On 3/19/79 John Crimmins, U. S. State Department, telephonically advised FBIHQ that John Blacken, U. S. State Department, was in contact with Newsweek correspondent, John Nugent. Nugent told Blacken that he had talked to an individual named "Ijames" and according to Nugent, "Ijames" was a member of the People's Temple and was the pilot for Reverened Jim Jones. There were several members of the Ijames family involved in the People's Temple. Ijames allegedly flew between Miami and Port Kaituma. Nugent believes that Ijames is now chief pilot for Monarch Airlines.

San Francisco is requested to review records to fully identify "Ijames", determine if he was, in fact, a pilot for Jim Jones, and if he has been interviewed in depth regarding this matter.

San Francisco advise FBIHQ of the results of your review in this regard. *(Handwritten mark)*
