnesses said one resident escaped by jumping out a window and another climbed out a window and down a tree.

Firefighters were called at 2:45 a.m. to the 97-year-old hotel, once the scene of elegant Saturday night balls but occupied in recent years by retired, elderly and low-income persons. The blaze continued until after dawn.

The dead were identified as James Janowski, 77, and Neil E. Rather, 55, who both were registered at the hotel. Both died of asphyxiation caused by smoke inhalation, Dr. Herbert Aitken, Eau Claire County Medical Examiner, said.

Hundreds Arrested After Ferry Hijacked

ISTANBUL, Turkey (AP) — Armed leftist youths hijacked a Europe-to-Asia ferry Monday and ordered the captain to cruise in the Bosphorus Straits until authorities listened to their demands. But they later ordered the ship into port here where police reported more than 400 arrests.

Police said the hijackers gave up after police boats chased the ship as it crisscrossed the straits. It was not known if they presented their demands before giving up.

Sources said the ship was occupied by "Maoist militants" after authorities refused to let them attend a funeral for a slain youth

through the gate where Death Row convict Robert F. Lewis walked away two days earlier.

One of the two new fugitives was captured soon after and bloodhounds were on the track of the other, said Al Lee, spokesman for the Florida Department of Corrections.

Teachers Hint At Strike If HB Talks Stalemate

HUNTINGTON BEACH — Negotiators for the teachers union and the Huntington Beach Union High School District returned to the bargaining table Monday under the threat of a possible teachers strike if talks stalemate.

The negotiators were scheduled to continue contract talks today, said district and union spokesmen.

There was no announcement on the results of Monday's negotiations with state mediator Drava Mrvichin.

Teachers voted by a 3-1 margin last

Wednesday to go out on strike, but union officials held up calling the walkout pending the outcome of additional negotiations requested by the school board.

Teachers seek a 7 percent cost-of-living pay hike, a charge deducted from non-members' pay for union representation and binding, instead of advisory, arbitration of contract disputes.

The fee and binding arbitration have been recommended by a state fact-finding committee and the union has asked the board to incorporate the features in a new, two-year contract. Trustees had rejected the recommendations of the state committee prior to the teachers union call for a strike vote last week.

The two men were taken to County-USC Medical Center, where Ramirez was in fair condition. Seja was treated and released.

Like the dead victims of the stabber, Ramirez and Seja were knifed in the chest and were found shortly after midnight.

But unlike the other victims, Cooke said, these two were young and Spanish-speaking.

"These two don't seem to fit the wino image of previous victims, but the investigators haven't ruled anything out yet," said a police spokesman.

Investigators say they still don't know if there is only one stabber or if there are "copycat killers." But they have released a composite picture and description of a man they think may be the killer — a pigeon-toed, muscular, 6-foot-2 man in his late 20s or early 30s.

Congressman Ryan Warned Guyana 'Hostile' To Visit

SAN FRANCISCO (AP) — Rep. Leo Ryan, killed in an ambush at a remote airstrip in Guyana, never backed away from danger in 16 years in politics, says a friend, and the People's Temple jungle colony in Guyana was no exception.

Ryan, a 53-year-old California Democrat, was shot and killed in an ambush Saturday while investigating whether Americans were being held against their will at the People's Temple at Jonestown in northwest Guyana. Three newsmen and a young woman also were killed Saturday as they prepared to fly out with residents unhappy with the colony.

Dan Cook, a congressional investigator and a close personal friend of Ryan's, said in a choked voice from Washington, D.C., Sunday that Ryan had received a telegram from Guyana which was "openly hostile" to his visit.

"His trip there was in keeping with his practice of going to see for himself, to check out the problems of the people he represented," Joe Holsinger, his administrative aide and a long-time friend, said Sunday.

"He knew he would not be welcomed with open arms, but he certainly didn't ex-

pect such a senseless thing as this," Cook said.

A White House statement said President Carter was saddened by Ryan's death. "It was this drive to get his information at first-hand that led to his tragic death," the statement said in part.

Ryan and a small group of reporters, Temple attorneys and relatives of people inside the compound flew to Guyana Nov. 13 to investigate reports that American citizens were being held against their will at the Temple settlement that is led by the Rev. Jim Jones.

The 27,000-acre agricultural settlement, Jonestown, was founded by Jones over a year ago as a commune-like home for his flock.

Born in Lincoln, Neb., Ryan spent his college years at Creighton University and worked in several Nebraska schools before moving to California. He taught at Capuchino High School in San Bruno a few miles south of here before his election to the state Assembly from the 27th District.

Ryan was known as a man who liked to get involved in things of importance to his constituents.

In 1966 Ryan dived into the cauldron of Watts in Los Angeles after the deadly

riots there to teach in a Watts high school for two weeks to check on schooling conditions.

In 1970 he spent an eight-day "sentence" in Folsom Prison to find out what it was like to live as a caged man.

Environment and ecology received Ryan's attention. He helped write a law prohibiting the sale of seal skins in California in an effort to halt the annual harvest of baby seals.

This year he traveled to Newfoundland at the invitation of the Greenpeace Foundation to inspect first-hand the hunting of harp seal pups. His opposition to the seal harvest earned him the International Wildlife Foundation's "Man of the Year" award.

But the journey to Guyana was the most dangerous of all.

"He knew it was relatively dangerous," said Pat Ryan, 25, one of the congressman's five children. "But that never stopped him before. This was something he had been working on for a long time."

The Ryan children had maintained an all-night vigil at the family home in Burlingame, south of here. They got the word of their father's death Sunday morning. Ryan was divorced from his wife in 1971.

Ryan Told Visit Might Prov

WASHINGTON (AP) — Rep. Leo Ryan was told before his trip to Guyana that members of the People's Temple felt harassed by American authorities and that further "persecution" might "create a most embarrassing situation for the U.S. government."

The warning, from the cult's attorney, Mark Lane, prompted Ryan to respond that the threat of embarrassment "does not impress me at all."

"If the comment is intended as a threat, I believe it reveals more than may have been intended," the lawmaker wrote the well-known activist attorney earlier this month.

Copies of the exchange of letters between Lane and Ryan were made available by aides to the slain California Democratic congressman.

They also released copies of telegrams Ryan sent to Jim Jones, leader of the sect, and John R. Burke, the U.S. ambassador to Guyana, as arrangements were made for the trip that ended in the death of Ryan and several members of his party.

Lane also was on the trip but escaped injury.

Ryan wired Burke and Jones on Nov. 1, informing them of his plan to visit the commune Jones and his followers maintain at Jonestown near the Venezuelan border.

Lane replied five days later for Jones, writing the congressman that "the people of Jonestown have expressed a willingness to care for your needs and the needs of your staff and associates. . ."

But, he said, "you should be informed that various agencies of the U.S. government have somewhat consistently opposed the People's Temple. . ."

"Some of the members of the People's Temple have had to flee from the U.S. in order to experience a fuller opportunity to enjoy rights which were not available to them within the U.S.," Lane wrote.

He added that two countries, "neither one of which has entirely friendly relations with the U.S." had offered refuge to cultists.

Lane did not identify the countries, but an aide to Ryan said the lawyer apparently was referring to Cuba and the Soviet Union.

"Thus far, the People's Temple has not accepted

either of those offers, but it is their position that if a religious persecution continues and if it is furthered by a witch hunt conducted by any branch of the U.S. government, that they will be constrained to consider accepting either of the offers," Lane wrote.

He then warned that the consequences of "further persecution" might prove embarrassing to the United States, apparently an indication that the group would consider accepting the offer of refuge.

Joe Holsinger, Ryan's top aide, said the congressman

SAN FRANCISCO (AP) — "I feel sorry that we are being destroyed from within," the Rev. Jim Jones said as a tropical storm rained on the People's Temple pavilion.

Jones had suffered a setback. Rep. Leo Ryan, D-Calif., had come to the temple's agricultural project to determine whether the followers of Rev. Jones were free to leave the jungle settlement.

Starting with a note from two members asking, "Please help us get out of Jonestown," the list of defectors grew to at least 16. According to former members, Jones would not tolerate defections from the mission project and many of the church members considered those who left to be traitors.

At the end of Ryan's two-day visit to the mission Saturday, a woman suddenly charged down a slippery boardwalk, crying, "Don't take my baby!"

An emotional tug-of-war ensued between a mother who wanted to stay and the father who wanted to go. Finally, attorneys for both Ryan and the temple decreed that the courtroom was the proper place to decide the custody issue.

Though it was a stalemate, the incident intensified an already strained situation. Jones, who asked his followers to call him "Dad," does not like to lose any of his "children." He says he considers it a failing on his part when

he does.

Some scowling faces appeared in the windows that rainy afternoon, watching the defectors leave, some with trunks and others with little more than the clothes on their backs.

There was much slipping through the mud around a six-wheel-drive dump truck which would take the congressional delegation, the press, the defectors and a group of concerned relatives of temple members to the Port Kaituma airport.

Brutal Discipline Crowd People's Temple Sect

THIS IS UNCLASSIFIED

DATE 11/1/92 BY SP8/ML

SAN FRANCISCO (AP)

The Rev. Jim Jones carved a careful imagery. His People's Temple cared for its mixed-race flock with self-help programs and a thriving agricultural commune in an idyllic South American setting.

The image cracked when disgruntled former members alleged Jones was an often brutal disciplinarian. The image exploded when sect members shot and killed Rep. Leo Ryan, D-Calif., and four others on a remote Guyanan airstrip. Ten others were wounded.

And earlier reports of suicide rehearsals and undated suicide notes left by People's Temple adherents before they went to Guyana were chillingly recalled Sunday when reports emerged that up to 400 bodies had been found at the sect's Jonestown camp, apparently dead of poison.

The gruesome incident is the latest, and the worst in the 20-year tale of intrigue and controversy surrounding the People's Temple and its founder.

Conceived in Indianapolis in the 1950s with the avowed purpose of breaking down class distinctions, the Temple moved to Redwood Valley, Calif., in the late 1960s, to San Francisco in 1971.

A sophisticated political

manipulator, Jones, 46, became a potent force in San Francisco almost overnight, organizing some 5,000 Temple worshippers into a group for a host of liberal political campaigns.

Jones, who is married and has seven children, was born in Indiana, the son of a poor, interracial couple. At one time, he could list among his friends Gov. Edmund G. Brown Jr., Los Angeles Mayor Tom Bradley and San Francisco Mayor George Moscone who appointed Jones chairman of the city Housing Authority after the People's Temple helped him win the mayoral election in 1975.

But Jones' star faded after a series of allegations by former members. They complained that his methods of control included beatings and exhausting work schedules.

Former members said Jones' following submitted to his authoritarian regime because his rules and rituals left them financially de-

pendent on the church, terrified and often brainwashed.

Jones called the allegations "outrageous lies" but resigned from the Housing Authority in August 1977 and went to Guyana with some 1,200 followers to establish the agricultural colony there.

A news release the Temple issued last year said the Guyana community has rehabilitated many young people "from lives filled with serious problems. . . We do not brutalize or exploit anyone."

But in an interview broadcast Sunday on the NBC Nightly News, former member Debbie Blakey told how children were disciplined in Jonestown.

"Little children are scared by this thing called 'Bigfoot.' What they do if a child has done anything that most children do, (and it) is considered very bad. . . they are sent out to see 'Bigfoot.'"

"They are taken into the

st, down (to) a well," she said.

Two people would already be in the well swimming, dark and you can't see. The child is thrown in there. . . and the people that are in there will be grabbing the child's feet or pulling him down, making sure that he comes up for a

"You can hear the child screaming all the way there and. . . back, 'I'm sorry, father. I'm sorry, father. . .'"

"If he doesn't scream loud enough how sorry he is, then he'll (Jones) send the child back down," she added.

renowned anonymous said her niece and nephew — both in their late 20s — joined the church soon after graduating from high school.

"They were unhappy with the war, but they were not violent people. They were gentle people. They loved plants and animals."

"It's really hard to explain. They were brought up in a middle-class family. Everyone in the family keeps asking why (this has happened)," she said.

The couple was introduced to the church by a friend, but she is sure that they were brainwashed into leaving for Guyana with Jones.

Their letters did not show signs of disenchantment with the camp. "There was never any mention of mistreatment. They seemed to be doing just fine."

