ON LABOR DAY WEEKEND OF 1973 MICKEY TOUCHETTE TOLD US THAT SHE WANTED \$150.00 TO PURCHASE SCHOOL SUPPLIES.

MICKEY TOUCHETTE ASK HER MOTHER TO LEAVE THE AMOUNT OPEN SO SHE COULD FILL IN THE AMOUNT SO SHE COULD BE SURE OF HAVING ENOUGH MONEY AND SHE ALSO SAID THAT THE AMOUNT WOULD NOT EXCEED \$75.00

MICKEY TOUCHETTE TOOK THE CHECK AND FRAUDULENTLY MADE THE AMOUNT OF THE CHECK FOR \$300.00

MICKEY TOUCHETTE DISAPPEARED FROM US UNTIL THE FOLLOWING THANKSGIVING WEEKEND; ON THE FRIDAY NIGHT OF THAT WEEKEND WE SAW AND SPOKE TO MICKEY AT THE THRIFTY DRUG STORE IN UTAH, CALIFORNIA AND AT THIS TIME WE ASK MICKEY FOR THE MONEY AND SHE REFUSED TO PAY IT BACK TO US.

I SWEAR THE ABOVE STATEMENT IS TRUE AND FACTUAL.

Liz told me numerous time about how she used to be so sick, she couldn't hold a job down, relied on her relatives for money to live on, and slept 18-16 hours a day just to escape. She often said that she felt healthy physically and mentally since coming to P.T. With her personality deviations and idiosyncrasies, only a tolerant group would have been able to work with her. When she first came, her life was ~~centered toward~~ palm reading and star gazing. She couldn't deal with reality, just about went into hysterics over the thought of poser eye, or anything not immaculate. Her serial hangups ~~were~~ carried over throughout her personality and her hypochondria

Jeanette and I were both living in the church sponsored dorms in Santa Rosa. This was in 1975. Jeanette was always talking about her lesbian experiences & ~~these~~ fantasies & how much she hated men. One day she told us (myself & some of the other students at the dorms) that she would often masturbate with cucumbers & and carrots wrapped in bacon wrap from the refrigerator and then return them to the refrigerator. She found it very funny that we would then eat the vegetables without knowing it.

David Conn & Joe Mertle had a legal

^{Donna} Jack Conn had sex with

The Conn used to go to meetings

Things I remember about Birdie Marable

Some form

Janey Brown--- she was a diabetic patient at Birdie's. Birdie used to do the manueiring of the patients to get their money, and she cut Janey's knowing that she was diabetic and couldn't afford to have her skin cut. The cut was infected, and then turned to gangreen ~~before~~ Birdie did anything about it. Janey was first taken to Hillside Hospital, where I remember the nursing staff saying the infection was due to unclean linens and lack of proper care. She was then moved to Sneed's care home in Pasadena, where she died.

Victoria--- she is Velma Darnes' great aunt. Velma has something to say about the poor care that Birdie gave Victoria, who was crippled. As I recall, Velma said that the place wasn't kept clean and that Birdie didn't try to meet Victoria's diet for her condition--- (Victoria was a patient of Birdie's for some time.)

Also, someone else in the house was diabetic, but Birdie still gave the person the ^{doctor's} same diet as others, against the ~~dr-~~ doctor's orders. I've forgotten which patient that applied to.

Birdie also tried to run down one of the high school students-- I think it might have been Pam Bradshaw, but I'm not sure.

FF-3-120

Once, when my husband and I were reminiscing about our college days, he related a strange episode that took place in the dorms. He told me about how Jim Cobb Jr. took his pants down @ the dormitory and verbally demanded, ~~and~~ along with using physical force that all the guys in his room look @ his penis.

Jerry and Wayne Pietela were known among them who lived with them to enjoy wife and husband swapping with other couples. My husband and I, who were staying @ the dorms, became so disgusted with their sexual carrying on that we moved out as soon as we ~~had enough~~ of their perverse act with Jerry Pietela, (as was known by young girls), is an child molester. Jerry attacked children in the night while they were asleep, which of course has left them mentally scarred. e.g.: my closest friend, Patricia Cornwell Jr., ~~had~~ was victimized by this woman's perversions.

