were being conducted under the guise of the People's Temple Colony in Guyana. The caller alleged that Guyanese Customs Inspectors had been suborned to allow a free flow of weapons, drugs, persons and money illegally across the borders of Guyana. The money itself was unreported income skimmed from the People's Temple operations.

The anonymous caller reiterated that JONES, upon learning of the aforementioned illegalities, attempted to put an end to them and in doing so brought about the ultimate mass murder-suicide in Guyana. (N)

San Antonio will make available additional information from this caller should he recontact the San Antonio Office. / U1