"He told us he was doing some carpentry at the camp. And she did some farming. She always talked about how beautiful the jungle was."

Mrs. Eslinger said she, too, had relatives who were members of the People's Temple, but added that she was unsure whether they were part of the Guyana colony.

That uncertainty, however, only served to increase their anxiety about the fate of her sister-in-law, niece and nephew.

Mrs. Eslinger's sister-in-law, Agnes Jones, was adopted by the cult leader as his daughter some years

ago, she said, and later married Mrs. Eslinger's brother.

Two children by that marriage, in their midteens, also joined the sect, said Mrs. Eslinger.

She said she had heard no word from the trio for more than a year and had no idea of their whereabouts, although they contacted her regularly while members of the People's Temple in Los Angeles before that time.

"When I went to the temple before, they would always say that she wasn't there at the moment, but later she always returned my calls."

"But when I went there around July of 1977 they took my number and said they'd bring them to see me, but I never heard from them again."

Mrs. Eslinger said that while she was at the temple she was "treated very well, but they never let me inside the church. I was an outsider. I don't know how that place worked."

She had heard Jones preach at a temple in Indianapolis "years ago" but saw nothing sinister in his manner or in the atmosphere of the temple, she added.

"Those people at that church seemed like such a loving bunch of people, but they did things their way. From the pulpit, he (Jones) was a radical, a religious fanatic, but I never heard anything about him being violent."

When a Register reporter tried to contact the People's Temple in Los Angeles Monday, the telephone was not answered.

...showed signs of trouble, Eichler said. "They seemed to be having a good time."

The bodies of at least 383 persons, including Jones, his wife and one of their children, were found Sunday following the shooting death of California Congressman Leo J. Ryan, and several members of the press corps accompanying Ryan. The congressman was in Guyana to investigate allegations that church members were held at the camp against their will.

into the jungle. As they did they heard Jones chanting over the loudspeaker, "Mother! Mother! Mother! Mother!" and suddenly gunfire erupted. Lane said he heard many bursts of automatic fire and screams from the camp.

Guyanese Information Minister Shirley Field-Ridley told reporters that nine suspects had been arrested in connection with the Ryan attack were not true. She said only one man had been taken into custody and identified him as Larry Layton, about 32. She said he was from America but she did not know where.

Mrs. Carter's, Jones' Letters Made Public

WASHINGTON (AP) — Rosalynn Carter's office made public Monday a 1977 exchange of letters between Mrs. Carter and the Rev. Jim Jones, leader of the religious community in Guyana that was the site of mass suicides.

Jones, in a letter dated March 12, 1977, reported he had been in a delegation that had traveled to Cuba and been told "their country is badly in need of hospital equipment."

Urging that U.S. equipment be supplied, Jones wrote:

"I am personally of the opinion that such a move is consistent with the humanitarian aid you spoke about not long ago, and is an opportunity to help win Cuba away from the Soviet orbit. Anything that you could do regarding this matter, of course, would be deeply appreciated."

On April 12, Mrs. Carter, in a "Dear Jim" letter, replied:

"Thank you for your letter. I enjoyed being with you during the campaign — and do hope you can meet Ruth soon.

"Your comments about Cuba are helpful. I hope your suggestion can be acted on in the near future.

"Sincerely, (signed)
Rosalynn Carter."

Wray 'May Have Been Present At Prostitutes Convention'

By LARRY PETERSON

Register Staff Writer

Assemblyman Chet Wray said Thursday he may have been present in a Sacramento tavern last year when a reception was held to raise funds for a campaign to legalize prostitution in California.

The Westminster Democrat had denied Monday that he attended the March 30 event, saying he spent the evening in a supper in another part of the Sacramento area and then went home.

He branded as "dirty tricks politics" a statement in a brochure by Republican Doris Allen, whom he defeated in Tuesday's election, that claimed he attended the event, referred to as a "prostitutes' convention."

But Dan Walters, staff writer for the Sacramento Union, said Thursday that Wray was at the reception for at least an hour, "looked like he was enjoying himself and having a helluva good time."

Confronted with the eyewitness account, Wray said he may have stopped off at the capital-area bar "for a sandwich" but did not attend the reception, which he said was downstairs, not on the second floor where he ate.

But Walters said that the reception, sponsored by California Association for Trollops National Institute for Prostitution, the tavern's dining room and Wray were all upstairs.

In a story published by the Sacramento Union March 31, 1977, Walters

wrote that the event was attended by lobbyists, the capital press corps, "a few nervous legislators" and their aides.

The story said the event included a see-through lingerie "fashion show."

Lawmakers identified in story as present were Assemblyman John Knox, D-Contra Costa; Michael Walters, D-San Rafael; Walter Ingalls, D-River-Side; Charles Imbrecht, R-Ventura, and "Chet Grey."

Walters said Wray's name was "garbled in translation" because he dictated the story to another reporter over the telephone.

Wray said Thursday that he recalled that the invitation to the event "said something about a fashion show" but that he recalls that the invitation was still in his office mail box the next day.

He said he normally eats dinner at his Sacramento residence but sometimes stops for a sandwich at the tavern, the operator of which he says is a friend, when Assembly business keeps him late.

On Monday, Wray said he ate dinner the night of the reception with "the vice president of San Diego Gas & Electric" whose name he could not recall.

Thursday, however, Wray said he attended a dinner sponsored by the Orange County Pharmaceutical Association at Aldo's restaurant in the northeast Sacramento area.

Knox and Ingalls said

they could not remember whether they saw Wray at the event. Wornum and Imbrecht could not be reached for comment.

Robert Nelson, campaign manager for Mrs. Allen, said he had learned of Wray's attendance at the function months ago but first decided not to use it in her campaign literature.

He said he changed his mind after the Wray campaign blanketed the district with what he called "lies and distortions" about Mrs. Allen's record as a Huntington Beach High School District board member.

Wray, first elected to the Assembly by a margin of 36 votes in 1976, won Tuesday by 9,000 votes.

GM Chief Asks Fair Trial for Carter's Controls Plan

NEW YORK (AP)—Warning against "counter-productive gestures" such as mandatory wage and price controls, General Motors Chairman Thomas A. Murphy said Tuesday that President Carter's voluntary anti-inflation program should be given a fair trial.

Murphy said he has "trust and confidence" in Carter's proposed voluntary 7% lid on wage and fringe benefit increases, and he urged unions to go along with it.

He said the voluntary concept "coupled with the kind of anti-inflationary monetary and fiscal policies promised by the President, is a viable one.

"It not only has a very good and distinct possibility of succeeding, it can succeed, it must succeed and it certainly is worthy of the best effort we as a people can put into it," he emphasized.

Murphy also predicted record sales by the auto industry next year and said analysts misinterpreted the decision by the giant auto maker to reduce its yearend dividend.

He told a luncheon audience of the New York Chamber of Commerce & Industry that GM trimmed its dividend because of "burgeoning needs" for capital spending "and the uncertainties we face in meeting the myriad of regulations."

The GM chairman voiced confidence that labor will not try to sabotage the anti-inflation program, despite the negative reaction of some labor leaders, including AFL-CIO President George Meany.

"Mandatory wage controls are as abhorrent to organized labor as mandatory price controls are to industry.

I think it is safe to say that we all have learned—or at least a great majority of us have—from our mutual and bitter experience with such controls," he told about 1,000 businessmen at the Waldorf-Astoria.

Murphy cautioned against paying too much attention to what he called "those always-present doomsayers who say the program cannot work, that it is doomed to failure even before all of its aspects have been defined fully, much less given a fair trial."

ALL Radio Ham Tells Of Temple's Transmissions

By JIM HANCOCK
NASHVILLE, Tenn. (AP) —

A Tennessee ham radio operator listened in on conversations from the People's Temple settlement in Guyana nearly every night for more than a year before the voices fell silent.

Ed Westcott, an Oak Ridge photographer, said the transmissions — some of which he alleged were illegal — ended three weeks before U.S. Rep. Leo Ryan, D-Calif., and four other persons, including three journalists, were slain at an airstrip eight miles from the People's Temple camp at Jonestown, Guyana.

A large antenna is visible from outside the sect's compound in San Francisco, and an NBC-TV news report Sunday said the People's Temple members there kept in contact with the agricultural settlement in Guyana via radio.

On Sunday, Westcott said

that some of the transmissions he heard apparently were in code.

"They were using cryptic and cipheric messages — that's illegal — and they were operating outside the amateur frequencies or bands which is a violation of international treaties," Westcott said. "And they were operating unidentified for long periods of time, which is also a violation."

He added: "A great deal of the communications weren't coded, but when something apparently secretive came up, it was in code and there were never any last names, just code names. Jones went by the name of 'Al' and no one could make any decision until 'Al' OK'd it."

Westcott said he talked to Jones about the settlement — which had a goal of becoming self-sufficient —

but declined an offer to do some photography work in Jonestown.

"In talking to him (Jones) I found out the congregation was made up of former drug addicts, alcoholics, runaways and problem people who just couldn't find a place in society but had found a place in the Temple church," he said.

"He (Jones) is cordial; a nice man to talk to. But he could be excitable in a crisis situation like a derogatory newspaper article and people trying to get out of the organization. Then he would go into a lengthy dissertation defending the organization," Westcott said.

On Oct. 12, Westcott recalled, he told the Federal Communications Commission that "the communications — the violations, the

secrecy — would lead to a disastrous situation. About a week later I was told my complaint would be handled by a different depart-

ment, one that handled that sort of thing."

"After Oct. 25, I heard no more of Jonestown — until today."

1977 Statement Derided Cult Against Allegations

SAN FRANCISCO (AP)

- When former members of Peoples Temple began talking publicly about beatings and fake healings last year, temple officials drew a virtual veil of silence over the embattled congregation.

The pastor, the Rev. Jim Jones, fled to Guyana without responding to the allegations.

On July 30, 1977, the temple issued a rare seven-page statement, entitled, "What's Behind the Attacks on Peoples Temple?"

Here are some excerpts from that statement:

"We are not really surprised at the charges that have been made against us. Movements for fundamental social change have always been subjected to sophisticated and well-

where nobody lives in want...

"We note that some of those persons who are now coming forward with their charges against our movement include persons who constantly pressed us to take extremist actions totally incompatible with our principles. Some were even involved in manufacturing weapons and advocating that the church use them to advance a program of terrorism to achieve its social aims...

"Our program in Guyana is everything that it has been represented to be, both as an agricultural mission, and as a model cooperative community that has successfully rehabilitated many young people from lives filled with serious problems...

At 6 p.m. on November 21, 1978, Assistant Director Moore called me and said that he was, at that time, in the Director's office and the Director had requested me to furnish an opinion concerning whether the Federal statutes prohibiting slavery and involuntary servitude would be applicable to activities occurring in a foreign country. He was specifically referring to the circumstances involved in the recent events in Guyana. (u)

I conducted the necessary research and at approximately 8 p.m., November 21, I attempted to call you in your office and spoke to Russ Bruemmer in your absence. I furnished Mr. Bruemmer my opinion and then in a conference call with Associate Director Adams and Assistant Director Moore, at 8:11 p.m., I advised them. At approximately 8:20 p.m., I reached Mr. Boynton and advised him 18 USC 1583 (slavery) and 1584 (involuntary servitude) would not apply in a foreign country. (u)

Though there is little in the way of authority, the Supreme Court decision in United States v. Bowman 67 L. ed. 149 discusses the principle of territorial limitation of power and jurisdiction of a government to punish crime. The court stated (at page 151): (u)

"Crimes against private individuals or their property, like assaults, murder, burglary, larceny, robbery, arson, embezzlement, and frauds of all kinds which affect the peace and good order of the community, must, of course, be committed within the territorial jurisdiction of the government where it may properly exercise it. to include those committed outside of the strict territorial jurisdiction, it is natural for Congress to say so in the statute, and failure to do so will negative the purpose of Congress in this regard. " (u)

The court contrasted the interest of the government with the individual interest as follows: (u)

"But the same rule of interpretation should not be applied to criminal statutes, which are, as a class, not logically dependent on their locality for the government's jurisdiction, but are enacted because of the right of the government to defend itself against obstruction or fraud, wherever perpetrated, especially if committed by its own citizens, officers, or agents. Some such offenses can only be committed within the territorial jurisdiction of the government because of the local acts required to constitute them. Others are such that, to limit their locus to the strictly territorial jurisdiction, would be greatly to curtail the scope and usefulness of the statute, and leave open a large immunity for frauds as easily committed by citizens on the high seas and in foreign countries as at home. In such cases, Congress has not thought it necessary to make specific provision in the law that the locus shall include the high seas and foreign countries, but allows it to be inferred from the nature of the offense. " (u)

Congress has acted to extend Federal jurisdiction by statute to the special maritime and territorial jurisdiction of the United States which is defined in Title 18 USC, Section 77. Under that specific statutory extension of jurisdictional authority, crimes against the person may be prosecuted under Federal law if the conditions of the maritime and territorial jurisdiction are met. For example, in United States v.