Report on Sandy Parks: SB

Denny has been drinking for over 1 week - Sandy says she thinks LS or/and someone else have been talking to him.

She came home from last Weds. night meeting - and he was mad - says she wasn't taking the girls to any new country etc. She questioned him about LS talking to him & he didn't deny it - she told Denny to tell LS "she would live to see her dead"

Denny says he wants a divorce - but Sandy says he'll never leave

She has to drag her girls to meetings - they want to stay home with their father - the kids cry a lot now cause she & Denny fight -

She says no matter how busy LS was - she always found time for Sandy's kids (I find this hard to believe)

FF-3754A

* Sandy says Denny talked to Larry S. last week from Ohio for about 45 min. etc. Said Larry has a motorcycle and all this good stuff.

Denny says to Sandy that he knows more about PT than she does - that she is left off the board because she is not trusted etc.

(I mentioned how trusted she was by working with Tim and things J.J. had told her etc.)

She's pretty down right now - anything else I should do?

I will be flying down Sat. - so I can do my work - also we will be having a modified finance meeting to go over the L.A. report (Sat. night)

Jeanette Terre

Husband: Jaffer Haomen

Jeanette works at St. Mary's Hospital in Long Beach.

Jeanette was on drugs before she came to Peoples Temple. She also has a history of Grand Migraine Epilepsy and numerous suicide attempts. Shortly after coming to the church she had sex with Jim Cobb. She wrote this in a letter when I lived at Law Gap Rd.

Diana Merle:

Told me that before she came to Peoples Temple, she went to the Seventh Day Adventist Church and she "fucked all the married men at church." She thought this was very funny.

Also, when she worked for this manufacturer in Redwood Valley - that Kathy Tropp also worked for, she went through his things continually and read his diary. In his diary he told about his weird sexual practices - such as being & to fuck women in the belly button. She also told Kathy that she was (ever)

Ruth Berne B.D. 7-4-55
1801 Baywood Ave.
Davis, Calif.

Last week Ruth went to the S.F.D.A. to make a statement against Jim and the Church. She stated that at the age of 13 she was taken away from her mother and ~~she~~ forced to live with other people. This was stated over T.V. #9. She had told me on the phone that this was the case and I told her that she knew this wasn't true - that she didn't want to live with me but had wanted to live with Newtons & Jack Beams. She was allowed to live where she wanted.

Before leaving the church, Ruth had set with Denny Kettla and Paul Glowers. She asked Denny to have sex with her and she admitted this to me. She ran away her last year of high school, to see her Dad & then ran away from there. She was on drugs & lived with a guy on H. She joined a Jesus freak group whose head quarters are in Eureka and was kicked out of that group for being "immoral". She got pregnant by one of Jeanette's husbands friends and had an abortion. She is now supposed to get married next month to some guy.

FF3-175A (Bull)

When Ruth called me last week, she asked to please not try to hurt us anymore. She said she doesn't want to "hurt" us - that she wants to help "some" a lot of people from Jim. She ~~said~~ said "You think Jim is God don't you?" I replied, "You know that's a damned lie, we don't believe Jim is God - he teaches us to believe in the God within us." She said she believes in the day of Pentecost.

Jeanette, Ruth and Phil are very thick with one another. Phil lives in Portland, Oregon. Jeanette is going to be at her wedding.

Ruth told Channel 9 that she was in her second year of nursing at Davis. But she told me that she was working as a nurse's aide and would be going back to school next year.

She also mentioned that JF has sex with different people.

She said New West's article was "accurate" and she is afraid that Carol is being beaten.

Ruth was on drugs before we joined Peoples Temple. Jeanette said she was on drugs when she got pregnant.

Jim Cobb - Use to beat on his sisters who are all younger than he (Ava, Terry, and Sarah) when we were growing up. He talked a lot about Revolution, and being a Revolutionary. His hatred for Capitalism, and that he was a Communist.

