Dear Sir:

This is a request under the Freedom of Information Act as amended (5 U.S.C. §552).

I write to request a copy of all files your agency indexed or maintained under my name and all documents returnable by a search for documents containing my name. To assist you in your search, I have indicated my social security number, date of birth, place of birth, dates of service and my number while in the service below my signature.

As you know, the amended Act provides that if some parts of a file are exempt from release, that "reasonably segregable" portions shall be provided. I therefore request that, if you determine that some portions of the requested information are exempt, you provide me immediately with a copy of the remainder of the file. I, of course, reserve my right to appeal any such decisions.

If you determine that some or all of the requested information is exempt from release, I would appreciate your advising me as to which exemption(s) you believe covers the information which you are not releasing.

ENCLOSURE

If you determine that any such information requested has been transmitted to another agency or department, please indicate the date of transmittal, the agency transmitted to, and the contents of the material transmitted.

I am prepared to pay costs specified in your regulations for locating the requested files and reproducing them. As you know, the amended Act permits you to reduce or waive the fees if that "is in the public interest because furnishing the information can be considered as primarily benefiting the public." I believe that this request plainly fits that category and ask you to waive any fees.

If you have any questions regarding this request, please telephone me at the number listed on the letterhead of the first page.

As provided for in the amended Act, I will expect to receive a reply within 10 working days.

Sincerely,

Rev James W Jones

I am telling the truth, willing to take a lie detector test concerning all statements made. Most of my fellowmen travel in cars from various states to see & be with him for days at the time.

MEDICAL CONDITION: 1. VERNON D. GOSNEY - RECEIVED EXTENSIVE GUNSHOT WOUNDS AND CANNOT BE INTERVIEWED AT THIS TIME; 2. ANTHONY KATSARIS - TO BE INTERVIEWED PM, NOVEMBER 20, 1978, PENDING MEDICAL APPROVAL. RECEIVED GUNSHOT WOUNDS TO CHEST; 3. MRS. BEVERLY OLIVER - RECEIVED GUNSHOT WOUNDS TO THE FEET, HAS BEEN INTERVIEWED AND EXTENSIVE STATEMENT FURNISHED; 4. HOWARD OLIVER - SUFFERED A STROKE. WAS NOT PRESENT AT THE ATTACK AND CANNOT BE INTERVIEWED AT THIS TIME; 5. STEVEN KATSARIS - UNINJURED. NOT PRESENT AT THE ATTACK BUT IN GUYANA [redacted]. (4) b6 b7C

THE FOLLOWING IS A SHORT NARRATIVE AS FURNISHED BY PERSONS INTERVIEWED TO THIS POINT: ON NOVEMBER 14, 1978, CONGRESSMAN RYAN, WHO WAS ACCOMPANIED BY STAFF MEMBERS, NEWS PERSONS, AND A GROUP OF "CONCERNED RELATIVES" TRAVELED TO GEORGETOWN, GUYANA. AFTER NEGOTIATIONS BETWEEN JIM JONES' ATTORNEYS MARK LANE AND CHARLES GARY AND RYAN'S GROUP, A PORTION OF THE GROUP ACCOMPANIED RYAN ON A VISIT TO JONESTOWN, GUYANA ON FRIDAY, NOVEMBER 17, 1978. (4)

THIS GROUP OF APPROXIMATELY SIXTEEN PEOPLE VISITED THE JONESTOWN CAMP FOR A SHORT PERIOD FRIDAY EVENING, DEPARTING AT (4)

APPROXIMATELY MIDNIGHT. THEY STAYED IN A GUESTHOUSE LOCATED AT PORT KAITUMA. CONGRESSMAN RYAN AND THE ATTORNEYS LANE AND GARY SPENT THE NIGHT AT JONESTOWN CAMP. (24)

OTHER MEMBERS OF THE VISITING GROUP RETURNED TO JONESTOWN FROM PORT KAITUMA SATURDAY MORNING, AT APPROXIMATELY 10 AM. TWO OR THREE HOURS LATER THE ENTIRE GROUP, INCLUDING RYAN, THE NEWSMEN, AND MEMBERS OF THE "CONCERNED RELATIVES" WERE TOLD BY JONES THAT THEY HAD TO LEAVE. THIS PARTY NUMBERED APPROXIMATELY SIXTEEN. ALSO ACCOMPANYING THIS PARTY WERE APPROXIMATELY SIXTEEN OF JONES' FOLLOWERS WHO DECIDED TO "DEFECT" AND RETURN TO THE UNITED STATES WITH THE RYAN PARTY. THEY WERE ACCOMPANIED ON A TRUCK FROM THE JONESTOWN CAMP TO THE AIR STRIP BY THREE OF JONES' FOLLOWERS. (4)

EN ROUTE FROM THE CAMP TO THE AIR STRIP, ONE OF THE "DEFECTOR", DALE PARKES, WHO WAS LEAVING JONESTOWN PERMANENTLY AND ACCOMPANIED BY HIS ENTIRE FAMILY, SECRETLY WARNED MEMBERS OF THE VISITING PARTY THAT ONE OF JONES' FOLLOWERS, LARRY LAYTON, WHO INDICATED THAT HE WANTED TO LEAVE JONESTOWN (DEFECT) AND RETURN TO THE UNITED STATES, SHOULD NOT BE BELIEVED AND WAS NOT ACTING IN (4)

GOOD FAITH. PARKES WARNED THAT LAYTON SHOULD BE SEARCHED FOR A WEAPON INSOMUCH AS HE WAS A CLOSE ASSOCIATE AND FANATIC CONFIDENT OF JIM JONES AND HE, PARKER, DID NOT BELIEVE THAT LAYTON WAS ACTUALLY DEFECTING. (U)