(u)

Memo Legal Counsel to the Director
Re: Extraterritorial Jurisdiction
Under Federal Law

Erdos 474 F.2d 157 (4th Cir. 1973) the court held that there was jurisdiction under Federal law to prosecute an American citizen who killed another American citizen in the American Embassy located in the Republic of Equatorial Guinea.

Federal jurisdiction may also extend to cases in which the Federal statute is intended to protect the government itself. In such cases, the offense is complete when the elements of the statute have been met and there is no specific requirement that the offense be committed within the territorial jurisdiction of the government. Specific application of the principle would result in the conclusion that the killing of the President of the United States or a member of Congress could be investigated and prosecuted under Federal law regardless of the physical location of the killing. The rationale for application of those statutes to events occurring outside the territorial authority of the government is that the statutes were designed to protect a function of government. Venue for prosecution in such cases is decided by reference to 18 USC 3238 which provides for venue in the district within the United States where the offender is arrested or first brought. This area of the law is not well developed and though it is my opinion that the general principles can be described, such questions arising in the future should be considered carefully on an ad hoc basis and I recommend that any such questions be referred promptly for a legal opinion.

The general principles are: (u)

(1) There is Federal jurisdiction in any case meeting the requirements of 18 USC, Section 7, which generally extends authority to vessels at sea, government reservations, and U.S. aircraft. (u)

(2) Federal jurisdiction extends, according to the intention of Congress, to those statutes designed to protect the government itself and where the elements of the offense are not necessarily limited to the territorial jurisdiction of the United States (u)

(3) Federal jurisdiction does not extend to instances where offenses are committed against the person and there is no direct harm to a statutorily protected government interest. (u)

Dear Sir:

During one of the news broadcasts from
Jonestown S. America I heard that all the passports
of the members were found by the army locked
up in a large trunk. This poses several questions
in my mind. (1) If these persons in Jonestown
and in the San Francisco Church are not being
forced against their wills, then why were their pas-
ports and personal property taken from them and
locked up. Christ never taught force or aggression
in the salvation of souls. (2) Why haven't these
passports been released to your agents in (u)
Doner Delware who are attempting to identify
these bodies. If they had those passports it would
certainly be far more easier for your agents
In fact I have a third question (3) Why has the
U.S. State Department been more cooperative with
your agents and given them, your agents their
pictures etc of the bodies? I know you are a
religious man and neither God or Christ give
adults the right to murder small young children.
For this reason alone that Cult in
San Francisco should be investigated. Children
in the Cult have a Constitutional right and a God
given right to the salvation of their souls. God
gives them that free will and no human qualifies

to take from a child those rights which God and Country gives them. No I am not a religious bigot and yes I do support Constitutional Rights of freedom of religion and having mothered 3 children I know how easily their pure minds can be influenced. People who use brute force to worship God do not know God. No human has ever matched the perfection of Christ nor will they ever. And Christ warned us of hurting little ones.

Christ said It would be better that you take a socket around your neck and throw into sea than to hurt one of the least of these my little ones. Christ left the 90 and 9 to save one last soul and we as a nation are not going to do a criminal investigation for the murder of 187 of these innocent little ones.

This whole tragedy does not appear to me to be Mass suicide pact. So many were murdered in cold blood like the 30 missionaries in Rhodesia who were murdered. I can't help but wonder if there is not an international threat to American missionaries. I talked once with Sen. Conrad of Wichita Council of Churches about the persecution of the missionaries in Spain. I was hoping he would tell me it was not true but he said every word you say was confirmed by a missionary friend of mine who just returned from Spain. There it was a Military Gov't and the Catholic Church who were persecuting non Catholics worse than in Communist Countries. The Army forced them to join the army. Then they were ordered to go to Catholic Mass. At the elevation

of the ~~rest~~ ³ of Christ ~~they~~ had to stand and give
a gun salute. The United States must never
have a military-industrial Gov't which
General Eisenhower condemned in inauguration
speech party which was quoted in 'Seven Days
In May'. Such misplaced power he said
will destroy democracy and freedom.

Another case of a city persecuting an amish
family because they refused to send their 16 year
old daughter to high school. The girl was
attending a trade school and was taking a
correspondence course but this did not satisfy
the bureaucracy that town. First they arrested the
father fined him and threw him in jail.

Then when I heard they were auctioning their
farm I wrote Governor Hughes and requested
he help the family. Asking what had happened
to freedom of religion in the United States.

The Governor took up their cross and helped
these people. Then a group of them decided to
go to Panama to preserve that freedom. One
year after they went there Panama fell.

I may not agree with a persons religion but
I'd give my life for their right to practice it.
There are the precious freedom not man but
God gave every man he created. There was politics
involved in the Jim Jones Church. I understood
he was paid by politicians to be large crowds
to political affairs to give a T.V. Camera the
illusion that the Candidate really had a large

following of supporters. Rev. Jim Jones must have been paid well for this since they found several millions of dollars and gold in that country in S. America.

There is another Racket operating in U.S. Minister's licenses are issued by mail for \$1.00. Many persons have obtained such licenses to preach the Bible but to set up a thriving business. Example Madeline Murray O'Hara. As you know she once had a suit in court to force Roman Catholics to pay taxes on all property they owned but church and parsonage. Someone told her about this racket. So she ordered her Minister License made her husband a Bishop and then bought large Commercial Bldg from a woman, then rented the office back to them and nobody paid until some taxes because she operated under the guise of a church which she called San Little Richards Church. I believe this was in Texas near San Antonio.

This is especially dangerous to the security of the United States since foreign buyers can purchase property in U.S. and when they do they don't even have to pay Capital gains taxes on their property or profits. I was working for General Motors during World War II making Carbine M-1 and M-16 and even as far back as then General Motors was publishing booklets on our next war.

which they said would be an economic war and
your predecessor in "Masters of Deceit" said
America will be destroyed from within and
with foreign buyers who operate like U.S.
Media with hidden ownership most certainly
will buy America right out from under our
children and grandchildren. There is no
way for anyone to find out just what foreign
person or agency is buying this property.
It is not registered in their names but in
corporation. Sometimes three in New York and
possibly three in foreign country with nobody
even finding the new owners. Such foreign
buyers are who are putting our farmers
out of business by giving them a several
million for his farm. You can be certain
with that kind of investment you can be
certain the foreign owner is not going to sell
his produce out at a loss, or maybe he
could since Japan sold steel at a loss
in U.S. to undercut U.S. Steel Companies
who were the target of The India in 1964
when Dr Donald R. Cressy did the report at
H.E.L.A. on request of President Johnson. The

Mexico out and as fast as he picked them out
Mr. Homer arrested them. Dr. Creney said
this new operation began with Mexico after the
St. Valentine's Massacre in Chicago in 1920's
I am asking if we already have Mexican
and Chinese Mafia operating in U.S. under
the hidden ownership cover

I worked for a Chinese man once in Wichita
Kansas and he was living in China with
his family when communist took over. He wife
was buried into unconsciousness because
she refused to give them her wedding band
gold. She died from her torture after she came
to U.S. and her husband told me he was
witnessing the same thing by our government
which took place in China when they lost
their freedom. He is deceased now from Diabetes
but his children live in Columbus Ohio his
name was Long live in Hawaii since I last
night and that show was about Chinese Mafia
first coming to Hawaii and from there to
every city in U.S. Why does our trade with
developing countries always include their
mafia. Some of it U.S. army is responsible for
like Korea, Vietnam, Manila, Germany, &
lots of wet back Chinese are involved in the bodies
at Dover Delaware since they are coming into U.S.
at the rate of 3,000 to 4,000 per week in New England
states. I ask this because of the large Chinatown
in San Francisco where some Church of Rev. Jim Jones
was. Martin Boreman deputy of Hutter had
cosmetic surgery on face and fingers and
went to S. America with help of Julius Anderson

and the Vatican Robert Vesco of Watergate also
took exile in S. America. Robert Vesco gave
Hugh Sloan Jr. Nixon White House with the
\$200,000 that Sloan passed on to St. Gordon
Ledy. Life Magazine said that Mayor Allotta in
Buenos Aires was Mafia connected and Jerry
Jones helped to defeat him. Patty Hearst was
kidnapped the same day the Mayor and
Mrs. Allotta returned from Democratic Convention
in Los Angeles. She was followed by the Mayor
as she stopped by a mission. A Black school teacher
who was a friend of Bishop Canale in Wichita
Kansas who pushed Communism taught school
in Big area. Her mother worked with me
and was a very good friend of the Bishop. Bishop
Wilch released from Red China had a nephew also
a Bishop in same St. Mary's Cathedral in Wichita.
Tony told me how they hid things under the
Counter during World War II in Wichita. Bishop
Canale just told me they not to waste time fighting
Communism that they were no longer a threat
And he said a man of Reparation at Allentown
Maine because dispatched W.S.U. for taking blood
to send to Vietnam.

Date of the Jonestown murders Nov 18 date of Jonestown deaths. Nov 18 is the Feast of St Odo of Cluny. St Odo grateful father offered him to St Martin of Tours. St Martin of Tours sent Ray Nov 11 to his father a packet. Soldier grabbed St Martin and forced him to army. He founded near Poitiers the first monastery in France. Was made Bishop of Tours. Martin destroyed the heathen Temples (The Catholic Church after II Ecumenical Council still judges all people not Catholic as heathen) and groves. Known as the apostle of Gaul. Sidney Poitier was a very religious man born in the Bahamas and even after he made movies would go back there and with the Bible defeated the White Supremacy Candidates in political elections. On this date of 16th 1972 the two students were
shot and killed on New Orleans College Campus
Smith and Leonard. On the same date I had
been given an appt at D.C. General. I cancelled
the appointment when I heard of the murder and
the transfer to Court of D.C. Jail inmates. There
was always custody or note at D.C. Jail when
I had appointment at D.C. General. The Grand
Jury investigated and reported D.C. Jail Guards
were being bribed. Also on Nov 16th in
the Diocese of New Orleans only there are
celebrations for anticipation of Our Lady of
Guadalupe. The actual Feast Day of Our
Lady of Guadalupe is on Dec 12. On that
Date I had an appt in D.C. General Neuro-
surgery Clinic which I again cancelled when
I heard that a longshoreman in Baltimore, given
broken neck by police in arrest had died.
There were also note that day in Richmond
State prison and they called for Congressman
Launtius. On Nov. 17, 1972 The students
marched in protest of the slaying Smith and
Leonard, while here in the District I wrote a letter
of protest to City Councilman Sterling Tucker protesting
the police shooting in back of Gregory Coleman
16 year old who was killed by a Black Police
officer who still remains on force today. Gregory
had his bike stolen the night before. Gregory was

shot in back in the police set up. Then in
January on Feast of St John Bosco Saint of youth
a police officer by the name of Gregory was shot
St Gregory was a doctor of the Catholic Church
and who the Gregorian Chant is named after.

That date of Jan 31st. was when J. Edgar Hoover stopped

Richard Nixon was on the Island of St John
making the University of Rochester. The
Medical Report from Walter Reed on John
Stennis was also released. He was head of
Defense Committee then. The Court proved conspiracy
in his shooting. When Salinger was released
He went to and participated in Gregorian Mass.

my mother in law name was Elizabeth. I was

I noticed in the Specimen Jonesville that it
was a mixed congregation recently and I still
believe there was far more than mass suicide
involved there. Congressman Ryan notified the
U.S State Department of alleged torture in Jonesville
one year before the deaths and the only question
that were ask were by paper corp Airforce officers
Requested family to send Dental charts medical
records and pictures to identify the dead. I
repeat again the State Dept is failing there
victims because they have all the information
on Passport records so why should family have
to answer their requests if State Dept was
cooperating with the Airforce? Since the
Guyana Army went in the compound and
found all the passports locked up in a trunk
why haven't they released this private American
Citizens Property? Something really wrong when
officials do not cooperate with your FBI
Agents and Airforce.

