Dear Sir:

Thank you for your reply to my letter. Enclosed are some personal thoughts regarding the Guyana Mass murder of 900 persons in 1978.

I have reason to believe that someone very close to me was involved in this horrible affair.

I am sure that you are much more knowledgeable about this matter and consider it classified information, not for publication. The only person who would know of any "financial arrangement" was the Rev. Jones. The other one is the "father" of the young black who claimed to have been subjected to torture.

This does not require a response unless you have further questions.

Sincerely yours,

1 When the Rev. Jim Jones took his religious followers to Guyana in the  
 2 belief that the way of life would be "freedom from government taxes", etc.  
 3 i.e., away from political intervention in their "way of life", it is be-  
 4 lieved that he was "fully informed" of the living conditions in that part  
 5 of South America, and perhaps misinformed.

6 A "moving picture", produced for television viewers in 1981, portrayed a  
 7 "black boy" as being "punished" under orders by Mr. Jones for some in-  
 8 consequential act and being told by his black mother that her son had  
 9 disobeyed the "orders" of Mr. Jones and was violating God's commandment  
 10 therefore she concurred that "he should be punished!"

11 The story goes on about the "boys father" (who never left North America)  
 12 finally getting through to the United States ~~SENATOR~~ Congressman, L. J.  
 13 Ryan regarding the "horrors" being meted out to the "son".

14 The senator was, of course, murdered, and the story has it that "blacks"  
 15 and "whites" committed suicide.

16 The story goes on to relate what is known or what has been publicized  
 17 regarding the Rev. Jones' becoming "addicted to drugs" resulting in  
 18 suicide and ordering his "cult" to follow.

19 The writer witnessed the "moving ~~picture~~ picture films/which were "taken  
 20 at the scene" showing Congressman Ryan falling and his aides also included  
 21 in a hail of bullets. The film also showed "blacks" running for the  
 22 airplane but "no whites"; they were all dead.

23 It is the thinking of the writer that Rev. Jones was indeed on drugs, but  
 24 not to his knowledge that it was "drugs" he was taking. Upon the realization  
 25 that all "whites would be captured" by the "blacks" and the women and  
 26 children "whites" subjected to possible torture and abuse, he "ordered  
 27 them to take pills which would kill them" rather than subject the women and  
 28 children to unbelievable horrors. The guns were in the possession of the

Africans. Were any "blacks" killed?

I AM SURE THAT YOU KNOW BY NOW WHO HAS BEEN SPONSORING "RELIGIOUS" CULTS AND MANY OTHER RELIGIOUS SECTS.

After the 1978 MASS SUICIDE, BURNHAM (A BLACK?) BECAME PRESIDENT ON October 6, 1980, under a new constitution that gave the office strengthened powers as chief executive and commander of the armed forces.

GUYANA is the ONLY SOUTH AMERICAN COUNTRY with a British cultural background. It is also the only ~~EM~~ COMMUNIST COUNTRY ON THE CONTINENT.

PERHAPS THE ABOVE IS ALREADY KNOWN TO GOVERNMENT OFFICIALS.

Sincerely,