ON ARRIVING AT THE AIR STRIP AT APPROXIMATELY 1 PM, AND WHILE WAITING FOR THE AIRCRAFT TO ARRIVE, A TRACTOR ARRIVED UNEXPECTEDLY BEARING APPROXIMATELY FOUR MEMBERS OF JONES' FOLLOWERS WHO APPARENTLY COMMITTED THE ATTACK. (U)

ONE WITNESS, MRS. BEVERLY OLIVER, WAS INTERVIEWED AND IDENTIFIED RONNIE JAMES, KNOWN TO HER FOR SEVERAL YEARS AS BEING ON THE TRACTOR CONTAINING THE ATTACKERS. SHE ALSO IDENTIFIED JIM WILSON, WHO ACCOMPANIED THE VISITORS ON THE TRUCK AS BEING VERY NERVOUS, UPSET, AND ANGRY AT THE VISITORS. WITNESS HAS KNOWN BOTH OF THESE INDIVIDUALS FOR A NUMBER OF YEARS AS THEY WERE ASSOCIATED WITH THE SAN FRANCISCO PEOPLE'S TEMPLE. (U)

MRS. OLIVER ENTERED THE AIRPLANE, HEARD SHOOTING OUTSIDE, AND LAID DOWN ON THE REAR SEAT OF THE SMALL AIRCRAFT. SHE FELT PAIN AND KNEW THAT SHE HAD BEEN SHOT IN THE FEET. SHE OBSERVED THE MOTHER OF DALE PARKER, WHO WAS SITTING IN FRONT OF HER TO HAVE BEEN SHOT IN THE HEAD AND APPARENTLY KILLED. (U)

MRS. OLIVER ADVISED SHOOTING LASTED FIVE TO TEN MINUTES AND AFTER IT STOPPED, SHE AND OTHER INDIVIDUALS LEFT THE PLANE AND SAW CONGRESSMAN RYAN AND THE NEWSMEN WHO WERE LAYING UNDERNEATH THE PLANE DEAD AT THIS TIME. SHE AND OTHERS ATTEMPTED TO COMFORT THOSE THAT HAD BEEN WOUNDED. (U)

FEAR OF ADDITIONAL ATTEMPTS PROMPTED THE SURVIVORS TO HIDE IN THE BUSHES OVERNIGHT UNTIL GOVERNMENT AUTHORITIES ARRIVED TO PROTECT THEM. SET FORTH BELOW IS A LIST OF PERSONS IDENTIFIED WHOSE STATEMENTS WILL CONTRIBUTE SUBSTANTIALLY TO THIS INVESTIGATION: (U)

1. DALE PARKER AND ALL SURVIVING MEMBERS OF HIS FAMILY WHO DEPARTED WITH HIM. PARKER WAS EITHER TRANSPORTED TO WASHINGTON, D. C., OR SAN FRANCISCO. NO ADDRESSES AVAILABLE. PARKER CAN PROVIDE IDENTITIES OF ALL PERSONS INVOLVED IN THE ATTACK AS HE WAS A RESIDENT OF JONESTOWN; 2. JIM COBB, MEMBER OF "CONCERNED RELATIVES" WHO CAN IDENTIFY SUBJECTS INVOLVED AS HE WITNESSED ATTACK. COBB AND ADDITIONAL PERSONS ARRIVING AT SAN FRANCISCO 5:30 PM THIS DATE AND WILL BE AT THE BELOW-LISTED CENTER;
3. AL MILLS, ALSO KNOWN AS AL MYRTLE, CURRENTLY LOCATED AT HUMAN FREEDOM CENTER, 3028 REGENT STREET, BERKLEY, CALIFORNIA,

In connection with captioned matter, newspaper clippings were submitted by numerous field offices. These newspaper accounts were reviewed at FBIHQ and catagorized according to the major theme of the article. The newspaper accounts were then arranged according to subject matter and placed in a file jacket. (U)

As a result of that above, there exists nine (9) separate volumes of newspaper accounts which have been broken down as indicated in the attached table of contents. Due to the importance of captioned matter and the historical significance, the nine (9) volumes of newspaper accounts should be made a permament part of the FBIHQ file. (U)

A COMMUNITY LETTER

To: John Van de Kamp
District Attorney
Los Angeles County
210 W. Temple Street
Los Angeles, CA USA 90001

From: Residents at Peoples Temple Agricultural Mission Community, North West Region, Guyana, South America

Dear Mr. Van de Kamp:

As we learn more about the schemes to 'get Peoples Temple' through criminal indictments our of your office, we are increasingly outraged. But we are not naive.

For twenty-five years, Jim Jones and Peoples Temple have worked tirelessly for equality, justice, and humanitarian service. We have organized around issues of civil and human rights, inhuman conditions, and the crying need for world peace and international co-operation. We have a solid record of achievement in drug rehabilitation, in providing opportunities for jobs and education for thousands of young people, in helping untold numbers of people who were destitute, despondent, in need of medical help, counseling, food, clothing, and even shelter. We are all personal witnesses to this staggering achievement, which has been given official recognition all over the United States and even internationally. You can well understand how a man like Rev. Jones will be the subject of malicious gossip, lies, hate-campaigns, and even conspiracies orchestrated inside government institutions and the intelligence establishment. We have been the object of constant, organized harassment, vandalism, violence, smear campaigns, arsonists, racists, and even hired assassins.

