Assistant Police Commissioner, CECIL A. ROBERTS, Guyana National Police (GNP), exhibited a stenographic notebook concerning a statement by ANNIE MOORE which was apparently written just before she died at Jonestown, Guyana, on November 18, 1978. I am 24 years of age right now and don't expect to live through the end of this book. I thought I should at least make some attempt to let the world know what Jim Jones and Peoples Temple is - or was all about. It seems that some people - and perhaps the majority of people would like to destroy the best thing that ever happened to the 12,000 or so of us who have followed Jim. I am at a point right now so embittered against the world that I don't know why I am writing this. Someone who finds it will believe I am crazy or believe in the biblical idea that does not exist in Jonestown. It seems that everything good that happens to the world is under constant attack. When I write this, I can expect some mentally fascist persons to find it and decide it should be thrown in the trash before anyone gets a chance to hear the truth - which is ~~the~~ what.

I am now writing about.

Where can I begin - Jonestown - the most peaceful, loving community that ever existed. Jim Jones - the one who made this paradise possible - Much to the

contrary of the lies spread about Jim Jones being a power hungry, sadistic mean person who thought he was God (of all things!) I want you who reads this to know Jim was the most honest loving - caring, concerned person whom I ever met and knew. His love for animals - each creature - poisonous snakes, tarantulas - none of them ever bit him because he was a gentle person. He knew how mean the world was - took any and every stray animal and took care of each one. His love for humans was unsurmountable and it was many when he put his love and trust in and they left him and spit in his face. Teresa Bulford - Debbie Blakey - they both wanted sex from Jim which he was too ill to give. Why should he have to give them sex - and Gene and Tim Stoen also - include them too. I should know I have spent the past few months taking care of Jim's health - however it was difficult to take care of anything for him -

always would do for himself. His hatred of racism, sexism, elitism and mainly classism is what prompted him to make a new world for people - a paradise in the jungle! The children loved it. So did everyone else. There were no ugly, mean police waiting to beat our heads in. No more racist stores from whites and others who thought they were better. No one was made fun of for their appearance - ~~was~~ something each one had no control over. Meanness and making fun was not allowed. Maybe this is why all the lies were started - besides the fact that no one was allowed to live higher than <sup>any</sup> one else. The United States ~~allows~~ allows classism the problem being this and not all the side tracks of ~~the~~ black power, woman power, Indian power, gay power. Jim Jones showed us all this - that we could live together with our differences - that we were all the same - human beings. Luckily we were more fortunate than the

starving babies in Ethiopia and the starving babies in the United States. What a beautiful place this was. The children loved the jungle - learned about animals and plants. There were no cars to run over them - no child molesters to molest them, nobody to hurt them. They were the freest, most intelligent children I had ever known. Simon had dignity. They had whatever they wanted - a plot of land for a garden. Seniors were treated with respect, something they never had in the United States. A ~~very~~ few were sick and when they were - they were given the best medical care.

We died because you would not let us live in PEACE!