I recall Armen recent trip to S. America before this happened. As well as Mrs. Ghordis trip to England who once owned Guyana. I recall also the four hundred Armen was supposed to have ~~executed~~ executed in Cold Blood and the U.S. missionaries 30 of them killed in Rhodesia by Nationalist. This is when the Salvation Army withdrew their membership in World Council of Churches because W. Conrad donated \$80,000 to the Black Nationalist who committed those mass murders. In both areas Boston once owned them 60 years last Sunday. C. B. S. also had two evangelists in who like Jim Jones were making millions of dollars. The timing told me that Jim Jones was not the only man involved in those murders. I believe these deaths are part of the racial war of Mafia depopulation. There 50% of East India (from India) 31% of African descent 12% mixed descent 4% American Indian. Prison slaves were brought in to work plantations as well as indentured servants from India. The Indians soon outnumbered the Negro population and still do. Venezuela has claimed possession of the Western half of Guyana in 1970 this claim was suspended for 12 years. The Guianan Bauxite is the largest industrial business there. Used in the manufacture of Bauxite which is used in manufacture of aluminum. The population there was interested like Jones compound but Jim Jones helped elect Jimmy Carter. Now Billy Graham got \$12,000

of 2.3 million people to the White Plant Church which
split from Jimmy Carter's Church when a Black man
tried to join. Just exactly how I am not certain
but those people were murdered because State Dept
officials did not do their jobs properly. Seemed
a little strange to me that Jim Jones could have
been minister so long and still had only about
1,200 membership in church. So there
and several hundred at San Francisco
church. I personally believe that U.S. State
Department needs to be cleaned out. Congress-
man Ryan and the reporters all died because
in a year or two the U.S. State Dept did not
honor the requests of Congressman Ryan.
And just as they are not releasing the
information and now making it very
difficult not only for your men but also
trying to identify the bodies.
A Catholic Sister received Peace award in
England a year or so ago and \$6,000
for her work in India
I personally cannot see how State Dept of peace
and President can live with this innocence
because of their Bureaucratic bungling. The
Honorable Ryan sacrificed his life trying to
save the other 800 and the reporters. There were
human beings who died there not 800 machines.
Look at the stench made about St. Calley and
the massacre at My Lai why do American
citizens deserve less? There is a real sickness in
certain department of U.S. Govt. a Terminal Cancer
which is killing the soul of America why when a
Christian Congress chose this executive cabinet. The
Christian Church is worthy of men one human life

Dock Strike in New York. The F.B.I. stated
there was. But I took the same letters put them
in new envelopes again with airmail postage
and mailed them in Dayton, Ohio the following
day. They were not returned and it was after
that the police called me and said F.B.I. friend
said they had been stopped because of dock strike. Dock
Strike would not affect air mail. I wrote Rabbi

the Dock Strike was reported on News. I also wrote
Postmaster General Blount then. His son

I had just paid up my \$1,500 Insurance

gave me a bad time when I told them I could
not pay lump sum of taxes on V. A. property
I sold in 1959 on 2nd mortgage 12 year. I
agreed to pay it monthly but they said Don't
would not permit this. They even ordered me
to give them the bank box number and I
refused while they said they would get it
anyway. It was Dayton D.B. and Secret Service
I emptied paper out of bank box and went
to head office of D.B. S then in Cincinnati
and made arrangements to pay them all of
the Mortgage Check of \$25.00 per month until

the tapes were paid. This is concrete proof I should have a good credit rating but I don't. The only time my name was ever on mortgage was when I was married because I hate credit and do not have charge acc't. If I want anything I either save the money or buy it on lay away or on 90 days and as for cash I do not have income either then or now to pay these high interest rates. U.S. Wage and Hours did not enforce minimum wage for waitresses. I worked in Wichita for \$5.00 per shift. A nice business store either tried to be nice to me or frame me. I put \$2.00 on dress till payday the dress was \$15.00. When I went to get it they insisted that I had an \$85.00 coat all paid for. "This is your signature" it did look like it but I demanded the manager and he took said the \$85.00 coat belonged to me. I left with my \$15.00 dress. I never knew if it was attempted ~~charity~~ or frame. Detective in Wichita Police Dept seemed to be attempting to frame me up for bad checks other people Danis in Wichita wrote and there were 6 people Danis in Wichita. In fact the District Atty of Sedgewick Co even had me demanding a Danis in Wichita before I ever denied there. Cleo or Leo or some such name. began after the President attended the Democratic
Jackson Day dinner in Columbus Ohio
where Mr Hoover said Columbus police Detective
were accepting bribes when Robert Kennedy
was killed. That same week of Jackson
day dinner the President sent his wife
and mother to Kansas and Wichita
to try to find skeletons in my closet.

There is more most of the time I lived in
Wichita I went to Church daily until it
became mandatory I leave Catholic Church
for reasons of conscience. They had attempted
to arrest me the day Pope Paul VI paraded
in New York. Charges were dropped and
Blacks Detective Henderson was killed in auto
accident. Priest William Carr took my purse
Three members of St Mary's were witnesses and
told me. Dr. William Carr, Army psychologist
was appointed to Fort Leavenworth Prison Army Hospital
and shortly thereafter an inmate died. The next
was after a letter I received from President Johnson
which was in that purse. I had submitted the
name of Conrad Jensen N.Y. retired police
Detective working with Army addicts as a replace-
ment for Dr. Hoover when he retired or died when
I reported same to police I was told they could
not get it. I have been on many U.S. Cities but
D.C. is the only city I have ever been mugged and
robbed on the street and it has happened here 5 times

in 6 1/2 years, the first time it was on
the Feast of St Gaspar of Precious Blood, the saint
the Precious Blood Fathers were celebrating the
day they gave the three part sermon
accusing Priest and Govt officials of
corruption and being Judases for a few pieces
of silver. The Priest said it happened first on
Calvary and again when Rome fell. All of this
is why I know these attacks are not racial.
Blacks are involved as Uncle Toms and
dupes like the Mau Mau were of Black & priests
in old War II when Catholic Monasteries were
bombed by U.S because they were hiding Hitler
spies. And when U.S rebuilt it in 1964 Pope
Paul VI said "They rebuilt it as if we could
forget."

my rent is paid through Nov 30th 1978 and I
have deposit and Credit totaling it to 15th of

I am arrested but there is property insurance
and they are already violating laws by illegal entry
into my apt. when I go out. Every Detective who

say that the doors are opened with duplicate keys

Why do I not fear for my life - Because I
know the Catholics want to execute that
invalid will which leaves organs to medical
science. They may wound me to force me
into hospital but they will not kill me
deliberately because they want to execute that
scientific portion of that invalid will. Frankly
if they cannot succeed in railroad or arson

you 2. B. 2 agents and the Air Force trying to identify
the bodies at Sonow, Oklahoma. In fact the Colonel reported
fingerprints + dental work as well as pictures of the deceased.
Why should this be necessary when they had the bodies?
Why? Asport, we required by the State Department on
state Dept. even keeping records of passports of
Americans abroad. There still is no excuse. All those
passports were removed from the members of the
Rev. James Jones and were locked up in a large trunk
with several million dollars and gold bars. The Army
searched the place right after they found the bodies
except from the passports complete with photos and
fingerprints. With passports there should be the easiest
identification possible. Since there were survivors who did
not identify the bodies. You know what's still on the
part of the State Department is for some reason a report of
a mission they did not do a year ago at a regular
to other possible Congressman Ryan. His death could be
heard at the feet of State Department officials. Why do we have State

FRANCIS EMMETT CARTER, also known as Mike Carter, 206 West 42nd Street, Garden City, Idaho, was advised of the identities of the interviewing Agents. He was also advised that this interview concerned a possible conspiracy in violation of Congressional Assassination Statute, (u)

CARTER furnished the following information (u)

CARTER advised that he has been a widower since 1964, and is a retired Administrative Officer for the Internal Revenue Service. When the family lived in Burlingame, California, [redacted]

[redacted] and was honorable discharged after three years service. After he was discharged, [redacted] hung around with various "rock" groups in California, smoking pot, drinking and just drifting around. Eventually [redacted] became acquainted with members of a self-styled evangelistic group in San Francisco, California, became interested in their program and eventually joined them. (u)

CARTER advised that he never knew this group to be associated with People's Temple and he did not at first consider it a religious or cult group, but rather thought of it as a community group. He later learned from letterheads used by his children it was a religion called Disciples of Christ. (u)

CARTER advised that he sold his home in Burlingame, California, in 1971, and rented an apartment in the same neighborhood so that his daughter, TERRY, could finish high school and his son, [redacted] could finish the eighth grade. He moved to Garden City, Idaho, in 1972, enrolled TERRY in Boise State College, Boise, Idaho; however, she decided that she did not want to move to Garden City and she stayed in California. Through [redacted] she became interested in the same evangelistic group. She moved to Ukiah, California, lived at the Happy Acres Ranch outside Ukiah and worked at jobs in the town of Ukiah. One time he asked TERRY how much it cost her to live at the Happy Acres Ranch, and she said they paid whatever they felt like. After high school, TERRY went to (u)

San Francisco to join and work with the same group there. (u)

CARTER stated that [] moved to Garden City, Idaho, with him []

[] CARTER advised that this group headed by JIM JONES had six or eight buses in which they toured the United States. During the summer of 1973, they took a trip to Washington, D. C. and surrounding areas. [] TERRY asked him if [] could join the group for this trip. The cost of the trip for [] was \$100.00. He consented to allow [] to go on the trip. When they returned from the East Coast, [] wanted to return to Ukiah, California, to live at the Happy Acres Ranch and attend high school in Ukiah. This group would frequently travel from Ukiah by way of bus to their churches in San Francisco and Los Angeles, California. (u)

b6
b7c

CARTER advised that the group was not too well accepted in Ukiah, because some of their members were minorities. For this reason, the church built their own swimming pool behind the church for use of their members only. Because of the minority membership, the group received a great deal of adverse publicity from the news media. He feels that this is the reason the group, through their attorney MARK LANE, was attempting to fight back by filing civil suits against the press and the U. S. agencies. (u)

CARTER advised he visited his children at the Happy Acres Ranch on one occasion only, but he could not recall the date. He toured the compound and had lunch with a group of members. During lunch there was some kind of a remark concerning religion. He could not remember who made the remark or exactly what was said. He told them that he had his own immortal soul to save and as a Roman Catholic that is what he believed in. His children also have their own immortal souls to save and they should do it the best way they know how. His children were old enough to decide how they wanted to live and what religion they wanted to follow and practice. The compound of Happy Acres Ranch had some houses or cottages, which housed senior citizens and also the community took care of fourteen mentally retarded male patients. (u)

CARTER stated that just before Christmas, 1974, his daughter, TERRY, advised him she had a chance to go to

(u)

Jonestown, Guyana. TERRY and CLAIR JANARO flew to Jonestown to take Christmas gifts to people already living in the church agricultural community. He knew they flew, but did not know whether it was a charter flight or a commercial flight. They stayed only a few days and then returned to Ukiah, California, where RICHARD and CLAIR JANARO are managers of the Happy Acres Ranch. (u)

CARTER advised that his daughter, TERRY JONES, went to Jonestown, Guyana, sometime early in 1977, probably March. Her son, CHAE O. K. JONES, was born in Jonestown on April 4, 1977. TERRY had flown to Guyana from the United States, but he did not know if the flight was commercial or charter. She flew from California to New York and then to Georgetown, Guyana, and then took some kind of a ship up the east coast of Guyana to Jonestown. He did not know who or how many went with TERRY JONES, and he did not know if her husband, LEW JONES, preceded her to Jonestown or followed her later. He knew nothing more about her trip. (u)