89-4286-816

ENCLOSURE

Political frame-ups are not unfamiliar to us, and truthfully, we are not surprised that there is an effort to destroy us through the courts. But the reality of it is no less offensive, just because it was anticipated, even expected. We cannot stand idly by and stoically endure this injustice without protest. In fact, Peoples Temple has earned its unpopularity with certain elements in the United States precisely because it has actively fought against injustice for so many years. We do remember history, and we prefer not to repeat it. These efforts that have been mounted against us are indeed part of a shameful heritage of subterfuge that has claimed many victims over the years: individuals and organizations that were pursuing progressive directions in American life, seeking to bring together oppressed people, overcome racism, and work for economic and social justice.

You have been informed that there is an effort to destroy Peoples Temple. Though we have not 'cracked' this conspiracy completely, we are certain of enough facts to arouse any just-minded individuals, and those who wish the democratic system in the United States to survive would surely be alarmed. Some of these facts have been presented to the press; the mass media, however, has been distinguished by its refusal to print any reports that would point to what is really happening. An exception to this is the black press (and some 'Eastern establishment' press) which has been completely supportive of us throughout, since they recognize that attacks on Peoples Temple are attacks on the black community. We refer you to statements made by Dr. Carlton Goodlett, president of the National Newspaper Publishers Association (black press of America), for further clarification.

Additional facts will be brought to light soon. The story began years ago when certain individuals joined Peoples Temple who had prior experience working with the U.S. intelligence establishment and in ultra-right wing organizations. The hard facts came to light beginning in late 1976 when two military officers connected with Senator Stennis were caught trespassing near our church while a black woman mayor from Mississippi was speaking to our congregation about her trip to the Peoples Republic of China (we have no political alignment with any country, and have

always attempted to keep informed about alternative forms of government and their accomplishments). The very fact that we pursued these agents and published our startling findings about their spying mission no doubt intensified the determination of those out to harm us. Would it have been proper, or moral, to remain silent about it? We think not. Democracy depends upon the people knowing what is happening to them. What happens to Peoples Temple is only an example, in some instances, a harbinger, of what is planned for other minority groups.

We are confident that when you have the full picture of how the current group of people who are specifically organized to harass and persecute Peoples Temple have operated over the past year and a half, first secretly meeting to plot how to push smear and slander articles in the sensationalist press (they even hired a prominent, expensive public relations firm to help), then conspired to pressure and recruit people who would join them in lies and subterfuges, then going further to harm innocent people using government officials, and even threatening to hire mercenaries, you would not allow your office to be used and compromised to further their schemes.

Only a few of the devices that have been used in the attempts to destroy us include the following:

--Government agents who have conspired directly with members of Mr. Stoen's group of 'concerned relatives' that has pushed this campaign, have offered bribes and have attempted to blackmail various people to lie about and denounce Jim Jones and Peoples Temple. American Indian Movement leader Dennis Banks was pressured to do this and was offered help with his own serious legal difficulties as an enticement.

--We have documented efforts to cut off pensions and other payments to elderly members of Peoples Temple residing in Guyana. Checks have been re-routed -- hundreds of them -- with the active complicity of the U.S. Post Office Department.

--Our mail and other communications have been monitored and regularly sabotaged. One large batch of mail, including important legal documents, was doused with a wine-smelling substance. There have been many similar instances.

shipments of vital medical and food supplies have been interfered with by U.S. Customs agents. Some have never been delivered.

--The same group of people who are trying to pressure your office into moving against us has also engineered a series of legal maneuvers to force their children to return to the U.S. As you know, the most notorious case involved Jim Jones' own son, whom Mr. Stoen fraudulently claims to be his. Stoen, not surprisingly, is leading the current vendetta.

--News articles, letters, and other communications designed to cast aspersions on our organization and sow confusion have been planted in various publications on the 'left' and circulated everywhere in Guyana in the modus operandi COINTELPRO has used against various progressive and civil rights groups in the United States.

--Other 'dirty tricks' have included making phone calls of an harassing nature, impersonating members of Peoples Temple -- some to your own office -- to create hostility against Peoples Temple. Accusations and innuendoes have been made to the effect that we have been guilty of various 'crimes' when it is in fact our accusers who are the guilty parties. In one notable situation, we were cleared by the Los Angeles Coroner after those participating in the attempts to destroy us tried to insinuate that Peoples Temple was involved in foul play concerning the suicide of a young man who was not even in our church. What you are now being asked to participate in is only the latest in a series of trumped-up, fraudulent devices.

The people in the group of 'concerned relatives' formed by Mr. Stoen are only the front line of a conspiracy. They have spent tens of thousands of dollars to pursue their schemes. We are currently investigating the source of their funding. They have brazenly masqueraded as pious, outraged, morally-offended people who are seeking honest redress of grievances. But what lies behind the mask?

Most of the people who have decided to collaborate in these maneuvers (some, evidently, after much pressure), are operating out of personal resentments against Peoples Temple and Jim Jones. They did not want to follow the path of human service except on a very superficial level. While they fancied themselves humanitarians, they were only posturing. Eventually, they could not go on in the contradiction, yet they could not leave goodness alone. They became eager to destroy Jim Jones, who represented to them the kind of human commitment that they were incapable of -- and didn't want to

face that in themselves. This is a familiar syndrome, and made many of these people susceptible to being used by others who were interested in destroying Peoples Temple for many years -- people with strong right-wing, reactionary impulses, who could not stand to see people of all races and backgrounds co-operating and pursuing their fair share of rights and opportunities in life. Another group of individuals, not part of Peoples Temple, were furious that their (grown) relatives chose to spend their lives in service to humanitarian goals and ideals rather than to fulfilling others' expectations of them. They, too, have a personal grudge against Jim Jones and Peoples Temple, and have joined the efforts to harm us. (For example, we have proof being held for court in the form of sworn statements, from a prestigious California businessman and church leader -- not in our church -- that Mr. Stoen freely admitted to him that his efforts against Peoples Temple are in fact a personal vendetta.)

