USE OF FORM 0-73

1. Only incoming teletype messages which require transmission relay may be prepared for transmission using form 0-73. Use of form 0-73 is restricted to incoming teletype messages received within the last 3 days which require transmission relay; all other teletype messages must be prepared using form 0-93.
2. Additions such as notes and administrative data for a specific addressee are not allowed. If a note or administrative data is required for a particular addressee a separate 0-73 form must be prepared.
3. The message will be transmitted just as it appears. The person approving the message is solely responsible for assuring all necessary editing changes have been made.

PREPARATION OF FORM WHICH CONSISTS OF A PREPRINTED YELLOW.

1. Complete appropriate boxes: date, classification & precedence.
2. List addresses immediately following the "TO" or place a check mark in the appropriate boxes.
3. Type or PRINT the subject in the space provided.
4. Print or type originator's name, room number and telephone extension.
5. Indicate approval for transmission by initialing the "Approved By" box.

PREPARATION OF MESSAGE TO BE TRANSMITTED

1. Xerox 1 copy of incoming teletype message. A notation shall be made on the original incoming teletype "1 copy made for relay to SACS _____, (OR LEGATS) _____, (OR GOVERNMENT AGENCIES) _____."
2. Minor editing changes shall be made on the xerox as follows: using a lead pencil ONLY draw single line through the first and last lines of the heading and connect these lines from top right to bottom left forming a "Z," figure. (DO NOT OBLITERATE THE HEADING.) Use horizontal lines to delete sentences or words. Printed changes of a word or two to the text of the message may be made; however, changes to the existing text involving more than a word or two necessitate the originator to initiate a new message using form 0-93.
3. Administrative data or notes may be typed immediately following the text and will be transmitted to all addressees.
4. When using the 0-73 form to disseminate information to field offices, Legal Attaches and other Government agencies simultaneously, the text, notes and administrative data must be identical for all addressees.

FOLLOWING INFORMATION BEING FURNISHED TO THE BUREAU FOR
RELAY TO DOJ IF DEEMED APPROPRIATE: (u)

LARRY LAYTON ORIGINALLY ARRESTED PORT KAITUMA, GUYANA,
TRANSPORTED TO GEORGETOWN, CHARGED AND SUBSEQUENTLY INDICTED
AT PRELIMINARY INQUIRY FOR HIS PARTICIPATION IN THE INCIDENTS
AT PORT KAITUMA RESULTING IN THE DEATH OF CONGRESSMAN RYAN AND
OTHER PERSONS. ON MARCH 7, 1979, GUYANESE JUSTICE RULED THAT
PRELIMINARY HEARING RESULTING FROM A CHANGE OF VENUE FROM THE
MAGISTRATE OF THE NORTHWESTERN MAGISTRIAL DISTRICT TO THE
CHIEF MAGISTRATE OF THE GEORGETOWN MAGISTRIAL DISTRICT WAS
IMPROPER; THUS, THE PRELIMINARY INQUIRY AND RESULTING

INDICTMENT WAS IMPROPER AND DISMISSED. SINCE THAT TIME, LAYTON HAS NOT BEEN REINDICTED AND IS CURRENTLY BEING HELD ON PROSECUTOR'S COMPLAINT CHARGING HIM WITH MURDER, ATTEMPTED MURDER, CONSPIRACY TO MURDER AND POSSESSION OF FIREARM. IT IS BELIEVED THAT GOVERNMENT OF GUYANA (GOG) CONSIDERED INTRODUCING ALL TESTIMONY FROM FIRST PRELIMINARY INQUIRY AS EVIDENCE IN SECOND PRELIMINARY INQUIRY BUT THAT WAS NOT DONE IN VIEW OF THE FACT THAT ORIGINAL PRELIMINARY INQUIRY CONTAINED NO TESTIMONY TO TIE LAYTON INTO CONSPIRACY TO KILL RYAN. THEREFORE, IT WOULD BE REQUIRED TO HAVE ALL WITNESSES RETURN FOR SECOND PRELIMINARY INQUIRY. GOG DID AT ONE TIME CONTACT NUMEROUS WITNESSES IN THE U.S. AND IT IS BELIEVED THAT ONLY TWO WITNESSES AGREED TO RETURN TO GUYANA AND THEN ONLY UNDER THE CIRCUMSTANCES THAT ALL EXPENSES AND PROPER SECURITY BE AFFORDED.

IT CAN BE SUPPOSED THAT IF GUYANA DID PURSUE TRIAL WITHOUT INDICTMENT (WHICH IS APPARENTLY ALLOWABLE UNDER GUYANESE LAW), IT WOULD BE DIFFICULT, IF NOT IMPOSSIBLE, TO SHOW SUFFICIENT EVIDENCE OF CONSPIRACY TO KILL RYAN ON THE PART OF LAYTON WITHOUT SUFFICIENT COOPERATION AND TESTIMONY FROM WITNESSES (U.S. CITIZENS) RESIDING IN THE U.S. IF GOG WAS SUCCESSFUL

(u)

IN PROSECUTING,

(LAYTON ON OTHER CHARGES, IT WOULD STILL LEAVE THE MURDER AND CONSPIRACY OF CONGRESSMAN RYAN UNPROSECUTED. IT COULD BE FURTHER SPECULATED THAT IF THE GOG WAS REQUIRED TO GO THROUGH A JUDICIAL TRIAL AGAINST LAYTON AND SUBSEQUENTLY SENTENCED FOR LESSER CRIMES, THE GOG MAY NOT BE AMENABLE TO COOPERATE WITH OUR GOVERNMENT AT A LATER DATE IN VIEW OF THAT THEY WERE REQUIRED TO PROSECUTE WHEN THEY DID NOT DESIRE TO DO SO. (u)

CONCERNING GUYANA'S LACK OF DESIRE TO PROSECUTE LAYTON, SPECIAL AGENTS OF THE FBI, AFTER PERSONAL CONTACTS WITH NUMEROUS GOVERNMENT OFFICIALS IN APRIL OF 1979, READILY CONCLUDED IT WAS APPARENT THAT THE GUYANESE GOVERNMENT WOULD BE MOST SUSCEPTIBLE TO U.S. GOVERNMENT'S REQUEST FOR THE EXTRADITION OF LARRY LAYTON AND PROSECUTION IN THE U.S. THIS LACK OF DESIRE BY THE GOG TO PROSECUTE LAYTON IS BASED ON THE FACT THAT TRIAL WOULD BE COSTLY, TIME CONSUMING, (u)

AND BRING UNDUE ADVERSE PUBLICITY THAT THE GOG DOES NOT DESIRE. IN ADDITION, AMERICAN EMBASSY AT GEORGETOWH HAS POINTED OUT THAT THE GOG WOULD, IN ALL LIKELIHOOD, PREFER TO PASS THE PROSECUTION OF LAYTON OVER TO AMERICAN AUTHORITIES. TRIAL WOULD BE COSTLY (u)

PAGE FOUR SF 89-250 UNCLAS

AND TIME CONSUMING FOR GOG INCLUDING AS IT DOES THE NECESSITY OF BRINGING BACK FROM THE U.S. PEOPLE'S TEMPLE SURVIVORS TO TESTIFY. AMERICAN EMBASSY ADVISES, THEREFORE, IF GOG WERE TO BE PRESENTED WITH POSSIBILITY THAT A U.S. COURT IS PREPARED TO ACCEPT JURISDICTION THERE IS A REAL LIKELIHOOD THAT GUYANESE JUDICIAL SYSTEM WOULD BE TEMPTED TO DROP CHARGES AGAINST LAYTON AND RELEASE HIM. SAN FRANCISCO FBI HAS ALSO RECEIVED REPORT FROM NEWSPAPER PERSONS RECENTLY RETURNED FROM GUYANA THAT GOG LOOKS UPON THE LAYTON CASE AS THE KILLING OF AN AMERICAN BY AN AMERICAN IN VIOLATION OF AMERICAN LAW AND IS THEREFORE AN AMERICAN PROBLEM. *cu*

IT IS NOT KNOWN IF THE DOJ IS IN POSSESSION OF COMPLETE INFORMATION CONCERNING THE EVIDENCE AGAINST LAYTON, I.E. GRAND JURY TESTIMONY. FOR INFORMATION, GRAND JURY TESTIMONY IS SUFFICIENTLY MORE DETAILED AND GRAPHIC THAN ORIGINAL FBI INTERVIEWS WHICH ARE UNEERSTANDABLY NOT AS DETAILED DUE TO RELUCTANCE OF SURVIVORS TO TALK TO GOVERNMENT OFFICIALS IMMEDIATELY UPON THEIR RETURN TO THE U.S. AND LACK OF TOTAL UNDERSTANDING OF THE INCIDENT IN GUYANA AT THE TIME THE INTERVIEWS WERE CONDUCTED. *cu*

DOJ SHOULD BE MADE AWARE THAT ON MARCH 26, 1979, MR. TONY TAMBURELLO, AMERICAN ATTORNEY RESIDING IN SAN FRANCISCO REPRESENTING LAYTON, ADDRESSED A LETTER TO USA, SAN FRANCISCO, IN WHICH HE STATES, "FORMAL DEMAND IS HEREBY MADE FOR YOUR OFFICE, OR ANY OTHER APPROPRIATE AGENCY WITHIN THE UNITED STATES GOVERNMENT, TO REQUIRE THAT LARRY LAYTON BE BROUGHT TO THE UNITED STATES TO STAND TRIAL FOR ANY CRIMINAL ACTS THE UNITED STATES GOVERNMENT INTENES TO PROSECUTE HIM FOR AS A RESULT OF THE INCIDENT OCCURING AT PORT KAITUMA, GUYANA." (u)

IT IS FELT THAT INVESTIGATION REQUESTED BY LEGAT, BOGOTA, WOULD BE PROPERLY CONDUCTED THROUGH APPROPRIATE CHANNELS AND DIPLOMATIC PROTOCOL AND MAY RESULT IN OBTAINING CONCLUSIVE EVIDENCE OF LAYTON'S GUILT, IF DOJ CONCLUDES THAT SUFFICIENT EVIDENCE DOES NOT NOW EXIST. (u)

USE OF FORM 0-73

1. Only incoming teletype messages which require transmission relay may be prepared for transmission using form 0-73. Use of form 0-73 is restricted to incoming teletype messages received within the last 3 days which require transmission relay; all other teletype messages must be prepared using form 0-93.
2. Additions such as notes and administrative data for a specific addressee are permitted. If a note or administrative data is required for a particular addressee a separate 0-73 form must be prepared.
3. The message will be transmitted just as it appears. The person approving the message is solely responsible for assuring all necessary editing changes have been made.