CARTER stated that [] wife, GLORIA CARTER, was the next to fly to Jonestown, Guyana. He does not know when she went, but their son, MALCOLM CARTER, was born on August 10, 1977, at Georgetown, Guyana. [] stayed in the United States. [] had been working as a radio operator in California after graduating from high school, to enable him to be able to operate radio equipment in Jonestown. He was the next one to go to Jonestown. He could not remember the dates that [] or [] JOYCELYN, went to Jonestown, but he recalls that [] GLORIA, gave birth to a son, MALCOLM, during August, 1977, and [] wife gave birth to a daughter, KAYWANA, during September, 1977. [] and [] were not in South America at the time of the birth of their children. He recalled [] went to South America late in 1977 and had asked him for \$300.00 to help pay his air fare from California to New York and then to Georgetown, Guyana, which he gave to [] (u)

b6
b7C

CARTER explained that as far as he can understand the reason the group went to Jonestown was merely a matter of course. He understands that it was voluntary on the part of each individual. He never heard of anyone being forced to go to Jonestown and never heard of anyone being forced to stay after they got there. They wanted to participate in a community

3 (u)

type agricultural life at a location away from the pressures of everyday life in the United States and particularly the aggravation the group suffered at Ukiah, California. The Government of Guyana had given the group 27,000 acres north of Georgetown, which they developed into their own community of Jonestown. (u)

CARTER advised that he understood from Reverend MOORE of Reno, Nevada, the only disciplinary action taken against anyone at Jonestown for infractions of regulations would be "peer pressure". By "peer pressure" he understood punishment was in the form of "silent treatment" or "avoidance" of individuals being punished. He never heard of any incident regarding dissenters or discontents. (u)

b6
b7C

CARTER said that he frequently corresponded with his children, perhaps on a monthly basis, and more often from his daughter, TERRY. He especially enjoyed receiving letters from [redacted] because [redacted] had an exceptional ability to express himself. All the letters he received from his children were general in nature and contained news about the family. Never did any of these letters contain anything of a political or philosophical nature. They never discussed any long-range plans of the community of Jonestown and definitely never mentioned anything to indicate a conspiracy of any kind or any physical mistreatment of members or anyone else. (u)

CARTER said his children probably would not have become involved with guns. [redacted] and was knowledgeable of guns, because of his active duty experience. TERRY and [redacted] to the best of his knowledge, had no experience with guns. He never knew any of the children to do any hunting or even show any interest in guns. (u)

b6
b7C

CARTER said it is just not the nature of or disposition of TERRY and [redacted] to ever become involved in a conspiracy or anything of that nature. On the other hand, [redacted] could more easily be so involved; however, if he did, it would be strictly an innocent involvement. (u)

CARTER explained that it would not be beyond [] to develop information of any nature, including the number and identities of any visiting groups, such as Representative LEO RYAN's group; however, if [] over sensed or learned this information was going to be used to conspire or to plot murder he would immediately revolt and possibly defect. (u)

During October, 1978, [] traveled from Jonestown to San Francisco, California. [] arrived in Garden City, Idaho, on October 19, 1978, for a personal visit with his father. [] merely said he was a group coordinator and the nature of his visit to San Francisco was to deliver affidavits for a pending law suit against the news media and some U. S. Government agencies. CARTER said [] did not elaborate any further, and they did not discuss the Jonestown community or his activities any further. He and his son, [] are not real close in that they discuss their personal lives or activities. [] remained in Garden City [] and departed October 29, 1978, en route to San Francisco. He knew nothing further about [] itinerary. (u)

b6
b7C

While [] was in Garden City, he authorized [] to purchase \$800.00 worth of clothes on his charge account. [] was to take these clothes to members of the family in Jonestown. After careful consideration, he considered [] activities with this group to be rehabilitative. After [] was discharged [] he just drifted around San Francisco and Los Angeles and seemed to be going nowhere and had no goals in life. This movement gave [] a chance to work at his life and develop purpose and meaning for life. (u)

b6
b7C

CARTER said that CLAIR JANARO left New York and arrived Georgetown on the night of November 18, 1978. Before she left San Francisco, she purchased \$700.00 worth of clothes to take to group members in Jonestown, out of a check for \$1,000.00 he had forwarded to her. JANARO left the balance of \$300.00 with another group member in San Francisco. Mrs. JANARO called him from New York before her departure and explained these details to him. He told her to forget about the \$300.00 balance. (u)

CARTER advised that he is very strong in his convictions that the group in Jonestown was an extremely happy group, but he is at a loss to understand what took place that resulted in the mass suicide-murder incident. He was so much pleased with his children's happiness he obtained a passport and planned to visit them for approximately three weeks during January, 1979. (u)

CARTER said that he is not aware of anyone else in Idaho or nearby, who in any way is connected with this group. To the best of his knowledge, this group is active in Ukiah, San Francisco and Los Angeles, California. His only connection with this group is through his children, Reverend MOORE of Reno, Nevada, and Mr. and Mrs. RICHARD JANARO of Ukiah. He is not familiar with the structure of the People's Temple and, in fact, knows nothing about them and did not realize that his children and the Happy Acres Ranch were associated with the People's Temple. (u)

CARTER said as far as his children were concerned they were all married in San Francisco before they went to Jonestown. He met his son-in-law, LEW JONES, only once several years ago in Garden City, Idaho. LEW was born in Vietnam and was an adopted child by church leader JIM JONES. He knows nothing more about LEW JONES or when he went to Jonestown or what type of work he was doing there. LEW and TERRY's son, CHAE O. K. JONES, was born April 4, 1977, at Georgetown, Guyana. His daughter-in-law, GLORIA CARTER, married [] in San Francisco; however, he never met GLORIA and knows nothing about her, her maiden name or where she is from. [] and GLORIA's son, MALCOLM CARTER, was born August 10, 1977, at Georgetown, Guyana. (u)

b6
b7C

His daughter-in-law, JOYCELYN, married his son, [] in San Francisco. He never met her, but believes she lived in Palo Alto, California. [] and JOYCELYN's daughter, KAYWANA, was born on May 10, 1977, at Georgetown, Guyana. CARTER said that he never saw his grandsons or his granddaughter. (u)

Mr. [redacted] advised that he is a ham radio

responsibilities is to handle Net discipline and police

used to assist missionaries in overseas work. Within
the last years, Mr. [redacted] has been listening to and

WB6MID/8R3 is a ham radio station out of Jonestown,
Guyana. The call sign WB6MID is registered to an Albert

Mr. [redacted] stated that the station operates
with operators known only to him as Sara, Bea and Jim.
Principally, Sara operates the station and has been in
violation of FCC regulations by operating illegally,
cutting in for emergencies when there are no emergencies
and transmitting coded messages. The coded messages
were using the names of flowers, small animals and birds
in the code. Mr. [redacted] said he believed [redacted]

Mr. [redacted] stated he did not know the last names or identities of Sara, Jim or Bea and also stated that he did not make any patch calls for Sara to a Harry in California, telephone number 922-9597, on October 12, 1978, and apparently this must have been some other ham operator in another area. Mr. [redacted] said approximately one month ago Sara contacted him on frequency 21.415 for him to transfer her to California. He stated that at that time he told her that he would no longer handle the Peoples Temple transmissions because of the aforementioned illegalities and the fact that they were transmitting coded messages. Sara then told him that these were false allegations, and he was being slanderous towards her and the organization, and they would sue him, and that [redacted] would be contacted by their attorney, Mark Lane. Approximately two or three days later, Mr. [redacted] was telephonically contacted by Mark Lane. Upon initial contact, Lane told Mr. [redacted] that he wanted to know more about the Peoples Temple. He did not mention or identify himself as being an attorney for the Peoples Temple and only wanted the information to write a book. Mr. [redacted] said he then confronted him with the fact that he was the attorney for the Peoples Temple, and it was his understanding that Lane was going to file a civil suit against him regarding the Peoples Temple. Lane told Mr. [redacted] that he was not going to file suit against him, and that he was only interested in information regarding the Peoples Temple for a book that he was writing. Mr. [redacted] said he told Lane of all of the FCC regulations that the Peoples Temple had broken, and he has not heard from Lane, Sara or the Peoples Temple since that time. (u)

Mr. [redacted] advised that in the event he received any further contact from the Peoples Temple or any individuals associated with the organization, he would immediately notify the FBI. (u)

Mike Abbell, Departmental Attorney, Department of Justice, advised p.m. 11/29/78, that he had just conferred with Phillip Heymann, Assistant Attorney General, Criminal Division, and they were reversing an earlier decision made that no autopsies would be conducted by the Federal Government at Dover, Delaware. The Department now believes that an autopsy should be performed on Reverend Jim Jones, Doctor Larry Schacht, Maria Katsaris, and a random sampling of four others if available. Abbell was placed in direct contact with Doctor William R. Cowen, Deputy Director, Armed Forces Institute of Pathology, Dover Air Force Base, who advised that autopsies could be conducted but they would need written requests from the Department of Justice.

Abbell contacted me 5:32 p.m., advising that he had discussed this matter with Mary Lawton on the legal basis and legally they have no problems since this would be Foreign Police Cooperation and the Department knows they must conduct some autopsies because of the notoriety of this case and a full pathological examination of at least selected individuals would be desirable. He indicated Reverend Jones, Doctor Schacht, and Katsaris should be the three subjects of autopsies and then four others selected randomly out of the named list. An autopsy on Katsaris should be performed since she was reportedly an aide to Reverend Jones and could have been his mistress, and the fact that she was involved with the Carters over a suitcase of money and may have been shot and killed. Abbell has no facts, but this is what the news media is putting out. He indicated he is instructing the FBI to ask the Reverend Jones' remaining family, Doctor Schacht's remaining family, and Katsaris' remaining family to furnish a short statement requesting that an autopsy be conducted. Upon the identification of four bodies selected at random, the FBI should contact the family requesting a written consent for an autopsy.

Memo to Mr. Moore
RE: RYMUR

Abbell advised a.m. 11/30/78, that he has been informed by the Air Force pathologists that they are in receipt of a telegram at Dover Air Force Base from Doctor Schacht's family in Houston requesting an autopsy; however, this is not sufficient and the FBI will have to contact the family at Houston to obtain a short written statement of consent. Abbell knows Jones has an adopted daughter allegedly in the D. C. area, and she should be contacted.

Abbell was requested to promptly submit his request regarding autopsies in writing to the FBI, and he stated he would do so.

ACTION: Forward teletypes to Houston, confirm with Identification Division regarding bodies of Jones and Katsaris for background on relatives to be contacted, obtain names, addresses, etc. of four bodies selected at random for autopsies, and set forth leads by teletype to obtain authority for autopsies. [] MARRIED A PT MEMBER NAMED

[] HAS RESIDED IN [] (u)

[] STATED SHE WAS EMPLOYED AS A []

[] WHILE IN THE PT AND WAS A CLOSE CONFIDANTE OF THE PT'S
LEADER, REVEREND JIM JONES, DURING HER LATTER YEARS WITH THE
CHURCH. [] ADVISED SHE WAS, FOR A PERIOD OF TIME, []

b6
b7C
b7D

[] FURNISHED A STRUCTURAL DESCRIPTION OF THE
ORGANIZATION OF THE PT WHICH CORRESPONDS TO THAT ALREADY KNOWN
TO THE BUREAU. [] ADVISED PT HIGHLY "COMPARTMENTALIZED" AND
ILLEGAL AND ILLICIT ACTIVITIES OF PT KNOWN ONLY TO VARIOUS MEMBERS
WHO HAD NEED TO KNOW. REVEREND JONES OVERSAW ENTIRE
OPERATION OF PT AND WAS ONLY PERSON WHO HAD COMPLETE KNOWLEDGE
OF ENTIRE ACTIVITIES OF PT. [] STATED INNER CIRCLE OF THIRTEEN
TO FIFTEEN ELITE PT MEMBERS WERE KNOWLEDGEABLE OF SPECIFIC
ILLEGAL ACTIVITIES OF CHURCH, BUT NO ONE INNER CIRCLE MEMBER
FAMILIAR WITH ALL OF THESE ACTIVITIES. (u)

PAGE THREE DE DL #0002 UNCLAS E F T O (DL 89-205)