The entire scenario is not unfamiliar to veterans of civil rights struggles and the McCarthy Period. Thousands of people all over California and the nation -- progressive leaders, civil rights and community activists, government officials, private citizens, people who have worked with Jim Jones and Peoples Temple are aware of the fact that we are just another target in a long history of what amounts to a form of treason against ordinary people who are trying to secure a decent life for themselves. We are unusual, perhaps, because we are actively demonstrating a successful alternative for people oppressed by racism, and we sense a deep responsibility to keep alive the hope and opportunity we express for others.

Our work, by the way, has been thoroughly investigated by Guyana, and they have found nothing to change their total, enthusiastic support of Peoples Temple -- in fact, it has become even stronger over the past months. As a third world nation, Guyana obviously cannot afford to place itself in an antagonistic relationship with the United States, asd we know for a fact they would not back our presence here as resolutely as they have were there anything about Peoples Temple that would be an embarassment to them

or would cause difficulty for them.

The growing body of individuals who we have just alluded to are, with us, infuriated and outraged and profoundly disturbed by what is happening. We are determined to expose the conspiracy against Peoples Temple. We ask that you not co-operate with it.

Mr. Van de Kamp, you may be interested to know that the majority of us signing this letter come from the Los Angeles area. Many of us were not able to get out of the street- and gang- cultures and dead-end lives that we were involved in, until we were at a remove from that self-destructive environment. Many of us would still be on the swollen welfare rolls in Los Angeles if we did not have this community. Among us there are people who would have been dead, in prison, in street gangs, in organized crime, involved in drugs, prostitution; who would today be swelling the welfare rolls, who would be a drain on an already overburdened economy, who would have been abandoned in their later years in squalid hotel rooms, who would have been victimized by rapists, thieves, and muggers -- had it not been for Peoples Temple and Jim Jones. Many of us were caught in that vicious cycle of poverty, crime, and despair. We want you to know just exactly who it is that your office is being pressured to proceed against: people who have had very little, if anything, of their own; lousy neighborhoods to live in, terrible educational facilities, unsafe working conditions (if jobs were available); people who have had to work hard for just a little bit of hope for a future for their children. And many of us here are children of broken homes, and some of us have even been sold into human slavery, right here in the twentieth century, in the United States. Today, thanks to our people's collective and our community organizations, built on care and concern for people, as exemplified by a most principled and self-sacrificing leader of men, we have been able to achieve a measure of security and well-being that we never before have had, and which we are determined will not be taken away from us. We are of one accord that should this kind of frame-up be pursued through your office, we would be ready to return to Los Angeles to actively join protest actions (and we suppose that the Welfare Department would, in that

event, be aware of our presence).

Mr. Van de Kamp, we have painstakingly built this community, this movement, and it has not been easy. We have gone through all kinds of harassments, our buildings have been burned, our animals killed, our children's lives threatened. We have carved out of the virgin jungles here a model of human co-operation and love, where people who were once at each others' throats in an environment that fostered violence and gave people no creative outlet for their lives, are now working together peacably, building a solid, secure future for their children. Do you think that, having come so far and having made so many sacrifices, we are going to sit idly by and allow a sleazy, politically-motivated frame-up carried out by individuals on a personal vendetta, take all or even part of what we have worked for away from us?

(4)

Yet this is precisely what is intended by the group of people who are trying to use your office to hand down indictments against members of Peoples Temple. There is a sinister dimension to all of this that we think you may grasp. The efforts to frame up a few of our staff members in Los Angeles is actually a device to tie up our finances, to paralyze our church, and effectively cut off the pioneer community here in Guyana from vital assistance. This is no mere attempt to proceed against one or two or a few people who are accused of 'crimes' they have never committed or whould have ever conceived of committing: it is a move against an entire people, Mr. Van de Kamp, an act of violence and violation of the human and inalienable rights of all of us, a despicable attack on our work, our hopes, our achievements, our lives, our future.

It is significant that a person high up in government, in the U. S. Department of State, as well as another top official in the FCC, are fully prepared to state that we are victims of conspiracy. They will be subpoenaed for testimony if necessary. Our work on behalf of the poor and underprivileged -- especially the building of this interracial co-operative community -- has been praised widely by high government officials and many prominent visitors to the project from Guyana, the United States, and other nations. One recent visitor, author-investigator Donald Freed (Executive Action, The Killing of RFK, Glass House Tapes)

said that Jonestown was "the greatest, most compassionate community he has ever seen, a community that Dr. Martin Luther King, had he lived, would have recognized as the next step toward the realization of his dream of human brotherhood." When you contrast such statements -- and there have been many of them -- with the despicable slanders that have been printed about us in the sensationalist press, it is obvious who is telling the truth and who is lying.

Mr. Donald Freed, incidentally, is an expert in the exposing of government conspiracies, along with author-attorney Mark Lane (Rush to Judgement); both are convinced that Peoples Temple is the victim of a vast conspiracy that is now trying to operate right out of your office. Mr. Freed -- who spent a week in Jonestown very recently -- is prepared to offer testimony and is engaged with Mark Lane in a special investigation of what is going on. We now have a publisher who has offered to go ahead with a book in preparation on this conspiracy. It will help illustrate graphically how first the press, then government agencies, are used (and indeed, prostituted) in well-orchestrated, well-financed campaigns to destroy progressive groups and church leaders in the United States. Our story -- and it is an explosive one -- will be told to an international audience which is deeply interested in how a poor peoples organization like Peoples Temple, and a principled, humanitarian leader like Jim Jones, are made the victim of subversion and government frame-ups, and violations of human rights. We have not brought the Los Angeles District Attorney's office into the story yet, because, despite what we have heard, we are not prepared to believe that you are or would become a party to these efforts. However, we are quite serious and deeply committed to our cause, and are certainly prepared -- and capable -- (and indeed, anxious) to go to the limit to make the public fully aware of what is happening. And we now have every reason to believe that the public -- both in the U.S. and in many other nations -- is most interested to know the anatomy of this sort of high treason against innocent people that is allowed to take place, and is given every sanction, within institutions of a supposedly free society.

