Dear Sir: LEO RYAN

I understand another complaint is  
being filed against Peoples Temple  
and this Com totally against! I  
think it would be biased, unjust and  
completely anti-democratic to attack  
this church and its minister with  
another investigation. They have been harrased  
enough! I don't think this much  
investigation was given to Watergate.

To pursue attacking these people  
will really prove how low justice has  
fallen.

DE-51 89-4286-X4

To me, and I'm sure, many others, this  
church has, and is still doing, more  
humanitarian work than any other church.

It's too bad the character of the conspirators  
isn't being investigated so thoroughly. If  
this can't be done any idea of investigating  
Peoples Temple ought to be dropped.

DEC 12 1978

Can't anyone ever do good here in the  
U.S. without being harassed, conspired against,  
or murdered? Please let these people  
live in peace.
