SUBJECT: RYMUR -

(Interagency Governmental Working Group on Guyana) *g*

The focus of the working group is now centered on three primary problems. They are:

1. Funding - This problem concerns which Agency (DOD, State Department) will be responsible for the variety of costs incurred, as well as establishing statutory basis for the expenditures. *(u)*
2. The identification of the deceased and subsequent disposition of unclaimed bodies. *(u)*
3. Establishing the legal posture and framework for the U. S. Government's civil action against the People's Temple to claim reimbursement in the U. S. Government's expenditures. *(u)*

The above areas do not require direct participation in this group by the FBI. It is, therefore, recommended that our representative, SA [redacted] discontinue attendance at the meetings. *(u)*