PREPARATION OF FORM WHICH CONSISTS OF A PREPRINTED YELLOW.

1. Complete appropriate boxes: date, classification & precedence.
2. List addresses immediately following the "TO" or place a check mark in the appropriate boxes.
3. Type or PRINT the subject in the space provided.
4. Print or type originator's name, room number and telephone extension.
5. Indicate approval for transmission by initialing the "Approved By" box.

PREPARATION OF MESSAGE TO BE TRANSMITTED

1. Xerox 1 copy of incoming teletype message. A notation shall be made on the original incoming teletype "1 copy made for relay to SACS _____, (OR LEGATS) _____, (OR GOVERNMENT AGENCIES) _____."
2. Minor editing changes shall be made on the xerox as follows: using a lead pencil ONLY draw single line through the first and last lines of the heading and connect these lines from top right to bottom left forming a "Z," figure. (DO NOT OBLITERATE THE HEADING.) Use horizontal lines to delete sentences or words. Printed changes of a word or two to the text of the message may be made; however, changes to the existing text involving more than a word or two necessitate the originator to initiate a new message using form 0-93.
3. Administrative data or notes may be typed immediately following the text and will be transmitted to all addressees.
4. When using the 0-73 form to disseminate information to field offices, Legal Attaches and other Government agencies simultaneously, the text, notes and administrative data must be identical for all addressees.

Dear Mr. Stephens:

ca

This will confirm your phone conversation this morning with my staff assistant concerning the request of my constituent, Mrs. Candelario Barajas, for the results of the autopsy that was performed on the body of her son, William Richard Castillo, who died in Jonestown, Guyana last November 18th.

I just wanted to take this opportunity to express my continued interest on Mrs. Barajas' behalf and to respectfully request that the autopsy results be given to her as quickly as possible.

AC

Thank you for your assistance in this matter.

Sincerely yours,

Edward R. Roybal

In the course of investigation, RYMUR, information developed the existence of a cave in Mendocino County alleged to contain People's Temple documents, money, and/or firearms. Search conducted 4/10-13/79. (u)

FBI coordinated with DOE and Lawrence Radiation Laboratory, Livermore, California, which furnished sophisticated photographic monitoring equipment and heavy-duty two ton truck (no charge) to assist in search of cave located by the FBI in rural mountainous area currently being used as range land. Consent to search was obtained from owner and resulted in transporting truck to obscure area, negotiation of narrow dirt road, and necessitated crossing approximately 300 yards of range feeding land. Truck operated by DOE became stuck in mud and was required to be winched out. Range was also traveled by numerous 4-wheel drive vehicles necessary in search and to bring in timbers and other materials to site to be used to construct platform to facilitate search. Traffic caused considerable damage to range land and necessitated owner to have area leveled by heavy-duty cat and reseeded. (u)

On 8/14/79, owner of property, [redacted] Redwood Valley, California, 95470, submitted receipts for correction of damage caused by search. Receipts include total of \$221.30 for seed and fertilizer and \$285.00 for 9½ hours back hoe at \$30 an hour. Back hoe includes heavy-duty cat and operator. (u)

NOTE: On 8/20/79, RYMUR case Agent Don Hale, San Francisco, telephonically advised at least six People's Temple (PT) members furnished information regarding this shaft on the property of [redacted]. One of those PT members showed San Francisco Agents exact location of the shaft, and stated PT leader, Jim Jones, had shown it to him. Jones stated to the PT member that he used it to hide weapons, money, and records associated with PT activities. (u)

SA Hale stated the hiding place was more a straight shaft down rather than a cave that one could walk into. In order to search the bottom of the shaft it was necessary to bring heavy equipment across [redacted] land in order to construct temporary platforms, pulley, and winch machinery by which a search party could be safely lowered to the bottom. SA Hale stated nothing was found at the bottom of the shaft. (u)

PURPOSE:

The purpose of this memorandum is to request that Engineering Section, Technical Services Division, duplicate approximately 672 audio tapes from Jonestown, Guyana. (u)

DETAILS:

It is anticipated that four cases of audio tape recordings will be arriving at FBIHQ from Georgetown, Guyana, during the week of December 26, 1978. In order to more efficiently review these tapes, they should be duplicated as soon as possible and sent to San Francisco Division. The originals could then be preserved at San Francisco and the San Francisco Agents could work only with the duplicates. It would also be advisable that one copy of each original be maintained at FBIHQ in the event that any of the original and their duplicates were lost or destroyed enroute to San Francisco.

RECOMMENDATION:

That Engineering Section, Technical Services Division, immediately make one copy of each tape recording received from Guyana, and that a master copy of all tapes be maintained by Engineering Section, Technical Services Division. (u)

For reasons of brevity, this report will deal only with audio magnetic tapes Q127 through Q143 and Q568 through Q815. Additional audio tapes will be described in subsequent reports. (u)

For information of San Francisco, many of the cassette tapes had extensive writing on them and/or had 3X5 cards attached describing what the tape was supposed to contain. However, nearly all of the cassette tapes Q568 through Q815 were copied on high-speed duplicating equipment which precludes any monitoring during the duplicating process. Therefore, it is not known whether the cards or other writing accurately describe what the tapes contain. It is possible that many of the copied tapes are blank on one or both sides. (u)

Examination requested by: SAC, Norfolk

Reference: Airtel dated January 29, 1979

Examination requested: Duplication

Remarks:

For information of Norfolk, due to the large volume of tape recordings received in this matter, no enhancement examinations are being conducted except in exceptional circumstances. Additionally, the interference and distortion present on the radio transmissions are not generally amenable to enhancement. (u)

One copy of Q836 has been submitted to the Technical Evaluation Unit of the FBI Laboratory for such examination as they deem appropriate. (u)

[Redacted]

NOTE:

Mr. Castillo was one of several hundred victims of cyanide poisoning in the Jonestown, Guyana massacre. His remains were one of seven chosen at random by the FBI for autopsy upon request of the Department of Justice. The autopsies were conducted by the Armed Forces Institute of Pathology. Prior consent for the autopsies was obtained from next of kin of chosen victims. Several relatives of the victims on whom these autopsies were performed requested copies of the reports on the results of the examinations. With prior Departmental approval, these copies were forwarded.

b6 Per FBI
b7C

By letter to Supervisor [Redacted] Terrorism Section, CID, dated 8/3/79, Congressman Roybal, 25th District, California, requested on behalf of addressee that she be furnished a copy of the autopsy report on her son. Mr. Roybal's assistant had previously phoned SA [Redacted] about the matter as he had handled previous autopsy matters while assigned to the Rymur Special at FBIHQ. The above services, the Congressman's request and a letter to him is being forwarded to complete his file. Passage of the autopsy report on Mr. Castillo was discussed with Mr. Mike Abbell, International Affairs Office, DOJ and State Department, who interposed no objection to the above. (u)

For Section Chief Mignosa, forwarded through you for review in view of Mr. [Redacted] assignment to your Section and necessary preparation of this letter by your staff. (u)

TAGS: CARR: GY
SUBJ: PROSECUTION OF LARRY LAYTON

REF: A. STATE 216273
B. STATE 181182
C. GEORGETOWN 3189

1. THE FOLLOWING INFORMATION WAS GATHERED BY ENVOYS FROM ASSISTANT COMMISSIONER OF POLICE CECIL ROBERTS AND DEPUTY PUBLIC PROSECUTOR JACKMAN (PUBLIC PROSECUTOR ROHRO IS CURRENTLY OUT OF THE COUNTRY). SOME OF THE QUESTIONS RAISED IN REF (A) WILL REQUIRE A RESPONSE AT A MORE SENIOR LEVEL, AND WILL BE RAISED WITH ATTORNEY GENERAL SHAHABUDDEN. THE ATTORNEY GENERAL, HOWEVER, ALONG WITH OTHER SENIOR GOVERNMENT OFFICERS, IS FULLY OCCUPIED THIS WEEK WITH THE BIENNIAL CONFERENCE OF THE RULING PEOPLE' NATIONAL CONGRESS (PNC), AND THUS MAY NOT BE AVAILABLE UNTIL NEXT WEEK.

