

from Dad.  
Dear Tommy,

I heard about you going mushroom and repairing your trailer which I am very proud of you! which I always had been. Do you remember when I took you into a clothing store and was going to buy you some clothes when certain people was causing trouble between me and your mother? I remember when you told me not to buy you anything that you will need all the money that you got. At your age you knew the value of a dollar. You were right, I did need all the money that I can lay my hands on, but I still wanted you to buy you some thing to make sure you have plenty clothes and stuff for yourself. I am glad that we raised you to care for people and to show love for people. I have lots to tell you when I get home. I am sure you want to know whats going on down here. I get hold of the American Embassy to go see Rex McKay for me but it seems as though I got to push them a little harder, because it was in the paper that I was going to go the last week in the last month, now I am going all out to find out why they keep cancelling me in court. Rex McKay is paid in full so there is no reason why I should be cancelled from court every time I turn around. Ask Dale to write Rex as he is the one that paid the lawyer fees and find out why they keep putting my case off. It is aggravating for me to keep telling you is this time and that time and it keeps cancelling, because this is a big let down to me as well as to you. I cant find out nothing ask the American Embassy why they keep putting it off. Reply to me and let me know if you have received information on all those matters that I have been asking about. Do not worry about Dale knows about you telling me about Dad's death because Dale cares about you and you wouldn't be no burden

on Dale or Lakester. Make sure that you  
have enough money when you go to school  
don't cut yourself short on your money  
so that you won't be able to eat when  
you are going to school. Give your  
problem to Dale cause he can  
help you because all his family is  
married and gone. You wouldn't be  
a burden on him at all because I  
know all my brothers better than you  
think I do. So please let him assist  
you until I get there. I gave you all  
my love and also you with the proper age  
as far as money are concern. I do care for  
Bible Creaner like I do my own son.