Terry Cobb - When I was 7 yrs. she was 11 yr. She would molest me and never said that anything was wrong. With it but she warned me never to tell my mother. When she was young she would kill tiny chickens saying that they were after her. She also killed a baby kitten for the same reason. She had a Lesbian relationship with Micky Touchette.

Wayne Pietila - Told me that Jim Cobb should be killed for leaving the group. He said that in one of their meetings that Jim Cobb conducted he told them that if anybody was to leave the group that they were traitors for leaving. He said some day he may have to kill Jim Cobb for leaving. This was their own teaching no one introduced this to them. Wayne said that he and Jim Cobb would guard Rose with the cancer and that if anyone tried to get them away

that they would eat the cancer. This idea

Jim Cobb - Use to say how much he
hated white people but he was always
with a white girl. Him and Terry use
to fight always when they were young.
She would chase him with knives, and
he would constantly fight with her. It
puzzles me how they are so united now.

Terry Cobb + Wayne Pietila - ~~use to do~~

To whom it ever may concern;

Micki Touchette stated that she worked in the offering room, which was true. cl. Shanda Oliver, also worked in the offering room at that time. ^{on a piece} She said we would write the count of the offering ^{to tell the pastor} and send it up to the Pastor. That statement is not true. WE NEVER, ever wrote the count down. We'd ~~never~~ send one person, usually the same person. ~~to tell the pastor~~ I can't ever recall ~~her~~ ^{to tell him} taking the count to him. Then again our Pastor ~~is~~ Jones, doesn't say how much the count is, just makes an appeal when necessary.

My sister, Silvia Upshaw, CALLED ME MONDAY evening July 25th, She told me that she had been harassed on her job and wanted to know how the Heetles knew where she worked. SHE said, Diana Merle, Mert Merle, Linda Merle & Ruth Kerns came to talk to her trying to make her ~~again~~ come to their side, since she was a former member and left the church. They said they were trying to recruit everyone possible. They told her about beatings, fake healings and all sorts of things she stated. She said they offered her protection, if she say Jim Jones had personally beat & tortured people. THEY WARNED her that the temple would have ~~harsh~~ violence there. She said she ~~wanted~~ FF-3-184A

They also stated that they were getting

Silvia ~~she~~, no longer wanted her son there at the
Temple, not because of Jim Jones but because
they said "Violence will be done to the temple"

said "She didn't leave the Temple for

left only for personal reasons.

Ruth Kerns has always been

that would leave welts all over ^{She and Phillip used to hang}
my legs and arms. She used to
hold me down and spit in my face.
When my mom would go out and
leave Ruth home to Babysit with me
Ruth would go off with one of Boyfriends
and leave me all alone ^{at night} when I was only 10.

When I was in fifth grade Ruth

used to teach me how to kiss.

I told her I didn't want to but

she told me I had to, that boy

FF-3-204A

wouldn't like me if I didn't. So she would kiss me on my mouth for a long time and feel on me. Then when her boyfriends would come over ~~who~~ who were much older than ~~she~~ she would have them ^{practice} ~~play~~ with me and she would watch.

Ruth used to always brag about her smoking and she gave me my first cigarettes when we lived in Sacramento.
~~I was 10 yrs old~~ She used to always encourage me to mess around with boys. Like one time she put me in a room alone with this boy and encouraged us to have sex together. I was in the fifth grade. ~~we didn't though~~, we just talked. But she wanted to know everything we did.

Ruth used to always whenever

She would pull her hair back.
She would pull her hair back.

She was ~~very~~ hung upon her

she didn't like I knew it, she

got an abortion.
Ruth always seemed to get whatever
she wanted. Even though she was
supposed to be best friends with
Robin Wags, at the time she was
messing around with Danny Piella while he and
Robin were going together.
Ruth used to go into stores
and steal clothes, cameras, bathing suits,

cigarettes, food or coat. This was a regular venture for her. These are a few of the things I remember her stealing.