2. LAYTON CONFESSION: LAYTON'S "CONFESSION" TOOK TWO FORMS: AN ORAL STATEMENT MADE TO POLICE OFFICERS SHORTLY AFTER BEING TURNED OVER TO POLICE AT PORT KAITUMA ON NOVEMBER 18 AND A WRITTEN STATEMENT MADE THREE OR FOUR DAYS LATER. THE ORAL CONFESSION, SWORN TO BY A POLICE CONSTABLE, CONSISTED ONLY OF THE STATEMENT TO THE EFFECT OF "YES, I SHOT THOSE (BLANK BLANKS)". THE WRITTEN STATEMENT RELATES THAT LAYTON ASKED JONES FOR PERMISSION TO BOARD AIRCRAFT AND SHOOT PILOT; JONES' REFUSAL TO APPROVE THIS; AND LAYTON'S DECISION TO TAKE A GUN AND NEVERTHELESS PROCEED, AS WELL AS A STATEMENT THAT HE BEGAN FIRING AS SOON AS HEARD FIRING BY THE OTHER ASSAILANTS. THE WRITTEN, SIGNED STATEMENT INCLUDES A TYPED WARNING OF THE USES TO WHICH SUCH A STATEMENT MAY BE PUT, THAT IS WAS VOLUNTARY, ETC., SAID TO BE EXACTLY THE SAME AS USED IN BRITISH POLICE PROCEEDINGS AND SIMILAR TO US MIRANDA CAUTIONING. BOTH STATEMENTS ARE ADMISSIBLE IN CRIMINAL PROCEEDINGS, WITH THE PROVIDO THAT THE JUDGE BE SATISFIED AS TO THE BONA FIDES OF THE POLICE CONSTABLE IN THE CASE OF THE ORAL STATEMENT. LAYTON WAS NOT THREATENED, ACCORDING TO THE ABOVE SOURCES, SO NEITHER STATEMENT WAS OBTAINED UNDER DURESS. THE DEPUTY PUBLIC PROSECUTOR HAS PROMISED TO MAKE COPIES OF THE STATEMENTS AVAILABLE TO THE EMBASSY.

3. CHARGES AGAINST LAYTON: EMBASSY HAS REQUESTED STATEMENT OF CHARGES. SOURCES STATE SIMPLY THAT CHARGES ARE FIVE COUNTS OF MURDER, PLUS A NUMBER OF OTHER CHARGES WHICH ARE RELATIVELY INCONSEQUENTIAL.

4. THE DESIRED WITNESSES, WHO WILL BE REQUIRED FOR THE PRELIMINARY INQUIRY, ARE: [REDACTED] MONICA BAGBY, [REDACTED] IS SAID TO HAVE ASKED FOR PAYMENT OF WAGES LOST SHOULD HE TRAVEL TO GUYANA (A THIRD SOURCE STATES [REDACTED] MADE SAME REQUEST), WHILE ROBERTS BELIEVES THAT [REDACTED] IS UNWILLING TO RETURN. JACKMAN STATES THAT THERE IS NO BAGBY DEPOSITION, BUT ONLY HER SWORN

TESTIMONY IN THE PLANNED FIRST PRELIMINARY INQUIRY. (VERBATIM NOTES ARE USUALLY NOT TAKEN IN THE PI. THE MAGISTRATE TAKES HIS OWN NOTES.) VERN GOSNEY, OF COURSE, WAS EVACUATED BY THE USAF HOSPITAL AIRCRAFT IMMEDIATELY ON HIS RETURN TO GEORGETOWN FROM PORT KAITUMA, AND THUS THERE IS NO GOSNEY DEPOSITION, ALTHOUGH JACKMAN STATES HE WOULD BE INTERESTED IN HAVING ONE. (COPY OF THE FBI INTERVIEW WITH GOSNEY WAS GIVEN ROBERTS SOME TIME AGO.) PROCEEDINGS OF FIRST PI CANNOT BE USED IN A NEW PI, AND THEREFORE JACKMAN CONSIDERS IT ESSENTIAL THAT WITNESSES RETURN FOR NEW PI.

5. DEPUTY PROSECUTOR JACKMAN APPEARED RECEPTIVE TO THE IDEA OF PROVIDING A US LIAISON PERSON TO THE PROSECUTION, BUT THIS IS DECISION WHICH MUST BE TAKEN AT A HIGHER LEVEL.

6. BOTH ROBERTS AND JACKMAN ASSERTED THAT WITH RETURN OF WITNESSES, GOG HAS VERY SOLID CASE FOR PI WITHOUT WHATEVER PHYSICAL EVIDENCE MAY BE AVAILABLE FROM US.

7. GOG HAS TAKEN NO FIRM DECISION AS TO WHO WILL PROSECUTE CASE.

8. EMBASSY WOULD LIKE TO BE ABLE TO INFORM ATTORNEY GENERAL IN NEXT MEETING THAT IT MIGHT REPEAT MIGHT BE POSSIBLE FOR USG MAKE ARRANGEMENTS TO SATISFY SALARY DEMANDS OF LIMITED NUMBER OF WITNESSES.

9. FOR L/ARA: FORTUNE: EMBASSY NOT YET SUCCESSFUL IN OBTAINING SOLICITOR GILLETTE' CURRENT ADDRESS IN TRINIDAD, BUT IS EXPLORING MEANS OF FINDING IT.

DETAILS: On 3/29/79 a meeting was held in the office of Robert Keuch, Deputy Assistant Attorney General, Criminal Division, at the request of representatives of the HIRC. At that meeting the Committee requested ten separate items in the possession of the FBI be turned over to the Committee. After consulting with representatives of FBIHQ and U. S. Attorney William Hunter, San Francisco, it was agreed that three items would be made available to the Committee, one of which was a copy of the above-mentioned "Death Tape." The "Death Tape" will be made available as soon as possible directly from FBIHQ, CID, Personal Crimes Unit, to the Committee. This will necessitate that a copy of the tape in the possession of the Technical Services Division Radio Engineering Section be made. (u)

Dear Sir:

Re: [redacted]
Re: [redacted]
Re: [redacted]

I was referred to you by [redacted] of [redacted]. I phoned your office on Friday [redacted] to inquire as to how I could get in touch with you to send you copies of letters and documents and express my discontent with one [redacted] which was one of the funeral homes in [redacted], to secure a contact with the State Dept., to ship the remains of the Jonestown victims to their families.

I was informed by your local office to write you a letter, attaching the documents pertaining to my dilemmas. In the course of the conversation with your office aide, I mentioned [redacted] and was informed to include what information I could about her.

Enclosed, are letters and copies of letters to [redacted] of [redacted] Funeral Home and to the State Dept., informing them both, that I want my money, which should have been returned to me without any problems. Instead, [redacted] sent me a check, without a signature on it, which went unnoticed by the teller and myself at the [redacted] on [redacted]. You see on [redacted] I wrote [redacted] a letter, informing him that if he did not have my money to me within (5) five days, I would have his licences held in abeyance if he did not get my money to me. He sent it in (5) days, but did not sign the check. I went out of town for a week to rest. I did not open the envelope until I was at the tellers window in the bank, signed it and deposited half of it in my checking account, and took the rest in cash.

[redacted] recieved a notice from the [redacted] that the check had been returned for lack of signature. I then phoned the bank and was informed that [redacted] A few days later it darned on that I probably did not have [redacted] in my account, since I had written some checks to pay some bills. [redacted] I went to [redacted] and withdrew [redacted] to cover the check until I could send it back to [redacted] for his signature. I asked the teller to make me a copy of the check, came home and wrote [redacted] another letter enclosed the check for a signature, and mailed it. I recieved the check again on [redacted] took it back to the bank that day and instructed the the teller to return the check to my savings account. The teller did not know that my account was not at that branch, since I frequently use that branch. Going through the index file she came across my name on my sister's account and assumed it was my checking account and took the [redacted] from my sister's account, and placed it in my savings account. This trans- action messed up her account and caused her undue problems with her checks bouncing all over the place. The problem still is not straightened out.

89-4286-2294
(cont.)

On 7/3/79, I was in the [redacted] branch on routine banking business, when I was informed that the check from [redacted] was back. It had been returned for insufficient funds. Also they had discovered that the reason my sister's account was so fowled up; they had taken the [redacted] out of her checking account and put it into my savings account. After a long discussion, I wrote a check for [redacted] to replace the [redacted] taken out of my sister's account. Then [redacted] informed me that a collection notice would be sent to the [redacted] with a (10) ten day notice of hold. In the mean time they would have to debit my savings account for [redacted], and wished me luck on ~~xxxxx~~ getting my money from [redacted]

[redacted] phoned me to inform me that the collection notice was back and that they were unable to collect because [redacted] had closed out his account on [redacted] and that she did not want me to get the notice in the mail first because she knew I was not well. In fact, I had gotten [redacted] I got out of bed and went up to the bank to get a copy of the returned notice. A few days later I recieved the notice from my branch; at this time I phoned [redacted]. She expressed her sympathy and told me to contact the D.A's office in So. S.F., and make a former complaint, which I fully intend to do.

b6
b7c

Problem number two; my [redacted] returned unexpectedly on [redacted]. The State Dept. was supposed to contact me as to the time of her arrival. Instead, I recieved a phone call at 9 p.m. on Feb. 9, 1979 from a Jim Jones Temple member, informing me that "your [redacted] will be arriving on National Airlines at 12 midnight, you had better get out to the airport and pick her up." I phoned the airport to inquire if she was on the manifest arriving from New Orleans, and was told no. I then phoned Washington and the State Dept., informed me that she was not on their manifest either, but said he (the man I talked to) would phone New York and phone me back. He did, and said she was not on the list, but Stephan Jones may have slipped out of Guyana and brought her with him. He instructed me to phone the airport security and ask them to meet the plane with me. I did, and on arriving at the airport at 10 a.p., I reported to the airport police, they instructed me to go to the National Airlines reception desk and phone them back as to the actual time of the flight from New Orleans. When I phoned them back with the flight time the police instructed me to go to the arrival gate and they meet me there ~~xx~~ 10 minutes before the flight was due. The police were on time and so was the FBI agent,

[redacted] I chatted with agent [redacted] before the flight came in. He informed me that, they would have to take [redacted] and [redacted] the young man she was traveling with. Afterwards she would be free to go with me, but I must keep her available for questioning and that they may come out to my home on Saturday Feb. 10, and talk with her some more. Upon arriving home from the airport 2/9/79, the phone was ringing, it was [redacted]. She wanted to speak to [redacted]. From [redacted] end of the conversation, she was either cautioned or threatened to keep her mouth shut. At 3 a.m. the phone rang, this time it was [redacted] wanting to talk with [redacted]. I talked with him and told him that she was asleep. He let me know he had gone to the airport to pick her up.