Again, we intend to publicize our story to the world, and we are already assured that it will be written about and widely spoken of by many around the United States and in many nations of the world who have taken a profound interest in what Peoples Temple is doing for international co-operation in Guyana in setting up a model, multiracial community, and in what is happening to wipe out perhaps the most successful and active peoples organization in the United States.

Our only and basic desire is to be left in peace. However, if this political frame-up is seriously pursued, we will be accepting support from all groups in the Los Angeles area as well as all over California and elsewhere who have offered to protest on a broad front in our defense. Many have recognized the campaigns against Peoples Temple as an attack on all poor and oppressed people (urban blacks in particular, who make up the majority of those of us signing this letter), and all people who are trying to work for social and economic justice in America. It will be considered a serious matter for your office to try to make a civil rights church that has been in the forefront for racial justice for twenty five years look like it preys upon elderly blacks by dignifying this cruel plot. Many of us know the couple concerned in the case that is being prepared, and were present when their property was discussed. The fact of the matter is that there was no coercion or any sort of 'deal' made: indeed, the position taken by Rev. Jones on the only occasion he referred to the matter was that Peoples Temple <u>did not want the property in question</u>. Many of us were present and can testify in support of this. The plot being hatched is a tangle of lies.

Make no mistake about our resolve. We are pledged to defend our integrity, our community, and the justice of our cause. We are not afraid, and have been through battles before. We are an embattled people, with a heritage of struggle. We have no antagonism towards you at all -- we have no reason to believe that you are not a highly principled person. But we want to make it clear that we have been pushed to the wall, that we have gone very far in this cause, which for us is identified with our very

On 11/25/78, [redacted], Hospitalman III Class, U. S. Navy, Roosevelt Roads Naval Hospital (RRNH), Fajardo, Puerto Rico, turned over to SA [redacted], FBI, a tan shoulderbag containing miscellaneous personal and photographic items. Corpsman [redacted] advised that this shoulderbag arrived on the Medivac plane from Guyana that brought the survivors of the attack on Congressman RYAN. Following interview of all the persons hospitalized at RRNH, it was determined that this bag does not belong to any of these persons. It is theorized that the bag was hurriedly picked up with the surviving victims and placed on the aircraft. (U)

Photographic equipment enclosed herewith was also found in shoulderbag as well as the Sony micro cassettes. San Juan has no equipment able to play the Sony cassettes and so has no idea what they may contain.

The bag described above and its contents contain no identifying data to indicate who may be the owner of these items. Inasmuch as handouts from the Home Freedom Center are contained among these items, as well as matches from the San Francisco area, it is theorized that these items belonged to an unknown member of the Peoples Temple.

The above items are being sent directly to the Command Post at FBIHQ in order to permit appropriate processing and review of these items under the direct supervisision of HQ personnel directing this investigation.

On 11/27/78, Mike Abbell, Departmental Attorney, U. S. Department of Justice, advised that Terry Fortune, Legal Counsel, U. S. State Department, was traveling to Guyana on 11/28/78 to meet with officials of Guyana in an effort to plead the cause in allowing the FBI to enter Guyana in connection with the Rymur case. Fortune will attempt to seek approval from the government for the release of tape recordings and other documents found at Jonestown, Guyana. Fortune has indicated that if arrangements cannot be made for their release he would appreciate if the FBI could make available to him a tape recorder and he would tape-record tapes presently in possession.

b6 Per FBI

Contact with Technical Services Division (TSD) was made and arrangements were made to have Terry Fortune of the State Department come to FBIHQ on the morning of 11/28/78 and be outfitted with a tape recorder for his utilization in reproducing tapes and subsequent return to FBIHQ. Steve Killion, TSD, handled this matter personally with Fortune.

Immigration records of the GOG cross reference the name Eddie Crenshaw as being identifiable with Eddie Hollman, date of birth 4/6/55 in Indiana. The Identification Division has established that he Eddie Hollman (supra) is dead by means of comparison between inked fingerprint impressions taken at Dover, Delaware, and photocopies of fingerprint records of the Immigration authorities in Guyana. (U)

Investigative Operations in Guyana (U)

Our four Agents from FBIHQ have joined with Legat, Robert Oblesby in Georgetown, Guyana, and have met on this date with top officials of the GOG who have stated that the FBI will not be permitted to conduct any interviews in Guyana, however, will be free to examine and copy all evidence which has been obtained in this matter by authorities in Guyana. Additionally, ballistic tests will be allowed to be performed by the FBI on weapons involved in the shooting of Congressman Ryan and his party. (U)

Ambassador Burke met this date with Cabinet Minister Green. Mr. Green expressed mild displeasure with the news media accounts of FBI Agents entering Guyana in connection with this matter, especially since the information was printed in the local newspapers in Guyana. Mr. Green said the news, however, did not present a serious problem to the GOG. In this regard, State Department has advised the FBI by cable from the American Embassy, Georgetown, Guyana, to the Secretary of State, Washington, D. C., dated 12/1/78, that there is no longer any need to embargo in the United States the news of the FBI team's visit to Guyana. Any news release, however, should emphasize the technical nature of the FBI activity in Guyana. (U)

Return of Survivors of Jonestown to the United States (U)

The State Department has advised that it is most likely now that all returning survivors of Jonestown will be transported via commercial airlines to JFK Airport, New York City rather than by military airlift. In this regard ADIC Neil J. Welch, New York Division, has been advised and contingency plans regarding the processing of survivors are being developed at this time to insure that all returning survivors are thoroughly interviewed under optimum conditions.