After Ruth left Urial she used to come to the Urial High School and ~~harass~~ ^{harm} me during my studies. She got my schedule of classes and went to ~~lock~~ ^{the} of my class rooms looking for me. I have never felt love or concern
from Ruth. She has always ^{any}

I wasn't her sister. She also said
she wished I was dead.

Ruth used to ~~sing~~ ^{Paul Robeson}
tell us that the only way we could
get rid of our enemies and make
any change would to kill them. She
thought of herself as a revolutionary
out to violently change the world.

Ruth used to work at Hacienda
Hospital in Wksh - I went to
visit her one day as a Candy Stripper.
She took an old man to the
shower and put him in. Then she
just went and sat down. I asked if
wasn't she supposed to help him and
she said yes but he would be O.K.
She didn't think he would fall. FF-3-204E

I Carol Kerns used to visit

on Snuffin St her front door

Birdie used to show me her freezers

to me that they were ~~never~~ ^{never} empty.
~~She was always cooking plenty of food. She was
obviously living when she paid Pepey Angelo took her money and

at one time and was screaming

different occasions he stole money out
of my purse and would take my car
for hours without asking to use it. If

He would have young women have

I was to the point of loosing my mind - he would threaten to beat me and on occasion did if I told anyone what he did. He also would stand over ^{me} ~~me~~ while ~~I~~ ^I was sleeping like a mad man and ~~he~~ would laugh hysterically about frightening you.

BIRDIE MARABLE

I worked for Birdie Marable is her Resthome. On and off for a year. She called me to sit only when she wanted to go to a Party and get drunk. Many times I would have to stay over and take care of Birdie & her patients. Birdie was very cruel to her Patients. I talked to her about treating them cruel, cussing at them and snatching them around. She wouldn't comply. So I'd try to help them a lot. She was always borrowing money from them, between paydays. If they wouldn't give it to her she'd ^{the money} cuss at them. I can't ever recall seeing her pay ^{it} back.

One ^{day} her husband was on leave from the hospital. He had a liver ailment. That ^{day} they both had been drinking. ~~one~~ All of a sudden Birdie ran in the house and told me to come with her because she thought she had killed that son of a bitch (speaking of her husband) When I walked into the backhouse her husband was on his knees with his head in a puddle of blood. I asked him what was wrong he was unable to tell me. I washed him up and asked her to get a doctor for him. She wouldn't call a doctor. She said "if the doctor came he would report it. I cleaned him & bandaged him up to the best of my knowledge. Two days later she submitted him back to the hospital.

If Patients would urinate on themselves she would just let them soak in their urine. If they had special diets, she'd feed them anything, such as chitterlings & pork chops, mostly what she liked.

These are some of the worst things she's done to the patients, I can go on & on about the cruelty of her Resthome in Okla.

send him to the hospital.

Birdie told me she had \$300.00
from Mrs. Le Journeau, another patient,
which she borrowed to get an abortion.
I am fairly certain
she never paid Mrs. Le Journeau back.
A man lived at the care home who

was Birdie's boyfriend. She said she
wanted to marry him except she
had already married the husband.
She said up until the day patients were
present.

Then Mrs. Johnson signed
the bill of sale and paid
her husband \$1000.00 cash
so he could get his wife
out of the hospital. She
then stated she had been
treated with kindness and care
and was very satisfied.

On Oct 1st she left the hospital
and went to the home of her
husband. She has been there
since then. She has been
seen by Dr. [unclear] and Dr. [unclear].

Franklin Pierce Cobb

Jim Cobb -

at a dormitory meeting
in 1972 he pulled down
his fly & flopped out his
penis & said to one of the
boys in the meeting,
"see what a little dick".
One of the other students
said "Jim why do you
always expose yourself
like that".

His pants were very sloppy
Kept in the living room
left his dishes on the floor
& books scattered about.

Once when walking to
the bus stop we were
both behind Mickey
Touchette. Jim Cobb
turned to me & said &
indicating Mickey's
rear end said "Something

is wrong with her
pussy!"