To go back for a moment. In December of 1978 a neighbor of the [redacted] and one of my Eastern Star Sisters had phoned me and in the course of our conversation I had mentioned that I had been trying to contact the [redacted] to see what they intended to do about their [redacted]. For the present I had claimed the body and made it possible for her to be identified so soon, by getting releases for her medical and dental records. In December of 1978 on the 16th, [redacted] phoned to inform me that her father wanted [redacted] body. I said it was fine by me. Out of the clear blue sky she told me that she and [redacted] had discussed it and decided that I was the best person to [redacted]. I informed her that there was no need for them to decide anything, because I knew that my first duty was to see to

[redacted] and; and since I was her [redacted] there was no question about who was to make discussion concerning [redacted]. Because I owed it to my son to see to his responsibilities since he could not anymore. In the meantime, I received a call from Houston, Texas (a Temple member) informing me "that the [redacted] were plotting to give me some trouble about [redacted]. She was sure they were taking their orders from Stephan Jones. I thanked her and told her I would cross that bridge when I came to it.

As you have guessed, by now, the [redacted] phoned early in the and from [redacted] end of the conversation I assumed she was getting more instructions or threats. Her conversation was, "I know, I am not going to give the FBI or anyone any information." She then gave the phone to me. [redacted] asked if he could come over and pick her up. I said no. The FBI said they may be out today to talk to [redacted]

At noon the door bell rang. [redacted] buzzed the gate, the next thing I knew-- [redacted] and an unknown person was coming through the door. We talked for a few minutes then they asked if they could take her to a coming home party--they had bought a cake and everything. I said no. They kept asking and [redacted], on the verge of tears, pleaded to go. So I said I guessed it would be alright, but I had to notify the FBI, and only if they promised to have her back by 7 p.m. (no later than 7:30 p.m.). They all promised, and the unknown person said he would notify the FBI. He went to the stairs, picked up the phone dialed a number and allegedly phoned the FBI. When they did not return at 7:30 p.m., I phoned the [redacted]--no answer. I then phoned the FBI to report that the [redacted] had not returned [redacted] and asked the agent to check the log sheet to see where they were supposed to be taking her, because they were not home. He informed me that nothing showed on the log sheet about a call in from my phone number. I asked to have a bulliten put out because I had suspected a kidnapping. He told me to phone the local police and file a child stealing charge. I phoned the San Francisco police and asked them to meet me at the [redacted] address and was told to phone the police again when I got to [redacted]. I did, and was met by officer [redacted] and another policeman. The [redacted] were no where to be found. A friend was with me, she knew that some of the returnees from Guyana were living in the [redacted] [redacted]--we, with the police, went to an address on [redacted]. It turned out to be the wrong building. We then went with the police to the [redacted] police dept. and filed a missing child report. Officer [redacted] told me to go to the So. San Francisco Police Dept. and file a report also. I did. On Monday Feb. 12, 1979, Det. [redacted] phoned and asked if he could come over and talk with me. At 11 a.m. *for FBI DET.* [redacted] came and we talked. He promised to talk with his superior when they returned to the station to secure a court order to take the [redacted] into custody if they did not return the child, and that there was a wanted warrant on [redacted] and some of the others. Also on Feb. 12, 1979 agent Buckley of the FBI, phoned inquiring about [redacted], asking if I feared for her safety. At 3:30 p.m., Det. [redacted] of the [redacted], Police Dept. phoned and asked me to bring him a copy of all the papers/letters I had concerning [redacted] and at 6:30 p.m. I took the information to Det. [redacted] Tuesday, Feb. 13, 1979, --2 p.m. I kept and appointment with Atty [redacted] which I had made the week prior to [redacted] return, regarding guardianship. 7 p.m. Feb. 13, 1979, Det. [redacted] phoned to inform me that [redacted] had brought [redacted] into his office at 1:30 p.m. but not before he received a call from her alleged atty, who turned out to be one [redacted] of the S.F., D.A.'s office. Det. [redacted] said he had no choice but to plea bargain with them because he wanted the child out of their hands and that she was in protective custody at the [redacted] CA., in the care of a case worker, one [redacted] who phoned to inform me that [redacted] was fine and that she had been placed in a Foster home in protective custody and that her whereabouts would be kept a secret and that on Thursday Feb. 15th 9 a.m. there would be a court hearing in [redacted]. These court hearings went on once a month, until April 20, 1979 when Judge Flumbo ruled that [redacted] would be placed with the [redacted] until...

Oct. 14, 1979 when we all go back for another discussion.

A friend, who also lost her only child in Guyana, wanted to talk to the FBI. I phoned agent [redacted] and asked him to meet her here at my home. He did, and I learned from him that the unknown person, that accompanied the [redacted] to my home on Feb. 10, 1979, was one [redacted] of the D.A.'s office from San Francisco. We talked for four hours and exchanged information.

The [redacted] hideout on [redacted] had been discovered, because now the S.F.P.D., knew when they lived. The police had been looking for them for well over a month. I was given this information by officer [redacted]. They supposedly moved to [redacted]. But when we went to court on April 20, 1979, the report said they lived on [redacted] no address. But the [redacted] along with my address was boldly displayed.

I learned on Monday July 16, 1979, from a friend of my son's that he had seen [redacted] spoke to her and when she recognized him and tried to come over to speak she was dragged away down the street by a lady and a man. And she was crying and screaming. He felt like she was being threatened more or less as a prisoner than a relative. He also told me I should try and get the judge's decision reversed. I informed that officer [redacted] had told me the same thing only a few weeks before.

But she was crying and being dragged by [redacted] in the parking lot at Belmont Juvenile court on March 20, 1979, when she tried to hug and console [redacted] who was sitting in her car crying. [redacted] went over and started crying too. [redacted] went over and snatched her by the arm and literally dragged her away and screamed at her to "shut ~~your~~ mouth and stop that crying." My attorney and I were standing by my car talking. He asked me "did you see that?" I said yes, but the judge, the case workers and the psychiatrists had made the decision for her to go to live with them in view of all the evidence.

b6
b7c

1. The [redacted] lived in the ghetto.
2. They were living in a condemned building.
3. [redacted] beside being under suspicion by the FBI for setting Congressman Ryan up, was sleeping with a woman ([redacted]) without the benefit of marriage, who was also on the FBI's list, has two children by another woman, which he keeps unemployed.
4. [redacted] also has two illegitimate children there, and is sleeping with a live-in boyfriend, also on the FBI's list of possibles who set Ryan up. She is also unemployed.
5. [redacted]--on the FBI's list, believed to be on the so-called hit-team. He is also unemployed.
6. They all keep company with the [redacted] brothers, who are believed to be dangerous.
7. [redacted] are supposed to be defectors, but associated the the so-called survivors.
8. The case worker knew my feelings and about the gnawing feeling that I suspected [redacted] has been violated sexually by those older boys.
9. The judge and case workers knew that the [redacted] and I lead respectable lives in decent neighborhoods, and was able to give [redacted] a good home and a respectable upbringing and that she did not need to be put into the position of having to continue/constantly be reminded of how she had, had to live in the past. It should be behind her. She needed a new start and therapy treatment (which I had already arranged for).
10. The [redacted] and the rest of them, were not seeking help or therapy--but in fact were trying to get that hideous cult started again.

PREPARATION OF MESSAGE TO BE TRANSMITTED

1. Xerox 1 copy of incoming teletype message. A notation shall be made on the original incoming teletype "1 copy made for relay to SACS _____, (OR LEGATS) _____, (OR GOVERNMENT AGENCIES) _____."
2. Minor editing changes shall be made on the xerox as follows: using a lead pencil ONLY draw single line through the first and last lines of the heading and connect these lines from top right to bottom left forming a "Z," figure. (DO NOT OBLITERATE THE HEADING.) Use horizontal lines to delete sentences or words. Printed changes of a word or two to the text of the message may be made; however, changes to the existing text involving more than a word or two necessitate the originator to initiate a new message using form 0-93.
3. Administrative data or notes may be typed immediately following the text and will be transmitted to all addressees.
4. When using the 0-73 form to disseminate information to field offices, Legal Attaches and other Government agencies simultaneously, the text, notes and administrative data must be identical for all addressees.