Results of the Forensic Autopsy Performed Upon the Body of Congressman Leo J. Ryan (U)

Michael Novelli, Administrative Aide to Congressman Ryan, contacted FBIHQ Command Post 11/30/78, requesting a copy of the autopsy on behalf of the Ryan family. He was advised by Deputy Assistant Director Ingram that the autopsy report had just been made available to the FBI from the United States Department of State approximately 15 minutes prior to his phone call and the FBI would immediately contact U. S. Department of Justice and the U. S. Attorney in San Francisco and if no objections, a copy would be promptly made available to Ryan's office. Departmental Attorney Michael Abell and U. S. Attorney James Hunter contacted, voiced no objections, and one copy was made available to Attorney George R. Corey handling Ryan's estate. (U)

The Autopsy

A copy of the pathological report is maintained at FBIHQ and indicates that a forensic autopsy was performed upon the body of one Leo Ryan on 11/20/78 at Georgetown, Guyana. The autopsy report lists the date of death as 11/18/78 at Port Kaituma, Guyana, time unknown. The cause of death is listed as shock and haemorrhage following multiple gunshot injuries compounded by commanuted fracture of the skull with lacerations and hermation of the brain. An additional cause of death is listed as a perforation of both lungs with bilateral haemothrax portion.

The Agents from Guyana requested additional equipment and materials for investigative purposes. Appropriate personnel have been advised regarding the requests and will have the items available and ready to send to Guyana Monday, 12/4/78 (U)

SA Oglesby was contacted regarding an article which appeared in the Sunday, 12/3/78, edition of the Washington Post. The article specifically stated "An FBI Agent, accosted by a choke-and-robber, shot him on the spot, not fatally." SA Oglesby advised that the matter was a false story completely without basis and was apparently generated by media personnel. (U)

Action to seize the vessel by the United States Counsul, Bridgetown, may be possible under Article 18 of Counsular Treaty (3 UST 3426) if a connection between registered owner and PT can be established. This matter is being followed with State Department.

Interview of [redacted] aka [redacted]. (U)

Dallas interviewed [redacted] aka [redacted]. During the interview [redacted] advised she was a member of the PT from 1962 until 1973. During part of that time she was a member of the [redacted] [redacted] stated she had personal knowledge of hit lists which were compiled at Jim Jones' direction by PT member and inner circle elite, Jack Beam. At the time of [redacted], 50 to 75 names appeared on the list and included select United States Senators, Congressmen, State Government leaders, heads of major corporations, reporters, and other avowed enemies of the PT. [redacted] intimated she had knowledge of the identity of persons on the hit list, but declined to name them. [redacted] would not state if the President or the Vice President of the United States were included on the list. She did state that the President of the United States was not considered an important target since the President has very little control over the economic and political direction of the United States in the PT's opinion. [redacted] indicated it was a "matter of fact" that within the next 6 to 12 months after the mass suicides that elimination of persons on the hit list would be implemented by surviving PT members. [redacted] would not elaborate but stated the recent events were a part of a "larger plan" initiated by Jones and this plan would be carried out regardless of Jones' demise. [redacted] stated regular firearms training was conducted by the PT [redacted]. She identified Harold Cordell, a United States military veteran as the individual providing the training. She stated the PT systematically (U)

accrued weapons from "street sources." She intimated automatic weapons were included and stated weapons caches were maintained at various locations but would not elaborate. She stated Attorney Charles Garry assisted in acquiring firearms for the PT and that Garry was well aware of the illegal activities. [redacted] stated she had knowledge of substantial caches of money maintained by the PT and at time of her defection she knew of $8 to $10 million maintained in various banks in Australia, Switzerland, and Canada. [redacted] advised that Sandy Bradshaw, State Probation Officer in San Francisco, California, is a member of the inner circle and more than any other person knows the current plans of the PT Church in carrying out murders of those named on the hit list. She stated Terri Buford is known to be in charge of the PT files and the PT hit list. (U) b6 b7C

Susan Jones Cartnell Request for Interview. (U)

On 12/3/78 SA [redacted] advised Jim Jones' daughter Susan Jones Cartnell, a PT defector, is en route to New York from San Francisco via TWA Airlines and is scheduled to arrive in New York at approximately 7 o'clock p.m. She has requested to be interviewed by the FBI. New York will conduct interview. (U) b6 b7C

Return of Survivors of Jonestown to the United States (U)

New York advised that a total of 10 females arrived Sunday, 12/3/78 on Pan American Flight 228. There were 2 children ages 3 and 15. The remaining 8 women ranged in ages from 20 to 56 years of age. One of the women, a Mrs. [redacted], had not been in Guyana during the episodes but was a relative who had gone to Guyana to bring back the remnants of her family. While being interviewed by the FBI in New York Edith Parks, a 20-year member of the PT, stated she observed Larry Layton and others kill Ryan and other members of the Congressional party. She also identified Stanley Gieg (deceased) as the driver of the tractor at the airport assassination site. (U) b6 b7C

Originally more survivors were to be flown to New York on the Pan American flight. Apparently the Pan American pilot was expecting an armed American guard escort and refused to leave Guyana without one. (U)

State Department considered having a Guyanese policeman on the flight, however, Pan American Headquarters, New York, would not accept anything but an armed American. Therefore, the pilot ordered 18 males off the plane, they are to be quartered in Georgetown.

