

Dear Tommy,

26.2.79

Even that we are apart my love still reaches out to you like a hummingbird hanging around a flower. Always love a hummingbird as I love you Tom - my forever, your Dad. Write 41 Dennis Street and find out how much they pay Rex McKay or if they he got any money out of the Bank. If you do send any money to Rex McKay make sure it is made out proper in his name, make sure you have the Serial No. of the check written down in a book so that you will be able to have like a receipt. Tell all Creamer that I am longing to see them as I am longing to see my family too, Brothers and Sisters. I will call you from San Juan - Sisco California when I am coming up, then I will tell you when the plane will arrive. Chicago. If possible bring some money with you because I think my pockets are gonna be dry. Have me a pack of Camels waiting for me because I am going to try to smoke the hump out of the Camel's back.

You said there was a young lady waiting on me, you said she was cold, but this would be all right. Turn the heat up in the house because sure I wouldn't want her to catch cold without me being there to doctor her. I am glad to hear that you got a job and that you are happy and having fun. Remember what you promise me when you was talking to me when Mr. Irvine was there in the Office. I know it's hard for you to keep a promise when I am not around try to keep your promise that you promise me. It will be for your own good. I wouldn't tell you this if it wasn't good, sound advice. I could only tell you from experiences through my life time. Please don't drive when drunk. One day in here seems like a week to me, so surely you should be able to wait for me to get out of here which time will fly for you. See what kinds of job there is for a forty five years old man.

Give my love to Billy Creamer and his wife and his little kids. Truly yours
Dad.

X X, I am sending my kiss on those two
 eyes. It is just a matter of time now in
 April when I go back to Coast. I love all
 whose concern for me here. I am keeping
 my health up to the best I can. I exercise
 three times a day in my cell. They are
 treating me all right here in Prison.
 How is Judy oldest daughter Louise. I
 think they called her Cindy. How big is
 she and let me know their ages. Ask
 how Judy is. Give Grandpa another big hug
 and kiss for me. Please try to answer this
 letter with all the questions I asked
 you.
 Yours truly,
 your Dad written by me as dictated