ALL INFORMATION CONTAINED

HEREIN IS UNCLASSIFIED

DATE 4/20/93 BY 9803K00/mdm

I, TERESA BUFORD, hereby declare:

[redacted] I worked jointly on all major money matters for Peoples Temple. On one occasion

[redacted] I smuggled over 1 million US dollars out of the United States. We had it both packed in our suitcases and strapped to our bodies. [redacted] told me before this was done that it was illegal to smuggle any sum over the amount of 5,000.00 out of the country but felt strongly that we should proceed in spite of that regulation [redacted] gave me required reading assignments weekly on the subject of laundering money. He would go out to restaurants with me on a regular basis and discuss how to successfully launder money in off-shore corporations outside of the United States. [redacted]

b6
b7C

[redacted] I, went to Panama together and [redacted] showed me the articles of incorporation for corporations that he had set up in Panama. The money that [redacted] and I illegally smuggled into the country was deposited in a bank account for one of these corporations. [redacted]

told me that should either of us get arrested in leaving the country that we should call [redacted] for legal assistance.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on October 23, 1978 at San Francisco, California.

Jones: ... I have loved you ... how very much I have tried my best to give you the good life ... in spite of all that I've tried, a handful of our people, with their lies, have made our life impossible. There's no way to detach ourselves from what's happened today. Not only - We're in a compound situation, not only are there those who have left and committed the betrayal of the century, some have stolen children from others and then seek right now to kill them because they stole their children, and we are sitting here waiting on a powder keg. I don't think it is what we want to do with our babies. I don't think that's what we had in mind to do with our babies. It was said by the greatest of prophets, from time immemorial, "No man takes my life from me, I lay my life down." (Crowd: yeah!!) So, to sit here and wait for the catastrophe that's going to happen on that airplane (it's gonna be a catastrophe) ... Almost happened here, almost happened, the congressman was nearly killed here... But you can't steal people's children. You can't take off with people's children without expecting a violent reaction. And, that's not so unfamiliar to us, either, even if we were

-1-

Judeo-Christian, even if we weren't Communists. The worldly kingdom suffers violence and the violence is triggered by force. If we can't live in peace then we must die in peace. (Applause) We've been so betrayed, we have been so terribly betrayed, but we've tried, and as Jack Beam often said (and I don't know where he's at right this moment, poor Jack), he says if it's only worked one day, it was worthwhile ... (crowd cheers) ... Of what's going to happen here in a matter of a few minutes, is that one of the few on that plane is gonna shoot the pilot. I know that. I didn't plan it, but I know it's gonna happen. They're gonna shoot that pilot, and down comes that plane into the jungle and we had better not have any of our children left when it's over, 'cause they'll parachute in here on us. I'm telling you just as plain as I know how to tell you, I've never lied to you... I never have lied to you. I know that's what's gonna happen, that's what he intends to do and he will do it. He'll do it. What's there being so bewildered with many, many pressures on my brain, seeing all these people behave so treasonous, it is just too much for me to put together, but, I now

(17)

know what he was telling me and it'll happen. If the plane gets in the air even. So my opinion is that we be kind to children and be kind to seniors and take the potion like they used to take in ancient Greece, and step over quietly because we are not committing suicide. It's a revolutionary act. We can't go back. They won't leave us alone. They're now going back to tell more lies which means more congressmen. And there's no way, no way we can survive. Anybody ... Anyone that has any dissenting opinion, please speak ... (W) Yes ... You can have opportunity, but if their children are left we're gonna have them butchered. We can make a strike but we'll be striking against people that we don't want to strike against. And what we'd like to get is the people who caused this stuff and some, there's some people here are prepared to know how to do that, ... go in town and get Timothy Stoen, but there's no plane, there's no plane, you can't catch a plane in time. He's responsible for it. He brought these people to us. He and Deanna Myrtle. But people in San Francisco will not, not be idle over this. And not take our death in vain, you know ... Yes, Christine ...

Christine: Is it too late for Russia?

Jones: Here's why it's too late for Russia. They killed. They started to kill. That's why it makes it too late for Russia. Otherwise I'd said, "Russia, you bet your life." But it's too late. I can't control these people. They're out there. They've gone with the guns and it's too late. And once we kill anybody, at least ... that's the way I've always ... I've always put my lot with you. And when one of my people do something, it's me. ... Understand, I don't have to take the blame for this, but I don't live that way. They said deliver up Jjara, who tried to get the man back here. Jjara, who's mother's been lying on him and lying on him and trying to break up this family and they've all agreed to kill us by any means necessary ... You think I'm going to deliver them Jjara? Not on your life. No. (Crowd: No! No!)

Unman: Is there any way if I go, that it'll help?

Jones: No, you're not going. You're not going.
(Crowd: No! No!)

Jones: Not going. I can't live that way. I cannot live that way. I've lived for all and I've died for

all. ... (applause) ... I've been living on a hope for a long time, Christine, and I appreciate ... You've always been a very good agitator. I like agitation because you have to see two sides of one issue, two sides of the question. What's those people gonna get done once they get through? They make our life worse than hell, they'll make the Russians not accept us. When they get through lying ... They told so many lies between there and that truck that we are, we are done in as far as any other alternative.

Christine: Well, I say let's make an airlift to Russia, that's what I say. I don't think nothing is impossible, if you believe it. (u)

Jones: But how we gonna air ... How're you going to airlift to Russia?

Christine: Why, I thought they said if we got in an emergency, they gave you a code to let them know.

Jones: No, they didn't. They gave us the code that they'd let us know of an issue, not us create an issue for them. They said if we ... if they saw the country coming down, they'd agreed they'd give us the code, they'd give us a code. You can check on there and see if

it's on the code. Check with Russia to see if they'll take us in immediately. Otherwise we die. I don't know what else you say to these people. But to me death is not ... death is not a fearful thing, it's living that's treacherous. ... (applause) I have never, never, never, never seen anything like this before in my life. I've never seen people take the law ... and do ... in their own hands, and provoke us and try to purposely agitate and murder of children. There's no use, Christine, it's just not worth living like this ... not worth living like this.

Christine: I think that there were too few who left for twelve hundred people to give them their lives, for those people that left.

Jones: Do you know how many left?

Christine: Oooh, twenty odd ... that's, that's small ...

Jones: ... twenty-odd, twenty-odd ...

Christine: Compared to what's here.

Jones: ... twenty-odd. But what's gonna happen when they don't leave. I hope that they could leave ... but what's gonna happen when they don't leave?

Christine: You mean the people here?

Jones: Yeah, what's gonna happen to us when they don't leave? When they get on the plane and the plane

goes down?

Christine: I don't think it'll go down.

Jones: You don't think it'll go down? (Crowd: Yes it will ...) I wish I could tell you you were right, but I'm right. There's one man there, who blames, and rightfully so, Eddie Blakey, for the murder, for the murder of his mother and he'll sh... he'll stop that pilot by any means necessary. He'll do it. That plane will come out of the air. There's no way you can fly a plane without a pilot.

Christine: I wasn't speaking about that plane. I was speaking about the plane for us to go to Russia. (W)

Jones: How do ... To Russia? Do you think Russia's gonna want .. no they're not gonna ... Do you think Russia's gonna want us with all this stigma? We had really had some value ... but now we don't have any value.

Christine: Well, I don't see it like that. I mean, I feel like as long as there's life, there's hope. That's my faith.

Jones: Well, someday we're gonna die, someplace that hope runs out. 'cause everybody dies. (Crowd: right, right) ... I haven't seen anybody yet that didn't die. And I'd like to choose my own kind of death

for a change. I'm tired of being tormented to hell, that's what I'm tired of. (Crowd: right, right) .. Tired of it. (applause) Tired of people's lives in my hands and I certainly don't want your life in my hands and I'm going to tell you, Christine, without me, life has no meaning. ... I'm the best friend you'll ever have. And once, once I have to pay, I'm standing with Jjara, I'm standing with those people. They're part of me. I could detach myself ... my attorney says detach myself ... no, no, no, no, no ... I'd never detach myself from any of your troubles. I've always taken your troubles right on my shoulders and I'm not gonna change that now. It's too late. I've been running too long. Not gonna change now. ... Maybe the next time you'll get to go to Russia ... the next time 'round ... This is, what I'm talking about to now is in the dispensation of judgment. This is the revolutionary ... this is revolutionary suicide council, I'm not talking about self, self-destruction. I'm talking about what, we have no other road. I will take your call. We will put it to the Russians, and I can tell you the answer now, because I'm a prophet. Call the

Russians and tell them and see if they'll take us.

Christine: Not that I'm afraid to die ...

Jones: I don't think you are ...

Christine: by no means ...

Jones: I don't think you are ...

Christine: But I look at all the babies and I think they
deserve to live ...

Jones: I agree ...

Christine: you know ...

Jones: But also they deserve ... what's more they deserve
peace.

Christine: We all came here for peace ...

Jones: And we, have we had it?

Christine and crowd: No ...

Jones: I tried to give it to you. I've laid down my life,
practically, I've practically died every day to give
you peace ... and you still not have any peace. You look
better than I've seen you in a long while, but it's
still not the kind of peace that I want to give you.
The person's a fool who continues to say that you're
a winner when you're a loser .. Win one, lose two....
What? I didn't hear you, ma'am, you have to speak up ...
That's a sweet thought, who said that? ... come on up
and speak it again, honey. Stand up and say it about
(inaudible) ... love ... (inaudible) is taking off, no

plane is taking off ... It's suicide. They have done it ... Stoen has done it ... but somebody ought to live ... somebody ... can they talk ... can they not talk to San Francisco to see that Stoen does not get by with this infamy? ... with this infamy ... he has done the thing he wanted to do ... to have us destroyed.