Made sexual advances to
almost every female.

Student in the dorms

Mickey Touchette would
copulate an intro when pregnant
& expel it. She demonstrated
this for groups of other students.

Elsie Victoria Moore - Tommy James.
~~Her~~ son was living with me
during the summer of 1976. Tommy +
went home to spend some time with
Vicky. When he came back, Thomas told
me that he walked into a room and
watched his mother sexually
molestering his younger brother. ~~Another~~ ~~Another~~

2, Evelyn M. Eickley being duly sworn,
declare:

Ruth Kurns used to stay in my home for
a few days at a time. At first she seemed to be a very nice
and kind person. Later I found out
that she was a person engrossed with
sexual deviation and her violent temper
^{become violent} would rise out when she was mad
about something. She used to tell me
how she would have oral sex with
her boyfriends and how she would
cheat on each one. She tried to encourage
me to do these type of things with her,
but I was totally shocked with her
behavior and refused to participate.

Soon after this we started to get into
many arguments. She got mad at my sister
Cin Eickley, who was only 11 years old,
and pulled a sharp knife on her threatening
^{she said that she would kill her} to cut her. Those of us at the house
stepped in and she backed off from
the argument. That night she packed
her things and left in her car. I had
a bicycle at home which she used to
ride a lot. ^{Ruth} and her brother Phillip

came back to our house several days later on the evening pounding on our door demanding the bicycle, which was ~~obscenities~~ ours, and shouting all kinds of ~~obscenities~~ at me when I wouldn't give it to her.

My mom, Tess Leray, was ~~sick~~ very ill in bed at the time, and Ruth's brother & Phillip pushed his way through the door demanding to talk with her. I told him she was sick but he went into her room and ~~demanded~~ accused her of stealing ~~one~~ off of Ruth's check from her job at ^{convalescent} Tacunda Conv. Hosp. She told him that we had nothing of Ruth's and had to argue with him until he finally left after making all kinds of threatening remarks, like & she would "get it" soon, ~~and~~ he would "get us" for taking this check. Later we checked with the hosp and found that Ruth had personally picked up all of her checks, that none had been sent in the mail, so we couldn't have possibly have taken a check ~~in~~ which she received after leaving the house. Ruth is a ^{psychic} over person who doesn't know how to stop lying.

~~Linda Merle~~ reported to me that she observed her dad, Elmer Merle having a sexual affair with Sandy Rozynko who was a minor.

Mike Kelley constantly used Drugs - anything he could get hold of --- Marijuana, etc, he used to tell doctors that he couldn't sleep, & and persuade the doctor to give him narcotics for ~~also~~ fictitious chronic headaches, and barbituates for sleep. Mike then shared these drugs with others that he had persuaded to take drugs ~~the m~~ with him. Mike also told me that he sexually molested a 15 year old girl in Los Angeles. He was 28 at the time.

Jim Cobb, Terri Cobb and Wayne Pattle imposed strict rules and heavy mental stress on the other students in the dorms, yet they took special exceptions for themselves, excusing it because they were "leadership." Not only did they ^{left them to} berate the light-skinned people & degrade themselves, but they ^{left them to} harassed the Black people to express racism.

FP-3-214A

Dearne Merle stated that she was sexually attracted to Sandy Rozynko, a minor. One night Dearne Merle called up and stated that there were certain children in her home that she no longer wanted there, and she brought them to Peoples Temple -- clothes and all -- and left without speaking to anyone about the care or welfare of these children.. Among the children she ~~had~~^{dropped off} were three of her own -- Linda Faye Merle, Steve Merle, and Eddie Merle. Dearne kept 3 children at home. Sandy Rozynko, Diana Merle, and Lillie Viator, a Black teenager who Dearne kept out of school at the 11th Grade. Lillie and made her stay home and do the house work and watch the youngest child - Daphene Merle. Lillie expressed resentment later to me about this because the white children in the home were allowed to go to school while she was deprived of her education and made to serve the others. Lillie later left the Merle household on her own after she became 18 years old.
