DETAILS: On 11/21/78, Al Hantman, Section Chief, General Crimes Section, Criminal Division, Department of Justice, advised SA [Redacted] Criminal Investigative Division, that his research of the Congressional Assassination Statute supports the position that the FBI has extra-territorial jurisdiction in this matter. Mr. Hantman advised that if the murderers of Congressman Ryan were returned to the United States they could be prosecuted for the crime in U. S. District Court, under the provisions of Title 18, U. S. Code, Section 351. (u)
