This investigation has been designated Major Case #16 by the Bureau and as such, the TURK system has been capturing field investigative time. Each field office and Headquarter's Division was requested to submit weekly reports listing travel, per diem or any other unusual costs related to this investigation. Headquarter's Divisions, except the Laboratory Division, were required to submit manpower utilization, as well as other expenses on a weekly basis. (u)

91-112 REC-2 89-4256-2134

The investigation has slacked off to the point where only routine manpower costs are being reported and no unusual expenses are being incurred. It is, therefore, recommended that positive reports from field offices and FBIHQ Divisions be submitted on a monthly basis rather than weekly. The field and the Laboratory Division will continue to submit information required under the TURK system. (u)