Christine: When you, when you, when we destroy ourselves we're defeated ... you are saying, "Let the enemy defeat us."

Jones: Did you see, did you see "I Live to Fight No More Forever"?

Christine: Yes, I saw that.

Jones: Did you not have some sense of pride and victory in that man, that he would not subject himself to the will and whim of people who tell that they are gonna come in whenever they please, push into our house, come when they please, take who they want to, talk to who they want to ... does this let living ... that's not living to me. That's not freedom. That's not the kind of freedom I sought.

Christine: But I think where they made their mistake is when they stopped to rest. If they had gone on, they would have made it. But they stopped to rest ...

Unman: It's over, sister, it's over ... we've made that day ... we made a beautiful day and let's make it a beautiful day ... that's what I say.

Jones: We win, we win when we go down. Tim Stoen has nobody else to hate ... He has nobody else to hate. Then he'll destroy himself. I'm speaking here not as the administrator, I'm speaking as a prophet today ... I wouldn't sit up in this seat and talk so serious if I did not know what I was talking about. Is there any way to call back ... the immense amount of damage that's going to be done? But I cannot separate myself from the pain of my people. And you can't either, Christine, if you stop to think of it. You can't separate yourself. We've walked too long together.

Christine: I know that. But I still think, as an individual, I have a right to ...

Jones: You do, I'm listening ...

Christine: I think, what I feel, and I think we all have the right to our own destiny as individuals.

Jones: Right ...

Christine: And I think I have the right to choose mine and everybody else has the right to choose theirs.

Jones: Mm-hmm ...

Christine: You know ..."

Jones: Mm-hmmm. I'm not criticizing, I'm not governing ...
What's that?

Unwoman (in background): She talks like she wants to leave us,
well, she can go ahead ... they're our individual
lives, that's what you're saying.

Christine: That's right.

Jones: That's today, that's what twenty people said today ...
with their lives.

Christine: I think that I still have the right to my own
opinion.

Jones: I'm not taking it from you. I'm not taking it from
you. (w)

Unman: Christine, you're only standing here because he was
here in the first place. So I don't know what you're
talking about having an individual life. Your life
has been extended to the day that you're standing
there because of him.

Jones: Despite this, she has as much right to speak as anybody
else, too. What did you say, Louvie (ph.)? Well,
you will regret that this very day if you don't die.
You'll regret it if you don't ... that you don't die.
You'll regret it.

Christine: (few words inaudible) ... A man who saved so many
people?

Jones: I saved them, I saved them but I made my example.
I made my confession. I made my manifestation and
the world was ready ... not ready for me.
Paul said, "I was a man born out of due season." I've
been born out of due season just like all we are and
the best testimony we can make is to leave this
God-damn world. ... (cheers from crowd)

Unwoman: She must be scared to die.

Christine: I'm not talking to her. Will you let her or let
me talk?

Jones: You talk.

Christine: Would you make her sit down and let me talk while
I'm on the floor or let her talk?

Jones: ... proper to tell your leader what to do. It really
isn't. I've listened to you. You asked me about
Russia. I'm right now making a call to Russia.
What more do you suggest? I'm listening to you.
If Russia gives me one slight bit of encouragement,
I just now instructed her to go there and do that.

Unwoman: You won't do no fuckin' good in Russia, God-damn
it ... (pause).

Unman: All right, now everybody hold it, we didn't come ...
hold it, hold it, hold it, hold it ...

Jones: ... much longer to maintain. (Crowd: That's right)

Jones: To lay down your burdens, I'm gonna lay down my burdens, down by the riverside, should we lay them down here ... inside of Guyana. What's the difference? No man didn't take our lives, right now, he hadn't taken it, but when they start parachuting out of the air, they'll shoot some of our innocent babies. I'm not ... I don't want to see this, Christine. They gotta shoot me to get through to some of these people. I'm not letting it take Jjara. Can you let them take Jjara? (Crowd: No-no!)

Christine: You wanna see John die?

Jones: What's that?

Christine: You mean you wanna see John, the little one, who's keep ...

Jones: I want to keep ... (crowd - loud background noises, inaudible) ... peace, peace, peace, peace, peace, peace, peace.

Unwoman: Christine, are you saying that you think he thinks more of them than other children here?

Jones: John, John ...

Unwoman: That's what you're saying ...

Jones: Do you actually, do you think I would put John's life above others? If I put John's life above others I wouldn't be standing with Jjara. I'd send John out, he could go out on the driveway tonight.

Christine: ... he's young ... they're young.

Jones: I know, but he's no different to me than any of these children here. He's just one of my children. I don't prefer one above another. I don't prefer him above Jjara. I can't do that. I can't separate myself from your actions or his actions.

Unwoman: No way.

Jones: If you'd done something wrong, I'd stand with you. If they wanted to come and get you they'd have to take me.

Unman: Well, we're all ready to go. If you tell us we have to give our lives now, we're ready. I'm pretty sure all the rest of sisters and brothers are with me.

Jones: For months I've tried to keep this thing from happening but I now see it's the will ... it's the will of Sovereign Being that this happened to us. That we lay down our lives in protest against what's been done. That we lay down our lives to protest in what's being done. The criminality of people, the cruelty of people. Who walked out of here today? Did you notice who walked out? Mostly white people, mostly white people walked. I'm so grateful for the ones that didn't, those who knew who they are.

There's, there's no point, there's no point to this. We are born before our time. They won't accept us. And I don't think we should sit here and take any more time for our children to be endangered, for if they come after our children and we give them our children, then our children will suffer forever.

Christine: ... different right here.

Jones: I have no quarrel with you coming up, I like you. I personally like you very much.

Christine: People get hostile when you try to ...

Jones: Oh well, some people do. But then .. some people do. Put it that way. I'm not hostile. You had to be honest and you stayed. If you'd have wanted to run, you'd have had to run with them because anybody coulda run today, they would have wanted to. I know you're not a runner and your life is precious to me. It's as precious as John's. And I don't ... what I do, I do with weight and justice and judgment. I've weighed it against all evidence.

Christine: And that's all I've got to say.

Jones: And what comes, folks, what comes now?

Unman (in background): Everybody ... hold it! Sit down right here ... (loud background noises, agitated)... Stay seated ...

Jones (incoherent sounds): Say peace, say peace, say peace, say peace ... what comes, don't let .. take Dwyer on down to the middle(?) of the east house. Take Dwyer on down ...

Unwoman: Everybody be quiet, please.

Unman: ... show you got some respect for our lives.

Unman: Let me sit down, sit down, sit down.

Jones: I know ... Mmmmm-mmmmm-mmm. I tried so very, very hard. I've been trying over here to see what can, what can happen (inaudible) who is it ... (unintelligible voices) ... Get Dwyer out of here before something happens to him ... (pause) ... Dwyer.

Unman: Jjara?

Jones: I'm not talking about Jjara, I said Dwyer. Ain't nobody gonna take Jjara, I'm not letting 'em take Jjara ... (pause) ... Gather in, folks, it's easy, its easy. Yes, my love ... (pause) ...

Unwoman: At one time I felt just like Christine felt. But after today I don't feel anything because the biggest majority of the people that left here were white and I know it really hurt my heart because ...

Jones: Broke your heart, didn't it?

Unwoman: It broke my heart to think that all of these years that the white people have been with us and they're not a part of us. So we might as well end it now because I don't see ...

Unman: Quit talking the Congressman has been murdered ...
(pause, Singing and music) ...

Unknown voice in background: It's all over ...

Jones: It's all over, all over ... what a legacy, what a legacy. But the Red Brigade's the only one that's ever made any sense anyway. They invaded our privacy, they came into our home, they followed us 6,000 miles away. The Red Brigade showed them justice, the Congressman's dead ... please get us some medication. It's simple, it's simple, there's no convulsions with it, it's just simple, just please get it before it's too late. The GDF will be here. I tell you get moving, get moving, get moving ...
(unintelligible words) ... (voice in background: No, no, no, no ...)

Jones: Don't be afraid to die ... (unintelligible words) ... if these people land out here, they'll torture some of our children here. They'll torture our people,

they'll torture our seniors. We cannot have this.

(crowd: right, right) ... are you gonna separate yourself from whoever shot the Congressman?

I don't know who shot him ... (crowd: no, no, no, hell no.)

Jones: Speak your piece and those had a right to go and they had a right to ... how many are dead? Oh, God almighty, God almighty ... Mmmm ? ...

Unman: Patty Parks is dead.

Jones: Patty Parks is dead?

Unwoman: ... you and the others to endure long enough in a safe place, to write about the goodness of Jim Jones ...

Jones: I don't know how in the world they're ever gonna write about us. It's just too late, it's too late. The congress is dead, the congress lays dead, many of our traitors are dead, they're all laying out there dead. Mmmm? ... (crowd: good, good) ... I didn't but, but my people did. My people did. They're my people ... (crowd: right, right) ... and they've been provoked too much ... (crowd: right, right) ... They've been provoked too much. What's happened here's been too ... it's been an act of provocation ...

Unwoman: They did it themselves ... they did it ...

Christine: If it's anyways possible to have them to give
Ted something to take him, I'm satisfied. O.K.?

Jones: What's that?