[] ADVISED REVEREND JONES WAS KNOWN TO ALL INNER CIRCLE ELITE AS AN AVOWED MARKXIST WHOSE ULTIMATE GOAL WAS OBTAINING SOCIALISTIC STATE IN UNITED STATES. JONES DIRECTED ALL CHURCH EFFORTS TO THIS GOAL AND PREDOMINANT PHILOSOPHY OF CULT WAS "THE END JUSTIFIES THE MEANS". ACCORDING TO [] ANY CRIME WAS JUSTIFIED IF IT EFFECTED THE GOAL OF SOCIALISM. *u1*

b6
b7C
b7D

[] STATED SHE HAD PERSONAL KNOWLEDGE OF HIT LISTS WHICH ^{had} ~~was~~ COMPILED AT JONES DIRECTION BY PT MEMBER AND INNER CIRCLE ELITE, JACK BEAN. AT TIME OF [] DEFECTION, FIFTY TO SEVENTY-FIVE NAMES APPEARED ON HIT LIST AND INCLUDED SELECT U. S. SENATORS, CONGRESSMEN, STATE GOVERNMENT LEADERS, HEADS OF MAJOR CORPORATIONS, REPORTERS, AND OTHER AVOWED ENEMIES OF THE PT. JONES WAS COMPLETELY RESPONSIBLE FOR PICKING INDIVIDUALS WHO WERE INCLUDED ON HIT LIST. PERSONS TARGETED WERE PERSONAL ENEMIES OF CHURCH IE DEFECTED MEMBERS, PUBLIC CRITICS OF JONES OR PROMINENT "CAPITALISTIC" INDUSTRIAL LEADERS. ALSO INCLUDED ON LIST WERE KEY ELECTED OFFICIALS AND INDUSTRIAL CORPORATION EXECUTIVES WHO WERE CONSIDERED TO BE "CAPITALISTIC" LEADERS WHOSE ELIMINATION WOULD FURTHER

THE CAUSE OF SOCIALISM IN THE UNITED STATES. PURPOSE OF
HIT LIST WAS TO ELIMINATE PT ENEMIES AND TO ACCOMPLISH
CONVERSION OF UNITED STATES TO SOCIALISM. ACCORDING TO [REDACTED]
CORPORATION HEADS PRIMARY TARGETS AS THEY WERE BELIEVED TO
CONTROL THIS COUNTRIES' ECONOMY AND HENCE
EXISTING POLITICAL SYSTEM. [REDACTED] INTIMATED SHE HAD KNOWLEDGE
OF IDENTITY OF PERSONS ON HIT LIST BUT DECLINED TO NAME
SAME (PROBABLY BECAUSE OF PERSONAL INVOLVEMENT) [REDACTED] WOULD
NOT STATE IF PRESIDENT OR VICE PRESIDENT OF UNITED STATES
INCLUDED ON LIST. (u)

[REDACTED] DID STATE THAT PRESIDENT OF UNITED STATES NOT
CONSIDERED AN IMPORTANT TARGET SINCE PRESIDENT HAS VERY LITTLE
CONTROL OVER ECONOMIC AND POLITICAL DIRECTION OF UNITED STATES
IN PT'S OPINION. (u)

[REDACTED] INDICATED THAT IT WAS "A MATTER OF FACT" THAT
WITHIN THE NEXT SIX TO TWELVE MONTHS AFTER MASS SUICIDES IN
GUYANA, THAT ELIMINATIONS OF PERSONS ON HIT LIST WOULD BE
IMPLEMENTED BY SURVIVING PT MEMBERS. [REDACTED] WOULD NOT ELABORATE
BUT STATED RECENT EVENTS WERE PART OF A "LARGER PLAN" INITIATED
LONG AGO BY JONES AND INNER CIRCLE ELITE AND THIS PLAN WOULD
BE CARRIED OUT REGARDLESS OF JONES DEMISE. [REDACTED] INTIMATED SHE

b6

PAGE FIVE DE DL #0002 UNCLAS E F T O (DL 89-205)

HAS HAD RECENT CONTACTS WITH "HER SOURCES" AND ALLEGES THESE INDIVIDUALS HAVE KNOWLEDGE OF CURRENT PT CHURCH PLANS AND THAT HER ABOVE OBSERVATION BASED ON THIS INFORMATION.

[] CLAIMS NO KNOWLEDGE OF EXTENT OF THE ADDITIONS MADE TO HIT LIST SINCE HER DEFECTION, BUT BELIEVES IT NOW TO BE

"ENLARGED". [] INTIMATES HER "SOURCES" ARE CURRENT PT MEMBERS (4)

[] ADVISED REGULAR FIREARMS TRAINING CONDUCTED BY PT PRIOR TO HER DEFECTION FOR "SELECT" MEMBERS. [] STATED PT SYSTEMATICALLY ACCRUED WEAPONS FROM "STREET SOURCES" AND INTIMATED AUTOMATIC WEAPONS INCLUDED. [] ADVISED WEAPONS CACHES WERE MAINTAINED AT VARIOUS LOCATIONS AND INDICATED PAST KNOWLEDGE OF THESE LOCATIONS BUT DECLINED TO STATE FURTHER DETAILS. [] ADVISED PT MEMBERS IN INNER CIRCLE, PT SECURITY GUARDS, ANGELS, AND SELECT MEMBERS OF PLANNING COMMISSION WERE ROUTINELY TRAINED BY OTHER PT MEMBERS WHO WERE U.S. MILITARY VETERANS IN THE USE OF FIREARMS. (ONLY PERSON IDENTIFIED BY [] IS CONDUCTING THIS TYPE TRAINING WAS ONE HAROLD CORDELL, *US military veteran*)

(PHONETIC), NOT FURTHER IDENTIFIED BY [] TATED PT ATTORNEY CHARLES GEARY SUBSTANTIALLY ASSISTED PT IN ACQUIRING FIREARMS. [] ADVISED SHE WOULD NOT GO INTO DETAILS OF GEARY'S

(4)

PAGE SIX DE DL #0002 UNCLAS E F T O (DL 89-205)

ASSISTANCE TO PT IN THIS REGARD, BUT STATED PT "HAD SOMETHING ON" GEARY WHICH GUARANTEED GEARY'S COOPERATION IN THIS MATTER.

[] ADVISED GEARY IS WELL AWARE OF PT CHURCH ILLEGAL ACTIVITIES AND PLANS NOT FROM HIS RELATIONSHIP AS ATTORNEY FOR CULT, BUT RATHER THROUGH SOME TYPE OF PARTICIPATION. [] ADDITIONALLY ADVISED PT ATTORNEY MARK LANE ALSO HAS BEEN COMPROMISED BY PT CULT AND HAS DISTINCT KNOWLEDGE THROUGH HIS ASSOCIATION WITH CHURCH MEMBERS OF CULT'S ILLEGAL ACTIVITIES. [] ADVISED SHE DOES NOT KNOW OF ANY ILLEGAL ACTIVITIES IN WHICH LANE IS INVOLVED. (u)

[] ADVISED SHE DOES HAVE KNOWLEDGE OF SUBSTANTIAL CACHES OF MONEY MAINTAINED BY THE PT. AT THE TIME [] DEFECTED, SHE HAD KNOWLEDGE OF EIGHT TO TEN MILLION UNITED STATES DOLLARS WHICH WERE PT FUNDS AND WERE BEING MAINTAINED IN VARIOUS BANKS IN AUSTRALIA, SWITZERLAND AND CANADA UNDER THE FOLLOWING NAMES: (u)

b6
b7C
b7D

PATTY CARMEL, JACK BEAM, CAROLYN LAYTON, KAREN LAYTON, LINDA AMOS. (u)

[] ADVISED EACH OF THESE INDIVIDUALS WAS AN INNER CIRCLE MEMBER. [] DECLINED TO IDENTIFY SPECIFIC BANKS INVOLVED AND IT IS NOT KNOWN FROM HER RESPONSES TO QUESTIONS IF SHE POSSESSES SUCH (u)

[] REFUSED TO DISCUSS ANY QUESTIONS DEALING WITH CONTINGENCY

[] WOULD NOT DISCUSS HER KNOWLEDGE OF ANY THREATS TO PUBLIC

[] DID NOT STATE DETAILS OF THIS PLAN NOR WOULD SHE STATE THIS PLAN ACTUALLY WAS IMPLEMENTED. [] HAS STATED THOUGH, THAT PT EXPERIENCED "NO PROBLEMS" IN UKIAH, CALIFORNIA, INTIMATING PT HAD SOME LEVERAGE ON [] THERE AND PERHAPS OTHER ELECTED OFFICIALS. (u)

[] ADVISED PT UTILIZED VOTING BLOC STRENGTH IN OBTAINING COOPERATION AND NON-INTERFERENCE BY LOCAL AND STATE OFFICIALS IN STATE OF CALIFORNIA. [] STATED PT MEMBERS VOTED IN UNISON FOR CANDIDATES WHOM REVEREND JONES DESIGNATED AND THROUGH THIS, JONES WAS ABLE TO SECURE CERTAIN FAVORS IN RETURN FROM THESE OFFICIALS. [] AGAIN CITED PUBLIC OFFICIALS, UKIAH, CALIFORNIA, NO NAMES GIVEN, AS EXAMPLES OF THIS. (u)

[] ADVISED THAT WITHIN PT, THERE EXISTED A GROUP KNOWN AS "THE ANGELS" OR "THE MESSENGERS". [] STATED THESE PERSONS WERE ASSIGNED TO ACCOMPLISH "HITS" WHICH WOULD INCLUDE EVERY TYPE OF CRIME, INCLUDING MURDER. [] NAMED THE FOLLOWING PT MEMBERS WHO WERE "ANGELS": TERRY BUFORD, BOB KICE [] (u)

LARRY LATON, JACK BEAM. WITH THE EXCEPTION OF BEAM, ANGELS WERE STRONG-ARM TYPES WHO WERE NOT NOTED FOR MENTAL ABILITIES BUT WERE EXTREMELY LOYAL AND DEDICATED FOLLOWERS OF JONES AND FOLLOWED ORDERS METICULOUSLY. THE "ANGELS" LOYALTY WAS TESTED FREQUENTLY BY JONES. LESS TESTED AND TRUSTED PT STRONG-ARM TYPES WERE ASSIGNED "SECURITY GUARD" DUTY AND IT WAS THEIR FUNCTION TO KEEP PT MEMBERS IN LINE WITH WISHES OF REVEREND JONES. [REDACTED] WOULD NOT NAME ALL ANGELS SHE KNEW BUT INDICATED ABOVE NAMES ARE NOT, BY ANY MEANS, ALL INCLUSIVE. [REDACTED] STATED SHE WOULD BE MORE WILLING TO TALK REGARDING THIS AFTER SHE KNEW THE IDENTITIES OF PT MEMBERS WHO DIED IN GUYANA. [REDACTED] DID ADVISE SHE KNEW FOR A FACT BOB KICE WAS INVOLVED IN JONESTOWN AIRPORT SHOOTING OF CONGRESSMAN RYAN AND NEWSMEN BUT WOULD NOT STATE SOURCE OF THIS INFORMATION. (u)

b6
b7C
b7D

[REDACTED] ADVISED PT HAD "CAPABILITIES" TO MANUFACTURE CERTAIN STREET DRUGS PRIOR TO PT ESTABLISHING AGRICULTURAL COMMUNITY IN GUYANA, BUT HAS NO KNOWLEDGE THIS EVER OCCURRED WHILE CULT WAS LOCATED IN US. [REDACTED] HAS NO KNOWLEDGE OF CULT'S DRUG ACTIVITIES IN GUYANA. [REDACTED] ADVISED THAT PT DID RECRUIT ONE "CHRIS LEWIS" (PHONETIC), A NEGRO MALE, NOT FURTHER DESCRIBED, AS A PT MEMBER

(u)

IN SAN FRANCISCO. LEWIS WAS A KNOWN POLICE CHARACTER AND ENGAGED IN DRUG TRAFFICKING AND PIMPING ACTIVITIES IN SAN FRANCISCO AREA AT THE TIME OF HIS CONVERSION TO THE PT CHURCH. JONES ALLOWED LEWIS TO CONTINUE WITH HIS ILLEGAL ACTIVITIES SUBSEQUENT TO HIS JOINING PT CHURCH AND MONETARY PROCEEDS OF LEWIS' ACTIVITIES WERE FUNNELED DIRECTLY TO JONES AND THE PT CHURCH. (u)