The State Department and DOJ are attempting to coordinate with Pan American Airlines the possibility of providing security through the use of sky marshals for the next Pan American flight which is scheduled to arrive in New York Wednesday, 12/6/78. On 12/4/78 contact with our New York Office indicates that they have had no contact with Pan American regarding security for the flight returning the survivors to New York on 12/3/78.

Mike Abbell, Departmental Attorney, advised 12/4/78 that the DOJ had not received any request from the State Department or Pan American Airlines for security guards to accompany the survivors upon their return to the United States. Mike Abbell stated he will contact the State Department regarding the use of security guards to accompany the survivors from Guyana to the United States.

Status of Persons for whom Arrest Warrants Issued. (U)

Identification Division advised as of 8:20 p.m., 12/3/78, no other identifications have been effected regarding the individuals for which warrants are outstanding. Thus, 3 of those individuals remain to be identified. They are as follows: 1. Thomas Kice, Sr., 2. Ronald DeVal James, 3. Wesley K. Briedenback. A total of 481 persons have been identified. (U)

Peoples Temple Members in California. (U)

Attorney Charles Garry advised that all members of the PT at San Francisco have refused to be interviewed by the FBI. (U)

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED DATE 10/2/92 BY 1048 DIC/MDM

At the instruction of Deputy Assistant Directo James O. Ingram, at 9:30 A.M., on 12/3/78, Supervisor [redacted] telephonically contacted Robert Olgesby, at Georgetown, Guyana, and discussed with Olgesby a newspaper article entitled "How The Press Took Over Guyana," written by Lawrence Stern and Richard Harwood, which appeared in the Sunday, December 3, 1978, edition of the Washington Post. (U)

In part, the above article dealt with incidents of criminal assaults against citizens on the streets of Georgetown, Guyana. The article stated, "Within the first 24 hours of the great press descent, several reporters had encounterd a quaint welcome on the streets of the city. These are described as 'choke-and-rob,' in which the new visitor has his arm grabbed suddenly from behind or his windpipe given a sharp blow while he is separated from his watch or wallet. Eventually the Guyanese government issued warnings to the press as part of its formal indoctrination to the country. Reporters found themselves taking cabs for half a block between their hotels and their destinations to avoid these costly encounters. One FBI agent, accosted by a choke-and robber, shot him on the spot, not fatally." (U)

SA Olgesby was questioned regarding the above newspaper account and he advised that the matter was a false rumor completely without basis which apparently was generated by the media personnel. He stated that the rumor initially came to light approximately one week ago when he, Mr. Olgesby, was the only FBI Agent in Guyana. In fact, at the time the rumor alleges the incident took place Olgesby was on a trip to Jonestown (U)

Re: RYMUR

Olgesby advised that neither he nor any of the Agents in Guyana are armed. In addition, Olgesby advised he contacted the Georgetown police authorities attempting to determine the basis for the above rumor. The result of this contact was that the Georgetown authorities were unable to identify any incident which could be considered the factual basis from which this rumor emanated. (U)

Regarding the physical security of FBI personnel currently in Georgetown, Mr. Olgesby advised that he is currently staying at the Pegasus Hotel, and that the other four Agents are residing at the home of [redacted] in Georgetown. Both the hotel and the residence have security guard personnel on a 24 hour basis. In addition, the Bureau personnel have been afforded office space in the American Consulate. [redacted] b1 Per CIA b3

As a final comment on the Washington Post article, Mr. Olgesby advised that there is indeed a certain amount of street crime in Georgetown however, he considers the Washington Post account a gross exaggeration of the situation. (U)

Memo Ingram to Mr. Moore
Re: RYMUR

At approximately 10:30 A.M., 12/3/78, SA [redacted] advised that the State Department had advised him that the pilot of Pan American Flight 228 had refused to carry the above 30 individuals unless he was provided with armed guards to accompany his flight.

Deputy Assistant Director James O. Ingram was advised of the above, as well as Mr. Michael Abbell, of the Department of Justice. Abbell contacted the Department of State and subsequently advised that the pilot had agreed to take the women and children, but refused to take the males among the group, but departed for New York with approximately 10 - 15 individuals.

Mr. Abbell advised that the details regarding providing Pan American Airlines with adequate security personnel to facilitate the transportation of the Jonestown survivors would have to be discussed with the Department of State, on Monday, 12/4/78, and a determination made as to which agency would provide the necessary security.

SA [redacted], Division Six, at the J.F.K. Command Post, was advised of the above information in order to coordinate preparation for the interviews to be conducted at New York, on 12/4/78. (U)

A review of referenced teletype indicates the presence of the names of three individuals whose names are not listed on the previous survivor lists. The individuals are as follows: (U)

1. Clifford Allen Gieg
2. Versie Lee Perkins
3. Diane Louie Rozykno

DAILY SUMMARY (U)

Investigation Conducted in Guyana. (U)

Legat Robert Oglesby telephonically advised that a 7 inch reel-to-reel tape recording containing the last hour at Jonestown has been located. This tape which purportedly was a tape recording made by the residents of Jonestown in their final hour, is in the custody of the American Embassy. The Government of Guyana (GOG) has given permission for this tape to be brought to FBIHQ, duplicated, and immediately returned to Guyana. Inasmuch as the handling of this evidence involves a sensitive relationship between the United States and Guyana and may well determine the course of future cooperation, Bureau personnel will hand carry the tape from Guyana to FBIHQ on 12/6/78. The courier will personally stay with the tape at the FBI Laboratory until duplicated and return the original personally to Guyana. (U)

