Georgetown/Carolyn--here are some more questions and thoughts...

1. Please advise us as to whether the following names are cleared by the Ministry of Home Affairs:

Arnold Alexander
Clarence Brown
Antoinette Jackson
Timothy Mason
Frances Stanford
Willie Ann Thomas

2. I understand that Mary Black is coming to Jonestown. If so, could you please advise me if I should contact her about doing her Imm. papers and send me her address.

3. Regarding us bussing ourselves across country: It was my idea that we send 2 busses the first part of October (or end of September whichever) with 4 drivers; leave one bus in Jacksonville to be sold and have the 4 drivers bring the remaining bus back to SF--thus saving air fare and leaving us 2 busses for future trips. On the next trip East, we could also send 2 busses with the option of either repeating the earlier arrangement, or having any of the drivers come over there--still leaving one bus to be sold and bringing the other back--or have all the drivers come over leaving all the busses in Jacksonville. If we brought one bus back to SF after the second trip, it would make another trip by bus possible. Doing it this way would put 2 more busses on the market, get a bunch of us across country at the least cost, and the option of which of the drivers, which of the busses--or all of the busses--should or should not come back to SF could be left until the last minute.

As far as sending any of the drivers over on this next trip, I personally don't see it, (with the possible exception of Ray Godshalk) but of course you there and others here have the final say-so. A list of the remaining drivers is as follows:

Jean Brown	Dorsee Swaney
James Evans	Jim McElvane
Ray Godshalk	Irvin Perkins
Phyllis Houston	Jim Randolph
	Jerry Wilson

Ray has not been considered as a primary driver on an overland bus trip because of his age, but he could certainly help drive on his way to Jonestown. Jerry has at least 2 weeks vacation time coming. I have one week vacation time with 2 weeks more after the first of the year.

4. Could you please check and see if you could provide us with Bessie Proby's VA number? I have not been able to get it here.

*Love,
Phyllis Houston*

Georgetown/Carolyn

The following list is of those names who, according to our records, have had their Immigration Papers sent, but who, according to the copies of correspondence from the Ministry of Home Affairs which was recently sent to Jean, have not yet been cleared by the government to immigrate. My questions about this list are as follows:

1. For those who are on this list and who are still interested in coming over there, should their forms be re-submitted, or should we wait for further action either by you or by the Ministry?
I raise this question because of situations like that of Esperanza Villalobos whose papers were sent to Guyana the end of September 1977 and cleared July 18, 1978. There are also situations like that of Chinita Hankins and her sister Chilita Hankins who had their papers with several other sets sent March 29, 1978. Others of this group have been cleared, but these have not.
2. For those who are on this list--which indicates the name listed on their passports--who have had their papers cleared under another name, do their papers need to be re-done? We received word as to how to handle situations which involve name changes by marriage, but as noted on the list, there are other situations where the name is the problem.
3. Over all, considering the length of this list, is there any way that we can help speed things up and make this process more accurate? For myself, it would be helpful if I knew who I should address correspondence regarding things like this to, so that maybe stuff would not get side-tracked.

It is a fact that there are several on this list who either appear on the last remainder list, or who have expressed a desire to come to Guyana since this list was put together. I would, therefore, consider this an urgent matter.

CHILDREN IN GUYANA WITHOUT PARENTS: see attached sheets..

Do Not
Send
Dickerson
first

We are sending Rosanna Dickerson as soon as possible- because 1- she has a child over there- and 2- she is still threatening to send the other 3 kids back somewhere- to their natural father or something- and we think this is her way of letting us know that she wants to go over. Apparently Lee told her several months ago to get her things ready- and to sell her furniture etc. and she is ready to come.

We are also planning on sending GLORIA WALKER as she wants to go and has a child there. Tony also wants his mother to go too. And this is the woman whose sister- PHYLLIS TALLEY- is the one ROSEMARY WILLIAMS called in L.A. and told all kinds of shit too

We are also trying to get WILLIE MALONES grandmother- SEUEAN PENDOLTON from L.A. over- so atleast we will have his grandmother even if his mom is not a member.. and will never come.. atleast granny will be there.

We are also sending LEOMY WRIGHT over since she cries to be able to go- and has 3 kids there.

We are making arrangements with RULETTA BROWN to get her over as soon as Robert Paul gets his passport. So they will be on their way.

Marthea will come the first part of the year. Teddy thinks his sister BARBARA BAKER will never want the kids back- but says you never know. She is having a good time now without them he says.

We can send BOB DAVIS the end of Dec. or 1st of Jan. when the L.A. crew is done- and maybe we should send him ~~with~~ whether they are done or not at that point in time. Liz is probably not idle these days either.

BETTEE CARROLL never comes around- does her own thing as usual. Debbie Evans went over to Don and Betty's house Sat. and they were having a party there- I doubt if we ever get those people there- she has asked about having the children come back for this court thing- but hasn't pushed it and June says it is not necessary and so does Eric. But Betty is about good for nothing as far as helping us is concerned- they don't even come to services.

MARVIN SELLERS- Richard is his guardian.. and ALTA SELLERS is still doing her own thing pretty much- she says she wants to wait til LeShay gets out of school before coming over.

MONIQUE's mom- got in touch with Hue a couple of weeks ago- won't say where she is staying- apparently is couple mos. pregnant.

MARY & PERCY DARDEN- are pretty much doing their own thing as always. They still have the 1 child- Percy was working pretty well in the garage out back- helping Al- but he slopped off at that- and now they are driving one of our cars around some place in LA.- he is on probation- they are both loose gooses.

Irma LEE GILL- June says she has to stay another 1-2 mos. to get her separation legal- so she can get some kind of Social Security of her husbands- not sure- but she will have to stay here a bit longer.