Christine: I said, if it's any way you can do, if you can have
them to give Ted something so that he won't have to
let him go, too, O.K.? And I'm satisfied.

Jones: Yes, that's fine ... Ted, yes, yes, yes ...

Christine: 'cause I said I never wanted to him to die ... and
I appreciate you for everything.

Jones: (unintelligible)

Unwoman: You are, you are the only, you're the only and I
appreciate ... (clapping in background) ...

Jones: Please, please. Can we hasten, can we hasten
with that medication. You don't know what you've
done ... (pause) ... I've tried. (clapping in
background) ... (unintelligible words) ... They saw
it happen and ran in the bush and dropped the machine
guns, I never in my life ... But there'll be more ...
(music and humming in background). You've got to move.
Are you gonna get that medication here? You've got
to move ...

Unwoman: Hurry up!

Jones: Marsha, we got 40 minutes.

Unwoman: You have to move and the people that are standing there in the aisle go stand the (unintelligible words), so everybody get behind the table and back this way, O.K.? There's nothing to worry about, so everybody keep calm and try and keep your children calm. And the oldest children can help love the little children and reassure them. They're not crying from pain. It's just a little bitter tasting but, they're not crying out of any pain. Annie McGowan, can I please see you back ...

Unman: ... have these things to do before I kill you. So let me tell you about it; it might make a lot of you feel a little more comfortable. Sit down and be quiet, please. One of the things that I used to do, I used to be a therapist. And the kind of therapy that I did had to do with reincarnation and past life situations. And every time anybody had the experience of going into a past life, I was fortunate enough to farther, to be able to let them experience it all the way through their death. so to speak. And everybody was so happy when they made that step to the other side.

Jones: When you accept it ... you can do but step that way, it's the only way to step. (sound of babies crying in the

background ... music). Be assured in that choice is not ours now. It's out of our hands.

Unman: Would you have a body that's been crippled, suddenly you have the kind of body that you want to have (babies crying in the background and voice in the background saying: calm the children ... something to give them a little rest, a little rest. Calm the children ...)

Unman: It feels good, it never felt so good, family, I tell yuh ... you've never felt so good as how that feels ... (babies screaming) ...

Jones: And I do hope that those attorneys will stay where they belong and don't come up here ... why they did?

Unman: What happened?

Jones: What is it? ... Did what? ... Hard.
It's hard, it's hard. ... only first, only at first is it hard. It's hard only at first. Living, you, you're looking at death. It only looks ... living is much, much more difficult. Raising up every morning, and not knowing what's going to be the night's bringing. It's much more difficult. It's much more difficult.

Unwoman: I just want to say something to everyone that I see that is standing around and are crying. This is nothing to cry about. This is something we should

all rejoice about. We can be happy about this. They always told us that we should cry when you're coming into this world, but when we're leaving and we're leaving it peaceful ... I tell you, you should be happy about this. I was just thinking about Jim Jones. He just has suffered and suffered and suffered. He is the only god and he don't even have a chance to enjoy his death here. (clapping and voices in background) ... I wanted to say one more thing. This is one thing I want to say. That you that've gone and there's many more here. He's still -- the way, that's not all of us, that's not all yet. There's just a few that have died. A chance to get ... to the one that they could tell ... their lies to. So and I say I'm looking at so many people crying, I wish you would not cry, and just thank Father, just thank him. I tell you about ... (clapping and shouting) ... I've been here, uh, one year and nine months and I never felt better in my life. Not in San Francisco, but until I came to Jonestown. I enjoy this life. I had a beautiful life. I don't see nothing that I should be crying about. We should be happy. At least I am. Let's

all be the same ... (shouting, clapping and music in background)

Unwoman: ... Wouldn't be alive today. I'd just like to thank Dad 'cause he was the only one that stood up for me when I needed him and thank you, Dad.

Unwoman: (unintelligible words) and I'm glad you're my brothers and sisters and I'm glad to be here ... O.K.

Jones: Please ... for God's sake, let's get on with that we've lived ... we've lived as no other people have lived and loved. We've had as much of this world that you're gonna get. Let's just be done with it. Let's be done with the agony of it ... (clapping and shouting in the background). It's far, far harder to have to watch you every day die slowly and from the time you were a child to the time you get gray you're dying. ... dishonest and I'm sure that they'll pay for it, they'll pay for it. This is a revolutionary suicide. This is not a self-destructive suicide. So they'll pay for this. They brought this upon us and they'll pay for that. I leave that destiny to them (children crying in background) ... who wants to go with their

child has a right to go with their child. I think it's humane. I wanna go ... I want to see you go, though. They can take me and do with me whatever they want to do. I wanta see you go. I don't wanna see you go through this hell no more. No more, no more, no more. (babies crying in background) ... We're trying. If everybody will relax. The best thing you do to relax and you will have no problems. You'll have no problems with this thing if you just relax.

Unknown man: ... the children here ... a great deal because of Jim Jones. And, the way the children are, laying dead now, I'd rather see them lay like that than to see them have to die like the Jews did, which was pitiful anyhow. And I'd just like to thank Dad for giving us life and also death, and I appreciate the fact the way our children are going because, like Dad said, when they came in, what they're going to do to our children, they're going to massacre our children. And also the ones they take, captive, they're gonna just let them grow up and be dummies like they want them to be and not grow up to be Socialist like the one and only Jim Jones. So I'd like to thank Dad for the

opportunity for letting Jonestown be, not what it could be, but what Jonestown is. Thank you, Dad. (clapping).

Jones: It's not to be feared. It is not to be feared. It's a friend, it's a friend. You're sitting there. Show your love for one another ... (unintelligible words) ... let's get calm, let's get calm, let's get calm. (babies screaming in background) ... to us ... we had nothing we could do, we can't, we can't separate ourselves from our own people. (pause, children crying in background) ... For twenty years laying in some old rotten nursing home ... (pause) ... taken us through all these anguished years. They took us and put us in chains and that's nothing. ... (stuttering) ... there's no comparison to that, to this. They've robbed us of our land, and they've taken us and driven us until we tried to find ourselves ... we tried to find a new beginning, but it's too late. You can't separate yourself from your brother and your sister. No way I'm gonna do it. I refuse. I don't know who fired the shot, I don't know who killed the Congressman. But as far as I'm concerned, I killed him. You understand what I'm

saying? I killed him. He had no business coming. I told him not to come. ... (long pause) ... die with respect, die with a degree of dignity. Lay down your life with dignity. Don't lay down with tears and agony. It's nothing to death, just like Max said. It's just stepping over into another plane. Don't, don't be this way. Stop this hysterics ... This is not the way for people who are socialistic Communists to die ... no way for us to die. We must die with some dignity ...

Unman: That's right. ... (pause) ...

Jones: ... soon we'll have no choice. Now we have some choice. You think they're gonna send, allow this to be done and allow us to get by with this ... you must be insane ... But children, it's just something to put you to rest ... Oh, God ... (babies crying in background) ... mother, mother, mother, mother, mother, please, mother, please, please, please, don't, don't do this, don't do this ... lay down your life with your child, but don't do this ...

Unwoman: ... doing all of this for you ...

Jones: Free at last (clapping) ... please, keep your emotions down, keep your emotions down ... children, it will

not hurt if you will be, if you'll be quiet, if you'll be quiet (children crying in background, humming, music) ... pause ... it's never been done before you say? It's been done by every tribe in history, every tribe facing annihilation. All the Indians in the Amazon are doing it now. They refuse to bring any babies into the world. They kill every child that comes into the world, because they don't want to live in this kind of a world. So be patient, be patient ... death is ... I tell you I don't care how many screams you hear, I don't care how many anguished cries ... death is a million times preferable to ten more days of this life. If you knew what was ahead of you, if you knew what was ahead of you, you'd be glad to be stepping over tonight. Death, death, death is common to people ... and the Eskimos, they take death in their stride. Let's, let's be dignified. If you'll quit telling them they're dying, if you adults will stop some of this nonsense ... Adults, adults, adults, I call on you to stop this nonsense. I call on you to quit exciting your children when all they're doing is going to a quiet rest. I call on you to

stop this now. If you have any respect at all ...
Are we black, proud and Socialist, or what are we?
Now stop this nonsense, don't carry this on any
more, you're exciting your children. (Crowd:
right, right.) ... All over and it's good. No,
no sorrow that it's all over. I'm glad it's over ...
Hurry, hurry my children, hurry. All I say, let's
not fall in the hands of the enemy. Hurry, my
children. Hurry ... there are seniors out here that
I'm concerned about. Hurry, I don't want to leave
my seniors to this mess. Quickly, quickly, quickly,
quickly, quickly ... sisters, good knowing
you ... no more pain now ... no more pain
I said, Al, no more pain. Jim Cobb is laying
on the airfield dead at this moment ... (cheers,
shouting and clapping) ... remember though this
Oliver woman said she, she'd come over and kill me
if her son wouldn't have stopped her. These, these
are people that are peddlers of hate. All we're doing
is laying down our life. We're not letting them take
our life. We're laying down our lives ... (background
voices) ... not taking their lives. We just want
peace.

Unman:

All I'd like to say is that my so-called parents are filled with so much hate.

(Background voice saying, "O.K., stop this stop this, stop this, children, stop this crying, all of you.") ... in countries.

I think you people out here should think about how your relatives was and be glad about, that the children are being to rest and all I can say is that I thank Dad for making me strong to stand with it all and make me ready for it.

Thank you. ...

Jones:

All that's, let me - All they're doing is taking a drink, that takes, to go to sleep ... That's what death is, sleep ... I know, but I'm tired of it all.