[] ADVISED LEWIS WENT TO GUYANA WITH JONES BUT SUBSEQUENTLY RETURNED TO THE UNITED STATES. [] ADVISED ^{LEWIS} JONES WAS SHOT AND KILLED IN THE SAN FRANCISCO, CALIFORNIA AREA IN THE PAST. []

WOULD NOT OR COULD NOT ELABORATE DETAILS OF LEWIS' DEATH AND DID NOT STATE WHETHER PT INVOLVED IN THIS. [] ADVISED THAT SANDY

BRADSHAW, A STATE PROBATION OFFICER IN SAN FRANCISCO, CALIFORNIA,

IS A MEMBER OF THE INNER CIRCLE OF THE PT CHURCH CURRENTLY AND

INTIMATED BRADSHAW IS ALSO "AN ANGEL" [] ADVISED BRADSHAW, MORE THAN ANY OTHER PERSON, KNOWS THE CURRENT PLANS OF THE PT CHURCH REGARDING IMPLEMENTATION OF CONTINGENCY PLANS AND/OR CARRYING OUT MURDERS OF THOSE NAMED IN HIT LIST. [] ADDITIONALLY ADVISED

TERRY BUFORD IS KNOWN BY HER TO BE IN CHARGE OF PT FILES AND IS THE CURRENT PT MEMBER ASSIGNED TO MAINTAIN THE PT HIT LIST. (u)

WHILE ANSWERING SPECIFIC QUESTIONS DURING THIS INTERVIEW. []

(u)

PAGE FIVE DE DL 50003 UNCLAS E F T O (DL 89-205)

INDICATED THAT THE FOLLOWING INDIVIDUALS ARE CURRENT MEMBERS OF THE INNER CIRCLE OF THE PT CHURCH: (u)

[] JACK BEAM, [] WAS VERY RELUCTANT TO DISCUSS HER KNOWLEDGE OF ANY OF THESE INDIVIDUALS' ACTIVITIES. (u)

[] ADVISED THAT PT DEFECTORS MIKE CARTMELL AEF DEBBIE BLAKELY WOULD READILY FURNISH INFORMATION REGARDING THEIR KNOWLEDGE OF THE PT. [] ADVISED MIKE CARTMELL WAS KNOWN TO HER TO BE A PLANNING COMMISSION MEMBER BUT SHE DOES NOT KNOW THE EXTENT OF CARTMELL'S KNOWLEDGE OF EXPLICIT ILLEGAL ACTIVITIES ON THE PART OF THE PT. [] ADVISED THAT ANY INFORMATION FURNISHED BY THESE TWO INDIVIDUALS REGARDING CONTINGENCY PLANS OR HIT LISTS WOULD PROBABLY BE SECOND HAND INFORMATION. (u)

b6
b7C
b7D

REGARDING [] CURRENTLY KNOWN AS []

[] FURNISHED THE FOLLOWING INFORMATION AND STATED SHE DOES NOT WISH THAT THIS INFORMATION BE IMPARTED TO [] (u)

[] ADVISED THAT WHEN [] LEFT WITH HER AND [] FROM THE PT IN 1973, [] TOOK THE ENTIRE PT FILES REGARDING THE LOS ANGELES CHURCH. [] ADVISED, CONTAINED IN THESE FILES WAS INCRIMINATING INFORMATION REGARDING JONES AND (u)

PAGE SIX DE DL #0003 UNCLAS E F T O (DL 89-205)

OTHER PT MEMBERS' ACTIVITIES. [REDACTED] ADVISED THAT SHE HAS PERSONAL DIRECT KNOWLEDGE THAT [REDACTED] IS STILL IN POSSESSION OF SOME OF THESE FILES BUT THAT [REDACTED] DID "SELL BACK TO JONES" CERTAIN OF THESE FILES SUBSEQUENT TO HER [REDACTED] DEFECTION. [REDACTED] WAS NOT ADVISED OF ANY OF [REDACTED] STATEMENTS WHICH [REDACTED] MADE TO BUREAU AGENTS AT THE TIME OF HER INTERVIEW AND IS NOT AWARE THAT [REDACTED] CLAIMS TO HAVE GIVEN ALL OF THE PT FILES BACK TO JONES. [REDACTED] ADVISED [REDACTED] HAS DIRECT KNOWLEDGE OF CRIMINAL ACTIVITIES ON THE PART OF THE PT AND [REDACTED] STATED DURING THE FIRST MEETING WITH BUREAU AGENTS THAT [REDACTED] HAD PARTICIPATED IN THE PLANNING AND SUBSEQUENT MURDERS OF SEVERAL PT ENEMIES (POTENTIAL PT DEFECTORS). THIS INFORMATION IS BELIEVED TO BE RELIABLE BECAUSE [REDACTED] ALSO IMPLICATED HERSELF IN THE PLANNING OF THESE MURDERS. (u)

PURPOSE: (u)

To advise appropriate officials of the receipt of tape recordings of intercepted People's Temple radio transmissions for cryptanalytic examination. (u)

ACTION:

For information (u)

DETAILS: (u)

The Technical Evaluation Unit of the Laboratory's Document Section has received this date 45 five-inch reel-to-reel recording tapes in captioned investigation. These tapes are copies produced by the Engineering Section of the Technical Services Division from recordings made by amateur radio operator [redacted] of Oak Ridge, Tennessee. [redacted] provided these tapes to the Bureau on 11-20-78. The recordings reflect radio transmissions on amateur radio (ham) frequencies, allegedly between the People's Temple in San Francisco, California and the contingent location at Jonestown, Guyana. We understand that additional recordings of transmissions which were intercepted by [redacted] and by the FCC will also be forthcoming. (u)

SA [redacted] has been assigned responsibility for supervising the cryptanalytic examination of the tapes. He will be assisted in the task by cryptanalysts [redacted] and [redacted] and by aural analyst [redacted]. The cryptanalytic examination will attempt to identify the presence of any encrypted messages or other form of secret communication which could (u)

shed light on possible illegal activities of members of the People's Temple. Attorney Mark Lane has reported that a code system was in use by the group. (u)

In addition to the cryptanalytic examination of the tapes we have also been requested by the RYMUR Command Post (SA [redacted] to carefully monitor all transmissions for the presence of any information involving possible violations of Federal laws such as a conspiracy to murder Congressman Ryan, or to violate kidnaping, extortion, mail fraud, firearms, ITSP, etc., statutes. In view of the large volume of material involved it is logical for us to perform this task concurrent with our cryptanalytic efforts. (u)

b6
b7C

It should be noted that review of the recordings in this case is going to be a time-consuming and difficult process because of the nature of the recordings. They are taken from very crowded and noisy radio frequencies. There is a great deal of background noise including static, and CW-code signals as well as other amateur operators transmitting on the same frequencies. Due to changing atmospheric "skip" conditions only one side of some transmissions can be heard. Also, the nature of the cryptanalytic examination is tedious. The analysts must be alert not only for obvious transmission of ciphered material consisting of random-appearing numbers or letters, but also for innocuous-sounding words and phrases which could have a "double" meaning or which could be significant selectively (e.g., the third word of every other sentence). (u)

You will be kept advised regarding significant findings or results of our examination. (u)

A COMMUNITY LETTER

To: John Van de Kamp
District Attorney
Los Angeles County
210 W. Temple Street
Los Angeles, CA USA 90001

From: Residents at Peoples Temple Agricultural Mission
Community, North West Region, Guyana, South America

Dear Mr. Van de Kamp:

As we learn more about the schemes to 'get Peoples Temple' through criminal indictments out of your office, we are increasingly outraged. But we are not naive.

For twenty-five years, Jim Jones and Peoples Temple have worked tirelessly for equality, justice, and humanitarian service. We have organized around issues of civil and human rights, inhuman conditions, and the crying need for world peace and international co-operation. We have a solid record of achievement in drug rehabilitation, in providing opportunities for jobs and education for thousands of young people, in helping untold numbers of people who were destitute, despondent, in need of medical help, counseling, food, clothing, and even shelter. We are all personal witnesses to this staggering achievement, which has been given official recognition all over the United States and even internationally. You can well understand how a man like Rev. Jones will be the subject of malicious gossip, lies, hate-campaigns, and even conspiracies orchestrated inside government institutions and the intelligence establishment. We have been the object of constant, organized harassment, vandalism, violence, smear campaigns, arsonists, racists, and even hired assassins.

Political frame-ups are not unfamiliar to us, and truthfully, we are not surprised that there is an effort to destroy us through the courts. But the reality of it is no less offensive, just because it was anticipated, even expected. We cannot stand idly by and stoically endure this injustice without protest. In fact, Peoples Temple has earned its unpopularity with certain elements in the United States precisely because it has actively fought against injustice for so many years. We do remember history, and we prefer not to repeat it. These efforts that have been mounted against us are indeed part of a shameful heritage of subterfuge that has claimed many victims over the years: individuals and organizations that were pursuing progressive directions in American life, seeking to bring together oppressed people, overcome racism, and work for economic and social justice.

You have been informed that there is an effort to destroy Peoples Temple. Though we have not 'cracked' this conspiracy completely, we are certain of enough facts to arouse any just-minded individuals, and those who wish the democratic system in the United States to survive would surely be alarmed. Some of these facts have been presented to the press; the mass media, however, has been distinguished by its refusal to print any reports that would point to what is really happening. An exception to this is the black press (and some 'Eastern establishment' press) which has been completely supportive of us throughout, since they recognize that attacks on Peoples Temple are attacks on the black community. We refer you to statements made by Dr. Carlton Goodlett, president of the National Newspaper Publishers Association (black press of America), for further clarification.

Additional facts will be brought to light soon. The story began years ago when certain individuals joined Peoples Temple who had prior experience working with the U.S. intelligence establishment and in ultra-right wing organizations. The hard facts came to light beginning in late 1976 when two military officers connected with Senator Stennis were caught trespassing near our church while a black woman mayor from Mississippi was speaking to our congregation about her trip to the Peoples Republic of China (we have no political alignment with any country, and have

always attempted to keep informed about alternative forms of government and their accomplishments). The very fact that we pursued these agents and published our startling findings about their spying mission no doubt intensified the determination of those out to harm us. Would it have been proper, or moral, to remain silent about it? We think not. Democracy depends upon the people knowing what is happening to them. What happens to Peoples Temple is only an example, in some instances, a harbinger, of what is planned for other minority groups.

We are confident that when you have the full picture of how the current group of people who are specifically organized to harass and persecute Peoples Temple have operated over the past year and a half, first secretly meeting to plot how to push smear and slander articles in the sensationalist press (they even hired a prominent, expensive public relations firm to help), then conspired to pressure and recruit people who would join them in lies and subterfuges, then going further to harm innocent people using government officials, and even threatening to hire mercenaries, you would not allow your office to be used and compromised to further their schemes.

Only a few of the devices that have been used in the attempts to destroy us include the following:

--Government agents who have conspired directly with members of Mr. Stoen's group of 'concerned relatives' that has pushed this campaign, have offered bribes and have attempted to blackmail various people to lie about and denounce Jim Jones and Peoples Temple. American Indian Movement leader Dennis Banks was pressured to do this and was offered help with his own serious legal difficulties as an enticement.

--We have documented efforts to cut off pensions and other payments to elderly members of Peoples Temple residing in Guyana. Checks have been re-routed -- hundreds of them -- with the active complicity of the U.S. Post Office Department.

--Our mail and other communications have been monitored and regularly sabotaged. One large batch of mail, including important legal documents, was doused with a wine-smelling substance. There have been many similar instances.

--Shipments of vital medical and food supplies have been interfered with by U.S. Customs agents. Some have never been delivered.

--The same group of people who are trying to pressure your office into moving against us has also engineered a series of legal maneuvers to force their children to return to the U.S. As you know, the most notorious case involved Jim Jones' own son, whom Mr. Stoen fraudulently claims to be his. Stoen, not surprisingly, is leading the current vendetta.

--News articles, letters, and other communications designed to cast aspersions on our organization and sow confusion have been planted in various publications on the 'left' and circulated everywhere in Guyana in the modus operandi COINTELPRO has used against various progressive and civil rights groups in the United States.

