

Hello ~~(Dad)~~ ^{Young} I gave my dad a hug and tell him it isn't as bad as he thinks because my health and every thing here is allright. Do you see any prospects of finding a job yet? Have you come in contact with any young girls yet? If you do save me one thirty eight years old. I know I am forty now and I don't think there is any hope for a twenty one year old. I am trying to keep my spirits high every day. Is there any job here for a forty four years old man. Any thing, even a night watchman. You see they watch me here twenty four hours a day. It must be a good paying job. Please tell me if every body put their letters in one envelope so that I can get more to read. Contact Billy Creamer and Gutunde Creamer. I'd like to hear a page each from Glen. I wrote Ruth to check with them to see how they feel. but I have not hear from them as yet. they are in Texas. I also like to hear from all my brothers. and if I should get out of here I will see if I can make my life happier than what I had. How is your arm because I heard you went for treatment. write me and tell me about it. I like to know what the doctor says about you arm if it is going to get back close to normal. also I would like to know what type of job you are looking for. I heard that Beach Grove Ind. is getting pretty big now. I have been thinking about what I am going to do when I get back. I thought about starting a little restaurant. I can cook as well as you ^{can cook}. think about this and let me know what you think about the suggestion. I being forty four it is going to be tough finding a job. Because I don't think my hips would allow me to do heavy work. I like to hear from my brothers, how many kids they have got. Is there a big Shopping Centre on Emmerson St.? Is there a Theatre still at Beach Grove? There is nine people left here and some of them can leave when they want to, but they are staying till the trial is over

If you get time make some kind of a
wreath weld on it from Chuck and Tommy
to Becky and Ronald for the grave side.
This would have to be something that
would not rust. Come up with own idea or
let Billy Creamer help you think of some
thing for a marker for the grave. Tell
all the Creamer family that I do care
for them and that I miss each and every
one of them. Because if you don't know it
by now you will. I sure you
never, never know. Dad, I would like to know
I don't have to tell you how much money was
collected for the trip.
love you over and over.