Unwoman:

... loving thing we could have ever done, the most loving thing all of us could have done and it's been a pleasure walking with all of you in this revolutionary struggle. No other way I would rather go than to give my life for Socialism, Communism and I thank Dad very, very much.

Unwoman:

That, that Dad's love and mercy, goodness and kindness and bring us to this land of freedom,

his love, his mother was the advanced, the advanced guide to Socialism and his love, his mercy will go on forever, unto the ... (unintelligible word) ...

Jones: (unintelligible words) ... Where's the vat, the vat, the vat? Where's the vat with the green C thing? CN.

Unwoman: Love is to go on (unintelligible words) ... and thank you, Dad.

Jones: The vat, with the green CN please. Bring it here so the adults can begin ... beg you, don't, don't, fail to follow my advice, you'll be sorry ... you'll be sorry ... (unintelligible word) ... that we'll do it than that they do it ... (voices in the background saying, that's right, that's right) ... Must trust, you have to step across ... We used to sing: "this world, this world's not our home." Well, it sure isn't. ... We were saying, it sure wasn't ... Really doesn't want, you're telling me. All he's doing is what we'll tell him. Assure these ... Can some people assure these children of the relaxation of stepping over to the next plane? That'd set an

example for others. You set 1,000 people who say,
"We don't like the way the world is ..." (Crowd:
That's right, that's right) ... (unintelligible
words) ... take our life from us, we laid it down,
we got tired. We didn't commit suicide. We
committed an act of revolutionary suicide protesting
the conditions of an inhumane world." ... (end of
Jones talk, music playing, and then silence).

1/3/79

Attached news service story indicates that Michael Prokes, one of the survivors of the Jonestown incident, was successful in returning to the United States from Guyana unknown to United States authorities. (u)

Prokes did, in fact, reenter the United States unknown to the FBI. The United States Embassy at Georgetown, Guyana, was officially closed from Friday evening, 12/22/78 through Tuesday, 12/26/78. Embassy officials had previously placed stops against the names of all survivors including Prokes with the Pan American Airlines Reservation Office in Georgetown. Prokes, however, did not make a reservation with Pan American, however, instead elected to go directly to the airport on Sunday, 12/24/78, purchased a ticket with cash, and boarded Pan American Flight 228 to New York City. State Department had previously elected to return the passports of all survivors rendering the opinion that these passports could not rightfully be withheld. The return of Prokes' passport allowed him merely to purchase an airline ticket and fly to the United States unnoticed.

By way of further explanation the State Department advised that in their opinion Pan American Airlines "Obviously slipped up in enforcing its own dictum that survivors be accompanied by sky marshals."

As a result of above Christmas holiday official closings and air traffic congestion, the FBI was not notified of Prokes' departure from Guyana to the United States. (u)

State Department has advised that they have additionally placed stops directly at the airport with Pan American Airlines as well as the Reservation Office to insure that a similar occurrence is unlikely in the future.

Prokes contacted the San Francisco Division on 12/26/78 and stated that he would be available for interview on 12/27/78 after talking to a lawyer. On 12/27/78 based on advice of counsel, Prokes declined to be interviewed and was served with a subpoena to appear before the Federal Grand Jury, San Francisco on 1/17/79. (u)

 INFORMATION CONCERNING

In connection with the Federal Bureau of Investigation's (FBI) investigation into the assassination of United States Congressman Leo J. Ryan at Port Kaituma, Guyana, numerous People's Temple (PT) documents in Jonestown, Guyana, were seized and are being reviewed by Special Agents of the FBI. (u)

A three-page hand written report by Paula Adams, dated July 14, 1978, concerning "Mann" was located, and the following is quote from page two, last paragraph and page three, first paragraph:

"PS

(4) He (Lawrence Mann) is trying to rent his house on a 10 year contract to the U.S.A.I.D. for \$1500/month with a kickback to the guy at A.I.D. for renting it of \$300/mo.

"So if A.I.D. takes the contract, the guy who contracts houses for AID will be pocketing \$300/mo for 10 years. Be careful how this is used. He is still tight (with) the P.M. and only 2 other people besides me knows about it - both of them are involved in the deal."

Paula Adams is identified as trusted member of PT residing in Georgetown, Guyana, and known mistress of Guyana Ambassador to the United States, Lawrence Mann. AID employee not further identified. (u)

WASHINGTON HAS SUGGESTED, FOR EXAMPLE, THAT A LIASON PERSON FROM WASHINGTON (PRESUMABLY FROM JUSTICE) BE SENT TO CONSULT WITH PROSECUTION BEFORE LAYTON PRELIMINARY INQUIRY BEGINS OCTOBER 29 AND GUYANESE HAVE CONCURRED. WE WOULD THEREFORE PREFER THAT JUSTICE REQUESTS BE TRANSMITTED TO US THROUGH STATE TO INSURE THAT BOTH ARE FULLY INFORMED.

WILL INSURE THAT OUR TRAFFIC ON THIS SUBJECT IS REPEATED TO YOU TO KEEP YOU UP TO DATE AS WELL. (W)

USE OF FORM 0-73

1. Only incoming teletype messages which require transmission relay may be prepared for transmission using form 0-73. Use of form 0-73 is restricted to incoming teletype messages received within the last 3 days which require transmission relay; all other teletype messages must be prepared using form 0-93.
2. Additions such as notes and administrative data for a specific addressee are not allowed. If a note or administrative data is required for a particular addressee a separate 0-73 form must be prepared.
3. The message will be transmitted just as it appears. The person approving the message is solely responsible for assuring all necessary editing changes have been made.

12 OCT 79 03 30
FEDERAL BUREAU OF INVESTIGATION
COMMUNICATIONS SECTION

PREPARATION OF FORM WHICH CONSISTS OF A PREPRINTED YELLOW.

1. Complete appropriate boxes: date, classification & precedence.
2. List addresses immediately following the "TO" or place a check mark in the appropriate boxes.
3. Type or PRINT the subject in the space provided.
4. Print or type originator's name, room number and telephone extension.
5. Indicate approval for transmission by initialing the "Approved By" box.

PREPARATION OF MESSAGE TO BE TRANSMITTED

1. Xerox 1 copy of incoming teletype message. A notation shall be made on the original incoming teletype "1 copy made for relay to SACS _____, (OR LEGATS) _____, (OR GOVERNMENT AGENCIES) _____."
2. Minor editing changes shall be made on the xerox as follows: using a lead pencil ONLY draw single line through the first and last lines of the heading and connect these lines from top right to bottom left forming a "Z," figure. (DO NOT OBLITERATE THE HEADING.) Use horizontal lines to delete sentences or words. Printed changes of a word or two to the text of the message may be made; however, changes to the existing text involving more than a word or two necessitate the originator to initiate a new message using form 0-93.
3. Administrative data or notes may be typed immediately following the text and will be transmitted to all addressees.
4. When using the 0-73 form to disseminate information to field offices, Legal Attaches and other Government agencies simultaneously, the text, notes and administrative data must be identical for all addressees.

I LARRY LAYTON TAKE FULL RESPONSIBILITY FOR ALL THE DEATHS AND INJURIES THAT TOOK PLACE AT THE PORT KAITUMA AIRSTRIP. I HAD BEGGED THE BISHOP JIM JONES THAT I BE ALLOWED TO BRING DOWN THE PLANE BUT HE DISAPPROVED, MY REASON FOR SUPPORTING THIS WAS BECAUSE I FELT THAT THOSE PEOPLE WERE WORKING IN CONJUNCTION WITH C. USE OF FORM 0-73

- 2.3 OCT 79 22 14
1. Only incoming teletype messages which require transmission relay may be prepared for transmission using form 0-73. Use of form 0-73 is restricted to incoming teletype messages received within the last 3 days which require transmission relay; all other teletype messages must be prepared using form 0-93.
 2. Additions such as notes and administrative data for a specific addressee are not allowed. If a note or administrative data is required for a particular addressee a separate 0-73 form must be prepared.
 3. The message will be transmitted just as it appears. The person approving the message is solely responsible for assuring all necessary editing changes have been made.

PREPARATION OF FORM WHICH CONSISTS OF A PREPRINTED YELLOW.

1. Complete appropriate boxes: date, classification & precedence.
2. List addresses immediately following the "TO" or place a check mark in the appropriate boxes.
3. Type or PRINT the subject in the space provided.
4. Print or type originator's name, room number and telephone extension.
5. Indicate approval for transmission by initialing the "Approved By" box.

PREPARATION OF MESSAGE TO BE TRANSMITTED

1. Xerox 1 copy of incoming teletype message. A notation shall be made on the original incoming teletype "1 copy made for relay to SACS _____, (OR LEGATS) _____, (OR GOVERNMENT AGENCIES) _____."
2. Minor editing changes shall be made on the xerox as follows: using a lead pencil ONLY draw single line through the first and last lines of the heading and connect these lines from top right to bottom left forming a "Z," figure. (DO NOT OBLITERATE THE HEADING.) Use horizontal lines to delete sentences or words. Printed changes of a word or two to the text of the message may be made; however, changes to the existing text involving more than a word or two necessitate the originator to initiate a new message using form 0-93.
3. Administrative data or notes may be typed immediately following the text and will be transmitted to all addressees.
4. When using the 0-73 form to disseminate information to field offices, Legal Attaches and other Government agencies simultaneously, the text, notes and administrative data must be identical for all addressees.
