DETAILS: On 3/29/79 a meeting was held in the office of Robert Keuch, Deputy Assistant Attorney General, Criminal Division, at the request of representatives of the HIRC. At that meeting the Committee requested ten separate items in the possession of the FBI be turned over to the Committee. After consulting with representatives of FBIHQ and U. S. Attorney William Hunter, San Francisco, it was agreed that three items would be made available to the Committee, one of which was a copy of the above-mentioned "Death Tape." The "Death Tape" will be made available as soon as possible directly from FBIHQ, CID, Personal Crimes Unit, to the Committee. This will necessitate that a copy of the tape in the possession of the Technical Services Division Radio Engineering Section be made. (u) 89-4286-2297
