J,

Here are some more of the informers statements.  
These were taken off of a tape & some of it  
I couldn't hear too clearly, but I think that  
most of it is accurate. It is written ~~in~~ the  
way they were stated.

There are some more still that I haven't  
received but will do them when I get them. (u)

Joan

David Phillips-2 years ago was in high school and a friend of him had a bycicle and he did too. the police came and questioned him about it and he told them that it was someone else totally different and they convicted and arrested the guy they blamed. He said that he told on this unrelated guy because he was slow and small and he wanted to get him. This was in Palo Alto.

Robert Rankin-In virginia he was arrested for forging,writing and cashing checks two of them were caught and the other man escaped and Robert gave the name of the guy that escaped and his whereabouts.

Ken Norton-His real name is Gerald Grubbs. In long Beach 1967 may first he was arrested for grand theft. While being interrogated, he informed the police that a man named Bud Goodman was doing the theft out of the back door. To his knowledge, nothing was ever done about it. (This is all Ken said).

Contonia Jackson- Called the police on her son for tearing up the house. she told the police that her son was also smoking dope little over a month ago. She has called the police other times for other things but didnt say what.

Jola Pikes- Told on some guys who were stealing parts from a car 2 years ago.

Sandra Thompson-Police came by wondering if her brother had robbed the store. She said no because he wasn't home. Then she told him that her cousin had come back and all of a sudden he had hundreds of dollars. They were going to arrest her brother and they had started to beat him up. This was last year Freemont P.D. (U)

Ronald Duckett-Goes now by the nam of Nicki Lawrence- He and his friends broke into a store and he ran off and told the police on the others.

Mai Alexander- When she was 10 years old hom alone with her brothers and sisters , the police knocked on her door and asked her if a little white dog lived around and she said no but that a little white dog lived behind her and they went back there and took the dog to the pound. The owners paid a fine to get him out. They wanted him because he had bitten someone. She said that she didn't know why she told on these people that owned the dog.

Vivian Pennywell- Said that she had an intimate relationship with a detective walking jay. The affair lasted a year and a half. He was a detective of fraud, investigator dectective over burglaries and would ask her if she knew certain people that have broken into neighborhoods and ask her if she knew different people that were selling hot items and have and if they had asked her if she would buy any any of them and other detailed questions but she sai that she can't recall giving any information about them. She told him that to her knowledge she knew a few of them. He wanted her to ask people that she knew to find out about them. She said that she never gotta chance to do it. She answered to the ones that she did know of. She had a sexual relationship with him. Has worked for the Fresno Police Dept. for 18 years and he is still there.

Edith Cordell- Called the police to send her brother home from a tavern . Another time she called them about a drunk man long ago, she doesn't remember what he was doing

Rob Gieg-Parents called the police on him for having a drunken party at the house while they were at work. So then Rob then told the police on a friend of the family's mind his older brother, that he was the one who bought the alcohol, Concord 1967.

Donald Carroll-Turned someone in for disturbing the peace at that time he was working at the Hyatt Regency Hotel as a security officer. He turned in someone who had stolen silverware and liquor from the hotel. (This is all he said on the tape, but I Joan and Ruth Tupper remember speaking with him on the last summer trip and he told us that he was an undercover agent, had a gun and drove some blue car. He sounded like he was bullshitting around and he told us that he finally got out of it because he had to turn in his own friends.