--Other 'dirty tricks' have included making phone calls of an harassing nature, impersonating members of Peoples Temple -- some to your own office -- to create hostility against Peoples Temple. Accusations and innuendoes have been made to the effect that we have been guilty of various 'crimes' when it is in fact our accusers who are the guilty parties. In one notable situation, we were cleared by the Los Angeles Coroner after those participating in the attempts to destroy us tried to insinuate that Peoples Temple was involved in foul play concerning the suicide of a young man who was not even in our church. What you are now being asked to participate in is only the latest in a series of trumped-up, fraudulent devices.

The people in the group of 'concerned relatives' formed by Mr. Stoen are only the front line of a conspiracy. They have spent tens of thousands of dollars to pursue their schemes. We are currently investigating the source of their funding. They have brazenly masqueraded as pious, outraged, morally-offended people who are seeking honest redress of grievances. But what lies behind the mask?

Most of the people who have decided to collaborate in these maneuvers (some, evidently, after much pressure), are operating out of personal resentments against Peoples Temple and Jim Jones. They did not want to follow the path of human service except on a very superficial level. While they fancied themselves humanitarians, they were only posturing. Eventually, they could not go on in the contradiction, yet they could not leave goodness alone. They became eager to destroy Jim Jones, who represented to them the kind of human commitment that they were incapable of -- and didn't want to

4

face that in themselves. This is a familiar syndrome, and made many of these people susceptible to being used by others who were interested in destroying Peoples Temple for many years -- people with strong right-wing, reactionary impulses, who could not stand to see people of all races and backgrounds co-operating and pursuing their fair share of rights and opportunities in life. Another group of individuals, not part of Peoples Temple, were furious that their (grown) relatives chose to spend their lives in service to humanitarian goals and ideals rather than to fulfilling others' expectations of them. They, too, have a personal grudge against Jim Jones and Peoples Temple, and have joined the efforts to harm us. (For example, we have proof being held for court in the form of sworn statements, from a prestigious California businessman and church leader -- not in our church -- that Mr. Stoen freely admitted to him that his efforts against Peoples Temple are in fact a personal vendetta.)

The entire scenario is not unfamiliar to veterans of civil rights struggles and the McCarthy Period. Thousands of people all over California and the nation -- progressive leaders, civil rights and community activists, government officials, private citizens, people who have worked with Jim Jones and Peoples Temple are aware of the fact that we are just another target in a long history of what amounts to a form of treason against ordinary people who are trying to secure a decent life for themselves. We are unusual, perhaps, because we are actively demonstrating a successful alternative for people oppressed by racism, and we sense a deep responsibility to keep alive the hope and opportunity we express for others.

Our work, by the way, has been thoroughly investigated by Guyana, and they have found nothing to change their total, enthusiastic support of Peoples Temple -- in fact, it has become even stronger over the past months. As a third world nation, Guyana obviously cannot afford to place itself in an antagonistic relationship with the United States, and we know for a fact they would not back our presence here as resolutely as they have were there anything about Peoples Temple that would be an embarrassment to them

or would cause difficulty for them.

The growing body of individuals who we have just alluded to are, with us, infuriated and outraged and profoundly disturbed by what is happening. We are determined to expose the conspiracy against Peoples Temple. We ask that you not co-operate with it.

Mr. Van de Kamp, you may be interested to know that the majority of us signing this letter come from the Los Angeles area. Many of us were not able to get out of the street- and gang- cultures and dead-end lives that we were involved in, until we were at a remove from that self-destructive environment. Many of us would still be on the swollen welfare rolls in Los Angeles if we did not have this community. Among us there are people who would have been dead, in prison, in street gangs, in organized crime, involved in drugs, prostitution; who would today be swelling the welfare rolls, who would be a drain on an already overburdened economy, who would have been abandoned in their later years in squalid hotel rooms, who would have been victimized by rapists, thieves, and muggers -- had it not been for Peoples Temple and Jim Jones. Many of us were caught in that vicious cycle of poverty, crime, and despair. We want you to know just exactly who it is that your office is being pressured to proceed against: people who have had very little, if anything, of their own; lousy neighborhoods to live in, terrible educational facilities, unsafe working conditions (if jobs were available); people who have had to work hard for just a little bit of hope for a future for their children. And many of us here are children of broken homes, and some of us have even been sold into human slavery, right here in the twentieth century, in the United States. Today, thanks to our people's collective and our community organizations, built on care and concern for people, as exemplified by a most principled and self-sacrificing leader of men, we have been able to achieve a measure of security and well-being that we never before have had, and which we are determined will not be taken away from us. We are of one accord that should this kind of frame-up be pursued through your office, we would be ready to return to Los Angeles to actively join protest actions (and we suppose that the Welfare Department would, in that

e

event, be aware of our presence).

Mr. Van de Kamp, we have painstakingly built this community, this movement, and it has not been easy. We have gone through all kinds of harassments, our buildings have been burned, our animals killed, our children's lives threatened. We have carved out of the virgin jungles here a model of human co-operation and love, where people who were once at each others' throats in an environment that fostered violence and gave people no creative outlet for their lives, are now working together peaceably, building a solid, secure future for their children. Do you think that, having come so far and having made so many sacrifices, we are going to sit idly by and allow a sleazy, politically-motivated frame-up carried out by individuals on a personal vendetta, take all or even part of what we have worked for away from us?

Yet this is precisely what is intended by the group of people who are trying to use your office to hand down indictments against members of Peoples Temple. There is a sinister dimension to all of this that we think you may grasp. The efforts to frame up a few of our staff members in Los Angeles is actually a device to tie up our finances, to paralyze our church, and effectively cut off the pioneer community here in Guyana from vital assistance. This is no mere attempt to proceed against one or two or a few people who are accused of 'crimes' they have never committed or would have ever conceived of committing: it is a move against an entire people, Mr. Van de Kamp, an act of violence and violation of the human and inalienable rights of all of us, a despicable attack on our work, our hopes, our achievements, our lives, our future.

It is significant that a person high up in government, in the U. S. Department of State, as well as another top official in the FCC, are fully prepared to state that we are victims of conspiracy. They will be subpoenaed for testimony if necessary. Our work on behalf of the poor and underprivileged -- especially the building of this interracial co-operative community -- has been praised widely by high government officials and many prominent visitors to the project from Guyana, the United States, and other nations. One recent visitor, author-investigator Donald Freed (Executive Action, The Killing of RFK, Glass House Tapes)

7

said that Jonestown was "the greatest, most compassionate community he has ever seen, a community that Dr. Martin Luther King, had he lived, would have recognized as the next step toward the realization of his dream of human brotherhood." When you contrast such statements -- and there have been many of them -- with the despicable slanders that have been printed about us in the sensationalist press, it is obvious who is telling the truth and who is lying.

Mr. Donald Freed, incidentally, is an expert in the exposing of government conspiracies, along with author-attorney Mark Lane (Rush to Judgement): both are convinced that Peoples Temple is the victim of a vast conspiracy that is now trying to operate right out of your office. Mr. Freed -- who spent a week in Jonestown very recently -- is prepared to offer testimony and is engaged with Mark Lane in a special investigation of what is going on. We now have a publisher who has offered to go ahead with a book in preparation on this conspiracy. It will help illustrate graphically how first the press, then government agencies, are used (and indeed, prostituted) in well-orchestrated, well-financed campaigns to destroy progressive groups and church leaders in the United States. Our story -- and it is an explosive one -- will be told to an international audience which is deeply interested in how a poor peoples organization like Peoples Temple, and a principled, humanitarian leader like Jim Jones, are made the victim of subversion and government frame-ups, and violations of human rights. We have not brought the Los Angeles District Attorney's office into the story yet, because, despite what we have heard, we are not prepared to believe that you are or would become a party to these efforts. However, we are quite serious and deeply committed to our cause, and are certainly prepared -- and capable -- (and indeed, anxious) to go to the limit to make the public fully aware of what is happening. And we now have every reason to believe that the public -- both in the U.S. and in many other nations -- is most interested to know the anatomy of this sort of high treason against innocent people that is allowed to take place, and is given every sanction, within institutions of a supposedly free society.

6

Again, we intend to publicize our story to the world, and we are already assured that it will be written about and widely spoken of by many around the United States and in many nations of the world who have taken a profound interest in what Peoples Temple is doing for international co-operation in Guyana in setting up a model, multiracial community, and in what is happening to wipe out perhaps the most successful and active peoples organization in the United States.

Our only and basic desire is to be left in peace. However, if this political frame-up is seriously pursued, we will be accepting support from all groups in the Los Angeles area as well as all over California and elsewhere who have offered to protest on a broad front in our defense. Many have recognized the campaigns against Peoples Temple as an attack on all poor and oppressed people (urban blacks in particular, who make up the majority of those of us signing this letter), and all people who are trying to work for social and economic justice in America. It will be considered a serious matter for your office to try to make a civil rights church that has been in the forefront for racial justice for twenty five years look like it preys upon elderly blacks by dignifying this cruel plot. Many of us know the couple concerned in the case that is being prepared, and were present when their property was discussed. The fact of the matter is that there was no coercion or any sort of 'deal' made: indeed, the position taken by Rev. Jones on the only occasion he referred to the matter was that Peoples Temple did not want the property in question. Many of us were present and can testify in support of this. The plot being hatched is a tangle of lies.

Make no mistake about our resolve. We are pledged to defend our integrity, our community, and the justice of our cause. We are not afraid, and have been through battles before. We are an embattled people, with a heritage of struggle. We have no antagonism towards you at all -- we have no reason to believe that you are not a highly principled person. But we want to make it clear that we have been pushed to the wall, that we have gone very far in this cause, which for us is identified with our very

lives, and which represents a hope for our children didn't have in the mean streets of Watts and other the city -- and we will very actively, dramatically, resist any attempts, from whatever quarter, to put organization in jail, or other schemes to hurt our

For that reason we have come together to compose you this letter, which we hope will move you to re perhaps more completely comprehend our situation, of frame-up that is being prepared against us.

Thank you very much for your consideration.

To Whom It May Concern;

I am a former member of the

I am probably the only one that

At the time ^{LEP Ryan} ~~that we moved~~
here from Indianapolis Jim Jones

to leave [redacted] was terrified of death. I know that she had to be held and forced to get the poison. She would not lay down her life for anyone.

[redacted] kept me informed on what was going on, but she was afraid to quit. If she had it in her to commit suicide, why not take a chance on quitting.

My family did not suffer because we did not say anything to anyone about the Church because we were afraid to. Jim Jones would step in Cuba to see Castro and probably has money in their bank under an Alias as well as in Mexico where he went several times. Jim Jones had more ego than anyone I knew. He forced himself on the young women for sex. His wife agreed because I believe

she was afraid of him too.

As for henchmen; definitely I believe their promise to get all of us former members.

"They will try"! Believe me Jim Jones was another Hitler

Archie James was just a tool that he used, but beware of Jean Brown and a man there named Tom? I sincerely believe that all of the assets of the Temple should be sold and all money divided amongst the families of the deceased. as the members were forced to give all of their earnings and were given \$2.00 for spending plus a pass for transit. Their clothing came from Goodies or second hand stores with permission of someone in that position. Jean Brown I think

The Peoples Temple should be forced to pay all expenses for the return of the bodies and their burial, and then forced to disband. In the 17 years that we belonged to the church back in Indio we gave thousands of dollars supposedly to help the less fortunate.

There was hundreds of good people in that Church living in fear. Guyana was a slave labor camp with under fed people unable to escape. No one committed suicide. They were either tricked or forced. Maybe a very few did, but if you are surrounded by guns and held down and forced, or ~~had~~ were held and injected; what chance did they

have. Jim Jones and his super
ego probably had it all figured
out to make it look like so
many people thought he was
"God" that they would die for
him. This is the truth.

No one I believe willingly
died. It was mass murder
not suicide, and death
certificate should state
murder. Why put a stigma
on a person's name for something
they could not help.

May the real "God" punish
me if this letter is not
the truth.

Please keep my name and
address a secret, as we do
not want to die. We want our
daughters possessions but are
afraid to try and get them. She
was only years old and was

my last child (my baby) and I
am absolutely sure of what I have
written Jim Jones could fool
the Angels in heaven, but in
real life he was more of
Satan. Please help us all to
clear the names of our loved
ones.
