Julian Bond of the Atlanta NAACP demanded that the FCC
make the racist J.B. Storer retract his use of the word "nigger" in a
political announcement. Storer is running for governor of Georgia.
• If Bugsby is re-elected he'll just pass more civil rights + the
to give to the niggers " The FCC said they can not act as censors
political candidates. They said that unless someone can prove that he
provoked violence there's nothing they can do. They said: "In a
a candidate time they have no control over content. They went on to say
they believed in freedom of speech + if that meant a few dirty words
They say it is not up to them to determine what is obscene or
The Supreme Court ~~not~~ revoked the license of New York Public for
an album that contained dirty words because it was an affair some of
Bonds say: "the audience in Atlanta is... in need of... of the word"