Legat Oglesby advised that he is moving to a new residence during off duty hours and can been reached at telephone number 66794 (U)

REC-102 89-4286-9016

Legat Oglesby stated that it appears that the GOG may consent to allowing Bureau personnel to interview those Americans in Guyana who have elected not to return to the United States. No definite arrangements have been made regarding this issue (U)

Investigation Concerning Mark Lane and Terri Buford. (U)

22 DEC 11 1978

It is recalled that Attorney Mark Lane represents former Peoples Temple (PT) member Terri Buford who allegedly possesses documents relating to the financial structure and "hit list" of

the PT. A Subpoena Duces Tecum has been issued for Terri Buford whose whereabouts remained unknown until yesterday, 12/4/78. On 12/4/78 Terri Buford was seen entering Mark Lane's house in Memphis, Tennessee, by NBC news reporters and this event was filmed and reported on the NBC Nightly News as part of ongoing coverage of the investigation of the PT. San Francisco advised after consulting with United States Attorney (USA) William Hunter, Northern District of California, that Buford would not be served with the subpoena inasmuch as Lane has agreed to produce Terry Buford for interview by USA Hunter at an undisclosed location in San Jose, California, on 12/6/78. If Buford is uncooperative during interview, it is expected that she will be served with a subpoena at that time. FBI participated in interview. (U)

Interviews of Individuals Returning to the United States. (U)

Interviews of [redacted] and [redacted] (protect both identities per request) have resulted in substantiation of most information previously reported by returning Americans from Guyana. This information includes the names of top echelon members of the PT Planning Commission and probable existence of a hit list. These interviews determined that Terri Buford was allegedly the most dangerous and most knowledgeable member of the PT Planning Commission. (U) b6 b7C b7D

Arrangements for Return of Americans from Guyana on 12/6/78. (U)

The State Department has advised that approximately 18 individuals will arrive at JFK International Airport, New York, at 6:15 p.m., EST, via Pan American Airlines, Flight 228 from Georgetown, Guyana.

On 12/4/78 Mike Abbell, Departmental Attorney, was contacted to determine what arrangements had been made between State and FAA regarding security in the transportation of the Jonestown survivors to ports in the United States. It is noted Abbell had been previously contacted and was told the FBI was never consulted nor requested to provide armed escorts for any flights. Abbell said he is working this out with State.

[redacted] and [redacted] FAA, contacted Deputy Assistant Director Ingram advising they had been in touch with Vice b6 b7C

President of Security Joe Sullivan of Pan American and no request had been made by Pan American for FBI Agents. [redacted] and [redacted] both stated that if a request came from Pan American or State or Department of Justice they would provide FAA security guards through sky marshals. b6 b7C

Abbell recontacted Deputy Assistant Director Ingram afternoon of 12/4/78 advising that FAA will provide sky marshals and Pan American agrees. Arrangements being made by FAA, State, and Pan American.

Request for Investigation Regarding Possible Civil Action to be taken by the Department Against the PT.

By letter received 12/5/78 from David Epstein, Director, Commercial Litigation Branch, Civil Division, Department of Justice, we have been advised that the Civil Division may be requested to bring a civil action to recover certain Federal funds expended to return bodies to the United States in connection with captioned matter. If such an action is to be brought, various facts concerning the assets and legal status of the PT and its members must be uncovered. Accordingly the Department requested that as part of the overall investigation the FBI specifically focus on certain areas of inquiry, namely (1) the legal status of the PT in Guyana; (2) the legal status of the PT in California; (3) the relationship of PT in California to the PT in Guyana; (4) assets of the PT in Guyana; (5) assets of Jim Jones; (6) assets of the PT in California; and (7) relationship of the members to the PT.

Appropriate investigation regarding this request is being conducted. (U)

MEMORANDUM FOR BOB LIPSHUTZ

FROM: CHARLES O'KEEFFE

SUBJECT: RETURNING MEMBERS OF THE PEOPLE'S TEMPLE

I recieved a telephone call yesterday from Dr. Hardat Sukhdeo, who is Chief of Psychiatry and Deputy Chairman for Clinical Services in the Department of Psychiatry at the New Jersey College of Medicine. He has just returned from Guyana and extensive conversations with the survivors from Jonestown.

Dr. Sukhdeo expressed his deep concern for the mental health of the survivors and indicated that he believes that many of them, in their present state of mind, pose a serious threat to both themselves and to society. He indicated that the survivors can be placed in three categories. The first being that group who were placed in the Park Hotel immediately after returning from Jonestown. He believes that this group of principally older members who were subjected to the subsequent media attention and were engaged in extensive dialogue with large numbers of non-members in the hotel, may have been thus benefitted in their transition to an open society.

The second and third groups, about whom he is expressing most concern, are those who are currently in the Park Hotel, who have been recently released by Guyanese officials (some 20 - 25 in number), and those still being held by the Guyanese in "Lamaha House" (some 40 in number).

Dr. Sukhdeo traveled from Georgetown to New York with the women who returned on Sunday evening and told me that they, as well as the remaining survivors are "absolutely brainwashed", are dedicated to "restarting the movement", and believe that "Jones is God" and "Jonestown was wonderful". He said that they are firmly convinced that "U.S. society is dangerous" and will be "harmful to them". He said that these individuals who are "very paranoid" have been totally isolated from the time they entered Jonestown and have remained isolated

from the outside world and with each other since they were taken from Jonestown and moved to Georgetown. He believes that as they move from this total isolation to open society they represent "potential time bombs".

I've discussed his concens with appropriate individuals at State, Justice, H.E.W. and Treasury. The purpose of this memo is to apprise you of his concerns, for any action which you may deem appropriate.
