

From: Dad - To: Tommy 12.8.79

I like to know if Debbie Fulschette has wrote you ~~and~~ Rex told her that I will walk out of there free ^{and} he was going to send me home. Did Rex write and tell you any thing about it, I will like to know. I know what Rex is a very smart lawyer or he wouldn't be a lawyer for the Govt. here in Guyana, he has also served as a judge as a fill in. He is also a prosecutor as well. I don't know what they have told you, but I will like to know. I was supposed to go to trial in this session but you can bet your thirty dollars that I won't be going until after the suering of the Peoples Temple is finished with. Rex McKay hand me a whole bag full of worms. I have a feeling that I would have to send for my oldest brother Dale to come down here if possible for about three weeks before trial starts. I have a feeling there is not very much truth being told to me as a client. The lady that comes to see me has been very good by getting in touch with you and Dale for me. I know that more money is in the picture, so tell Dale I am afraid that I might be in a squeeze for more money. I have some thing to say to Dale, but I cannot put it in a letter, but I don't want you to worry about it Tommy White Chester, tell him I met his wife if he remembers and tell him I got his letter, I like his wife very well, she has taken on a hell of a big task. Tell Billy Careamer to write his Grand Mother Cunningham. Tell her I received her letter and really appreciated what she said. Please keep in touch with me on any thing that Rex tells you. Keep all of this mail and tell Dale to do that also. Don't throw
