3. Internal PT memoranda regarding Mark Lane, Joseph Mazor, Charles Garry, and Walter Thain. (u)

4. Internal PT memoranda or correspondence between Jim Jones and Tim Carter and Terri Buford (u)

These items were denied the committee for the above reasons. (u)

5. Information pertaining to PT acquisition of cyanide. (u)

This information was denied to the committee on the basis that the origin of the cyanide is currently under investigation and unknown to the FBI at this time. (u)

6. PT code book. (u)

This information was denied to the committee due to the fact that it represented physical evidence of an on-going criminal investigation. (u)

7. FBI pre-tragedy knowledge of our investigation of the PT. (u)

Mr. Keuch made a commitment that the FBI would furnish this information to the committee which consists of one allegation of kidnaping which had no basis in fact. The identity of the complainant in this matter will be withheld from the committee. (u)

8. FBI assistance in locating appropriate persons for committee contact (u)

The committee represented to those present at the meeting that the only individuals that they had desired to contact were Stanley Clayton and Odell Rhodes. Mr. Keuch made a commitment to the committee and the FBI that reasonable efforts would be undertaken to contact Clayton and Rhodes and advise them of the committee's interest in them. Permission of Clayton and Rhodes would be sought to furnish the committee with their locations. (u)
